Post-Event Diversion Report

Organizers of events of 2,000+ people that charge an admission price must report on the diversion (recycling) efforts that were implemented and the amount of material diverted and disposed at the event.

Please complete and return this form to the Recycling and Solid Waste Division, Commercial Waste Compliance team at wastecompliance@cityofsacramento.org within 60 days of the completion of your event. Failure to provide a post-event report may result in the denial of future requests for special event permits.
