

**CULTIVATION**  
**Cannabis Business Operating Permit**  
**NEW Application Step-by-Step Checklist**

The City of Sacramento currently allows cannabis cultivation in specific zones, subject to the Sacramento City Code (SCC) under [Title 5](#) and [Title 17](#). This step-by-step checklist provides guidance for submitting a new application for a cannabis cultivation business operating permit (BOP).

1. **Find a Location\***

Zoned for cannabis cultivation. Zones include:

- Agricultural (A)
- General Commercial (C2)
- Heavy Commercial (C4)
- Light Industrial (M-1 and M-1S)
- Heavy Industrial (M-2 and M-2S)

To check a property address and view the zones located within the City, please utilize this link [here](#).

**\*Note:** Under State law, cannabis businesses are required to have 600-foot radius buffer zone from schools. In addition, SCC section [17.228.900](#) requires a 600-foot buffer from neighborhood and community parks. Applications with proposed sites that are within 600 feet of a neighborhood and community parks will be reviewed by the Planning and Design Commission.

2. **Apply for a Conditional Use Permit (CUP) – Planning Division**

Obtain a Conditional Use Permit (CUP) for production by submitting an application through the Planning Division’s [online portal](#). To check if a property already has an approved CUP, please utilize this link [here](#).

Once a complete CUP application has been submitted, the application will receive a file number (Z file or P file) that can be used to submit the Business Operating Permit.

3. **Apply for Building Permits – Building Department**

- Obtain a Certificate of Occupancy specific to the cannabis activity
- All Building Department applications must be submitted online via the Building Department’s [online portal](#). The Building Department’s public counters are open by [appointment only](#).

4. **Apply for a Business Operating Permit (BOP)\* – Office of Cannabis Management**

The City of Sacramento offers four types of cultivation permits:

- **Class A** – Indoor cultivation of no more than 5,000 square feet of total canopy size
- **Class B** – Indoor cultivation of no more than 10,000 square feet of total canopy size
- **Class C** – Indoor cultivation of no more than 22,000 square feet of total canopy size
- **Class D** – Nursery (no canopy size)

**\*Note:** Outdoor cultivation is not allowed in the City. Cultivation in greenhouses may be allowed under the terms of the CUP.

A BOP application may be submitted with the Z file or P file number and the required documentation through the [OCM's online permitting portal](#).

The application is only valid for 180 days. It will be deemed "Abandoned" if the application is not approved and the extension fee of \$500 and form is not submitted before 180 days.

**Documentation *required* for the BOP application includes:**

\_\_\_\_\_ **Z or P Number (CUP Application #) or Record of Decision (ROD)**

\_\_\_\_\_ **Certificate of Occupancy**

A copy of the site's Certificate of Occupancy (CofO) specific to the business type applied for. If tenant improvements are in progress, provide the building permit number (#COM) and a timeline of when the CofO will be obtained.

5. \_\_\_\_\_ **Pay BOP Application Fee – Office of Cannabis Management**

In order for OCM to begin reviewing the application, the application must be **both** submitted and paid for. The application fee is waived for CORE businesses (Classifications 1, 2, 3, and 5) and Veterans. The application fees are non-refundable and can be found on page 7 of this document.

6. \_\_\_\_\_ **Final Walk-through – Office of Cannabis Management**

After the Certificate of Occupancy (CofO) has been issued, contact OCM to schedule a BOP walk-through at [cannabis@cityofsacramento.org](mailto:cannabis@cityofsacramento.org). It is important to note that a walk-through will not be scheduled until the location has been issued a CofO and a complete application with all the required documents along with a fee payment. Walk-throughs are only scheduled on Wednesdays and are conducted by OCM, Sacramento Police Department, and Code Enforcement. To help you prepare, please review the BOP walk-through checklist found [here](#) to ensure the requirements are in place and ready for evaluation.

7. \_\_\_\_\_ **Business Operating Tax – Revenue Division**

When the business has completed the final walk-through, please apply online to submit the Business Operations Tax Online Application – link [here](#)

8. \_\_\_\_\_ **State License – Department of Cannabis Control – link [here](#)**

Applying for a State license from the Department of Cannabis Control may take place before Step 3. It is best to take your tenant improvement schedule into consideration during this process to ensure the business has a valid State license as the application goes through the BOP final review and/or to start operating your cannabis business.

## **Other Non-City Requirements**

### **CEQA Compliance**

If the City has determined that the project is exempt from CEQA review, applicants can obtain from their planner a completed Notice of Exemption (NOE). The NOE must be filed with these agencies: 1) Sacramento County Clerk, and 2) the State Office of Planning and Research (OPR). The 2024 fee for the County Clerk is \$50.00. There is no fee for filing with OPR. The applicant must file the NOE in order to obtain a date-stamped copy of the NOE required by the Department of Cannabis Control to apply for a State license.

### **California Air Resources Board**

Any engines utilized to meet power needs for cannabis cultivation only, including those used only on an emergency basis, must be certified by the California Air Resources Board (CARB). Please contact the [California Air Resources Board Distributed Generation Certification Program \(DG Certification\)](#) for more information on obtaining power generation technologies with DG Certification.

### **Sacramento County Agricultural Commission**

Cultivators of cannabis intending to use pesticides (including herbicides, insecticides, rodenticides, fungicides, etc.) should contact the Sacramento County Agricultural Commission prior to the use, in compliance with the requirements of the California Department of Pesticide Regulation. Contact the County commission at (916) 875-6603 or [AGCOMM@saccounty.net](mailto:AGCOMM@saccounty.net).

### **Sacramento County Environmental Department**

Existing State statute requires any business in Sacramento County that handles or generates certain quantities of hazardous waste to register with and obtain a permit from the Sacramento County Environmental Department. More information can be found [here](#).

### **Sac Metro Air District**

A cannabis cultivation permit holder shall prevent all odors generated from the cultivation and storage of cannabis from escaping from the buildings on the premises, such that odor cannot be detected by a reasonable person of normal sensitivity outside the buildings. Please contact the [Sac Metro Air Quality Management District](#) (SMAQMD) with any cannabis permitting and registration questions at (279) 207-1122. Certain cannabis related processes and equipment may also require a permit to operate from SMAQMD. These may include power generation devices, surface cleaning processes, boilers, and air pollution control devices, used for cannabis grinding, milling, and cutting, and associated odors. Please contact SMAQMD directly for more information on regulations and permitting requirements.
