

Introducing Sacramento's Limited Entertainment Permit

The City of Sacramento offers a new Limited Entertainment Permit (LEP) to help small businesses host live entertainment legally, affordably and with fewer requirements than a full entertainment permit.

The LEP is designed for businesses where entertainment is a secondary use, helping reduce costs and red tape while supporting vibrant commercial corridors and local performers.

Limited Entertainment Permit Outreach & Training

Jan. 29, 2026 from 3-4 p.m.

300 Richards Blvd., 2nd Floor – Room 221 (Free parking lot available)

Who this permit is for
