

Interactive Voice Response System (IVRS) (916) 808-7622

Don't forget to schedule an inspection! All permits require a final inspection. If an inspection is not called for, the permit cannot be finalized and the work will not be deemed complete. Listed below are inspection codes that will need to be scheduled in order to final the permit.

Permit	Code
HVAC Replacement	39/79
HVAC Cut In	29/39/79
Water Service	42/59
Sewer Service	43/59
Gas Line (new or replacement)	47/59
Electrical Service Panel	79
SMUD Safety Inspection	79
Reroof	29/83*
Siding	29/84**
Water Heaters	59/79***
Dry Rot Repairs	29/19****
* Use 83 when over 10 squares	
** Use 84 for pest control repairs	
*** Use 79 for electric water heaters	
**** Use 19 if work will be concealed	

Helpful Information:

- Inspections called in before 6pm can be scheduled as early as the next business day (excluding holidays¹ and furlough days)
- The IVRS is open 24 hours a day/7 days a week
- Inspections are generally performed between 7:30 am and 3:30 pm.
- After-hours inspections can be scheduled based upon availability of inspectors and are charged an overtime inspection fee. To request an after-hour inspection, submit a complete After-Hours/Overtime Inspection Request form (CDD-0291) to ezpermit@cityofsacramento.org.
- Inspections can be scheduled through the IVRS or online. If you have issues scheduling your inspection, please contact the City call center at 311 (or if outside City limits 916-264-5011).

Visit Building's website for additional information on scheduling an inspection:
