5. Water Service Installation Fee:

Size	EASEMENT TAP*		METER**	Service sizes larger than 1.5" are offered only under special circumstances, and if approved a fee quote will be provided.
1"	\$1,822.00	+	\$672.00	
1.5"	\$2,265.00	+	\$923.00	

*Contractor excavates and exposes the water main for the City to install tap, corporation stop, water pipe from main to point of service and meter box. Contractor backfills trench and restores pavement. Incidentals work such as encroachment permit, traffic control is the Contractor's responsibility.

** City removes idler, provides and installs meter. If no meter box exists Contractor is responsible for providing and installing the box and all associated fittings per City Standard Detail W-402.

6. Water Service Abandonment Fee:

1" to 3"	\$1,851.00
----------	------------

7. Water Service Kill Tap: *

¾"-2"	\$254.00
-------	----------

* Charged with every residential demolition permit, City crews will cut service on customer side of curb stop.

8. Water Service Relocation: \$5,877.00*

*Only for 1" landlocked services, includes abandonment of existing service and installation of new full-service tap, and meter. Applicant is responsible for obtaining any required easements and for routing their service to the new meter box location.

9. Drainage Development Fee:

Drainage Basin Type	Fee Amount
Combined Sewer Service Area	\$1.35 per sq. ft. of increased imperviousness (Offset by Combined Sewer Service Area Sewer Development Fee)
Pumped Basin*	\$0.0609 per sq. ft. of increased imperviousness
Gravity Basin*	\$0.0373 per sq. ft. of increased imperviousness

*Applies to areas of the Combined Sewer System with separated City drainage basins.

Residential Fee Information – 01/22/24 to 06/30/24

10. Sewer Development Fee: (Either A or B)

A. Combined Sewer Service Area

Single Family Residence	\$2,040.40
-------------------------	------------
