

Damage Repair

Application for Site Plan & Design Review Exemption

City Code [Section 17.808.160\(A\)\(1\)](#)

Overview: [Site Plan and Design Review \(SPDR\)](#) is a planning permit required for the exterior aspects of development such as new structures, additions to existing structures, and site features (e.g., fences/walls, landscaping). SPDR does not include consideration of land use (e.g., residential dwelling, retail business). Unless exempted, new development requires SPDR approval before filing a building permit application.

Purpose: This form is used for the review of SPDR exemption requests for damage repair.

Historic Properties: This form may not be used for properties located in a historic district or ones that involve a historic landmark. [Review Preservation Step by Step](#) for info about the review process for historic properties.

Application requirements: Applications shall include all the following:

- **Application Form:** Fill all portions of this form with required text, check all boxes that apply.
- **Plans:** A site plan, building elevation plans, and floor plans. Plans should be merged into one PDF.
- **Color photographs:** Provide photos of the front of the building and work area, including photos of existing siding and roofing materials. Provide photos of existing damage. Photos should be merged into one PDF.

How to submit this application: Use the Public Permit Portal to submit your application form, Building Permit forms, plan, and photographs. Review the [Planning Permit Submittal webpage for more information](#) on how to submit.

Fees: There is no fee for this form.

After submittal: The assigned planner will review in two sequential phases: (1) for completeness (i.e., Is all the information required by this form present and accurate); and, once complete, (2) for compliance with City Code Section 17.808.160(A)(1).

How to ask questions: All questions before and during the submittal process can be directed to planning@cityofsacramento.org, or by visiting the public counter in-person through a scheduled appointment. In-person appointments can be scheduled through the [Appointment Scheduling](#) website.
