Occupation: Retired Vice Principal

Statement: For 40 years, I have called District 2 my home. I have served this community as a teacher and a vice principal at Grant Union High School. I am proud to have interacted with residents and youth across all extracurricular activities, from academics to arts and sports. I was instrumental in bringing federal resources into Grant to support our youth.

Currently, our community is facing an overwhelming homeless crisis. We have the majority burden of unhoused as compared to our district counterparts. Additionally, businesses are closing and leaving our residents with limited options in our community. We have to find solutions to bringing in new businesses, job opportunities, and tax dollars back to this district.

Although we pay our share of city taxes, we are not receiving equitable support and resources from the city. We need a city council representative who is there to represent the interests of the residents of District 2.

For the reasons stated, I am running for city council. We deserve more support, resources, and infrastructure investment from the city. I would be honored to have your support and vote. Together we can create a community we can all be proud to call home.
