Occupation: Former School Board Trustee

I like to see results! My journey from being a farmworker to an engaged community advocate is truly remarkable. It reflects my determination, resilience, and ability to overcome challenges along the way. I have served in various leadership positions. I am an American Leadership Fellow, studying English Literature at CSUS and Tribal Studies at UCD. I am also the founder of the Benito Juarez Association of North Sacramento. I have been a dedicated North Sacramentan for over 40 years with a proven track record of community advocacy. As a passionate advocate, I have a deep understanding of the challenges faced by our diverse communities.

I will work towards improving local infrastructure, advocating for social and economic equity, promoting sustainable practices, and addressing issues that affect the well-being of residents.

The first items I will tackle are: Clean up our community. Work to bring more businesses. Ensure public safety. Preservation of North Sacramento. Address the homelessness issue.

Let's join forces and create a community where no one is left behind. I would be honored to have your vote. Together, let's build a brighter future for all.
