### **Candidate Statement:**

As a former FBI Supervisory Investigative Specialist, I dedicated my 13-year career to protecting families and holding criminals accountable.

I am running for Sacramento City Council to strengthen public safety and demand transparency and accountability at City Hall. As an FBI investigator, I handled complex cases, followed the facts, and delivered results. I understand how crime affects residents — and I know how to address it.

Mail theft and neighborhood crime are impacting residents in Natomas and Robla. I will redirect City Council office funds to support a dedicated police officer focused on stopping mail theft and improving neighborhood safety.

A mother and longtime community leader, I serve as Vice President of the North Natomas Community Coalition, as a Director for Northlake HOA, serve on the Northlake TK-8 PTC and School Site Council, and volunteer for JIBE.

I believe in fiscal responsibility and will reject the recent City Council pay raise and insist on accountability for every taxpayer dollar. I am focused on supporting our small businesses in Natomas and pursuing solutions to homelessness and housing affordability. My priorities are clear: protect public safety, serve with integrity, and put Natomas and Robla families first. I am the leader you can trust.
