### **Candidate Statement:**

In my first term, I kept my promises by delivering real results for our community. I worked tirelessly on making our neighborhoods safer, cleaner and more resilient, but the work continues.

I made public safety my top priority, securing funding for more traffic enforcement and youth programs, while championing traffic-calming measures to protect pedestrians and cyclists. Crime is down 12% with increased collaboration between law enforcement and community-based violence reduction organizations. That's why I've been endorsed by the Sacramento Area Firefighters Local 522 and Sacramento Police Officers Association.

I'm delivering on community spaces that make our district the place to live - by opening parks, building the Tyre Nichols Skatepark, installing lights at the North Natomas Regional Park and constructing the cricket field at Northlake Community Park.

However, I reject the status quo on homelessness. My approach is defined by compassion and accountability. Providing support for those willing to accept it, while simultaneously enforcing public safety laws to reclaim our public spaces and demanding results from service providers.

I was raised to work hard and help others; values I put into action every day and instill in my own children. I love being the voice for moms on Council. As your Councilmember, I prioritized action over rhetoric. I hope to earn your vote. [www.kaplan4district1.com](http://www.kaplan4district1.com)
