Candidate Statement:

I am proud to serve as your City Councilmember and I'm respectfully asking for your support for my re-election because our work isn't done.

I care deeply about the future of our neighborhoods. Our district is filled with working families, small businesses, and residents who want safe streets, affordable housing, and a city that functions well. Since taking office, I have focused on increasing housing production, improving infrastructure, supporting small businesses, and pushing for better solutions to address homelessness.

Local decisions shape your daily life. Fixing potholes, reducing illegal dumping, investing in youth violence prevention, and improving public transit are not abstract issues. They directly impact every single resident in our city.

I have secured funding for street repairs, lighting, and pedestrian safety improvements in long-overlooked areas and fought for housing policy that makes it easier to build homes at all income levels so families can stay in Sacramento.

Sacramento is facing real challenges, including budget constraints and growing needs. I am committed to bold leadership, responsible decisions, and ensuring that every neighborhood receives attention and investment. I would be honored to earn your vote for another term as your voice at City Hall. Learn more at www.caitymaple.com.
