**Description/Analysis**  
**Issue Detail:** The Department of Public Works, Fleet Management Division, has an ongoing requirement to purchase Ford Police Interceptor Utility Vehicles for the Sacramento Police Department. These vehicles are essential for providing effective patrol capabilities for the police force, helping to ensure the safety and security of officers, passengers, and the general public.

**Policy Considerations:** The recommendations in this report are in accordance with City Code Chapter 3.56 and the Sacramento City Code Section 4.04.020 and Council Rules of Procedure, Chapter 7, Section E.2.d, which requires additional posting time for labor agreements and agreements greater than $1 million shall be posted on the City’s website and be made available to the public at least 10 days prior to council action. This contract was posted for a 10-day review on August 08, 2024, as required.

**Economic Impacts:** None.
Environmental Considerations:

**California Environmental Quality Act (CEQA):** No environmental review is necessary because the recommendations in this report involve the purchase of vehicles and are not considered to be a project in accordance with Section 15378(b)(2) of the California Environmental Quality Act guidelines.

**Sustainability:** The recommended purchases are consistent with the updated Fleet Sustainability Policy, adopted by City Council on December 12, 2017 (Resolution No. 2017-0478).

**Commission/Committee Action:** None.

**Rationale for Recommendation:** On May 31, 2024, the Department of Public Works, Fleet Management Division issued Invitation for Bid No. B24153311011 for Ford Police Interceptor Utility Vehicles and one bid was received. Downtown Ford Sales was deemed the lowest responsive and responsible bidder.

**Financial Considerations:** The recommended contract amount of $10,742,595 reflects the amount anticipated to be expended over the potential contract period maximum of five years. The purchases will be made from the Department of Public Works, Fleet Management Division operating budget (Fleet Fund, 6501) and charged to the Police Fleet Project (I06110000). Sufficient funding is available in the Fiscal Year (FY) 2024/25 operating budget to purchase Ford Police Utility Interceptor Vehicles through June 30, 2025. Purchases made after June 30, 2025, are subject to funding availability in the adopted budget of the applicable fiscal year.

Due to the forecasted structural budget gap, the City Manager has directed City departments to minimize costs and for all new contracts to receive an additional level of scrutiny to ensure they are necessary for the operation of the City. This contract has been reviewed and approved by the City Manager’s Office to advance to City Council for approval. Funding for the proposed contract beyond FY2024/25 is subject to Council approval.

**Local Business Enterprise (LBE):** Downtown Ford Sales is an LBE.

subrogation in favor of the City.”

6. **Other Insurance Provisions.** The policies must contain, or be endorsed to contain, the following
provisions:

B. Any failure to comply with reporting provisions of the policies will not affect coverage
provided to the City, its officials, employees or volunteers.

C. Coverage shall state that Contractor's insurance applies separately to each insured
against whom claim is made or suit is brought, except with respect to the limits of the insurer's liability.

D. Contractor shall provide the City with 30 days written notice of cancellation or material change in the policy language or terms.

7. **Acceptability of Insurance.** Insurance must be placed with insurers with a Bests' rating of not less than A:VI. 9. **Subcontractor Insurance Coverage.** Contractor shall require and verify that all subcontractors maintain insurance coverage that meets the minimum scope and limits of insurance coverage specified in this Exhibit C.
EXHIBIT D

GENERAL CONDITIONS

1. Independent Contractor.

A. It is understood and agreed that Contractor (including Contractor’s employees) is an independent contractor and that no relationship of employer-employee exists between the parties hereto for any purpose whatsoever. Neither Contractor nor Contractor’s assigned personnel will be entitled to any benefits payable to City employees. City is not required to make any deductions or withholdings from the compensation payable to Contractor under the provisions of this Contract, and Contractor will be issued a Form 1099 for its services hereunder. As an independent contractor, Contractor hereby agrees to indemnify and hold City harmless from any and all claims that may be made against City based upon any contention by any of Contractor’s employees or by any third party, including any state or federal agency, that an employer-employee relationship or a substitute therefor exists for any purpose whatsoever by reason of this Contract or by reason of the nature and/or performance under this Contract.

B. It is further understood and agreed by the parties that Contractor, in the performance of its obligations, is subject to the City’s control and direction as to the designation of tasks to be performed and the results to be accomplished under this Contract, but not as to the means, methods, or sequence used by Contractor for accomplishing the results. To the extent that Contractor obtains permission to, and does, use City facilities, space, equipment or support services in the performance of this Contract, this use will be at the Contractor’s sole discretion based on the Contractor’s determination that the use will promote Contractor’s efficiency and effectiveness. Except as may be specifically provided elsewhere in this Contract, the City does not require that Contractor use City facilities, equipment or support services or work in City locations in the performance of this Contract. As used in this Contract, "sole discretion" or "sole judgment" means that the party authorized to exercise its discretion or judgment may do so based on an unfettered assessment of its own interests, without considering how its decision affects the other party, and unconstrained by the implied covenant of good faith and fair dealing.

C. If, in the performance of this Contract, any third persons are employed by Contractor, such persons will be entirely and exclusively under the direction, supervision, and control of Contractor. Except as otherwise provided in this Contract, all terms of employment, including hours, wages, working conditions, discipline, hiring, and discharging, or any other terms of employment or requirements of law, shall be determined by Contractor. It is further understood and agreed that Contractor will issue W-2 or 1099 Forms for income and employment tax purposes for all Contractor’s assigned personnel and subcontractors.

D. The provisions of this section will survive any expiration or termination of this Contract. Nothing in this Contract creates an exclusive relationship between City and Contractor. Contractor may represent, perform services for, or be employed by any additional persons or companies so long as Contractor does not violate the provisions of Section 5, below.
2. **Licenses; Permits, Etc.** Contractor represents and warrants that Contractor has, and shall maintain at all times during the term of this Contract at its sole cost and expense, all licenses, permits, qualifications, and approvals of any nature that are legally required for Contractor to practice its profession or fulfill the terms of this Contract, including a City Business Operations Tax Certificate and any required certification issued by the California Secretary of State.

3. **Time.** Time is off the essence in the performance of this Contract. Contractor shall devote the necessary time and effort to its performance under this Contract. Neither party will be considered in default of this Contract, to the extent that party’s performance is prevented or delayed by any cause, present or future, that is beyond the reasonable control of that party.

4. **Contractor Not Agent.** Except as City may specify in writing, Contractor and Contractor’s personnel have no authority, express or implied, to act on behalf of City in any capacity whatsoever as an agent. Contractor and Contractor’s personnel shall have no authority, express or implied, to bind City to any obligations whatsoever.

5. **Conflicts of Interest.** Contractor covenants that neither it, nor any officer or principal of its firm, has or will acquire any interest, directly or indirectly, that would conflict in any manner with the City’s interests or that would in any way hinder Contractor’s performance under this Contract. Contractor further covenants that in the performance of this Contract, no person having any such interest will be employed by it as an officer, employee, agent or subcontractor, without the City’s written consent.

Contractor agrees to avoid conflicts of interest or the appearance of any conflicts of interest with the City’s interests during the performance of this Contract. If Contractor is or employs a former officer or employee of the City, Contractor and any former City officer or employee shall comply with the provisions of Sacramento City Code Section 2.16.090 pertaining to appearances before the City Council or any City department, board, commission, or committee.

6. **Hazardous Substances.** "Hazardous Substances" means any substance, material, waste, or other pollutant or contaminant that is or becomes designated, classified, or regulated as hazardous or toxic under any law, regulation, rule, order, decree, or other governmental requirement now in effect or later enacted. If Contractor is shipping Hazardous Substances, Contractor must supply a Safety Data Sheet ("SDS") with the first shipment of Hazardous Substances to each City location receiving the Hazardous Substances. If the content of an SDS is revised, Contractor must provide a revised SDS to each City location receiving Hazardous Substances.

7. **Confidentiality of City Information.** During performance of this Contract, Contractor may gain access to and use City information regarding inventions, machinery, products, prices, apparatus, costs, discounts, future plans, business affairs, governmental affairs, processes, trade secrets, technical matters, systems, facilities, customer lists, product design, copyright, data, and other vital information (hereafter collectively referred to as “City Information”) that are valuable, special and unique assets of the City.

Contractor agrees to protect all City Information and treat it as strictly confidential, and further agrees that Contractor shall not at any time, either directly or indirectly, divulge, disclose or
communicate in any manner any City Information to any third party without the City’s prior written consent.

In addition, Contractor must comply with all City policies governing the use of the City network and technology systems, as set forth in applicable provisions of the City of Sacramento Administrative Policy Instructions # 30. A violation by Contractor of this section is a material violation of this Contract and shall justify legal and equitable relief.

8. **Contractor Information.**

   A. City shall have full ownership and control, including ownership of any copyrights, of all information prepared, produced, or provided by Contractor under this Contract. In this Contract, the term “information” means and includes: any and all work product, submittals, reports, plans, specifications, and other deliverables consisting of documents, writings, handwritings, typewriting, printing, photostatting, photographing, computer models, and any other computerized data and every other means of recording any form of information, communications, or representation, including letters, works, pictures, drawings, sounds, or symbols, or any combination thereof. Contractor shall not be responsible for any unauthorized modification or use of such information for other than its intended purpose by City.

   B. Contractor shall fully defend, indemnify and hold harmless City, its officers and employees, and each of them, from and against any and all claims, actions, lawsuits or other proceedings alleging that all or any part of the information prepared, produced, or provided by Contractor under this Contract infringes upon any third party’s trademark, trade name, copyright, patent or other intellectual property rights. City shall make reasonable efforts to notify Contractor not later than ten days after City is served with any such claim, action, lawsuit or other proceeding. However, City’s failure to provide notice within the ten-day period does not relieve Contractor of its obligations hereunder, which survive any termination or expiration of this Contract.

   C. All proprietary and other information received from Contractor by City, whether received in connection with Contractor’s proposal to City or in connection with Contractor’s performance, will be disclosed upon receipt of a request for disclosure, in accordance with the California Public Records Act; provided, however, that, if any information is set apart and clearly marked “trade secret” when it is provided to City, City shall give notice to Contractor of any request for the disclosure of such information. The Contractor will then have five days from the date it receives notice to petition the court for a protective order to prevent the disclosure of the information. The Contractor shall have sole responsibility for defense of the actual “trade secret” designation of such information.

   D. The parties understand and agree that any failure by Contractor to respond to the notice provided by City and seek a protective order, in accordance with the provisions of subsection C, above, constitutes a complete waiver by Contractor of any rights regarding the information designated “trade secret” by Contractor, and the information will be disclosed by CITY in accordance with the Public Records Act.
9. **Notification of Material Changes in Business.** Contractor agrees that if it experiences any material changes in its business, including a reorganization, refinancing, restructuring, leveraged buyout, bankruptcy, name change, or loss of key personnel, it will immediately notify the City of the changes. Contractor also agrees to immediately notify the City of any condition that may jeopardize the scheduled delivery or fulfillment of Contractor's obligations to the City under this Contract.

10. **Standard of Performance.** Contractor shall perform in the manner and according to the standards currently observed by a competent practitioner of Contractor's profession in California and in compliance with all requirements of this Contract. All products that Contractor delivers to City under this Contract must be prepared in a professional manner and conform to the standards of quality normally observed by a person currently practicing in Contractor's profession.

Contractor shall assign only competent personnel to perform on its behalf under this Contract. Contractor must notify the City in writing of any changes in Contractor's staff assigned to perform under this Contract, before any performance by the new staff member. If the City, in its sole discretion, determines that any person assigned by the Contractor to perform under this Contract is not performing in accordance with the standards required herein, City shall provide notice to Contractor. Contractor shall immediately remove the assigned person upon receipt of the notice.

11. **Performance or Different Terms and Conditions.** The City's subsequent performance will not be construed as either acceptance of additional or different terms and conditions or a counteroffer by the Contractor, nor will the City's subsequent performance be viewed as acceptance of any provision of the Uniform Commercial Code, as adopted by any State, that is contrary to the terms and conditions contained herein. Contractor's performance shall conform to the applicable requirements of the Sacramento City Charter, Sacramento City Code, and all applicable State and Federal laws, and all the requirements of this Contract. The California Commercial Code will apply except as otherwise provided in the Contract.

12. **Emergency/Declared Disaster Requirements.** If an emergency is declared by the City Manager, or if any portion of the City is declared a disaster area by the county, state or federal government, this Contract may be subjected to increased usage. The Contractor shall serve the City during a declared emergency or disaster, subject to the same terms and conditions that apply during non-emergency / non-disaster conditions. The pricing set forth in this Contract will apply, without mark-up, regardless of the circumstances. If the Contractor is unable to fulfill the terms of the Contract because of a disruption in its chain of supply or service, then the Contractor shall provide proof of the disruption. Acceptable forms of proof will include a letter or notice from the Contractor's source stating the reason for the disruption.

13. **Term; Suspension; Termination.**

   A. **This Contract is effective on the Effective Date and continues in effect until both parties have fully performed their respective obligations under this Contract, unless sooner terminated as provided herein.**

   B. **City shall have the right at any time to suspend Contractor's performance hereunder, in whole or in part, by giving a written notice of suspension to Contractor. Upon receipt of**
such notice, Contractor shall immediately suspend its activities under this Contract, as specified in the notice.

C. The City shall have the right to terminate this Contract at any time by giving a written notice of termination to Contractor. Upon receipt of such notice, Contractor shall immediately cease performance under this Contract as specified in the notice. If the City terminates this Contract:

(1) Contractor shall, not later than five days after receipt of the notice, deliver all information prepared under this Contract to the City.

(2) The City shall pay Contractor the reasonable value of Goods or Services provided by Contractor before termination; provided, however, City shall not in any manner be liable for lost profits that might have been made by Contractor had the Contract not been terminated or had Contractor completed performance required by this Contract. Contractor shall furnish to the City any financial information requested by the City to determine the reasonable value of the Goods or Services provided by Contractor. The foregoing is cumulative and does not affect any right or remedy that City may have in law or equity.

14. Default by Contractor. In case of default by the Contractor, the City reserves the right to procure the Goods or Services from other sources and deduct from any monies due, or that may thereafter become due to the Contractor, the difference between the price named in this Contract and the actual cost to the City to procure from an alternate source. Prices paid by the City will be considered the prevailing market price at the time such purchase is made.

15. Guarantee and Warranty. Contractor assumes design responsibility and warrants the articles to be free from design defect and suitable for the purposes intended by City. If it is determined by the City that the Goods and Services do not meet the minimum requirements of this Contract, the Contractor shall correct the same at Contractor's sole expense.

A. The Contractor agrees that the Goods and Services furnished under this Contract will be covered by the industry standard or better warranty.

B. Contractor further warrants that the Goods and Services furnished under this Contract will be covered by the most favorable commercial warranties the Contractor gives to any customer for the Goods and Services and that the rights and remedies provided herein are in addition to and do not limit any rights afforded to the City at law or equity, or by any other clause of this Contract.

C. Any additional warranties provided by law, including the warranty of merchantability and warranty of fitness for a particular purpose will remain in full force and effect and inure to the City's benefit. City reserves all rights and remedies provided by law for breach of any applicable warranty related to the Goods and Services.

D. City's inspections, approval, acceptance, or payment for all or part of any Goods and
Services will in no way affect City's warranty rights.

16. Indemnity.

A. **Indemnity**: Contractor shall defend, hold harmless and indemnify City, its officers and employees, and each and every one of them, from and against all actions, damages, costs, liabilities, claims, demands, losses, judgments, penalties, costs and expenses of every type and description, whether arising on or off the site of the work or services performed under this Contract, including, any fees and costs reasonably incurred by City’s staff attorneys or outside attorneys and any fees and expenses incurred in enforcing this provision (hereafter collectively referred to as “Liabilities”), including Liabilities for personal injury or death, damage to personal, real or intellectual property, damage to the environment, contractual or other economic damages, or regulatory penalties, arising out of or in any way connected with performance of or failure to perform this Contract by Contractor, any subcontractor (including lower-tier subcontractors) or agent of Contractor, their respective officers and employees, and anyone else for whose acts or omissions any of them may be liable, whether or not the Liabilities (1) are caused in part by a party indemnified hereunder, or (ii) are litigated, settled or reduced to judgment; provided that the foregoing indemnity does not apply to liability for any damages for death or bodily injury to persons, injury to property, or other loss, damage, or expense, to the extent arising from the active negligence or willful misconduct of, or defects in design furnished by, City, its agents, servants, or independent contractors who are directly responsible to CITY, except when such agents, servants, or independent contractors are under the supervision and control of Contractor or any subcontractor (including lower-tier subcontractors) or agent of Contractor.

B. **Insurance Policies; Intellectual Property Claims**: The existence or acceptance by City of any of the insurance policies or coverages described in this Contract does not affect or limit any of City’s rights under this section, nor do the limits of any insurance limit the liability of Contractor hereunder. This section will not apply to any intellectual property claims, actions, lawsuits or other proceedings subject to the provisions of section 8.B., above.

C. **Survival**: The provisions of this section will survive any expiration or termination of this Contract.

17. Funding Availability.

A. This Contract is subject to the budget and fiscal provisions of the Charter and the Sacramento City Code.

B. The City’s payment obligation under this Contract will not exceed the amount of funds appropriated and approved for this Contract by the Sacramento City Council.

C. This Section shall govern over any other contrary provision of the Contract.

18. Equal Employment Opportunity. During the performance of this Contract, Contractor, for itself, its assignees and successors in interest, agrees as follows:
A. **Compliance With Regulations:** Contractor shall comply with all state, local, and federal anti-discrimination laws and regulations, including the Executive Order 11246 entitled “Equal Opportunity in Federal Employment”, as amended by Executive Order 11375, 12086, and 13672, and as supplemented in Department of Labor regulations (41 CFR Chapter 60), referred to collectively as the “Regulations.”

B. **Nondiscrimination:** Contractor, with regards to the work performed by it after award and before completion of the work under this Contract, shall not discriminate on the ground of race, color, religion, sex, national origin, age, marital status, physical handicap or sexual orientation in selection and retention of subcontractors, including procurement of materials and leases of equipment. Contractor shall not participate either directly or indirectly in discrimination prohibited by the Regulations.

C. **Solicitations for Subcontractors, Including Procurement of Materials and Equipment:** In all solicitations either by competitive bidding or negotiations made by Contractor for work to be performed under any subcontract, including all procurement of materials or equipment, each potential subcontractor or supplier shall be notified by Contractor of Contractor’s obligation under this Contract and the Regulations relative to nondiscrimination on the ground of race, color, religion, sex, national origin, age, marital status, physical handicap or sexual orientation.

D. **Information and Reports:** Contractor shall provide all information and reports required by the Regulations, or by any orders or instructions issued pursuant thereto, and shall permit access to its books, records, accounts, other sources of information and its facilities as may be determined by the City to be pertinent to ascertain compliance with the Regulations, orders and instructions. Where any information required of Contractor is in the exclusive possession of another who fails or refuses to furnish this information, Contractor shall so certify to the City, and shall set forth what efforts it has made to obtain the information.

E. **Sanctions for Noncompliance:** In the event of noncompliance by Contractor with the nondiscrimination provisions of this Contract, the City shall impose any sanctions it determines are appropriate including:

   (1) Withholding of payments to Contractor under this Contract until Contractor complies;
   (2) Cancellation, termination, or suspension of this Contract, in whole or in part.

F. **Incorporation of Provisions:** Contractor shall include the provisions of subsections A through E, above, in every subcontract, including procurement of materials and leases of equipment, unless exempted by the Regulations, or by any order or instructions issued pursuant thereto. The City may direct Contractor to take specific actions to enforce these provisions, including sanctions for noncompliance; provided, however, that if Contractor becomes involved in, or is threatened with, litigation with a subcontractor or supplier as a result of such direction, Contractor may request that the City join such litigation to protect the City’s interests.
19. **Entire Agreement.** This Contract, including all Exhibits and documents referenced herein, contains the entire agreement between the parties and supersedes whatever oral or written understanding they may have had before the execution of this Contract. No alteration to the terms of this Contract shall be valid unless approved in writing by Contractor, and by City, in accordance with applicable provisions of the Sacramento City Code.

20. **Modification of Contract.** The Contractor shall take no direction from any City employee that changes the executed terms and conditions of the Contract, including Exhibit A, or any change that impacts the cost, price, or schedule, before receiving a written, signed modification to the Contract.

21. **Severability.** If a court with jurisdiction rules that any portion of this Contract or its application to any person or circumstance is invalid or unenforceable, the remainder of this Contract will not be affected thereby and will remain valid and enforceable as written, to the greatest extent permitted by law.

22. **Waiver.** Neither the City’s acceptance of, or payment for, any Goods or Services, nor any waiver by either party of any default, breach or condition precedent, will be construed as a waiver of any provision of this Contract, nor as a waiver of any other default, breach or condition precedent or any other right hereunder. No waiver will be effective unless it is in writing and signed by the waiving party.

23. **Governing Law.** This Contract shall be governed, construed and enforced in accordance with the laws of the State of California, except that the rule of interpretation in California Civil Code section 1654 will not apply. Venue of any litigation arising out of this Contract will lie exclusively in the state trial court or Federal District Court located in Sacramento County in the State of California, and the parties consent to jurisdiction over their persons and over the subject matter of any such litigation in such courts, and consent to service of process issued by such courts.

24. **Assignment Prohibited.** The expertise and experience of Contractor are material considerations for this Contract. CITY has a strong interest in the qualifications and capability of the persons and entities that will fulfill the obligations imposed on Contractor under this Agreement. In recognition of this interest, Contractor shall not assign any right or obligation pursuant to this Contract without the written consent of the City. Any attempted or purported assignment without City’s written consent shall be void and of no effect.

25. **Binding Effect.** This Contract is binding on the heirs, executors, administrators, successors and assigns of the parties, subject to the provisions of Section 24, above.

26. **Compliance with Laws.** The Contractor shall be responsible for strict compliance with all applicable laws, regulations, court orders and other legal requirements applicable to the work to be accomplished under the Contract, including the California Occupational Safety and Health Act and all applicable safety orders issued by the Division of Occupational Safety and Health, Department of Industrial Relations, State of California, and all applicable requirements of Underwriters Laboratories and the Federal Communication Commission.
27. **Debarment Certification**

A. Pursuant to 2 CFR, Part 200, and applicable Executive Orders, the City is restricted in its ability to contract with certain parties that are debarred, suspended, or otherwise excluded or ineligible for participating in Federal assistance programs or activities. By signing this Agreement, CONTRACTOR warrants and certifies under penalty of perjury under the laws of the State of California that Contractor, including any owner, partner, director, officer, or principal of the CONTRACTOR, or any person in a position with management responsibility or responsibility for the administration of federal funds:

1. Is not presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from covered transactions by any federal or state department/agency;

2. Has not within a three-year period preceding this certification been convicted of or had a civil judgment rendered against it for: commission of fraud or a criminal offense in connection with obtaining, attempting to obtain, or performing a public transaction or contract (federal, state, or local); violation of federal or state antitrust statutes; or commission of embezzlement, theft, forgery, bribery, falsification or destruction of records, making false statements, receiving stolen property, or other criminal felony;

3. Is not presently indicted for or otherwise criminally or civilly charged by a governmental entity (federal, state, or local) with commission of any of the offenses enumerated in paragraph (b) above; or

4. Has not, within a three-year period preceding this certification, had one or more public contracts (federal, state, or local) or transactions terminated for cause or default.

5. Has not been notified, within a three-year period preceding this certification, been notified of any delinquent Federal taxes in an amount that exceeds $3,500 for which the liability remains unsatisfied. Federal taxes are considered delinquent if the tax liability has been finally determined and the taxpayer is delinquent in making payment, as defined in Section 52.209-5 of the Federal Acquisition Regulations.

B. CONTRACTOR further warrants and certifies that it shall not knowingly enter into any transaction with any subcontractor, material supplier, or vendor who is debarred, suspended, declared ineligible, or voluntarily excluded from covered transactions by any federal or state department/agency. Any exceptions to the warranties and certifications in this Section must be disclosed to the City.

C. Exceptions will not necessarily result in denial of recommendation for award, but will be considered in determining Contractor’s responsibility. Disclosures must indicate to whom exceptions apply, the initiating agency, and dates of action.

D. City will review the Federal Government’s System for Award Management Exclusions maintained by the General Services Administration for eligibility, prior to the execution of this Agreement. The CONTRACTOR shall provide immediate written notice to the City if, at any time prior to execution, the CONTRACTOR learns this certification is erroneous or has become erroneous by reason of changed circumstances. If it is later determined that the Contractor’s warranties and certification in this Section were erroneous, the City may terminate this Agreement for default.
Executed as of the day and year first above stated.
