Description/Analysis
The Department of Public Works, Fleet Management Division, oversees the maintenance of all City fleet assets which requires the procurement and maintenance of tires and related services for vehicles used by various City departments. To ensure consistent and continuous services contracts are required to secure replacement tires and comprehensive tire-related services such as re-treading, mounting, dismounting, and balancing. Additionally, the division coordinates emergency roadside tire services to ensure the uninterrupted operation of the City’s fleet, supporting various departmental functions. This contract is essential for maintaining the safety, reliability, and operational status of all City vehicles, from service trucks to emergency response vehicles.

Policy Considerations: The recommendations in this report are in accordance with City Code Section 4.04.020, Procurement Policy Section 11.A.2 and Council Rules of Procedure, Chapter 7, Section E.2.d, which mandate that unless waived by two-thirds vote of the City Council, all labor agreements, and all agreements greater than $1,000,000 shall be made available to the public at least ten (10) days prior to the City Council action. The use of a cooperative purchasing agreement is an exception to competitive bidding requirements. (City Code Section 3.56.240). This item was published for 10-day review on July 31, 2025, in compliance with the City Code.

Economic Impacts: None.

Environmental Considerations: California Environmental Quality Act (CEQA): No environmental review is necessary because the recommendations in this report involve the purchase of parts and services are not considered to be a project in accordance with Section 15378(b)(2) of the guidelines.

Sustainability: Not applicable.

Commission/Committee Action: None.

Rationale for Recommendation:
The Department of Public Works, Fleet Management Division, oversees the procurement and maintenance of tires for vehicles used by various City departments. This includes securing contracts for replacement tires and comprehensive tire-related services such as re-treading, mounting, dismounting, and balancing. The recommended cooperative purchase agreement will be used to provide on-site repair services as needed as well as provide tire inventory to the City as needed to service fleet vehicles and equipment.

When evaluating the best practice for a new contract for tires and related services the following options were considered and evaluated:

1. Continue with past practice of leveraging Sacramento County’s contract.
2. Go out to bid.
3. Have National Automotive Parts Association Integrated Business Solutions (NAPA-IBS) purchase tires and procure services on behalf of the City.
4. Find other cooperative opportunities to leverage.

Each option is viable, but the evaluation considered what would be the most cost effective and efficient option for the City to be mindful of costs departments incur for fleet maintenance and repair.

Option 1 would be utilizing the current vendor that the City has been contracted with and the County recently re-awarded services to. Upon evaluating performance of the contractor, pricing, inventory maintenance and other services offered it was deemed that it would be better to move away from this option. The contractor is not always able to offer inventory needed and is not always able to be

responsive to certain needs. Prices leveraged are based solely upon NASPO pricing and no further discounts or offerings are available.

Option 2 requires more time and resources but also doesn't guarantee with the volume of business the City does that the best pricing would be available for either the tires or related services. Upon checking other entities with stand-alone contracts, not based on cooperative purchasing, this was not deemed as a cost-effective option.

Option 3 is the easiest option as far as effort on City staff's behalf, however, anything purchased through NAPA/IBS has a cost markup. Even if this option were considered, upon research, vendors are not willing to offer discounts or government pricing to NAPA/IBS even though they would be buying on behalf of the City. This was not deemed as a cost-effective option.

Option 4 is the option pursued and has been found to be the best option for the City at this time. While still using a NASPO based pricing structure, Southern Tire Mart has a unique philosophy regarding government in that they will research pricing and find the best value for government agencies. While NASPO is the base pricing, if a tire is on government pricing schedule at a lower value it will be purchased in that manner, saving the City money. Upon investigation into Southern Tire Mart, it is also a larger company that has larger purchasing power and tools to assist the City compared to other cooperative contracted contractors so availability of stock, pricing, and inventory management are addressed through their standard practices.

Southern Tire Mart also has its own plant to handle all retreads, and the plant is proudly promoted by Bridgestone/Firestone/Bandag themselves as the process for retreading is meticulous and held to high standards. This will not only save the City money (about 50% per tire) when able to retread tires but will ensure that City fleet is still operating at the highest safety standard.

As a result, staff recommends that the Council approve the cooperative purchase contract with Southern Tire Mart.

Financial Considerations: Sufficient funding is available in the FY2025/26 Department of Public Works Approved Operating Budget (Fleet Fund, Fund 6501) for the purchase of tires and related services through June 30, 2026. Purchases made after June 30, 2026, are subject to funding availability in the adopted budget of the applicable fiscal year.

Local Business Enterprise (LBE): Southern Tire Mart has a local presence and is an LBE.

EXHIBIT C

INSURANCE

1. **Insurance Requirements**. During the entire term of this Contract, Contractor shall maintain the insurance coverage described in the Insurance Terms below.

   Full compensation for all premiums that Contractor is required to pay for the insurance coverage described herein shall be included in the compensation specified under this Contract. No additional compensation will be provided for Contractor's insurance premiums. Any available insurance proceeds in excess of the specified minimum limits and coverages shall be available to the City.

   If the CONTRACTOR maintains broader coverage and/or higher limits than the minimums shown below, the City requires and shall be entitled to the broader coverage and/or the higher limits maintained by the CONTRACTOR. Any available insurance proceeds in excess of the specified minimum limits of insurance and coverage shall be available to the City.

2. **General Liability Minimum Scope and Limits of Insurance Coverage.** Commercial General Liability Insurance is required providing coverage at least as broad as ISO CGL Form 00 01 on an occurrence basis for bodily injury, including death, of one or more persons, property damage, and personal injury, arising out of activities performed by or on behalf of the Contractor and subcontractors, products and completed operations of Contractor and subcontractors, and premises owned, leased, or used by Contractor and subcontractors, with limits of not less than one million dollars ($1,000,000) per occurrence. The policy shall provide contractual liability and products and completed operations coverage for the term of the policy. If a general aggregate limit applies, either the general aggregate limit shall apply separately (ISO CG 25 03 or 25 04) or the general aggregate limit shall be twice the required occurrence limit.

   The City, its officials, employees and volunteers shall be covered by policy terms or endorsement as additional insureds as respects general liability arising out of: activities performed by or on behalf of Contractor and subcontractors; products and completed operations of Contractor and subcontractors; and premises owned, leased, or used by Contractor and subcontractors.

3. **Automobile Liability Minimum Scope and Limits of Insurance Coverage**. (*Check the applicable provision*.)

   _X_ Automobile Liability Insurance is required providing coverage at least as broad as ISO Form CA 00 01 for bodily injury, including death, of one or more persons, property damage and personal injury, with limits of not less than one million dollars ($1,000,000) per occurrence. The policy shall provide coverage for owned, non-owned and/or hired autos as appropriate to the operations of the Contractor.

   The City, its officials, employees and volunteers shall be covered by policy terms or endorsement as additional insureds as respects auto liability.

___ No automobile liability insurance is required, and by signing this Contract, Contractor certifies as follows:

"Contractor certifies that a motor vehicle will not be used in the performance of any work or services under this agreement. If, however, Contractor does transport items under this Contract, or this Contract is amended to require any employees of Contractor to use a vehicle to perform services under the Contract, Contractor understands that it must maintain and provide evidence of Automobile Liability Insurance providing coverage at least as broad as ISO Form CA 00 01 for bodily injury, including death, of one or more persons, property damage and personal injury, with limits of not less than one million dollars ($1,000,000*)* per occurrence. The policy shall provide coverage for owned, non-owned and/or hired autos as appropriate to the operations of the Contractor."

4. **Excess Insurance**. The CONTRACTOR may use Umbrella or Excess Policies to meet the required liability limits. This form of insurance will be acceptable provided that any umbrella or excess policies provide all of the insurance coverages required and meet the other requirements for the primary policies as set forth in this Agreement. Umbrella and/or Excess policies shall be provided on a true "following form" or broader coverage basis, with coverage at least as broad as provided in the underlying primary policy.

Umbrella or excess policies shall contain, or be endorsed to provide that the City, its officials, employees, and volunteers shall be covered as additional insureds, as well as a provision that it will apply on a primary basis for the benefit of the City. Any insurance or self-insurance maintained by City, its officials, employees, or volunteers will be in excess of Contractor's umbrella or excess coverage and will not contribute to it. No insurance or self-insurance maintained by the City that applies to a loss covered herein, whether Primary or Excess, and which also applies to a loss covered hereunder, shall be called upon to contribute to a loss until the Contractor's Primary and Excess liability policies are exhausted.

5. **Workers' Compensation Minimum Scope and Limits of Insurance Coverage.** (*Check the applicable provision*.)

_X_ Workers' Compensation Insurance is required with statutory limits and Employers' Liability Insurance with limits of not less than one million dollars ($1,000,000). The Workers' Compensation policy shall include a waiver of subrogation in favor of the City.

___ No work or services will be performed on or at CITY facilities or CITY Property, therefore a Workers' Compensation waiver of subrogation in favor of the CITY is not required.

___ No Workers' Compensation insurance is required, and by signing this Contract, Contractor certifies as follows:

"Contractor certifies that its business has no employees, and that it does not employ anyone, and is therefore exempt from the legal requirements to provide Workers' Compensation insurance. If, however, Contractor hires any employee during the term of this Contract, Contractor understands that Workers' Compensation with statutory limits

and Employer's Liability Insurance with a limit of not less than one million dollars ($1,000,000) is required. The Workers' Compensation policy will include a waiver of subrogation in favor of the City."

6. **Other Insurance Provisions.** The policies must contain, or be endorsed to contain, the following provisions:
   A. Contractor's insurance coverage, including excess insurance, shall be primary and non-contributory insurance as respects the City, its officials, employees and volunteers. Any insurance or self-insurance maintained by the City, its officials, employees or volunteers will be in excess of Contractor's insurance and will not contribute with it.

   B. Any failure to comply with reporting provisions of the policies will not affect coverage provided to the City, its officials, employees or volunteers.

   C. Coverage shall state that Contractor's insurance applies separately to each insured against whom claim is made or suit is brought, except with respect to the limits of the insurer's liability.

   D. Contractor shall provide the City with 30 days written notice of cancellation or material change in the policy language or terms.

7. **Waiver of Subrogation.** CONTRACTOR hereby grants to City a waiver of any right to subrogation which any insurer may acquire against the City by virtue of the payment of any loss under such insurance. CONTRACTOR agrees to obtain any endorsement that may be necessary to affect this waiver of subrogation, but this provision applies regardless of whether or not the City has received a waiver of subrogation endorsement from an insurer.

8. **Acceptability of Insurance**. Insurance must be placed with insurers with a Bests' rating of not less than A:VI. Self-insured retentions, policy terms or other variations that do not comply with the requirements of this Exhibit C must be declared to and approved by the City in writing before execution of this Contract.

9. **Verification of Coverage.**
   A. Contractor shall furnish City with certificates and required endorsements evidencing the insurance required. Certificates of insurance must be signed by an authorized representative of the insurance carrier. Copies of policies shall be delivered to the City Representative on demand.

   B. Contractor shall send all insurance certificates and endorsements, including policy renewals, during the term of this Contract directly to:

      City of Sacramento
      c/o Exigis LLC
      PO Box 947
      Murrieta, CA 92564

C. Certificate Holder must be listed as:

City of Sacramento
c/o Exigis LLC
PO Box 947
Murrieta, CA 92564

D. The City may withdraw its offer of Contract or cancel this Contract if the certificates of insurance and endorsements required have not been provided before execution of this Contract. The City may withhold payments to Contractor and/or cancel the Contract if the insurance is canceled or Contractor otherwise ceases to be insured as required herein.

10. **Subcontractor Insurance Coverage**. Contractor shall require and verify that all subcontractors maintain insurance coverage that meets the minimum scope and limits of insurance coverage specified in this Exhibit C.

EXHIBIT D

GENERAL CONDITIONS

1. Independent Contractor.

A. It is understood and agreed that Contractor (including Contractor's employees) is an independent contractor and that no relationship of employer-employee exists between the parties hereto for any purpose whatsoever. Neither Contractor nor Contractor's assigned personnel will be entitled to any benefits payable to CITY employees. CITY is not required to make any deductions or withholdings from the compensation payable to Contractor under the provisions of this Contract, and Contractor will be issued a Form 1099 for its services hereunder. As an independent contractor, Contractor hereby agrees to indemnify and hold CITY harmless from any and all claims that may be made against CITY based upon any contention by any of Contractor's employees or by any third party, including any state or federal agency, that an employer-employee relationship or a substitute therefor exists for any purpose whatsoever by reason of this Contract or by reason of the nature and/or performance under this Contract.

B. It is further understood and agreed by the parties that Contractor, in the performance of its obligations, is subject to the City's control and direction as to the designation of tasks to be performed and the results to be accomplished under this Contract, but not as to the means, methods, or sequence used by Contractor for accomplishing the results. To the extent that Contractor obtains permission to, and does, use CITY facilities, space, equipment or support services in the performance of this Contract, this use will be at the Contractor's sole discretion based on the Contractor's determination that the use will promote Contractor's efficiency and effectiveness. Except as may be specifically provided elsewhere in this Contract, the CITY does not require that Contractor use CITY facilities, equipment or support services or work in CITY locations in the performance of this Contract. As used in this Contract, "sole discretion" or "sole judgment" means that the party authorized to exercise its discretion or judgment may do so based on an unfettered assessment of its own interests, without considering how its decision affects the other party, and unconstrained by the implied covenant of good faith and fair dealing.

C. If, in the performance of this Contract, any third persons are employed by Contractor, such persons will be entirely and exclusively under the direction, supervision, and control of Contractor. Except as otherwise provided in this Contract, all terms of employment, including hours, wages, working conditions, discipline, hiring, and discharging, or any other terms of employment or requirements of law, shall be determined by Contractor. It is further understood and agreed that Contractor will issue W-2 or 1099 Forms for income and employment tax purposes for all Contractor's assigned personnel and subcontractors.

D. The provisions of this section will survive any expiration or termination of this Contract. Nothing in this Contract creates an exclusive relationship between CITY and Contractor. Contractor may represent, perform services for, or be employed by any additional persons or companies so long as Contractor does not violate the provisions of Section 5, below.

2. **Licenses; Permits, Etc.** Contractor represents and warrants that Contractor has, and shall maintain at all times during the term of this Contract at its sole cost and expense, all licenses, permits, qualifications, and approvals of any nature that are legally required for Contractor to practice its profession or fulfill the terms of this Contract, including a City Business Operations Tax Certificate and any required certification issued by the California Secretary of State.

3. **Time.** Time is of the essence in the performance of this Contract. Contractor shall devote the necessary time and effort to its performance under this Contract. Neither party will be considered in default of this Contract, to the extent that party's performance is prevented or delayed by any cause, present or future, that is beyond the reasonable control of that party.

4. **Contractor Not Agent.** Except as City may specify in writing, Contractor and Contractor's personnel have no authority, express or implied, to act on behalf of City in any capacity whatsoever as an agent. Contractor and Contractor's personnel shall have no authority, express or implied, to bind City to any obligations whatsoever.

5. **Conflicts of Interest.** Contractor covenants that neither it, nor any officer or principal of its firm, has or will acquire any interest, directly or indirectly, that would conflict in any manner with the City's interests or that would in any way hinder Contractor's performance under this Contract. Contractor further covenants that in the performance of this Contract, no person having any such interest will be employed by it as an officer, employee, agent or subcontractor, without the City's written consent.

   Contractor agrees to avoid conflicts of interest or the appearance of any conflicts of interest with the City's interests during the performance of this Contract. If Contractor is or employs a former officer or employee of the City, Contractor and any former City officer or employee shall comply with the provisions of Sacramento City Code Section 2.16.090 pertaining to appearances before the City Council or any City department, board, commission, or committee.

6. **Hazardous Substances.** "Hazardous Substances" means any substance, material, waste, or other pollutant or contaminant that is or becomes designated, classified, or regulated as hazardous or toxic under any law, regulation, rule, order, decree, or other governmental requirement now in effect or later enacted. If Contractor is shipping Hazardous Substances, Contractor must supply a Safety Data Sheet ("SDS") with the first shipment of Hazardous Substances to each City location receiving the Hazardous Substances. If the content of an SDS is revised, Contractor must provide a revised SDS to each City location receiving Hazardous Substances.

7. **Confidentiality of City Information.** During performance of this Contract, Contractor may gain access to and use City information regarding inventions, machinery, products, prices, apparatus, costs, discounts, future plans, business affairs, governmental affairs, processes, trade secrets, technical matters, systems, facilities, customer lists, product design, copyright, data, and other vital information (hereafter collectively referred to as "City Information") that are valuable, special and unique assets of the City.

   Contractor agrees to protect all City Information and treat it as strictly confidential, and further agrees that Contractor shall not at any time, either directly or indirectly, divulge, disclose or

communicate in any manner any City Information to any third party without the City's prior written consent.

In addition, Contractor must comply with all City policies governing the use of the CITY network and technology systems, as set forth in applicable provisions of the City of Sacramento Administrative Policy Instructions # 30. A violation by Contractor of this section is a material violation of this Contract and shall justify legal and equitable relief.

8. Contractor Information.

A. City shall have full ownership and control, including ownership of any copyrights, of all information prepared, produced, or provided by Contractor under this Contract. In this Contract, the term "information" means and includes: any and all work product, submittals, reports, plans, specifications, and other deliverables consisting of documents, writings, handwritings, typewriting, printing, photostatting, photographing, computer models, and any other computerized data and every other means of recording any form of information, communications, or representation, including letters, works, pictures, drawings, sounds, or symbols, or any combination thereof. Contractor shall not be responsible for any unauthorized modification or use of such information for other than its intended purpose by City.

B. Contractor shall fully defend, indemnify and hold harmless City, its officers and employees, and each of them, from and against any and all claims, actions, lawsuits or other proceedings alleging that all or any part of the information prepared, produced, or provided by Contractor under this Contract infringes upon any third party's trademark, trade name, copyright, patent or other intellectual property rights. City shall make reasonable efforts to notify Contractor not later than ten days after City is served with any such claim, action, lawsuit or other proceeding. However, City's failure to provide notice within the ten-day period does not relieve Contractor of its obligations hereunder, which survive any termination or expiration of this Contract.

C. All proprietary and other information received from Contractor by City, whether received in connection with Contractor's proposal to City or in connection with Contractor's performance, will be disclosed upon receipt of a request for disclosure, in accordance with the California Public Records Act; provided, however, that, if any information is set apart and clearly marked "trade secret" when it is provided to City, City shall give notice to Contractor of any request for the disclosure of such information. The Contractor will then have five days from the date it receives notice to petition the court for a protective order to prevent the disclosure of the information. The Contractor shall have sole responsibility for defense of the actual "trade secret" designation of such information.

D. The parties understand and agree that any failure by Contractor to respond to the notice provided by City and seek a protective order, in accordance with the provisions of subsection C, above, constitutes a complete waiver by Contractor of any rights regarding the information designated "trade secret" by Contractor, and the information will be disclosed by City in accordance with the Public Records Act.

9. **Notification of Material Changes in Business.** Contractor agrees that if it experiences any material changes in its business, including a reorganization, refinancing, restructuring, leveraged buyout, bankruptcy, name change, or loss of key personnel, it will immediately notify the City of the changes. Contractor also agrees to immediately notify the City of any condition that may jeopardize the scheduled delivery or fulfillment of Contractor's obligations to the City under this Contract.

10. **Standard of Performance.** Contractor shall perform in the manner and according to the standards currently observed by a competent practitioner of Contractor's profession in California and in compliance with all requirements of this Contract. All products that Contractor delivers to City under this Contract must be prepared in a professional manner and conform to the standards of quality normally observed by a person currently practicing in Contractor's profession.

    Contractor shall assign only competent personnel to perform on its behalf under this Contract. Contractor must notify the City in writing of any changes in Contractor's staff assigned to perform under this Contract, before any performance by the new staff member. If the City, in its sole discretion, determines that any person assigned by the Contractor to perform under this Contract is not performing in accordance with the standards required herein, City shall provide notice to Contractor. Contractor shall immediately remove the assigned person upon receipt of the notice.

11. **Performance or Different Terms and Conditions.** The City's subsequent performance will not be construed as either acceptance of additional or different terms and conditions or a counteroffer by the Contractor, nor will the City's subsequent performance be viewed as acceptance of any provision of the Uniform Commercial Code, as adopted by any State, that is contrary to the terms and conditions contained herein. Contractor's performance shall conform to the applicable requirements of the Sacramento City Charter, Sacramento City Code, and all applicable State and Federal laws, and all the requirements of this Contract. The California Commercial Code will apply except as otherwise provided in the Contract.

12. **Emergency/Declared Disaster Requirements.** If an emergency is declared by the City Manager, or if any portion of the City is declared a disaster area by the county, state or federal government, this Contract may be subjected to increased usage. The Contractor shall serve the City during a declared emergency or disaster, subject to the same terms and conditions that apply during non-emergency / non-disaster conditions. The pricing set forth in this Contract will apply, without mark-up, regardless of the circumstances. If the Contractor is unable to fulfill the terms of the Contract because of a disruption in its chain of supply or service, then the Contractor shall provide proof of the disruption. Acceptable forms of proof will include a letter or notice from the Contractor's source stating the reason for the disruption

13. **Term; Suspension; Termination.**

    A. This Contract is effective on the Effective Date and continues in effect until both parties have fully performed their respective obligations under this Contract, unless sooner terminated as provided herein.

    B. City shall have the right at any time to suspend Contractor's performance hereunder, in whole or in part, by giving a written notice of suspension to Contractor. Upon receipt of

such notice, Contractor shall immediately suspend its activities under this Contract, as specified in the notice.

C. The City shall have the right to terminate this Contract at any time by giving a written notice of termination to Contractor. Upon receipt of such notice, Contractor shall immediately cease performance under this Contract as specified in the notice. If the City terminates this Contract:

(1) Contractor shall, not later than five days after receipt of the notice, deliver all information prepared under this Contract to the City.

(2) The City shall pay Contractor the reasonable value of Goods or Services provided by Contractor before termination; provided, however, City shall not in any manner be liable for lost profits that might have been made by Contractor had the Contract not been terminated or had Contractor completed performance required by this Contract. Contractor shall furnish to the City any financial information requested by the City to determine the reasonable value of the Goods or Services provided by Contractor. The foregoing is cumulative and does not affect any right or remedy that City may have in law or equity.

14. Default by Contractor. In case of default by the Contractor, the City reserves the right to procure the Goods or Services from other sources and deduct from any monies due, or that may thereafter become due to the Contractor, the difference between the price named in this Contract and the actual cost to the City to procure from an alternate source. Prices paid by the City will be considered the prevailing market price at the time such purchase is made.

15. Guarantee and Warranty. Contractor assumes design responsibility and warrants the articles to be free from design defect and suitable for the purposes intended by City. If it is determined by the City that the Goods and Services do not meet the minimum requirements of this Contract, the Contractor shall correct the same at Contractor's sole expense.

A. The Contractor agrees that the Goods and Services furnished under this Contract will be covered by the industry standard or better warranty.

B. Contractor further warrants that the Goods and Services furnished under this Contract will be covered by the most favorable commercial warranties the Contractor gives to any customer for the Goods and Services and that the rights and remedies provided herein are in addition to and do not limit any rights afforded to the City at law or equity, or by any other clause of this Contract.

C. Any additional warranties provided by law, including the warranty of merchantability and warranty of fitness for a particular purpose will remain in full force and effect and inure to the City's benefit. City reserves all rights and remedies provided by law for breach of any applicable warranty related to the Goods and Services.

D. City's inspections, approval, acceptance, or payment for all or part of any Goods and

Services will in no way affect City's warranty rights.

16. Indemnity.

A. Indemnity: Contractor shall defend, hold harmless and indemnify CITY, its officers and employees, and each and every one of them, from and against all actions, damages, costs, liabilities, claims, demands, losses, judgments, penalties, costs and expenses of every type and description, whether arising on or off the site of the work or services performed under this Contract, including, any fees and costs reasonably incurred by City's staff attorneys or outside attorneys and any fees and expenses incurred in enforcing this provision (hereafter collectively referred to as "Liabilities"), including Liabilities for personal injury or death, damage to personal, real or intellectual property, damage to the environment, contractual or other economic damages, or regulatory penalties, arising out of or in any way connected with performance of or failure to perform this Contract by Contractor, any subcontractor (including lower-tier subcontractors) or agent of Contractor, their respective officers and employees, and anyone else for whose acts or omissions any of them may be liable, whether or not the Liabilities (1) are caused in part by a party indemnified hereunder, or (ii) are litigated, settled or reduced to judgment; provided that the foregoing indemnity does not apply to liability for any damages for death or bodily injury to persons, injury to property, or other loss, damage, or expense, to the extent arising from the active negligence or willful misconduct of, or defects in design furnished by, City, its agents, servants, or independent contractors who are directly responsible to City, except when such agents, servants, or independent contractors are under the supervision and control of Contractor or any subcontractor (including lower-tier subcontractors) or agent of Contractor.

B. Insurance Policies; Intellectual Property Claims: The existence or acceptance by City of any of the insurance policies or coverages described in this Contract does not affect or limit any of City's rights under this section, nor do the limits of any insurance limit the liability of Contractor hereunder. This section will not apply to any intellectual property claims, actions, lawsuits or other proceedings subject to the provisions of section 8.B., above.

C. Survival. The provisions of this section will survive any expiration or termination of this Contract.

17. Funding Availability.

A. This Contract is subject to the budget and fiscal provisions of the Charter and the Sacramento City Code.

B. The City's payment obligation under this Contract will not exceed the amount of funds appropriated and approved for this Contract by the Sacramento City Council.

C. This Section shall govern over any other contrary provision of the Contract.

18. Equal Employment Opportunity. During the performance of this Contract, Contractor, for itself, its assignees and successors in interest, agrees as follows:

A. Compliance With Regulations: Contractor shall comply with all state, local, and federal anti-discrimination laws and regulations, including the Executive Order 11246 entitled "Equal Opportunity in Federal Employment," as amended by Executive Order 11375, 12086, and 13672, and as supplemented in Department of Labor regulations (41 CFR Chapter 60), referred to collectively as the "Regulations."

B. Nondiscrimination: Contractor, with regards to the work performed by it after award and before completion of the work under this Contract, shall not discriminate on the ground of race, color, religion, sex, national origin, age, marital status, physical handicap or sexual orientation in selection and retention of subcontractors, including procurement of materials and leases of equipment. Contractor shall not participate either directly or indirectly in discrimination prohibited by the Regulations.

C. Solicitations for Subcontractors, Including Procurement of Materials and Equipment: In all solicitations either by competitive bidding or negotiations made by Contractor for work to be performed under any subcontract, including all procurement of materials or equipment, each potential subcontractor or supplier shall be notified by Contractor of Contractor's obligation under this Contract and the Regulations relative to nondiscrimination on the ground of race, color, religion, sex, national origin, age, marital status, physical handicap or sexual orientation.

D. Information and Reports: Contractor shall provide all information and reports required by the Regulations, or by any orders or instructions issued pursuant thereto, and shall permit access to its books, records, accounts, other sources of information and its facilities as may be determined by the City to be pertinent to ascertain compliance with the Regulations, orders and instructions. Where any information required of Contractor is in the exclusive possession of another who fails or refuses to furnish this information, Contractor shall so certify to the City, and shall set forth what efforts it has made to obtain the information.

E. Sanctions for Noncompliance: In the event of noncompliance by Contractor with the nondiscrimination provisions of this Contract, the City shall impose any sanctions it determines are appropriate including:

(1) Withholding of payments to Contractor under this Contract until Contractor complies;
(2) Cancellation, termination, or suspension of this Contract, in whole or in part.

F. Incorporation of Provisions: Contractor shall include the provisions of subsections A through E, above, in every subcontract, including procurement of materials and leases of equipment, unless exempted by the Regulations, or by any order or instructions issued pursuant thereto. The City may direct Contractor to take specific actions to enforce these provisions, including sanctions for noncompliance; provided, however, that if Contractor becomes involved in, or is threatened with, litigation with a subcontractor or supplier as a result of such direction, Contractor may request that the City join such litigation to protect the City's interests.

19. Entire Agreement. This Contract, including all Exhibits and documents referenced herein, contains the entire agreement between the parties and supersedes whatever oral or written understanding they may have had before the execution of this Contract. No alteration to the terms of this Contract shall be valid unless approved in writing by Contractor, and by City, in accordance with applicable provisions of the Sacramento City Code.

20. Modification of Contract. The Contractor shall take no direction from any City employee that changes the executed terms and conditions of the Contract, including Exhibit A, or any change that impacts the cost, price, or schedule, before receiving a written, signed modification to the Contract.

21. Severability. If a court with jurisdiction rules that any portion of this Contract or its application to any person or circumstance is invalid or unenforceable, the remainder of this Contract will not be affected thereby and will remain valid and enforceable as written, to the greatest extent permitted by law.

22. Waiver. Neither the City's acceptance of, or payment for, any Goods or Services, nor any waiver by either party of any default, breach or condition precedent, will be construed as a waiver of any provision of this Contract, nor as a waiver of any other default, breach or condition precedent or any other right hereunder. No waiver will be effective unless it is in writing and signed by the waiving party.

23. Governing Law. This Contract shall be governed, construed and enforced in accordance with the laws of the State of California, except that the rule of interpretation in California Civil Code section 1654 will not apply. Venue of any litigation arising out of this Contract will lie exclusively in the state trial court or Federal District Court located in Sacramento County in the State of California, and the parties consent to jurisdiction over their persons and over the subject matter of any such litigation in such courts, and consent to service of process issued by such courts.

24. Assignment Prohibited. The expertise and experience of Contractor are material considerations for this Contract. City has a strong interest in the qualifications and capability of the persons and entities that will fulfill the obligations imposed on Contractor under this Agreement. In recognition of this interest, Contractor shall not assign any right or obligation pursuant to this Contract without the written consent of the City. Any attempted or purported assignment without City's written consent shall be void and of no effect.

25. Binding Effect. This Contract is binding on the heirs, executors, administrators, successors and assigns of the parties, subject to the provisions of Section 24, above.

26. Compliance with Laws. The Contractor shall be responsible for strict compliance with all applicable laws, regulations, court orders and other legal requirements applicable to the work to be accomplished under the Contract, including the California Occupational Safety and Health Act and all applicable safety orders issued by the Division of Occupational Safety and Health, Department of Industrial Relations, State of California, and all applicable requirements of Underwriters Laboratories and the Federal Communication Commission.

27. Debarment Certification

A. Pursuant to 2 CFR, Part 200, and applicable Executive Orders, the City is restricted in its ability to contract with certain parties that are debarred, suspended, or otherwise excluded or ineligible for participating in Federal assistance programs or activities. By signing this Agreement, CONTRACTOR warrants and certifies under penalty of perjury under the laws of the State of California that Contractor, including any owner, partner, director, officer, or principal of the CONTRACTOR, or any person in a position with management responsibility or responsibility for the administration of federal funds:

(1) Is not presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from covered transactions by any federal or state department/agency;

(2) Has not within a three-year period preceding this certification been convicted of or had a civil judgment rendered against it for: commission of fraud or a criminal offense in connection with obtaining, attempting to obtain, or performing a public transaction or contract (federal, state, or local); violation of federal or state antitrust statutes; or commission of embezzlement, theft, forgery, bribery, falsification or destruction of records, making false statements, receiving stolen property, or other criminal felony;

(3) Is not presently indicted for or otherwise criminally or civilly charged by a governmental entity (federal, state, or local) with commission of any of the offenses enumerated in paragraph (b) above; or

(4) Has not, within a three-year period preceding this certification, had one or more public contracts (federal, state, or local) or transactions terminated for cause or default.

(5) Has not been notified, within a three-year period preceding this certification, been notified of any delinquent Federal taxes in an amount that exceeds $3,500 for which the liability remains unsatisfied. Federal taxes are considered delinquent if the tax liability has been finally determined and the taxpayer is delinquent in making payment, as defined in Section 52.209-5 of the Federal Acquisition Regulations.

B. CONTRACTOR further warrants and certifies that it shall not knowingly enter into any transaction with any subcontractor, material supplier, or vendor who is debarred, suspended, declared ineligible, or voluntarily excluded from covered transactions by any federal or state department/agency. Any exceptions to the warranties and certifications in this Section must be disclosed to the City.

C. Exceptions will not necessarily result in denial of recommendation for award, but will be considered in determining Contractor's responsibility. Disclosures must indicate to whom exceptions apply, the initiating agency, and dates of action.

D. City will review the Federal Government's System for Award Management Exclusions maintained by the General Services Administration for eligibility, prior to the execution of this Agreement. The CONTRACTOR shall provide immediate written notice to the City if, at any time prior to execution, the CONTRACTOR learns this certification is erroneous or has become erroneous by reason of changed circumstances. If it is later determined that the Contractor's warranties and certification in this Section were erroneous, the City may terminate this Agreement for default.

COMMERCIAL GENERAL LIABILITY COVERAGE FORM

Various provisions in this policy restrict coverage. Read the entire policy carefully to determine rights, duties and what is and is not covered.

Throughout this policy the words "you" and "your" refer to the Named Insured shown in the Declarations, and any other person or organization qualifying as a Named Insured under this policy. The words "we", "us" and "our" refer to the stock insurance company member of The Hartford providing this insurance.

The word "insured" means any person or organization qualifying as such under Section **II** – Who Is An Insured.

Other words and phrases that appear in quotation marks have special meaning. Refer to Section **V** – Definitions.

SECTION I – COVERAGES

COVERAGE A BODILY INJURY AND PROPERTY DAMAGE LIABILITY

1. Insuring Agreement

a. We will pay those sums that the insured becomes legally obligated to pay as damages because of "bodily injury" or "property damage" to which this insurance applies. We will have the right and duty to defend the insured against any "suit" seeking those damages. However, we will have no duty to defend the insured against any "suit" seeking damages for "bodily injury" or "property damage" to which this insurance does not apply. We may, at our discretion, investigate any "occurrence" and settle any claim or "suit" that may result. But:

(1) The amount we will pay for damages is limited as described in Section **III** – Limits Of Insurance; and

(2) Our right and duty to defend ends when we have used up the applicable limit of insurance in the payment of judgments or settlements under Coverages **A** or **B** or medical expenses under Coverage **C.**

No other obligation or liability to pay sums or perform acts or services is covered unless explicitly provided for under Supplementary Payments – Coverages **A** and **B.**

b. This insurance applies to "bodily injury" and "property damage" only if:

(1) The "bodily injury" or "property damage" is caused by an "occurrence" that takes place in the "coverage territory";

(2) The "bodily injury" or "property damage" occurs during the policy period; and

(3) Prior to the policy period, no insured listed under Paragraph **1.** of Section **II** – Who Is An Insured and no "employee" authorized by you to give or receive notice of an "occurrence" or claim, knew that the "bodily injury" or "property damage" had occurred, in whole or in part. If such a listed insured or authorized "employee" knew, prior to the policy period, that the "bodily injury" or "property damage" occurred, then any continuation, change or resumption of such "bodily injury" or "property damage" during or after the policy period will be deemed to have been known prior to the policy period.

c. "Bodily injury" or "property damage" will be deemed to have been known to have occurred at the earliest time when any insured listed under Paragraph **1.** of Section **II** – Who Is An Insured or any "employee" authorized by you to give or receive notice of an "occurrence" or claim:

(1) Reports all, or any part, of the "bodily injury" or "property damage" to us or any other insurer;

(2) Receives a written or verbal demand or claim for damages because of the "bodily injury" or "property damage"; or

(3) Becomes aware by any other means that "bodily injury" or "property damage" has occurred or has begun to occur.

d. Damages because of "bodily injury" include damages claimed by any person or organization for care, loss of services or death resulting at any time from the "bodily injury".

e. Incidental Medical Malpractice And Good Samaritan Coverage

"Bodily injury" arising out of the rendering of or failure to render the following health care services by any "employee" or "volunteer worker" shall be deemed to be caused by an "occurrence" for:

© 2016 The Hartford
(Includes copyrighted material of Insurance Services Office, Inc. with its permission.)

(1) Professional health care services such as:

(a) Medical, surgical, dental, laboratory, x-ray or nursing services or treatment, advice or instruction, or the related furnishing of food or beverages;

(b) Any health or therapeutic service, treatment, advice or instruction; or

(c) The furnishing or dispensing of drugs or medical, dental, or surgical supplies or appliances; or

(2) First aid services, which include:

(a) Cardiopulmonary resuscitation, whether performed manually or with a defibrillator; or

(b) Services performed as a Good Samaritan.

For the purpose of determining the limits of insurance, any act or omission together with all related acts or omissions in the furnishing of these services to any one person will be considered one "occurrence".

However, this Incidental Medical Malpractice And Good Samaritan Coverage provision applies only if you are not engaged in the business or occupation of providing any of the services described in this provision.

2. Exclusions

This insurance does not apply to:

a. Expected Or Intended Injury

"Bodily injury" or "property damage" expected or intended from the standpoint of the insured. This exclusion does not apply to "bodily injury" or "property damage" resulting from the use of reasonable force to protect persons or property.

b. Contractual Liability

"Bodily injury" or "property damage" for which the insured is obligated to pay damages by reason of the assumption of liability in a contract or agreement. This exclusion does not apply to liability for damages:

(1) That the insured would have in the absence of the contract or agreement; or

(2) Assumed in a contract or agreement that is an "insured contract", provided the "bodily injury" or "property damage" occurs subsequent to the execution of the contract or agreement. Solely for the purposes of liability assumed in an "insured contract", reasonable attorney fees and necessary litigation expenses incurred by or for a party other than an insured are deemed to be damages because of "bodily injury" or "property damage", provided:

(a) Liability to such party for, or for the cost of, that party's defense has also been assumed in the same "insured contract"; and

(b) Such attorney fees and litigation expenses are for defense of that party against a civil or alternative dispute resolution proceeding in which damages to which this insurance applies are alleged.

c. Liquor Liability

"Bodily injury" or "property damage" for which any insured may be held liable by reason of:

(1) Causing or contributing to the intoxication of any person;

(2) The furnishing of alcoholic beverages to a person under the legal drinking age or under the influence of alcohol; or

(3) Any statute, ordinance or regulation relating to the sale, gift, distribution or use of alcoholic beverages.

This exclusion applies even if the claims against any insured allege negligence or other wrongdoing in:

(a) The supervision, hiring, employment, training or monitoring of others by that insured; or

(b) Providing or failing to provide transportation with respect to any person that may be under the influence of alcohol;

if the "occurrence" which caused the "bodily injury" or "property damage", involved that which is described in Paragraph **(1)**, **(2)** or **(3)** above.

However, this exclusion applies only if you are in the business of manufacturing, distributing, selling, serving or furnishing alcoholic beverages. For the purposes of this exclusion, permitting a person to bring alcoholic beverages on your premises, for consumption on your premises, whether or not a fee is charged or a license is required for such activity, is not by itself considered the business of selling, serving or furnishing alcoholic beverages.

d. Workers' Compensation And Similar Laws

Any obligation of the insured under a workers' compensation, disability benefits or unemployment compensation law or any similar law.

e. Employer's Liability

"Bodily injury" to:

(1) An "employee" of the insured arising out of and in the course of:

(a) Employment by the insured; or

(b) Performing duties related to the conduct of the insured's business; or

(2) The spouse, child, parent, brother or sister of that "employee" as a consequence of Paragraph (1) above.

This exclusion applies:

(1) Whether the insured may be liable as an employer or in any other capacity; and

(2) To any obligation to share damages with or repay someone else who must pay damages because of the injury.

This exclusion does not apply to liability assumed by the insured under an "insured contract".

f. Pollution

(1) "Bodily injury" or "property damage" arising out of the actual, alleged or threatened discharge, dispersal, seepage, migration, release or escape of "pollutants":

(a) At or from any premises, site or location which is or was at any time owned or occupied by, or rented or loaned to, any insured. However, this subparagraph does not apply to:

(i) "Bodily injury" if sustained within a building and caused by smoke, fumes, vapor or soot produced by or originating from equipment that is used to heat, cool or dehumidify the building, or equipment that is used to heat water for personal use, by the building's occupants or their guests;

(ii) "Bodily injury" or "property damage" for which you may be held liable, if you are a contractor and the owner or lessee of such premises, site or location has been added to your policy as an additional insured with respect to your ongoing operations performed for that additional insured at that premises, site or location and such premises, site or location is not and never was owned or occupied by, or rented or loaned to, any insured, other than that additional insured; or

(iii) "Bodily injury" or "property damage" arising out of heat, smoke or fumes from a "hostile fire";

(b) At or from any premises, site or location which is or was at any time used by or for any insured or others for the handling, storage, disposal, processing or treatment of waste;

(c) Which are or were at any time transported, handled, stored, treated, disposed of, or processed as waste by or for:

(i) Any insured; or

(ii) Any person or organization for whom you may be legally responsible;

(d) At or from any premises, site or location on which any insured or any contractors or subcontractors working directly or indirectly on any insured's behalf are performing operations if the "pollutants" are brought on or to the premises, site or location in connection with such operations by such insured, contractor or subcontractor. However, this subparagraph does not apply to:

(i) "Bodily injury" or "property damage" arising out of the escape of fuels, lubricants or other operating fluids which are needed to perform the normal electrical, hydraulic or mechanical functions necessary for the operation of "mobile equipment" or its parts, if such fuels, lubricants or other operating fluids escape from a vehicle part designed to hold, store or receive them. This exception does not apply if the "bodily injury" or "property damage" arises out of the intentional discharge, dispersal or release of the fuels, lubricants or other operating fluids, or if such fuels, lubricants or other operating fluids are brought on or to the premises, site or location with the intent that they be discharged, dispersed or released as part of the operations being performed by such insured, contractor or subcontractor;

(ii) "Bodily injury" or "property damage" sustained within a building and caused by the release of gases, fumes or vapors from materials brought into that building in connection with operations being performed by you or on your behalf by a contractor or subcontractor; or

(iii) "Bodily injury" or "property damage" arising out of heat, smoke or fumes from a "hostile fire"; or

(e) At or from any premises, site or location on which any insured or any contractors or subcontractors working

directly or indirectly on any insured's behalf are performing operations if the operations are to test for, monitor, clean up, remove, contain, treat, detoxify or neutralize, or in any way respond to, or assess the effects of, "pollutants".

(2) Any loss, cost or expense arising out of any:

(a) Request, demand, order or statutory or regulatory requirement that any insured or others test for, monitor, clean up, remove, contain, treat, detoxify or neutralize, or in any way respond to, or assess the effects of, "pollutants"; or

(b) Claim or suit by or on behalf of a governmental authority for damages because of testing for, monitoring, cleaning up, removing, containing, treating, detoxifying or neutralizing, or in any way responding to, or assessing the effects of, "pollutants".

However, this paragraph does not apply to liability for damages because of "property damage" that the insured would have in the absence of such request, demand, order or statutory or regulatory requirement, or such claim or "suit" by or on behalf of a governmental authority.

g. Aircraft, Auto Or Watercraft

"Bodily injury" or "property damage" arising out of the ownership, maintenance, use or entrustment to others of any aircraft, "auto" or watercraft owned or operated by or rented or loaned to any insured. Use includes operation and "loading or unloading".

This exclusion applies even if the claims against any insured allege negligence or other wrongdoing in the supervision, hiring, employment, training or monitoring of others by that insured, if the "occurrence" which caused the "bodily injury" or "property damage" involved the ownership, maintenance, use or entrustment to others of any aircraft, "auto" or watercraft that is owned or operated by or rented or loaned to any insured.

This exclusion does not apply to:

(1) A watercraft while ashore on premises you own or rent;

(2) A watercraft you do not own that is:

(a) Less than 51 feet long; and

(b) Not being used to carry persons for a charge;

(3) Parking an "auto" on, or on the ways next to, premises you own or rent, provided the "auto" is not owned by or rented or loaned to you or the insured;

(4) Liability assumed under any "insured contract" for the ownership, maintenance or use of aircraft or watercraft;

(5) "Bodily injury" or "property damage" arising out of:

(a) The operation of machinery or equipment that is attached to, or part of, a land vehicle that would qualify under the definition of "mobile equipment" if it were not subject to a compulsory or financial responsibility law or other motor vehicle insurance law where it is licensed or principally garaged; or

(b) The operation of any of the machinery or equipment listed in Paragraph **f.(2)** or **f.(3)** of the definition of "mobile equipment"; or

(6) An aircraft that is not owned by any insured and is hired, chartered or loaned with a paid crew. However, this exception does not apply if the insured has any other insurance for such "bodily injury" or "property damage", whether the other insurance is primary, excess, contingent or on any other basis.

Paragraphs **(1), (3)** and **(4)** of this exclusion do not apply to "property damage" (other than damage by fire) to premises, including the contents of such premises, rented to you for a period of seven or fewer consecutive days. A separate limit of insurance applies to Damage To Premises Rented To You as described in Section **III** – Limits Of Insurance.

Paragraph **(2)** of this exclusion does not apply if the premises are "your work" and were never occupied, rented or held for rental by you.

Paragraphs **(3)** and **(4)** of this exclusion do not apply to "property damage" arising from the use of elevators.

Paragraphs **(3), (4), (5)** and **(6)** of this exclusion do not apply to liability assumed under a sidetrack agreement.

b. The Limits of Insurance shown in the Declarations.

Such amount shall be a part of and not in addition to Limits of Insurance shown in the Declarations and described in this Section.

The Limits of Insurance of this Coverage Part apply separately to each consecutive annual period and to any remaining period of less than 12 months, starting with the beginning of the policy period shown in the Declarations, unless the policy period is extended after issuance for an additional period of less than 12 months. In that case, the additional period will be deemed part of the last preceding period for purposes of determining the Limits of Insurance.

SECTION IV – COMMERCIAL GENERAL LIABILITY CONDITIONS

1. Bankruptcy

Bankruptcy or insolvency of the insured or of the insured's estate will not relieve us of our obligations under this Coverage Part.

2. Duties In The Event Of Occurrence, Offense, Claim Or Suit

a. Notice Of Occurrence Or Offense

You or any additional insured must see to it that we are notified as soon as practicable of an "occurrence" or an offense which may result in a claim. To the extent possible, notice should include:

(1) How, when and where the "occurrence" or offense took place;

(2) The names and addresses of any injured persons and witnesses; and

(3) The nature and location of any injury or damage arising out of the "occurrence" or offense.

b. Notice Of Claim

If a claim is made or "suit" is brought against any insured, you or any additional insured must:

(1) Immediately record the specifics of the claim or "suit" and the date received; and

(2) Notify us as soon as practicable.

You or any additional insured must see to it that we receive written notice of the claim or "suit" as soon as practicable.

c. Assistance And Cooperation Of The Insured

You and any other involved insured must:

(1) Immediately send us copies of any demands, notices, summonses or legal papers received in connection with the claim or "suit";

(2) Authorize us to obtain records and other information;

(3) Cooperate with us in the investigation or settlement of the claim or defense against the "suit"; and

(4) Assist us, upon our request, in the enforcement of any right against any person or organization which may be liable to the insured because of injury or damage to which this insurance may also apply.

d. Obligations At The Insureds Own Cost

No insured will, except at that insured's own cost, voluntarily make a payment, assume any obligation, or incur any expense, other than for first aid, without our consent.

e. Additional Insureds Other Insurance

If we cover a claim or "suit" under this Coverage Part that may also be covered by other insurance available to an additional insured, such additional insured must submit such claim or "suit" to the other insurer for defense and indemnity.

However, this provision does not apply to the extent that you have agreed in a written

contract or written agreement that this insurance is primary and non-contributory with the additional insured's own insurance.

f. Knowledge Of An Occurrence, Offense, Claim Or Suit

Paragraphs **a.** and **b.** apply to you or to any additional insured only when such "occurrence", offense, claim or "suit" is known to:

(1) You or any additional insured that is an individual;

(2) Any partner, if you or the additional insured is a partnership;

(3) Any manager, if you or the additional insured is a limited liability company;

(4) Any "executive officer" or insurance manager, if you or the additional insured is a corporation;

(5) Any trustee, if you or the additional insured is a trust; or

(6) Any elected or appointed official, if you or the additional insured is a political subdivision or public entity.

This duty applies separately to you and any additional insured.

3. Legal Action Against Us

No person or organization has a right under this Coverage Part:

a. To join us as a party or otherwise bring us into a "suit" asking for damages from an insured; or

b. To sue us on this Coverage Part unless all of its terms have been fully complied with.

A person or organization may sue us to recover on an agreed settlement or on a final judgment against an insured; but we will not be liable for damages that are not payable under the terms of this Coverage Part or that are in excess of the applicable limit of insurance. An agreed settlement means a settlement and release of liability signed by us, the insured and the claimant or the claimant's legal representative.

4. Other Insurance

If other valid and collectible insurance is available to the insured for a loss we cover under Coverages **A** or **B** of this Coverage Part, our obligations are limited as follows:

a. Primary Insurance

This insurance is primary except when **b.** below applies. If other insurance is also primary, we will share with all that other insurance by the method described in **c.** below.

b. Excess Insurance

This insurance is excess over any of the other insurance, whether primary, excess, contingent or on any other basis:

(1) Your Work

That is Fire, Extended Coverage, Builder's Risk, Installation Risk or similar coverage for "your work";

(2) Premises Rented To You

That is fire, lightning or explosion insurance for premises rented to you or temporarily occupied by you with permission of the owner;

(3) Tenant Liability

That is insurance purchased by you to cover your liability as a tenant for "property damage" to premises rented to you or temporarily occupied by you with permission of the owner;

(4) Aircraft, Auto Or Watercraft

If the loss arises out of the maintenance or use of aircraft, "autos" or watercraft to the extent not subject to Exclusion g. of Section **I** – Coverage A – Bodily Injury And Property Damage Liability;

(5) Property Damage To Borrowed Equipment Or Use Of Elevators

If the loss arises out of "property damage" to borrowed equipment or the use of elevators to the extent not subject to Exclusion **j.** of Section **I** - Coverage **A -** Bodily Injury And Property Damage Liability;

(6) When You Are Added As An Additional Insured To Other Insurance

Any other insurance available to you covering liability for damages arising out of the premises or operations, or products and completed operations, for which you have been added as an additional insured by that insurance; or

(7) When You Add Others As An Additional Insured To This Insurance

Any other insurance available to an additional insured.

However, the following provisions apply to other insurance available to any person or organization who is an additional insured under this coverage part.

(a) Primary Insurance When Required By Contract

This insurance is primary if you have agreed in a written contract or written agreement that this insurance be primary. If other insurance is also

primary, we will share with all that other insurance by the method described in **c.** below.

(b) Primary And Non-Contributory To Other Insurance When Required By Contract

If you have agreed in a written contract, written agreement, or permit that this insurance is primary and non-contributory with the additional insured's own insurance, this insurance is primary and we will not seek contribution from that other insurance.

Paragraphs **(a)** and **(b)** do not apply to other insurance to which the additional insured has been added as an additional insured.

When this insurance is excess, we will have no duty under Coverages **A** or **B** to defend the insured against any "suit" if any other insurer has a duty to defend the insured against that "suit". If no other insurer defends, we will undertake to do so, but we will be entitled to the insured's rights against all those other insurers.

When this insurance is excess over other insurance, we will pay only our share of the amount of the loss, if any, that exceeds the sum of:

(1) The total amount that all such other insurance would pay for the loss in the absence of this insurance; and

(2) The total of all deductible and self-insured amounts under all that other insurance.

We will share the remaining loss, if any, with any other insurance that is not described in this Excess Insurance provision and was not bought specifically to apply in excess of the Limits of Insurance shown in the Declarations of this Coverage Part.

c. Method Of Sharing

If all of the other insurance permits contribution by equal shares, we will follow this method also. Under this approach each insurer contributes equal amounts until it has paid its applicable limit of insurance or none of the loss remains, whichever comes first.

If any of the other insurance does not permit contribution by equal shares, we will contribute by limits. Under this method, each insurer's share is based on the ratio of its applicable limit of insurance to the total applicable limits of insurance of all insurers.

5. Premium Audit

a. We will compute all premiums for this Coverage Part in accordance with our rules and rates.

b. Premium shown in this Coverage Part as advance premium is a deposit premium only. At the close of each audit period we will compute the earned premium for that period and send notice to the first Named Insured. The due date for audit and retrospective premiums is the date shown as the due date on the bill. If the sum of the advance and audit premiums paid for the policy period is greater than the earned premium, we will return the excess to the first Named Insured.

c. The first Named Insured must keep records of the information we need for premium computation, and send us copies at such times as we may request.

6. Representations

a. When You Accept This Policy

By accepting this policy, you agree:

(1) The statements in the Declarations are accurate and complete;

(2) Those statements are based upon representations you made to us; and

(3) We have issued this policy in reliance upon your representations.

b. Unintentional Failure To Disclose Hazards

If unintentionally you should fail to disclose all hazards relating to the conduct of your business that exist at the inception date of this Coverage Part, we shall not deny coverage under this Coverage Part because of such failure.

7. Separation Of Insureds

Except with respect to the Limits of Insurance, and any rights or duties specifically assigned in this Coverage Part to the first Named Insured, this insurance applies:

a. As if each Named Insured were the only Named Insured; and

b. Separately to each insured against whom claim is made or "suit" is brought.

8. Transfer Of Rights Of Recovery Against Others To Us

a. Transfer Of Rights Of Recovery

If the insured has rights to recover all or part of any payment, including Supplementary Payments, we have made under this Coverage Part, those rights are transferred to us. The insured must do nothing after loss to

impair them. At our request, the insured will bring "suit" or transfer those rights to us and help us enforce them.

b. Waiver Of Rights Of Recovery (Waiver Of Subrogation)

If the insured has waived any rights of recovery against any person or organization for all or part of any payment, including Supplementary Payments, we have made under this Coverage Part, we also waive that right, provided the insured waived their rights of recovery against such person or organization in a contract, agreement or permit that was executed prior to the injury or damage.

9. When We Do Not Renew

If we decide not to renew this Coverage Part, we will mail or deliver to the first Named Insured shown in the Declarations written notice of the nonrenewal not less than 30 days before the expiration date.

If notice is mailed, proof of mailing will be sufficient proof of notice.

1.3.3 Leasing or Alternative Financing Methods

The procurement and other applicable laws of some Purchasing Entities may permit the use of leasing or alternative financing methods for the acquisition of Products under this Master Agreement. Where the terms and conditions are not otherwise prescribed in an applicable Participating Addendum, the terms and conditions for leasing or alternative financing methods are subject to negotiation between the Contractor and Purchasing Entity.

1.4 Ordering

1.4.1 Order Numbers

Master Agreement order and purchase order numbers must be clearly shown on all acknowledgments, packing slips, invoices, and on all correspondence.

1.4.2 Quotes

Purchasing Entities may define entity-specific or project-specific requirements and informally compete the requirement among companies having a Master Agreement on an "as needed" basis. This procedure may also be used when requirements are aggregated

or other firm commitments may be made to achieve reductions in pricing. This procedure may be modified in Participating Addenda and adapted to the Purchasing Entity's rules and policies. The Purchasing Entity may in its sole discretion determine which Master Agreement Contractors should be solicited for a quote. The Purchasing Entity may select the quote that it considers most advantageous, cost, and other factors considered.

1.4.3 Applicable Rules

Each Purchasing Entity will identify and utilize its own appropriate purchasing procedure and documentation. Contractor is expected to become familiar with the Purchasing Entities' rules, policies, and procedures regarding the ordering of supplies and/or services contemplated by this Master Agreement.

1.4.4 Required Documentation

Contractor shall not begin work without a valid Purchase Order or other appropriate commitment document under the law of the Purchasing Entity.

1.4.5 Term of Purchase

Orders may be placed consistent with the terms of this Master Agreement and applicable Participating Addendum during the term of the Master Agreement and Participating Addendum.

1.4.5.1 Orders must be placed pursuant to this Master Agreement prior to the termination date thereof, but may have a delivery date or performance period up to 120 days past the then-current termination date of this Master Agreement.

1.4.5.2 Notwithstanding the previous, Orders must also comply with the terms of the applicable Participating Addendum, which may further restrict the period during which Orders may be placed or delivered.

1.4.5.3 Financial obligations of Purchasing Entities payable after the current applicable fiscal year are contingent upon agency funds for that purpose being appropriated, budgeted, and otherwise made available.

1.4.5.4 Notwithstanding the expiration, cancellation or termination of this Master Agreement, Contractor shall perform in accordance with the terms of any Orders then outstanding at the time of such expiration or termination. Contractor shall not honor any Orders placed after the expiration, cancellation, or termination of this Master Agreement, or in any manner inconsistent with this Master Agreement's terms.

1.4.5.5 Orders for any separate indefinite quantity, task order, or other form of indefinite delivery order arrangement priced against this Master Agreement may not be placed after the expiration or termination of this Master Agreement, notwithstanding the term of any such indefinite delivery order agreement.

1.4.6 Order Form Requirements

All Orders pursuant to this Master Agreement, at a minimum, must include:

1.4.6.1 The services or supplies being delivered;

1.4.6.2 A shipping address and other delivery requirements, if any;

1.4.6.3 A billing address;

1.4.6.4 Purchasing Entity contact information;

1.4.6.5 Pricing consistent with this Master Agreement and applicable Participating Addendum and as may be adjusted by agreement of the Purchasing Entity and Contractor;

1.4.6.6 A not-to-exceed total for the products or services being ordered; and

1.4.6.7 The Master Agreement number or the applicable Participating Addendum number, provided the Participating Addendum references the Master Agreement number.

1.4.7 Communication

All communications concerning administration of Orders placed must be furnished solely to the authorized purchasing agent within the Purchasing Entity's purchasing office, or to such other individual identified in writing in the Order.

1.4.8 Contract Provisions for Orders Utilizing Federal Funds

Pursuant to Appendix II to 2 Code of Federal Regulations (CFR) Part 200, Contract Provisions for Non-Federal Entity Contracts Under Federal Awards, Orders funded with federal funds may have additional contractual requirements or certifications that must be satisfied at the time the Order is placed or upon delivery. These federal requirements may be proposed by Participating Entities in Participating Addenda and Purchasing Entities for incorporation in Orders placed under this Master Agreement.

1.5 Order of Precedence

1.5.1 Order

Any Order placed under this Master Agreement will consist of the following documents:

1.5.1.1 A Participating Entity's Participating Addendum ("PA");

1.5.1.2 NASPO ValuePoint Master Agreement, including all attachments thereto;

1.5.1.3 A Purchase Order or Scope of Work/Specifications issued against the Master Agreement;

1.5.1.4 The Solicitation or, if separately executed after award, the Lead State's bilateral agreement that integrates applicable provisions;

1.5.1.5 Contractor's response to the Solicitation, as revised (if permitted) and accepted by the Lead State.

1.5.2 Conflict

These documents will be read to be consistent and complementary. Any conflict among these documents will be resolved by giving priority to these documents in the order listed above. Contractor terms and conditions that apply to this Master Agreement are only those that are expressly accepted by the Lead State and must be in writing and attached to this Master Agreement as an Exhibit or Attachment.

1.5.3 Participating Addenda

Participating Addenda will not be construed to diminish, modify, or otherwise derogate any provisions in this Master Agreement between the Lead State and Contractor. Participating Addenda will not include a term of agreement that exceeds the term of the Master Agreement.

1.6 Participants and Scope

1.6.1 Requirement for a Participating Addendum

Contractor may not deliver Products under this Master Agreement until a Participating Addendum acceptable to the Participating Entity and Contractor is executed.

1.6.2 Applicability of Master Agreement

NASPO ValuePoint Master Agreement Terms and Conditions are applicable to any Order by a Participating Entity (and other Purchasing Entities covered by their Participating Addendum), except to the extent altered, modified, supplemented or amended by a Participating Addendum, subject to Section III. For the purposes of illustration and not limitation, this authority may apply to unique delivery and invoicing requirements, confidentiality requirements, defaults on Orders, governing law and venue relating to Orders by a Participating Entity, indemnification, and insurance requirements. Statutory or constitutional requirements relating to availability of funds may require specific language in some Participating Addenda in order to comply with applicable law. The expectation is that these alterations, modifications, supplements, or amendments will be addressed in the Participating Addendum or, with the consent of the Purchasing Entity and Contractor, may be included in the ordering document (e.g., purchase order or contract) used by the Purchasing Entity to place the Order.

1.6.3 Authorized Use

Use of specific NASPO ValuePoint Master Agreements by state agencies, political subdivisions and other Participating Entities is subject to applicable state law and the approval of the respective State Chief Procurement Official. Issues of interpretation and eligibility for participation are solely within the authority of the respective State Chief Procurement Official.

1.6.4 Obligated Entities

Obligations under this Master Agreement are limited to those Participating Entities who have signed a Participating Addendum and Purchasing Entities within the scope of those

Participating Addenda. States or other entities permitted to participate may use an informal competitive process to determine which Master Agreements to participate in through execution of a Participating Addendum. Participating Entities incur no financial obligations on behalf of other Purchasing Entities.

1.6.5 Notice of Participating Addendum

Contractor shall email a fully executed PDF copy of each Participating Addendum to pa@naspovaluepoint.org to support documentation of participation and posting in appropriate databases.

1.6.6 Eligibility for a Participating Addendum

Eligible entities who are not states may under some circumstances sign their own Participating Addendum, subject to the consent of the Chief Procurement Official of the state where the entity is located. Coordinate requests for such participation through NASPO ValuePoint. Any permission to participate through execution of a Participating Addendum is not a determination that procurement authority exists; the entity must ensure that they have the requisite procurement authority to execute a Participating Addendum.

1.6.7 Prohibition on Resale

Subject to any specific conditions included in the solicitation or Contractor's proposal as accepted by the Lead State, or as explicitly permitted in a Participating Addendum, Purchasing Entities may not resell Products purchased under this Master Agreement. Absent any such condition or explicit permission, this limitation does not prohibit: payments by employees of a Purchasing Entity for Products; sales of Products to the general public as surplus property; and fees associated with inventory transactions with other governmental or nonprofit entities and consistent with a Purchasing Entity's laws and regulations. Any sale or transfer permitted by this subsection must be consistent with license rights granted for use of intellectual property.

1.6.8 Individual Customers

Except as may otherwise be agreed to by the Purchasing Entity and Contractor, each Purchasing Entity shall follow the terms and conditions of the Master Agreement and applicable Participating Addendum and will have the same rights and responsibilities for their purchases as the Lead State has in the Master Agreement and as the Participating Entity has in the Participating Addendum, including but not limited to any indemnity or right to recover any costs as such right is defined in the Master Agreement and applicable Participating Addendum for their purchases. Each Purchasing Entity will be responsible for its own charges, fees, and liabilities. The Contractor will apply the charges and invoice each Purchasing Entity individually.

1.6.9 Release of Information

Throughout the duration of this Master Agreement, Contractor must secure from the Lead State prior approval for the release of information that pertains to the potential work or activities covered by the Master Agreement. This limitation does not preclude publication about the award of the Master Agreement or marketing activities consistent with any proposed and accepted marketing plan.

1.6.10 No Representations

The Contractor shall not make any representations of NASPO ValuePoint, the Lead State, any Participating Entity, or any Purchasing Entity's opinion or position as to the quality or effectiveness of the services that are the subject of this Master Agreement without prior written consent.

1.7 NASPO ValuePoint Provisions

1.7.1 Applicability

NASPO ValuePoint is not a party to the Master Agreement. The terms set forth in Section 1.5 are for the benefit of NASPO ValuePoint as a third-party beneficiary of this Master Agreement.

1.7.2 Administrative Fees

1.7.2.1 NASPO ValuePoint Fee

Contractor shall pay to NASPO ValuePoint, or its assignee, a NASPO ValuePoint Administrative Fee of one-quarter of one percent (0.25% or 0.0025) no later than sixty (60) days following the end of each calendar quarter. The NASPO ValuePoint Administrative Fee must be submitted quarterly and is based on all sales of products and services under the Master Agreement (less any charges for taxes or shipping). The NASPO ValuePoint Administrative Fee is not negotiable. This fee is to be included as part of the pricing submitted with a vendor's response to the Lead State's solicitation.

1.7.2.2 State Imposed Fees

Some states may require an additional fee be paid by Contractor directly to the state on purchases made by Purchasing Entities within that state. For all such requests, the fee rate or amount, payment method, and schedule for such reports and payments will be incorporated into the applicable Participating Addendum. Unless agreed to in writing by the state, Contractor may not adjust the Master Agreement pricing to include the state fee for purchases made by Purchasing Entities within the jurisdiction of the state. No such agreement will affect the NASPO ValuePoint Administrative Fee percentage or the prices paid by Purchasing Entities outside the jurisdiction of the state requesting the additional fee.

1.7.3 NASPO ValuePoint Summary and Detailed Usage Reports

1.7.3.1 Sales Data Reporting

In accordance with this section, Contractor shall report to NASPO ValuePoint all Orders under this Master Agreement for which Contractor has invoiced the ordering entity or individual, including Orders invoiced to Participating Entity or Purchasing Entity employees for personal use if such use is permitted by this Master Agreement and the applicable Participating Addendum ("Sales Data"). Timely and complete reporting of Sales Data is a material requirement of this Master Agreement. Reporting requirements, including those related to the format, contents, frequency, or delivery of reports, may be updated by NASPO

ValuePoint with reasonable notice to Contractor and without amendment to this Master Agreement. NASPO ValuePoint shall have exclusive ownership of any media on which reports are submitted and shall have a perpetual, irrevocable, non-exclusive, royalty free, and transferable right to display, modify, copy, and otherwise use reports, data, and information provided under this section.

1.7.3.2 Summary Sales Data

"Summary Sales Data" is Sales Data reported as cumulative totals by state. Contractor shall, using the reporting tool or template provided by NASPO ValuePoint, report Summary Sales Data to NASPO ValuePoint for each calendar quarter no later than thirty (30) days following the end of the quarter. If Contractor has no reportable Sales Data for the quarter, Contractor shall submit a zero-sales report.

1.7.3.3 Detailed Sales Data

"Detailed Sales Data" is Sales Data that includes for each Order all information required by the Solicitation or by NASPO ValuePoint, including customer information, Order information, and line-item details. Contractor shall, using the reporting tool or template provided by NASPO ValuePoint, report Detailed Sales Data to NASPO ValuePoint for each calendar quarter no later than thirty (30) days following the end of the quarter. Detailed Sales Data shall be reported in the format provided in the Solicitation or provided by NASPO ValuePoint. The total sales volume of reported Detailed Sales Data shall be consistent with the total sales volume of reported Summary Sales Data.

1.7.3.4 Sales Data Crosswalks

Upon request by NASPO ValuePoint, Contractor shall provide to NASPO ValuePoint tables of customer and Product information and specific attributes thereof for the purpose of standardizing and analyzing reported Sales Data ("Crosswalks"). Customer Crosswalks must include a list of existing and potential Purchasing Entities and identify for each the appropriate customer type as defined by NASPO ValuePoint. Product Crosswalks must include Contractor's part number or SKU for each Product in Contractor's catalog and identify for each the appropriate Master Agreement category (and subcategory, if applicable), manufacturer part number, product description, eight-digit UNSPSC Class Level commodity code, and (if applicable) EPEAT value and Energy Star rating. Crosswalk requirements and fields may be updated by NASPO ValuePoint with reasonable notice to Contractor and without amendment to this Master Agreement. Contractor shall work in good faith with NASPO ValuePoint to keep Crosswalks updated as Contractor's customer lists and product catalog change.

1.7.3.5 Executive Summary

Contractor shall, upon request by NASPO ValuePoint, provide NASPO ValuePoint with an executive summary that includes but is not limited to a list of states with an active Participating Addendum, states with which Contractor is in negotiations, and any Participating Addendum roll-out or implementation

activities and issues. NASPO ValuePoint and Contractor will determine the format and content of the executive summary.

1.7.4 NASPO ValuePoint Cooperative Program Marketing, Training, and Performance Review

1.7.4.1 Staff Education

Contractor shall work cooperatively with NASPO ValuePoint personnel. Contractor shall present plans to NASPO ValuePoint for the education of Contractor's contract administrator(s) and sales/marketing workforce regarding the Master Agreement contract, including the competitive nature of NASPO ValuePoint procurements, the master agreement and participating addendum process, and the manner in which eligible entities can participate in the Master Agreement.

1.7.4.2 Onboarding Plan

Upon request by NASPO ValuePoint, Contractor shall, as Participating Addendums are executed, provide plans to launch the program for the Participating Entity. Plans will include time frames to launch the agreement and confirmation that the Contractor's website has been updated to properly reflect the scope and terms of the Master Agreement as available to the Participating Entity and eligible Purchasing Entities.

1.7.4.3 Annual Contract Performance Review

Contractor shall participate in an annual contract performance review with the Lead State and NASPO ValuePoint, which may at the discretion of the Lead State be held in person and which may include a discussion of marketing action plans, target strategies, marketing materials, Contractor reporting, and timeliness of payment of administration fees.

1.7.4.4 Use of NASPO ValuePoint Logo

The NASPO ValuePoint logos may not be used by Contractor in sales and marketing until a separate logo use agreement is executed with NASPO ValuePoint. Contractor or its affiliates' logos may not be used by Lead State, NASPO ValuePoint, or any Participating State for any purpose without written permission from Contractor, except that NASPO ValuePoint may display Contractor's logo on its Portfolio website.

1.7.4.5 Most Favored Customer

Contractor shall, within thirty (30) days of their effective date, notify the Lead State and NASPO ValuePoint of any contractual most-favored-customer provisions in third-party contracts or agreements that may affect the promotion of this Master Agreement or whose terms provide for adjustments to future rates or pricing based on rates, pricing in, or Orders from this Master Agreement. Upon request of the Lead State or NASPO ValuePoint, Contractor shall provide a copy of any such provisions.

1.7.5 Cancellation

In consultation with NASPO ValuePoint, the Lead State may, in its discretion, cancel the Master Agreement or not exercise an option to renew, when utilization of Contractor's Master agreement does not warrant further administration of the Master Agreement. The Lead State may also exercise its right to not renew the Master Agreement if the Contractor fails to record or report revenue for three consecutive quarters, upon 60-calendar day written notice to the Contractor. Cancellation based on nonuse or under-utilization will not occur sooner than [two years] after execution of the Master Agreement. This subsection does not limit the discretionary right of either the Lead State or Contractor to cancel the Master Agreement or terminate for default subject to the terms herein. This subsection also does not limit any right of the Lead State to cancel the Master Agreement under applicable laws.

1.7.6 Canadian Participation

Subject to the approval of Contractor, any Canadian provincial government or provincially funded entity in Alberta, British Columbia, Manitoba, New Brunswick, Newfoundland and Labrador, Nova Scotia, Ontario, Prince Edward Island, Quebec, or Saskatchewan, and territorial government or territorial government funded entity in the Northwest Territories, Nunavut, or Yukon, including municipalities, universities, community colleges, school boards, health authorities, housing authorities, agencies, boards, commissions, and crown corporations, may be eligible to use Contractor's Master Agreement.

1.7.7 Additional Agreement with NASPO

Upon request by NASPO ValuePoint, awarded Contractor shall enter into a direct contractual relationship with NASPO ValuePoint related to Contractor's obligations to NASPO ValuePoint under the terms of the Master Agreement, the terms of which shall be the same or similar (and not less favorable) than the terms set forth in the Master Agreement.

1.8 Shipping and Delivery

1.8.1 Shipping Terms

All deliveries will be F.O.B. destination, freight pre-paid, with all transportation and handling charges paid by the Contractor.

1.8.1.1 Notwithstanding the above, responsibility and liability for loss or damage will remain the Contractor's until final inspection and acceptance when responsibility will pass to the Purchasing Entity except as to latent defects, fraud, and Contractor's warranty obligations.

1.8.2 Minimum Shipping

The minimum shipment amount, if any, must be contained in the Master Agreement. Any order for less than the specified amount is to be shipped with the freight prepaid and added as a separate item on the invoice. Any portion of an Order to be shipped without transportation charges that is back ordered will be shipped without charge.

1.8.3 Inside Deliveries

To the extent applicable, all deliveries will be "Inside Deliveries" as designated by a representative of the Purchasing Entity placing the Order. Inside Delivery refers to a

delivery to a location other than a loading dock, front lobby, or reception area. Specific delivery instructions will be noted on the order form or Purchase Order. Costs to repair any damage to the building interior (*e.g.*, scratched walls, damage to the freight elevator, etc.) caused by Contractor or Contractor's carrier will be the responsibility of the Contractor. Immediately upon becoming aware of such damage, Contractor shall notify the Purchasing Entity placing the Order.

1.8.4 Packaging

All products must be delivered in the manufacturer's standard package. Costs must include all packing and/or crating charges. Cases must be of durable construction, in good condition, properly labeled and suitable in every respect for storage and handling of contents. Each shipping carton must be marked with the commodity, brand, quantity, item code number and the Purchasing Entity's Purchase Order number.

1.9 Inspection and Acceptance

1.9.1 Laws and Regulations

Any and all Products offered and furnished must comply fully with all applicable Federal, State, and local laws and regulations.

1.9.2 Applicability

Unless otherwise specified in the Master Agreement, Participating Addendum, or ordering document, the terms of this Section IX will apply. This section is not intended to limit rights and remedies under the applicable commercial code.

1.9.3 Inspection

All Products are subject to inspection at reasonable times and places before Acceptance. Contractor shall provide right of access to the Lead State, or to any other authorized agent or official of the Lead State or other Participating or Purchasing Entity, at reasonable times, to monitor and evaluate performance, compliance, and/or quality assurance requirements under this Master Agreement.

1.9.3.1 Products that do not meet specifications may be rejected. Failure to reject upon receipt, however, does not relieve the contractor of liability for material (nonconformity that substantial impairs value) latent or hidden defects subsequently revealed when goods are put to use.

1.9.3.2 Acceptance of such goods may be revoked in accordance with the provisions of the applicable commercial code, and the Contractor is liable for any resulting expense incurred by the Purchasing Entity related to the preparation and shipping of Product rejected and returned, or for which Acceptance is revoked.

1.9.4 Failure to Conform

If any services do not conform to contract requirements, the Purchasing Entity may require the Contractor to perform the services again in conformity with contract requirements, at no increase in Order amount. When defects cannot be corrected by re-performance, the Purchasing Entity may require the Contractor to take necessary action

to ensure that future performance conforms to contract requirements and reduce the contract price to reflect the reduced value of services performed.

1.9.5 Acceptance Testing

Purchasing Entity may establish a process, in keeping with industry standards, to ascertain whether the Product meets the standard of performance or specifications prior to Acceptance by the Purchasing Entity.

1.9.5.1 The Acceptance Testing period will be thirty (30) calendar days, unless otherwise specified, starting from the day after the Product is delivered or, if installed by Contractor, the day after the Product is installed and Contractor certifies that the Product is ready for Acceptance Testing.

1.9.5.2 If the Product does not meet the standard of performance or specifications during the initial period of Acceptance Testing, Purchasing Entity may, at its discretion, continue Acceptance Testing on a day-to-day basis until the standard of performance is met.

1.9.5.3 Upon rejection, the Contractor will have fifteen (15) calendar days to cure. If after the cure period, the Product still has not met the standard of performance or specifications, the Purchasing Entity may, at its option: (a) declare Contractor to be in breach and terminate the Order; (b) demand replacement Product from Contractor at no additional cost to Purchasing Entity; or, (c) continue the cure period for an additional time period agreed upon by the Purchasing Entity and the Contractor.

1.9.5.4 Contractor shall pay all costs related to the preparation and shipping of Product returned pursuant to the section.

1.9.5.5 No Product will be deemed Accepted and no charges will be paid until the standard of performance or specification is met.

1.10 Warranty

1.10.1 Applicability

Unless otherwise specified in the Master Agreement, Participating Addendum, or ordering document, the terms of this Section 1.10 will apply.

1.10.2 Warranty

The tires are subject only to Contractor's standard limited warranty and its warranty policies currently available at www.commercial.bridgestone.com, as updated from time to time and in effect at the time of purchase (the "SLW"). The SLW is incorporated by reference into the terms of this Master Agreement. To the extent there is a conflict between this Master Agreement and the terms of the SLW, the SLW terms will govern. Except as specifically set forth herein, Contractor makes no warranty, either express of implied with respect to any product, and specifically disclaims all other warranties, including, without limitation, warranties for merchantability, non-infringement, and fitness for a particular purpose.

1.10.3 Breach of Warranty

Upon breach of the warranty set forth above, the Contractor will repair or replace (at no charge to the Purchasing Entity) the Product whose nonconformance is discovered and made known to the Contractor. If the repaired and/or replaced Product proves to be inadequate, or fails of its essential purpose, the Contractor will refund the payments made on the Product that is being replaced.

1.10.4 Rights Reserved

The rights and remedies of the parties under this warranty are in addition to any other rights and remedies of the parties provided by law or equity, including, without limitation, actual damages, and, as applicable and awarded under the law, to a prevailing party, reasonable attorneys' fees and costs.

1.10.5 Warranty Period Start Date

The warranty period will begin upon Acceptance, as set forth in Section 1.9.

1.11 Product Title

1.11.1 Conveyance of Title

Upon Acceptance by the Purchasing Entity, Contractor shall convey to Purchasing Entity title to the Product free and clear of all liens, encumbrances, or other security interests.

1.11.2 Embedded Software

Transfer of title to the Product must include an irrevocable and perpetual license to use any Embedded Software in the Product. If Purchasing Entity subsequently transfers title of the Product to another entity, Purchasing Entity shall have the right to transfer the license to use the Embedded Software with the transfer of Product title. A subsequent transfer of this software license will be at no additional cost or charge to either Purchasing Entity or Purchasing Entity's transferee.

1.11.3 License of Pre-Existing Intellectual Property

Contractor grants to the Purchasing Entity a nonexclusive, perpetual, royalty-free, irrevocable, license to use, publish, translate, reproduce, transfer with any sale of tangible media or Product, perform, display, and dispose of the Intellectual Property, and its derivatives, used or delivered under this Master Agreement, but not created under it ("Pre-existing Intellectual Property"). The Contractor shall be responsible for ensuring that this license is consistent with any third-party rights in the Pre-existing Intellectual Property.

1.12 Indemnification

1.12.1 General Indemnification

The Contractor shall defend, indemnify and hold harmless NASPO, NASPO ValuePoint, the Lead State, Participating Entities, and Purchasing Entities, along with their officers and employees, from and against third-party claims, damages or causes of action including reasonable attorneys' fees and related costs for any death, injury, or damage to tangible property arising from any act, error, or omission of the Contractor, its employees or subcontractors or volunteers, at any tier, relating to performance under this Master

Agreement. For the avoidance of doubt and notwithstanding anything to the contrary herein, all parties to this Master Agreement or a Participating Addendum acknowledge that: (i) Contractor is providing the Products through its Affiliated Dealers and certain Independent Dealers; (ii) Contractor is responsible to the Lead State and Participating States for the wrongful acts, negligence, or other liabilities of its Affiliated Dealers; and (iii) all Independent Dealers shall be directly and fully responsible (without any liability to, or contribution from, Contractor or its employees or the Affiliated Dealers) to the Lead State and the Participating States for any wrongful acts, negligence, other liabilities, insurance requirements, and warranties directly related to the Products they provide under this Master Agreement.

1.12.1.1 The Contractor shall defend, indemnify, and hold harmless NASPO, NAPSO Value Point, the Lead State, Participating Entities, and the Purchasing Entities, along with their officers and employees, or its Affiliated Dealers, relating to the performance under this Master Agreement. Notwithstanding any other provision of this Master Agreement to the contrary, except for losses caused by Contractor, its employees, or its Affiliated Dealers' negligence or willful misconduct (as determined by a court of competent jurisdiction in a final, non-appealable order), in no event shall Contractor, its employees, or its Affiliated Dealers be liable for any loss of actual or anticipated profits, loss of anticipated business, downtime costs or delay claims (whether direct or indirect), nor for any other special, indirect, incidental, or consequential damages arising out of, relating to, or in any way in connection with this Master Agreement or the provision of Products hereunder, whether based in warranty, contract, tort, negligence, strict liability, or otherwise.

1.12.2 Intellectual Property Indemnification

The Contractor shall defend, indemnify and hold harmless NASPO, NASPO ValuePoint, the Lead State, Participating Entities, Purchasing Entities, along with their officers and employees ("Indemnified Party"), from and against claims, damages or causes of action including reasonable attorneys' fees and related costs arising out of the claim that the Product or its use infringes Intellectual Property rights of another person or entity ("Intellectual Property Claim").

1.12.2.1 The Contractor's obligations under this section will not extend to any combination of the Product with any other product, system or method, unless the Product, system or method is:

1.12.2.1.1 provided by the Contractor or the Contractor's subsidiaries or affiliates;

1.12.2.1.2 specified by the Contractor to work with the Product;

1.12.2.1.3 reasonably required to use the Product in its intended manner, and the infringement could not have been avoided by substituting another reasonably available product, system or method capable of performing the same function; or

1.12.2.1.4 reasonably expected to be used in combination with the Product.

1.12.2.2 The Indemnified Party shall notify the Contractor within a reasonable time after receiving notice of an Intellectual Property Claim. Even if the Indemnified Party fails to provide reasonable notice, the Contractor shall not be relieved from its obligations unless the Contractor can demonstrate that it was prejudiced in defending the Intellectual Property Claim resulting in increased expenses or loss to the Contractor. If the Contractor promptly and reasonably investigates and defends any Intellectual Property Claim, it shall have control over the defense and settlement of the Intellectual Property Claim. However, the Indemnified Party must consent in writing for any money damages or obligations for which it may be responsible.

1.12.2.3 The Indemnified Party shall furnish, at the Contractor's reasonable request and expense, information and assistance necessary for such defense. If the Contractor fails to vigorously pursue the defense or settlement of the Intellectual Property Claim, the Indemnified Party may assume the defense or settlement of the Intellectual Property Claim and the Contractor shall be liable for all costs and expenses, including reasonable attorneys' fees and related costs, incurred by the Indemnified Party in the pursuit of the Intellectual Property Claim.

1.12.2.4 Unless otherwise set forth herein, Section 1.12 is not subject to any limitations of liability in this Master Agreement or in any other document executed in conjunction with this Master Agreement.

1.13 Insurance

1.13.1 Term

Contractor shall, during the term of this Master Agreement, maintain in full force and effect, the insurance described in this section. A Participating Entity may negotiate alternative Insurance requirements in their Participating Addendum, except that a Participating State cannot require Contractor to provide copies of its unredacted insurance policies unless otherwise required by such State's applicable law.

1.13.2 Class

Contractor shall acquire such insurance from an insurance carrier or carriers licensed to conduct business in each Participating Entity's state and having a rating of A-, Class VII or better, in the most recently published edition of A.M. Best's Insurance Reports. Failure to buy and maintain the required insurance may result in this Master Agreement's termination or, at a Participating Entity's option, result in termination of its Participating Addendum. Unless otherwise agreed in a Participating Addendum, an exception to the requirement to buy and maintain the required insurance is allowed when Contractor is 100% self-insured. In this case, Contractor may self-insure all of its obligations under this Contract provided that such program of self-insurance is in compliance with the laws of the Participating State(s) in which Contractor conducts business. Regardless of whether the insurance is through a third-party insurer or self-insurance, the certificate of

insurance will show the minimum dollar amount per occurrence and policy maximum per 13.3 below.

1.13.3 Coverage

Coverage must be written on an occurrence basis. The minimum acceptable limits will be as indicated below:

1.13.3.1 Contractor shall maintain Commercial General Liability insurance covering premises operations, independent contractors, products and completed operations, blanket contractual liability, personal injury (including death), advertising liability, and property damage, with a limit of not less than $1 million per occurrence and $2 million general aggregate;

1.13.3.2 Contractor must comply with any applicable State Workers Compensation or Employers Liability Insurance requirements.

1.13.4 Notice of Cancellation

Contractor shall pay premiums on all insurance policies. Contractor shall provide notice to a Participating Entity who is a state within five (5) business days after Contractor is first aware of expiration, cancellation or nonrenewal of such policy or is first aware that cancellation is threatened or expiration, nonrenewal or expiration otherwise may occur.

1.13.5 Notice of Endorsement

Prior to commencement of performance, Contractor shall provide to the Lead State a written endorsement to the Contractor's general liability insurance policy or other documentary evidence mutually acceptable to the Contractor and Lead State that (1) provides that written notice of cancellation will be delivered in accordance with the policy provisions, and (2) provides that the Contractor's liability insurance policy will be primary, with any liability insurance of any Participating State as secondary; provided that Contractor's general liability insurance shall be primary only to the extent Contractor is required to indemnify the Lead State or other Participating Entities under Section 1.12 of this Agreement.

1.13.6 Participating Entities

Contractor shall provide to Participating States and Participating Entities the same insurance obligations and documentation as those specified in Section 1.13, except the endorsement is provided to the applicable Participating State or Participating Entity.

1.13.7 Furnishing of Certificates

Contractor shall furnish to the Lead State copies of certificates of all required insurance in a form sufficient to show required coverage within thirty (30) calendar days of the execution of this Master Agreement and prior to performing any work. Copies of renewal certificates of all required insurance will be furnished within thirty (30) days after any renewal date to the applicable state Participating Entity. Failure to provide evidence of coverage may, at the sole option of the Lead State, or any Participating Entity, result in this Master Agreement's termination or the termination of any Participating Addendum.

1.13.8 Disclaimer

Insurance coverage and limits will not limit Contractor's liability and obligations under this Master Agreement, any Participating Addendum, or any Purchase Order.

1.14 General Provisions

1.14.1 Records Administration and Audit

1.14.1.1 The Contractor shall maintain books, records, documents, and other evidence pertaining to this Master Agreement and Orders placed by Purchasing Entities under it to the extent and in such detail as will adequately reflect performance and administration of payments and fees.
