

# Government Boosts and Blocks to Building Wealth

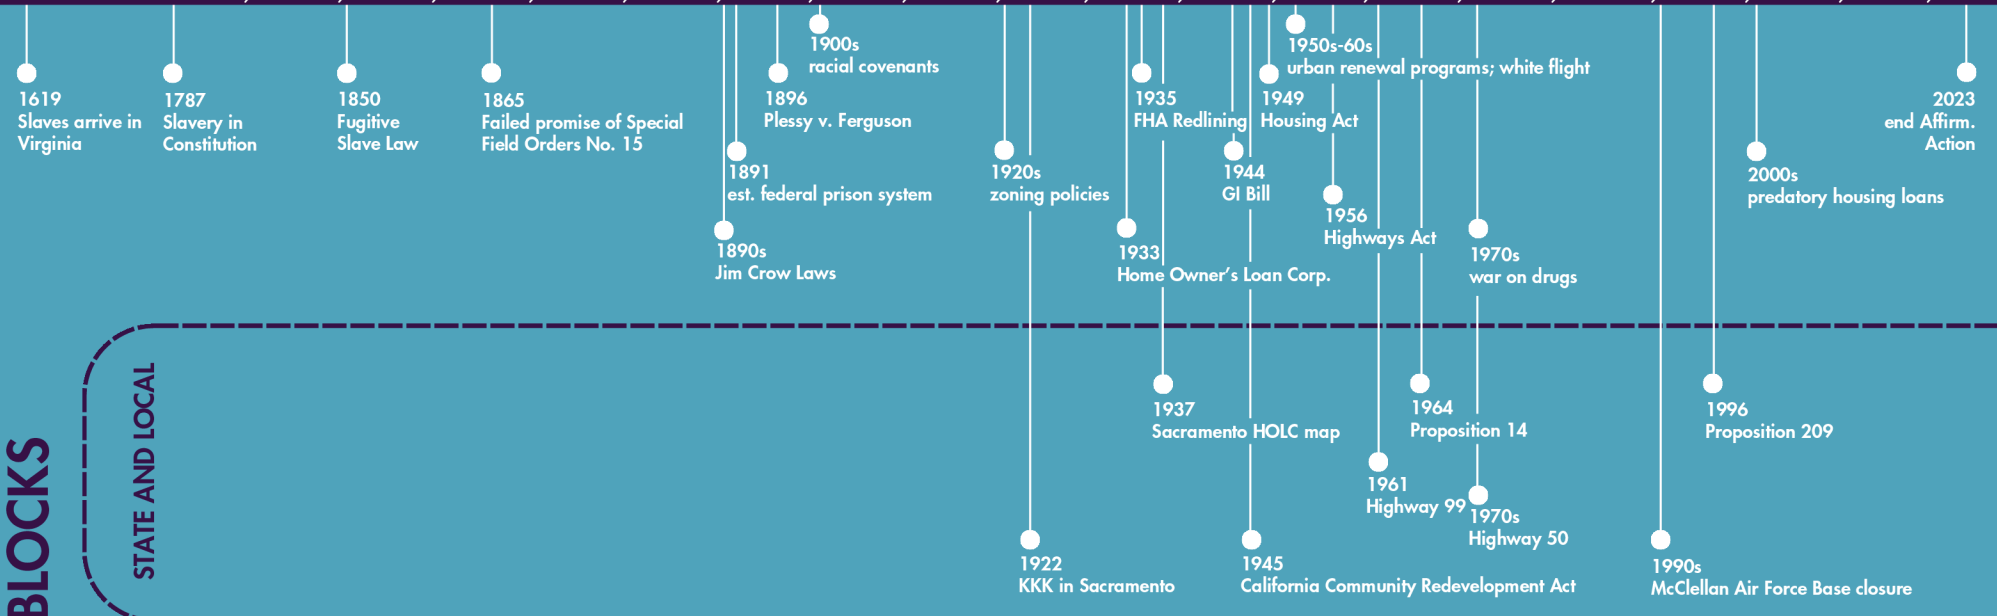

## BOOSTS

### STATE AND LOCAL

## BLOCKS

### STATE AND LOCAL

NOTES: This does not capture the full extent of "Boosts" and "Blocks" to Black wealth - but highlights key policies and programs relevant to Sacramento's wealth gap. While some of the policies and programs listed were designed to be "Boosts," they were implemented in a way that was harmful to Black Sacramentans - and therefore are listed as "Blocks" (e.g., GI Bill).
