

Directions to 300 Aggie Square

(building name for the office and classroom tower)
4480 2nd Avenue, Sacramento, CA 95817

For best results, please do not use the street address in your GPS or map app (most don't recognize the new segment of 3rd Avenue yet). Instead, please follow these driving and parking instructions.

- Following the blue arrows on the map at right, from the new ANOVA Aggie Square Apartments at 2761 Stockton Blvd, at the corner of 3rd Ave and Stockton, turn east at the new light towards the palm trees onto the new section of 3rd Ave, toward the 8-story glass and brick buildings.
- Proceed along 3rd Ave, until the road dead-ends at the Aggie Square Garage. Turn left into the garage
- At the garage entrance gate, pull a ticket, drive into the garage and park in any available spot. Bring the ticket into the building for validation.
- Once parked, walk west, exiting the garage following the red arrow shown on the map towards the eight-story tall, glass and brick buildings west of the parking structure.
- Arrive at the small exterior patio on the southeast corner of the 300 Aggie Square building shown by the yellow star shown on the map.
- Enter directly into Collaborative Commons, Room 1324 and the adjacent conference room 1328. Or enter the main doors on the east side of the building and stop at the reception desk to be directed.
