

**MEMORANDUM**

**DATE:** April 2023  
**TO:** Honorable Mayor & Council  
**FROM:** Mario Lara, Assistant City Manager  
**SUBJECT:** Measure O/ESEA – April Progress Report

This is the third Measure O/ESEA (Emergency Shelter and Enforcement Act of 2022) written progress report to the city council since ESEA became effective December 23, 2022.

The ESEA requires the city to collect data on the following efforts, and report on its progress to the city council every 30 days: 1) Providing emergency shelter space, 2) Eliminating encampments and unlawful camping.

1) Providing Emergency shelter space:

ESEA requires that by March 23, 2023, the city manager must identify and authorize at least 605 new emergency shelter spaces. The city can count any emergency shelter spaces authorized on or after December 31<sup>st</sup>, 2021. Below is a table enumerating the number of emergency shelter spaces identified and authorized by the city manager after this date.

<b>Shelter</b>	<b>Capacity Identified/Authorized After 12/31/21</b>
SHRA-Grove Avenue (Emergency Bridge Housing)	26
City-North 5th Navigation Center	59
<b>City Motel Program</b>	
Arden Acres (Motel Program_Step Up)	120
<b>Other Safe Programs</b>	
Outreach & Engagement Center	50
Colfax Lease Safegrounds - Work in Progress/Est.	50
City/County 200 non-congregate site - Work in Progress/Est.	200
<b>City/County Partnership - via Coordinated Access</b>	
Salvation Army	70
North A	80
<b>Total (Updated 4/30/2023):</b>	<b>655</b>

2) Eliminating encampments and unlawful camping (in city-owned/public areas):

Since adoption of the City/County partnership agreement and ESEA taking effect, City/County outreach teams have focused outreach and engagement efforts in multiple areas as follows: Active sites during April: X street corridor; Triangle Park; North B St.; 29<sup>th</sup> & C; and Previous sites: Roseville Road; Dias Avenue; Setzer Mill/Front Street; Traction Avenue. Below is data related to City/County outreach team efforts in these areas as of preparation of this update:

<b>Service Type</b>	X - Corridor	Triangle Park	North B St.	29th & C	Previous Sites	<b>Total</b>
Contacts	687	54	57	95	435	<b>1,328</b>
Engagements	558	38	34	66	319	<b>1,015</b>
Coordinated Access Referral	59	-	4	10	6	<b>79</b>
ID Voucher	25	7	4	5	26	<b>67</b>
HMIS Enrollments	66	5	7	11	24	<b>113</b>
Mental Health Assessments	22	-	5	4	9	<b>40</b>
Referrals	55	-	1	3	14	<b>73</b>
Mental Health Hospitalization	1	-	-	-	-	<b>1</b>
Safeground/Shelter Enrollment	3	-	-	2	14	<b>19</b>
Housed with family	-	-	-	-	1	<b>1</b>
(Updated as of 4/28/2003)						

In addition to City/County outreach efforts, the city’s Department of Community Response (DCR) along with Hope Cooperative also conducts daily outreach activities through the 311 system, special projects, and via weekly Multi Service Team (MST) activities with both the Downtown Sacramento and Midtown Partnership staff.

Furthermore, PD Impact Team conducts sidewalk and critical infrastructure ordinance enforcements and encampment resolutions mainly by obtaining voluntary compliance with City Council adopted ordinances and by coordinating removal of excess garbage.

Code Enforcement Teams regularly enforce vehicular codes by removing vehicles including motorhomes/RVs that are illegally parked. Outreach is conducted prior to removing occupied vehicles and care is taken to avoid moving occupied vehicles during severe weather that meet threshold for weather respite activations.

Park Ranger Teams regularly enforce City Council adopted ordinances that prohibit encampments and overnight camping in parks. Outreach is conducted prior to removing encampments within parks.
