1. INTRODUCTION

The Aggie Square Enhanced Infrastructure Financing District (EIFD) was established on April 13, 2021, by the Aggie Square Public Financing Authority (PFA) pursuant to Chapter 2.99 of Part 1 of Division 2 of Title 5 of the California Government Code (commencing with Section 53398.50) (EIFD Law). The EIFD was formed to finance certain public infrastructure improvements in support of the Aggie Square Innovation and Research Center (the “Project”). The infrastructure improvements include roadway, storm water, water, and sewer improvements within and surrounding the Project, and affordable housing investments.

Section 53398.66(j)(2) of the EIFD Law requires that the PFA adopt this annual report within seven months of the close of each fiscal year after holding a public hearing. This annual report will account for Fiscal Year (FY) 2025/26 as required by EIFD Law. To meet the reporting requirements of the EIFD Law, this report is organized as follows:

Section 2: Provides a description of the projects undertaken in FY2025/26.

Section 3: Compares actual revenues and expenses, including administrative costs, of the PFA to the budgeted revenues and expenses.

Section 4: Includes the amount of tax increment revenues received in FY2025/26.

Section 5: Contains an assessment of the status regarding completion of the EIFD’s projects.

Section 6: Provides the amount of revenues expended to assist private businesses.
