kp.org/getcare

Your partner in care

If you're feeling stressed or anxious, or just need to talk, give us a call and we'll help you select the options that are right for you.

- Our mental health teams are passionate about helping people.
- You don't need a referral from your doctor to see a therapist.
- You can change your therapist anytime. We want to help you get the right fit.

Types of care we offer

Everyone's health and wellness journey is unique. You'll work with your care providers or therapist to develop a personalized treatment plan, which could include:

- Counseling and therapy
- Depression and anxiety treatment
- Medication management
- Crisis intervention
- Treatment for substance use disorders
- Adult, child, and adolescent mental health
- Classes and support groups³
- Phone appointments and video visits are available⁴

We can help with

- Anxiety and stress
- Attention deficit hyperactivity disorder
- Autism spectrum disorder
- Bipolar disorder
- Depression
- Eating disorders
- Obsessive-compulsive disorder

Help is just a phone call or a click away – 24/7

We'll ask you a few questions about your situation, then help you select a care option.

⁴When appropriate and available.

⁵If you reasonably believe you have an emergency medical condition, call 911 or go to the nearest emergency department. An emergency medical condition is a medical or psychiatric condition that requires immediate medical attention to prevent serious jeopardy to your health. For the complete definition of an emergency medical condition, please refer to your *Evidence of Coverage* or other coverage documents.
