Need to talk? We’re here to help

Kaiser Permanente cares about your total health—mind, body, and spirit. That’s why mental health care and treatment are part of your plan, and why we now offer 10 convenient locations in greater Sacramento.

Your partner in care

If you’re feeling stressed or anxious, or just need to talk, give us a call and we’ll help you select the options that are right for you.

- Our mental health teams are passionate about helping people.
- You don’t need a referral from your doctor to see a therapist.
- You can change your therapist anytime. We want to help you get the right fit.

Types of care we offer

Everyone’s health and wellness journey is unique. You’ll work with your care providers or therapist to develop a personalized treatment plan, which could include:

- Counseling and therapy
- Depression and anxiety treatment
- Medication management
- Crisis intervention
- Treatment for substance use disorders
- Adult, child, and adolescent mental health
- Classes and support groups³
- Phone appointments and video visits are available⁴

We can help with

- Anxiety and stress
- Attention deficit hyperactivity disorder
- Autism spectrum disorder
- Bipolar disorder
- Depression
- Eating disorders
- Obsessive-compulsive disorder

Help is just a phone call or a click away—24/7

We’ll ask you a few questions about your situation, then help you select a care option.

- Sacramento, Roseville, Rancho Cordova, and Folsom 916-973-5300
- South Sacramento and Elk Grove 916-525-6100

Language assistance is available at no cost to you, 24 hours a day, 7 days a week. You can request interpreter services, materials translated into your language, or in alternative formats. Just call us at 1-800-464-4000, 24 hours a day, 7 days a week (closed holidays). TTY users call 711.

Contamos con asistencia de idiomas sin costo alguno para usted 24 horas al día, 7 días a la semana. Puede solicitar los servicios de un intérprete, que los materiales se traduzcan a su idioma o en formatos alternativos. Solo llame al 1-800-788-0616, 24 horas al día, 7 días a la semana (cerrado los días festivos). Los usuarios de TTY, deben llamar al 711.

1 Kaiser Permanente—commissioned KRC Research survey.
2 Mental Health America.
3 Some classes may require a fee.
4 When appropriate and available.
5 If you reasonably believe you have an emergency medical condition, call 911 or go to the nearest emergency department. An emergency medical condition is a medical or psychiatric condition that requires immediate medical attention to prevent serious jeopardy to your health. For the complete definition of an emergency medical condition, please refer to your Evidence of Coverage or other coverage documents.

Fighting stigma

80%
understand that those living with depression and other mental illnesses face stigma.

Treatment works
