**Quality Care is at the Top of our List**

We trust the doctors to decide the best health care path for patients. It’s what happens when a health plan is founded by doctors. We work closely with multiple medical groups, giving our members more choice when selecting from among our network of exceptional doctors and hospitals throughout Northern California.

**Our Medical Groups: Choosing a Doctor**

Search for doctors and facilities by using our online provider search at [mywha.org/directory](http://mywha.org/directory). Upon enrollment, members must select a primary care physician (PCP) close to home or work to allow reasonable access to care. A member’s PCP is responsible for coordinating medical care. PCPs can treat most health care needs, but should a PCP determine that specialty care is needed, the member will be referred to an appropriate clinical provider. With WHA, you have access to specialists outside of your PCP’s medical group with WHA’s Advantage Referral program. Visit [mywha.org/referral](http://mywha.org/referral) to learn more about referrals.
