

Word Search

How to play:

There are two parts to the game. In part one, you will find the answers to the fill-in-the-blank Open Enrollment (OE) statements. Then you will take the answers from part one and search for them in part two, i.e., part one answers become the word bank in part two. **Both parts must be completed to be entered into the random drawing for prizes.** Answers can be found on the 2027 Employee Benefits Handbook and on the [Active Employee Benefits webpage](#).

Prizes are provided by the City's carriers and vary from year to year. See the bottom of page two for instructions on how to submit. **Have fun and remember the deadline to submit your OE elections and/or this game is October 30, 2026!**
