NOTES:

If a retiree is married to another City retiree and one passes away, the surviving retiree is entitled to the higher of the 2 retiree health contributions but not both. If the surviving retiree is receiving the spouse's City contribution toward medical, the retiree is not eligible for a spouse contribution of \$65 if he/she remarries unless the surviving retiree returns to his/her own City contribution. (For example, 2 employees, Joe and Mary, are married and both retire. Mary is entitled to \$300/mo. Joe is entitled to \$225. Mary passes away. Joe is entitled to Mary's \$300, but not to \$365 if he eventually remarries. If he remarries, he can remain with the \$300 because it's still greater than his \$273.75 he would be entitled to with his new spouse on the plan.)

A beneficiary (surviving spouse of deceased City retiree) is eligible for up to the additional \$65 in City contribution if covering eligible dependents of the retiree on medical insurance.
