Subject: MissionSquare RHS balance have started the transfer to Nationwide

PAR Contacts – please distribute to employees in your department.

This email is intended for all employees who had an account balance in a City of Sacramento MissionSquare Retiree Health Savings (RHS) Account.

At the close of the stock market on August 4, 2025, all City of Sacramento MissionSquare RHS account funds began the transfer to the new Nationwide Post Employment Health Plans (PEHP). Account holders will begin to see their funds posted in their Nationwide account between August 5-8. Account holders may have also received an emailed notice from MissionSquare regarding this activity. *The City was not informed by MissionSquare that such notice would be sent out to account holders.*

Please review the City's RHS Transition webpage for more detailed information and continued updates about the transition:

<https://www.cityofsacramento.gov/HR/employee-retiree-benefits/rhs-plan-transition>.

If you did not maintain your contact information in your MissionSquare account, then you may not have received directly emailed and mailed notices about this transition.

Once your funds are posted in your Nationwide PEHP account, you will be able to access your account at <https://www.cityofsacretplan.com/rsc-preauth/>. If you have a City 401(a) or 457(b) account, you will see all of your accounts when logging into Nationwide. You will be able to view your new PEHP account after the funds have been posted.

If you have not logged in recently to your [Nationwide account](#) to ensure your contact information is current, please review your information in your account and update as necessary. Account holders should only use a personal email address as their contact email address to ensure receipt of email communication from Nationwide after separating from City service and to ensure you can access your account and reset your password in the future.

When visiting the [RHS Transition webpage](#), scroll down to the Reference Documents section for copies of additional information about the new Nationwide PEHP plans and notices that have been sent to account holders.
