7.2 ADVANCEMENT IN RATE OF COMPENSATION

a. Advancement in Steps

- (1) Upon successful completion of twenty-six (26) weeks of service an employee shall be advanced to the next higher step of the salary range of the employee's current classification. Thereafter, employees, who maintain a satisfactory level of performance, shall automatically advance to the succeeding step, of their current classification, in

intervals of fifty-two (52) weeks of completed service, which shall be calculated after the date of each advancement, until top step is reached

- (2) Time spent on unpaid leave of absence of ten (10) or less consecutive workdays shall not affect the step increase eligibility date. For unpaid leaves in excess of ten (10) consecutive working days, all unpaid leave time shall not count toward step increases.
- (3) An employee who has completed the required probationary period in the employee's current classification and who is at a salary step lower than the top step may be advanced to any higher step in the salary range for that classification at any time. Such step advancement under this provision shall not be subject to the grievance procedure and shall be at the sole discretion of the Department Head.
- (4) This Section 7.2(a) shall only apply to career employees.
- (5) Effective December 18, 2021, Section 7.2(a) shall only apply to career employees and Community Service Officer II as provided in Article 19.3 (Community Service Officer II (CSO II)).

b. Denial of Step Increase and Reduction in Grade

This Section 7.2(b) shall only apply to career employees.

eligibility date for the salary step increase. For example, an employee is appointed on January 4, 1986, and works in the regular assignment until April 11, 1986. On April 12, 1986, the employee is on IOD time until July 4, 1986, and returns to the regular assignment on July 5, 1986. The employee successfully completes the probationary period on September 26, 1986. The effective date on the salary step increase is July 5, 1986, because the period April 12, 1986, to July 4, 1986, is included in determining the salary step eligibility date.

- (3) When the probationary period is extended for an employee in a classification with a twelve (12) month probationary period who has successfully completed less than twenty-six (26) weeks of service, the employee shall be eligible for a salary step increase upon successful completion of twenty-six (26) weeks of service, excluding the period of the extension. The period of the extension, however, shall be included in determining the eligibility date for the salary step increase. The effective date of the salary step increase is determined in accordance with the example given above.
- (4) When the probationary period is extended for an employee in a classification with a twelve (12) month probationary period who has successfully completed more than twenty-six (26) weeks of service and who successfully completes the extended probationary period, the period of the extension shall be included in determining the eligibility date for the next salary step increase. The effective date of the salary step increase is determined in accordance with the example given above, except fifty-two (52) weeks is required rather than twenty-six (26) weeks.
- (5) If a probationary period is extended due to an unpaid leave of absence, the period of such extension is excluded in determining the eligibility date for a salary step increase.

7.3 EFFECT OF CLASSIFICATION CHANGE ON RATE OF COMPENSATION

a. Movement to a Higher Classification

When an employee moves from one classification to another which has a higher salary, through examination, appointment to an exempt position, temporary appointment in the absence of an eligible list, or reallocation, the employee shall receive an increase at least equal to a full in-grade salary step (5%) or Step 1 of the higher classification, whichever is greater, but not to exceed the maximum rate of the higher classification.

b. Movement to Another Position in the Same Classification or to a Classification With the Same Salary Range

When an employee moves to another position in the same classification or to another classification with the same salary range, the employee shall maintain the same salary and same anniversary date.

c. Movement to a Lower Classification

When an employee's position is reallocated to a classification with a lower salary range, the employee shall suffer no reduction in salary, and the Y-rate provisions of this Agreement shall apply. The salary of an employee who voluntarily demotes shall be that salary step nearest but does not exceed such salary paid in the previous classification.

7.4 EFFECT OF CHANGE OF SALARY RANGE UPON COMPENSATION

Whenever the salary range of a classification is adjusted upward, the salary rate of each employee in the classification shall be adjusted to the step in the new range which corresponds to the step received in the former range, and the employee shall retain the current anniversary date for further increases within the new range.

7.5 RATE OF COMPENSATION UPON RETURN TO CITY SERVICE

- a. An employee recalled after layoff, reinstated after a leave of absence, or reemployed in the same classification after resignation shall return to the same salary step paid at the time of departure.
- b. If the employee is reemployed after resignation to a classification lower than that in which last employed, the employee may receive any step, but not to exceed the salary of the classification in which last employed. If that step is other than the maximum step of the salary range, the anniversary date for subsequent in-grade adjustments shall be twelve (12) months from the date of reemployment and each year thereafter until the maximum step of the salary range is reached.

7.6 RATES HIGHER THAN THE TOP STEP (Y-RATE)

Whenever the salary of an employee exceeds the top step of the salary range established for a classification, such salary shall be designated as a "Y-rate". During such time as an employee's salary remains above the top step, the employee shall not receive further salary increases, except that upon promotion to a higher classification, the employee shall immediately advance to the step of the range of the higher classification next above the "Y-rate", and be eligible for advancement to succeeding steps in the range as outlined in this Agreement. In the event an employee is "Y-rated" below the top step, the employee shall be permitted to advance to the maximum step of the original range.

7.7 LONGEVITY PAY (CONTRACT)

- a. Employees who have completed seventeen (17) years of City service shall receive longevity pay in the amount of three percent (3%) of their base rate of pay. Longevity pay shall be additive and shall not be compounded with any other type of pay or incentive.

The parties acknowledge that Longevity Pay in 7.8 is provided for in the City Charter and not through this Agreement. In the event that changes are made to the City Charter, those changes shall supersede the provision of this Agreement regarding Longevity Pay.

Longevity Pay as provided in Section 7.8 shall be reported to CalPERS in a manner consistent with CalPERS rules for reporting special compensation, as amended.

17.2 DEFINITIONS

- a. Layoff: A layoff shall be defined as the dismissal of at least one employee due to lack of work, lack of funds, or abolishment of position.
- b. Downgrade: A downgrade shall be defined as a change in job classification for which the top salary is less than the top salary of the employee's present classification, due to a layoff. Sworn employees shall only be allowed to downgrade to the appropriate classification in which the employee held a sworn position. Salary as referred to in this Article shall be the monthly salary range and respective salary step for the affected classification as identified in the salary schedule. An employee who is downgraded pursuant to this Article shall be placed in the salary step in the new classification which is closest to the monthly pay rate received immediately prior to downgrade.

17.3 PROCEDURE

In the event of a layoff the following procedure shall be utilized:

- a. In the affected job classification the employee(s) with the least classification seniority shall be the first displaced.
- b. An employee who is displaced from the classifications of Police Sergeant and Police Lieutenant shall be entitled to downgrade by asserting seniority in the new classification. In the event a Police Lieutenant is laid off who has never held the rank of Sergeant, they shall downgrade to Police Officer by date of rank. If such a downgrade occurs, the downgrading employee shall replace the employee in the new job classification with the least classification seniority. In no event will a career employee be laid off until all non-career employees in the classification have been laid off.
- c. An employee who is displaced from the classification of Dispatcher III shall be entitled to downgrade to Dispatcher II, provided that the downgrading employee has greater City service seniority. The displaced employee shall then be laid off.
- d. An employee may accept a layoff in lieu of a downgrade by written notification to Labor Relations within forty-eight (48) hours of receiving notice of layoff. Where the employee accepts a layoff in lieu of a downgrade, said employee shall forfeit all recall rights except to a vacancy within the same classification from which the employee was laid off.

- e. The application of this procedure is not intended to extend job assignment, work organization, or departmental preference to any employee affected by a layoff.
- f. In the event of a layoff, the City shall send by certified mail a layoff notice to all affected employees. Such notice shall be postmarked at least fourteen (14) calendar days in advance of the effective date of layoff. Such layoff notice shall be mailed to the employee's address in the City's payroll system, and shall be deemed appropriate notice. The employee(s) who is on a paid or unpaid leave shall be affected by the layoff in accordance with the provisions of this Article in the same manner as all other employees.

17.4 FRINGE BENEFITS

- a. Employees laid off shall be paid sick leave, vacation, holiday accrual, longevity, and similar benefits per applicable ordinances and rules. Employees being recalled who received a sick leave payoff at the time of layoff, shall have the uncompensated portion of their sick leave balance restored; provided, however, that only those sick leave hours accrued after recall shall be applied to sick leave payoff related to a subsequent termination.
- b. Employees enrolled in City insurance programs may continue elected coverage limited to the City's medical, dental, and life insurance plans for a period up to six (6) months or the period of time permitted by Consolidated Omnibus Budget Reconciliation Act (COBRA), whichever is greater, by advanced personal remittance for each month's premium for the cost of such coverage.

When a recall list exists and an employee is on a reinstatement list due to a medical leave of absence, such employee will be merged with employees on the established layoff eligibility list based on seniority. Employees with probationary status shall have recall rights for a period of two (2) consecutive years from the date of layoff/displacement, but upon recall, shall start a new probationary period. An employee who has downgraded and has not been recalled to the classification where permanent status is held within the five (5)

year period shall lose all recall rights and shall gain permanent status in the classification to which the employee downgraded.

- b. When a vacancy exists and employees are to be recalled, notice of the opening(s) shall be sent to the last mailing address as furnished by the laid off employee. To expedite the recall, more than one employee may be notified of an opening, but priority will be given to employees with the earliest applicable seniority in the classification where the vacancy exists. This recall notice shall be by certified mail and the employee shall have fourteen (14) calendar days to report to work from the postmark date on the recall notice. An employee who is laid off shall be given a physical examination prior to or at the time of layoffs and upon their recall. Upon being recalled the employee shall meet the medical standards established by the layoff physical, with consideration of normal changes of physical condition (aging) occurring while laid off. The standard shall be established on an individual basis. Employees shall be allowed to decline a recall one (1) time within the five (5) year period. Declining a second recall opportunity will permanently remove an employee from the recall list.

During the period of any layoffs, Article 18, Police-Related Supplemental Employment, shall be amended to provide first call for any supplemental employment to those employees who have been laid off or downgraded until such employee is employed as a sworn officer in another jurisdiction, or has been removed from the recall list. This will amend Section 18.1(d) so that all laid off or downgraded officers will not be on a rotating list but will be first called for any job. If there are not sufficient laid-off officers to fill the needs of a job requirement then Section 18.1(d) will apply.

If an employee had additional discipline in the five (5) year period, the removal date will restart.

- c. A documented counseling shall be maintained in an employee's Division file for a period of one (1) year at which time the document shall be removed and not be used for purposes of further disciplinary action. Once removed, the documented counseling may not be used to enhance subsequent discipline but may be used to demonstrate that the employee is aware of the issue and/or for impeachment purposes.

- (2) Reserve Officers will be required to attend Continuing Professional Training, as determined by Management and required by POST.

e. The primary purpose of using Reserve Officers who are not retired annuitants in Patrol is to fill in for vacancies created by career officers who are off work due to sickness, vacation, holiday, training, or job-related injuries. The use of Reserve Officers for these purposes will not count toward minimum staffing levels.

f. MOU Section 4.2 (Employee Rights) shall apply to Reserve Officers.

g. In the event that a Reserve Officer is released for cause from their non-career employment with the City, they may have an administrative review of the release by submitting a request in writing, within seven (7) calendar days, to the Labor Relations Manager.

h. The assignment provision of this Section may be canceled by either party within a ninety (90) calendar day written notice. In that event, the assignment of Reserve Officers will be limited to such functions as they normally perform.

23.14 RESERVE DISPATCHERS

The City shall have the right to use Reserve Dispatchers to work uncovered shifts and schedules of Dispatcher I/II. Reserve Dispatchers are not to replace career Dispatcher positions. Reserve Dispatchers shall not be assigned to work radio.

23.15 CONTRACTING OUT IN COMMUNICATIONS

23.16 DEFERRED COMPENSATION PLAN

Mr. Gene Burchett, President
Sacramento Police Officers Association

Sacramento, CA 95815

Re: Court Overtime

Dear Mr. Burchett:

This letter confirms the agreement reached during the 1994-96 negotiations between the City of Sacramento and Sacramento Police Officers Association covering employees in the Police Department Unit. The parties agree to a General Order covering court overtime to read as follows:

A. Subpoenas

1. Witness fees should be collected prior to acceptance of the subpoena for all employees who are subpoenaed by any party other than the City for civil cases.
2. When an employee is subpoenaed personally in a civil case, the employee shall send a copy of the subpoena to the Court Liaison unit (CLU) for processing.

B. Criminal cases

1. Sections 9.2 and 10.2 (a) respectively, of the Agreements with the SPOA and Local 39 require that employees are entitled to court overtime when "subpoenaed to appear in the litigation of a public offense in his/her capacity as..." an employee of the City or Police Officer, as applicable. The benefits of court overtime pay are mandatory as to off-duty appearances in any criminal matter, regardless of who subpoenas the employee.
2. The SPOA Agreement, in addition, precludes the rescheduling of employees to eliminate court overtime. The Local 39 Agreement establishes the same court overtime provisions for payment of an off-duty appearance, however the Agreement only limits the City's right to reschedule the employee during the same workweek.

Mr. Gene Burchett
Re: Court Overtime
Page 2

3. The minimum pay provisions of Sections 9.2 or 10.2(a), as applicable, must be met in criminal cases.

C. Civil cases

1. The requirement regarding court overtime is limited to criminal actions, and therefore the City has flexibility in exercising its discretion regarding the schedule of employees who are appearing in civil cases. Section 10.1 (g) of the Local 39 Agreement limits the City's ability to reschedule an employee during the same workweek to avoid overtime, and Sections 9.1(c) and (d) of the SPOA Agreement preclude the rescheduling of employees due to court overtime and require payment of an overtime penalty for a change of shift with less than a five (5) day notice.
2. Section 9.6(a) of the SPOA Agreement specifies that the standard of pay for civil cases when an employee is subpoenaed and not scheduled on duty shall be court overtime pay. Since a civil matter is not covered by the limitation of Section 9.1(c) employees may be rescheduled for civil case appearances.
3. Employees subpoenaed in their capacity as a Sacramento Police Officer who are not appearing on behalf of the City may be rescheduled with appropriate notice to avoid the payment of overtime.
4. The City's attorneys will be advised to notify Labor Relations as well as the Court Liaison Unit (CLU) when their civil subpoena is served or appearance is required.
5. Personnel Services Division will confirm with Labor Relations to insure that the employees are properly rescheduled pursuant to this policy and the requirements of the Agreement.
6. When the employee is a co-defendant with the City, or will be appearing in a trial for more than one day, the employee's shift will be flexed pursuant to Section 8.3 of the SPOA Agreement, if applicable, or rescheduled to Monday through Friday, 8:00 AM to 5:00 PM.
7. When the employee's appearance is anticipated to last for less than one day, the employee may be rescheduled at the discretion of the division manager.
8. A five (5) day notice will be provided to the employee whenever possible. If the five (5) day notice is not possible, the decision on rescheduling the employee will be made based on the cost of overtime or the shift transfer penalty, as applicable.

Mr. Gene Burchett
Re: Court Overtime
Page 3

D. Juvenile court and traffic court

1. CLU will approve overtime for appearances at juvenile or traffic court. The employee may fax or deliver the documents to CLU for overtime approval.
2. The District Attorney or Court Clerk will sign the employee in and out of the court appearance. If approved prior to the appearance, CLU will review and confirm or adjust the authorized overtime.

E. Civil Service hearings

1. Section 9.6(b) of the SPOA Agreement requires that when the City requests an employee who is off-duty to appear at a formal disciplinary appeal the employee is compensated at time and one-half (1½) for a two hour minimum, or the actual time, whichever is greater.
2. There is no limitation in the SPOA Agreement on the City's ability to reschedule the employee for such an appearance.
3. Overtime is not authorized for the appearance of an employee who is called to testify by someone other than the City.
4. The Local 39 Agreement does not require payment of an overtime minimum for employees who appear for either party while off-duty.
5. Employees covered by the Local 39 Agreement who are requested to appear by the City should be rescheduled to appear on-duty or be compensated at the overtime rate for time actually spent testifying at the hearing.

F. Administrative hearings

1. Section 9.6 (a) of the SPOA Agreement establishes the standard of payment for hearing boards on off-duty time. The provisions applicable to civil cases are applicable here.
2. There is no similar requirement in the Local 39 Agreement. Off-duty employees who are requested to appear by the City should be rescheduled to appear on-duty or be compensated at the overtime rate for time actually spent testifying at the hearing.
3. Telephone testimony for administrative hearings while off-duty shall be compensated at time and one-half (1½) with a minimum of two (2) hours.

Mr. Gene Burchett
Re: Court Overtime
Page 4

G. Extended trials

1. General Order 240.01 subsection K covers Court Appearance and specifically addresses the procedures to be utilized for extended trials during scheduled time off. Such subpoenas shall generally be limited to twenty (20) days.
2. Subsection K allows an employee subject to an extended subpoena to leave the Sacramento area by contacting the Court Liaison Unit. The employee can call CLU between Monday and Friday between 7:00 AM and 5:00 PM to notify them of their telephone number while out of the area, or establish a collect call phone contact time between 7:00 AM and 5:00 PM with CLU, or make the same arrangement by phone to the CLU recording telephone line to verify the status of the trial and their need to appear the following day.
3. The employee may elect to arrange a specific time for his/her appearance by contacting the District Attorney directly. The employee must notify CLU of the scheduled appearance date and time. In such case, the employee is relieved of the twenty-four (24) hour notice requirement to appear.

H. Applicable minimum periods

1. On-duty employees are to be released from work at the time they are actually expected to testify. The party calling the employee to testify is responsible for making these arrangements with the City. If the employee is off-duty but will be paid for the time testifying, the overtime commences at the time the employee appears to testify.
2. Generally when an employee is scheduled for a court appearance during off-duty hours, he/she is entitled to court overtime at time and one-half (1½) pay for the four (4) hour minimum, or actual duration whichever is greater.
3. There is an exception when the appearance is scheduled within two (2) hours prior to the start or after the end of the employee's shift, and the minimum is then two (2) hours.
4. If the appearance after the end of the shift exceeds the two (2) hour minimum, then the four (4) hour minimum or actual duration applies, whichever is greater. If the appearance prior to the start of the shift exceeds the two (2) hour minimum, then the employee is on his/her regular shift and court overtime no longer applies.

Mr. Gene Burchett
 Re: Court Overtime
 Page 5

5. If an appearance commences during the regular shift and continues beyond the end of the shift, it is regular overtime, not court overtime, and no minimum duration applies.
6. The limitation of Section 9.4(g) of the SPOA Agreement applies only to multiple calls on the same case or to court overtime and telephone overtime on the same case. Multiple calls for separate cases, or court and telephone overtime for one case at separate, non-overlapping times, or for two separate cases at non-overlapping times may be paid for the same day.
7. In no circumstances is the employee entitled to more than one payment for the same hours.

I. Cancellation payment

1. Section 9.5 of the SPOA Agreement and 10.2(c) of the Local 39 Agreement require notice of cancellation three (3) hours prior to court or at the end of the last shift prior to court. If notice is not provided before the three-hour limit, the employee receives two (2) hours of overtime pay at time and one-half (1½). Every effort must be made to meet these timelines.
2. When a voice mail system is implemented by the City, allowing each employee access to an individual mail messaging system, the CLU will forward scheduling information to the employee's voice mailbox. The employee will be responsible for reviewing messages to his/her mailbox.
