Sacramento Police Department
Mandatory Academy Follow-up Training
2020

The following course is offered to academy graduates as they enter the field training program at the Sacramento Police Department. These new officers are brought back to the training environment several times as they progress through the field training.

Course Title: Mobile Data Computer (MDC) and Mobile Report Entry (MRE)

Course Description: To provide the basic operational theory and practical training to operate the Mobile Data Computer and the Mobile Report Entry Software

Course Objectives:
- Properly log on and log off all systems
- Query people, vehicles, and locations
- Use the mapping system
- Document reports appropriately

Representative Methods of Evaluation:
- Class participation and performance during scenarios using the MDT and MRE systems
