

Sacramento Police Department
Mandatory Academy Follow-up Training

2022

The following course is offered to academy graduates as they enter the field training program at the Sacramento Police Department. These new officers are brought back to the training environment several times as they progress through the field training.

Course Title: Armored Vehicle Introduction/Entry Tactics/Arrest Teams

Course Description: This class is designed to provide students with an understanding of the capabilities of armored vehicles, proper placement, and deployment considerations for varying tactical situations. Officers will be instructed on the proper makeup and use of arrest teams. Officers will also be instructed on several techniques for clearing residences and large structures.

Course Objective:

- Discuss the ballistic capabilities of the armored vehicles
- Show the location and protocol for patrol use of the armored vehicles
- Walkthrough or armored vehicles to include ballistic panels, spotlights, and turret
- Proper placement of armored vehicles
- Proper makeup of arrest teams and use behind armored vehicles
- Practice clearing tactics

Representative Methods of Evaluation:

- Class Participation
- Lecture
