

SACRAMENTO POLICE DEPARTMENT - 2320
CRISIS INTERVENTION - 20801
POST Certification II / Reimbursement Plan NA / 36 hours
EXPANDED COURSE OUTLINE

Statement of Purpose: This course will provide students with an understanding of Crisis Intervention Techniques, (CIT) which together, are a collaborative approach of safely and effectively addressing the needs of people with mental illnesses, linking them to appropriate services, and diverting them from the criminal justice system, if appropriate. The intent of this course is to improve peace officer and mental health consumer safety while reducing injuries to peace officers and consumers during law enforcement contacts. Crisis intervention techniques include using distance, time, verbal tactics, or other tactics to de-escalate a situation.

I. Course Goals and Objectives

a. Goals

- i. Increase Safety
- ii. Recognize Mental Health Diagnoses
- iii. Understand Developmental Disabilities
- iv. Utilize Community Resources
- v. Build Communication Skills

b. Objectives

i. The student will:

1. Demonstrate the skills needed to communicate effectively.
2. Demonstrate the importance of listening skills as they relate to effective communication.
3. Improve ability to identify and appropriately respond to individuals with mental health and developmental disabilities.
4. Demonstrate Crisis Intervention skill on exercises, to include:
 - a. Officer Safety
 - b. Listening/Persuasion
 - c. Judgment and Decision Making
 - d. De-escalation, Procedural Justice
 - e. Operating in stress conditions

5. Discuss:

- a. Peace Officer Self Care
- b. Mental Illness
- c. Developmental Disabilities
- d. Cultural Competency
 - i. Veteran Populations
 - ii. Homeless Populations
- e. Navigating desired outcomes:
 - i. Resolved on scene
 - ii. Mental Health Assessment
 - iii. Arrest
 - iv. Services offered/accepted
- f. Law Enforcement Role in Community
- g. Alternatives to lethal force when interacting with potentially

SACRAMENTO POLICE DEPARTMENT - 2320

POST Certification II / Reimbursement Plan NA / 36 hours
EXPANDED COURSE OUTLINE

dangerous persons with mental disabilities

- h. The fact that a crime committed in whole or in part because of an actual or perceived disability of the victim is a hate crime punishable under Title 11.6 of Part 1.

c. Assessment

- i. Written pretest
- ii. Preliminary group exercises
- iii. Students will be assessed for proficiency in the above topics by effectively demonstrating skills and oral questioning.

II. Officer Wellness

a. Managing Stress

- i. Physical Reactions
 - 1. Muscle Aches
 - 2. Headaches
 - 3. Digestive Problems
 - 4. Fatigue
- ii. Emotional Reactions
 - 1. Sadness
 - 2. Irritability
 - 3. Feelings of Uncertainty
- iii. Cognitive Reactions
 - 1. Difficulty Concentrating
 - 2. Flashbacks

b. Self-care Strategies

- i. Physical Care
 - 1. Rest
 - 2. Eat well-balanced meals
 - 3. Exercise
 - 4. Maintain normal schedule
- ii. Emotional Care
 - 1. Express your feelings
 - 2. Spend time with friends
 - 3. Talk to people you trust
 - 4. Find a counselor if feelings become prolonged

III. Strategic Communication – Prologue and Priming

a. Event Prologue (Defined)

- i. An opening to a story that establishes the setting and gives background details.

b. Goals of Event Prologue:

- i. Increase use of BWC.
- ii. Establish the setting for a contact.
- iii. Give reason for contact.
- iv. Safety: Officer/Public

SACRAMENTO POLICE DEPARTMENT - 2320
CRISIS INTERVENTION - 20801
POST Certification II / Reimbursement Plan NA / 36 hours
EXPANDED COURSE OUTLINE

- v. Enhance Professionalism
 - 1. Use appropriate language
- vi. Decrease complaints
 - 1. Use of inappropriate language
- c. Implicit Bias (Defined)
 - i. Unconscious attitudes/stereotypes that affect:
 - 1. Understanding
 - 2. Actions
 - 3. Decisions

IV. Mental Illness Overview

- a. Welfare and Institution Code 5150 and the Law
 - i. History of LPS/5150
 - 1. Intent of 1967 legislation
 - 2. Due process rights
 - ii. "5150" definition
 - 1. Danger to self
 - a. Suicidal intent
 - b. Plan
 - c. Means
 - 2. Danger to others
 - a. Homicidal intent
 - b. Plan
 - c. Means
 - 3. Grave disability
 - a. Definition of mental disorder
 - b. Categories not included
 - 4. Probable Cause
 - a. Standards for commitment
 - b. WI 5150.05
 - iii. Obligations of Mental Health - Acceptance of individual for evaluation at facility
 - iv. Obligations of Law Enforcement Officers
 - 1. Detailed information
 - a. Factual circumstances
 - b. Observations
 - c. Provided history
 - 2. Compliance with Departmental Policy
 - v. Conservatorship
 - 1. Temporary Conservatorship
 - 2. LPS Conservatorship
 - vi. Firearms and 5150
 - 1. WI 8102
 - a. Seizure and forfeiture of weapons

SACRAMENTO POLICE DEPARTMENT - 2320
CRISIS INTERVENTION - 20801
POST Certification II / Reimbursement Plan NA / 36 hours
EXPANDED COURSE OUTLINE

- b. Petition for exemption
 - 2. Authority / Intrusive means
 - b. Mental Illness
 - i. Defined as a medical illness
 - ii. Characteristics of a mental illness
 - 1. Disturbances of mood
 - a. Emotional “flatness”
 - b. Inappropriate emotion
 - c. Fluctuating moods
 - d. Intensity of emotions
 - 2. Disturbance in thought
 - a. Disorganized thought patterns
 - b. Hallucinations
 - c. Delusional thinking
 - iii. Treatment options
 - 1. Non-medicinal
 - 2. Medications
 - a. Anti-anxiety medications
 - b. Anti-depressant
 - c. Anti-psychotics
 - d. Seizure medications
 - e. Anti-mania medications
 - c. Schizophrenia
 - i. Definition of schizophrenia
 - ii. Symptoms
 - 1. Delusions
 - 2. Hallucinations
 - 3. Paranoia
 - 4. Concrete and disorganized thinking patterns
 - iii. Medications and potential side effects
 - iv. Co-occurring issues
 - v. Approaches in dealing with individuals with schizophrenia
 - d. Mood Disorders
 - i. Bipolar Disorder
 - 1. Definition
 - 2. Symptoms
 - a. Elevated Mood
 - b. Agitation
 - c. Reduced need for sleep
 - d. Poor judgment
 - e. Distractibility
 - f. Mood Swings
 - g. Pressured speech
 - 3. Medication for bipolar disorder and possible side effects

SACRAMENTO POLICE DEPARTMENT - 2320
CRISIS INTERVENTION - 20801
POST Certification II / Reimbursement Plan NA / 36 hours
EXPANDED COURSE OUTLINE

- 4. Co- Occurring issues
- 5. Approaches in dealing with individuals with bipolar disorder.
- ii. Major Depression
 - 1. Definition
 - 2. Symptoms of depression
 - a. Emotional
 - i. Sadness
 - ii. Hopelessness, helplessness
 - iii. Sense of worthlessness
 - iv. Irritability at times, especially in children
 - b. Cognitive
 - i. Poor concentration
 - ii. Difficulty with memory
 - c. Behavioral
 - i. Loss of interest in pleasurable activities
 - ii. Sleep disturbance
 - iii. Change in appetite
 - 3. Medications and possible side effects
 - 4. Co-Occurring issues
 - 5. Approaches for interactions with individuals with depression.
- e. Post-Traumatic Stress Disorder
 - i. Definition of Post-Traumatic Stress Disorder (PTSD)
 - 1. Anxiety Disorder
 - 2. Trauma definition
 - 3. Examples of Traumatic Events
 - a. Abuse
 - b. Catastrophe
 - c. Violent attack
 - d. War, combat
 - 4. Symptoms of Post Traumatic Disorder (PTSD)
 - a. Intrusive
 - i. Dissocialize states
 - ii. Flashbacks
 - iii. Intrusive memories and emotions
 - iv. Nightmares, night terrors
 - b. Avoidant
 - i. Avoiding emotions
 - ii. Avoiding relationships
 - iii. Avoiding responsibility for others
 - iv. Avoiding situations reminding individual of traumatic event
 - c. Hyper arousal
 - i. Exaggerated startle response
 - ii. Explosive outbursts

SACRAMENTO POLICE DEPARTMENT - 2320
CRISIS INTERVENTION - 20801
POST Certification II / Reimbursement Plan NA / 36 hours
EXPANDED COURSE OUTLINE

- iii. Hyper vigilance
 - iv. Irritability
 - v. Panic Symptoms
 - vi. Sleep disturbance
 - d. Co-Occurring issuers
- 5. Treatment options for PTSD
 - a. Medication therapy
 - b. Antianxiolytic medications
- 6. Counseling
 - a. Cognitive Behavioral Therapy
 - b. Relaxation Techniques
 - c. Psycho education
- 7. Approaches for interactions with individuals with PTSD
- f. Co-Occurring Disorders
 - i. Definition of Co-occurring Disorder
 - ii. Individual having one or more Substance Use Disorder and one or more psychiatric disorder at the same time
 - iii. Causes of Co-Occurring Disorder
 - a. Family History
 - b. Genetics
 - c. Brain Chemistry
 - d. Environmental Factors
 - iv. Problems associated with Co-Occurring Disorders
 - 1. High instance of Substance Use Disorder
 - 2. Legal Problems
 - 3. Family issues
 - 4. Problems related to employment
 - 5. High risk behaviors
 - 6. Physical and Mental Health problems
- g. Addiction
 - i. Field Assessment often difficult because of similar symptoms
 - ii. Indicators of Addiction
 - iii. Assessment and Treatment - Mental Health and Substance Use Disorder treatment often at odds
 - iv. Other conditions that may cause similar behaviors
 - 1. Diabetes
 - 2. Brain Injury
 - 3. Water Intoxication
 - 4. Epilepsy
 - 5. Psychosis
 - 6. Dementia
 - 7. Others
 - v. Response Model
 - 1. Information gathering

EXPANDED COURSE OUTLINE

2. Resources
3. De-escalation
4. Control & Capture
5. Sedation
6. Transportation to hospital or medical

V. Stigma

- a. Provide context for stigma and the role it plays in mental illness, intellectual disabilities, and substance use disorders;
 - i. The meaning of stigma – a mark of disgrace or shame associated with a particular circumstance, quality, or person
 - ii. The consequences of stigmatization – social isolation, fear, violence, mistrust, prejudice and discrimination
- b. Discuss both historical and modern-day stigmatization of mental illness, intellectual disabilities, and substance use disorders as it pertains to;
 - i. Societal views and treatment of mental illness
 - ii. The evolution of medical treatment
 - iii. Dramatizations by the news and entertainment industry
- c. Compare and contrast the way different cultures treat mental illness, intellectual disabilities, and substance use disorders in the areas of;
 - i. Stigmatization
 - ii. The social impact on families and individuals
 - iii. Barriers to seeking help and participating in treatment
 - iv. American Foundation for Suicide Prevention Statistics

VI. Stigma Reduction

- a. Identify mechanisms to reduce personal bias against people with mental illness, intellectual disabilities, and substance use disorders:
 - i. Learn the facts
 - ii. Get to know people who have experiences with mental illness, intellectual disabilities, and substance use disorders
- b. Identify mechanisms to reduce stigmatism against people with mental illness, intellectual disabilities, and substance use disorders:
 - i. Speak out against the display of false beliefs and negative stereotypes
 - ii. Speak openly of personal experiences
 - iii. Don't discriminate, judge, or stereotype
 - iv. Show respect, treat with dignity
- c. Present the perspective of individuals and families experienced with;
 - i. Mental illness
 - ii. Intellectual disabilities
 - iii. Substance use disorders (co-occurring)
 - iv. Suggestion: Utilize guest speakers and/or videos

VII. Mental Illness/Intellectual Disabilities/Substance Use Disorder

- a. Mental Disorders:

SACRAMENTO POLICE DEPARTMENT - 2320
CRISIS INTERVENTION - 20801
POST Certification II / Reimbursement Plan NA / 36 hours
EXPANDED COURSE OUTLINE

- i. Anxiety disorders (including Post-Traumatic Stress Disorder)
 - ii. Mood disorders (depression and bi-polar disorder, including suicidal behavior and risk assessment)
 - iii. Psychotic disorders
 - iv. Impulse control disorders
 - v. Autism Spectrum Disorder
 - vi. Downs syndrome
 - vii. Dementia
 - viii. Alzheimer's disease
 - ix. Co-occurring disorders.
 - b. Mental Illness
 - i. Describe the cause and nature
 - ii. Identify Indicators
 - iii. Discuss and develop appropriate language and rapport building strategies
 - c. Intellectual Disabilities
 - i. Describe the cause and nature
 - ii. Identify indicators
 - iii. Discuss and develop appropriate language and rapport building strategies
 - d. Substance Use Disorders
 - i. Identify indicators
 - ii. Discuss and develop appropriate language and rapport building strategies
 - e. Mental Illness Video (Eden Township Substation - 5150 Call)/ Class Discussion
 - i. In each example provided, trainees will:
 - 1. identify the indicators of mental illness, intellectual disabilities, and substance use disorders
 - 2. based on indicators, distinguish between mental illness, intellectual disabilities, and substance use disorders
 - 3. cite or demonstrate appropriate language and rapport building strategies for the identified mental illness, intellectual disability or substance use disorder
- VIII. Homeless Intervention
 - a. Homeless Mentally Ill
 - i. Law Enforcement Response
 - ii. Community Collaboration
 - b. Available Services
 - i. Local Healthcare
 - ii. Nationwide non-profits
- IX. Developmental Disabilities
 - a. Defined by State of CA – Welfare & Institutions Code 4512(a)

POST Certification II / Reimbursement Plan NA / 36 hours
EXPANDED COURSE OUTLINE

b. Intellectual Disability

i. Definition

ii. Indicators

1. Difficulty following multi-step instructions
2. Impulsive actions
3. Communicates below age level
4. Poor sense of time
5. Compliant
6. Short attention span, easily distracted

iii. Causes

1. Genetic
2. Childhood disease or accidents (TBI)
3. Malnutrition, poor health care, environmental hazards
4. Pregnancy or prenatal problems

iv. Approaches for interaction with individuals with mental retardation

1. Talk slowly and clearly
2. Give one direction at a time. Allow extra time for response
3. Ask open ended questions
4. Repeat or rephrase questions
5. Use concrete term. Avoid jargon
6. Use visual cues.
7. Recognize their need for routine
8. Use resources

c. Autism

i. Definition

ii. Indicators

1. Sensitive to touch, sensations or stimuli
2. Need for structure and routine
3. Difficulty relating to people
4. Tendency to echo words
5. Repetitive behaviors
6. Attracted to shiny objects
7. Avoids eye contact
8. Tends to use monotone or flat voice
9. Tantrums, self-stimulation, self-mutilation
10. Propensity to run
11. Lacks abstract thinking
12. Processes slowly

CRISIS INTERVENTION - 20801
POST Certification II / Reimbursement Plan NA / 36 hours
EXPANDED COURSE OUTLINE

- iii. Causes - No known cause
- iv. Approaches to interactions with a person with autism
 - 1. May become anxious by police presence
 - 2. Sensory impairment may cause abnormal reactions
 - 3. Speak slowly and clearly
 - 4. Look for caretaker in the vicinity
- v. Community and State Resources
 - 1. State Council
 - 2. Regional Centers
- d. Older Adults
 - i. Elder Risk Factors
 - 1. Health
 - 2. Lack of Support
 - 3. Finances
 - ii. Delirium
 - 1. Definition
 - 2. Signs and Symptoms
 - a. Disturbance of Consciousness
 - b. Change in cognition
 - c. Develops over short period of time
 - d. Causes
 - 3. Treatment
 - a. Medical evaluation
 - b. Determine cause to attempt treatment
 - 4. Approaches for interactions with individuals experiencing delirium.
- e. Alzheimer's/Dementia
 - i. Definition
 - ii. Signs and symptoms
 - 1. Memory impairment
 - 2. Language disturbance
 - 3. Difficulty with physical activities
 - 4. Inability to recognize or identify objects
 - 5. Disturbance in executive functioning (planning, organizing, etc.)
 - 6. Gradual onset and cognitive decline
 - 7. Possible Behavioral disturbances
 - iii. Treatment
 - 1. Medical evaluation
 - 2. Determine cause to address symptoms

 - i. Personal experiences with failed attempts
 - ii. Family members of suicide victims
 - iii. Question & Answer
- XII. Homeless Intervention
 - a. Homeless Mentally Ill
 - i. Law Enforcement Response
 - ii. Community Collaboration
 - b. Available Services
 - i. Local healthcare
 - ii. Nationwide non-profits
- XIII. Drug Influence & Criminality
 - a. Criminal Behavior
 - i. Hold v. Arrest
 - ii. Common causes for service calls
 - 1. Assaults
 - 2. Trespassing
 - 3. Drug use
 - b. Understanding Drugs
 - i. Classifications
 - ii. Prescriptions
 - iii. Therapeutic Dosing
 - c. PC 647(f)
 - d. HS 11550(a)
- XIV. Report Writing
 - a. Detailed information
 - i. Factual circumstances
 - ii. Observations
 - iii. Provided history
 - iv. Probable Cause to believe that a person meets criteria
 - b. Completing Assessment Form
 - i. Subject is Victim
 - ii. HIPAA
 - c. Compliance with Departmental Policy
- XV. Mental Health Court
 - a. History
 - i. Alternative sentencing
 - ii. Ethics
 - b. Target Population

EXPANDED COURSE OUTLINE

- c. Community Partnership
- d. Referral Process
- e. Sentencing
 - i. Meetings
 - ii. Medications
 - iii. Structure
 - iv. Graduation / Dismissal of Charges

XVI. Case Studies - Team Communications during a Critical Incident

- a. Coordinated effort
 - i. Planned Response (when feasible)
 - ii. One voice
 - 1. Single point of contact with subject(s)
 - 2. Single point of contact with dispatch
 - iii. Force options
 - iv. Continuous Assessment
- b. Potential Resources
 - i. Mental Health Resources
 - ii. Community Resources
- c. Debriefs
 - i. Effective - examples
 - ii. Ineffective - examples

XVII. Officer Safety Considerations

- a. Interventions in the Field
 - i. Field observations of behaviors and symptoms
 - 1. Consciousness
 - 2. Activity
 - 3. Speech
 - 4. Thought Process
 - 5. Affect
 - 6. Memory
 - 7. Orientation
 - 8. Perception
 - 9. Physical Symptoms
 - 10. Physical Surroundings
 - ii. "What to say"
 - 1. Questions that can be helpful in determining level of impairment
 - 2. Questions to ask family members, friends, witnesses
 - iii. "How to say it"
 - 1. Non-verbal communication approaches
 - 2. Verbal Techniques
- b. De-escalation techniques TACT
 - i. Tone

EXPANDED COURSE OUTLINE

- 1. No yelling, lower your voice, calm but firm
 - 2. Not what you say, it's how you say it
 - ii. Atmosphere
 - 1. Calm the scene
 - 2. lower radios
 - 3. remove distractions
 - iii. Communication
 - 1. Be willing to repeat SIMPLE directions
 - 2. Make sure the subject understands your directions
 - iv. Time
 - 1. Be willing to take the time needed to safely complete call
 - 2. Subjects who suffer from illness or are under medication need more time to process information
- c. Suicide Assessment
 - i. High Suicide risk categories and factors
 - 1. Depressive symptoms
 - 2. Verbal Warnings
 - 3. Behavioral warnings
 - 4. gender differences
 - 5. Age differences
 - ii. Assessing intent and plan
 - 1. Intent vs. suicidal thoughts
 - 2. Assessing means to complete plan
 - iii. The "Do's and Don'ts" of suicide interventions
 - 1. Listening with acceptance and understanding
 - 2. Identify strengths
 - 3. Assist with problem solving
- d. Suicide by Cop / Officer Safety
 - i. Definition
 - ii. Potential Indicators
 - iii. Recent loss (physical, emotional, financial)
 - iv. Prior Suicide attempts
 - v. History of violence
 - vi. Imminent arrest

XVIII. Cultural Competency - Veterans

- a. Common needs
- b. Veteran-specific resources

XIX. Departmental Resources - Mental Health Unit Overview

- a. Statistics in region
- b. Organizational Structure
 - i. Goals
 - ii. Community Partnership

- c. Available Medical Establishments in Area
 - i. Emergency Departments
 - ii. Secondary Mental Hospitals
 - iii. Jail Psych Services
- d. Contacts / Resources

XX. Strategic Communication – Active Listening

- a. Fully concentrating on what is being said rather than passively “hearing” the message of the speaker.
- b. Listening with all senses
- c. Why is listening important?
 - i. The most fundamental component of communication skill
 - ii. Active process that takes a conscious decision
 - iii. More time listening than speaking
- d. Benefits of Active Listening
 - i. Builds Trust
 - ii. Broadens perspective
 - 1. Strengthens your patience
 - 2. Makes you approachable
 - 3. Increases competence and knowledge
 - 4. Saves time and money
 - 5. Helps detect and solve problems
 - iii. What makes a good listener: Listening vs. Hearing
 - iv. Non-verbal and Verbal signs of Active Listening skills
 - 1. Non-verbal
 - a. Smile
 - b. Eye contact
 - c. Posture
 - d. No distractions
 - 2. Verbal
 - a. Positive reinforcement
 - b. Remembering
 - c. Questioning
 - d. Clarification
- e. Listening Styles
 - i. People-Oriented
 - ii. Action or Task-Oriented
 - iii. Content
 - iv. Time
- f. Examples of Active Listening/Questioning Techniques
 - i. Paraphrasing
 - ii. Verbal Affirmation
 - iii. Opened ended questions
 - iv. Asking specific questions

EXPANDED COURSE OUTLINE

- f. Effective pauses
 - g. Listen to understand not to respond
 - iv. Empathy
 - 1. Empathy vs. Sympathy
 - a. Empathy – The ability to understand and share the feelings of another
 - b. Sympathy – Feelings of sorrow and pity for someone else's misfortune
 - 2. Establish Rapport
 - v. Questioning techniques
 - 1. Intentional closed-ended questions
 - 2. Open ended questions
 - 3. Question Types
 - a. Fact-Finding
 - b. Leading
 - c. Opinion-Seeking
 - vi. Persuasion
 - 1. Rational appeal
 - 2. Personal appeal
 - 3. Ethical appeal
 - b. People with Disabilities
 - i. Individuals with physical, mental health, developmental, or intellectual disabilities may have difficulty communicating, understanding, or complying with commands from peace officers.
 - ii. Recognize appropriate methods of communication with people experiencing:
 - 1. Mental Illness
 - 2. Substance Use Disorders
 - 3. Intellectual Disabilities
 - 4. Physical Disabilities
 - 5. Emotional Distress
 - iii. Potential Strategies
 - 1. Pace
 - 2. Tone/Voice
 - 3. Reduce distractions
 - 4. Content
 - 5. Non-Verbal
 - iv. Special Relationships/Community Caretaking
 - c. Procedural Justice
 - i. Voice
 - 1. Have a conversation, not a lecture
 - a. allow a member of the public to speak and give a reason for their actions or motivations

SACRAMENTO POLICE DEPARTMENT - 2320
CRISIS INTERVENTION - 20801
POST Certification II / Reimbursement Plan NA / 36 hours
EXPANDED COURSE OUTLINE

- b. Officers should explain the motivations for the (lawful) actions that we have taken
- 2. When given a voice, people
 - a. feel valued and that they are part of the process
 - b. more readily comply with the law
- 3. Neutrality
 - a. Decisions are based on fairness and impartiality
 - i. Set context for your actions.
 - ii. Explain how we arrived at the course of action, not just our authority to do so.
 - iii. Take the opportunity to show that you're looking for the best possible outcome.
 - b. Your non-verbal communication may convey bias without meaning to do so.
- 4. Respect
 - a. People and their rights.
 - b. Golden Rule
 - c. Treating people with dignity can lead to voluntary compliance.
- 5. Trustworthiness
 - a. Transparency: explanation of the issues
 - i. officer's motivation
 - ii. Laws involved
 - iii. Legal authority of the actions taken
 - b. Dignity
 - i. Explaining and listening to subjects' concerns shows they're being treated fairly
 - ii. Validates them as a human being

XXII. Class Scenarios / Student Evaluations / Post Test

- a. Learning Activity: Students will be provided various scenarios in which CIT skills will be utilized and demonstrated. The instructor will proctor the exercise and provide direct/immediate feedback.
- b. Students will demonstrate proficiency in all course content by passing written examination and performing all skills in demonstrated scenarios and verbal quizzing.
