

Sacramento Police Department After-Academy Training Course

Course Title: Amtrak Police Law Enforcement Partner Training Program

Course Description: This course will introduce local law enforcement partners to the Amtrak Police Department and will provide best safety practices for officers responding to railroad incidents.

Course Objectives: Upon completion of this course the student will be able to:

- ☐ Explain the capabilities and limitations of the Amtrak Police Department
- ☐ Understand how the Amtrak Police augment local police jurisdictions
- ☐ Identify railroad hazards to law enforcement officers
- ☐ Understand how their jurisdiction fits within the larger Amtrak national rail system
- ☐ Realize that Americas transit systems are a target for terrorism
- ☐ Learn how to contact with the Amtrak Police National Communication Center
- ☐ Actively participate in a live EOD K9 scenario within the classroom setting
- ☐ Understand the Amtrak Police Sacramento field office and their area of Responsibilities in Northern CA
- ☐ Recognize the importance of local police in protecting Amtrak
- ☐ Understand the CA laws specifically related to the railroad

Representative Methods of Evaluation:

- ☐ Lecture
- ☐ Class participation
- ☐ Powerpoint
- ☐ K9 demonstration
