

## **Sacramento Police Department After-Academy Training Course**

### **Course Title: Partnering with Community Based Organizations (CBOs).**

**Course Description:** To provide an overview on partnerships with local Community Based Organizations (CBOs), as well as provide additional training on how officers can utilize their resources in the field.

#### **Course Objectives:**

- ☐ Understand and discuss the roles and responsibilities of both CBOs and police departments.
- ☐ Detail the resources offered by local CBOs.
- ☐ Identify shared goals and mutual benefits that come through collaboration.
- ☐ Build a framework for a sustainable, trust-based collaboration.
- ☐ Develop plans for implementation within different communities.

#### **Representative Method of Evaluation:**

- ☐ Class participation
