Sacramento Police Department

Annual Military Equipment Use Report and Policy 2023 Draft Summary – Updated 08/16/2023

Internal Department Audits

The Professional Standards Unit's Inspection and Standards Team (IST) completed 11 audits related to the department's use of military equipment:

1. Physical inspection of military equipment (quantity, serial number verification, and functionality)
2. Office of Operation's less lethal equipment (40mm launchers, PepperBall launchers, and less lethal shotguns)
3. Internal Affairs Division's community and internal complaints
4. Force Investigation Team's officer-involved shootings, in-custody deaths, and serious bodily injury cases
5. Use of Force Review Board's findings
6. City of Sacramento's Risk Management claims
7. Research and Development/Training Division's military equipment training curriculum
8. Existing policies, reference manuals, and procedures
9. Office of Public Safety Accountability community complaints
10. Supervisory Messages
11. City of Sacramento Public Injury/Property Loss Reports (red border forms)
