Introduction

On September 30, 2021, California Governor Gavin Newsom signed into law Bill 481, requiring all California law enforcement agencies to obtain approval prior to the use or acquisition of military equipment from the applicable governing body, by ordinance adopting a military equipment use policy at a regular meeting of the governing body.

The governing body may approve the funding, acquisition, and use of military equipment within its jurisdiction, after a law enforcement agency under its supervision submits a proposed military equipment use policy and makes those documents available on the agency's website at least 30 days prior to any public hearing concerning the military equipment at issue.

The governing body is required to annually review the military equipment use ordinance and determine, based upon an annual military equipment use report ("annual report"), compliance with the standards for approval of each type of military equipment under AB 481.

The annual report must be publicly available on each agency's website and, at a minimum, contain information for the preceding calendar year for each type of military equipment. This information includes:

- (1) A summary of how the military equipment was used and the purpose of its use.
- (2) A summary of any complaints or concerns received concerning the military equipment.
- (3) The results of any internal audits, any information about violations of the military equipment use policy, and any actions taken in response.
- (4) The total annual cost for each type of military equipment, including acquisition, personnel, training, transportation, maintenance, storage, upgrade, and other ongoing costs, and from what source funds will be provided for the military equipment in the calendar year following submission of the annual military equipment report.
- (5) The quantity possessed for each type of military equipment.
- (6) If the law enforcement agency intends to acquire additional military equipment in the next year, the quantity sought for each type of military equipment.

In addition, within 30 days of submitting and publicly releasing an annual military equipment report, the law enforcement agency must hold at least one well-publicized and conveniently located community engagement meeting to discuss and ask questions about the report and the law enforcement agency's funding, acquisition, or use of military equipment.

All details pertaining to Assembly Bill 481 have been codified within Government Code §§ 7070-7075.

Definitions

Annual costs – The approximate and applicable total of acquisition, personnel, training, transportation, maintenance, storage, upgrade, or other ongoing costs.

Consumable equipment – Equipment that is typically used once, depletes with use, and requires replenishment regularly. Items include, but are not limited to, ammunition, chemical agents, diversionary devices, and other munitions.

Governing body – The elected body that oversees a law enforcement agency or, if there is no elected body that directly oversees the law enforcement agency, the appointed body that oversees a law enforcement agency. In the case of a law enforcement agency of a county, including a sheriff's department or a district attorney's office, "governing body" means the board of supervisors of the county (Government Code § 7070[a]).

Maintenance costs – The cost of routine preventative maintenance, replacement parts, software, licensing, contract fees, and outside vendor services (e.g., labor, parts, and materials). Maintenance completed by employees includes employee salary costs calculated utilizing the average of all employees' pay scales.

Non-consumable equipment – Equipment that may be used repeatedly and for longer periods of time without substantial wear. Typically serialized and requiring periodic maintenance or repair to ensure functionality. Items include, but are not limited to, vehicles, firearms, and less-lethal munition launchers.

Personnel and training costs – The total of an employee's salary incurred during military equipment usage and training. This includes, but is not limited to, course tuition and materials, travel and lodging expenses, certification and licensing, and portions of an employee's salary that is calculated utilizing the average of all employees pay scales.

Reportable use of force – Reportable use of force that involves any military equipment listed in category 10, 12, or 14, in accordance with General Order 580.02

Reporting period – This report captures inventories, costs, and usage information from May 1, 2024, to April 30, 2025.

Use – The activation, discharge, detonation, or operation of individual pieces of military equipment utilized on a person or object during an incident.

Categories

Hereinafter, this report will reference equipment categories that correspond to the definitions of military equipment in accordance with Government Code § 7070(c)(1-15).

1. Unmanned, remotely piloted, powered aerial or ground vehicles.
2. Mine-resistant ambush-protected (MRAP) vehicles or armored personnel carriers. However, police versions of standard consumer vehicles are specifically excluded from this subdivision.
3. High mobility multipurpose wheeled vehicles (HMMWV), commonly referred to as Humvees, two and one-half-ton trucks, five-ton trucks, or wheeled vehicles that have a breaching or entry apparatus attached. However, unarmored all-terrain vehicles (ATVs) and motorized dirt bikes are specifically excluded from this subdivision.
4. Tracked armored vehicles that provide ballistic protection to their occupants and utilize a tracked system instead of wheels for forward motion.
5. Command and control vehicles that are either built or modified to facilitate the operational control and direction of public safety units.
6. Weaponized aircraft, vessels, or vehicles of any kind.
7. Battering rams, slugs, and breaching apparatuses that are explosive in nature. However, items designed to remove a lock, such as bolt cutters, or a handheld ram designed to be operated by one person, are specifically excluded from this subdivision.
8. Firearms of .50 caliber or greater. However, standard issue shotguns are specifically excluded from this subdivision.
9. Ammunition of .50 caliber or greater. However, standard issue shotgun ammunition is specifically excluded from this subdivision.
10. Specialized firearms and ammunition of less than .50 caliber, including assault weapons as defined in Sections 30510 and 30515 of the Penal Code, with the exception of standard issue service weapons and ammunition of less than .50 caliber that are issued to officers, agents, or employees of a law enforcement agency or a state agency.
11. Any firearm or firearm accessory that is designed to launch explosive projectiles.
12. “Flashbang” grenades and explosive breaching tools, “tear gas,” and “pepper balls,” excluding standard, service-issued handheld pepper spray.
13. Area denial electroshock devices, microwave weapons, water cannons, long-range acoustic devices, acoustic hailing devices, and sound cannons.
14. The following projectile launch platforms and their associated munitions: 40mm projectile launchers, “bean bag,” rubber bullet, and specialty impact munition (SIM) weapons.
15. Any other equipment as determined by a governing body or a state agency to require additional oversight.
16. Notwithstanding paragraphs (1) through (15), “military equipment” does not include general equipment not designated as prohibited or controlled by the federal Defense Logistics Agency.

Equipment: Inventory, Proposed Acquisitions, and Annual Costs

The following is an explanation of the inventory, proposed acquisitions, and annual costs tables of department military equipment.

Table header information:

- **Equipment** – The manufacturer and model name.
- **Initial Costs and Inventory**
 - **Current Inventory** – The number of items currently in the department’s inventory.
 - **Procurement** – The approximate previous cost, per unit, to procure equipment when initially acquired.
- **2025-2026 Proposed**
 - **Quantity (Qty.)** – The number of items the department is proposing to acquire during the next reporting period.
 - **Cost per unit** – The approximate cost, per unit, to acquire the proposed quantity.
- **Annual Costs**
 - **Personnel and training cost** – The total of an employee’s salary incurred during military equipment usage and training. This includes, but is not limited to, course tuition and materials, travel and lodging expenses, certification and licensing, and portions of an employee’s salary that is calculated utilizing the average of all employees pay scales.
 - **Maintenance cost** – The cost of routine preventative maintenance, replacement parts, software, licensing, contract fees, and outside vendor services (e.g., labor, parts, and materials).
- **Funding Source** – The source of funds to include the Police department general fund, grants, or other government funds.
- **Basis for Proposed Acquisition** – a brief summary explaining the reason(s) for the proposed acquisition.

Category 1: Robots and Uncrewed Aerial Systems

1a. Robots

Inventory and Proposed Acquisitions:

Equipment	Inventory and Initial Costs		2025-2026 Proposed	
	Current Inventory	Procurement	Qty.	Cost Per Unit
ECX Temper Gen2 4WD	1	\$159.00	0	-
Losi Night Crawler SE 4WD	1	\$350.00	0	-
Qinetiq Dragon Runner 20	1	\$90,000.00	0	-
Remotec Andros F6A	2	\$250,000.00	0	-

Annual Costs:

- Personnel and training costs: Approximately \$31,836.64
- Maintenance costs: Approximately \$22,675.72.

Funding Source:

- Police department general fund.
- Urban Area Security Initiative (UASI) grant funding was provided for Remotec Andros F6A maintenance costs in the amount of \$7,328.00.

1b. Uncrewed Aerial Systems

Inventory and Proposed Acquisitions:

Equipment	Inventory and Initial Costs		2025-2026 Proposed	
	Current Inventory	Procurement	Qty.	Cost Per Unit
DJI Avata 2	1	\$1,428.00	10	\$1,398.00
DJI Inspire 2	0	\$1,200.00	0	-
DJI M30T	1	\$13,431.00	0	-
DJI Matrice 300 RTK with H20T	1	\$14,000.00	0	-
DJI Matrice 4T Plus Combo	0	\$0.00	10	\$8,942.00
DJI Matrice 350 Plus Comb with Zenmuse H30T thermal camera	0	\$0.00	1	\$25,629.00
DJI Dock 3 with Matrice 4TD aircraft for DFR	0	\$0.00	2	\$47,340.00
DJI Mavic 2 Enterprise Advanced	5	\$4,000.00	0	-
DJI Mavic 2 Enterprise Dual	24	\$5,500.00	0	-
DJI Mavic 3 Enterprise (3T)	2	\$6,300.00	0	-
DJI Mavic Mini	5	\$400.00	0	-
DJI Mavic Pro	1	\$1,500.00	0	-
DJI Neo Combo Plus	0	\$0.00	6	\$887.00
Happymodel Mobula7	2	\$250.00	0	-
Holybro Kopis CineWhoop 3"	1	\$375.00	0	-
iFlight A75	8	\$300.00	0	-
iFlight A85	16	\$300.00	0	-

Annual Costs:

- Personnel and training costs: Approximately \$39,283.44.
- Maintenance costs: Approximately \$8,110.13.

Funding Source:

- Police department general fund.

Basis for Proposed Acquisition

- SPD proposes the purchase of additional UAS models to replace units that are decommissioned or approaching the end of their service life. SPD intends to acquire new models that better meet the growing needs of our city.

Other Information:

- On 11/20/2024, the Sacramento Police Department, in partnership with the Sacramento Fire Department, conducted a Drone First Responder (DFR) Trial Program to utilize uncrewed aerial systems (UAS) to respond to calls for service from a fixed location. See [Drone First Responder Trial Program press release](#) for further information.

Category 2: Armored Vehicles

2a. Armored Vehicles

Inventory and Proposed Acquisitions:

Equipment	Inventory and Initial Costs		2025-2026 Proposed	
	Current Inventory	Procurement	Qty.	Cost Per Unit
Lenco BearCat G2	1	\$315,518.00	0	-
Lenco BearCat G3	1	\$404,521.00	0	-

Annual Costs:

- Personnel and training costs: Approximately \$22,401.38.
- Maintenance costs: Approximately \$17,861.85.

Funding Source:

- Police department general fund.

Category 3: High Mobility Multipurpose Wheeled Vehicles

3a. High Mobility Multipurpose Wheeled Vehicles (HMMWV aka “Humvee”)

Government Code § 7070(c)(3) defines this category as, “High mobility multipurpose wheeled vehicles (HMMWV), commonly referred to as Humvees, two and one-half-ton trucks, five-ton trucks, or wheeled vehicles that have a breaching or entry apparatus attached. However, unarmored all-terrain vehicles (ATVs) and motorized dirt bikes are specifically excluded from this subdivision.”

The Sacramento Police Department does not possess any military equipment in this category.

DRAFT

Category 4: Tracked Armored Vehicles

4a. Tracked Armored Vehicles

Inventory and Proposed Acquisitions:

Equipment	Inventory and Initial Costs		2025-2026 Proposed	
	Current Inventory	Procurement	Qty.	Cost Per Unit
Ring Power Corporation, The Rook	1	\$400,000.00	0	-

Annual Costs:

- Personnel and training costs: Approximately \$11,918.17.
- Maintenance costs: \$2,997.36.

Funding Source:

- Federal Emergency Management Agency (FEMA), Urban Area Security Initiative (UASI) grant (procurement).
- Police department general fund.

Category 5: Command and Control Vehicles

5a. Command and Control Vehicles

Inventory and Proposed Acquisitions:

Equipment	Inventory and Initial Costs		2025-2026 Proposed	
	Current Inventory	Procurement	Qty.	Cost Per Unit
Mobile Incident Command Vehicle	1	\$996,000.00	0	-

Annual Costs:

- Personnel and training costs: Approximately \$1,793.31.
- Maintenance costs: Approximately \$13,095.49.

Funding Source:

- California Office of Traffic Safety (OTS), Selective Traffic Enforcement Program (STEP) grant (procurement).
- Police department general fund.

Category 6: Weaponized Aircraft, Vessels, or Other Vehicles

Government Code § 7070(c)(6) defines this category as, “Weaponized aircraft, vessels, or vehicles of any kind.”

The Sacramento Police Department does not possess any military equipment in this category.

DRAFT

Category 7: Explosive Breaching Apparatuses

7a. Detonating Cord and Blasting Caps

Inventory and Proposed Acquisitions:

Equipment	Inventory and Initial Costs		2025-2026 Proposed	
	Current Inventory	Procurement	Qty.	Cost Per Unit
Dyno Nobel Inc. Blasting Caps	24	\$17.64	90	\$18.00
Dyno Nobel Inc. Primacord 4Y, 18 Grain Detonating Cord	0	\$0.62/ft	2,194.5 ft	N/A
Dyno Nobel Inc. Primacord 5, 25 Grain Detonating Cord	0	\$0.76/ft	2,102.67 ft	N/A
Dyno Nobel Inc. Primacord 10, 50 Grain Detonating Cord	1,277 ft	\$1.00/ft	0	-

Annual Costs:

- Personnel and training costs: Approximately \$15,050.80.
- Maintenance costs: None

Funding Source:

- Police department general fund.

Basis for Proposed Acquisition

- Blasting Caps: The SPD has consumed most of its blasting caps and requires replenishment.
- 18 and 25 Grain detonating cord: The Sacramento Police Department intends to begin using 18 and 25 grain detonating cord for the purpose of explosive breaching. The above proposed acquisitions of 18 and 25 grain detonating cord are already in the possession of the Sacramento Police Department and had previously been utilized for explosive ordnance disposal operations. As a result, the use can be performed with no associated acquisition cost.

7b. Breaching Shotguns

Inventory and Proposed Acquisitions:

Equipment	Inventory and Initial Costs		2025-2026 Proposed	
	Current Inventory	Procurement	Qty.	Cost Per Unit
Royal Arms International Royal Remington 870 Express Breaching Shotgun	8	\$500.00	0	-

Annual Costs:

- Personnel and training costs: Approximately \$3,012.13.
- Maintenance costs: None

Funding Source:

- Police department general fund.

7c. Breaching Munitions

Inventory and Proposed Acquisitions:

Equipment	Inventory and Initial Costs		2025-2026 Proposed	
	Current Inventory	Procurement	Qty.	Cost Per Unit
Royal Arms International FB-82H 12 Gauge 82 Grain Flash Bang Hard Breaching Round	68	\$8.04	0	-
Royal Arms International HP Cutter 12 Gauge Hollow Point Rebar Cutter Breaching Round	100	\$9.33	0	-
Royal Arms International MB-70S 12 Gauge Muzzle Blast Flash Bang Soft Breaching Round	100	\$6.77	0	-
Royal Arms International TESCR#3 Green Cap 375 Grain Clayvon Frangible	0	\$5.00	0	-
Royal Arms International TESAR#2 Black Cap 425 Grain Copper Frangible	190	\$7.68	0	-
Royal Arms International TESAR#4 Yellow Cap 750 Grain Copper Frangible	0	\$5.00	0	-

Annual Costs:

- Consumable items utilized by non-consumable military equipment, see [Category 7b](#).

Funding Source:

- Police department general fund.

Category 8: Firearms of .50 Caliber or Greater

8a. Firearms of .50 caliber or Greater

Government Code § 7070(c)(8) defines this category as, “Firearms of .50 caliber or greater. However, standard issue shotguns are specifically excluded from this subdivision.”

The Sacramento Police Department does not possess any military equipment in this category.

DRAFT

Category 9: Ammunition of .50 Caliber or Greater

9a. Ammunition of .50 caliber or Greater

Government Code § 7070(c)(9) defines this category as, “Ammunition of .50 caliber or greater. However, standard issue shotgun ammunition is specifically excluded from this subdivision.”

The Sacramento Police Department does not possess any military equipment in this category.

DRAFT

Category 10: Specialized Firearms and Ammunition

10a. Rifles

Inventory and Proposed Acquisitions:

Equipment	Inventory and Initial Costs		2025-2026 Proposed	
	Current Inventory	Procurement	Qty.	Cost Per Unit
Colt 6920 Series Patrol Rifle	200	\$798.72	0	-
Colt M16A1 Rifle, Converted to Semi-Automatic	322	\$870.00	0	-
Colt M4 Commando 11.5" Rifle	2	\$1,315.00	0	-
DPMS AR-10, .308 Caliber Rifle, Model LR-308	1	\$1,500.00	0	-
Loyal 9 Manufacturing M4-89 LE Rifle 11.5"	18	\$2,223.00	0	-
LWRCI Rapid Engagement Precision Rifle MK11 7.62mm 20"	3	\$3,250.00	0	-

Annual Costs:

- Personnel and training costs: Approximately \$271,511.80.
- Maintenance costs: Approximately \$3,797.48.

Funding Source:

- Police department general fund.

Other Information:

- Colt M16A1 Rifles are conditionally transferred from, and are property of, the California Governor's Office of Emergency Services, Law Enforcement Support Office.

10b. Rifle Ammunition

Inventory and Proposed Acquisitions:

Equipment	Inventory and Initial Costs		2025-2026 Proposed	
	Current Inventory	Procurement	Qty.	Cost Per Unit
Federal American Eagle .223 Remington, 55 Grain Rifle Round	305,580	\$0.34	500,000	\$0.34
Federal Gold Medal .308 WIN, 168 Grain Rifle Round	140	\$0.79	0	-
Hornady .308 WIN TAP, 168 Grain ELD Match TAP AR Round	3,600	\$1.25	7,000	\$1.43
Hornady 5.56 NATO, 55 Grain FMJ Training	17,600	\$0.34	0	-
Maxim Defense 5.56x45mm, 40 Grain Frangible Training Ammunition	1,000	\$0.75	0	-
RUAG Swiss P .308 WIN, Armor Piercing FMJCH 196 Grain Rifle Round	118	\$6.00	0	-
RUAG Swiss P .308 WIN, Tactical 164 Grain Rifle Round	936	\$8.00	0	-
Speer Gold Dot .233 Remington, 62 Grain Rifle Round	245,020	\$0.52	100,000	\$0.52

Annual Costs:

- Consumable items utilized by non-consumable military equipment, see [Category 10a](#).

Funding Source:

- Police department general fund.

Basis for Proposed Acquisition

- The Sacramento Police Department has consumed much of its rifle ammunition through training. The proposed acquisitions will be used for training and to replenish duty stock upon acquisition.

Category 11: Firearms or Launchers with Explosive Projectiles

11a. Firearm or Launcher with Explosive Projectiles

Government Code § 7070(c)(11) defines this category as, “Any firearm or firearm accessory that is designed to launch explosive projectiles.”

The Sacramento Police Department does not possess any military equipment in this category.

DRAFT

Category 12: Flashbangs and Chemical Agents

12a. Flashbangs

Inventory and Proposed Acquisitions:

Equipment	Inventory and Initial Costs		2025-2026 Proposed	
	Current Inventory	Procurement	Qty.	Cost Per Unit
Combined Tactical Systems, 7290-2 Flash Bang	34	\$52.00	48	\$71.36
Combined Tactical Systems, 7290-6 Flash Bang	0	\$168.71	20	\$168.71
Combined Tactical Systems, 7290-7 Flash Bang	7	\$169.00	0	-
Combined Tactical Systems, 7290M Mini Bang	30	\$55.69	96	\$47.90

Annual Costs:

- Personnel and training costs: Approximately \$16,760.90.
- Maintenance costs: None.

Funding Source:

- Police department general fund.

Basis for Proposed Acquisition

- The Sacramento Police Department has consumed much of its flashbangs and requires replenishment. The proposed acquisitions will be used for training and when needed in critical incidents.

12b. Chemical Agents

Inventory and Proposed Acquisitions:

Equipment	Inventory and Initial Costs		2025-2026 Proposed	
	Current Inventory	Procurement	Qty.	Cost Per Unit
Combined Tactical Systems, Inc. CS Baffled Canister Grenade #5230B	47	\$41.93	0	-
Defense Technology, First Defense 1.3% MK-46V Stream OC Aerosol #43046	9	\$495.00	6	\$519.95
Defense Technology, First Defense 1.3% MK-9 Fogger OC Aerosol #43953	6	\$57.00	0	-
Defense Technology, First Defense 1.3% MK-9 Stream OC Aerosol #56895	27	\$55.00	0	-
Defense Technology, First Defense 0.4% MK-9 Stream OC Aerosol #5299	62	\$55.00	0	-
Defense Technology, Flameless Expulsion CS Grenade #2042	23	\$48.00	5	\$52.95
Defense Technology, Flameless Expulsion OC Grenade #2040	13	\$49.00	4	\$54.50
Defense Technology, Flameless Tri-Chamber CS Grenade #1032	35	\$45.00	10	\$44.50
Defense Technology, Flameless Tri-Chamber OC Grenade #1030	48	\$58.00	0	-
Defense Technology, Flameless Tri-Chamber Saf-Smoke Grenade #1033	32	\$43.00	12	\$42.50
Defense Technology, OC Aerosol Grenade 1.3% Fogger 6 Ounce #56854	18	\$22.00	0	-
Defense Technology, OC Triple-Chaser Separating Canister #1020	47	\$61.00	0	-
Defense Technology, OC Vapor Aerosol Grenade #1056	44	\$49.00	0	-
Defense Technology, Pocket Tactical Blue Smoke Grenade #1017B	10	\$39.00	0	-
Defense Technology, Riot Control Continuous Discharge Grenade CS #1082	69	\$27.00	0	-
Defense Technology, Riot Control Continuous Discharge OC Grenade #1080	108	\$41.00	0	-
Defense Technology, Triple-Chaser Separating Canister CS #1026	50	\$47.00	0	-

Annual Costs:

- Personnel and training costs: Approximately \$832.09.
- Maintenance costs: None.

Funding Source:

- Police department general fund.

Basis for Proposed Acquisition

- The Sacramento Police Department has consumed much of its chemical agents and requires replenishment. The proposed acquisitions will be used for training and when needed in critical incidents.

12c. PepperBall ProjectilesInventory and Proposed Acquisitions:

Equipment	Inventory and Initial Costs		2025-2026 Proposed	
	Current Inventory	Procurement	Qty.	Cost Per Unit
PepperBall Live Projectile	1,965	\$2.00	0	-
PepperBall Live-X Projectile	740	\$3.00	0	-
PepperBall VXR Live Projectile	1,605	\$3.96	0	-
PepperBall VXR Live-X Projectile	2,250	\$3.60	0	-

Annual Costs:

- Consumable items utilized by non-consumable military equipment, see [Category 14e](#).

Funding Source:

- Police department general fund.

Category 13: Long Range Acoustic Devices

13a. Long Range Acoustic Devices (LRAD)

Inventory and Proposed Acquisitions:

Equipment	Inventory and Initial Costs		2025-2026 Proposed	
	Current Inventory	Procurement	Qty.	Cost Per Unit
Genasys Inc. LRAD 100X MAG-HS Wireless Kit	2	\$12,650.00	0	-
Genasys Inc. LRAD 300X-RE	1	\$14,800.00	0	-
Genasys Inc. LRAD 500X-RE	1	\$23,200.00	0	-

Annual Costs:

- Personnel and training costs: Undetermined.
- Maintenance costs: Approximately \$8,754.84.

Funding Source:

- Federal Emergency Management Agency (FEMA), Urban Area Security Initiative (UASI) grant (procurement).
- Police department general fund.

Category 14: Projectile Launching Platforms and Munitions

14a. 40mm Launchers

Inventory and Proposed Acquisitions:

Equipment	Inventory and Initial Costs		2024-2025 Proposed	
	Current Inventory	Procurement	Qty.	Cost Per Unit
Defense Technology, 40mm Four Shot Launcher #1440	2	\$1,975.00	0	-
Defense Technology, 40mm Single Shot Launcher #1425	98	\$1,000.00	0	-

Annual Costs:

- Personnel and training costs: Approximately \$9,773.50.
- Maintenance costs: Approximately \$368.24.

Funding Source:

- Police department general fund.

14b. 40mm Munitions

Inventory and Proposed Acquisitions:

Equipment	Inventory and Initial Costs		2025-2026 Proposed	
	Current Inventory	Procurement	Qty.	Cost Per Unit
Defense Technology, 40mm Direct Impact OC Crushable Foam Round #6320	432	\$24.00	200	\$25.53
Defense Technology, 40mm Exact Impact Sponge Round #6325	758	\$24.00	300	\$25.53
Defense Technology, Ferret 40mm Liquid Barricade Penetrator Round CS #2262	125	\$23.00	0	-
Defense Technology, Ferret 40mm Liquid Barricade Penetrator Round, OC #2260	48	\$29.95	0	-
Defense Technology, Inert Ferret 40mm Liquid Barricade Penetrator Round #2263	0	\$24.75	0	-
Defense Technology, Spede-Heat 40mm Long Range CS #6182	35	\$30.00	0	-
Defense Technology, Spede-Heat 40mm Long Range Round Saf-Smoke #6183	17	\$27.00	0	-
Defense Technology, 40mm Round Muzzle Blast OC #6040	97	\$28.00	0	-
Defense Technology, 40mm Warning Signaling Munition #6028WS	88	\$41.00	0	-
Defense Technology, 40mm Warning/Signaling Munition with CS #6028CS	46	\$41.00	0	-
Defense Technology, 40mm Warning/Signaling Munition with OC #6028OC	47	\$41.00	0	-

Annual Costs:

- Consumable items utilized by non-consumable military equipment, see [Category 14a](#).

Funding Source:

- Police department general fund.

Basis for Proposed Acquisition

- The Sacramento Police Department has consumed much of its 40mm munitions and requires replenishment. The proposed acquisitions will be used for training and when needed in critical incidents.

Other Information:

- Current inventory is based on inspection results (department armory, station armories, and SWAT armory) and statistical sampling of regular inspections of the Office of Operations.
- Due to variance in statistical sampling of consumable items deployed within Office of Operations, future reports will account for items held in the department armory, station armories and SWAT armory.

14c. Launching Cup

Inventory and Proposed Acquisitions:

Equipment	Inventory and Initial Costs		2025-2026 Proposed	
	Current Inventory	Procurement	Qty.	Cost Per Unit
Combined Tactical Systems LC5 Launching Cup	2	\$302.00	0	-

Annual Costs:

- Personnel and training costs: Approximately \$366.96.
- Maintenance costs: None.

Funding Source:

- Police department general fund.

14d. Less Lethal Shotgun and Munitions

Inventory and Proposed Acquisitions:

Equipment	Inventory and Initial Costs		2025-2026 Proposed	
	Current Inventory	Procurement	Qty.	Cost Per Unit
Combined Tactical Systems Super Sock Bean Bag - 12 Gauge 2 3/4"	4,797	\$5.90	10,000	\$6.42
Remington Model 870, 12 Gauge Shotgun	552	\$946.00	0	-

Annual Costs:

- Personnel and training costs: Approximately \$8,874.12.
- Maintenance costs: Approximately \$2,991.95.

Funding Source:

- Police department general fund.

Basis for Proposed Acquisition

- The Sacramento Police Department has consumed much of its Super Sock Bean Bag munitions and requires replenishment. The proposed acquisitions will be used for training and when needed in critical incidents.

14e. PepperBall Launcher

Inventory and Proposed Acquisitions:

Equipment	Inventory and Initial Costs		2025-2026 Proposed	
	Current Inventory	Procurement	Qty.	Cost Per Unit
PepperBall VKS Carbine	85	\$1,349.00	0	-

Annual Costs:

- Personnel and training costs: Approximately \$5,553.13.
- Maintenance costs: Approximately \$1,841.20.

Funding Source:

- Police department general fund.

Other Costs

Inspections and Standards Team

The Inspections and Standards Team is comprised of one sergeant, one administrative analyst, one administrative technician, and one reserve officer.

The team's military equipment responsibilities include, but are not limited to, collecting and organizing all department military equipment usage and demographic data, conducting and reporting on regular inspections and audits of the department's military equipment, coordinating procurement information amongst all department offices, and drafting this report.

During this military equipment reporting period, the total salary cost of the Inspection and Standards Team for the department's military equipment inspections, coordination, and reporting was approximately \$156,968.64.

Professional Standards Unit

The Professional Standards Unit is overseen by one captain and comprised of one lieutenant, one sergeant, two officers, two administrative analysts, one administrative technician, and four reserve officers.

The unit's military equipment responsibilities include, but are not limited to, assisting with inspections and audits, verifying all department military equipment usage and demographic data, coordinating with the City Attorney's Office, and drafting the department's military equipment policy.

During this military equipment reporting period, the total salary cost of the Professional Standards Unit for the department's military equipment report assistance, data verification, and policy was approximately \$20,934.

Department Armorer

The Department Armorer is assigned to the Evidence and Property Section and is comprised of one senior evidence and property technician.

The armorer's military equipment responsibilities include, but are not limited to, maintaining the inventory of department firearms, ammunition, and munitions, completing repairs of multiple categories of department military equipment, and assisting the Inspections and Standards Team with regular department inspections and audits.

During this military equipment reporting period, the total salary cost of the Department Armorer for the department's military equipment was approximately \$9,482.69.

Use and Reporting

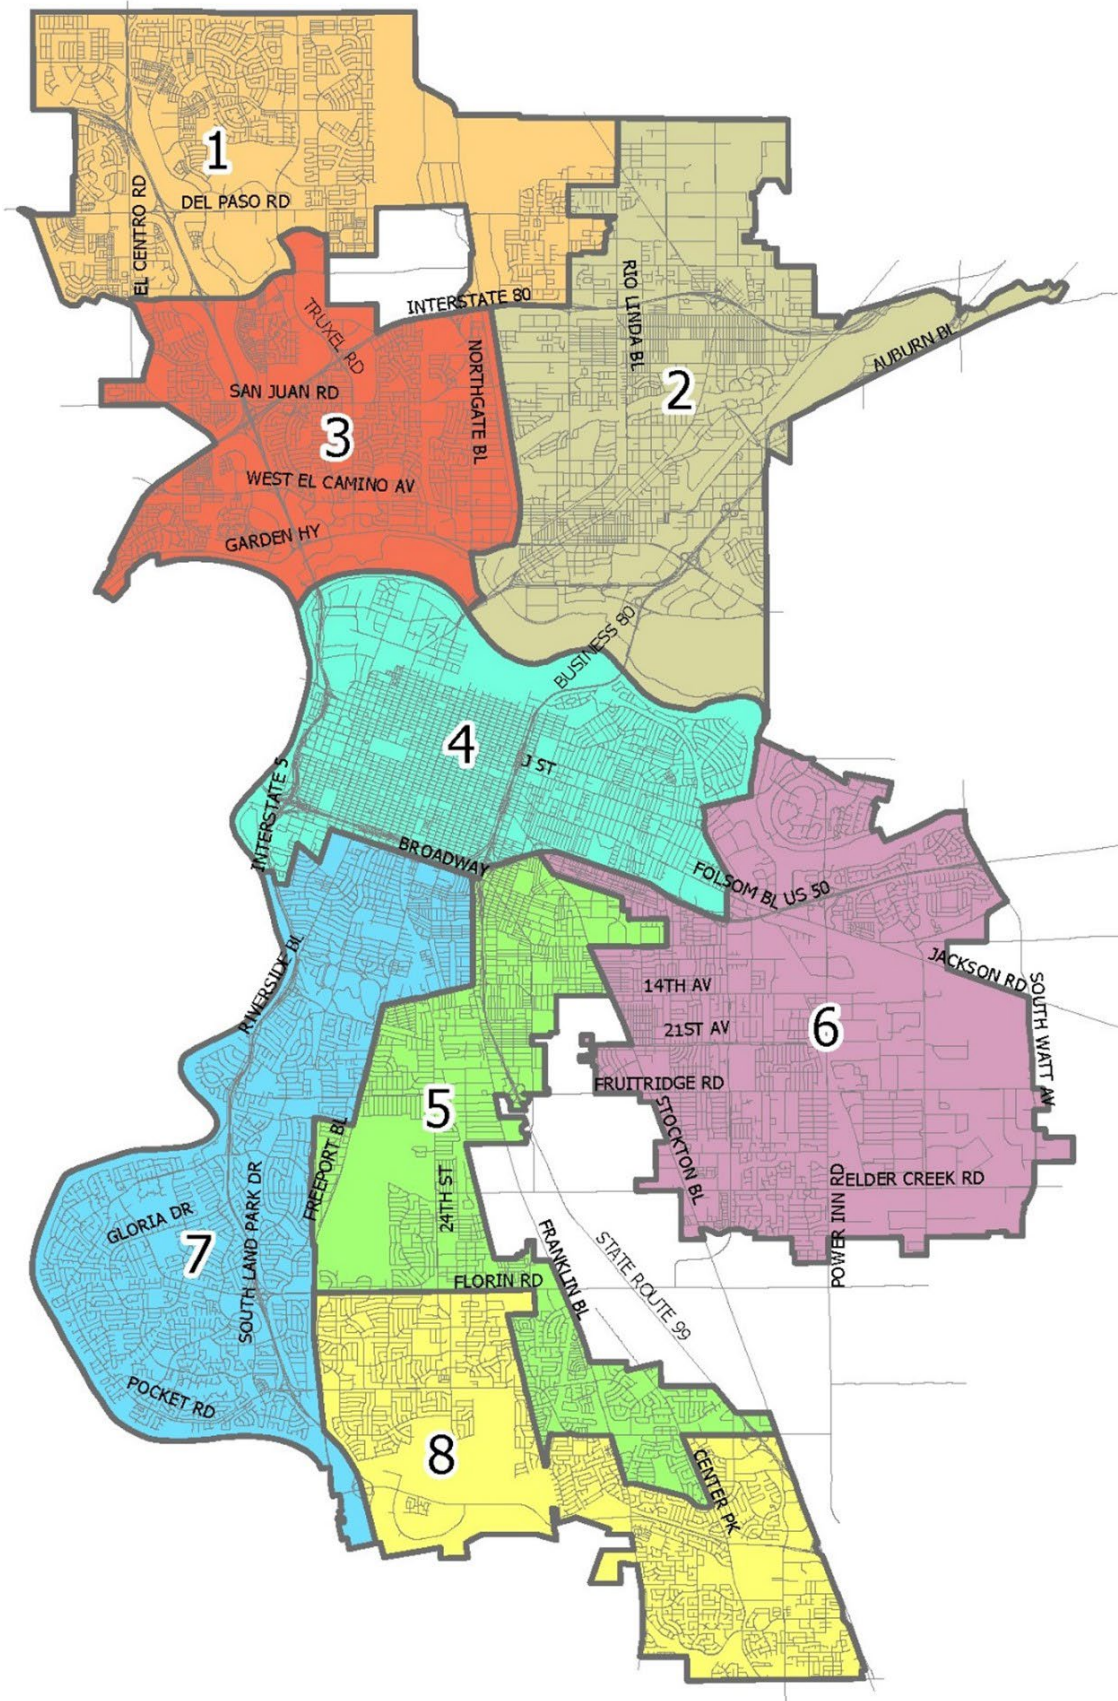

Military Equipment Use

During the current reporting period of May 1, 2024, to April 30, 2025, the department responded to 142,246 calls for service where an officer arrived at the scene and handled 57,023 officer-initiated contacts. Department military equipment was utilized during 398 incidents, which includes use at multiple locations of the same incident.

The following chart represents the total incidents of military equipment usage and the reportable use of force directly involving military equipment by City Council district, comparing data from the current reporting period of May 1, 2024, to April 30, 2025.

Complaints or Concerns

Internal Affairs Division

The Sacramento Police Department is committed to service, protection, and dedication. Portions of our commitment are focused on accountability, transparency, and trust building through the Internal Affairs Division's employee misconduct investigation process. The division receives, documents, and investigates all complaint allegations of employee misconduct.

Supervisory Staff

Department policy requires every supervisor to receive, document, and report complaint allegations of employee misconduct to the Internal Affairs Division. As such, all complaint allegations pertaining to department military equipment are fully investigated.

Community members may also express concerns related to department policy, procedures, and practices to any supervisor. Department policy also requires every supervisor to receive, document, research and log these concerns as supervisory messages.

The Inspections and Standards Team conducted 12 audits or inspections which include, but are not limited to:

- Inspection of Internal Affairs Division complaints.
- Audit of City of Sacramento, Office of Public Safety and Accountability (OPSA) complaints.
- Audit department computer-aided dispatch, supervisory messages.

Based on the Inspections and Standards Team's completed audits and inspections, the department located two (2) Internal Affairs complaints pertaining to the department's military equipment from May 1, 2024, to April 30, 2025. In both instances, the status of each case were reclassified from a complaint to a supervisory message. See section three below for further detail (Audits and Inspections, Inspection of Internal Affairs Division internal and community complaints).

For more detailed information on the department's military equipment audits and inspections, [see Audits and Inspections](#).

Audits and Inspections

Consistent with AB481, department policy authorizes the Inspection and Standards Team to perform audits and inspections under the authority of the chief of police ([General Order 340.02, Internal Inspections](#)) and requires reporting of any employee misconduct to the Internal Affairs Division ([General Order 410.06, Military Equipment Use](#)).

Internal Audits and Inspections

1. Audit of department military equipment.

Scope	Methodology
Verify existing inventory quantities, serial numbers, manufacturers, and models.	In-person inspections, online inventory forms, and statistical sampling.
Results and Actions Taken	
<ul style="list-style-type: none"> Located two (2) PepperBall launchers (purchased prior to Assembly Bill 481) and updated department inventory. Located additional PepperBall munitions (included, at no cost, by the manufacturer with procurement of new and serviced launchers) and updated department inventory. Located seven (7) additional Royal Arms International FB-82H 12 Gauge 82 Grain Flash Bang Hard Breaching Rounds and updated department inventory. Located additional Tactical Systems, 7290-7 Flash Bangs. A review determined a note taking error resulted in a reporting of four (4) items in the 2024 report. The department was in fact in possession of eleven (11). The current inventory has been confirmed at seven (7). Located additional 40mm Direct Impact OC Crushable Foam Rounds (#6320) and 40mm Exact Impact Sponge Rounds (#6325) within the Office of Operations. Future reports shall account for inventories within the department armory, station armories and SWAT armory to avoid variance in field deployed munitions. 	
Other Actions Taken	
The Inspection and Standards Team conducted training sessions, improved tracking systems and procedures, and improved accountability standards with new departmentwide audits and inspections.	

2. Inspection of department less lethal equipment (40mm launchers, PepperBall launchers, less lethal shotguns, and associated munitions).

Scope	Methodology
Determine the readiness of less lethal equipment of officers and sergeants assigned to the Office of Operations.	On-site inspections, online inventory form, and statistical sampling.
Results and Actions Taken	
<ul style="list-style-type: none"> Determined that several pieces of assigned equipment were not updated to current officers in possession (inventories updated). Determined variance in 40mm munition inventory was occurring with Office of Operations performing self-inspection. See above for future change to how 40mm munitions are inventoried. 	

Other Actions Taken
Updated equipment issuance procedure such that sergeants assigned to the Office of Operations are now issued less lethal shotguns.

3. Inspection of Internal Affairs Division internal and community complaints.

Scope	Methodology
Identify complaints reported to the Internal Affairs Division of employee misconduct pertaining to the department's military equipment.	Review all complaints that were possibly related to the department's military equipment use.
Results and Actions Taken	
<ul style="list-style-type: none"> The inspection revealed the two (2) Internal Affairs Division cases related to the department's military equipment use. In both instances, status of each case was reclassified from a complaint to a supervisory message. <ul style="list-style-type: none"> IAD2024-311, December 24th, 2024 <ul style="list-style-type: none"> Complainant advised that "drones" were following and harassing the complainant. Event was reclassified from a complaint to supervisory message ("914S"). IAD2024-064, February 16th, 2025 <ul style="list-style-type: none"> Complainant advised via email there is "a sevelance [surveillance] drone fallowing [following] me." Event was reclassified from a complaint to supervisory message ("914S"). 	
None.	

4. Inspection of City of Sacramento, Office of Public Safety and Accountability (OPSA) complaints.

Scope	Methodology
Identify complaints reported to the Office of Public Safety and Accountability of employee misconduct pertaining to the department's military equipment.	Review all complaints that were possibly related to the department's military equipment use.
Results and Actions Taken	
<ul style="list-style-type: none"> The audit did not reveal any Office of Public Safety and Accountability complaints involving department military equipment. 	
Other Actions Taken	
None.	

5. Inspection of department policies.

Scope	Methodology
Evaluate compliance of relevant laws, legislative mandates, and contemporary best practices related to the department's military equipment.	Review all general orders, reference manuals, roll call training bulletins, and departmental memorandums.
Results and Actions Taken	
<ul style="list-style-type: none"> General Order 410.06 (Military Equipment Use) was reorganized and updated in accordance with Government Code § 7070(d). 	
Other Actions Taken	
None.	

6. Inspection of Research, Development, and Training Division curriculum.

Scope	Methodology
Inspect all training curriculum relating to department military equipment for incorporation of contemporary best practices.	Review all expanded course outlines, training materials, and presentations.
Results and Actions Taken	
<ul style="list-style-type: none"> The inspection did not reveal any concerns involving the training on department military equipment. 	
Other Actions Taken	
None.	

7. Inspection of completed City of Sacramento, Travel and Training Requests.

Scope	Methodology
Identify additional annual costs pertaining to the department's military equipment.	Review all department travel and training request forms related to the department's military equipment use.
Results and Actions Taken	
<ul style="list-style-type: none"> The inspection revealed 38 military equipment related training courses that department employees attended. The results of this inspection were utilized to account for portions of the department's annual cost of military equipment use. 	
Other Actions Taken	
None.	

8. Inspection of Force Investigation Team administrative investigations of reportable use of force cases regarding officer-involved shootings, deaths in custody, and serious bodily injury.

Scope	Methodology
Identify any reportable use of force cases directly involving the use of the department's military equipment that had been investigated by the Force Investigation Team.	Review all Force Investigation Team administrative cases.
Results and Actions Taken	
<ul style="list-style-type: none"> The audit revealed no officer-involved shootings in which department military equipment was directly involved in the reportable use of force. 	
Other Actions Taken	
None.	

9. Inspection of Use of Force Review Board findings of all department reportable use of force incidents (except officer-involved shootings and deaths in custody).

Scope	Methodology
Identify any reportable use of force cases involving the direct use of department military equipment that was utilized out of policy.	Review the findings of all reportable use of force cases.
Results and Actions Taken	
<ul style="list-style-type: none"> The inspection did not reveal any incidents involving department military equipment that were determined to be in violation of department policy. 	
Other Actions Taken	
None.	

10. Inspection of City of Sacramento, Risk Management Claim forms involving the department.

Scope	Methodology
Identify any claim involving department military equipment.	Review all claim forms involving the department.
Results and Actions Taken	
<ul style="list-style-type: none"> The inspection did not reveal any claim involving department military equipment. 	
Other Actions Taken	
None.	

11. Inspection of department computer-aided dispatch, supervisory messages.

Scope	Methodology
Identify concerns reported to supervisors pertaining to the department's military equipment.	Review all supervisory messages for concerns possibly related to the department's military equipment use.
Results and Actions Taken	
<ul style="list-style-type: none"> The inspection did not reveal any supervisory messages regarding an unreported concern or complaint involving department military equipment. 	
Other Actions Taken	
None.	

12. Inspection of completed City of Sacramento Public Injury/Property Loss Reports (Form RM3).

Scope	Methodology
Identify injuries and property damage or loss pertaining to the department's military equipment.	Review all department injury or property report forms related to the department's military equipment use.
Results and Actions Taken	
<ul style="list-style-type: none"> The inspection did not reveal any violations involving department military equipment. 	
Other Actions Taken	
None.

Appendix B: Expanded Military Equipment Use

The following data represents department military equipment utilized from May 1, 2024, to April 30, 2025.

Table header information:

- Incident – Computer-aided dispatch or case number of incident.
- Police District – Geographic police district.
- Council District – Geographic city council district.
- ZIP Code – Geographic United States Postal Service ZIP code.
- Demographics – Known personal characteristics that department military equipment was used on:
 - Gender – [M]ale or [F]emale.
 - Race – [A]sian, [B]lack or African American, [H]ispanic or Latino, [M]iddle Eastern or South Asian, [N]ative American, [P]acific Islander, [W]hite, [O]ther, or [Unknown].
 - Age – Number of years since a person's birth.
 - Not applicable- Military equipment was deployed but did not involve a person.
 - Unable to locate- Subject was not located.
 - Unknown- Demographic information could not be assessed or collected.
- Equipment Used – Individual types and quantities of department military equipment utilized.
- Reason for Use – The reason department military equipment was utilized.
- Conclusion – The outcome of the incident after department military equipment was utilized.

Incident	Police District	Council District	ZIP Code	Demographics	Equipment used	Reason For Use	Conclusion
24-115624	3	4	95814	M, H, 42	Robots (1) Uncrewed Aerial System (4) Armored Vehicle (2) LRAD (1)	High-Risk Search Warrant	Arrested for felon in possession of a firearm, illegal possession of an assault weapon, prohibited person in possession of ammunition, possession of a controlled substance while armed with a loaded firearm, resisting arrest, post-release community supervision flash incarceration, possession of controlled substances without a prescription.

DRAFT

Appendix C: Response to Sacramento Community Police Review Commission Questions

On August 28th of 2024, during the adoption of the 2024 Annual Military Equipment Use Report (AMEUR), members of the Sacramento City Council directed the Sacramento Police Department to address questions from the Sacramento Community Police Review Commission (SCPRC). The Sacramento Police Department is prepared to answer each question as it pertains to proposed acquisitions of items of military equipment within their respective category.

Category 1: Robots and Uncrewed Aerial Systems

Question #1:

What situations is the requested equipment necessary for safeguarding the safety of both officers and members of the public? How will its deployment or use accomplish this objective?

SPD Response:

Category 1 equipment is used in accordance with General Order 525.09 (Uncrewed Aerial Systems (UAS)). General Order 525.09 states “It shall be the policy of the Sacramento Police Department to utilize Uncrewed Aerial Systems (UAS) for official law enforcement purposes to increase the efficiency and effectiveness of public safety efforts in a manner that safeguards the privacy of our community. Safety and privacy shall be the primary concern in each and every operation. Use of a UAS will be in strict accordance with state and federal laws and in compliance with the Federal Aviation Administration (FAA) and city regulations. For the purposes of this order, the designee for the chief of police shall be either a lieutenant assigned to the Metro Division or the Metro Division Captain.”

Question #2:

Why is this equipment necessary to purchase within the current fiscal year? How many times was this type of equipment used within most recent annual reporting period?

SPD Response: The proposed acquisitions serve to replace items that have reached or exceeded their service life. Some of the proposed items contain updated technology that allow them to function for longer durations, with enhanced capabilities allowing SPD to better serve the public.

Category 1 items were utilized 578 times during the current reporting period of May 1, 2024 to April 30, 2025.

Question #3:

What, if any, reasonable alternatives to this equipment were explored that may achieve the same objective of both officer and civilian safety? What were the costs compared with the requested equipment?

SPD Response:

Category 1 systems are constantly improving and growing more technologically advanced. In coordination with department subject matter experts and best practices, the SPD continuously evaluates available Category 1 systems available to purchase from a variety of vendors. The items proposed in this year’s AMEUR represent items the SPD has determined to be capable of effectively fulfilling the authorized deployment situations outlined in General Order 525.09.

The annual cost for Category 1 systems can be seen in the AMEUR (Category 1) along with a breakdown of the initial cost, current cost and how many proposed acquisitions there were of each item.

Question #4:

What Police Department policies govern the deployment or use of the requested equipment? How do these policies serve to safeguard the public's civil rights and civil liberties from potential misuses of the equipment?

SPD Response:

Deployment of Category 1 items are in accordance with General Order 410.06 (Military Equipment Use) and General Order 525.09 (Uncrewed Aerial Systems). Per General Order 410.06 "It shall be the policy of the SPD to utilize military equipment to ensure the full protection of the public's welfare, safety, civil rights, and civil liberties. All military equipment shall be used in accordance with this order and other associated SPD orders and manuals that provide greater detail of authorized uses of department military equipment." Per General Order 525.09, "It shall be the policy of the Sacramento Police Department to utilize Uncrewed Aerial Systems (UAS) for official law enforcement purposes to increase the efficiency and effectiveness of public safety efforts in a manner that safeguards the privacy of our community. Safety and privacy shall be the primary concern in each and every operation. Use of a UAS will be in strict accordance with state and federal laws and in compliance with Federal Aviation Administration (FAA) and city regulations."

Question #5:

What (if any) complaints or misuses related to the requested type of military equipment have been reported to the Police Department or the Office of Public Safety and Accountability? Is there any pending litigation that has named the Police Department concerning the misuse of this equipment?

SPD Response:

SPD received two (2) complaints pertaining to the use of this category of equipment (See 2024-2025 AMEUR, Audits and Inspection). Requests regarding pending litigation regarding the Police Department and any misuses of this equipment can be made to the Sacramento City Attorney's Office.

Question #6:

In response to sustained complaints or litigation settlements, what changes, if any, were made in Department policies to prevent misuse? How will these changes ensure future compliance?

SPD Response:

SPD cannot comment on sustained complaints or litigation settlements. Any additional requests or details regarding sustained complaints or litigation settlements should be made to the Sacramento City Attorney's Office. The SPD is continually updating its policies and inspections related to MEU in accordance with state law and best practice. See the City Auditors' recommendations in their May 2025 report on SPD's military equipment use policy and inventory practices and SPD's response.

Category 7: Explosive Breaching Apparatuses

Question #1: What situations is the requested equipment necessary for safeguarding the safety of both officers and members of the public? How will its deployment or use accomplish this objective?

SPD Response:

Category 7 equipment is utilized for explosive breaching by the departments EOD and SWAT team during critical incidents, and for demolition of other dangerous explosives encountered during EOD call-outs in accordance with department General Orders 580.15 (Special Weapons and Tactics), Reference Manual 532.16 (Bomb Squad Manual), and Reference Manual 532.08 (SPD Hostage Manual)

Question #2: Why is this equipment necessary to purchase within the current fiscal year? How many times was this type of equipment used within most recent annual reporting period?

SPD Response:

Many of the proposed acquisitions serve to replace items that have been depleted during training. SPD is endeavoring to utilize new models of explosive breaching apparatuses in order to further ensure public and officer safety.

Category 7 items were not utilized during the 2025 AMEUR period.

Question #3: What, if any, reasonable alternatives to this equipment were explored that may achieve the same objective of both officer and civilian safety? What were the costs compared with the requested equipment?

SPD Response:

In coordination with department subject matter experts and best practices, the SPD continuously evaluates available Category 7 equipment available to purchase from a variety of vendors. The items proposed in this year's AMEUR represent items the SPD has determined to be capable of effectively fulfilling the authorized deployment situations outlined in General Orders 580.15 (Special Weapons and Tactics), Reference Manual 532.16 (Bomb Squad Manual), and Reference Manual 532.08 (SPD Hostage Manual).

The proposed acquisitions allow SPD to remain in compliance with the national and regional standards for this equipment type use.

Question #4: What Police Department policies govern the deployment or use of the requested equipment? How do these policies serve to safeguard the public's civil rights and civil liberties from potential misuses of the equipment?

SPD Response:

Deployment of Category 1 items is in accordance with General Order 410.06 (Military Equipment Use) and General Order 580.15 (Special Weapons and Tactics).

SPD Bomb Squad Manual (RM 632.16) states, "All explosives shall be handled by members of the Department Bomb Squad. The Department's goal is to protect lives and property and to minimize the impact these incidents have on the community."

SPD Hostage Manual (RM 532.08), "It is the policy of the Sacramento Police Department to maintain training, policy, and procedure to ensure hostage incidents are handled in a safe and professional manner. Our goal is to save the lives of officers, citizens and suspects involved in these incidents. Additionally, our goal is to minimize the impact these incidents have on the community. With periodic training and reference to this manual, hostage incidents should be easier to control."

Question #5: What (if any) complaints or misuses related to the requested type of military equipment have been reported to the Police Department or the Office of Public Safety and Accountability? Is there any pending litigation that has named the Police Department concerning the misuse of this equipment?

SPD Response:

SPD received no complaints pertaining to the use of this category of equipment (See 2024-2025 AMEUR, Audits and Inspection). SPD cannot comment on pending litigation. Any additional requests or details should be made of the Sacramento City Attorney's Office.

Question #6: In response to sustained complaints or litigation settlements, what changes, if any, were made in Department policies to prevent misuse? How will these changes ensure future compliance?

SPD Response:

SPD cannot comment on sustained complaints or litigation settlements. Any additional requests or details should be made of the Sacramento City Attorney's Office. The SPD is continually updating its policies and inspections related to MEU in accordance with state law and best practice. . See the City Auditors' recommendations in their May 2025 report on SPD's military equipment use policy and inventory practices and SPD's response

Category 10: Specialized Firearms and Ammunition

Question #1: What situations is the requested equipment necessary for safeguarding the safety of both officers and members of the public? How will its deployment or use accomplish this objective?

SPD Response:

SPD continues to evaluate its training in the use of firearms and the associated financial costs associated with ammunition consumption. POST mandated training cycles and industry standards dictate a large portion of the annual consumption of ammunition.

SPD General Order 580.02 states, "The Sacramento Police Department (SPD) values the sanctity of human life and the freedoms guaranteed by the United States and California constitutions. Use of force (UOF) by peace officers is of important concern to the community. The role of law enforcement is to safeguard life, dignity, and liberty of all persons, without prejudice to anyone. Peace officers shall carry out duties, including UOF, in a manner that is fair and unbiased. This policy will be regularly reviewed and updated by the Professional Standards Division to reflect developing practices and procedures. It is the policy of the Department that a peace officer is justified in using deadly force upon another person only as a last resort when reasonable alternatives have been exhausted or are not feasible and the officer reasonably believes, based on the totality of the circumstances, that such force is necessary."

Question #2: Why is this equipment necessary to purchase within the current fiscal year? How many times was this type of equipment used within most recent annual reporting period?

SPD Response:

Many of the proposed acquisitions serve to replace items that have been depleted during training. No new makes or models are proposed for acquisition.

Category 10 items were not utilized during the current reporting period of May 1, 2024, to April 30, 2025.

Question #3: What, if any, reasonable alternatives to this equipment were explored that may achieve the same objective of both officer and civilian safety? What were the costs compared with the requested equipment?

SPD Response:

In coordination with department subject matter experts and industry best practices, the SPD continuously evaluates available Category 10 equipment available to purchase from a variety of vendors. The items proposed in this year's AMEUR represent items the SPD has determined to be capable of effectively fulfilling the authorized deployment situations outlined in General Orders 580.02 (Use of Force) and 580.04 (Firearms).

Question #4: What Police Department policies govern the deployment or use of the requested equipment? How do these policies serve to safeguard the public's civil rights and civil liberties from potential misuses of the equipment?

SPD Response:

SPD General Order 580.02 (Use of Force) and 580.04 (Firearms) pertain directly to these proposed items of acquisition. For further detail, please reference the response to question #1.

Question #5: What (if any) complaints or misuses related to the requested type of military equipment have been reported to the Police Department or the Office of Public Safety and Accountability? Is there any pending litigation that has named the Police Department concerning the misuse of this equipment?

SPD Response:

SPD received no complaints pertaining to the use of this category of equipment (See 2025 AMEUR, Audits and Inspection). SPD cannot comment on pending litigation. Any additional requests or details should be made of the Sacramento City Attorney's Office.

Question #6: In response to sustained complaints or litigation settlements, what changes, if any, were made in Department policies to prevent misuse? How will these changes ensure future compliance?

SPD Response:

SPD cannot comment on sustained complaints or litigation settlements. Any additional requests or details should be made of the Sacramento City Attorney's Office. The SPD is continually updating its policies and inspections related to MEU in accordance with state law and best practice. See the City Auditors' recommendations in their May 2025 report on SPD's military equipment use policy and inventory practices and SPD's response

Category 12: Flashbangs and Chemical Agents

Question #1: What situations is the requested equipment necessary for safeguarding the safety of both officers and members of the public? How will its deployment or use accomplish this objective?

SPD Response:

Category 12a equipment is used by trained officers in accordance with General Order 580.16 (SWAT Diversionary Devices).

Category 12b equipment is used in accordance with General Order 580.02 (Use of Force), 580.12 (Less Lethal Weapons Systems), Reference Manual 580.07 (Chemical Agents Manual), and Reference Manual 532.11 (First Amendment Assembly Manual).

Question #2: Why is this equipment necessary to purchase within the current fiscal year? How many times was this type of equipment used within most recent annual reporting period?

SPD Response:

The proposed acquisitions serve to replace items that have been depleted during training and field use.

Category 12a items were utilized 39 times during the 2024-2025 AMEUR period.

Category 12b items were utilized 15 times during the 2024-2025 AMEUR period.

Question #3: What, if any, reasonable alternatives to this equipment were explored that may achieve the same objective of both officer and civilian safety? What were the costs compared with the requested equipment?

SPD Response:

In coordination with department subject matter experts and industry best practices, the SPD continuously evaluates available Category 12 equipment available to purchase from a variety of vendors. The items proposed in this year's AMEUR represent items the SPD has determined to be capable of effectively fulfilling the deployment authorizations and prohibitions in accordance with General Order 580.02 (Use of Force), General Order 580.15 (Special Weapons and Tactics [SWAT] Team), Reference Manual 532.11 (First Amendment Assembly Manual), and Reference Manual 580.07 (Chemical Agents Manual).

Question #4: What Police Department policies govern the deployment or use of the requested equipment? How do these policies serve to safeguard the public's civil rights and civil liberties from potential misuses of the equipment?

SPD Response:

Use of Category 12 equipment shall comply with the authorizations and prohibitions in accordance with General Order 580.02 (Use of Force), General Order 580.12 (Less Lethal Weapons Systems), General Order 580.15 (Special Weapons and Tactics [SWAT] Team), Reference Manual 532.11 (First Amendment Assembly Manual), and Reference Manual 580.07 (Chemical Agents Manual).

Question #5: What (if any) complaints or misuses related to the requested type of military equipment have been reported to the Police Department or the Office of Public Safety and Accountability? Is there any pending litigation that has named the Police Department concerning the misuse of this equipment?

SPD Response:

SPD received no complaints pertaining to the use of this category of equipment (See 2025 AMEUR, Audits and Inspection). SPD cannot comment on pending litigation. Any additional requests or details should be made of the Sacramento City Attorney's Office.

Question #6: In response to sustained complaints or litigation settlements, what changes, if any, were made in Department policies to prevent misuse? How will these changes ensure future compliance?

SPD Response:

SPD cannot comment on sustained complaints or litigation settlements. Any additional requests or details should be made of the Sacramento City Attorney's Office. The SPD is continually updating its policies and inspections related to MEU in accordance with state law and best practice. See the City Auditors' recommendations in their May 2025 report on SPD's military equipment use policy and inventory practices and SPD's response

Category 14: Projectile Launching Platforms and Munitions

Question #1: What situations is the requested equipment necessary for safeguarding the safety of both officers and members of the public? How will its deployment or use accomplish this objective?

SPD Response:

SPD General Order 580.12 (Less Lethal Weapon System) states, "It shall be the policy of the Sacramento Police Department to deploy and use less lethal weapon systems as instructed in department training in order to maximize the safety of all individuals involved in an incident."

Question #2: Why is this equipment necessary to purchase within the current fiscal year? How many times was this type of equipment used within most recent annual reporting period?

SPD Response:

The proposed acquisitions serve to replace items that have been depleted during training and field use. No new makes or models are proposed for acquisition.

Category 14 items were utilized 101 times during the 2024-2025 AMEUR period.

Question #3: What, if any, reasonable alternatives to this equipment were explored that may achieve the same objective of both officer and civilian safety? What were the costs compared with the requested equipment?

SPD Response:

In coordination with department subject matter experts and industry best practices, the SPD continuously evaluates available Category 14 equipment available to purchase from a variety of vendors. The items proposed in this year's AMEUR represent items the SPD has determined to be capable of effectively fulfilling the deployment authorizations and prohibitions in accordance with General Order 580.02 (Use of Force), General Order 580.15 (Special Weapons and Tactics [SWAT] Team), Reference Manual 532.11 (First Amendment Assembly Manual), and Reference Manual 580.07 (Chemical Agents Manual).

Question #4: What Police Department policies govern the deployment or use of the requested equipment? How do these policies serve to safeguard the public's civil rights and civil liberties from potential misuses of the equipment?

SPD Response:

Use of Category 14 equipment shall comply with the authorizations and prohibitions in accordance with General Order 580.02 (Use of Force), General Order 580.12 (Less Lethal Weapons Systems), and General Order 410.06 (Military Equipment Use)

Question #5: What (if any) complaints or misuses related to the requested type of military equipment have been reported to the Police Department or the Office of Public Safety and Accountability? Is there any pending litigation that has named the Police Department concerning the misuse of this equipment?

SPD Response:

SPD received no complaints pertaining to the use of this category of equipment (See 2025 AMEUR, Audits and Inspection). SPD cannot comment on pending litigation. Any additional requests or details should be made of the Sacramento City Attorney's Office.

Question #6: In response to sustained complaints or litigation settlements, what changes, if any, were made in Department policies to prevent misuse? How will these changes ensure future compliance?

SPD Response:

SPD cannot comment on sustained complaints or litigation settlements. Any additional requests or details should be made of the Sacramento City Attorney's Office. The SPD is continually updating its policies and inspections related to MEU in accordance with state law and best practice. See the City Auditors' recommendations in their May 2025 report on SPD's military equipment use policy and inventory practices and SPD's response.
