

SACRAMENTO POLICE DEPARTMENT GENERAL ORDERS

410.06 MILITARY EQUIPMENT USE 5/28/2025

PURPOSE

The purpose of this order is to provide guidelines for the approval, acquisition, and reporting requirements of military equipment (Government Code §§ 7070-7072) for the Sacramento Police Department (SPD).

POLICY

It shall be the policy of the SPD to utilize military equipment to ensure the full protection of the public's welfare, safety, civil rights, and civil liberties. All military equipment shall be used in accordance with this order and other associated SPD orders and manuals that provide greater detail of authorized uses of department military equipment.

PROCEDURE

A. DEFINITIONS

1. ANNUAL COSTS – The approximate and applicable total of acquisition, personnel, training, transportation, maintenance, storage, upgrade, or other ongoing costs.
2. ANNUAL MILITARY EQUIPMENT REPORT – Publicly available annual report on SPD's military equipment, in accordance with Government Code § 7072.
3. AUTHORIZED USERS – SPD employees who have successfully completed all required training, licensing, certification, or testing to utilize SPD's equipment.
4. GOVERNING BODY – City of Sacramento city council and mayor, in accordance with Government Code § 7070(a).
5. INCIDENT COMMANDER – The watch commander (lieutenant) of a shift, or designee, that shall have authority to utilize department resources to resolve an incident (until completion or until relieved).
6. MILITARY EQUIPMENT – All SPD military equipment defined in Government Code § 7070(c)(1)-(16). Hereinafter, each type of military equipment shall be referred to as numbered categories that correspond to the numbered Government Code definition paragraphs.
7. MILITARY EQUIPMENT USE POLICY – Publicly available, written document (this order – General Order 410.06 [Military Equipment Use]) governing SPD's use of military equipment, in accordance with Government Code § 7070(d).

B. GENERAL

1. The reporting period of SPD's annual military equipment report is from May 1, 2024, to April 30, 2025.

C. APPROVAL FOR ACQUISITION AND USE

1. In accordance with Government Code § 7071(a)(1), SPD shall obtain approval (ordinance adoption) from the governing body prior to:
 - a. Requesting, borrowing, or acquiring military equipment.
 - b. Seeking any type of funding for department military equipment.
 - c. Collaborating with another law enforcement agency in the deployment or use of military equipment
 - d. Utilizing new or existing department military equipment in a manner or by a person not previously approved.
 - e. Soliciting or responding to a proposal for military equipment whether individually or jointly with another person or agency.
 - f. Acquiring any military equipment through any means not provided by Government Code § 7071(a)(1).

D. AUTHORIZED USES OF MILITARY EQUIPMENT

1. The use of all SPD military equipment shall be in accordance with:
 - a. This order, only after approval and ordinance adoption by the governing body.
 - b. Specific orders and manuals governing the use of each type of military equipment.
2. SPD's military equipment shall only be utilized for official law enforcement purposes and in accordance with state and federal law.

E. COMPLIANCE

1. In accordance with General Order 340.02 (Internal Inspections), the SPD Inspection and Standards

SACRAMENTO POLICE DEPARTMENT

GENERAL ORDERS

Team shall ensure compliance of SPD's military equipment use and be responsible for the following:

- a. Conducting an annual inspection and audit of all SPD military equipment.
 - b. Organizing and drafting SPD's annual military equipment use report.
 - c. Collaborating with the SPD Policy Team in the drafting of SPD's annual military equipment use policy.
 - d. Report any violations of this order to the chief of police through the chain of command.
 - e. If appropriate, report any employee misconduct to the Internal Affairs Division and the employee's chain of command.
2. In accordance with General Order 220.01 (Personnel Complaints) and Reference Manual 220.01 (Internal Investigations Manual), the Internal Affairs Division shall:
- a. Receive and investigate all personnel complaints, including violations of SPD's military equipment use.

F. MILITARY EQUIPMENT

1. In accordance with Government Code § 7070(d)(1)-(5), Appendix A includes the following information for each type of SPD's military equipment:
 - a. Description to include quantity sought (proposed acquisition), capabilities, expected lifespan, and manufacturer product descriptions websites.
 - b. Purpose and authorized uses.
 - c. Fiscal impact to include initial and estimated annual cost (based on the current reporting period).
 - d. Legal and procedural rules that govern all authorized uses of department military equipment.
 - e. Required training and courses required prior to an employee's authorized use of department military equipment.

G. INDEPENDENT OVERSIGHT ENTITIES

1. In accordance with Government Code § 7070(d)(6), the following entities shall have independent oversight authority of SPD's military equipment use policy:
 - a. Governing body.
 - b. Office of Public Safety Accountability, in accordance with Sacramento City Code Chapter 2.22 (Office of Public Safety Accountability).

H. REVIEW AND RECOMMENDATION ENTITY

1. The following entity may advise and make recommendations to the city council regarding SPD's military equipment use policy:
 - a. Sacramento Community Police Review Commission, in accordance with Sacramento City Code Chapter 2.110 (Sacramento Community Police Review Commission).

I. COMPLAINTS AND CONCERNS

1. In accordance with Government Code § 7070(d)(7), any member of the public may submit a complaint, concern, or question regarding SPD's military equipment use to any of the following:
 - a. An on-duty supervisor or watch commander via SPD's non-emergency telephone number (916-808-5471).
 - b. The Professional Standards Unit's Inspection and Standards Team via telephone (916-808-3790) or email (spdpsu@cityofsacramento.org).
 - c. The Internal Affairs Division via telephone (916-808-2290) or email (iaconcerns@pd.cityofsacramento.org).
2. All SPD employees shall receive any SPD military equipment use complaint, concern, or question and forward it to the appropriate SPD unit.
3. SPD units receiving any SPD military equipment use complaint, concern, or question shall respond in a timely manner.
4. Violations of this order or any other order or manual (including SPD's military equipment use) could result in discipline, up to and including, termination, in accordance with General Order 220.01 (Personnel Complaints) and Reference Manual 220.01 (Internal Investigations Manual).

SACRAMENTO POLICE DEPARTMENT GENERAL ORDERS

MILITARY EQUIPMENT USE, APPENDIX A

Category 1: Robots and Uncrewed Aerial Systems

1a. Robots

Annual Cost: Approximately \$54,512.36

ECX Temper Gen2 4WD			
Initial Cost	Current Cost	Proposed Acquisitions	Lifespan
\$159.00	\$0.00	0	8-10 years
Description			
A remote-controlled, uncrewed vehicle that operates on the ground. Modified and equipped by the department with a camera.			
Purpose and Capabilities		Required Training	
Remotely gain visual-only data (color video), deliver Crisis Negotiations Team phone or other items, move objects, deploy hollow spike strips, and check on a person or identify hazards before entry into an area.		Department Uncrewed Aerial Systems operations training and recurring unit training.	
Authorized Uses, Legal, and Procedural Rules			
Authorized users working under the direction of the incident commander. Use of this equipment shall comply with the authorizations and prohibitions in accordance with General Order 525.09 (Uncrewed Aerial Systems). SPD Policy and Procedures

SACRAMENTO POLICE DEPARTMENT GENERAL ORDERS

Category 11: Firearms or Launchers with Explosive Projectiles

Government Code § 7070(c)(11) defines this category as, "Any firearm or firearm accessory that is designed to launch explosive projectiles."

The Sacramento Police Department does not possess any military equipment in this category.

SACRAMENTO POLICE DEPARTMENT

GENERAL ORDERS

Category 12: Flashbangs and Chemical Agents

12a. Flashbangs

Annual Cost: Approximately \$16,760.90

Combined Tactical Systems, 7290-2 Flash Bang			
Initial Cost	Current Cost	Proposed Acquisitions	Lifespan
\$52.00	\$71.36	48	5 years
Description			
Non-bursting non-fragmenting device that produces two distractions (loud bangs and bright lights).			
Purpose and Capabilities		Required Training	
Utilized by SWAT and the Canine Unit to distract a subject during SWAT hostage rescues, room entries, or other high-risk situations. Capable of producing atmospheric over-pressure and bright light that produces a short-term disorientation of subjects.		SWAT diversionary device training.	
Authorized Uses, Legal, and Procedural Rules			
Authorized SWAT and Canine Unit users working under the direction of the incident commander or SWAT commander. Use of this equipment shall comply with the authorizations and prohibitions in accordance with General Order 580.15 (Special Weapons and Tactics [SWAT] Team), and General Order 580.16 (SWAT Diversionary Devices [Flash Bangs]). \$12,650.00	\$0.00	0	25 years
Description			
A device with a high-intensity, directional acoustical array for long-range communication.			
Purpose and Capabilities		Required Training	
Utilized to provide clear public address announcements during Crisis Negotiations Team incidents and training, civil emergencies, natural disasters, evacuations, and other police events. Capable of communicating voice input or pre-recorded audio at a maximum range of 600 meters or an operational range of 250 meters with background noise over 88 decibels.		Department long range acoustic device training.	
Authorized Uses, Legal, and Procedural Rules			
Authorized users working under the direction of the incident commander, Crisis Negotiations Team commander, or during other police events. Use of this equipment shall comply with the authorizations and prohibitions in accordance with General Order 532.09 (Assignment of Hostage Negotiators), General Order 580.17 (Use of the Long Range Acoustic Device [LRAD]), and Reference Manual 532.11 (First Amendment Assembly Manual). GENERAL ORDERS

Category 14: Projectile Launching Platforms and Munitions

14a. 40mm Launchers

Annual Cost: Approximately \$10,141.74

Defense Technology, 40mm Four Shot Launcher #1440			
Initial Cost	Current Cost	Proposed Acquisitions	Lifespan
\$1,975.00	\$0.00	0	15 years
Description			
A four-shot launcher that utilizes 40mm munitions as a less lethal weapons system.			
Purpose and Capabilities		Required Training	
Utilized by SWAT to launch 40mm munitions from four pump-action cylinders and with varying purposes, capabilities, and effective range distances according to the type of munition.		Department less lethal training, bi-annual less lethal training, and SWAT chemical agents training for specific types of 40mm munitions.	
Authorized Uses, Legal, and Procedural Rules			
Authorized SWAT users working under the direction of the incident commander or SWAT commander. Use of this equipment shall comply with the authorizations and prohibitions in accordance with General Order 580.02 (Use of Force), General Order 580.12 (Less Lethal Weapons Systems), General Order 580.15 (Special Weapons and Tactics [SWAT] Team), General Order 580.16 (SWAT Diversionary Devices [Flash Bangs]), Reference Manual 532.11 (First Amendment Assembly Manual), and Reference Manual 580.07 (Chemical Agents Manual).
