Live reconstruction

Live reconstruction was accomplished by placing a 3ft long piece of doweling in the holes made by the bullets. A line was then attached to the end of the dowel. The line was drawn taut parallel to the direction of the dowel. The dowels were placed through fencing material of redwood 7/8 in thick, pine 2x4s & 4x4s, & lastly the exterior siding of the N wall of the house at [Redacted] Golden Field. Seven areas from which shots could have originated were located & marked A through G (see diagrams). Live reconstruction is not an attempt to locate the exact positions of any persons at the time a shot is fired. It does suggest possible positions at the time the shots are fired.

Below is a list of Position & diagram which pertain to that positions:  
Position

- A) fence W side rear yard [Redacted] Francisican (Officer)
- B) Opening of gate E side [Redacted] Golden Field (Officer)
- C) E of gate opening described in "B". (Officer)
- D) E of fence (NE corner of [Redacted] G.F.) to gate opening (Off)
- E) E of position D between N wall [Redacted] G.F. & Shed. (Officer)
- F) S side Chev PU & Camper shell (Officer)
- G) NE corner rear yard [Redacted] G.F. (Suspect)

There was a bullet (Copper Jacketed) located in the S side of the fence on the N side of the rear yard [REDACTED] GF (See diagram "J"). I could make no determination as to its origin. There was no exit hole on the N side of the fence N side of yard [REDACTED] GF. I was able to place a dowel through the fence, through a 2x4,  $\frac{1}{4}$  into a 4x4 post, but I was unable to locate an entrance hole on the (S) [REDACTED] GF side of the fence.

There were 2 entrance holes on the S side of the fence along the N side of the rear yard of [REDACTED] GF. There were no exit holes on the N side of that fence. These were from 7, 8 or 9.

The three residences are separated by six foot wooden fences. The main residence, [redacted] Golden Field Way, faces east and is located at the corner of Valley Vale to the south and Golden Field Way to the east. The shooting took place at the rear yard of [redacted] Golden Field Way.

Upon arriving at the crime scene, R/O observed several Uniformed Police Officers, Squad Cars and Sacramento Fire Department Personnel and Equipment. At least two large Sacramento Fire Department vehicles were parked in front of the residence, [redacted] Golden Field Way for the purpose of illuminating the front of [redacted] Golden Field Way. R/O observed a yellow, Police Crime Scene tape cordoning off the entire front residence and extending to the side of [redacted] Golden Field Way. Additional perimeter tape was observed to the rear of residence [redacted] Franciscan, which is located directly behind (west of [redacted] Golden Field Way).

R/O, along with Sergeant Mitchell, proceeded to the main crime scene by way of walking to the south end of Golden Field Way, proceeding west toward the rear yard, and as R/O approached the area where the shooting took place, R/O could detect a familiar irritating gas in the air, similar to tear gas.

R/O also met with Mr. Jerry Roberts, a District Attorney Investigator, who was on the scene prior to R/O's arrival.

R/O was advised that the suspect was already taken from the scene.

R/O was advised that the resident of [redacted] Golden Field Way is a [redacted], phone [redacted].

Part 1 of the crime scene will be described by R/O Lee, consisting of the main crime scene, rear yard of [redacted] Golden Field Way and the rear yard of [redacted] Franciscan.

Part 2, which consists of the driveway of [redacted] Golden Field Way and the numerous objects on it (i.e. camper shell, tool shed, and vehicles), which leads to the west side of the fence where the shooting took place and also the rear yard of [redacted] Golden Field, will be conducted by Detective Azevedo.

SPECIFIC CRIME SCENE/SHOOTING AREA:

The main shooting area consists of the rear yard of [redacted] Golden Field Way. This rear yard is located at the northwest end of the property. It is a continuation of the driveway which runs along the north end (runs east and west) of [redacted] Golden Field Way. The rectangular shaped grassy yard, which runs east and west, measures approximately sixteen feet in width by twenty-five feet in length. R/O observed numerous items, including shrubbery and trees, in this area.

R/O noted a green and yellow bush, approximately eight to nine feet in height, at the northeast corner of this yard, with approximately two feet clearing underneath. As R/O peered underneath this bush, R/O could see, what appeared to be, a dark colored semi-automatic handgun laying on the ground. There was also blood on the ground closer to the northwest corner of the fence. There was also a pair of sunglasses in this area. The pistol appeared to be pointing in a northeast direction, approximately one foot from the corner of the fence.

There was a wooden tree stump located approximately six feet from the corner, at about two and a half feet high. This yard also contained numerous pieces of wood that were scattered about the north part of the yard near the gate, which leads out into the driveway. The entire yard contains a six foot wooden fence around the west side of the yard, as well as the south portion of the yard. The south section of the yard is a portion of the residence which contains a sliding window in the middle of the structure. The fence, which runs along the east end of this portion of the yard, is approximately four feet high with a swing like gate toward the middle and a metal latch with no security type locking mechanism.

The entire yard is covered with a lawn. Near the center of the yard, R/O observed approximately a four foot diameter hole, which appeared to have been where a tree may have been. This hole was approximately six to eight inches (sunken in).

A metal like shed was observed at the north side of the yard containing wood. This metal type shed is approximately eight feet in length by four feet in height. Just west of this structure, R/O observed six air conditioning, commercial type ducts

in various lengths (mostly in two to three foot lengths) laying on the ground and mainly in the northwest corner of the yard. Also in this area of the yard, R/O observed two large evergreen type bushes ranging in heights from six to eight feet in height and several bamboo like bushes in between the six and eight foot high bushes extending as far as twenty feet in height.

R/O observed several Fire Department lighting fixtures illuminating this area and they were placed toward the middle of the yard. R/O also noticed several numerical yellow markers that were left by CSI Officers, indicating the area where the gun and sunglasses were located.

The several pieces of wood that were scattered about the east end of the yard, contained possible blood.

As indicated, there were two access ways to the rear yard: One way to gain entry into the main crime scene is from the south end of residence. One can proceed from the front portion of the residence and walk along the side yard proceeding toward the rear in a westerly direction. The other entry is gained through the concrete driveway composed of concrete as well as a grassy area to be described by Detective Azevedo in Part 2 of his crime scene.

The southwest end of the residence, which is a narrow grassy area leading to the main crime scene contained many bushes and six foot fence that runs north and south. Two empty gas cannisters were observed: One canister was located on the grassy area just west of the rear yard concrete pad. Another CS canister was observed about seven and a half feet west of the rear portion of the residence and about four inches from the six foot wooden fence dividing the main residence from Franciscan.

2205 hours, R/O met with the residents of Franciscan, who identified themselves as [redacted] and [redacted], phone [redacted]. Mr. and Mrs. [redacted] advised R/O that no one was home at the time of the shooting, and they had just returned after the shooting occurred. The [redacted] could not provide any information as they were absent during the incident. The [redacted] residence, Franciscan, is a single family stucco residence, located directly west of the main residence.

R/O concentrated a search for any evidence (slugs) at the rear yard of this residence as well as the area running along the nor. side of the residence. The residence rear yard is cordoned off with a six foot wooden fence. There is several large trees in this yard. A small brown, redwood type table with four benches is located approximately six feet from the wooden fence where a small hole, possibly made by a bullet, was observed approximately forty-one inches from the ground level and sixty-four inches from the corner (northeast corner of rear yard). The measurements were made by CSI Officers Hanson and Snow. This rear yard contains mostly grass on the lot, as well as bushes and trees along the perimeter. There were approximately four slates of fencing that were kicked out toward the middle of the rear yard fencing which runs north and south. R/O searched extensively for the slug that apparently was shot by the suspect, but met with negative results.

R/O, along with CSI Officers, also searched the tree, which was located near the northeast corner of the rear yard, for any signs of damage caused by a bullet, however, met with negative results. This tree is located approximately ten to twelve feet west from the rear yard fence, which runs north and south. R/Os also searched along the entire residence in the direction where the bullet may have proceeded, but at this point, met with negative results.

CSI Officer Snow placed a small stick like item into the hole, in order to approximate the projectory of the bullet which appeared to have travelled in a southwest direction.

Part 2, which consists of bullet holes in the main rear yard, where the suspect was located, as well as bullet holes into the tool shed, camper shell and other items located on the driveway of [redacted] Golden Field Way, and to the rear of [redacted] Golden Field will be conducted by Detective Azevedo.

Due to the extensive time spent on searching for items of evidentiary value, a video taping will be conducted the following day, where daylight could aid in the taping of said crime scene.

The above areas will be considered to be re-searched with a metal detector the next day under better lighting conditions by B of I technicians.

NOTIFICATION:

1925 03-31-91 Detective Azevedo was notified by SPD Communications Supervisor; Renee Pletz, 449-5334. Supervisor Pletz advised that it was a homicide call out involving an officer shooting. Additionally, Supervisor Pletz advised the officer involved shooting call out had occurred at [redacted] Golden Field Way.

WEATHER:

The weather conditions were cloudy, light winds, temperature in the low 50's.

GENERAL CRIME SCENE:

1956 hours, I, Detective Azevedo, arrived at the scene and contacted Lieutenant Twilling of the Special Weapons And Tactics (S.W.A.T.) unit. Lieutenant Twilling advised me his S.W.A.T. team had exchanged gunfire with the suspect. Additionally, Lieutenant Twilling advised me that K-9 officer Schabert had also exchanged gunfire with the suspect after the suspect had shot K-9 Officer Schabert's dog. Lieutenant Twilling also advised that the officers involved directly with the gunfire and exchange were S.W.A.T. Officers; Jarosick; Somers and Peterson. Lieutenant Twilling also said Officer Schabert had rushed his dog to a veterinarian and would not be available for awhile. However, a second K-9 Officer; Campbell was also absent from the scene, but would be returning shortly to the scene.

2000 I, along with Sergeant Bob Mitchell, of the Homicide/Assaults section, along with Lieutenant Twilling, got a synopsis of what had occurred from Captain George; Incident Commander.

Captain George advised that the incident began on today's date (03-31-91, at approximately 1620 hours. Captain George advised at that time, the victim's (later identified as victim Lloyd Augustine) sister had telephoned the Police to report her

brother (victim) had a gun. SPD Officers Hahn and Moffatt had responded and had confronted the victim. The subject at that time became a suspect (victim Augustine) and had pointed a gun at the officers and then pointed the gun at himself. However, according to Captain George, nothing had happened. The officers then pursued the suspect on foot and lost him as he escaped through yards and over back yard fences. Captain George advises that the officers had described what sounded like a gunshot. The same officers then pinpointed the suspect as going into the vicinity of the residence located at [redacted] Golden Field Way. The officers evacuated the residence and notified the K-9 units along with S.W.A.T..

Captain George went on to say that while the S.W.A.T. and K-9 units were doing a search of the inside and to the rear of the yard located at [redacted] Golden Field Way, K-9 Officer Schabert's dog got shot. A second K-9 Officer; Campbell, also had got shot apparently suffering superficial injuries. Captain George described the shooting of Officer Campbell as injuries sustaining a thread on Campbell's shirt and a slight superficial bruise on his arm.

Captain George also advised that the blood on the driveway near the sidewalk at [redacted] Golden Field Way was that belonging to the K-9. This blood was apparently caused by the injury to K-9 Officer Schabert's dog.

At this point in the summary by Captain George, he advises that the victim is now deceased.

I, along with Sergeant Mitchell, have Sergeant Roth of the S.W.A.T. team reconstruct the location of his S.W.A.T. team officers. Sergeant Roth has called his team together and we are now in the rear yard of [redacted] Golden Field Way. In addition to being in the rear yard, we are also to the side yard of the aforementioned location and eventually we wind up at the residence north of [redacted] Golden Field Way. Additionally, we will also have officers located at the rear of [redacted] Golden Field Way. Sergeant Roth will place ~~those~~ officers who have fired shots (and also those who did not fire shots) at their perspective locations.

Sergeant Roth also advises that his team has shot two (2) gas canisters and a "flash

bang". The two (2) canisters are at the scene; however, the reusable "flash bang" has been recovered. Sergeant Roth also said that the second K-9 officer was utilized to attempt to get the "suspect out of his hiding position." I'm also advised by Lieutenant Twilling that the suspect has sustained an injury to the head and two (2) what appears to be bullet wounds to the chest. The scene is without the victim who has apparently been removed from his hiding place by the officers, and has been loaded into a gurney and ambulance. However, I am able to view what looks like a black color automatic gun underneath a bush located on the north east corner of the rear yard of [redacted] Golden Field Way.

OFFICER POSITIONS:

At this point, Sergeant Roth has directed Officer Somers to take the position he was in when he fired the shot. Officer Somers stood near the north east corner of the residence near the wooden fence separating the driveway and the side yard of [redacted] Golden Field Way. The position where Officer Somers is located is near the north east corner of the family room in the residence. It is also a position in the driveway area, and to the outside of the wood fence. Officer Somers advises that he has fired approximately five shots.

Sergeant Roth then directs Officer Peterson to take the position that he was in when he fired the shots. Officer Peterson has taken a position in the driveway, also outside of the aforementioned fence, and is standing near the left front fender of a pickup truck. The pickup truck is facing west and is parked in the driveway near the fence. The vehicle license is [redacted], and it is orange in color. Additionally, directly across from where Officer Peterson is standing it is approximately six to eight feet from the SMUD meter of the residence. Officer Peterson advises that he has fired two (2) .223 caliber shots.

Sergeant Roth then takes the position directly opposite of where Officer Peterson was

At that time, Sergeant Roth advises Officer Jarosick to take a position where he was when he fired the shots. Officer Jarosick takes a position on top of a makeshift picnic table located to the rear of the residence west of [redacted] Golden Field Way. The yards are divided by a six foot high wooden fence. The boards comprising of the fence are 1x6's and are "dog ear" type. They are nailed very close together, and there is no gap between the boards. The table that Officer Jarosick is standing on is approximately three feet high and is resting on the ground. From where Officer Jarosick is standing, he is able to have eye contact into the rear yard of [redacted] Golden Field Way. Officer Jarosick advises he has fired two (2) three round bursts.

Sergeant Roth then advises Officer Campbell to take the position where he was located when the shots were fired. Officer Campbell has taken a position just to the front of where Officer Jarosick was standing. At the front, at this point, would be to the east of the where Officer Jarosick was situated. Officer Campbell advises that he was on the ground right next to the wooden fence dividing the yard that he is in with the yard of [redacted] Golden Field Way. Officer Campbell showed to me a "knot hole" in the fence which is approximately four feet high from the ground, and that this is the hole that he was peering through into the yard of [redacted] Golden Field. The knot hole affords a view of the area where the shooting occurred, and it is approximately less than one inch in circumference. Officer Campbell did not fire any shots.

Sergeant Roth then directs Officer Louie to take a position where he was at the time of the shooting. Officer Louie takes a position located just to the north of Officer Campbell. Specifically, Officer Louie takes a position located at the north east corner of the rear yard, just west of [redacted] Golden Field Way. Officer Louie has no vantage point into the rear yard of [redacted] Golden Field Way, and Officer Louie has not fired any shots.

Sergeant Roth then had Officer Valdez take a position where he was when the shots were fired. Officer Valdez takes the position to the rear yard of the residence located at [redacted] Golden Field Way. Officer Valdez is located at the rear yard and at the

ENTER CRIME SCENE:

The following description of the crime scene will be the part two of the Enter Crime Scene.

NOTE: Detective Lee will have described the part one of the Inner Crime Scene. (See his supplement for details)

What I'll be describing is the area covering the area located north east of [redacted] Golden Field. Specifically, I'll be describing the driveway and the area outside of the fence dividing the aforementioned driveway and rear yard of [redacted] Golden Field. This is the rear yard where the victim was eventually found. Additionally, I'll be describing the area of the rear yard located at [redacted] Golden Field Way.

[redacted] Golden Field Way is located on the north west corner of Golden Field and Valley Vale. There is a driveway on the north side of the residence, and there are two pickup trucks parked in the driveway. The pickup trucks are both facing west and one pickup is in front of the other. The pickup closest to the street is reddish in color and bares license [redacted]. It is a GMC make and it is parked directly behind a orange color pickup with a steel rack and ladders on it. The orange color pickup is license [redacted]. This pickup is parked in front and to the west of the reddish color pickup.

Directly in front of the orange color pickup is a camper shell, setting on the ground. The camper shell has various aluminum chairs and other miscellaneous items on top of

it. There is what appears to be a bullet hole on top of the camper shell, and exiting to the front. The bullet hole is approximately three feet back from the front portion of the camper and approximately twelve inches from the side. In front of the camper is a metal storage shed. It is apparently used for fire wood and does contain fire wood in the shed. There is what appears to be two bullet holes in the sliding metal door of the metal shed. The projectiles have perforated the sliding metal door and had gone through the metal into the inside portion of the shed and possibly have exited through the south wall of the shed. I say probably because I'm not sure if the projectiles have embedded themselves in the wood, and/or exited through the other side of the shed. I have checked the fire wood for any "slugs" but have not found any. I have also directed CSI to attempt to find some, and as of this writing they have not. Continuing with the description of the metal shed, there are also two other holes on the frame of the metal shed which have perforated the metal and apparently exited on through. There is what appears to be entry and exit holes from the shed and into the wood fence directly next to the shed.

There is a four foot high wood fence, just west of the metal shed. The fence is of six inch wide "dog eared" boards with an additional 2X4 size stud running above the fence. There are three (3) apparent entry exit holes on the wood fence near the metal shed. Entry is on the outside of the fence "outside being near the driveway's side of the fence and exit is on the inside of the rear yard side. I'm unable to determine how much light there is available during the time of shooting, because at this time, the area is illuminated by the Sacramento Fire Department light bars with several other lights provided by their generators.

At this time, there are a total of eleven (11) casings found. This does not include the CS canisters fired by the S.W.A.T. personnel. However, because of darkness and foliage, plans are made to return at daylight. Additionally, at that time I will have a request to the Bureau of Identification technician utilizing metal detector to assist in the search of missing casings.

At this time, turning the attention to the residence located at [redacted] Golden Field. This residence is located directly north of [redacted] Golden Field. The residences are divided by a six foot high wood fence. The boards are 1X6's with "dog eared" type tops and there is no gap between the boards. There are a total of nine (9) possible

exit holes on this side of the fence with entry being on [redacted] Golden Field's side. There is <sup>an</sup> empty casing of a .223 caliber spent casing located on the decorative rock just to the south side of the residence. This casing would be consistent to the position where Officer Peterson said he was standing at the time that he fired his .223 weapon.

There are four (4) scuff type marks on the south wall of the residence. One of these marks is an apparent bullet hole, and the others are caused by grazing projectiles.

Across the yard from the aforementioned fence and specifically to the opposite side of the residence still at [redacted] Golden Field there is an additional fence dividing the residence of [redacted] Golden Field and another residence directly north of [redacted] Golden Field. These two residences are also divided by a six foot high wood fence. However, the top of this wooden fence is not "dog eared" but is topped by approximately six to eight inch board with tapered ends tapered to approximately from six to eight inches to a tapered end of four inches. The area that I'm eluding to is located on the north west corner of [redacted] Golden Field. There are what appear to be two bullet holes imbedded in the fence and they are approximately four to five feet from the ground. One apparent bullet hole has apparently not perforated the wood, however, this "slug" cannot be found. There is an additional bullet hole near the top of the fence which is perforated through a 2X4 and into the wood and has apparently exited the other side. Attempts to obtain this slug were also met with negative results.

[redacted] Golden Field has a modified kidney shaped full size built in swimming pool. It is full of water, however the water is full of algae, preventing one from seeing the bottom. This pool may contain some of the projectiles coming from the direction of [redacted] Golden Field.

I have directed CSI Officers Snow and Hansen to photograph and collect sensitive evidence such as the victim's gun and sunglasses, along with marking the location of the found casings. Additionally, I have asked them to collect blood samples from both where the victim was found and the Police dog. Additionally, I have asked for two reserve officers to secure the scene until daybreak and relief officers, specifically CSI officers are able to continue the collection of evidence. Prior to my leaving,

I have contacted the reserve Officers Frost, badge #7724 and Sanchez, badge #7769 with specific instructions to secure the scene until relieved by oncoming CSI officers.

0900 04-01-91 Detectives Azevedo and Lee have returned back to the [redacted] Golden Field Way residence. The response there is to continue the recording of the scene. CSI officers Nugent and Thorgrimson are at the scene and have advised me they have relieved the reserve officers. Two technicians from the Bureau of Identification of the Sacramento Police Department have been notified and are in route to assist in searching the area with a metal detector. I have requested these CSI officers and Identification technicians to attempt to recover approximately twenty two (22) shell casings. This number has been provided to me by the individual officers who were involved in the shooting. This does not take into account the casings left behind by the suspect/victim. Additionally, I have requested CSI officers photograph, measure and recover all evidence located at the aforementioned yards and residences.

As of this writing, (04-02-91) CSI Officer Nugent advises me that only twenty one (21) rounds have been located. However, he also advises that CSI has found evidence of four (4) rounds were fired by the suspect. He said that this consists of two (2) into the K-9 Police dog, one (1) into the west fence, west of [redacted] Golden Field and one (1) into the residence of [redacted] Golden Field.

INFORMATION REGARDING AUTOPSY:

04-01-91 0840 I was assigned by Sergeant Mitchell to attend the autopsy of the above victim at the Sacramento County Coroner's office. On 04-01-91, approximately 0910 hours, Officer Eric Walker, badge 442, and I arrived at the Coroner's office in regards to the postmortem examination of Lloyd Thomas AUSUSTINE.

Officer Walker and I met with pathologist, Dr. Robert Anthony, who was conducting the postmortem examination. Dr. Anthony advised me, and also pointed out the following four gun shots wounds and one dog bite wound visible on the deceased. Dr. Anthony advised the deceased had one gunshot wound to the head, which entered on the left side of his temple passing through his brain and exiting out the right side of the temple. Dr. Anthony advised me of a second gunshot wound which was to the front portion of the left biceps, exiting out the back of the arm. Dr. Anthony advised me of a third gunshot wound which entered just below the front of the left elbow of the deceased, and exited just above the left elbow at the back of the arm. Dr. Anthony also advised of a fourth gunshot wound which was at the top of the deceased right knee, which entered from inside direction to the outside of the leg. Dr. Anthony described this as a grazing wound.

Dr. Anthony further advised of dog bites to the front and side of the deceased left thigh.

Dr. Anthony stated the preliminary cause of death was a gunshot wound to the head. Dr. Anthony stated the gunshot wound was definitely not self inflicted, and that all injuries sustained by the deceased were coming from the left side of his body, tracking left to right.

Dr. Anthony speculated the gunshot wounds were caused by a 9 millimeter round, and that all of the wounds looked identical.

Dr. Anthony also gave me two Sacramento County Coroner's office drawings showing the locations of the wounds of the deceased written by Dr. Anthony. The copies of the drawings will be attached with this report.

## Shootout with police ended troubled, despondent life

By Steve Gibson  
Bee Staff Writer

Sacramento was the last stop for 21-year-old Lloyd T. Augustine, distraught about the breakup of his marriage and despondent about his father's failing health.

Driving from Abilene, Texas, he arrived at his sister's Sacramento apartment about 4 p.m. Sunday. Two hours and 15 minutes later he was dead.

During that brief period, he made an unsuccessful try at suicide, led police on a chase through back yards in the Valley Hi area, and

fired shots that wounded a police dog and grazed a policeman.

Discovered crouching in a bush, he opened fire when a police dog sniffed him out, police said. Police returned fire, and Augustine was hit by four bullets — one in the head, two in the arm and one in the leg.

The bullet fired at Officer Kirk Campbell grazed his uniform shirt pocket and passed through his left sleeve, according to police information officer Claudia Strazzo.

The dead man's sister, Veronica Smith, 25, still in shock Monday afternoon, complained that police kept her in the backseat of a

black-and-white cruiser, denying her a chance to talk her brother into surrendering.

A police detective, however, said the situation Sunday night was unfolding so quickly that even a police negotiator on the scene was unable to talk with Augustine.

Recalling events that led to the tragedy, Smith said she noticed something unusual Sunday afternoon as soon as she saw her brother.

He had an automatic pistol stuffed in his waistband.

"He never carried a gun before," she said. "He was really upset."

Augustine, a Navy veteran unable to hold a

job, suffered from depression and frequently talked of suicide, his sister said.

Once again, she said, he threatened suicide: "He said he wanted to end it all because he just couldn't deal with it."

She called the police 911 emergency number.

"We were always able to talk to him and calm him down, but this time he had a gun," she said.

After police officers arrived, he placed the gun to his head, pulled the trigger, but the weapon misfired. He then fled, leading police

officers on a chase over fences and through back yards of the residential neighborhood northwest of Cosumnes River College.

The chase ended in a back yard in the 8100 block of Golden Field Way with Augustine and police officers exchanging gunfire.

In an interview, Smith contended the police used unnecessary force. "When I called 911, all I wanted them to do was take the gun away. They ended up getting him cornered in a bush like an animal."

Police spokeswoman Strazzo pointed out that once Augustine began shooting, "the officers' lives were in jeopardy, and that justified their returning fire."

Augustine, one of five children, was the son of Margarita Gavaldon of Sacramento and Lloyd R. Augustine, a retired Air Force sergeant who is disabled and living in Abilene.

His sister said he never fully accepted his parents' divorce and "never really grew up."

She also said he was unable to deal with authority figures and experi-

enced difficulty in taking orders, both from bosses on civilian jobs and from his superiors in the Navy, which discharged him before his enlistment was up.

"But he had the biggest heart," his sister said. "If you treated him nicely, he would do anything for you. All he wanted was love and attention."

Funeral arrangements are pending.

Bee staff writer Ted Bell contributed to this report.

DETECTIVE'S SUMMARY:

03-31-91 2053 I received a page from SPD dispatch. Upon returning the call, at approximately 2055 hours, I contacted SPD dispatcher, Rene Pletz. Pletz advised of a barricaded incident in the south area where a subject was shot and a S.W.A.T. team had been called up. Pletz stated a request had been made by Sergeant Bob Mitchell to have me respond to the Hall of Justice to assist with statements.

03-31-91 2100 I arrived at the Hall of Justice, at which time, I contacted 3S4, Sergeant Chavez, as well as Captain Sam Summers Sr.. At this time, 3C02, Captain Mike George arrived, at which time, a briefing was held by Sergeant Chavez as to the incident in the south area.

Within several minutes, SPOA representative James Jorgensen with one of the SPD Chaplains arrived, as did Detective John Cabrera. SPOA lawyer, Dave Mestegni, also arrived within several minutes.

2120 Detective Sergeant Bob Mitchell arrived at the Homicide/Assault section, at which time, a briefing was held with Sergeant Mitchell, Captain Summers, Detective Cabrera and myself.

03-31-91 2210 I contacted victim Officer Kirt Campbell (K-9-33) at the Hall of Justice interview room, and obtained his statement (refer to statement of Officer Kirt Campbell). At approximately 2214 hours, SPOA lawyer, David Mastagni entered the interview room and was present during the interview.

03-31-91 2303 I contacted witness [REDACTED] (brother of deceased, Lloyd Thomas Augustine) at the Homicide/Assaults interview room and obtained her statement (refer to statement of [REDACTED]).

his service revolver, a six hour brand 9mm semiauto pistol, model #226, serial number [redacted] Upon receiving this pistol, I observed one live 9mm round in the chamber, and eight live milimeter rounds in the magazine.

In exchange for this weapon, Officer Sommers was given another Sig Sauer model 226 semiauto pistol, with serial [redacted]

The above semiauto pistol which I received from Officer Sommers will be booked as evidence as well as the magazine and live ammunition.

(NOTE: After the interview with Officer Kirt Campbell, I received from him his SPD uniform shirt which he was wearing, which had a hole in the top flap of his left pocket next to his button. Officer Campbell, at this time, showed me by bending over, indicating how he was looking through the knot hole in the fence when he was shot by the suspect. I observed an area on Officer Campbell's left arm (bicep area) between his elbow and shoulder to have an abrasion and redness. Officer Campbell stated the shot fired at him by the suspect hit the fence he was standing behind, continued thru, struck Officer Campbell's left breast pocket flap, and passed between his left arm and chest. Officer Campbell stated he believes the bullet continued as it passed under the back of his left sleeve.)

house. Officer Somers stated they checked a broken window in a garage on the second house from the corner, and after it checked okay, as the resident was contacted, the Officers moved on to the next (corner) house.

Officer Somers stated the other K-9 Officer with the additional S.W.A.T. Officers were moving simultaneously behind them and were in the backyard which butted up against the yards Officer Somers and his group of Officers were searching. Officer Somers stated when they got to the last corner house, Officer Schabert's dog was leaving and clearing the area. Officer Somers stated Officer Schabert told Officer Somers the dog was alerted to this area and at that point, Sergeant Roth joined up with Officer Somers and the other Officers. Officer Somers stated three of the Officers were out in front with Officer Somers, Sergeant Roth and Officer Peterson, while Officer Valdez stayed on the other side of the fence of the house just north of where they were at. Officer Somers stated that he knew that Officers Louie, Jarosick and Campbell were on the west side of the back fence of the house they were at, but didn't know exactly where they were.

Officer Somers stated they then started moving up the driveway and checked the yellow pickup truck and a camper, which was on the ground, just prior to the entrance of the backyard. Officer Somers stated Officer Schabert's K-9 (Casey) approached the fence leading to the backyard and at that time, Officer Schabert opened the gate and started going in. Officer Somers stated Sergeant Roth came up to where Officer Somers had been standing, by the corner of the pickup truck, and took Officer Somers position. Officer Somers stated he then went up by the corner of the house, which was an added on enclosure, but which connected up to the side fence and the gate at the corner of the added on enclosure. Officer Somers stated this same enclosure had a door to this enclosed room and that the door was facing the front of the house.

Officer Somers stated as Officer Schabert's dog went into the backyard, Officer Schabert moved in behind him. Officer Somers stated there were lots of bushes around the gate, as was some type of a cargo holder. Officer Somers stated he was thinking about where this guy could hide and was concentrating on an area toward the back of the yard. fence. Officer Somers stated he was uncertain as to how far the dog actually went into the backyard, but at the same time, he saw rounds or muzzle flashes coming from inside the backyard, from the northeast corner of the backyard.

Officer Somers stated that when rounds started going off, he thought the individual inside the backyard was shooting at Officer Schabert and thought the guy was trying to kill him (Officer Somers). Officer Somers stated Officer Schabert started firing back at the individual and at this time, Officer Somers thought Officer Schabert had been shot.

Officer Somers stated he returned fire to the area where he saw the shots coming from and was unsure at this time as to how many shots he had actually fired. Officer Somers guessed he'd shot around five shots initially, at the same time Officer Schabert was making his way toward the gate and around the enclosed added on room. Officer Somers stated Officer Schabert was still firing a couple more shots as Officer Schabert cleared the gate. Officer Somers stated he again fired a couple more shots after Officer Schabert went by. Officer Somers stated he thought that the suspect, Officer Schabert and himself were the only ones that had been shooting at the time the gunshots were exchanged.

Officer Somers stated as he fired of the second burst of shots, he and Officer Schabert ducked into the doorway in the enclosed room, thinking the doorjamb might stop most of the rounds. Officer Somers stated he thought the suspect was going to shoot at them and was expecting the same guy to charge out at them. Officer Somers stated he thought his rounds were totally ineffective because he could still hear rounds going off in the area.

Officer Somers stated he thought the guy was in a suicidal mode, had nothing to loose, and was going to take someone with him. Officer Somers stated he felt that it would be himself or possibly Officer Schabert, if not both. Officer Somers stated when Officer Schabert came into the enclosed room, he noticed Officer Schabert to have been limping, and at that time did not know whether or not he'd been hit.

Officer Somers stated Officer Schabert took cover to watch the window while Officer

Somers watched down the fence to make sure the suspect didn't come at them. Officer Somers stated at the same instance, there were still a couple more shots being fired, but Officer Somers could not tell who had fired those shots or how many were fired.

Officer Somers stated as soon as the rounds stopped, Officer Schabert said his dog had been hit. Officer Somers stated he was told by Officer Schabert that Schaberts' had not been shot, but that Schabert couldn't believe he made it out without getting hit. Officer Somers stated he took stock in himself to make sure that he was not shot, to see how many rounds he had shot, as well as how many rounds he had left. Office Somers stated he wanted to make himself mentally ready and then noticed that Officer Peterson was still at his spot.

Officer Somers stated he realized his other S.W.A.T. partners were on the other side of the fence and he heard one of his S.W.A.T. Members yell they had visual on the suspect. Officer Somers stated the rest of his team in the adjacent backyard, had busted through the fence and had gone to the northwest corner of the house in the same backyard where they were at. Officer Somers stated he still did not know what had happened to the guy and heard <sup>SCENE</sup> one again repeat that someone had visual on the suspect. Officer Somers stated he knew the suspect still had to be in the bushes in the corner of the backyard. Officer Somers stated Officer Schabert got out of the enclosed room and went and got his dog. Officer Somers stated Sergeant Roth came over to his location, but that Officer Peterson eventually relieved Officer Somers.

Officer Somers stated Officer Jarosick was yelling at the suspect, asking for a sign, yelling at him to "Tell us, you're not going to use your gun any more" and asking that he talk to the Officers. Officer Somers stated he continued to hear Jarosick yell several times, "Are you okay," asking for him to communicate. Officer Somers stated he never heard the subject reply and the request were again made to the suspect by Officer Jarosick and other Officers, to communicate with the Officers in the backyard. Officer Somers stated after there was no response, they decided to take the next step after time had gone by. well as a stack of firewood and no one could see him that well.

Officer Somers stated they tried to use distraction devices to see if there was any response from the suspect, but there was none. Officer Somers stated they continued to make more calls to the suspect, but there was still no response from him.

Officer Somers stated his Team put gas masks on and two, 37mm gas grenades were fired toward the suspect, at the bushes next to him. Officer Somers stated there was no reaction or coughing of any type from the suspect, so they went to the next step.

Officer Somers stated they had gotten Ballistic Shields from the S.W.A.T . van, while still trying to talk with the suspect, but again received no response. Officer Somers stated they decided to use the dog to pull the guy out and approached the suspect with the shields and the dog. Officer Somers stated the dog tried to pull the suspect out, but was unable to do so, so they retreated. Officer Somers stated at this time, he was still at his position and couldn't see what was happening.

Officer Somers stated, at that point, it was decided that the S.W.A.T. Officers would go up again, with their shields, and pull the suspect out from under the firewood. STATEMENT OF;

Officer Dave VALDEZ, badge #594  
 CSU/S.W.A.T.

0107 04-01-91 I contacted the above officer at the Hall of Justice, 813 6th Street regarding the above listed incident. Upon contacting him, I asked him how long he had been a Police officer, and he said approximately seven years, plus. I asked him what his current assignment was, and he stated that he was in the Crime Suppression Unit, and the Special Response Team which was known as S.W.A.T.. Valdez stated that he had been assigned to his current assignment five years, in which two and a half years of it has been spent as a S.W.A.T. member. I asked him if he had special training being in that particular unit, and he stated yes he did. I asked Valdez to give me a statement in regards to the above listed incident, and he gave the following statement.

(The following is brief summary of a taped statement.)

Valdez stated that they had a S.W.A.T. call up on a subject with a weapon. He stated that they responded out to the scene, and after putting together a plan, his team which was Team 20, supervised by Sergeant Roth, split into two teams and each team having a K-9 officer with a dog. The plan was to search six residences, three which were on one side of the block, three on the adjacent side, separated by a fence line. The plan was to simultaneously check each house, until all six houses were checked. Valdez stated they started searching and he was with Officer Peterson, Officer Somers, Officer Schabert and himself and Sergeant Roth. Valdez stated that they had finished with the second house on their side, when he saw that the dog was alerting to the next yard. At that time, Valdez stated that he took up a position behind the fence approximately four or five feet on the bush, which was separated by a fence. Valdez stated that he saw the dog go into the rear yard, and Schabert go into the rear yard, and then all of a sudden he heard a single gun shot. Valdez stated then he heard multiple gun shots, and he heard the dog yell. Valdez stated all of a sudden there was a flurry of gunshots into the area which he was next to. Valdez stated he immediately ran back to get out of any line of fire that had been coming his way. Valdez stated that the firing then seized. Valdez stated he held his position until he was told everything was clear, and then he exited the rear yard and went around to where the other team members were. Valdez stated he did not fire his weapon, nor did he observe the actual incident, other than Officer Schabert and the dog going into the next yard. Valdez stated that he held his position in an adjacent yard, restricting his visual of the next yard.

PETERSON, Robert (Bob)  
 S.W.A.T. member, Team 20

03-31-91 2355 I contacted witness Robert Peterson at the Hall of Justice in the Homicide interview room. Peterson was asked how long he had been employed at the Sacramento Police Department, and he said nine years. Peterson stated he had been a S.W.A.T. member for the past one year. Peterson stated he was currently working the same assignment when he received a call up from Sergeant Kirt Roth who advised of a man with a gun who had fired a couple of rounds and put the gun to his head and chin. Peterson stated it was originally thought the subject was inside a house or in the immediate neighborhood of the particular call, so a perimeter was set up.

Peterson stated he and members of this unit teamed up with K-9 Officer Paul Schabert, in order to conduct a search of the neighborhood. Officer Peterson stated the other officers in his S.W.A.T. unit that assisted him was Officer Somers and Officer Valdez.

Peterson stated they started conducting a search of the exterior portions of the immediate houses, front, back and sides. Officer Peterson stated he could not recall the name of the street they were on, but that he himself was providing rear cover for the team as they conducted the search. Officer Peterson stated they checked three or four houses, and at one point, got to the second house which was one house north of where the incident took place. Officer Peterson stated while they were out front of this house, Officer Schabert's K-9 (Casey) had a hit on the house, one house just south of where they were at. Officer Peterson stated this was to be the house they were next to search and waited to search it as they found a broken window at a garage door on the house they were currently searching.

Officer Peterson stated the occupants of this residence were contacted and this house was eliminated, as the people from the residence stated the window in this garage had been broken earlier.

Officer Peterson stated they moved on to the next house, to the south of the house they were at, and described this last house as having a large grassy area which goes toward the back yard, and that two trucks were parked in the front of the house, one behind the other.

Officer Peterson stated they started searching the trucks and upon checking out the trucks, began moving up toward the rear of the house. Officer Peterson stated just in front of the pickup trucks was a child's swing set, and to the right of the swing set was a aluminum tool shed. Officer Peterson stated that in front of the children's

swing set was a four foot high wooden fence approximately chest high with a swinging gate.

Officer Peterson stated while the other officers were moving ahead, he stood by the front left fender of the orange truck parked at that residence as Officer Somers was providing cover by the corner of the house which was an add on enclosed portion of the house. Officer Peterson stated he recalled Officer Somers to be standing next to or by the door of the add on portion of the house which leads inside the room. Ofc. Peterson stated Sergeant Roth was on the same side of the pickup as he was while also providing cover.

Officer Peterson stated at that point, Officer Schabert's K-9 dog went through the gate as Officer Schabert followed him through. Officer Peterson stated he lost sight of the dog at that time, but that he recalled seeing Officer Schabert immediately looked to his right (northern direction) toward a clump of heavy bushes along the fence. Officer Peterson stated as Officer Schabert looked over to his right, Officer Peterson could see muzzle flashes and shots being fired towards Officer Schabert. Officer Peterson stated it seemed like four or five shots were fired. Officer Peterson stated at that time, Officer Schabert, Officer Somers and himself returned fire. Officer Peterson stated they returned fire to the corner area of the back yard where the shed was located at. Officer Peterson was advised of a map that had been drawn by another officer, and at that point, the map was shown to Officer Peterson, who added to the drawing by noting a gate, a utility shed, a doorway of the enclosed room and a pickup truck.

Officer Peterson stated he felt in fear of Officer Schabert's life, as well as his life, and Officer Somers' life, because he didn't know whether or not the suspect was going to come out from the bushes. Officer Peterson stated at the time, he saw the muzzle flash and the suspect shoot at Officer Schabert. Officer Schabert was returning fire while trying to get out the immediate area, Officer Peterson observed Officer Schabert's dog came running out, or limping out of the back yard. Officer Peterson stated he shot two times from his H&K 53, 223 caliber automatic weapon through the front corner of the utility to where he had observed the muzzle flash come from. Officer Schabert stated it appeared the muzzle flash was coming towards Officer Schabert's and Officer Somers direction. Officer Schabert stated he felt the way the

suspect's rounds and muzzle flashes were coming out, that it put Officer Schabert's and Officer Somers' in a very bad situation. Officer Peterson stated he felt Officer Somers was also in a bad line of fire being that the fence was so short and that they couldn't see over the fence at this time, even though they knew they had a suspect in the back yard. Officer Peterson also stated he felt at that point, that the suspect might have been able to come running out of the back yard, and if the subject starting firing, Officer Peterson himself would also be in the suspect's line of fire.

Officer Peterson stated he observed Officer Schabert to retreat from the backyard to the other side of the enclosed section of the house behind Officer Somers who was standing at the corner providing cover. Officer Peterson stated Officer Somers used a doorway as coverage while Officer Schabert went inside the room.

Officer Peterson stated after they returned fire, things somewhat stabilized and it became quiet. Officer Peterson stated officers in the other back yard directly behind the particular house they were at got through the back yard fence and got into a position by the corner of the house to provide additional cover. Officer Peterson stated Lieutenant Twilling told Officer Peterson and Sergeant Roth to retreat to the back portion of the house in order to meet with the rest of the team to plan their strategy. Officer Peterson stated Officer Somers stayed at the corner of the house where he was, as Officer Peterson and Sergeant Roth retreated around to the back of the house. Officer Peterson stated he then moved his way the house to where Officer Somers was at. Officer Peterson stated he and Officer Somers traded off their position until other officers approached the suspect. Officer Peterson stated Officer Somers then left to help the team, and Officer Peterson stated he did not know what Officer Somers did after that.

Officer Peterson stated he could not see how the officers approached the suspect, but only heard over the radio that they had used body bunkers. Officer Peterson stated he didn't have a visual as to what was going on, but could only see the fence line by the corner of the house. Officer Peterson stated he had nothing further to add. At this time, the interview was terminated.

NOTE: During the course of the interview with Officer Peterson, SPOA representative, lawyer Dave Mastheni, was present.  
 The interview was recorded by both audio and video tapes which will be booked as evidence.

1525 04-01-91 R/O contacted ██████████ in front of her residence after witness ██████████ indicated that her husband possibly witnessed this incident. ██████████ also stated that she witnessed a portion of this incident and immediately gave R/O a pair of black and white driving type gloves, and stated that the suspect must have dropped these as he was being chased by Police officers near the front of her residence. ██████████ stated the following.

██████████ stated that she was inside the residence with her husband when she could hear what sounded like footsteps or people running near the front of her residence. ██████████ stated she went outside and saw a Police officer across the asphalt roadway standing by a tree (approximately twenty five yards from witnesses), about to pull out his gun and ordering someone to "Stop, I mean it, you better stop". ██████████ states that she saw the uniformed officer facing in the direction to her left from her front door. ██████████ states she returned to her residence and told her husband to get up and that there was something going on outside. ██████████ stated her husband, ██████████ (male White, DOB ██████████) went outside into the roadway and then momentarily returned. 1545 04-01-91 R/O contacted ██████████ at her residence during a neighborhood canvas, and received the following statement.

██████████ states it was close to 4:00 when she was returning home on foot, and observed two Police officers going the opposite way, chasing a subject who apparently, she later learned, was the sister of a subject she knows living in the apartment complex. The subject had something in his hand, but she could not see exactly what it was. When asked if the officers had their guns out, ██████████ replied that they did not but their hands were on it as they were running after the subject. The officers appeared to be very careful as there was other people in the area, and ██████████ felt that the officers were being very cautious about not taking out their guns due to the numerous innocent bystanders. When asked if ██████████ heard anything from the officers or the suspect, ██████████ replied that she did not, but she could not say who said what, but someone may have mentioned that he has a gun, or something to that effect.

██████████ states that later, she was talking to the suspect's sister, ██████████, who told her that the suspect was very upset because ██████████ and her family refused to go to Texas with the suspect. Furthermore, the suspect had a "revolver". When asked if there were any other subjects that may have been present, ██████████ states that the subjects living next to her (Mr. and Mrs. ██████████) may have witnessed it, as well as another tenant named ██████████ in ██████████.

The suspect is described as a male White, 26-27, medium height, red and black plaid coat, and brown hair.

The witness's wife refused to allow the suspect into their residence because of the recent incident ██████████, and the fact that her husband told her that he was not invited at the residence any more. █████ states he stepped in between the suspect and his wife in order to confront the suspect about why he was at the apartment and if he had a gun. The suspect ignored him, and then █████ pushed his wife back into the residence, and the suspect left. At this time, █████ stated that his wife told him that the suspect was at the residence for the purpose of informing them that his father was sick with some kind of terminally ill disease, possibly cancer, and that he was instructed by his father to contact his sister and other relatives and ask them to return to Texas to spend some time with his father before he dies. The suspect had handed █████ a one hundred dollar bill and █████ asked him what this was for. The suspect advised that the hundred dollars was to repair the vehicle and return to Texas with him. █████ did not know how much money the suspect had, but that she indicated that he appeared to have several hundred dollars, but could not be sure.

█████ also stated that his wife told him that the suspect remarked that he would kill himself, and that he would go to the park and shoot himself and apparently was getting upset.

█████ stated that momentarily after his wife called the Police Department, the Police came and spoke with his wife and his mother in law at the doorway. The Police were advised that the suspect was mentally ill and had a gun with him, and talked about committing suicide. █████ states he never did see the suspect again, but heard █████ remark, "There he is", as she apparently was indicating the suspect was out in front again.

█████ states that he went outside and saw a black satchel on the ground and picked it up, apparently belonging to the suspect. The black satchel contained a new clip, apparently belonging to a semi automatic pistol that was empty. There were about three to four boxes of .09 millimeter amunition. Almost all of the boxes were full of live amunition except for one that had about nine or ten live rounds missing from it. These items were turned over to the Police when they arrived. In addition to the amunition and the one .09 mm clip, the only other items that █████ observed was underwear.

█████ states that he felt after seeing the large amount of amunition, and the suspect's mental condition, █████ felt that there was a good chance that the suspect

[redacted] states that he has been married to his wife for nine years, and has known his brother in law (suspect) to be a person with a split personality. The suspect always acted strange, and described his personality as being weird. The suspect would be nice at one time and suddenly his personality would change completely and become very egotistic and difficult to relate to. The suspect always acted like he was the only person that mattered, and always wanted someone to give him full attention in what he was doing at that time.

[redacted] further stated that he did see one officer with a gun in his hand and running, but did not see the suspect.

Witness was asked about if he had any knowledge whether the suspect was involved with drugs. [redacted] replied that he did not have any knowledge of this, but the suspect did drink and get violent at times. When asked how he got violent, [redacted] stated that he would start yelling and demanding things. The suspect always talked about killing himself, but did not elaborate as to why, except for the fact that when things weren't going his way, he would talk about getting rid of all his problems by killing himself. Suspect made not mention of how he would kill himself.

[redacted] has no knowledge of ever seeing the suspect with a gun in the past, nor has he threatened him or his family with a gun. [redacted] stated that though he has never had a physical altercation (fight) with the suspect, he has however, had a pushing match with him.

STATEMENT OF WITNESS:

[REDACTED]  
 [REDACTED] Center Parkway, Apt. [REDACTED]  
 Sacramento  
 MWA, DOB [REDACTED]  
 [REDACTED]  
 Business phone, [REDACTED]

0910 4-2-91. R/O obtained a statement from [REDACTED] by phone. [REDACTED] related the following.

At approximately 4:30 p.m. 3-31-91, [REDACTED] stated that he was in his living room when his wife told him that she heard some people running by and saw a Police Officer with his gun out, chasing a subject. [REDACTED] stated he went outside, into the roadway of the complex, and saw one Police Officer kneeling down with his gun out and another Police Officer nearby a garage. About fifty yards away, [REDACTED] saw the suspect who was pointing a gun at the Police Officer who was not behind any building or structure, but out in the open. The Police Officer was yelling at the suspect, "Don't do it, don't do it." The suspect appeared to have a gun in his hand, as he had both hands on it and his arms extended, pointing it at the Police Officer. The suspect then removed one hand, possibly the left, and placed it over the top portion of the gun, as though he was cocking it. [REDACTED] states that no one fired any shots at this time.

[REDACTED] then noticed two civilian cars proceeding into the complex, toward the Officers and [REDACTED] told the civilians not to go any further. The Officers continued chasing the subject on foot and they eventually were out of sight. Suddenly, [REDACTED] stated he heard what sounded like two gunshots with a few seconds in between them.

During the above observations, [REDACTED] stated that he yelled to his wife to call 911 for some back up for the Police Officers. Witness states that another tenant, whom he does not know, possibly living in unit [REDACTED], told him that he heard the suspect say something to the affect that he was not going in.

[REDACTED] states that he thought he recognized the suspect and that he'd seen him earlier that day, talking to a tenant living around the corner from him. When asked about the conversation, [REDACTED] states he thought he heard the tenant say something to the affect that he has not seen him for awhile.

She is a sister to the victim, having the same mother but both have a different father. Their mother resides in Stockton, CA and their father (Reporting Parties stepfather) and victim's biological father reside in Abeline, Texas.

Reporting Party [REDACTED] said she has not seen her brother for the past six months. However, they have communicated through letters. Reporting Parties last communication with the victim was a stern letter to him, accusing him of having molested Reporting Parties daughter. Reporting Party [REDACTED] said she filed a Police Report, however, there was no prosecution because the suspect is in Texas. Reporting Party then provided the name of her daughter and said the report was filed under her name. The name is [REDACTED] DOB [REDACTED]

Reporting Party [REDACTED] said her daughter came into the residence and said Lloyd Augustine (victim) was outside. Reporting Party said she exited her residence and saw victim approaching. She said she began talking to him and said he was there to arrange for the family members to get together and go to Abeline, Texas. He went on to say their father was sick and wanted the family to go back to see him. With that, the victim began to hand to Reporting Party [REDACTED] a one hundred dollar bill. [REDACTED] said she didn't need it and said she did not take it. Reporting Party asked the victim about his wife, [REDACTED]. Victim said they had split up because she had used him.

At this point, victim also mentioned to [REDACTED] that he had a gun and showed the gun to [REDACTED]. The gun was tucked in the victim's waistband. [REDACTED] said she attempted to obtain the gun from the victim, but that he would not give it up. [REDACTED] said the gun might be "Hot" (stolen).

Reporting Party [REDACTED] said she invited the victim inside the house to eat, but that he refused. He said he had wanted to talk to their mother. Additionally, [REDACTED] said her mother had said the victim was going to commit suicide at the park or in his vehicle. [REDACTED] said her mother was very nervous and, at that time, [REDACTED] dialed 911.

Reporting Party explained she, too, was concerned because the victim had threatened suicide in the past and said the reasons for committing suicide was because of the worlds problems, marriage and in general, crime.

Reporting Party said the Police arrived and she talked with them. The victim had walked away from the general vicinity, but approached just as the Officers were talking with [REDACTED]. [REDACTED] said as the Officers were standing near her door, victim continued to approach them. As he approached, he made a sweeping motion with his right hand toward his waistband. [REDACTED] said the taller of the two Officers drew his service revolver and the other Officer stepped back. The victim turned and ran and then was pursued by the Officers.

[REDACTED] also said that these Officers were in full uniform and had a marked police vehicle.

[REDACTED] said she saw the Officers and victim from the inside of her residence. She said she had been inside her residence "Lying low" because she was ordered to by the police dispatcher. [REDACTED] said that as the Officers talked with her brother, she was inside of her residence and peering through he front room window. She said that when the victim turned and ran and the Officers pursued him on foot, she lost sight of them. When asked if the Officers had said anything to the victim, [REDACTED] said they had not.

At the time that the victim ran, he was dressed in a buttoned up beige jacket. Reporting Party [REDACTED] said that within fifteen minutes of the foot pursuit, the streets were full of police cars and they were speeding up and down the streets looking for the victim. [REDACTED] said that the same two originally responding Officers returned approximately fifteen minutes later and said they had chased the victim into the drainage canal. The Officers wanted to know where the victim would have gone. [REDACTED] added that her husband advised her at that time, that the police were going to get "Trigger happy."

[REDACTED] said the Officers left and as they did, [REDACTED] also left to her aunt's residence. While en route to her aunt's residence, she saw the original responding Officers. They advised her at that time, that the police had the victim surrounded. [REDACTED] said she continued on to her destination, but did not stay there long. She said she returned to the scene and contacted a female Officer who said they had cordoned off an area. [REDACTED] said this female Officer eventually took [REDACTED] to a Officer that [REDACTED] said she saw on TV. She said that this Officer was some type of Commanding Officer and that she contacted him and said she wanted to "Talk to her brother through a bull horn, like they show on TV." [REDACTED] said the Police Officer would not allow her to talk to her brother. Additionally, she was locked up in the backseat of a squad car. She said she learned about the shooting of her brother after the Officer, who's car she was in, got a telephone call. The caller advised the Officer on the telephone that the victim had been shot.

At this point, I asked the Reporting Party why this entire incident had occurred. Reporting Party said her brother (victim) wanted to commit suicide, but he didn't want to go this way. She said he would not shoot at Officers and [REDACTED] is upset she didn't get the chance to talk him out of it.

[REDACTED] added, the victim had been suicidal and even wrote a letter of apology to her for [REDACTED]. She reiterated the reason he ran was because the gun he had was probably stolen.

Reporting Party [REDACTED] concluded the interview by stating her brother would not have purposely shot at the Officers, but that she is sure the dog made him (victim) fire the weapon.

I then asked Reporting Party [REDACTED] about the rumor of the victim shooting at a nine year old child. [REDACTED] said the female on TV, talking about the victim chasing a boy, didn't know what she was saying. [REDACTED] said the female is named [REDACTED] and lives in the neighborhood. Reporting Party didn't know anything involving a nine year old boy.

1245 hours, interview concluded.

[REDACTED]

2303 3-31-91. I contacted witness [REDACTED] at the Hall of Justice, Homicide/Assaults Detail. Witness [REDACTED] had been transported down to the Hall of Justice by Officer L. Casey (Charles-26). [REDACTED] was then escorted into the Homicide/Assaults interview room where the following statement was obtained. The statement was recorded by audio and video tape and will be booked as evidence.

[REDACTED] was asked if she was the one who called the police in regards to this incident and she stated she did not, but rather her sister, [REDACTED], called the police at approximately 4:30 p.m. [REDACTED] was asked why she called the police, whereby she stated because her brother had a gun and was stating he was going to kill himself. [REDACTED] then stated she now feels she should not have called the police, due to what had happened.

[REDACTED] stated her brother has a history of mental illness. [REDACTED] stated her brother (deceased), Lloyd Thomas Augustine had never threatened anybody before, but was just going to kill himself. [REDACTED] also stated she did not know why the police had to shoot her brother so many times.

[REDACTED] was asked about her brothers mental illness and she stated her mother [REDACTED] had tried in the past to get Lloyd some help and to take him to a hospital for his mental illness, but that he had refused. [REDACTED] stated this was approximately four years ago while Lloyd was living in Sacramento, before he moved to Texas.

[REDACTED] was asked why her mother was trying to get help for Lloyd and she stated Lloyd was talking about committing suicide at that time. [REDACTED] was asked how Lloyd had talked about committing suicide and she stated, anyway he could. [REDACTED] stated, "Tonight, he (Lloyd) wanted to kill himself with a gun."

[REDACTED] was asked what started the whole situation. [REDACTED] stated Lloyd wasn't upset or fighting tonight, but had driven straight from Abilene, Texas, to Sacramento. [REDACTED] stated Lloyd went to his sister's house ([REDACTED] and arrived there approximately 4:00 to 4:30 p.m. this past afternoon, while driving Lloyd's father's LTD. [REDACTED] stated Lloyd came in the house and everybody was happy to see him, as they had not seen him for approximately two to three years. [REDACTED] stated the three of them (Lloyd, [REDACTED] and [REDACTED]) talked for awhile, at which point, Lloyd stated he wanted to kill himself. [REDACTED] stated Lloyd pulled out a gun from a

STATEMENT OF VICTIM:

OFFICER PAUL SCHABERT  
K-9 Unit

2309 3-31-91. I met with the above subject, Officer Paul Schabert of the K-9 Unit at the hall of Justice, 813 6TH Street. Schabert had been the victim of a 245(b) assault, by a subject with a handgun. His dog was injured by gunshot also. Also present with Officer Paul Schabert was Attorney David Maspagni, a Sacramento Police Officers Association Representative.

I asked Schabert how long he was a Police Officer and he stated he had been a Police Officer for approximately fourteen years. He stated that his current assignment was K-9 park Unit and that he had been on the K-9 Park Unit since 1981. I also advised him if he had special training while in the K-9 Unit and he responded with, yes. I asked Schabert to give me a statement as to what occurred and he gave the following statement.

(The following is a brief summary of a taped statement).

Officer Schabert stated that he was downtown sometime after 1630 hours when he had heard of a incident going on in the south area. He stated that it consisted of a foot pursuit and a subyet with a gun and some shots fired. Schabert stated that he responded out to the area, but couldn't remember if he, himself, initiated the response or if he had been asked to by the Supervisor in that particular district. He stated he only responded because the Officers had put out the fact that they had set up a perimeter in an area in which they believed he was now hiding.

Schabert stated they got out onto the scene and he talked to Officer Moffitt and his partner and they gave him the information about the individual and the fact the individual had a gun. Schabert then stated that being a Senior Officer, he had made sure that the area in which the individual had last been seen was cordoned off into a perimeter. He then requested the Supervisor to respond. He stated the Supervisor responded and they discussed what they should do and Schabert stated they then decided to contact the SWAT Team, being that they felt this was a situation where an armed subject had possibly barricaded himself in an area in which they had cordoned off.

Schabert stated the SWAT Team arrived on the scene and he and Kirt Campbell, another K-9 Officer, split the team of SWAT Officers. Schabert stated that he went with Officer Peterson, Officer Summers and Officer Valdez. Schabert stated that they had cordoned off six residences. Three being on one street and three being on another

street seperated by a fence. Schabert stated that they checked two of the residences that had been cordoned off and then they went into the last and final residence. Schabert stated that as he got close to a small fence area, his dog alerted. Schabert stated he then advised the SWAT Personnel that his dog had alerted. Schabert stated that the dog alerted and appeared to want to go over the fence to the other side. Schabert stated that the fence was only approximately a four foot fence. Schabert stated he opened the gate and the dog went into the rear yard area. Schabert stated he followed and the dog turned going one way and then quickly made a u-turn and headed toward the bush in the corner. Schabert stated the dog went right in and he could hear him make contact with the subject in the bush. All of a sudden Schabert stated he saw a muzzle flash to his front and pointed at him. He stated he believed he heard something going by the side of his head. Schabert stated he then heard a second shot and heard his dog cry out. At that time, Schabert stated he returned fire into the bush and then turned to take off. He stated he then turned around and fired two more rounds into the bush. Schabert stated that he thought something went by his left leg, but he wasn't sure, but he felt that a round, possibly from the first muzzle flash, had gone by his head.

I asked Schabert at the time he saw the muzzle flash and heard the shot go off toward him, did he feel that his life was in danger. Schabert responded with, "I thought I was dead." Schabert stated that when he got back into a safe place, he checked himself, because he thought he was definitely hit. Schabert stated at that time, shots rang out from the other Officers into the bush where the first shots were fired.

Schabert stated that he had retreated back into another area and then located his dog that had been wounded. Schabert stated he then picked up his dog and responded for medical treatment for his dog.

I asked Schabert how close he was to the bush when the shot went off at him. Schabert stated that he was approximately ten feet from where the suspect had fired.

Officer Schabert stated that he was working with Sergeant Roth's Team Number 20, along with another K-9 Unit in the checking of the perimeter in which had been cordoned off. He stated that he had conferred with Sergeant Roth and it was agreed upon that the dogs would be used in an attempt to locate the armed suspect.

STATEMENT OF:

SERGEANT CURT ROTH  
 Badge 3009  
 S.W.A.T. Supervisor  
 Special Response Team

2352 3-31-91. I contacted the above subject Sergeant Curt Roth of the Special Response Team known as S.W.A.T. I asked Sergeant Roth how long he'd been a Police Officer and he stated twenty-seven years. I asked what his current assignment and he stated he was Sergeant of the SES or better known as the S.W.A.T. Team. He stated he had been so for eighteen years. He was asked if he had any special training for that particular assignment and he stated yes.

Roth then gave the following statement regarding the incident.

Sergeant Roth stated that he had received a request from Communications to respond to a call where a subject had a suicide problem and that this subject had pointed the gun at himself and at one point, placed it under his chin and also had pointed the gun at an Officer. Roth stated that the gun was supposedly an Uzi type gun and so he called his S.W.A.T. members up to respond.

He stated he got to the scene, and after putting on special clothing for the operation, he also met with Acting Sergeant Enriquez and Lieutenant Twilling and a plan was put together. The plan was to check six residences. Three being on one street, and three being on the other street, all adjacent but divided by a fence. He stated this is the residences in which had been cordoned off and in which the suspect was believed to be inside of.

Roth stated he split his teams, each team having a K-9 Officer and dog with them. He stated that the idea that each team would check houses simultaneously until all the residences and yards checked clear. Roth stated that Officer Schabert was in the team that he was with and they were closing in on the last house that they were assigned to check on their side of the street. Roth stated that prior to checking the rear yard area over at the third residence, they did have to stop and check one of the residences which had a broken window, later determined to be an old window break.

Roth then stated as they got to an area at the third house, Schabert's dog alerted to an area which there was a short fence dividing off. At that time, Roth set up a position along with Officers Peterson and Summers, who would stay close to Schabert, as Schabert followed his dog after opening a fence gate into the back yard of the

third residence. Sergeant Roth stated that he saw the dog go into the fence and then he saw Schabert follow. He stated that from there on he did not have a view of where they went because he was on another side of a vehicle and there was a tin shed that blocked his view. Roth stated he then heard a gunshot. Roth stated then Summers fired and Peterson fired. Roth then stated that after a brief amount of shooting it was quiet. Sergeant Roth stated that Schabert had retreated into another area and was attempting to locate his dog.

Sergeant Roth then, after checking on the safety of his Officers, devised a plan, along with Lieutenant Twilling, to extract the subject from behind the bushes. Sergeant Roth stated that he had Officer Jarosick and Louie with shields and a K-9 Dog, start walking toward the bush after they had ample protection and a dog. Sergeant Roth stated he had Jarosick throw a flash bang canister into the bush in hopes that the subject would come out. Roth stated that he could see the subject in the bush and then he had Officer Louie fire two .37 mm CS rounds into the bush also. Sergeant Roth stated that neither the flash bang nor the CS rounds caused the subject to come out of the bush. Sergeant Roth stated then one of the K-9 dogs went into the bush and attempted to pull the subject out, but to no avail. Sergeant Roth stated that he then observed the gun lying away from the suspect a short distance on the ground.

At that time, Sergeant Roth stated that he had Officer Summers, after removing a small wood pile in front of the bush, pull the subject out from the bush and take him to an open space. Sergeant Roth stated the subject showed no signs of life and that a medical team was coming to the subjects aid immediately. Sergeant Roth stated at that time, his teams operation was terminated and they regrouped.

Sergeant Roth stated that when the first shot went off, he saw Schabert going back, somewhat with his hands up, as though he was falling back. Sergeant Roth stated that was the first initial shot in what he observed. Sergeant Roth stated that he, at no time, fired any rounds from his weapons, being that he did not have a clear vantage point to where the subject was, but did observe his officers return fire after the initial shot.

OFFICER KIRT CAMPBELL, K #9-33

03-39-91 2210 I contacted victim, Officer Kirt Campbell at the Hall of Justice, in the Homicide/Assaults interview room. At this time, I obtained the following statement which will be summarized and which was tape recorded both by audio and visual tape.

Campbell stated he was working as K#9-33 on this particular evening and was in the north area when he overheard the call to the south area. Campbell stated he responded to the south area to assist the investigation which dealt with an armed subject who fled officers, pointed a gun at himself and subsequently fired rounds. Campbell stated it was unclear to him at the time as to whether or not the subject fired rounds at the officers or in the air.

Campbell stated a perimeter was set up and S.W.A.T. was called due to the armed subject and a shot being fired.

Officer Campbell stated he, with other officers, checked residence due to calls from citizens in regards to noises, then responded back to the command post where he met with the S.W.A.T. officers. Officer Campbell stated that he then searched three houses on Goldenfield with the S.W.A.T. team assisting him in the search. Officer Campbell stated the three officers who assisted him were Officer Louie, Officer Jarosick checked houses on the north side of Franciscan Way, the first three houses north from Valleyvale Way. Officer Campbell stated other S.W.A.T. officers with a second K-9 team were searching the residence which backed up to residence which Officer Campbell and his team were searching.

Officer Campbell stated as they were completing their search of the last house at the corner of Valleyvale and Franciscan Way, he, Officer Jarosick and Officer Louie were looking through the fence into the back yard at [redacted] Goldenfield where the shooting subsequently took place. Officer Campbell stated while looking into the back yard, he noticed what looked like a brown rag by the corner of the front fence. Officer Campbell stated that he saw K-9 Officer Paul Schabert with his dog and a S.W.A.T. member, walk into this back yard (at [redacted] Goldenfield). Officer Campbell stated it was too late to get on the radio as Officer Schabert and his dog had entered the back yard, and Schabert's K-9, "Casey" was in the back yard. Officer Campbell stated he yelled at Officer Schabert to look to his right, and at that point, the K-9 (Casey) caught scent of the suspect and turned to his right toward the northwest corner of the backyard. Officer Campbell stated the subject was laying by a tree stump along the

Officer Campbell stated he felt something hit him in the inner left arm area as he was peaking through a knot hole in the fence. Officer Campbell stated he immediately hit the ground and heard approximately four or five shots being fired, but did not know as to whom the shots were fired from or at.

Officer Campbell stated he drew his weapon and came up. Ofc. Campbell stated Officer Louie yelled at Officer Campbell to get down on the ground, at which point, Officer Campbell ordered his dog onto the ground in a down position.

Officer Campbell stated he then ran southbound along the fence line and kicked in a portion of the fence and gained entrance into the back yard at [redacted] Goldenfield. Officer Campbell stated he used the corner of the house for cover, but could not hear what was going on as he had lost his radio. Officer Campbell stated he was signaled by Officer Valdez (who was in the back yard next to where this incident occurred) and was motioned to go to the front of the house. Officer Campbell stated he went out front at that time and saw K-9 Officer Paul Schabert carrying his dog out to his car and had noticed the dog was bleeding. Officer Campbell assisted Officer Schabert and his dog in the car and then went to the S.W.A.T. van and waited while officers tried to excavate the suspect who was in still in the back yard.

Officer Campbell stated Lieutenant Twilling asked Officer Campbell if he was OK, and whether or not Officer Campbell could use his dog to help get the suspect out of the back yard. Officer Campbell stated he was OK, and then retrieved a fifteen foot harness which he used to control his dog, in an attempt to locate and retrieve the suspect.

Officer Campbell stated the S.W.A.T. members used flash bangs and tear gas in an attempt to gain the suspect's attention and to determine whether or not the officers were in a safe position to apprehend the suspect, but received no reply from the suspect during either course of action. Officer Campbell stated he eventually got behind Officer Luie and Officer Valdez who used the body shields, at which point, he sent his K-9 (Lobo) in the back yard where they found the suspect lying on the ground in a pile of wood in an area of bushes. Officer Campbell stated that he called his dog out and together the three officers and the K-9 backed out of the area. Officer Campbell stated he then told additional officers that he felt the suspect was probably not conscious due to there was no movement which was unusual due to the dog biting his on his leg.

Officer Campbell stated a short time later, <sup>THE</sup> subject was removed by additional officers from around the tree stump and wood area, at which time, the paramedics were brought in. Officer Campbell stated the subject was placed in a gurney, given CPR, and transported to the hospital.

Officer Campbell stated it was fortunate no one got hurt and that he felt the officers did the best they could for the situation as there was a huge perimeter set up. Officer Campbell stated he did not expect to find the subject at that particular house as they had no idea as to where he was actually at. Officer Campbell was asked if he saw the subject with a gun and he stated he did not. Officer Campbell was asked if he felt he was in danger at the time the shooting occurred, and he stated, "Oh yeah, definitely. When I felt the bullet hit my arm, I knew my life was in jeopardy."

Officer Campbell stated he was approximately twenty five feet from the suspect at the time he felt the bullet hit his arm. Officer Campbell stated when he felt the round hit him, he could see the bullet hole in the fence, and felt certain the shot came from the suspect. The interview with Officer Campbell was terminated at approximately 2235 hours.

NOTE: Officer Campbell made a drawing of the backyard portion of the residence where the shooting occurred in order to better describe the incident during the interview. This drawing will be booked as evidence.

I asked him what his current assignment was, and he stated that he was on the special response team which was the S.W.A.T. team and team #20. I asked him how long he had been on that particular assignment and he stated two years and three months. I asked him if he had specialized training as a member of that particular unit, and he stated yes. Jarosick gave the following statement as to what he observed.

(The following is a brief summary of a taped statement.)

Jarosick stated that he was called by Sergeant Roth to respond in a S.W.A.T. call up where a subject described a male White, and a clothing description of blue jeans and a tan jacket had fired rounds and was currently armed and in an area which had been corded off by Police Officers. Jarosick stated that they responded to the scene and divided into two teams, each team having a K-9 unit and officer with them. Jarosick stated that he was in the team of Campbell, who was the K-9 officer, Brian Luie and himself. He stated they had the task of checking three residences and yards adjacent to another three residences and yards that the other team would be checking simultaneously along with them. Jarosick stated that they checked all of their three houses with negative finding of the individual. Jarosick stated that time he was looking through a knot hole into the third and final residence in which the other members of the other split team were just about to enter. Jarosick stated that he could see a person in a bush wearing blue jeans and matching the description of the subject who was armed and whom they were looking for. Jarosick stated that he then advised the other units of what his discovery was. Jarosick stated he then elevated himself up above the fence line by standing on a picnic table. Jarosick stated that he then saw Officer Schabert take his dog into the rear yard area, in which he had observed the subject in the bush. Jarosick stated that Officer Campbell, who was a K-9 officer, yelled over at Schabert to move his dog, and then the dog went right to the bush. Jarosick stated he saw the dog engage by biting the subject. Jarosick then stated he then saw a muzzle flash going off toward Officer Schabert. Jarosick stated the muzzle flash he could tell was elongated, indicating that it was going in the direction of Officer Schabert. Jarosick then stated he saw muzzle flash go off in

his direction, and at that point stated that he was in fear for his life, being that Officer Jarosick was elevated above the fence line and exposed. Jarosick stated he then fired two(2) three round bursts from his HKMP5 weapon into where the muzzle flash came from. He stated he could also hear Peterson firing two rounds from his weapon, because he knew what it sounded like. Jarosick stated after the firing ended, he could see the subject still in the bush and could see that the subject was breathing. Jarosick stated he yelled at the subject to please come out, and requested the subject to come out at this time. Jarosick stated they waited a brief time in hopes that the individual would come out from the bush. Jarosick stated that there wasn't any response from the individual, he and Officer Luie were assigned another task. That task was to shield themselves with metal shields and then along with a K-9 dog, head toward where the subject was in the bush. Jarosick stated that he was given the assignment of throwing a flash bang device into the bush in hopes of extracting the individual that way, which failed. Officer Jarosick stated that Officer Louie fired two tear gas rounds into the bush, and they also failed to cause the individual to extract himself from the bush. Officer Jarosick stated the dog finally reached the bush, went in and attempted to pull the individual out, but to no avail. At that time, Jarosick stated Officer Summers, after removing a small wood pile in front of the bush, pulled the individual out into the open. Officer Jarosick stated he saw no life signs coming from the individual. I asked Jarosick if he knew that Campbell had been struck by a bullet, and he stated no, he didn't know that Campbell was struck at the time they engaged in shooting back at the subject who fired at them and also Officer Schabert.

STATEMENT OF;

Officer Brian LOUIE, badge #593  
CSU/S.W.A.T.

0045 04-01-91 I contacted the above officer at the Hall of Justice at 813 6th Street. Upon contacting him, I asked him how long he had been a Police officer, and he stated for approximately seven years. I asked him what his current assignment was and he stated that he was assigned to the Crime Suppression Unit, or better known as CSU, and the S.W.A.T. team or Special Enforcement Section. I asked him how long he had been on the Crime Suppression Unit, and he stated three years, and that he had two years on the Special Response Team, S.W.A.T. I asked him if he had obtained special training for that particular assignment, and he stated yes. I then asked Officer Louie if he would give a statement as to what he had observed in the above listed incident.

Officer Louie stated that he was at work when they had been advised of a problem situation where a subject was attempting suicide with a gun and they gave a description of a male White wearing blue jeans and a tan jacket. Officer Louie stated that the S.W.A.T. members of Team 20 then responded out to where the incident had occurred. Officer Louie stated that the area to be searched by Team 20 and the K-9 Units consisted of six houses, three on each side of each street, both adjacent to one another, divided by a fence line. Officer Louie stated that he was to go with Officer Campbell and Jarosick to check three residences on one street. He stated that they checked all three of the residences with negative results. He stated as they were in the back yard of one residence, waiting for the adjacent search team to finish with the last house in the cordoned off perimeter, he looked through a knot hole and saw something in the bush. He stated that he then asked Officer Jarosick to look also. Officer Louie stated he then looked back to the peep hole and saw Officer Schabert entering the adjacent rear yard with a dog. Officer Louie stated all of a sudden he heard a gunshot and saw a flash while looking through the hole. Officer Louie stated that's all he could see because of the size of the knot hole. He stated then he heard several shots ring out. Officer Louie stated that Jarosick, who was with his team, was elevated above the fence line standing on a picnic table, fired shots to the area where he had observed the flash. Officer Louie stated after all the firing had ceased, he and Jarosick were assigned to use shields and along with one of the K-9 Unit's dogs, go into the rear yard and attempt to extract the subject that was hiding in the bush. Officer Louie also stated prior to the initial first shot, he saw the dog engage the subject in the bush when he then heard the first shot. Officer Louie stated that as he and Officer

Jarosick were approaching the bush, he called out to the subject by the name of LLOYD to come out of the bush. Officer Louie stated he called several times, but there was no response. Officer Louie stated that he could see the subject breathing. Officer Louie then stated that Officer Jarosick was advised to throw a flash bang canister into the bush in hopes of causing the individual to extract himself, but after the flash bang canister went off, the subject did not come out. Officer Louie then stated he was advised to fire two .37 mm CS canisters into the bush area, which he did, but it also did not cause the individual to extract from the bush. Officer Louie then stated they approached the bush until the dog had reached the bush and the dog attempted to go in and pull the individual out, but the dog could not extract the individual out. Officer Louie then stated that Officer Sommers, who was on the other team, removed some wood that was by the bush and himself pulled out the subject into the open area.

Officer Louie stated that when he heard the first shot go off, he felt a danger for himself and he felt the safety of his other of his other fellow officers was in jeopardy. Officer Louie stated that he did not fire any of his weapons at the subject, but only fired two CS canisters.
