STATEMENT OF VICTIM:

REESE, Officer Steve

1010 hours, 06-13-91, R/O contacted Officer Steve Reese on the second floor Intensive Care Unit at the UCD Med Center. R/O briefly met with Reese's wife, [REDACTED], just before entering the room where Officer Reese was being monitored by medical personnel. [REDACTED] handed R/O three slips of paper that was given to her by victim's father [REDACTED] who attempted to obtain information from the victim in regards to this incident.

R/O observed medical tubes in the victim's mouth, and thus, was unable to verbally provide R/O with a statement, however, R/O read from the notes given to R/O and the following was verified with the victim as to events leading to the shooting.

The following is a summation of the notes that R/O read from three pieces of paper and in addition, two notes that the victim wrote out to R/O. In addition, the summary also includes R/O's notes that were taken as R/O questioned the victim about the incident in which he was able to acknowledge by shaking his head in the affirmative or negative.

Thus, the following statement was received.

Victim related initially, on the three sheets of paper, to his father, written and printed on these documents as follows.

Victim related that he saw the suspect walking from the call. The victim pulled up and honked his horn, and the suspect kept walking. The victim boxed the suspect in with his car and started yelling out and the suspect pulled out a gun as fast as he could and started to shoot at the victim's car. Victim stated that he knew he was hit.

Victim hit the ground, and advised radio. The victim indicated that he returned fire as the suspect came looking and walking towards him, and wanted to kill the victim. The suspect ran southbound from the scene.

The third piece of paper indicated something to the effect that the victim was sore and indicated that he was uncomfortable in the room. Most of the information on this other piece of paper was in reference to the victim's condition.

R/O provided the victim with additional sheets of paper where he again restated the incident. The victim restated that he responded to a call on San Jose from Broadway, and as he went northbound, he saw this guy walking from an apartment. R/O then wrote down the following information, that the victim honked his horn, and effected his high beams. The subject kept walking and just looked at the victim. The victim then drove up and parked his car near the curb, "boxing in the suspect", and the suspect continued walking. The suspect then pulled out a dark colored handgun and began shooting at the victim through the window (right passenger window). The suspect is described as a male Black, 25, 5'6", medium muscular build, like a parolee, wearing a white T shirt, a black baseball Raiders cap and pants (unknown further description).

The suspect fired at least two times at the victim and as the victim got out, victim states he fired several times towards the suspect who appeared to be walking towards him.

The victim then wrote down the following information on a piece of paper R/O provide him again. Victim indicated as he wrote that the suspect fired into the car, and that the victim saw the suspect pull out the gun first. Further that the victim got out and fell down and called for cover. Further that the victim capped off some rounds back as the suspect came around for him. Victim felt that the suspect was going to finish him off, and thus the victim fired at the suspect in fear for his life. Victim states he shot again as the suspect fled from the scene.

Victim also indicated as he wrote, "I didn't want him to come back and put one in my head".

Victim states that he can identify the suspect if seen again, and that the suspect did not look familiar to him as being a subject he has seen before.

STATEMENT OF VICTIM:

REESE, Steve

0920 hours, 06-14-91, Detective Azevedo and Lee responded to the University of California Davis Medical Center at ICU. The purpose of the response there was to contact victim Steve Reese and to show a series of photographs with an attempt to identify the suspect. Prior to showing the photographs to victim Reese, I advised him that the suspect may or may not be in the series of photographs and that he was under no obligation to pick anyone of the photos.

Victim Reese said that he was under medication and was somewhat groggy, however, he would like to view the photographs. At that point, I held the five photographs and had him view them until he told me to flip from #1 to #2, and so on. He viewed photo #1, and had me flip to #2, thereafter he had me flip to photo #3, and viewed photo #4 and said, "I think that's him". I then asked him why he had picked photo #4 and Officer Reese said, "Cause of his eyes, his hair. He has the same facial features. I'm under medication, but I won't forget that face". I then flipped to photo #5 and victim Reese again said, "I think it's photo #4".

At that point, I had him sign and date the back of photo #4 and also had him initial and date the backs of the rest of the five photos.

The photos used were that of "mug type" photograph color of five male Blacks. The photos used were;

- #1. [REDACTED]
- #2. [REDACTED]
- #3. [REDACTED]
- #4. [REDACTED] (Suspect)
- #5. [REDACTED]

The aforementioned photos will be booked into Sacramento Police Department Property to be used as evidence if need be.

STATEMENT OF WITNESS:

[REDACTED]  
FB/43/DOB [REDACTED]

0430 hours, 06-13-91, Detective Azevedo contacted witness [REDACTED] at her residence and obtained her statement. The interview was conducted in the lobby type room of the residence and afforded maximum privacy. Witness [REDACTED] is an in house director for the mentally ill who are housed in the home. Witness [REDACTED] currently supervises twelve residents residing in the home.

During the entire interview, witness [REDACTED] was calm and in full control. She was awake, sober and communicated well. She then went on to say she had received a telephone call from a niece at approximately 0230 hours and therefore was awake. She said she was in the lobby of the house which is located on the south portion of the home and was about to get a glass of water.

She said that for some reason she heard a voice which sounded like it was coming from a public announcement system and the voice said, "Halt". It was at that time that she looked through the slat in her window shade and saw a marked police car west bound on 8th Avenue just past 40th Street. She said the police vehicle was traveling very slowly at the time that she saw it.

Witness [REDACTED] said she also saw a male Black adult walking west bound on the sidewalk on the north side of 8th Avenue. The police vehicle pulled towards the curb in the direction of the aforementioned pedestrian. Witness [REDACTED] says she doesn't know where it came from but all of a sudden the pedestrian had a gun with a long barrel. Witness said she didn't see the officer because she was concentrating on the subject with the gun. She assumes the officer got out of his vehicle but she did not see him.

Suddenly, she saw and heard the suspect shoot the officer three times. She said to herself, "This man is shooting at a policeman". She then saw the police officer shoot back. She said the suspect continued walking westbound on the sidewalk but started to limp and bent forward. The suspect approached the city metal light pole directly in front of witness' residence. While in between the city light pole and the utility pole (just west of the metal city pole), the suspect turned back towards the officer and fired two more shots at the officer. She said the officer also fired several more shots. She said, totally, she heard approximately eight to ten shots.

At that time, she "low called" to her bedroom located near the southeast portion of her residence and dialed 911. She said she wanted to apologize to the dispatcher for being so panick stricken and not making sense.

After talking to the dispatcher, she said some of the residen~~ts~~ had got up and got very upset to see her upset. She tried to calm them down and waited for the police to arrive. She said they were there within moments. She also said she tried calling back to the 911 operator to let her know that the police had arrived but that she couldn't get through.

Witness [REDACTED] did not see the suspect after he fired the last two shots and doesn't know where he went. I asked her to describe him. She said she didn't see a face, but did see that he is a male Black. He wore a long sleeve white color thermal top, blue Levis and was armed with a long barrel gun. (No further description). She is unable to identify the suspect if seen again.

At that point, I asked her if she had a clear <sup>view</sup> of the entire scene and she said she did. I then asked her if she had seen anyone besides the suspect and the officer. Witness said she had not seen anyone else, nor did she hear any other voices. I then asked her if she had heard any other communications besides, "Halt" by (presumably) the officer. She said she had not heard anything else except the "groan" that the suspect made at the time that he bent down and fired the two shots back at the officer.

Witness [REDACTED] said after the calling to the 911 dispatcher, she attempted to calm all of the residents who had now gotten up and were milling and prancing throughout the house. She said that after she calmed down she exited her residence and contacted the uniformed officer outside.

After Detective Azevedo contacted the witness and obtained her follow up statement, I had her accompany me out to the scene in front of her residence. I then asked her to specifically show to me where the suspect was when she first saw him; when she realized that he was shooting at the officer, and where he was when he bent down, turned and fired again at the officer. 0755 hours, 06-13-91, Detective Azevedo, while conducting a canvassing of the neighborhood contacted witness ██████████ at her residence. At that time, I advised her that I was investigating the shooting of the uniformed officer.

Witness ██████████ said that she was in bed asleep and heard approximately five shots. She said that the shots sounded a different caliber and that the last of the five shots sounded like a larger caliber weapon. She said she thought that the shots were coming from the 40th Street side and looked out of her window towards that direction. She saw nothing, and then heard a voice say, "Oh, I've been hit. I've been hit, that son of a bitch hit me". At that time, witness ██████████ looked out of her window on the north side towards 8th Avenue and saw the uniformed officer lying on the street outside of his vehicle. She said that she heard him say again, "That son of a bitch shot me, it hurts, I need help." I then asked witness ██████████ what she did next and she said that she was afraid to go out and thought that the officer might be in shock and that he had a gun and she didn't know what he might do. She said that approximately three minutes passed, and thereafter the reinforcements arrived.

I then asked witness ██████████ if she had heard any verbal communication prior to hearing the shots and she said she had not. I then asked her if she had seen anyone running from the vicinity of the police car and again she said that she had not.

STATEMENT OF WITNESS:

[REDACTED]  
MW/DOB [REDACTED]

0600 hours, 06-13-91, R/O interviewed Mr. [REDACTED] in his back yard. [REDACTED] related the following.

[REDACTED] stated that it was approximately 3:00 to 4:00 a.m., this date, when he was awakened out of his sleep by his son who advised him and his wife that he heard what sounded like gunshots. [REDACTED] related that he got up and suddenly when he was walking towards the rear of his residence, his daughter, [REDACTED] came running to meet them in the hallway and indicated that she heard someone knocking on the back door. [REDACTED] went up to the back door and heard someone trying to get in apparently by trying the door knob and tapping on the back door. [REDACTED] told his son to get his gun and after his son complied, [REDACTED] went outside and saw the suspect sitting on the porch just outside of the back door. [REDACTED] asked the subject what he was doing, and the subject replied that he was looking for his friend. The subject then got up and walked to the back end of their vehicle parked in the driveway and during this time, [REDACTED] was telling the subject, "What the fuck you doing here". The suspect replied, "What you going to do, Fag. I'm going to come in and fuck up all of ya".

[REDACTED] further related that the suspect did not have a weapon, but it was apparent he was injured as it appeared that he had blood on his right side.

[REDACTED] related that eventually the police arrived and they were told to stay in the front of the residence and the suspect was eventually arrested.

[REDACTED] described the suspect as follows: male Black, wearing a white T shirt, blue jeans, and had braids in his hair.

[REDACTED] stated that while he was talking to the suspect, his eyes were wide open and he appeared to be "wired".

R/O led [REDACTED] back to the furthest part of his rear yard and there was a six foot wooden fence which runs north and south, bordering the property between his property and that directly west of his. [REDACTED] was asked if the mid portion of the fence that had a slot broken off the top (approximately ten inches) was fresh. [REDACTED] replied that it was, and that it was not broken before. Further examination indicated that the bushes and shrubs near the mid portion of the fence that appeared to be recently broken had also been recently damaged.

0540 hours, 06/13/91, Detective Azevedo and Lee contacted witness ██████████ at his residence. Note that his residence is where the suspect (Donnie Young) was located and apprehended. I advised witness ██████████ I was investigating the shooting of an officer and asked him to relate to me what he knew.

Witness ██████████ said he was watching t.v. and it was approximately between 0230 hours and 0300 hours. He said he heard between six to ten shots and they were in rapid fire. He said one of the shots sounded like a different caliber from the others. He guessed the calibers between .22 and .38. ██████████ said, moments later he heard squealing tires and sirens. At that time he went to tell his parents (asleep in bed). He thought it was a "Drive-by shooting".

Seconds later, he heard a loud banging on the back door. Witness ██████████ said he thought the banging on the door might be from a victim of a drive-by shooting. However, he didn't open for this subject. ██████████ said he looked out the rear window and saw a subject sitting on top of the roof of witnesses' vehicle. This vehicle was parked in the rear yard of witenesse's residence.

██████████ said the police drove by and shined a bright light towards the rear yard where the suspect was, but the Police kept on going. ██████████ said that the suspect was mumbling something like "I got to rest, got to get some rest". ██████████ said the suspect seemed "High" and was not talking rational. ██████████ said he then quickly opened the back door to let his dog in and then also quickly locked it.

██████████ then ran out the front door and chased the police vehicles and contacted a uniformed officer. Witness ██████████ advised the officer that there was a subject in the rear yard. ██████████ then ran back to his residence and directed the police towards his rear yard and the approximate location of the suspect. ██████████ said two officers, one went through the home and one went through the side yard and entered the rear yard, but did not locate the suspect. The same two officers then exited the yard and contacted a canine unit which was sent to the rear yard. ██████████ said the dog found the suspect and the police dragged him to the front yard where the

STATEMENT OF ARRESTED SUBJECT:

YOUNG, Donnie Ray

[REDACTED]

MBA/37 yrs. old

0935 hours, 06-14-91, Detectives Lee and Azevedo contacted arrested subject Young on the 4th floor east wing in the UCD Med Center. The following is the summary of a tape recorded statement.

R/O asked Young how he got shot since the shooting took place prior to Officer Reese being shot. Young advised R/O that it was late at night when he left his sister's house on 37th Street. Young does not recall her address. Young stated that he had been drinking all day and when asked what he drank, he stated that he drank a little bit of everything (ie. Vodka). Young stated that while walking home to his residence, is when he was shot. Young stated that he was alone when he was walking, but he does not recall any details about the shooting. Young stated that suddenly someone was shooting, and everybody started running. Young was asked at least two times where he was shot and he replied that it was on 40th Street and 8th Avenue.

R/O asked Young if he recalls smoking cocaine in a park near 4th Avenue with another subject, which resulted in an argument and a shooting. Young denied this. Young was asked if he did take any drugs that day, and Young denied this. R/O confronted Young about cocaine in his system. Young made no remarks.

Young stated that after he got shot, he recalls feeling the pain and that he ran and later jumped over a fence.

R/O asked Young if he remembers that a police officer attempted to stop him. Young replied that he does not recall.

0945 hours, R/O then advised Young of his rights per Miranda. Young acknowledged that, though he did not have a high school diploma, he can comprehend. Young replied after being asked if he would be willing to waive his rights and give as statement regarding the charges against him. Young replied that he would see an attorney first.

Prior to advising Young of his rights, R/O advised Young that he was being charged with an attempt murder on a police officer. Young replied that he did not realize he was being charged, though he was aware that he was in custody since there were some legchains attached to him.

Said police vehicle was facing in a somewhat northwestern direction with a right front tire resting approximately six inches from the north curb of 8th Avenue.

The driver's door was fully extended in the open position with the driver's window completely rolled down.

Further examination of the inside portion of the driver's door, revealed two dents, one larger than the other, near the top hinge section of said door. Pieces of what appears to be copper jacketed slugs were resting below the two dents on the frame of the vehicle.

The right front passenger window was shattered with a large portion near the center to be completely gone. Numerous bits of shattered glass was observed on the following items:

- #1. On both driver's seat and passenger's seat.
- #2. On a black attache case which was on the right front seat.
- #3. On the floor board of both right and front sections as well as the rear seats.
- #4. On the ground just outside of the right front door.

Further examination for damage revealed a small indentation on the left side of the vehicle's hood area near the windshield. This indentation is oblong in shape, situated in a northwesterly direction approximately one half inch in length by one quarter inch in width. It appears that if a slug produced this indentation, that it would be larger than a .22 caliber slug. In addition to the impact damage to the lower left side of the front windshield, just above the hood indentation, it appears that the two areas of damage are related and possibly that portion of the windshield was a ricocheted from the damaged area from the hood. It appeared that the direction of travel, causing both indentation on the hood and the damaged windshield came from a northwesterly direction, the same direction in which the vehicle was facing.

R/O observed the following equipment and items in said vehicle.

- #1. A twelve gauge department issued shot gun secured in it's rack between the front seats.
- #2. A black leather Sam Brown appeared to be fully equipped with night stick, cases, ect., minus the handgun on the driver's seat containing possible blood.
- #3. A department issued handy talkie radio on the driver's seat near the back cushion.
- #4. A black attache case in the closed position on the right front passenger seat with a lock in facing towards the driver's seat, containing a small amount of blood, more concentrated on the left portion of the case.
- #5. A black cloth bag with unknown contents on the right front passenger floorboard.

- #4. A 9mm spent brass casing, approximately eight inches southeast of the back of the left rear tire of said vehicle.
- #5. A brass spent casing approximately two feet south of the left rear tire.

a large multi-story residential structure on the north side of 8th Avenue.(address [redacted]). Said residence sets in from the sidewalk approximately twenty five feet north of the north curb of 8th Avenue and faces south. The closest source of illumination to the above police vehicle is a metal street utility light that was on providing light in the area just west of the squad car, however some of the light was illuminating the area around the squad car.

R/O also observed a single family residence directly across the street (# [redacted]) to have it's porch light on.

Additional street lights were observed on, approximately one third of a block in both east and west directions.

VII. AREA OF ARREST:

R/O was advised that the suspect was taken into custody in the rear yard of [redacted] 40th Street.

Said residence is located approximately one half block south of the intersection of 8th Avenue, just one half block east of the crime scene. This single story wooden framed residence is located on the west side of 40th Street facing east. Said residence contains a detached single car garage with the door in the closed position. Said garage is located approximately seventy five feet from the west curb line of 40th Street and also faces east.

R/O observed a small puddle of possible blood observed within the proximity of the garage door (about two feet) and also a similar amount but more smeared on the sidewalk adjacent to the most eastern portion of said driveway.

Between the two puddles of possible blood were several small spots of blood that appeared to be oblong in shape and indicating a direction of the source to be east. Thus, visual examination of the possible blood spots appear to have been caused by

a source moving in a easterly direction.

R/O observed the rear yard of said residence to be rectangular in shape (east/west) bordered by a wooden fence approximately six feet in height. The wooden fence which secures the most western part of the yard, running north and south, had recent damage to the top portion of the fence about approximately half way. Further examination of this area also indicated that the shrubbery nearby this damaged portion of the fence also appeared to have been molested or disturbed. R/O varified this recent damage with the owner of the property.

The adjoining rear yard is the property known as [redacted] San Carlos. This residence was inspected by R/O and escorted by Officer Mike Smith. Smith advised R/O that the suspect initially trespassed this property on San Carlos and climbed over the fence into [redacted] 40th Street.

The residence of [redacted] San Carlos was boarded up and obviously vacant. The rear yard which rectangular in shape (east/west) contained weeds approximately two feet in height. A wooden fence, most delabitated and patched in several areas boarded the rear yard.

R/O inspected the rear yard along with Officer Smith as he pointed out a black Raider type baseball cap resting on the weeds near the recently damaged portion of the fence that leads into the residence on 40th Street. This Raiders cap was later confiscated and booked as evidence by CSI Officers Snow and Pollard.

A visual search of this area as well as the above surrounding areas for a possible weapon proved negative at this time.

R/O also escorted Sacramento Police Technicians to the rear yards of the above residences for the areas to be searched with a metal detector.

INVESTIGATOR'S ACTIVITIES:

0935 hours, 06-13-91, R/O received a call from [REDACTED] father of the victim. Reese informed R/O that he is currently at the UCD Med Center and he had just had a "conversation" with his son who is able to write his statement out on several pieces of paper. [REDACTED] advised R/O briefly that his son indicated that he tried to stop the suspect who shot at him, and further, that his son got down on the ground and the suspect came at him to finish him off. Thus, the victim fired back and it is unknown whether he shot the suspect. The suspect appeared to be a parolee based on his muscular appearance.

R/O asked [REDACTED] if he felt could identify the suspect if seen again, and [REDACTED] indicated that his son did mention that he could identify the suspect.

R/O advised [REDACTED] that R/O would contact his son as soon as possible since [REDACTED] indicated that his son was awake though he has tubes in his mouth, that he is also communicating to him and apparently wants to make a statement.

1010 hours, R/O arrived at the UCD Med Center and contacted victim's wife who provided R/O with the hand written statement that the victim made. R/O then personally contacted the victim and reviewed his statement with those notes. (See statement of victim for details.)

**Shooting suspect in court**

Donnie Ray Young, 37, had recovered well enough from a gunshot wound to make a brief appearance Wednesday before Sacramento Municipal Court Judge Jane Ure.

Judge Ure advised Young that he is charged with attempted murder and assault with a firearm in the June 13 attack on Officer Steve Reese.

Reese was wounded when a man he had stopped on the street turned and fired through the passenger window of the squad car, hitting Reese in the abdomen.

Reese managed to return the gunfire and radio for help. Young was arrested a few minutes later when officers found him behind a residence in the 3400 block of 40th Avenue.

Young is being held without bail in the Sacramento County jail. He was ordered returned to court June 28 for further proceedings.

STATEMENT OF WITNESS:

[REDACTED]  
FW 15  
DOB [REDACTED]

0915 hours, 6-19-91. Detective Azevedo received a telephone call from [REDACTED], Counselor at "Helping Hands," a home for wayward juveniles in Redding, CA., phone [REDACTED]. Ms. [REDACTED] wanted to advised me that one of her clients; [REDACTED] was placed in the home and had told Ms. [REDACTED] about a shooting in Sacramento. Additionally, [REDACTED] had said she was a witness to two separate shootings in the Sacramento area; one of them a Officer involved shooting.

One of the shootings involved a Police Officer at 4th Avenue and Santa Cruz Way in Oak Park. Another, involved a shooting at the JJ Club. Ms. [REDACTED] went on to say that [REDACTED] had said that on Friday, at 3:40 a.m., she and a girlfriend named [REDACTED] along with [REDACTED] a MB, were outside of the JJ Club. [REDACTED] got involved in an argument with another subject and [REDACTED] got shot. At that point, I advised Ms. [REDACTED] I would make arrangements to visit them and both of us agreed to meet at 1300 hours at 1300 hours on 6-25-91. I was to meet with witness [REDACTED] along with Ms. [REDACTED] at the GAIN building at 1400 California Avenue, Redding, CA.

1300 6-25-91. I met with witness [REDACTED] along with Ms. [REDACTED] at the GAIN building. The interview was conducted in a conference room with myself, Ms. [REDACTED] and witness [REDACTED] present. At this point, I can say that the shooting the witness will describe in the following statement is not the Officer involved shooting, consisting of Officer Steve Reese. However, the witness does describe the shooting in the following statement:

Witness [REDACTED] said that at approximately 0300 hours, 6-13-91, she was on Santa Cruz, north of 4th Avenue. She said she heard some people say "There goes a pig, he's a Narc." She thinks there was some words exchanged between the Officer and the suspect. The suspect then fired one shot and the Officer returned fire by firing one shot. She said that's all she knows and saw the rest on the news.

I asked her where it had occurred. She said it was near the northwest portion of the park, near Santa Cruz and 4th Avenue. I then asked her if the Officer had a marked police unit. Witness [REDACTED] said the Officer was driving an unmarked

car, but she "Could tell it was an undercover car, because it has a diamond on the license plate." (Exempt plate). Note that Sacramento Police Department's unmarked police vehicles do not bear exempt plates.

Witness [REDACTED] went on to say she didn't check on anyone's welfare, but ran to a friend's residence. She said she went to [REDACTED] (unknown last name), a FB 15, attends Sacramento High School and lives near 8th Avenue and 41st Street. Witness [REDACTED] went on to say that a subject by the name of [REDACTED] MB 18, also witnessed the shooting. She doesn't know if anyone else witnessed it, but says that there were some other individuals around the suspect during the time of the shooting. She also said that the suspect was standing just north of the Officer's vehicle.

I asked her if there was anyone else in the Officer's vehicle besides the Officer she described. She said that the Officer was the only one in the police vehicle. I then asked her to describe the responsible; he is described as [REDACTED] or [REDACTED], MB 20's, 5'8/160, black braids, collar length and coco brown complexion.

I then showed to her a series of photographs numbered 1-5. Additionally, I advised her that the suspect may or may not be in the series of photographs and that she was under no obligation to pick anyone of the photos. After reviewing the photographs, witness [REDACTED] picked photo #4 and said that the subject was similar to the facial features as the suspect doing the shooting. However, she said that subject in photo #4 was not the responsible. She also said that she has seen this same individual in the photo, two times last summer (1990).

WITNESS STATEMENT:

[REDACTED]  
FB, 27, D.O.B. [REDACTED]

2154 hours, 06/20/91, Detective Azevedo met with witness, [REDACTED] at the Hall of Justice, second floor, Homicide Assaults Interview room, number five. The witness had been brought to the Hall of Justice by CSU Officers', Valdez and Sakauye. Witness Baker had been "flagged as a witness in a stabbing case being handled by Detective Faust. Detective Faust had placed the witnesses' name in the computer and requested that she be interviewed. However, during the transportation to the Hall of Justice, witness Baker also said she had witnessed the shooting between the suspect and a Police Officer. Coincidentally, Sacramento Police Department had a circumstance worry, a Sacramento Police Department uniformed officer in a marked police vehicle got into a shoot-out. Therefore; I was called into the Hall of Justice to interview witness [REDACTED]

The interview was audio recorded without the witnesses knowledge and lasted approximately forty-five minutes. Although the cassette last forty-five minutes (on each side), the cassette had just ended prior to the interview concluding. Therefore; there is a slight missed portion of the interview right at the end.

I began the interview by advised witness [REDACTED] that I couldn't question her on the stabbing case because I didn't have the facts. However; I also advised her I had learned from Officer Valdez that she had mentioned knowing about the officer involved shooting.

Witness [REDACTED] said she and a friend were walking eastbound on 11th Avenue at 40th Street. They saw a marked police vehicle, also eastbound on 11th Avenue just to the west of witness [REDACTED] and her friend. [REDACTED] said a subject came from between the homes and started shooting at the police vehicle. Witness [REDACTED] said she grabbed the baby that she was with, along with her friend and both of them ran. [REDACTED] at this point, said she didn't turn to see who was the shooter. She said she learned about the circumstances on the television the next day.

She also said that the following day she went to 4th Avenue and Santa Cruz and spoke with a subject named [REDACTED]. [REDACTED] told [REDACTED] that his cousin had shot the Police Officer. At this point, I asked [REDACTED] where the shooting of the officer had occurred, and if in fact, it was at 11th Avenue and 40th Street. [REDACTED] agreed that it was. (Note that the officer involved shooting with Reese and a listed suspect, Donnie Ray YOUNG occurred at 8th Avenue and 40th Street).

I then asked [redacted] if she had been drinking, "smoking", and or under the influence of anything. She denied drinking and smoking, but said she had taken phemobarbital for her epilepsy.

When asked to name the person involved in the shooting with the police, she said it was [redacted] (Note, that this name is not listed in the several AKA's of Donna Young). Additionally, [redacted] said she has known [redacted] since 1979 in Junior High School. [redacted] is also a first cousin of listed witness, [redacted]. At this point, [redacted] said that [redacted] had said that [redacted] was also shot (it is unknown at this point and time who shot [redacted]). Witness [redacted] said [redacted] lives with his grandmother at a Board and Care Home on 4th Avenue and 42nd Street.

Witness [redacted] went on to say, she and her "mate"; [redacted] female Black, 24, D.O.B. of [redacted] (married to witness [redacted]) reside together at the Greenbriar Motel, room number [redacted] at Stockton Boulevard and Parker Avenue. She said that both were walking eastbound on 11th Avenue, approaching 44th Street when they heard what sounded like a blurp of a police siren. She passed the group of individuals, including [redacted]. She said that six to seven people were standing around in this group of subjects. She said that the shooter that came from within the houses, shot approximately three shots. She said that the officer shot approximately two shots and that she heard a total of five shots. She said the officer may have shot two shots and the suspect three shots.

At this point, I showed to witness [redacted] a photo line-up with one of the five photos, including listed suspect, YOUNG. Witness [redacted] had named subject [redacted] as the person she saw earlier that date with the gun. Additionally, she said that as she passed him, he had said, "Do you need anything". Although she said she is not saying that the suspect in the photo shot the officer, she is saying she saw him with the gun. At that point, I had her sign and date the back of photo number four and had her date and initial the rest of the backs of the photos.

These photos used are:

Photo #5:

These photos will be booked into evidence at a later time, receipt number 91561. Note that suspect in photo number four has been identified as the responsible by witness Baker and is suspect identified by our police records as Donnie Ray YOUNG. This same individual and photo line-up were shown to Officer Reese, who also picked out suspect in photo number four as the responsible.

At that point, I asked witness how far away she and her friend, were from the shooting scene when it occurred. estimated it was approximately a distance of twenty-five feet. She also said, witnessed the shooting, but was too drunk and scared.

At this point, I wanted to confirm with witness if where and exactly the route that she was and followed. She said that after the shooting, she and traveled east on 10th Avenue from 44th Street and got to Stockton Boulevard and proceeded to the Greenbriar Motel, which is located at Stockton and Parker Avenue. I then tried to pinpoint as to who did the shooting. Witness vacillates at this point. Says she saw this subject that she knows as with the gun, but said, she wouldn't put it pass to do the shooting. However, she repeats that she didn't see with the gun, but did see with it. She also adds that she saw with the gun earlier that evening at approximately 9:00 p.m.

In order to corroborate the fact that we were talking about the same shooting, I requested from her that we were again talking about the officer involved shooting. She said she was talking about that, the officer involved shooting and that had said that shot the Police Officer. She said that had related to the reason for shooting the Police Officer was because

he didn't want to get caught with "All that stuff he had on him". I then asked her to name others that were at the scene with [redacted] and [redacted]. She said another subject named [redacted] also known as [redacted] a male Black, 26, 607, 160, thin, light skin, moustache and goatee was present. She said that there were other individuals, but she does not know who they are.

When asked to explain the earlier sighting of the gun and [redacted] she said that she had taken an unidentified White female, who wanted to buy some "rock" (crack cocaine) to [redacted] but that he got excited because he didn't know her. In fact, he asked [redacted] if the unidentified female was a officer. At the same time, he displayed a gun and explained, he had to "Protect his stuff". Witness [redacted] described the gun that [redacted] had, as a possible .38 caliber black gun with brown grips and approximately seven inches overall length and that it was an automatic. [redacted] said that he had obtained the gun from "trading it for dope". Again, witness [redacted] vacillated between having seen the shooting and hearing it on television, however; when asked if she is sure that [redacted] is the one with the gun, she said that it was.

I concluded the interview by confirming the victim's location and the location of the police vehicle. [redacted] is obviously describing a separate incident, other than the one that Officer Reese was involved with. There may be a remote possibility that she may be describing the shooting where suspect Donnie Ray YOUNG was initially shot. She did pick him out of the photo line-up as the one with the gun. The times that she describes don't jibe with the times and locations of the Officer Reese shooting, but there may be a possibility that the victim didn't seek aid directly after the shooting?

STATEMENT OF WITNESS:

MB/31/DOB

0915 06-27-91 Detective Azevedo contacted witness [REDACTED] at the Hall of Justice, 2nd floor, interview room #5. Witness [REDACTED] was at the Hall of Justice on an unrelated charge and was awaiting incarceration by Detective Valenzuela. I was informed by Valenzuela as to [REDACTED]'s presence and recognized the name as being mentioned by several witnesses that [REDACTED] was present during a shooting. The shooting referred to is the one occurring at Santa Cruz and 4th Avenue. The victim in that shooting is; Donnie Ray Young. Additionally, Donnie Ray Young is the suspect in the Officer involved shooting involving Officer Reese at 8th Avenue and 40th Street.

0915 I contacted witness [REDACTED] and advised him that he had been mentioned as a possible witness of the shooting involving Donnie Ray Young as the victim. Witness [REDACTED] said he didn't witness the shooting, nor was he present during the shooting. When asked if he had heard about it, he said he had but only through TV reports the next day. Note that we are talking about the shooting at approximately 0200 hours or 0300 hours on 06-13-91.

I then advised witness [REDACTED] that victim Donnie Ray Young (also suspect) had mentioned that [REDACTED] was present at the 4th Avenue and Santa Cruz Way shooting and again [REDACTED] denied being there and knowing anything about the shooting incident.

ATTENTION HOMICIDE DETAIL

SUMMARY

Item 1 (SPD 91561 #1), the bullet recovered from Steve Reese and Item 8 (SPD 91561 #32), the bullet recovered from the crime scene, could not be conclusively identified to have been fired from the revolver, Item 9.

Items 2 and 4 (SPD 91561 #15 and #22), the projectiles recovered from the crime scene, have similar general rifling characteristics as test fires from the 9mm pistol, Item 6.

RESULTS AND CONCLUSIONS

Item 1 (SPD 91561 #1) the bullet recovered from Steve Reese and Item 8 (SPD 91561 #32) the bullet recovered from the crime scene are nominal .32 S & W Long caliber, spent lead bullets weighing 94.6 and 89.3 grains. A conclusive determination could not be made on whether or not they were fired from the .32 S & W Long revolver, Item 9, although they have similar general rifling characteristics. Item 8 is in damaged condition. A limited number of land and groove impressions are visible, but general rifling characteristics are similar to Item 1. Item 1 has six land and groove impressions with a left twist. Rifling measurements for both bullets are land impression widths in the range of 0.040 to 0.050 inch and groove impression widths in the range of 0.102 to 0.110 inch.

Item 9 (SPD 91561 #33), is a Colt brand, model Police Positive, .32 Police CTG (.32 S & W Long) caliber, six chambered revolver, serial number [REDACTED]. It has a five inch barrel. Single action trigger pull is 4 to 5 pounds and double action trigger pull is 13 pounds. General rifling characteristics exhibited on test-fired bullets are six land and groove impressions, left twist, with land impression widths of 0.044 to 0.051 inch and groove impression widths of 0.109 to 0.111 inch.

Re: A91-608

Items 2 and 4 (SPD 91561 #15 and #22), are spent projectiles recovered from the crime scene. Item 2 is a relatively intact, spent, jacketed hollow point, nominal 9mm caliber bullet, 147.6 grains in weight. It is flattened on one side with abrasions.

Item 4 is a nominal 9mm caliber, spent, copper jacket of a bullet, weighing 23.2 grains. It has no core.

Both projectiles have general rifling characteristics the same as test fired bullets from the 9mm caliber pistol, Item 6. The projectiles may be suitable for microscopic comparisons. Microscopic comparisons were not performed, because it is stated that these bullets are from an officer's gun. Test fires, from Item 6, are stored in the laboratory for future work, if needed.

Item 3 (SPD 91561 #16), is a fragment from a copper jacketed bullet. No rifling characteristics are seen on the fragment. It was not removed from the sealed plastic vial and not examined further.

Item 5 (SPD 91561 #28), is one large lead fragment and one small lead fragment, weighing 95.3 and 1.8 grains. No rifling characteristics are seen on these fragments. No further examinations were performed.

Item 6 (SPD 91561 #29) is a Sig Sauer brand, model P226, 9mm caliber pistol, serial number [REDACTED]. It operated normally in tests. Single action trigger pull is 5 to 6 pounds and double action trigger pull is 15 to 16 pounds. Safeties are operational. General rifling characteristics exhibited on test fired bullet are six land and groove impressions, right twist, with land impression widths of 0.060 to 0.062 inches and groove impression widths of 0.115 to 0.116 inches.
