STATEMENT OF WITNESS:

[REDACTED]

07-02-92, at approximately 1530 hours, I contacted [REDACTED] at her residence in regards to a neighborhood canvas. [REDACTED] stated she was inside her residence when she heard what appeared to be two shots being fired. [REDACTED] stated she looked out her front living room window (south side) and saw a police officer in uniform chasing a big male Black subject while shooting at him.

[REDACTED] stated the officer was in the center divider at the time he was shooting at the Black man who was wearing a striped yellow and blue shirt, who was also running southbound across W. Elcamino Avenue.

[REDACTED] stated the Black man continued running southbound after crossing W. Elcamino Avenue, and then ran around the tree at the corner of the apartments across the street, while continuing southbound through the field. [REDACTED] stated the police officer ran to the corner, apparently saw the subject run down the back of the field. [REDACTED] stated it appeared to her that the officer then started running through the apartment complex while chasing after the subject. [REDACTED] stated she only got a glimpse of the male Black subject and did not see his face. [REDACTED] stated she would be unable to identify this subject and could provide no further description.

[REDACTED] stated she then saw several officers arrive at the scene and that one of the officers drove off in the other officer's car who was chasing the first subject.

[REDACTED] stated she believes she heard four shots all together as the first two shots caused her to look out the window and observe the officers shoot twice more while chasing the subject.

[REDACTED] stated she runs a care home for elderly and mentally disordered individuals. [REDACTED] stated there were four others at her residence at the time of the shooting, but she felt they would be of no value to the police in obtaining their statements. [REDACTED] described one of the residents at her resident as being a mentally retarded man, fifty-three years of age and his mother who is eighty-nine years of age. [REDACTED] identified another lady by the name of [REDACTED] stating she was seventy-three years and had a mental disorder condition, while the fourth individual was described as [REDACTED] and eighty-three years of age.

07-02-92, at approximately 1420 hours, I, Detective Gracia met with witness [REDACTED] at [REDACTED] W. Elcamino, Suite [REDACTED] [REDACTED] was a security guard for the complex of [REDACTED] W. Elcamino. I obtained the following statement in summary;

I was standing by the corner of Strings Spaghetti which is at the north end of this complex. There was a bench next to the spaghetti place. A police officer came up to me and said that he was a police officer and asked me to hold a portable telephone and dark glasses. He handed me the stuff and ran across W. Elcamino in a northbound direction towards the apartments across the street. I didn't see anyone that he was chasing at that time. When he was across the street, I saw him confront a male Black with a short sleeved white tee shirt. He drew his gun and made him lay face down at gunpoint. A marked police officer pulled up at that time, and the uniformed police officer got out of the squad car.

The uniformed police officer was walking towards the suspect, approaching him, and was reaching for what looked to be handcuffs. As he approached, the guy in the white tee shirt jumped up and ran back across El Camino towards the fence line of an apartment just west of here. I heard the police officers both yelling at the top of their lungs, "Stop! Stop! Stop! We'll shoot!" Both of them were yelling. The officer with the uniform shot four or five times, but didn't appear to hit the subject. The subject kept running, and the male Black officers started shooting and shot four to five times also. The guy was running in a southbound direction along the fence line to the apartment complex. He was a male Black in his thirties to forties, 5'7" to 5'9", husky build. He was wearing a white tee shirt and dark pants. At that time, I lost sight of the officers and the guy they were chasing as I was standing by the Strings, and they ran out of my view.

I held onto these items until you brought the officer up to me, and then I gave them back to him. That's all I know regarding what happened out there.

07-02-92, at approximately 1455 hours, I, Detective Gracia met with witness [REDACTED] at [REDACTED] W Elcamino, Suite [REDACTED] I spoke to him and obtained the following statement in summary;

I am the manager of the restaurant at this location. Earlier today, I was sitting out in the table area of the restaurant inside when I saw an undercover Black officer eating lunch at one of the tables. He had a black shirt on and he was sitting with his police radio on the table. I could hear the police radio, but it was on very loud. He was sitting there for a minute, and then he said, "Oh fuck!" so we knew something was going on. He jumped up and went out the front door and looked out towards W. Elcamino and towards the roof of the building ([REDACTED] W. Elcamino). He walked off towards W. Elcamino. A lady said he had told everybody not to leave so we all stayed inside.

I went back to doing work in the back area, and my wife was here also. She said that she needed water in her car which was parked in the alley just west of the restaurant. The back door of the restaurant opens onto the alley. I went out to the alley to put some water in her vehicle, and as I was trying to open the hood of the car, I heard a loud voice. I looked over and I saw the officer again across the field which is west of the alley. He was the same officer that I'd seen earlier in the store. He was chasing a male Black with a white tee shirt on southbound across the field to the rear of my business. He was running behind the man along the fence line of the apartment complex which is west of our location. At this point, they were both on this side (east side) of the fence. There was a uniformed officer standing on W. Elcamino, just about towards the end of the fence line of the apartment complex. He was on the southside of W. Elcamino and he had a gun in his hand. The other officer, the undercover officer had a radio in his hand, or something black. I heard the officer shouting but I couldn't make out what he said. At that point, the officer in the uniform shot approximately five times at the guy who was fleeing.

He fired approximately five or six times, and then he stopped shooting. The guy running hopped the fence into the apartment complex (west of the field). The Black officer was walking along our side of the fence on the east side, he looked like he was looking through the fence, looking for the guy. At this point, I returned to the store.

I gathered by one of the windows (on the south side) with a group of people who were still inside of the business. I saw the officer on the west side of the fence.

(At this time the witness became confused on the sequence of events or what he exactly saw.)

Initially the witness indicated that he thought he saw the male Black officer standing on the west side of the apartment complex towards the south end with his head sticking over the fence. He indicated that he did see the suspect standing in the field and the suspect was facing in the direction of his business (eastbound). He indicated the suspect looked as if he wanted to begin to run again towards the business. He indicated all of a sudden the suspect dropped to one knee. At that point, he indicated he saw a White police officer in uniform come from the area of the trees at the south end of the apartment complex by the street that runs east and west from the south end of the field. The White police officer had a gun drawn as he approached and went towards the suspect. It appeared that he said something to the suspect, and the suspect laid down on his face in the field as the White police officer continued to hold his gun on him. At that point, a number of other officers arrived and a suspect was handcuffed.

1510 hours, 07-02-92, I contacted witness ██████████ at the northeast corner of W. Elcamino and Timberwood. Mr. ██████████ stated he was upstairs in his apartment getting ready to leave. As he was sliding his glass door shut, he looked out and saw a male Black plain clothes officer walking on the grass alongside his apartment building traveling in a westbound direction on the north side of W. Elcamino. The officer was holding his side as if he was concealing something while looking around. Mr. ██████████ could not see what he was looking for, and then he walked away from the window and picked up the phone to make a phone call. As he was on the telephone, he heard three to four shots outside, and he came to the window, looked out to the field across the street on the north side of W. Elcamino where he saw a male Black in his twenties or thirties wearing a white "A's" shirt, tank top type with possible blue jeans. This subject was running northbound on the east side of the fence when Mr. ██████████ heard more gunshots, possibly three to four. At which point, he saw the plain clothes officer shooting while standing in the field fifteen feet from the south sidewalk of Elcamino. The officer was standing alongside the fence and had his arms locked out in front of him. At this point, Mr. ██████████ saw a uniformed officer talking on his handy talky as the suspect jumped the fence with the plain clothes officer running after him. The plain clothes officer then jumped over the fence, while the uniformed officer got into his car and drove off. ██████████ stated he could see the suspect running alongside the fence in the apartment complex, and it appeared that the officers walked past him, at which point, the suspect jumped over the fence onto the east side of the fence and then laid down in the grass. The suspect then got up, looked like he was going to run, and then kneeled down and put his hands up. The police cars came into the field and then the suspect layed down and was arrested. Mr. ██████████ stated that after the suspect had jumped over the fence, he heard what he thought was one gunshot.

[REDACTED] stated this subject was walking along the dirt or weed area at the west side of the roadway, which leads into the shopping center, and is adjacent to the west side of the LaBou Restaurant.

[REDACTED] stated at the same time, was when she heard someone yell, "I'm a police officer" real loud. [REDACTED] stated she didn't know who was yelling and observed the subject who had been walking along the west side of the LaBou Business, to then begin crossing the street at West El Camino Avenue.

[REDACTED] stated when she turned around to see who was yelling she observed a second Black man, who she then pointed to, who was standing outside of the LaBou Restaurant with other Officers. [REDACTED] identified the Black man as Officer Darryl Martin. [REDACTED] stated Officer Darryl Martin had been standing at the northeast corner of the LaBou building when he began running northbound across West El Camino Avenue, while chasing the first MB subject.

[REDACTED] stated the MB subject then started running across West El Camino Avenue, while continuing to look back at the officer, who would stop everytime the subject would look back at him. [REDACTED] stated it appeared that the officer was stopping to take cover when the subject would continue to turn around. [REDACTED] stated it was at this that her girlfriend, [REDACTED] told her that the MB subject chasing the first MB subject, had a handgun and was probably an officer.

[REDACTED] stated both she and [REDACTED] watched the officer follow the subject who

turned westbound on W. Elcamino Avenue when he reached the north sidewalk. [REDACTED] stated the officer continued following the subject, but was approximately fifty yards behind while starting to catch up. [REDACTED] stated the subject continued to look back at the officer, but at this point, she couldn't hear what was being said, due to the traffic.

[REDACTED] stated the officer quickly caught up with the subject and that it appeared to her the officer said something to him, because the subject turned around and put his hands up when he reached the northwest corner of W. Elcamino Avenue and Timberwood Court. [REDACTED] stated she could see the officer direct the subject to the ground as the officer was making hand gestures to the subject. [REDACTED] stated the subject hesitated, but eventually went to the ground. [REDACTED] stated the subject was moving his hands around quite a bit while on the ground as if he was possibly positioning himself.

[REDACTED] stated that was when a police car drove up, and described the officer as in full police uniform in a marked black and white police car. [REDACTED] stated both the Black officer and the uniformed officer had guns pointed at the subject who was now on the ground.

[REDACTED] stated within seconds of the second officer arriving, the subject who was on the ground jumped up and began running back southbound across W. Elcamino Avenue towards the field with the uniformed officer and Black officer chasing him.

[REDACTED] stated [REDACTED] had run back inside the restaurant to call the police, so she herself decided it was much safer to go back inside. [REDACTED] stated she then went back inside the restaurant, hid behind the counter and saw nothing further.

[REDACTED] stated another customer had come inside the store within a few minutes and stated that he had told officers where the guy had been while directing officers to the subject's location. [REDACTED] stated she and [REDACTED] told the guy he was brave to point out the subject to the officers, but that the subject told [REDACTED] that he too had a gun. She stated the subject then walked out the east doors of the La Bou business and that was the last that she saw him. [REDACTED]

described this subject as a male White, mid forties, 5'11"/6'0", 170 lbs., medium build, balding, having a well dressed appearance, wearing khaki slacks and possibly a red and white striped shirt, and also glasses.

[REDACTED] stated at about the time she ran back into the La Bou business was when she heard several shots, but could not tell me whether it was more than two shots. [REDACTED] pointed out a male White subject who was outside in the patio area of the La Bou business, stating he was present at the time the shooting went down and might be able to give further information. Based upon this information, I requested that Detective Martinson contact this subject ([REDACTED]) and obtain a statement. [REDACTED] also advised that the occupants at the northwest corner of Timberwood Court and W. Elcamino Avenue were outside shortly after the shooting, and may have witnessed the incident.

[REDACTED] stated the Black officer did an incredible job in identifying himself while catching up with the subject. [REDACTED] stated the officers had the subject down and there was no reason why he should have gotten up and started running. [REDACTED] stated she felt the officers did a great job in protecting the people

STATEMENT OF:

[REDACTED]
DOB [REDACTED]

At approximately 1450 hours, 07/02/92. I, Detective G. Stewart, made contact with a witness, [REDACTED] inside the business at [REDACTED] West El Camino Avenue. I had been advised by Detective Gardner, #404, that [REDACTED] was a witness to the officer involved shooting. Upon contact with [REDACTED] I identified myself and asked her if she would go outside with me and give me a brief rundown of what she had observed and point out the locations that she had observed things. I then responded outside the business of [REDACTED] West El Camino and [REDACTED] gave me a brief rundown of what she had observed and indicated where she had observed particular parts of the incident.

I then went back inside the business and I asked [REDACTED] if she would tell me in detail, what she had observed. [REDACTED] then related the following:

I was sitting outside the restaurant with [REDACTED] (last name [REDACTED]). I can't tell you exactly what time it was, but it was just shortly before everything started happening. I was facing (east) and [REDACTED] was facing the opposite direction. I saw [REDACTED] watching something and I asked her what she was watching. [REDACTED] said: "I think something is happening." I then observed a MB subject ([REDACTED] then pointed to the subject, indicating Officer Martin) in a black shirt, he appeared to have a gun out, in his right hand, as if he was putting it back in a holster.

[REDACTED] then explained that at the time she observed the subject in the black shirt with the gun, he was walking along the north side of West El Camino, across from the restaurant that they were in, and that the subject in the black shirt was walking westbound.

[REDACTED] stated that she looked back and asked her friend, [REDACTED], what else she was looking at and that [REDACTED] told her that she was looking at the guy in the white tank top. [REDACTED] stated that she looked and observed a MB subject wearing a white tank top, who was walking in the same direction as the subject in the black t-shirt and that this subject was walking in front of the subject in the black t-shirt, on the same side of the street, going the same direction. [REDACTED] described the subject in the white tank top as a MBA, at least 5'7 to 5'8 tall, possibly wearing jeans and tennis shoes. [REDACTED] stated that the subject had some muscles, but that he wasn't large, he was more of a medium build and that he had short hair or hair that was pulled back. [REDACTED] stated

that she could not tell for sure whether the subject's hair was short or pulled back, from the distance that she was looking at.

[REDACTED] stated that about this time, her friend, [REDACTED] said he's gonna get him and she and her girlfriend [REDACTED] went inside the restaurant and continued watching, looking out the restaurant window (the north windows of the business).

[REDACTED] stated that she looked down to the area where the two subjects were and that this area was at the corner of the next street near a fire hydrant. [REDACTED] pointed out the area where she observed the two subjects, at this point, which was the northeast corner of West El Camino and Timberwood Court. [REDACTED] stated that at this time, she observed the guy in the white tank top down on the ground with his arms spread out. [REDACTED] stated that she saw that the subject on the ground was moving around, using his feet, kind of squirming around. [REDACTED] stated that she saw the guy with the black t-shirt on and observed that he had a gun out and that he was pointing it at the subject on the ground and although she could not hear what was being said, the subject in the black t-shirt was apparently ordering the subject to stay down or don't move or something along those lines.

[REDACTED] stated that about this time, she observed a black and white (police car) come down on the right side of the road going the same direction, (westbound). [REDACTED] stated that she saw the police car pull in at a slight angle with the front of the police car pointing toward the head of the subject that was laying on the ground. [REDACTED] stated that as the officer started to get out of the police car, as he was opening his door, the subject on the ground flipped on his side and jumped up and darted across the street.

[REDACTED] stated at this point, she moved from the window that she was looking out of (north side of the business), to the glass door, (indicating the west side of the business). [REDACTED] stated that during the time she was walking from the window to the door, she heard the sound of at least one gunshot, possibly as many as three gunshots, but no more than three gunshots.

[REDACTED] stated that as she was looking out the west door, she saw the guy in the white tank top running across the field that was between the business that

she was in and the apartment complex on the far side of the field. [REDACTED] stated that she saw the guy in the black shirt running towards the guy in the white tank top and that he appeared to be in the middle of the street (West El Camino). [REDACTED] stated that she then heard approximately three gunshots, but she could not tell where the gunshots were coming from; however, they seemed to be coming from behind the guy in the white tank top.

[REDACTED] stated that the guy in the white tank top was running (southbound) close to the fence line on the far side of the field near the apartment complex. [REDACTED] stated that she saw the subject in the white tank top shimmy over the fence and continue to run (southbound) down the fence line inside the parking lot of the apartment. [REDACTED] stated that this was at about the same time she saw the subject in the black shirt run into the field.

[REDACTED] stated that after the subject in the white tank top jumped over the fence and ran down through the parking lot, the subject appeared to be limping as he ran. [REDACTED] stated she didn't know, but she thought at that time, that the subject in the white tank top may have been shot.

[REDACTED] stated that she then saw the subject in the black shirt go over the fence at approximately the same spot that the subject in the white tank top had gone over. [REDACTED] stated that she saw the subjects both running (southbound) inside the fence line of the apartment complex and that the last time she saw the subject in the white tank top was when he was in the area down in the corner, down by the corner of the apartment complex.

[REDACTED] stated that she moved back away from the window and talked to her friend and some other people for a few minutes and that after a few minutes passed, she went back outside and looked out into the field. [REDACTED] stated that she saw at least five men and a dog, standing in a circle around a subject that was laying on the ground and that she saw a small blurb of white that looked like the guy that had been wearing the white tank top. [REDACTED] stated that at this time she said, I'm going to go inside and she went back inside the restaurant and stayed there until she felt like it was safe again.

On 07/02/92 at approximately 1705 hours, I, Detective Gracia contacted witness [REDACTED] at his residence, [REDACTED] I obtained the following statement in summary:

I was not here when all the excitement happened earlier, but I heard the description of the suspect in today's incident. I heard that this particular suspect at one point, tried to get into apartment [REDACTED]. I believe that the people who thought he tried to get into [REDACTED] were mistaken. I believe that the suspect may have tried to enter [REDACTED] instead. The reason I believe this is that the physical description given to me of the suspect by another tenant here, matches the physical description of someone who hangs out in apartment [REDACTED].

This guy who hangs out in apartment [REDACTED] is a gang banger, by looking at him. I believe he and the other guy that hangs out in [REDACTED] are both gang members.

I believe that they may have broken into my house in the past and taken all my furniture. I believe this because right after they moved in my house was broken into and all of my furniture was taken. I did not see the suspect in this incident earlier, because I wasn't here, as I say, but just based upon his physical description, I really think it's one of the guys that hangs out in [REDACTED]. The guy who hangs out in [REDACTED] is a MB, 5'9, thin build. I know that the vehicles in [REDACTED] are an orange Pinto or a silver grey AMC Eagle. I will be happy to cooperate with the robbery investigators should they want to contact me.

STATEMENT OF VICTIM:

1447 hours, 07/02/92. I, along with Detectives Thurston, Stanfield, Sergeant Schiele and Sergeant Mitchell, accompanied Officer Martin through a brief walk through of the shooting scene. Officer Martin is currently assigned to the Street Drug Team and led us from the Tio Doro's Restaurant located at El Camino and Timberwood Court. He then said at that location, he saw a MB subject who matched the description of an Armed Robbery suspect from the south area.

Officer Martin exited the restaurant and paralleled the suspect onto El Camino Avenue. The subject crossed the street to the north side of El Camino, then walked westbound to the intersection of El Camino and Timberwood. Officer Martin then placed the suspect in a prone position and at that location, waited for a cover unit. The marked police car and Uniformed Officer, Gautier, exited his marked vehicle and was in the process of assisting the taking the suspect into custody.

However, while in the prone position, the suspect turned and ran. Both officers gave chase and fired several shots at the suspect. The suspect kept running southbound through a field just east of the River Terrace Apartment Complex located on El Camino and Timberwood.

The suspect was taken into custody in a field, after he sustained a gunshot wound to his leg. Officer Martin said he had confirmed with police radio, that the suspect in the robbery from the south area, had been armed with a handgun. Officer Martin also said the suspect initially ran on the east side of the fence, then in front of apartments [redacted] and [redacted] he jumped over to the west side of the fence. As the suspect approached apartment number [redacted] and [redacted], he jumped back over the fence onto the east side. It was near this location that Officer Martin fired one shot and then saw the suspect spread his hands. Uniform officers converged on the scene and took the suspect into custody.

1656 hours, 07/02/92. Detective Azevedo met with victim, Officer Darrell T. Martin, at the Hall of Justice, 2nd floor, Homicide/Assaults interview room #5. The interview was audio and video recorded and below is a synopsis of the interview. Present throughout the interview were victim; Officer Martin, Sacramento Police Officer's Association Attorney, Mark Krueger and myself.

I began the interview by asking Officer martin how long he had been with the Sacramento Police Department. Officer Martin said he has been with the

Sacramento Police Department for three years and lateraled from the Stockton Police Department where he had been an officer for six years. He is currently assigned to the Street Drug Enforcement Team and has received all of the necessary training and schools that go with being assigned to the Street Narcotics Unit. Additionally, he has attended Sacramento Police Department's regularly scheduled Pistol shoot.

Officer Martin said he had just left his office on today's date (07/02/92), and was on the freeway. At that same time, Sacramento Police Department Communications was broadcasting a description of an Armed Robbery suspect. Officer Martin said he observed a white station wagon with brown paneling, suddenly move from the #1 lane on the freeway and exit the off ramp of Garden Highway. He thought to himself that this vehicle could possibly be the responsible in the broadcasted robbery, because it had enough time to travel from the South Area to the location where Officer Martin was. Officer Martin continued on to his destination, which is the Tio Doros Restaurant located on El Camino and Timberwood.

Officer Martin got his food and sat a location near the rear portion of the restaurant. Meantime, Sacramento Police Department radio was continuing to broadcast descriptions of the Armed Robbery suspect. Specifically, the description was a MB, 5'10/200, a phoney mustache, white t-shirt, red tie, a baseball cap and that a weapon was a handgun. Officer Martin saw a subject holding a blue baseball cap and attempting to remove his tie. The subject was wearing a white t-shirt and blue trousers. Officer Martin then changed channels on his police radio from channel 6 to channel 2 and asked for a description of the robbery suspect. The Sacramento Police Department Communications said the suspect was a MB, 5'10/200 lbs., blue hat, red tie, white shirt and blue trousers. At that point, Officer Martin broadcasted to the Communications on his police radio, that he had the suspect.

Officer Martin then exited the Tio Doros Restaurant through the front door located on the east side and turned northbound through the parking lot towards El Camino Avenue. Officer Martin got around to the front portion of the building and he saw a uniformed security guard. Officer Martin handed to the security

guard a pair of sunglasses and a cellular phone and asked the security guard to hold onto them. Officer Martin then followed the aforementioned suspect, as he (suspect) crossed El Camino Avenue. The suspect, at that point, had removed his hat, tie and shirt. He was now clad in a tank top and blue trousers. The suspect, after crossing El Camino Avenue, turned westbound and stopped near the intersection of El Camino and Timberwood. Officer Martin briefly lost sight of the suspect and then saw the suspect reappear at the corner of Timberwood and El Camino.

At that point, Officer Martin felt committed and verbally identified himself as a police officer and had the suspect get into a prone position. Officer Martin had his gun drawn and at the same time, was holding a police radio. Officer Martin was dressed in civilian clothes, consisting of a black, short-sleeved shirt and bluejeans. The suspect complied with Officer Martin's directions and laid in a prone position. Officer Martin waited for a "Cover Unit" and it was at that point that uniformed, Sacramento Police Department Officer Gautier arrived. Officer Gautier was in the process of approaching the suspect and about to take him into custody; however, the suspect was fidgeting and attempting to get up. Officer Martin repeatedly told him to remain in the prone position. At that point and prior to being taken into custody, the suspect rolled and fled southbound across El Camino Avenue. Both Officers gave foot pursuit and Officer Martin requested from Communications to confirm that the suspect had been armed. He was advised that the suspect was and it was at this time that he again told Officer Gautier that the suspect was armed. Officer Martin, at this point, was not positive if Officer Gautier was asking if the suspect was armed during the commission of the robbery and/or if he was armed at the time that he was fleeing.

As the suspect fled, Officers Martin and Gautier followed the suspect. Officer Martin said the suspect was at a "Full run" going southbound along a fence. At one point, Officer Martin said the suspect slowed down and it was at that time that Officer Martin thought the suspect would turn and shoot at them; however, Officer Martin said he didn't have cover and knew that there were people in his line of fire and therefore, held his fire. Officer Martin said he followed the suspect across El Camino and then heard Officer Gautier start to fire. Officer Martin did not see the suspect, due to the fence being between himself and the suspect. Officer Martin described this fence as a six to seven foot high, wood

slat fence which divides a field and the River Terrace Apartment Complex.

Officer Martin said he followed the suspect, who was currently on the east side of the fence and Officer Martin followed on the east side of the fence. As Officer Martin approached the fence, and on the south side of El Camino Avenue, his magazine fell out and at that point he picked it up, looked around the fence and saw the suspect still running. Officer Martin said that at that point, Officer Gautier had stopped firing and at that point, Officer Martin said he fired three to four shots. Officer Martin said he fired because the suspect had been running at a fast pace and it was at that point that he slowed down and Officer Martin thought that he would fire at them. The suspect kept running and Officer Martin thinks Officer Gautier fired again.

Officer Martin said as he was chasing the suspect, he (Officer Martin) kept yelling to the suspect to "Police, stop, halt, freeze" and said he repeated it seven to eight times. Officer Martin said the suspect, at that point, went over the fence and was now on the west side. Officer Martin also jumped over the fence to the west side and lost sight of the suspect. Officer Martin said he ran along the apartment complex's playground and asked a bystander if he had seen a subject go by. The bystander directed the officer to southbound direction and Officer Gautier then transmitted that the suspect was going back toward the fence. Officer Martin then spotted the suspect approximately thirty yards in front of Officer Martin and near the fence. Officer Martin looked over the fence, but didn't see the suspect; however, there were people in front of the Tio Doro Restaurant who were yelling the suspect was near the fence. Officer Martin assumed the suspect was on the east side of the fence and as he proceeded along the fence, he saw the suspect face-to-face. The suspect was on the opposite side of the fence and at that point, Officer Martin ordered the suspect to "Show me your hands." At that time, the suspect rolled again and Officer Martin thought the suspect was going to shoot at him through the fence.

At that point, Officer Martin looked over the fence and fired one shot and then quickly moved from where he originally was located. He then looked again and saw the suspect's hands and held his fire. Officer Martin did not see a gun, but feared for his safety, due to the way the suspect had looked around when in the prone position to see if he could take on Officer Martin. Officer Martin

STATEMENT OF VICTIM:

GAUTIER, Rick
Sacramento Police Officer

07/02/92 at approximately 1625 hours. I contacted Officer Gautier in the #5 interview room located within the Homicide Office. I obtained the following statement in summary:

Officer Gautier stated that he has been a police officer for the past ten and a half, almost eleven years. Officer Gautier stated that on December 1, 1981, he was hired as a police officer with the Santa Monica Police Department. His assignments, while with the Santa Monica Police Department, included Patrol, Undercover Vice, and he was also assigned as a Field Training Officer. On July 15, 1991, Officer Gautier resigned his position as a police officer with the Santa Monica Police Department and accepted a position with the Sacramento Police Department as an officer. Officer Gautier's hire date with the Sacramento Police Department was July 27, 1991. Officer Gautier's assignments, while with the Sacramento Police Department, have been strickly Patrol Division. Officer Gautier indicated that he has worked on mid, late and day shifts. Officer Gautier is currently assigned to the North Area Patrol on day shift.

Officer Gautier stated that at approximately 1418 hours, he was on routine patrol driving eastbound on West El Camino and that he had just passed Northgate Blvd. Officer Gautier stated that he overheard radio transmission from an IVY Unit (Detective) that the detective needed assistance with a 211 suspect. Officer Gautier stated that the exact words that he heard over the radio were, "IVY 144, I need assistance with a Bank 211 suspect from the South Area.

Officer Gautier stated that he was just down the street and made a u-turn to respond to the officer's location. Officer Gautier stated that as he was responding, he was thinking to himself how this detective could have located the South Area robber in the North Area. Officer Gautier did remember however, hearing the radio broadcast on the bank robber from the South Area. Officer Gautier stated that the detective's voice, over the radio, sounded as though the detective was positive that this was the right suspect from the South Area bank robbery.

Detective Gautier stated that the detective did not give an address as to his current location and that the detective only mentioned the name of an apartment complex, which he could not remember off hand. Detective Gautier stated that

he was familiar with this apartment complex and upon his arrival, he started to turn into this apartment complex that is just west of Mill Creek Drive.

Officer Gautier stated that as he arrived onto the scene, he could not see anybody in the immediate area and he thought that the officer and the suspect were somewhere in the apartment complex. Officer Gautier stated that at this point, he looked west, down West El Camino, and saw the undercover detective at the corner and that the undercover detective had his gun out, pointed at a suspect and that the suspect was laying on the ground. Officer Gautier stated that it was at this point that he accelerated to that location and arrived to assist the undercover detective.

Officer Gautier stated that as he got out of the car he drew his weapon and was pointing it at the suspect. It was at this point that Officer Gautier observed the suspect for the first time.

I asked Officer Gautier to describe the suspect to me as he saw him at that instant. Officer Gautier stated that the suspect was a MB and that he was "Big." Officer Gautier stated that he was thinking to himself that this subject was a parolee because he was rock solid and very well build. Officer Gautier also stated that this subject had a hard look on his face and was not complying to any commands neither he nor the undercover detective were giving him. Officer Gautier stated that the suspect, who was on his stomach, kept lifting himself up as if he was doing push-ups. Officer Gautier stated that he recognized this movement as the suspect's attempt to either flee or to take aggressive action against either he or the undercover detective.

I asked Officer Gautier to describe what the suspect was wearing at that time. Officer Gautier stated that the MB suspect was wearing a white, tank top t-shirt, either bluejeans or black pants, and that he had close cropped hair with a distinctive part on either the left or right side.

Officer Gautier stated that he pointed his gun at the suspect and he too, was yelling at the suspect to stay on or get on the ground. Officer Gautier stated that he looked at the undercover detective and it was at that point that the undercover detective told him, "Let's get this guy cuffed up real fast." Officer

Gautier stated that he reholstered his weapon and withdrew his handcuffs and it was at that point that he approached the suspect to handcuff him. Officer Gautier stated that he could not see the front of his waist and this made him somewhat concerned for his safety. Officer Gautier stated that he approached the suspect and grabbed one of his hands to put him in a handcuffing position when the suspect lifted himself up off the ground, turned and placed both hands towards the middle of his waistband. Officer Gautier stated that it was at this point that he told himself that the suspect was probably going for a gun and that he was going to have to return fire if the suspect did, in fact, brandish a gun at him. Officer Gautier stated that the suspect then got up real fast and started to run southbound across West El Camino.

Witness Gautier said that as the suspect was running across the street, he could not see both of his hands at the same time. Officer Gautier stated that he could see one, possibly his left hand, going side to side as he ran; however, the other hand was being kept close to his waistband and this again instilled in Officer Gautier's mind that the suspect was probably armed.

Officer Gautier, as he was chasing after the suspect, withdrew his gun and started yelling at the undercover detective, "Is this suspect armed, did the suspect use a gun in the robbery." Officer Gautier stated that the undercover detective stated to him, "Shoot him, shoot him, he has/had a gun." Officer Gautier could not differentiate whether or not the undercover detective was telling him that the suspect either had or has a gun.

Officer Gautier stated that as he reached the center median, he observed the suspect was, at that point, reaching the south curb of West El Camino. Officer Gautier stated that the suspect then started to slow down. Officer Gautier described this as a fast jog and not a full sprint as the suspect was originally running from him. Officer Gautier stated that in his mind, he was thinking to himself that the suspect was slowing down so he could turn and fire on both he and the undercover detective. It was at this point that Officer Gautier told himself that he was in fear for his life and that he was not going to give the suspect an opportunity to turn and fire at he and his partner. Officer Gautier stated that he then leveled his gun at the suspect and fired a volley of three shots at the suspect. It was at this point that the suspect now increased his

speed and started to run further in a southbound direction in an open field.

Officer Gautier stated that as he reached the south curb of West El Camino, he again saw the suspect slowing and thinking that the suspect was again going to try to turn and fire on he and his partner/officer. Officer Gautier leveled his gun again at the suspect and fired another succession of three rounds at the suspect. Officer Gautier stated that it appeared to him that he had missed the suspect all six times that he fired at him. Officer Gautier stated that just prior to his second volley of shots, he heard a single gunshot. Officer Gautier was not sure whether or not this single gunshot came from either the suspect or the undercover detective who was to Officer Gautier's left.

Officer Gautier stated that he did remember that just prior to firing the second round of shots at the suspect, he remembers that the suspect did turn and look back at them. Officer Gautier thought that the suspect was trying to see where the officers were, so that the suspect could return fire.

Officer Gautier stated that the suspect continued to run in the southbound direction, through the vacant field. It was at this point that Officer Gautier and the undercover detective split up. The undercover detective continued to chase the suspect through the vacant lot and Officer Gautier ran through the apartment complexes that were to the west of the suspect. Officer Gautier was in fear that the suspect would get into the apartment complexes and possibly take hostages.

Officer Gautier stated that as he was running through the apartment complexes, he did observe the suspect in the apartment complexes and put over the radio that he had the suspect in the apartment complexes. Officer Gautier stated that the suspect saw him and then again ran south from the officer. Officer Gautier stated that he continued to chase the suspect until he caught up with him and the undercover detective had the suspect laying prone near the fence line that is on the east side of the apartments. Officer Gautier stated that he then covered the suspect while a uniformed officer took the suspect into custody.

Officer Gautier emphasized that he was in definite fear for his life during the chase of the suspect because Officer Gautier felt that the suspect was trying

STATEMENTS

WITNESS: [REDACTED]

On 07-02-92 at approximately 1550 hrs., I met with Witness [REDACTED] at [REDACTED]. I obtained the following statement in summary:

I was in the back yard of my house. I heard several bangs. I thought that it was just firecrackers being set off by kids. I went to the front of the house, out on the front yard. I saw two police cars parked at the north west corner of Timberwood Ct and West El Camino. There was an officer inside of each car. The cars drove off soon after I came outside.

I saw officers standing near a subject laying on the ground and the south end of the field on the south side of West El Camino.

On 07-02-92 at approximately 1541 hrs., I met with Witness [REDACTED] at [REDACTED]. I obtained the following statement in summary:

I was inside of the house. I was painting a room in the back of the house. I heard some yelling outside the front of the house. I couldn't tell what was being said and I didn't really pay attention. I heard about six to eight shots being fired from out front. I originally thought it was just firecrackers.

A neighbor came over and told me that police were doing something outside. I went into the front yard. I saw a police car parked on the corner of Timberwood Ct and West El Camino. I saw that there were two officers walking in the field across the street, on the south side of West El Camino. The officers were near the south end of the field. I saw the officers fire their guns towards the fence that borders the west end of the field. After they fired their guns, I went back inside the house.

STATEMENTS

WITNESS: [REDACTED]

On 07-02-92 at approximately 1505 hrs., I met with Witness Wallen at [REDACTED] West El Camino Av., La Bou Restaurant. I obtained the following statement in summary:

I was inside of La Bou restaurant sitting at a table. I saw two girls run inside the restaurant talking someone being chased outside the restaurant. I stepped outside the restaurant and stood by the north west corner of the building.

I saw two men running south bound across West El Camino. The first man ran into the field. I didn't get a good look at the first man. I saw that there was a black man, I think was the Police officer, running behind him. When the first man got into the field, I saw the officer fire two shots. I think that the officer fired from the the middle of West El Camino. After the shots were fired, I didn't think it was very safe outside so I went back into the restaurant.

After a few minutes, I decided to go back outside the restaurant. I saw the first man I saw earlier being chased by the officer, now by a fence south of the building complex that the restaurant was in. This man was crouching down and appeared to be trying to hide.

I saw that there were uniformed officers on the other side of the fence directly across from where the man was trying to hide. I saw that the officers made the man lay down. Some of the officers jumped over the fence and others ran around the fence. The officers surrounded the man on the ground and arrested him. I didn't hear anything that was said.

I didn't see anything inappropriate from the officers. I went back inside the restaurant.

I was in my car east bound on West El Camino near Timberwood Ct. I saw two men running south bound across West El Camino. They were crossing just east of Timberwood. I thought it was just two guys playing around. I continued driving to work. When I arrived at work, I found that some one had been shooting.

STATEMENT OF WITNESS:

██████████
MW/DOB ██████████

1532 hours, 07-02-92, Detective Azevedo contacted witness ██████████ at his apartment complex and obtained his statement. Witness ██████████ said he resides at the River Terrace Apartment complex located at ██████████ Mill Creek Drive, ██████████. Mr. ██████████ said he was in the apartment complex swimming pool and heard what he thought were three firecrackers. He said the time was approximately 1410 to 1420 hours (today's date 07-02-92). Approximately two minutes later, he heard a volley of six to seven more shots. However, these last volley of shots sounded more distinct and sharper in sound. At the same time, he heard sounds of thuds caused by bullets penetrating wood.

Witness ██████████ said he left the pool area and sought cover behind the cement garbage container. He then observed a male Black near the corner of the apartment complex, and hiding near bushes. The male Black turned and fired three to four shots in a northerly direction. Witness ██████████ then heard another two to three shots. The male Black subject then jumped out from where the bushes were and fired two more shots again in a northerly direction. This male subject then ran southbound to the apartment and stopped near a small pine tree opposite the swimming pool area. At that point, the male Black subject used his left hand and removed the gun from his left rear back area and held the gun as he ran southbound.

Witness ██████████ said he got about a hundred yards from the subject and heard him say, "Must be some trouble here, must be some trouble."

Meanwhile, witness ██████████ saw a second male Black subject with a radio in his hand and told him (the second male subject) to be careful because there was a guy with a gun. The second male Black subject asked witness ██████████ if he had seen a subject go by. Witness ██████████ told him yes, and directed the second male subject to continue southbound. Shortly afterwards, witness ██████████ heard a commotion of people yelling from the restaurant (Tiodoros) across from the vacant field and saying that the suspect was on the other side of the fence. Witness then told the second male Black subject that the subject he was after was on the other side of the fence. Witness ██████████ told the second male Black subject that the first subject went southbound through the complex grounds. Several moments later, witness ██████████ heard two more shots and then looked over the fence and saw the original male Black subject lying on the ground and holding

VICTIM: MARTIN, DARRELL

NOTIFICATION:

7/2/92, 1425 hours, I received a Homicide Team call-out to the area of W. El Camino and Truxel Road, regarding an officer involved shooting. The notification came from the Sacramento Police Department, Communication Center, Supervising Dispatcher, A. Carson, I.D. 6103. I advised Carson when she called that the Homicide Section had monitored the call on the Police radio and that we were aware of the basic facts of the incident.

At this time, no specific detectives were assigned to the case. Every available person in the Homicide Section responded to the scene to assist.

I responded from the Homicide Office.

ARRIVAL AND NOTIFICATION:

At 1436 hours, 1440 hours, I arrived on the scene. There were already several Patrol Units in the area. The field to the west of the Home Fed Bank was secured with police barricade tape. This was the primary area of the foot chase and the shooting.

At 1438 hours, I met with Officer D. Martin, Badge #0701. Martin gave a brief summary to the detectives who had arrived.

Martin related that he was eating in a restaurant when he observed a subject who matched the description of a person who had robbed a bank in the south area of Sacramento. Martin followed the suspect away from the shopping center and across W. El Camino Blvd. Martin then followed the suspect to the intersection of W. El Camino and Timberwood Court. It was at this location that Officer Gautier joined him and they proned the suspect out on the ground. As they were preparing to take the suspect into custody, he got up and ran. As the suspect ran, Officer Martin shouted for the suspect to stop. As the suspect ran across W. El Camino and toward an apartment complex, shots were fired at the suspect. The suspect did not stop and continued to run into an open field and then over a fence and into the apartment complex. Martin continued his search in the apartment complex and was told by witnesses that the suspect was hiding near the fence. Martin approached and fired over the fence at the suspect. The suspect was then taken into custody. Martin later walked Detectives J. Thurston, D. Stanfield and myself through the scene, showing his approximate path of travel and where the shots were fired.

DETECTIVE FOLLOW-UP:

Present at the scene was Acting Lieutenant T. Mandalla. Members of the Homicide Section met and divided up the investigation. It was my assignment to supervise the crime scene. Detectives J. Thurston and D. Stanfield were also assigned to investigate the scene, video tape and coordinate the collection of evidence with Crime Scene Officers, K. Tomita, L. Yager and C. Hudson.

I noted that the Crime Scene Recorder was Officer C. Callender and the Incident Commander was Lt. D. Fontaine, badge #4078.

1508 hours, I requested that members of the Identification Section respond with metal detectors. These were needed to look for casing in the grass and dirt. The field where the shooting took place was recently tilled and the soil was soft. I.D. Technicians F. Chapman, ID #6367 and S. Huseby, ID #6365 arrived at 1555 hours.

1545 hours, District Attorney Investigators, R. Gunn and L. Gunn arrived on the scene. I briefed them on the shooting and walked L. Gunn through the entire scene.

1725 hours, I left the scene and responded to the Homicide Section.

CRIME SCENE OBSERVATIONS:

NOTIFICATION:

Approximately 1425 hours, R/O was advised of an officer involved shooting at the area of West El Camino and Truxel Road. R/O responded from the office and arrived at the location at approximately 1435 hours. Upon arrival at the scene R/O was briefed by Lieutenant Fontaine and Sergeant Mitchell as to what had occurred, as known to them at that time and R/O was assigned to document the crime scene observations. R/O walked through the crime scene area with Officer Martin, Detective Thurston, Sergeant Mitchell and Detective Azevedo. Officer Martin directed R/O's attention to specific areas concerned with this incident. Based on Officer Martin's information R/O made the following observations regarding the crime scene.

OVERALL CRIME SCENE:

The overall geographic area involved in this crime scene occupied the area encompassing the southwest corner of Truxel Road and West El Camino Avenue, to a point including the apartments known as the River Terrace Apartments at [redacted] Mill Creek Drive. The area also encompassed the north sidewalk of West El Camino Avenue at a point west of Truxel Road to a point where it intersects with Timberwood Court. The overall crime scene was extensive due to the fact that the initial observations by the officer led the officer to "Tail" the suspect from a distance prior to contact with the suspect. For purposes of clarification, R/O will document the crime scene as seen through the eyes of Officer Martin from where his initial observations of the suspect occurred.

INITIAL LOCATION:

The initial observations by Officer Martin were made from inside of 1620 West El Camino, #125. This location is an Italian Restaurant, Delicatessen, known as T. Adornos Italian Restaurant. This location is a single story restaurant/deli that occupies the southwest corner of the Park Plaza Shopping Center, which occupies the southwest corner of the intersection of Truxel Road and West El Camino. There is an alley that runs to the south and west of T. Adornos and it traverses from West El Camino to Truxel Road behind the shopping center.

The restaurant has glass windows on both the south and east walls and the west wall is occupied by the restaurant interior cooking area, preparation areas and the north wall of the restaurant is occupied by a solid wall separating it from a neighboring business. There are dining tables in this area by the south and east walls where the windows are. There is a front door that opens out east onto the parking lot and there is a rear door that opens to the south into a paved area which leads out to the alley, as well as to the neighboring complex. The parking lot of the shopping center has driveways which enter and exit onto both West El Camino, as well as Truxel Road. The ALLEY which runs to the rear of the shopping center has a driveway which enters and exits onto West El Camino. It should be noted that all of the driveways on the north side of the shopping center which go to West El Camino, direct traffic so that they can only go in an eastbound direction on WEST EL CAMINO, Traffic cannot cross due to a raised center divider at this location. At the time of R/O's observations, it should be noted that the SHOPPING COMPLEX was moderately full with parked vehicles, as well as pedestrian traffic. The businesses in this complex all appeared to be open for business and had moderate foot traffic to the businesses. As you exit the east door of T. Adornos restaurant and walk north, you walk on a sidewalk which passes in front of a video store and two other restaurants. As you WALK northbound you approach West El Camino and as you near the front of the business, which sits closest to West El Camino, if you look to the west you can see the alleyway where it enters and exits onto West El Camino.

At this location West El Camino is a four lane divided roadway with two lanes in an east direction and two lanes in a west direction, with the lanes being divided by a raised center divider approximately eight feet across. R/O noticed that traffic conditions at the time were moderately light with both vehicle and pedestrian traffic.

Directly across the street from the Park Plaza Shopping Center is the Discovery Commons Apartment Complex located at 1671 West El Camino. This apartment complex occupies the northwest corner of the intersection of West El Camino and Truxel Road and consists of numerous multi-unit apartment buildings. There is a raised lawn area which is located on the south side of the apartment complex on the north side of West El Camino. Walking in a westerly direction from the driveway

of the Discovery Commons Apartments you would next come to the intersection of Timberwood Court where it intersects with West El Camino. At this location traffic for Timberwood Court is controlled by a stop sign in a southerly direction. Traffic on Timberwood Court can only turn westbound onto West El Camino, due to the center raised divider. The sidewalks at this area are cut out and lowered to facilitate wheelchair or bike riding type activities, as they go from street level to sidewalk level. At the northwest corner of this intersection R/O noticed no signs of disturbance or any items of evidence. At this location at the intersection of Timberwood Court and West El Camino R/O crossed in a southbound direction across West El Camino and came to the raised center divider. At this location, R/O observed three 9mm expended casings laying on the ground at the center divider. These had been marked by CSI with stands, numbering them 1, 2, and 3. In the E/1 lane of West El Camino just east of these other casings, R/O observed a yellow circle, approximately in the middle of the E/1 lane. R/O was advised by CSI Officer Tomita, badge #652, that a spent casing had been found at that location and circled; however, the casing had been retrieved due to the traffic conditions at the time in an effort to preserve the evidence.

Crossing the eastbound lanes of West El Camino R/O came to the south sidewalk of West El Camino where it meets the fence line delineating the eastern boundary of the apartment complex of the River Terrace Apartments. On the west side of this fence is the River Terrace Apartment complex. On the east side of the fence is a recently plowed field consisting of loosely clodded dirt, drying vegetation in various states and discarded debris. At a point on the side just west of the fence line, R/O observed one live 9mm round laying on the sidewalk. East of this location, R/O observed another expended 9mm casing laying on the sidewalk.

Upon walking in a southbound direction in the recently plowed field in an area within a twenty foot distance from the fence line, R/O proceeded to walk the field in an effort to locate any evidence. R/O continued through the field and observing what appeared to be footprints approximately ten feet away from the fence line. R/O continued to a point near a large tree and a clump of vegetation, where the ground was muddy. At this point, in the mud, R/O observed three footprints and noted that one of the footprints had a distinct lined pattern in the mud. These footprints appeared to angle at this point, to the fence of the

River Terrace Apartments. The fence, at this point, was in front of [redacted] Mill Creek Drive, apartment numbers [redacted] and [redacted]. R/O continued walking in a southbound direction through the field and continued all the way back to Mill Creek Drive. Upon walking the remainder of the field, R/O noticed no items of evidence or any indication of an area that had been involved in this incident.

Upon returning to apartment numbers [redacted] and [redacted] at the River Terrace Apartments, R/O noticed footprints in the grass on the apartment side of the fence line; however, R/O was unable to determine if these foot tracks had been freshly made or if they were older marks. R/O observed the River Terrace Apartments, at this point, to be right near the area where there was a pool, what appeared to be a basketball or tennis court at one time, and the laundry room for the apartment complex. R/O noticed a few people out using the pool and there was some foot traffic through the apartment complex. Upon walking southbound through the apartment complex, R/O came to apartment number [redacted] at [redacted] Mill Creek Drive. Apartment number [redacted] is a downstairs apartment and on the north wall of this apartment R/O observed what appeared to be three bullet holes in the north wall of the apartment and also what appeared to be one bullet hole in the front window of the apartment. Upon examining this area closer, R/O eventually found a bullet hole in the fence near where it bends to the southeast on the property line. This bullet hole was in a board on the fence and the board showed fresh splintered wood around the hole. Upon putting a pen in the hole, R/O noticed that the hole had a downward projectory. Upon examining the grass in this area, R/O eventually located a gouge in the lawn in A LINE with the hole in the fence. This gouge in the lawn was approximately twenty-four inches long and appeared to start shallow, go deeper and then go shallow again. This gouge also appeared to be in A LINE with the westernmost bullet hole in the wall of apartment number [redacted].

Continuing south in the apartment complex, R/O was advised that a gun had been located on the ground near apartment number [redacted] at [redacted] Mill Creek Drive. Upon examining that area, R/O observed that along the south wall of apartment number [redacted] is an area with a small air conditioning fan unit outside. On the ground behind this air conditioner, R/O observed what appeared to be a black, BB/pellet gun laying on the ground. The gun was laying with the left side down and the butt was in an easterly direction.

Continuing south through the apartment complex, R/O was advised that an expended 9mm bullet had been found. R/O's attention was directed to the bottom of the fence near apartment number [redacted] at [redacted] Mill Creek Drive. At this location, R/O observed what appeared to be a copper jacketed, fully mushroomed, 9mm bullet laying on the ground.

CSI Officers handled all photos, diagrams and the securing of all evidence (refer to CSI report). Detective John Thurston video taped with an 8mm video camera, the entire crime scene and evidence.

Due to the extensive nature of the crime scene involved, R/O requested assistance from the Sacramento County Sheriff's Department, who responded with a helicopter. With the use of the helicopter, CSI Officer Tomita was able to go airborne and take both 35mm still photographs and also 8mm video photographs of the overall crime scene.

The ID Section was requested to respond to the crime scene with metal detectors in an attempt to locate the expended bullets or casings fired by the officers and/or suspect. As of 1930 hours, R/O had been advised that six casings had been located and that Sergeant Mitchell believes six more were still outstanding.

DETECTIVE SUPPLEMENT:

On 07-02-92, R/O responded to the area of West El Camino and Truxel to assist on an officer involved shooting. R/O was assigned to assist Detective Stanfield with the crime scene. R/O video taped the crime scene. (Note: Aerial videos were taken by CSI Officer Tomita from SSD helicopter Star 1).

R/O also supervised the Sacramento Police Department Identification Technicians who searched areas of the scene, with metal detectors, for shell casings.

At approximately 0830 hours, 07-03-92, R/O returned to the scene and continued to search with a metal detector. R/O searched from West El Camino south through the field (east side of fence line) to the area where the suspect jumped the fence into the River Terrace Apartments, with negative results. R/O also searched the corresponding grass areas on the west side of the fence with negative results. The area where the suspect was arrested was also searched with negative results.

At approximately 1430 hours, R/O returned and checked the area (see attached map) for the white station wagon described by Officer Martin. In the Discovery Plaza Shopping Center (S/E corner of Truxel and West El Camino) and found two similar vehicles.

OBSERVATIONS:

At approximately 1410 hours, on 07-02-92, I, Detective Gracia, along with Detective Anderson responded to the area of 1620 W. El Camino in response to an officer requesting cover. While en route, we heard the broadcast indicating that there was an officer involved shooting.

We arrived on Mill Creek Drive at a field west of 1620 W. El Camino where we observed numerous other officers already on the scene and the suspect was in custody.

Officer Darryl Martin requested that R/O's transport him back to Adornos Restaurant at 1620 W. El Camino, Suite 125. We did so at this time. Numerous other officers arrived while we were on scene. When the scene was stabilized at approximately 1620 hours I obtained witness [REDACTED] statement at 1620 W. El Camino, Suite 125. At the conclusion of that, I obtained a statement from witness [REDACTED] at the above location.

At the conclusion of that interview, I responded to the area of the southeast corner of the apartment complex, River Terrace Apartments, between apartment # [REDACTED] and # [REDACTED]. The address was [REDACTED] Mill Creek Drive at that location. Detective Stanfield requested that I visibly search the grass and bush area on the west side of the fence for evidence. I did so, but was unable to locate any physical evidence. I was then posted to await the arrival of CSI officers to collect an expended slug along the east fence line of that location.

At approximately 1615 hours, I was relieved at this area by Officer Gilmet. At that time, I assisted in conducting a neighborhood canvas.

I attempted to contact the resident in apartment # [REDACTED] of the River Terrace Apartments. There was no answer at the door, a business card was left.

I then contacted a [REDACTED], a male Black, DOB [REDACTED], in apartment [REDACTED]. He said he didn't hear or see anything. He refused to give his phone number out. He appeared to be quite agitated and was angry at officers, as his parking area was blocked off. He indicated that he had a delivery coming, and he wanted his parking area open. As I was questioning him regarding what he had seen, he slammed the door in my face.

SUPPLEMENTAL INVESTIGATION:

07-02-92, at approximately 1425 hours, I was advised by Sergeant Mitchell of an officer involved shooting at the above location. I was requested to respond with other detectives to the scene to assist in the investigation.

At approximately 1435 hours, I arrived at the scene with several other detectives from the homicide/assault section. At this point, I was advised of the circumstances of the situation by Detective Martin, one of the officers involved in the shooting. After this briefing, Sergeant Mitchell advised me that I would accompany Patrol Officer Gautier and assist him in a walk through of the incident in order to locate expended shells from his gun. I was ~~then~~ asked to stay with Officer Gautier and take his statement at the Hall of Justice.

At approximately 1510 hours, myself, Sergeant Mitchell and Officer Gautier met at W. Elcamino and Timberwood Court and walked through the shooting, pointing out where Officer Gautier was when he fired his weapon.

At approximately 1520 hours, I counted Officer Gautier's rounds in his duty weapon at the scene. I counted one chambered round and ten rounds in his magazine.

At approximately 1545 hours, I transported Officer Gautier to the Hall of Justice. At approximately 1548 hours, we arrived at the Hall of Justice.

1547 hours, I obtained Officer Gautier's gun and secured it in my file cabinet. At this point, Officer Gautier was turned over to SPOA Attorney Mark Kruger for consultation.

At approximately 1720 hours, I obtained Officer Gautier's attached statement.

At approximately 1745 hours, I booked Officer Gautier's gun into Evidence.

7/3/92, at approx 1410 hrs, myself and Sgt Mitchell contacted suspect McCraw at the jail ward, located at the University of California Medical Center. The purpose of this visit was to obtain a statement from the suspect related to the officer involved shooting. I advised the suspect of his miranda rights, per printed Miranda Card. The suspect stated "Yes" he understood his rights and that he wished to remain silent. I then attempted to obtain the suspect's name. The suspect initially told me that his name was Michael McCoy and that his DOB was 9/10/57. During this conversation, the suspect spontaneously stated "Why did that officer just start shooting at me." "I got scared, so I ran from him." No other information was obtained.

At this point, I then contacted Deputy Russell, #623, who advised me that a female, identifying herself as the suspect's wife, called to speak to the suspect. The female identified herself as [REDACTED] [REDACTED]. Deputy Russell located this female staying at the "Vagabond Inn" on 3rd Street. Room # [REDACTED]. This info was turned over to Det Fermer in Robbery.

INVESTIGATIVE ACTIVITY (BOOKING OFFICER'S GUN):

1755 hours, 07-02-92, After interviewing victim/Officer Martin, I requested his gun and extra magazines. He gave to me his personal Sig Sauer P226, serial [REDACTED]. It contained one Win. .9mm live round in the chamber. Both the gun and live round were booked evidence in the same envelope.

Officer Martin then removed a magazine from the gun. The magazine was the same one used to fire the rounds. It contained ten Win. brand .9mm live rounds. The magazine and the ten live rounds were booked in the same envelope.

I also retrieved his spare magazine. It contained fourteen Win. .9mm live rounds.

(NOTE: One live round was found on the pavement from the south side of El Camino near Timberwood. This would be the same location where Officer Martin advised me that he had dropped his spare magazine.)

The spare magazine and the fourteen live rounds were booked in the same envelope.

The aforementioned items have been booked in evidence in the Sacramento Police Department Property lockers. The receipt number is unknown at this time.

Detective Woods then provided to Officer Martin a spare departmental issue gun and two magazines with live rounds.

CASE NO. _____

(P.C. 1269c)

I, SGT B. MITCHELL

SACTO P.D.

a peace officer employed by _____ (Agency), hereby make this application for the setting of a higher bail in the above-entitled matter.

I have arrested JOHN DOE of SACRAMENTO for the crime of 245(d)(1) & 211 P.C. without a warrant, in the County of SACRAMENTO for the crime of 245(d)(1) & 211 P.C. The amount of bail set forth in the bail schedule is \$ 20,000.

For the reasons set forth below, I have reasonable cause to believe that the amount of bail set forth in the schedule of bail for the offense charged is insufficient to assure the above-named person's appearance. The facts and circumstances in support of my belief are as follows:

1. THE SUSPECT HAS REFUSED TO IDENTIFY HIMSELF AND WAS NOT CARRYING ANY FORM OF IDENTIFICATION.
2. SUSPECT WAS CAPTURED WHILE LEAVING AN ARMED ROBBERY OF A BANK.
3. THE SUSPECT MATCHED THE DESCRIPTION OF AN EARLIER ARMED BANK ROBBERY IN WHICH 4,100 DOLLARS WERE TAKEN.
4. THE SUSPECT FLED FROM ARRESTING OFFICERS AND BRANDISHED A LARGE PELLET GUN THAT RESEMBLED A SEMI AUTO MATIC HANDGUN.
5. DURING THE FOOT PURSUIT, OFFICERS WOUNDED THE SUSPECT WITH GUNFIRE, WOUNDS TO RIGHT LEG & HIP. - HIT TWICE.
6. SACTO MEDICAL CENTER - RECEIVED A CALL FROM JACKSONVILLE MISSISSIPPI FROM A WOMAN WHO SAID SHE WAS HIS MOTHER. Press Release

Bank Robbery / Officer Involved Shooting

Location: West El Camino and Truxel Road

7/2/92, 1419 Hours

Details

At the above time and date, an undercover Sacramento Police Officer was eating in a restaurant when he observed a person who matched the description of a suspect who robbed the American Savings & Loan, 1331 Florin Road, at 1345 hours. The suspect was walking by the restaurant and had just robbed the Home Federal Bank approximately 100 yards away. In both cases, a firearm was used.

The undercover officer followed the suspect and used his portable radio to call for assisting units. The suspect was followed to the corner of W. El Camino and Timberwood Court. It was at this location that a uniformed Patrol officer arrived and the suspect was in the process of being taken into custody. The suspect then bolted from the officers and ran toward an open field next to an apartment complex.

During the chase, both officers discharged their weapons at the suspect. Twelve rounds were fired and the suspect was struck twice. Once in the right leg and right hip. The suspect was taken into custody and transported to the Sacramento Medical Center. He is listed in stable condition. The suspect who has refused to identify himself, was booked for Robbery and Assault on a Police Officer.

During the chase, the suspect brandished and fired at the officers with a large pellet gun that resembled a semi-automatic handgun.

Sgt. Bob Mitchell,
Sacramento Police Department
Homicide Section

Police shoot robbery suspect

A man suspected of robbing two banks about an hour apart was shot and wounded Thursday by two Sacramento police officers whom he was trying to elude following the second holdup.

At 2:20 p.m., an undercover officer eating at a restaurant first saw the man, who matched the description of the suspect who had robbed an American Saving Bank at 1331 Florin Road about 1:45 p.m. and had just robbed the HomeFed Bank at 1600 West El Camino, just 100 yards away from the restaurant, according to Sgt. Bob Mitchell.

The officer called in help and with a uniformed officer was attempting to arrest the man when the suspect bolted. During the subsequent chase, the suspect fired a pellet gun at the officers, police said. Both officers fired, and the man was struck twice in the leg.

He was taken to the UC Davis Medical Center and booked on charges of robbery and assault on a police officer.

Jerry Finney
Chief of Police
City of Sacramento

Dear Chief Finney:

On July 2, 1992, this office was informed of the non-fatal shooting of Michael A. McGraw by Police Officers Darrell Martin and Richard Gautier during an apprehension of McGraw who was a suspect in an armed robbery that had occurred earlier that same day. A review of the propriety of the level of force exercised against this subject has been conducted based upon the reports submitted by investigators from both the Police Department and the Office of the District Attorney; those reports are attached herein.

Summary of Findings

This use of force was reasonable and legally justified.

Factual Basis

NOTE: Page references are to crime report #92-07393, a summary of that report prepared by Sergeant Bob Mitchell of the Sacramento Police Department, and an investigative report prepared by District Attorney's investigators Richard Gunn and Linda Gunn. There are fourteen such pages, numbered one through fourteen at the bottom center of each page.

On July 2, 1992, at approximately 2:19 p.m., Police Officer Darrell Martin was eating at a restaurant at West El Camino and Truxel Road, within the City of Sacramento when the police communication center broadcasted the description of a subject that had committed an armed robbery at a bank one-half hour earlier (page 1). Officer Martin monitored this broadcast and asked for a further description of this subject (page 4). The suspect description also included the fact that the subject was armed with a handgun (id.). At this same time, Officer Martin saw a subject matching this description (id.); he began to follow

the subject who was in the process of removing clothing that had been part of the broadcasted description (page 5). Officer Martin briefly lost sight of this subject but saw him reappear and continued to follow him (id.). Officer Martin "felt committed" at this point and verbally identified himself as a police officer, ordering this subject to get into a prone position (id.). Officer Martin had his gun drawn and held a police radio, which he used to summon a "cover" unit which momentarily arrived in the person of Officer Rick Gautier (id.). As Officer Gautier approached the subject in order to take him into custody, Officer Martin observed the subject to "fidget" and attempt to get up. Officer Martin repeatedly told the subject to remain prone (id.) The subject nonetheless rolled and fled from the officers (id.). Both officers pursued. Officer Martin requested that the communications center confirm that this suspect had been armed (id.). This was confirmed; Officer Martin apprised Officer Gautier of that fact (id.).

Officer Martin saw the suspect in a "full run" initially, then saw him slow down in a fashion that caused Officer Martin to believe that the suspect was about to turn and shoot (id.). Officer Martin did not choose to shoot at the suspect because of innocent persons in the line of fire; he continued to chase the suspect (id.). At this point, Officer Martin heard Officer Gautier fire at the suspect, who was now behind a fence and not visible to Officer Martin (id.). During this pursuit, Officer Martin continually yelled for the suspect to "stop, halt, freeze" and continued to identify himself as a police officer (page 6). When Officer Gautier stopped firing, Officer Martin fired three to four shots. He stated that he did so because the suspect had once again slowed his pace causing Officer Martin to believe that the suspect was again about to fire (id.). The suspect jumped over a fence causing Officer Martin to lose sight of him (id.). A bystander directed Officer Martin in the general direction of the suspect who became visible to Officer Martin on the opposite side of the fence that both Officer Martin and the suspect had earlier cleared (id.). While proceeding along this fence, Officer Martin came face-to-face with the suspect; Officer Martin ordered the suspect to "show his hands" (id.). At that point the suspect rolled again, causing Officer Martin to believe that the suspect was going to shoot through the fence (id.).

Officer Martin fired one shot at the suspect (id.). He did not see the suspect holding a weapon but feared for his safety due to the suspect's conduct (id.). Officer Martin observed that the suspect was larger than he; this also caused him to fear for his life (page 7). At this point, the suspect, who had been wounded in the hip and leg (page 2) offered no further resistance and was taken into custody (op. cit.).

Officer Rick Gautier was working as a patrolman on July 2, 1992 when he received a broadcast at approximately 2:18 p.m. informing him that a detective needed assistance with a robbery suspect (page 8). The exact words he heard were "IVY 144 (a detective unit designator), I need assistance with a bank 211 suspect from the south area (id.)." Officer Gautier responded to the general location provided by a subsequent broadcast (id. - page 9);

Chief Jerry Finney
August 4, 1992
Page 3

Gautier observed a detective pointing a gun at a prone subject (page 9). Officer Gautier noted that the subject was large in stature and non-compliant. Officer Gautier anticipated aggressive action against either himself or the other officer (id.). Officer Gautier pointed his gun at this subject and was told by Officer Martin to "get this guy cuffed up real fast (id.)." Officer Gautier holstered his weapon and approached the suspect to handcuff him (page 10). Officer Gautier could not see the suspect's waist area and feared for his safety, believing that the suspect was going to produce a gun (id.). Officer Gautier saw the subject get up quickly and begin to flee (id.). Officer Gautier could not see both of the suspect's hands and believed the suspect to have been armed because of the suspect's conduct (id.). Officer Gautier gave chase, calling to Officer Martin and asking him whether the "suspect was armed, did the suspect use a gun in the robbery (id.)." Officer Gautier was told he has/had a gun." Officer Gautier could not distinguish whether or not Officer Martin was telling him that the suspect either "had" or currently "has" a gun (id.). Officer Gautier saw the suspect begin to slow his pace, which caused Officer Gautier to believe that the suspect was going to turn and fire (id.). Officer Gautier feared for his life and that of his partner; he fired three shots at the suspect, who had now accelerated and begun to run in a different direction (id. - page 11). Officer Gautier again saw the suspect slow down and believed that the suspect was going to return fire (page 11). Officer Gautier fired three more rounds at the suspect (id.). The suspect continued to run; at this point, Officers Gautier and Martin split up, eventually taking the suspect into custody without further incident (id.).

Officer Gautier emphasized that he was in definite fear for his life during the chase of this suspect because he believed him to have been armed (id. - page 12).

Legal Issues

A peace officer may make an arrest whenever he has probable cause to believe that the person to be arrested has committed a felony, whether or not in his presence, and whether or not a felony has actually been committed, Penal Code 836. A peace officer who has reasonable cause to believe that the person to be arrested has committed a public offense may use reasonable force to effect the arrest, to prevent escape, or to overcome resistance, Penal Code 835a. Where a suspect believed to have committed such an offense flees from officers, deadly force may not be employed to effect his apprehension unless the officer has probable cause to believe that a suspect poses a threat of serious physical harm, either to the officer or others; under such circumstances, it is reasonable for the officer to use deadly force to prevent an attack, halt an attack, make an arrest, or prevent an escape, Tennessee v. Garner (1985) 471 U.S. 1. Actual danger is not necessary to justify the use of force so long as one is confronted by the appearance of danger which arouses in his mind as a reasonable person, an honest conviction and fear that he is about to suffer bodily injury, CALJIC 5.51.

Information communicated through official police channels has been recognized as sufficient probable cause for detention or arrest, see e.g. People v. Hogan (1969) 71 C.2 888, People v. Ortega (1969) 2 C.A.3d 884, People v. Galosco (1985) 85 C.A.3d. 456.

Analysis of Conduct

In assessing whether the use of force of this nature is reasonable, the following issues must be addressed:

1. Did the person against whom force was used intend or reasonably appear to intend to commit significant injury or homicide;
2. Did a weapon or means of causing death or serious bodily injury exist or reasonably appear to exist;
3. Did that person constitute or reasonably appear to constitute an imminent threat of death or serious bodily injury?

This incident may be characterized as the shooting of a fleeing felony suspect who was believed by both involved officers to have been armed and hence a deadly threat to themselves or others. This belief is objectively supported by a) Information broadcast through official channels that gave Officer Martin probable cause to at least detain this suspect for questioning based on his appearance; b) The belief held by Officer Martin as the result of this broadcast that this suspect had committed an armed robbery and hence was a threat to the safety of others; c) The non-compliant conduct of the subject upon initial contact; d) Confirmatory information received through official channels indicating that the suspect in the prior robbery had indeed been armed with a handgun; e) The suspect's behavior during flight that caused both Officer Martin and Officer Gautier to believe that the suspect was going to turn and shoot at them.

The objective facts observed by each officer support the subjective belief of both that this subject was a) involved in a serious crime against the person (armed robbery); b) presently armed; and c) an imminent threat to life. Each officer is objectively reasonable in his stated belief that this subject was a viable threat to their lives.

Conclusion

The totality of these circumstances support the belief of Officers Martin and Gautier that this suspect was a serious physical threat. Their conduct was reasonable and lawful and no

OFFICER INVOLVED SHOOTING

DATE: 7-2-92
TIME: 1419 hours
LOCATION: W. El Camino (between Truxel Road and Timberberwood Court)

OFFICERS: 1. Martin, Darrell, badge #0701
Narcotics - Street Drugs - Plain clothes
2. Gautier, Richard, badge #0576
Patrol - Day Shift - Uniform

ARRESTED: McGraw, Michael A., MB34, 10-10-57

SUMMARY:

July 2, 1992, Thursday at 1419 hours, on duty, Narcotic Officer Darrell Martin was eating at a restaurant in the Park Plaza Shopping Center at W. El Camino and Truxel Road. At the same time, the Communication Center broadcasted the description of an armed robbery suspect from the American Saving's Bank, 1331 Florin Road at 1345 hours.

A person matching the suspect's description walked by the restaurant. Martin observed the suspect and decided to investigate. Martin was unaware that the suspect had just robbed the Home Federal Bank, approximately one hundred yards away. This robbery was unreported at this time.

Officer Martin followed the suspect from the shopping center across W. El Camino and west/bound one block to Timberwood Court. While following the suspect, Martin called for assistance. It was at W. El Camino and Timberwood Court that uniform Patrol Officer Richard Gautier arrived.

The suspect was ordered at gunpoint into a prone position. As Gautier was preparing to handcuff the suspect, he got up and ran across W. El Camino toward an open field and an apartment complex. The suspect ignored several orders to stop. Having knowledge that the south area robbery was committed by an armed suspect and that he was attempting to escape, both officers fired at the suspect as he crossed El Camino and entered a large field. The chase continued through the field and then into the apartment complex. The suspect was lost for a few moments and located again. The suspect then ran and hid in some tall grass along the fence that bordered the apartment complex and field. Officer Martin approached the suspect and fired another shot. The suspect was then taken into custody by arriving units.

ORIGINAL

The suspect sustained two gunshot wounds. One was to the right hip and the other was to the right leg, above the knee. The suspect's weapon was a large blue steel pellet gun. It resembled a large caliber semi automatic handgun.

It should be noted that a witness observed the suspect brandish and fire the pellet gun at the officers. Neither officer observed a gun, nor were they aware it was being fired at them.

There were a total of 12 rounds fired at the suspect. Each officer fired six rounds.

Respectfully submitted,

Sgt. B. Mitchell 3010

STATEMENT OF VICTIM:

1447 hours, 07/02/92. I, along with Detectives Thurston, Stanfield, Sergeant Schiele and Sergeant Mitchell, accompanied Officer Martin through a brief walk through of the shooting scene. Officer Martin is currently assigned to the Street Drug Team and led us from the Tio Doro's Restaurant located at El Camino and Timberwood Court. He then said at that location, he saw a MB subject who matched the description of an Armed Robbery suspect from the south area.

Officer Martin exited the restaurant and paralleled the suspect onto El Camino Avenue. The subject crossed the street to the north side of El Camino, then walked westbound to the intersection of El Camino and Timberwood. Officer Martin then placed the suspect in a prone position and at that location, waited for a cover unit. The marked police car and Uniformed Officer, Gautier, exited his marked vehicle and was in the process of assisting the taking the suspect into custody.

However, while in the prone position, the suspect turned and ran. Both officers gave chase and fired several shots at the suspect. The suspect kept running southbound through a field just east of the River Terrace Apartment Complex located on El Camino and Timberwood.

The suspect was taken into custody in a field, after he sustained a gunshot wound to his leg. Officer Martin said he had confirmed with police radio, that the suspect in the robbery from the south area, had been armed with a handgun. Officer Martin also said the suspect initially ran on the east side of the fence, then in front of apartments [redacted] and [redacted] he jumped over to the west side of the fence. As the suspect approached apartment number [redacted] and [redacted] he jumped back over the fence onto the east side. It was near this location that Officer Martin fired one shot and then saw the suspect spread his hands. Uniform officers converged on the scene and took the suspect into custody.

1656 hours, 07/02/92. Detective Azevedo met with victim, Officer Darrell T. Martin, at the Hall of Justice, 2nd floor, Homicide/Assaults interview room #5. The interview was audio and video recorded and below is a synopsis of the interview. Present throughout the interview were victim; Officer Martin, Sacramento Police Officer's Association Attorney, Mark Krueger and myself.

I began the interview by asking Officer martin how long he had been with the Sacramento Police Department. Officer Martin said he has been with the

Sacramento Police Department for three years and lateraled from the Stockton Police Department where he had been an officer for six years. He is currently assigned to the Street Drug Enforcement Team and has received all of the necessary training and schools that go with being assigned to the Street Narcotics Unit. Additionally, he has attended Sacramento Police Department's regularly scheduled Pistol shoot.

Officer Martin said he had just left his office on today's date (07/02/92), and was on the freeway. At that same time, Sacramento Police Department Communications was broadcasting a description of an Armed Robbery suspect. Officer Martin said he observed a white station wagon with brown paneling, suddenly move from the #1 lane on the freeway and exit the off ramp of Garden Highway. He thought to himself that this vehicle could possibly be the responsible in the broadcasted robbery, because it had enough time to travel from the South Area to the location where Officer Martin was. Officer Martin continued on to his destination, which is the Tio Doros Restaurant located on El Camino and Timberwood.

Officer Martin got his food and sat a location near the rear portion of the restaurant. Meantime, Sacramento Police Department radio was continuing to broadcast descriptions of the Armed Robbery suspect. Specifically, the description was a MB, 5'10/200, a phoney mustache, white t-shirt, red tie, a baseball cap and that a weapon was a handgun. Officer Martin saw a subject holding a blue baseball cap and attempting to remove his tie. The subject was wearing a white t-shirt and blue trousers. Officer Martin then changed channels on his police radio from channel 6 to channel 2 and asked for a description of the robbery suspect. The Sacramento Police Department Communications said the suspect was a MB, 5'10/200 lbs., blue hat, red tie, white shirt and blue trousers. At that point, Officer Martin broadcasted to the Communications on his police radio, that he had the suspect.

Officer Martin then exited the Tio Doros Restaurant through the front door located on the east side and turned northbound through the parking lot towards El Camino Avenue. Officer Martin got around to the front portion of the building and he saw a uniformed security guard. Officer Martin handed to the security

guard a pair of sunglasses and a cellular phone and asked the security guard to hold onto them. Officer Martin then followed the aforementioned suspect, as he (suspect) crossed El Camino Avenue. The suspect, at that point, had removed his hat, tie and shirt. He was now clad in a tank top and blue trousers. The suspect, after crossing El Camino Avenue, turned westbound and stopped near the intersection of El Camino and Timberwood. Officer Martin briefly lost sight of the suspect and then saw the suspect reappear at the corner of Timberwood and El Camino.

At that point, Officer Martin felt committed and verbally identified himself as a police officer and had the suspect get into a prone position. Officer Martin had his gun drawn and at the same time, was holding a police radio. Officer Martin was dressed in civilian clothes, consisting of a black, short-sleeved shirt and bluejeans. The suspect complied with Officer Martin's directions and laid in a prone position. Officer Martin waited for a "Cover Unit" and it was at that point that uniformed, Sacramento Police Department Officer Gautier arrived. Officer Gautier was in the process of approaching the suspect and about to take him into custody; however, the suspect was fidgeting and attempting to get up. Officer Martin repeatedly told him to remain in the prone position. At that point and prior to being taken into custody, the suspect rolled and fled southbound across El Camino Avenue. Both Officers gave foot pursuit and Officer Martin requested from Communications to confirm that the suspect had been armed. He was advised that the suspect was and it was at this time that he again told Officer Gautier that the suspect was armed. Officer Martin, at this point, was not positive if Officer Gautier was asking if the suspect was armed during the commission of the robbery and/or if he was armed at the time that he was fleeing.

As the suspect fled, Officers Martin and Gautier followed the suspect. Officer Martin said the suspect was at a "Full run" going southbound along a fence. At one point, Officer Martin said the suspect slowed down and it was at that time that Officer Martin thought the suspect would turn and shoot at them; however, Officer Martin said he didn't have cover and knew that there were people in his line of fire and therefore, held his fire. Officer Martin said he followed the suspect across El Camino and then heard Officer Gautier start to fire. Officer Martin did not see the suspect, due to the fence being between himself and the suspect. Officer Martin described this fence as a six to seven foot high, wood

slat fence which divides a field and the River Terrace Apartment Complex.

Officer Martin said he followed the suspect, who was currently on the east side of the fence and Officer Martin followed on the ~~east~~ side of the fence. As Officer Martin approached the fence, and on the south side of El Camino Avenue, his magazine fell out and at that point he picked it up, looked around the fence and saw the suspect still running. Officer Martin said that at that point, Officer Gautier had stopped firing and at that point, Officer Martin said he fired three to four shots. Officer Martin said he fired because the suspect had been running at a fast pace and it was at that point that he slowed down and Officer Martin thought that he would fire at them. The suspect kept running and Officer Martin thinks Officer Gautier fired again.

Officer Martin said as he was chasing the suspect, he (Officer Martin) kept yelling to the suspect to "Police, stop, halt, freeze" and said he repeated it seven to eight times. Officer Martin said the suspect, at that point, went over the fence and was now on the west side. Officer Martin also jumped over the fence to the west side and lost sight of the suspect. Officer Martin said he ran along the apartment complex's playground and asked a bystander if he had seen a subject go by. The bystander directed the officer to southbound direction and Officer Gautier then transmitted that the suspect was going back toward the fence. Officer Martin then spotted the suspect approximately thirty yards in front of Officer Martin and near the fence. Officer Martin looked over the fence, but didn't see the suspect; however, there were people in front of the Tio Doro Restaurant who were yelling the suspect was near the fence. Officer Martin assumed the suspect was on the east side of the fence and as he proceeded along the fence, he saw the suspect face-to-face. The suspect was on the opposite side of the fence and at that point, Officer Martin ordered the suspect to "Show me your hands." At that time, the suspect rolled again and Officer Martin thought the suspect was going to shoot at him through the fence.

At that point, Officer Martin looked over the fence and fired one shot and then quickly moved from where he originally was located. He then looked again and saw the suspect's hands and held his fire. Officer Martin did not see a gun, but feared for his safety, due to the way the suspect had looked around when in the prone position to see if he could take on Officer Martin. Officer Martin

STATEMENT OF VICTIM:

GAUTIER, Rick
Sacramento Police Officer

07/02/92 at approximately 1625 hours. I contacted Officer Gautier in the #5 interview room located within the Homicide Office. I obtained the following statement in summary:

Officer Gautier stated that he has been a police officer for the past ten and a half, almost eleven years. Officer Gautier stated that on December 1, 1981, he was hired as a police officer with the Santa Monica Police Department. His assignments, while with the Santa Monica Police Department, included Patrol, Undercover Vice, and he was also assigned as a Field Training Officer. On July 15, 1991, Officer Gautier resigned his position as a police officer with the Santa Monica Police Department and accepted a position with the Sacramento Police Department as an officer. Officer Gautier's hire date with the Sacramento Police Department was July 27, 1991. Officer Gautier's assignments, while with the Sacramento Police Department, have been strickly Patrol Division. Officer Gautier indicated that he has worked on mid, late and day shifts. Officer Gautier is currently assigned to the North Area Patrol on day shift.

Officer Gautier stated that at approximately 1418 hours, he was on routine patrol driving eastbound on West El Camino and that he had just passed Northgate Blvd. Officer Gautier stated that he overheard radio transmission from an IVY Unit (Detective) that the detective needed assistance with a 211 suspect. Officer Gautier stated that the exact words that he heard over the radio were, "IVY 144, I need assistance with a Bank 211 suspect from the South Area..

Officer Gautier stated that he was just down the street and made a u-turn to respond to the officer's location. Officer Gautier stated that as he was responding, he was thinking to himself how this detective could have located the South Area robber in the North Area. Officer Gautier did remember however, hearing the radio broadcast on the bank robber from the South Area. Officer Gautier stated that the detective's voice, over the radio, sounded as though the detective was positive that this was the right suspect from the South Area bank robbery.

Detective Gautier stated that the detective did not give an address as to his current location and that the detective only mentioned the name of an apartment complex, which he could not remember off hand. Detective Gautier stated that

he was familiar with this apartment complex and upon his arrival, he started to turn into this apartment complex that is just west of Mill Creek Drive.

Officer Gautier stated that as he arrived onto the scene, he could not see anybody in the immediate area and he thought that the officer and the suspect were somewhere in the apartment complex. Officer Gautier stated that at this point, he looked west, down West El Camino, and saw the undercover detective at the corner and that the undercover detective had his gun out, pointed at a suspect and that the suspect was laying on the ground. Officer Gautier stated that it was at this point that he accelerated to that location and arrived to assist the undercover detective.

Officer Gautier stated that as he got out of the car he drew his weapon and was pointing it at the suspect. It was at this point that Officer Gautier observed the suspect for the first time.

I asked Officer Gautier to describe the suspect to me as he saw him at that instant. Officer Gautier stated that the suspect was a MB and that he was "Big." Officer Gautier stated that he was thinking to himself that this subject was a parolee because he was rock solid and very well build. Officer Gautier also stated that this subject had a hard look on his face and was not complying to any commands neither he nor the undercover detective were giving him. Officer Gautier stated that the suspect, who was on his stomach, kept lifting himself up as if he was doing push-ups. Officer Gautier stated that he recognized this movement as the suspect's attempt to either flee or to take aggressive action against either he or the undercover detective.

I asked Officer Gautier to describe what the suspect was wearing at that time. Officer Gautier stated that the MB suspect was wearing a white, tank top t-shirt, either bluejeans or black pants, and that he had close cropped hair with a distinctive part on either the left or right side.

Officer Gautier stated that he pointed his gun at the suspect and he too, was yelling at the suspect to stay on or get on the ground. Officer Gautier stated that he looked at the undercover detective and it was at that point that the undercover detective told him, "Let's get this guy cuffed up real fast." Officer

Gautier stated that he reholstered his weapon and withdrew his handcuffs and it was at that point that he approached the suspect to handcuff him. Officer Gautier stated that he could not see the front of his waist and this made him somewhat concerned for his safety. Officer Gautier stated that he approached the suspect and grabbed one of his hands to put him in a handcuffing position when the suspect lifted himself up off the ground, turned and placed both hands towards the middle of his waistband. Officer Gautier stated that it was at this point that he told himself that the suspect was probably going for a gun and that he was going to have to return fire if the suspect did, in fact, brandish a gun at him. Officer Gautier stated that the suspect then got up real fast and started to run southbound across West El Camino.

Witness Gautier said that as the suspect was running across the street, he could not see both of his hands at the same time. Officer Gautier stated that he could see one, possibly his left hand, going side to side as he ran; however, the other hand was being kept close to his waistband and this again instilled in Officer Gautier's mind that the suspect was probably armed.

Officer Gautier, as he was chasing after the suspect, withdrew his gun and started yelling at the undercover detective, "Is this suspect armed, did the suspect use a gun in the robbery." Officer Gautier stated that the undercover detective stated to him, "Shoot him, shoot him, he has/had a gun." Officer Gautier could not differentiate whether or not the undercover detective was telling him that the suspect either had or has a gun.

Officer Gautier stated that as he reached the center median, he observed the suspect was, at that point, reaching the south curb of West El Camino. Officer Gautier stated that the suspect then started to slow down. Officer Gautier described this as a fast jog and not a full sprint as the suspect was originally running from him. Officer Gautier stated that in his mind, he was thinking to himself that the suspect was slowing down so he could turn and fire on both he and the undercover detective. It was at this point that Officer Gautier told himself that he was in fear for his life and that he was not going to give the suspect an opportunity to turn and fire at he and his partner. Officer Gautier stated that he then leveled his gun at the suspect and fired a volley of three shots at the suspect. It was at this point that the suspect now increased his

speed and started to run further in a southbound direction in an open field.

Officer Gautier stated that as he reached the south curb of West El Camino, he again saw the suspect slowing and thinking that the suspect was again going to try to turn and fire on he and his partner/officer. Officer Gautier leveled his gun again at the suspect and fired another succession of three rounds at the suspect. Officer Gautier stated that it appeared to him that he had missed the suspect all six times that he fired at him. Officer Gautier stated that just prior to his second volley of shots, he heard a single gunshot. Officer Gautier was not sure whether or not this single gunshot came from either the suspect or the undercover detective who was to Officer Gautier's left.

Officer Gautier stated that he did remember that just prior to firing the second round of shots at the suspect, he remembers that the suspect did turn and look back at them. Officer Gautier thought that the suspect was trying to see where the officers were, so that the suspect could return fire.

Officer Gautier stated that the suspect continued to run in the southbound direction, through the vacant field. It was at this point that Officer Gautier and the undercover detective split up. The undercover detective continued to chase the suspect through the vacant lot and Officer Gautier ran through the apartment complexes that were to the west of the suspect. Officer Gautier was in fear that the suspect would get into the apartment complexes and possibly take hostages.

Officer Gautier stated that as he was running through the apartment complexes, he did observe the suspect in the apartment complexes and put over the radio that he had the suspect in the apartment complexes. Officer Gautier stated that the suspect saw him and then again ran south from the officer. Officer Gautier stated that he continued to chase the suspect until he caught up with him and the undercover detective had the suspect laying prone near the fence line that is on the east side of the apartments. Officer Gautier stated that he then covered the suspect while a uniformed officer took the suspect into custody.

Officer Gautier emphasized that he was in definite fear for his life during the chase of the suspect because Officer Gautier felt that the suspect was trying

MEMORANDUM

OFFICE OF THE DISTRICT ATTORNEY

STEVE WHITE
DISTRICT ATTORNEY

DATE: July 3, 1992

TO: GLENN POWELL
DEPUTY DISTRICT ATTORNEY

FROM: RICHARD GUNN
CRIMINAL INVESTIGATOR

SUBJECT: OFFICER INVOLVED SHOOTING, SPD 92-57393

Officers involved Rick Gautier, #576 and Officer Darrel Martin, #701.

At approximately 3:20 p.m., July 2, 1992, Investigator LINDA GUNN and I responded to an officer involved shooting at W. El Camino near Truxel. We both responded to the scene and met with S. P. D. Sgt. BOB MITCHELL. MITCHELL gave us an overview of what had occurred. Inv. LINDA GUNN remained at the scene and walked through it with Sacramento Police Dept. officers. I responded to Sacramento Police Dept., Homicide section, to monitor the interviews of the officers involved.

At approximately 4:25 p.m., Officer RICK GAUTIER, accompanied by S. P. O. A. attorney MARK KRUGER was interviewed by Detective VALENZUELA. GAUTIER said he was on patrol on West El Camino Ave. when he heard another officer request cover in apprehending a robbery suspect from the south area. GAUTIER responded to the area of the Discovery Commons apartments and saw that Officer MARTIN had a person laying on the ground west of the apartment complex. GAUTIER approached the officer and the suspect and saw the suspect pushing his upper body away from the concrete (as in a push up motion). He ordered the suspect back to the ground and MARTIN said he wanted to get the suspect handcuffed quickly. GAUTIER reached for the suspect's arm to place him in a control hold and the suspect rolled over, jumped up and ran across W. El Camino Ave. Officer MARTIN yelled for GAUTIER to shoot the man because he had a gun. The man continued running across El Camino and GAUTIER asked MARTIN if it had been an armed robbery and was the man armed. MARTIN replied that he was and said to shoot him. As the man ran GAUTIER thought that at any moment the man was going to turn and

shoot at him. He said he stopped and fired three shots at the man to stop him. He said MARTIN was running ahead of him at this point. GAUTIER heard another shot fired from in front of him but could not tell who fired it. GAUTIER ran across the street and the man slowed to a fast jog. GAUTIER reached the south sidewalk and MARTIN was still to his right. MARTIN was firing at the suspect at this point. GAUTIER then fired three more times at the suspect. The suspect ran into an apartment complex west of the open field and he followed the suspect through the complex. The suspect at one point ran toward GAUTIER then ran away from him. GAUTIER next heard MARTIN yell for the suspect to put up his hands or something similar. The suspect continued to be non-compliant and was taken into custody in the open field east of the apartments.

Officer DARREL MARTIN was interviewed by Detective AZEVEDO at approximately 5:00 p.m. MARTIN said that he had heard a description broadcast of an armed bank robbery suspect. The suspect was described as male black, 5 foot 10, 200 pounds, wearing a blue baseball hat, white shirt, red tie and blue pants. MARTIN went to T. Adorno's Deli for lunch and ordered. He was seated near the rear of the business when he saw a male black carrying a blue baseball hat and wearing a white shirt, red tie and blue pants walking along the driveway at the back of the business. The man was removing the tie. MARTIN went out the front of the business and walked toward W. El Camino. When he got to the street he saw the same black man, at this time wearing a white tank top and blue pants. The two of them crossed W. El Camino and walked west on the north side of the street. At one point the man whistled and waved at a car as if signalling someone. MARTIN confronted the man near Timberwood and ordered him to the ground. The man laid on the ground. When a uniformed officer arrived and approached the suspect, the suspect began to raise his upper body off the ground as if watching the officers. When the uniformed officer attempted to handcuff the suspect, the suspect rolled, got up and ran across W. El Camino. The other officer asked if the suspect was armed. MARTIN said he was and asked radio to confirm the suspect in the robbery was armed. He was told that he was. As they ran across the street he heard the uniformed officer fire. The suspect ran into an open field on the south side of El Camino and ran along the east side of a fence separating the field from an apartment complex. As the man ran through the field he slowed from a dead run to a fast jog. MARTIN feared the man was going to turn and fire at him and so he fired three or four times at the suspect. The suspect jumped a fence into the apartment complex and MARTIN followed him over the fence. The suspect ran through the apartment complex then ran back to the fence and jumped into the field. MARTIN fired one more time over the fence at the suspect when the suspect rolled and MARTIN thought he was going to fire at him. The suspect then laid on the ground and was taken into custody.

MARTIN was working in plain clothes at the time of this incident.

Interviews of both officers were audio and video taped by Sacramento Police detectives.
