STATEMENT OF WITNESS:

MOUTINHO, Doug  
Special Agent Bureau of Narcotics  
Enforcement.

04-15-92, At approximately 1325 hours, I contacted witness Moutinho at the Sacramento Police Department in reference to obtaining a statement related to this case. Witness Moutinho related the following, in summary;

Witness Moutinho indicated that he is a Special Agent for the Bureau of Narcotics Enforcement currently assigned to the Sacramento office. Witness Moutinho indicated that today's assignment was to assist in the serving of a search warrant at 5231 McKellar Avenue in reference to narcotics enforcement. Witness Moutinho stated that he attended a briefing at the Sacramento Police Department Narcotics Unit. During this briefing, witness Moutinho received information that the subjects that reside at the above location were possibly armed and in the possession of weapons. Officer Moutinho indicated that he was advised by officers at this briefing that a "Mac-10" was removed from this residence on a prior search of this residence. Witness Moutinho indicated that his assignment during the ~~series~~ of the search warrant, which was going to be served by the Sacramento Police Department SWAT Team, was to be outside perimeter.

Witness Moutinho stated that upon their arrival to the location on McKellar Avenue, he and other agents ran up to the house right behind the Sacramento Police Department SWAT Team. Witness Moutinho stated that he and other agents were assigned to the west side of the residence, outside perimeter. Witness Moutinho stated that at the time that the SWAT Team was going to make contact at the front door of the residence, he and other members were attempting to get into the back yard of this residence. Witness Moutinho indicated that they were having difficulty trying to get the gate opened, so he removed the board from the gate. Witness Moutinho stated that other agents started to climb over the gate, at which time he followed. Witness Moutinho stated that during his assignment on the outer perimeter, he could hear a male voice stating, "Get your hands up." He heard this at least two times. Witness Moutinho stated that he also heard an individual yelling, "Shots fired! Shots fired!" Witness Moutinho stated that he and other agents took a low profile position within the outside perimeter, and waited there until they were relieved by other agents. Witness Moutinho stated that he did not hear another shot go off in the residence, nor did he see any other people within the residence.

Agent Diana Machen  
Badge number 584

At 1324 hours, 04/15/92, I contacted BNE, Special Agent, Diana Magen, at the Hall of Justice, 813 6th Street. She stated, she was with three other agents on her crew and that they were to assist Sacramento Police Department on search warrants and that the people involved on the search warrants, who lived at the house, were trafficking heroin, cocaine and marijuana. She stated at the briefing at 0700 hours this date at the Sacramento Narcotics Unit, they were told the people inside the residence on McKeller had been served warrants before, and a MAC-10, was found and it was believed the people may be armed. For that reason, they were going to do SWAT entry with her crew to do followup with the searching and taking people into custody. She stated, she had no other background on the people, as it was not her case. Stated, they met at K-Mart on Stockton Boulevard. The plan was to let the main suspect leave the residence and a marked unit would make a stop and take him into custody. Afterwards, the SWAT team would hit their house and serve the warrant.

She stated, Roland Garcia from her agency, saw the main suspect leave and there was no marked units available, so BNE units made the stop and took him into custody, recovering heroin from him. Stated, they regrouped at Lucky's Market, 37th Avenue and Stockton Boulevard and then briefed again, at which point, she was told she would follow the SWAT team and cover the front of the house and the remainder of her people, cover the sides and back. She stated, they followed a SWAT van and by the time she was out of her car and running up the street, the SWAT team was already making entry into the house. Stated, that when she reached the residence, she took a position at the garage door. She then heard two or three muffled, popping sounds and someone inside yelled, shots fired and asked for an ambulance. Stated, she did not enter the residence, but stated she could hear yelling, "Police" before the shots were fired and afterwards.

Magen stated, earlier during the briefings, she understood that both of the people inside could be armed, but that they were not sure how many people were inside. Stated, earlier when the car was stopped, Detective Tatarakis, Sacramento Police Department, asked the driver if there were any guns in the house and at first, the driver said, no, but then later said, he didn't know.

Special Agent Roland Garcia  
BNE Special Agent

at 1420 hours, 04/15/92, I contacted Special Agent Roland Garcia at the Hall of Justice, 813 6th Street. He stated, during the past couple of weeks, he has been working with Sacramento Police Department Detective, Adler Robinson, Jesse Reyes, Dan Torres, John Parker and John Tatarakis on several different cases, including this one. In this case, surveillance on several individuals involved in this case, known as a [REDACTED] known earlier as [REDACTED] and another subject, later identified as [REDACTED]. They were making heroin sales and surveillance took them to McKeller Avenue and a search warrant was secured for that address.

Special Agent Garcia stated this morning, a briefing was conducted at the Sacramento Police Department Narcotics Unit. During the briefing, the BNE portion would be a search at the McKeller address after a SWAT entry was made as a previous investigation indicated there may be weapons involved with the subjects.

Garcia stated, this morning a surveillance was initiated at 5231 McKeller Avenue at approximately 0815 or 0816 hours. A male Hispanic, later identified as [REDACTED] exited the location and drove away in a vehicle included in the search warrant and a felony stop was initiated. Narcotics were found on him; a small amount of tar heroin.

The SWAT team then responded to 5231 McKeller Avenue. Garcia stated, he responded with the SWAT team to the front door because he was a Spanish speaker. The SWAT team yelled loudly that they were police officers, there was a search warrant and demanded entry and they knocked very loudly. Garcia stated, he also gave instructions in fluent Spanish several times loudly and after fifteen to twenty seconds, they did not get a response from inside and forced entry was made. Once inside, again, they announced themselves. A female, later identified as [REDACTED] was encountered in the living room, where she was prone. SWAT officers continued past her with he, Garcia, continuing to yell in Spanish, while officers yelled in English, "Police Officers, search warrant". Stated, about eight to ten seconds after entry was made, he heard two shots discharge to his right, northeast portion of the house, while he stood in the living room facing the family room. At that point, he heard several officers yell, shots fired and Garcia then repeated it towards the people at the front door. The officers said they encountered an individual armed with

a rifle. Garcia stated, he responded to the family room with a female SWAT officer, where a small boy was handcuffed. He then went to the northeast bedroom and saw a male Hispanic adult, who was lying prone on the ground, bleeding lightly from a wound to the left side of his chest underneath his arm on his rib cage. This individual was conscious and was calm. Garcia stated, he asked how he was feeling and he told him paramedics and medical attention was on it's way and the individual responded by saying, he felt okay, but felt faint and that it hurt and he gave no further information. Garcia then saw one of the SWAT officers with a carbine type assault rifle with a retractable stock, which was then passed onto other officers and out of the room. Garcia stated, he remained with the individual who was on the floor and was consoling him in Spanish. Paramedics then arrived and removed him. Stated, he did not question the individual as to the narcotics or the weapon, as they wanted him to remain calm.

Garcia stated, the SWAT officers talked among themselves that apparently, the individual came at the officers with the carbine and pointed it at the officers.

Garcia stated earlier, the individual who was seen leaving in the Buick Riviera and stopped, was asked who was inside the house, if there were any weapons or dogs inside. He responded and assured Detective Tatarakis that there were none.

Garcia stated during the morning briefing, it was learned that a MAC-10 weapon was recovered during an earlier investigation and that it was later found out that the weapon belonged to [REDACTED] who was the primary suspect in this investigation on McKellar Avenue and that [REDACTED] had obtained a new weapon since the previous investigation, but it was unknown what kind of weapon he now had.

Garcia stated, after all the persons were secured inside the residence, he assisted on a preliminary investigation regarding the narcotics aspect and he then responded to the Police Department to continue the investigation regarding the narcotics and this shooting.

Witness Statement:

Pohle, Allan Schuyler  
3046 Prospect Park Dr. (BNE)  
Phone 631-1622, Male white [REDACTED]

On 04/15/92 at approximately 1329 hours, I, Detective Gracia met with Special Agent Allan Schuyler Pohle the II at 813 6th Street. I obtained the following statement in summary:

Pohle indicated that he was a Special Agent with the Bureau of Narcotics Enforcement. The following is his statement:

This morning at about 7:00 a.m., I met at the Sacramento City Police Department Narcotics Division. I met with Sacramento Police Department officer, as well as other BNE Agents for a briefing regarding the search warrant.

My assignment was the surveillance of subjects leaving the residence of the search warrant and second to assist during the stops of the subjects leaving the area of the search warrant and third perimeter security at 5231 McKellar.

I reported and met at Stockton Boulevard and Lawrence. At that location, we suited up into raid gear, vests and jerseys.

Special Agent Garcia with BNE advised on the radio from McKellar, that the suspect was exiting the residence and entering a vehicle. Other Special Agents and SPD Officers, along with myself, responded to the area of McKellar. I was instructed to assist Special Agent Supervisor Burns on a traffic stop of the vehicle leaving the residence.

I observed the subject leaving the area in a blue Buick and we followed the vehicle and initiated a stop approximately three blocks northwest of the scene. I assisted other agents in taking the subject into custody. I don't know his name. We took him into custody without any incident and after the stop, we met at 37th Avenue and Stockton Boulevard behind Lucky's. We began to prepare for serving the search warrant. We went over instructions and I was assigned to do perimeter security.

I locked up my assigned vehicle and road to the search warrant scene in the blue van, which is a BNE van with other BNE Agents.

We drove to McKellar Avenue. The driver parked west of the location of the Sacramento Police Department SWAT van. We exited the vehicle and ran to the west side of the house at 5231 McKellar. My partner, Doug Moutinho, tried to get the gate open on the west fence. Doug was unable to do so, so I jumped the fence. As I was landing on my feet on the other side of the fence, I heard a

voice a from near the front of the house, specifically, the front yard, yell, "Shots fired". I heard the voice yell this twice. I couldn't tell you exactly who it was that yelled that. Then like a domino affect, three or four other people and myself were saying, shots fired, shots fired. I believe at that time, but I'm not sure, that Agent McPeters and Doug Moutinho came over the fence with me. I'm not for sure because they were all behind me at that point. I do recall all four of them being in the backyard sometime after that. Immediately after the shots fired, shots fired circulated, I took up a position at the northwest corner exterior of the residence. I didn't see into the residence because the windows all had window coverings and I was ducking down. I could hear a SWAT team or searchers inside the house, possibly looking for other suspects. I heard through the wall someone confirm all suspects were in the house were in handcuffs. Maybe thirty seconds went by while I was out there and word was passed around by word of mouth, that it was code four, secure.

I walked around and surveilled the rear of the residence with my partner, Doug Moutinho. I checked a utility shed, which was out back, along with Doug and there were no suspects inside.

I went out to the front yard and awaited the arrival of the Sheriff's units, who then took over the scene.

I don't recall hearing any gun shots.

STATEMENT OF WITNESS:

(home) [REDACTED]  
FW/DOB [REDACTED]

On 04-15-92, At approximately 1000 hours, I, Detective Gracia, met with witness [REDACTED] at her residence at [REDACTED] McKellar. I obtained the following statement in summary;

I live here ([REDACTED] McKellar) with my son, [REDACTED] [REDACTED] is four and a half years old.

I have lived here for a little over a month. I don't know many of the guys in 5231 McKellar. I know that four people live there to my knowledge. One of the subjects is a male Hispanic in his forties, who I know as [REDACTED]. Another subject that lives there is a male Black in his thirties, 5'6" or 5'7". And another subject is a male Hispanic in his sixties. There is also a younger Mexican in his late twenties with black bushy hair and a black car. He's the one that they took to the ambulance today.

I never had a problem with any of the rest of the subjects in there, but I did have a problem with [REDACTED] [REDACTED] propositioned me at least ten times with money. He offered me between fifty and a hundred and fifty dollars to go to a hotel with him. He did this on a number of times.

I did notice quite a lot of traffic going into that residence on frequent times. There were quite frequently Hispanics coming and going into the residence. They came and went at all hours of the night.

I had not really seen the residence with guns, although I thought I had seen the Black guy who lived there with a gun tucked into the back of his pants. He was going into the house when I saw him, and I saw a bulge at the back of his waistband which I felt was a gun. I didn't get a close enough look, so I didn't call the police at that time.

That's all I know. Those people pretty much stay to themselves.

WITNESS STATEMENT:

[REDACTED]  
 F/H, DOB [REDACTED]  
 Residence phone: [REDACTED]

At approximately 0940 hours on 04/15/92, I, Detective Gracia, met with witness [REDACTED]. We met at her residence at [REDACTED] McKeller. I obtained the following statement in summary:

I was at home asleep in my bedroom at the southeast corner of my residence. At around one hour ago (approximately 0830 hours) I heard a male Police Officer yelling, shots fired. I looked out the front window and saw a uniformed officer with a handgun drawn pointing towards the backyard of the house next door (5231 McKeller). I really didn't get that good of look at him and I was just waking up, so I can't describe him any further. The gate to 5231 McKeller was open and the officer was crouching down.

I think I heard, possibly one shot, but I can't recall if it was before or after I woke up.

When I saw that, I got woke up and ran out of my house to the neighbor at [REDACTED]. I banged on her door and she was not answering the door, so I ran back to my house to get my little baby out of the back bedroom. I ran back towards my neighbor's house at [REDACTED] and knocked on the door again.

The guy that lives at 5231 McKeller is a male Hispanic or Spanish guy. His father stays there with them. His father has propositioned my neighbor, [REDACTED] (at [REDACTED] McKeller) twice for prostitution.

I personally have noticed the father staring at me and on numerous occasions. I kind of thought that he was a pervert.

A lot of people are coming and going to that residence. At one time, possibly up to six people live there with the guy and his father.

I never had any words exchanged with these people or any problems with anyone but the father. The father of the guy who rents, stared at me quite frequently and also walked down the middle of the road to look into my door, as well as

█ door. He just made me feel uncomfortable. That's what I mean by harassment.

I think those people have lived there for a period of approximately two and a half months.

I don't recall having seen them with guns.

I did tell a friend of mine, Officer Chew, with the Sacramento Police Department about the father propositioning my neighbor. I basically didn't make a complaint, I just asked him for some advice as to what she should do about the problem. He advised me to have her call the police and report it. I don't think she ever did.

That's all I know about those people over there. I don't see them that often.

REPORTING OFFICER DETECTIVE GRACIA	YEARS OF SERVICE	BADGE 0300	DIV 31	DATE 4/15/92	APPROVED BY <i>Sgt. B. Mitchell</i>	3010	
ASSISTING OFFICER	YEARS OF SERVICE	BADGE	DIV	TIME 1428	BADGE	DATE	TIME

At approx 1800hrs 4/14/92 (Mon) I was contacted at home by Det Robinson, SPD Narcotics. Officer Robinson requested assistance the following morning (4/15/92) in the execution of two HIGH RISK SEARCH WARRANTS at 5231 McKellar Ave and [REDACTED] Apostolo Way, lower left (south apt). Preliminary information via Det Robinson indicated that the principal suspects:

[REDACTED]

[REDACTED]

were Mexican nationals dealing in tar heroin, marijuana, and rock cocaine. Additional intelligence from past arrests indicated that this group of suspects had been armed with a MAC 10 Sub Machine Gun and had just recently purchased another fully automatic weapon.

After obtaining this information I contacted Lt TWILLING and advised him of the request, then conducted a short surveillance of each residence to plan for tactical considerations for the next days (wed) warrant service.

At approx 0730 hrs 4/15/92 (Wed) a pre-raid briefing was conducted by all involved elements of the search warrant teams including SPD TEAM TEN SWAT, SPD NARCOTICS, BUREAU OF NARCOTICS ENFORCEMENT, along with DEPUTIES from the SACRAMENTO COUNTY SHERIFFS DEPARTMENT. After reconfirming the above information the above listed elements of the search warrant team met at Stockton and 37th Ave to make final preparations for the execution of the search warrants.

Team Ten assignments were as follows:

- 1) Officer Beermann
- 2) Officer Camp                      Secure bedrooms
- 3) Officer Peterson
  
- 4) Officer Jensen
- 5) Officer Phillips                  Secure living area
- 6) Officer Donat

supervised by myself, Sgt Dowden, who eventually supplied forced entry via a door ram. It should also be noted that the entire SWAT TEAM under my control was in full tactical dress, including full ballistic protection.

At approx 0842hrs SWAT TEAM TEN approached the front door of the residence at 5231 McKellar assisted by Det Robinson. Det. Robinson knocked very loudly on the front door of the residence numerous times and in a loud voice announced OPEN UP, POLICE SEARCH WARRANT on at least three separate occasions. After approx 15 seconds and with no indication of compliance to Det Robinsons request to open the front door I forcibly opened the front door with a door ram.

SWAT  
4/15/92 2130 hrs

Consistent with their assignments both elements of the entry team moved rapidly to their assigned positions. Officer BEERMANN immediately encountered the principal suspect in the living room area, the suspect was not cooperative and was neutralized by officer BEERMANN via active countermeasures. Seconds later I overheard an officers voice yelling, GUN, GUN, immediately followed by two gun shots. I immediately ran to the direction of the shots, N/E corner bedroom, and found that officer CAMP had shot a male Mexican adult. The suspect was on his knees facing west and had an M-1 .30cal rifle/collapsible stock, lying on the floor directly in front of him. Officer PETERSON retrieved the rifle and handed it to me whereupon I quickly rendered it safe, full magazine chamber clear. I then directed the remainder of the entry team to handcuff the remaining occupants of the residence while ordering an ambulance and the fire department. A quick examination of the suspect revealed an entry/exit gunshot wound to his abdomen/chest area. After the arrival of the ambulance and the fire department I secured the rifle in the SPD SWAT VAN until arrival of the Sheriffs Department Homicide Detectives.

An examination of the Tactical Ballistic Shield revealed that it had sustained a singular impact from a firearm. This damage was to the rear of the Shield and was probably created by officer CAMPS first discharged round. The ballistic shield contained the 147gr 9mm sub sonic round in the Spectra Material. Damage was moderate and it created an approx 1½" diameter dimple with a ½" vertical rise.

After the suspect was removed, later identified as:

NORBERTO BARRAZA MM 6/6/69

I turned over the rifle to Sheriffs Homicide Detectives and left the scene to serve the warrant on Apostolo. Officer CAMP was transported to the Police Station by Lt. Twilling where he was subsequently interviewed.

SSD Report 92-34888

(At approx 1130 hrs 4/15/92 (wed) I was contacted via telephone by Lt Walker SPD Homicide. Lt Walker advised that the suspect had expired at 1105hrs.)

At approx 1015hrs 4/15/92 (wed) SWAT Team Ten assisted by the remaining elements of the search warrant team responded to the area of [REDACTED] Apostolo Way. Assisted by Det Reyes, SPD Narcotics, SWAT TEAM TEN approached the front door of the apt. After complying with 844 PC, and receiving no immediate response, I forcibly opened the front door of the residence. The residence was quickly secured without incident. One female white and

SUPPLEMENT REGARDING NOTIFICATION AND RESPONSE TO SCENE:

4/15/92, at approximately 0850 hours, I monitored a transmission on channel six of the Police Radio. The transmission was regarding a shooting that involved Narcotics. There were no details of the shooting transmitted.

I called the Communication Center and was advised that the shooting had taken place in the County, at 5231 McKellar Ave. The only details know at this time was that a person was shot during the service of a search warrant. The officer involved was a Sacramento Police Officer.

0855 hours, I was advised by Lieutenant K. Walker, the respond to the scene with a team of investigators. Detectives J. Valenzuela, badge #0400, L. Gracia, badge #0300 and B. Anderson, badge #0563, were directed to respond and make ourselves available to assist Sacramento County Homicide Detectives. Detective Valenzuela responded with me.

0915 hours we arrived at the scene. The scene was the residence at 5231 McKellar Ave. The scene was secured by police barricade tape and officers within the area. The residence was a single family dwelling in a residential area.

At approximately 0920 hours, I met with Lt. G. Twilling, S.W.A.T Commander. Twilling advised me of the facts as he knew it at the time. Twilling related that Narcotic officers had come to this location to serve a search warrant. The suspect in this case had been arrested before and at that time, was armed with an UZI. For that reason, the S.W.A.T. Team was brought in to make entry. Officer M. Camp was checking a bedroom and the suspect, later identified as Barraza, Noberto, pulled a 30 Cal Carbine rifle and Camp shot him.

0920 hours, I met with Sgt. J. Dean, badge #54, Sacramento County Homicide Section. Dean was in charge of the investigation because the shooting took place in the Sheriff's jurisdiction. During the course of several contacts that I had with Sgt. Dean, Sacramento Police Detectives were requested to conduct a canvass of the neighborhood and obtain statements from Department of Justice, Bureau of Narcotic Enforcement Officers.

It was arranged at the scene that Lt. G. Twilling would transport Officer Camp to the Sheriffs Office for a statement.

ADVISEMENT:

04-15-92, At approximately 0900 hours, I, Detective Gracia, received a call from Sergeant Mitchell, Homicide Supervisor. He requested that we (myself and Detective Anderson) respond to 5231 McKellar. Sergeant Mitchell advised that this was the scene of an officer involved shooting in the county of Sacramento. Sergeant Mitchell advised that the Sacramento County Sheriff's Department was in charge of the scene, but that a city officer was involved, so we would respond to assist, should the County require our assistance.

ARRIVAL:

At approximately 0914 hours, Officers Anderson and R/O Gracia arrived on the scene. Upon arrival, SSO Supervisor, Bob Lyons, was in charge of the scene.

SCENE:

The residence at 5231 McKellar is a single story brown stucco residence on the north side of McKellar facing south. The front lawn area was taped off by a yellow crime scene tape. The back yard area was fenced in and there was a gate to the west of the residence.

At approximately 0915 hours, Sergeant Mitchell and Detective Valenzuela arrived.

It was requested that I assist in conducting a neighborhood canvas. I contacted the residence at [redacted] and [redacted] McKellar and obtained statements. The residence at [redacted] McKellar was unoccupied.

## SUPPLEMENT

04/16/92, at approximately 0848 hours, after hearing a radio broadcast of a shooting and then a request for IIS notification, Sergeants Campas and Davis responded to the location of the shooting, 5231 McKellar Avenue.

After arriving at the shooting scene and learning that a SPD Officer was involved in the shooting, Sergeants Campas and Davis entered the residence where the shooting took place.

Lt. Twilling showed Sergeants Campas and Davis exactly where the shooting took place. Lt. Twilling also provided information about what happened. After Sergeants Campas and Davis were shown the room where the shooting took place they limited their movements to areas of the residence other than that location.

After viewing the area, and receiving an account of what happened, and being aware of the fact the incident occurrence was out of SPD's jurisdiction, Sergeant Davis requested that SPD's CSI respond, specifically for the purpose of sketching and photographing the shooting scene for IIS Departmental administrative investigation and presentation to the Shooting Review Committee.

# Police shoot, kill suspected heroin

By Edgar Sanchez  
Bee Staff Writer

## dealer during drug raid

A suspected heroin dealer was shot and killed during a police raid on his south Sacramento home early Wednesday.

Felix Barraza, 23, was shot at 8:42 a.m. in the bedroom of his home at 5231 McKellar Ave. after a team of Sacramento police and state Bureau of Narcotics Enforcement

officers, along with members of the police SWAT team, burst into the house.

Sgt. John Parker, of the police narcotics squad, said Barraza threatened the officers with a .30-caliber rifle, but was felled before he could shoot.

Barraza "came at one of our SWAT officers with a loaded rifle, and he was shot by the officer in the lower torso," Parker said. "The officer fired two shots. The suspect didn't have time to fire."

The name of the officer who shot Barraza was being withheld.

The Sacramento County Sheriff's Department was not involved in the raid, but it is investigating the shooting because it occurred in the unincorporated area. Its findings will be sent to the district attorney's office, which ultimately will decide whether police used justifiable force.

Sheriff's spokesman Ed Close said Wednesday night that it originally was be-

lieved the suspect had fired, striking a bulletproof shield carried by the officer, who then shot the suspect.

Barraza was believed to be part of a group dealing Mexican heroin in the city, Parker said.

Seized at the home were more than 1 ounce of tar heroin, \$3,600 in cash, scales and various weapons. Several other suspects were reportedly arrested. Their names were not released.

## Officer cleared in shooting death

**S**acramento District Attorney Steve White announced Monday that his office's review of the investigation into the April 15 death of Nolberto Barraza has found a police SWAT officer was justified in shooting the 23-year-old suspected heroin dealer.

According to authorities, Barraza pointed a loaded rifle at a special weapons and tactics officer before being shot to death in his home on the 5200 block of McKellar Avenue. Barraza originally was identified as Felix Barraza.

Police originally thought Barraza had fired at the officer, but a bullet found in the officer's bulletproof shield came from the officer's own gun. The name of the officer was withheld.

The Sacramento County Sheriff's Department conducted the investigation because the raid occurred in the unincorporated area of the county.

0845 hrs., 04/15/92: I was notified by 61B1, Officer Jole, that Sacramento Police Department (SPD) had asked for cover, Code 3, on McKellar Avenue (this information he received over his scanner). Shots had been fired and officers were needed Code 3.

NOTE: McKellar Avenue is in the county of Sacramento, just west of Sacramento Blvd. at 37th Avenue.

0847 hrs.: I arrived Code 3. The Fire Department was already at the scene. There were numerous B.N.E. agents, SPD detectives and SPD SWAT officers on the scene. Later ambulance arrived.

I was contacted by an SPD officer in plain clothes (later identified as TWILLING) and SWAT Sgt. DOWDEN. They related the following:

B.N.E. and SPD SWAT team were serving a search warrant at that location. They made entry and were confronted by a suspect in the rear of the residence, who had armed himself with an automatic carbine. A SWAT officer fired three times. Twice the officer hit his own bullet proof shield which he was holding in front of himself, and the third round hit the suspect in the side.

I entered the residence. There I observed one Mexican male juvenile, one Mexican female adult and one Mexican male adult handcuffed on the couch in the front room.

1 4-15-92, 0947 hrs.

2 I received a call from Sgt. DEAN advising me to proceed to 5231 McKellar  
3 Way regarding a shooting involving a SPD Officer who had shot a subject  
4 while serving a Search Warrant. I had Sgt. Bob HASAPIS riding with me for  
5 R.A.P. training

6  
7 0918 hrs.

8 We arrived at the scene.

9  
10 The scene is 5231 McKellar which is a residential district in the South  
11 East central part of Sacramento County. It is an overcast day.

12  
13 Upon my arrival at the scene I met with Sgt. LYONS from SSD. Also present  
14 was Patrol Officers ARNDT and JOLE. Sgt. LYONS advised me he and Officer  
15 JOLE were the only two County Officers that had entered the residence. He  
16 advised that numerous Sac P.D. Officers, uniformed and plain clothes had  
17 been in and out of the residence.

18  
19 There are numerous City Police vehicles, news people, County vehicles  
20 present.

21  
22 The reason for the Police Department to be in the County was because they  
23 and Bureau of Narcotic Enforcement were serving a Search Warrant at this  
24 residence.

25  
26 Apparently after entry was made into the residence a confrontation with one  
27 of the armed suspects ensued and the subject was shot by SPD Officer  
28 Michael CAMP. The wounded subject was transported to the Sacramento

1 Medical Center. He was alive when he was transported from the residence.  
2  
3 While talking to Sgt. LYONS outside the crime scene tape, I was contacted  
4 by Lt. Greg. TWILLING who is the SWAT Commander and is the Supervisor for

8 grave.  
9  
10 As I was talking to Sgt. LYONS and TWILLING, I was contacted by Sgt. Pat  
11 DOWDEN by the Police Department who advised me he had secured the Officer's

3 We were advised we would be admitted after they had completed their scene.

4  
5 At approx. 1020 hrs., I began examination of the the crime scene.

6  
7 The residence is a single story house located in a residential district in  
8 the South Central part of the County and nearby proximity to the City.

9  
10 The exterior of the residence is beige in color, two tone with a darker tan  
11 colored trim. On the West side of the residence is a steel roll up garage  
12 door.

13  
14 The sidewalk turns from in front of the garage in an Easterly direction and  
15 then back to the North where entry is made into the front of the residence  
16 via the front door.

17  
18 The front door has an aluminum screen door and is ajar. The entry door is  
19 a standard wooden door with a mailbox slot in the middle. The door casings  
20 on the door are split from the forced entry by SPD Swat Officers. The  
21 striker plate is lying outside the front door and slightly under the toe  
22 kick.

23  
24 Upon entering the first room as you enter the front door is possibly a  
25 dining/den area. The room is carpeted with a dark multi colored brown

17  
18 After leaving this bedroom the short hallway goes to the East. The hallway  
19 is approximately 6 feet wide. Looking straight ahead there is a small  
20 closet door that is on the East wall of the hallway.

21  
22 Below the East wall on the floor, is #3 identification marker that is  
23 sitting next to an empty shell casing.

24  
25 As you turn to the South there is another closet door that is closed. As  
26 you go to the East this is the bathroom. The door is open and the bathroom  
27 is very small. It contains a sink, a toilet and a white tub. The toilet

3 contains some tissue paper, a first aid kit, razors etc. In the tub there  
4 is a maroon and brown towel hanging on a rack. Hanging over the shower

8  
9 On the North wall is a towel lying on the floor that appears to be soiled  
10 and no towel on the rack.

12 Entering the bedroom that is on the North East corner. This is the bedroom  
13 where the shooting took place. On the West wall of this bedroom as you  
14 enter the door there is an electric type heater sitting on the floor that  
15 is unplugged. There is a redwood clock on this wall that is running and  
16 shows the time as 11:15.

17  
18 In the North West corner is a stereo sitting on top of a cabinet with  
19 speakers. On top of the stereo is a small yellow lamp with a light bulb

12 also a package of disposal diapers sitting on the blanket. There is a baby  
13 bottle that appears to be empty.

14  
15 Under the maroon blanket is a turquoise and white blanket. Removing the  
16 two blankets from the bed to check for blood stains there is what appears  
17 to be two spots of blood on the sheet. One spot is approximately the size  
18 of a nickel and the other one is larger than a silver dollar. They both

TIME/DATE REPORT INFORMATION IN CHRONOLOGICAL ORDER.

1 The time is 1012 hours, today's date is 4-15-92 and we're in interview room  
2 #1 in the Detective Division. Present is myself, Det. Stan REED of the  
3 Homicide Bureau. Also present is Mike CAMP, he is a SWAT Officer from the  
4 Sacramento Police Department and we'll be interviewing him. Also present  
5 is Diane RAMSEY. She's a Sergeant in Internal Affairs at the Sacramento  
6 Police Department and Mark KRUGER who is the Attorney at Law for the  
7 Sacramento Police Officers Association.

8  
9 Okay like we discussed before we turned this on, I'd like to get a little  
10 background on your career and stuff.

11  
12 REED: How long have you been an Officer with the Sacramento....?

13  
14 CAMP: 12 1/2 years.

15  
16 REED: 12 1/2 years. All of that has been with the Sacramento Police  
17 Department?

18  
19 CAMP: Yes.

20  
21 REED: What have your assignments been during that time? Just briefly?

22  
23 CAMP: Patrol for about 8 years, Narcotics for 6 months and the last 3  
24 1/2 years have been on the SWAT team.

25  
26 REED: Okay as a member of the SWAT team obviously every day is not a  
27 SWAT operation. What do you do in the interim when you're  
28 performing as a SWAT person? Or do you just constantly go out on

1 Search Warrants like that and stuff?  
2

3 CAMP: Search Warrants are one of our normal routines. There could be

5 pick up major Felons for Detectives, serve major Felony Warrants  
6 out of the Warrant section on a routine basis, train regularly.

24 CAMP: Yes it is.

9  
10 CAMP: I was paged yesterday afternoon on a Little League field about  
11 5:00 (p.m.) I believe. And I called Sgt. DOWDEN at home in  
12 response to the page. And he said that we were going to go out

18  
19 CAMP: Oh about 6:45 (a.m.)

20  
21 REED: Okay and did you have a briefing regarding this operation?

22  
23 CAMP: We went over it briefly again of the locations in our office and

25 Narcotic Officers and other Officers that were going to go out on

1 the right hand, holding it at waist level. Was the barrel  
2 pointed at you?

3  
4 CAMP: At me. He was yes.....

5  
6 REED: Was anything said at that point?

7  
8 CAMP: I think the thought went through my mind but I don't recall  
9 saying anything. It was quick. I was close, I pulled the shield  
10 I guess to protect myself. I think I leaned back a little bit  
11 and fired two rounds. On the second round I saw him start to  
12 crouch down. The weapon (suspect's) went down on the ground and  
13 he fell back on his butt and then leaned further back up against  
14 a bed. It was slowly and I felt I had hit him and I yelled for  
15 the Sergeant to call an ambulance, that I thought I'd hit him.  
16 And I believe I fired two, at least two rounds. It could have  
17 been three, I'm not positive.

18  
19 REED: Okay. So when you first ....you talk about breaching the bedroom  
20 door, was the door open?

21  
22 CAMP: The door was open. The bedroom doors I saw were open and I just  
23 chose the one to the right versus the other one.

24  
25 REED: So you didn't have to kick it, you just....you say breach..you  
26 mean you went through the door?

27  
28 CAMP: Yeah just broke the plate on the door because there was no

1 way.....I had the shield in the left and the gun in the right so  
2 there was no way I'm gonna really open a door.

3  
4 REED: And this all happened so quickly. On this particular occasion,  
5 I know on all occasions these things are very risky and you have  
6 a certain amount of fear, did you feel fear at that time or did  
7 you feel that you had time to do it, or after it's over ...or  
8 were you just reacting to.....

9  
10 CAMP: Well because of the training and past situations I've been  
11 involved in, it was either I shoot or I'm going to die right  
12 there.

13  
14 REED: So there was no doubt at that point in your mind, and this guy is  
15 pointing a gun at you.....

16  
17 CAMP: And he's advancing to the doorway, and if he gets past me he's  
18 going to shoot whomever else that he gets...if he gets by me. So  
19 it was only myself and everybody else there.

20  
21 REED: Okay. Do you know if anybody followed you into the room?

22  
23 CAMP: I remember after he went down Officer DONAY came in and I'm  
24 pretty sure it was DONAY that ended up handcuffing him. And  
25 once he was secure I left the room.

26  
27 REED: Okay and did you remain there for any length of time as far as  
28 the ambulance arriving and like that?

1 CAMP: I went out into the garage and came back into the kitchen a  
2 little while later and the ambulance had him on the gurney and  
3 were rolling him out to the street.

5 REED: Okay I just want to go back a little bit and go over...you went  
6 to the door, we have a Search Warrant, hit the door with the ram,  
7 in the door...during all this process, everybody's yelling police  
8 uh....

10 CAMP: As we're running in we're always yelling Police and any interior  
11 doors we make a Knock and Notice at but like I said the bedroom  
12 doors were open.

14 REED: And you're clearly....I can see you here in your jumpsuit here  
15 it's clearly marked Police and your jacket..okay it's got a badge  
16 attached embroidered on it, so it's clearly Police Officer.

18 Okay is there anything you want to add that you don't think we covered  
19 here, that you think is important?

21 CAMP: No, just....

23 KRUGER: Why don't you tell him how you felt when you saw the guy with the  
24 weapon.

26 CAMP: It was either shoot or be shot. And I just reacted based on the

TIME/DATE                      REPORT INFORMATION IN CHRONOLOGICAL ORDER.

1            0900 hours 4-16-92

2            I attended the autopsy of Nolberto BARRAZA at the Sacramento Coroner's  
3 Office. Dr. Schmunk performed the autopsy with three assistants.

4  
5            When I arrived, Dr. Schmunk was performing the external exam. The victim  
6 was lying naked on an autopsy table. During the exterior exam, Dr. Schmunk  
7 noted a bullet entry wound and a near exit wound accompanied by the bullet  
8 below the surface of the skin. There were numerous medical intervention  
9 wounds including a mid-line incision closed with metal staples; an open  
10 incision/laceration approximately one inch in length and four inches right  
11 of the right nipple; an open incision/laceration approximately two inches  
12 in length and two inches right of the mid-line, four inches above the  
13 naval; an approximately two inch incision/laceration closed with metal  
14 staples six inches left of mid-line and three inches below the left naval;  
15 an approximately one inch incision/laceration one inch left of the  
16 previously described wound; an approximately six inch incision/laceration  
17 on the left side approximately even with the left nipple. Each arm also  
18 had evidence of injection and or catheters.

19  
20            The entry gunshot wound was on the left side of the chest, approximately  
21 twenty inches below the top of the head and nine inches left of the mid-  
22 line. This wound was roughly circular measuring approximately 3/8 inch in  
23 diameter. There was no evidence of stippling or tattooing.

24  
25            The exit wound area was approximately 22 1/2 inch below the top of the head  
26 and six inches right of the mid-line. This area was about two inch by 2  
27 1/2 inch of bruising with a palpable object beneath the surface. Dr.  
28 Schmunk made an incision and recovered a projectile. The projectile was an

1 expanded bullet with a copper jacket. The base diameter was 9mm and the  
2 expanded head diameter was approximately 1.4 cm. Dr. Schmunk turned this  
3 projectile over to the crime lab.

4  
5 During the internal exam, Dr. Schmunk found the bullet path to enter the  
6 left chest wall through the eighth rib. There was a large amount of liquid  
7 blood in the left chest cavity. The bullet path continued beneath the lung  
8 and heart, perforated the left diaphragm and lacerated the stomach. The  
9 path continued through the liver, exited the right diaphragm and out the  
10 right chest cavity. There was evidence of surgical intervention at the  
11 pericardium and liver. Dr. Schmunk concluded that the gunshot wound caused  
12 death through loss of blood and shock.

13  
14 I reviewed the coroner's report which stated that the victim arrived by  
15 ambulance at UCD Medical Center at 0907 hours. Upon arrival, there was no  
16 measurable blood pressure. A left chest tube was inserted and an  
17 exploratory laparotomy was performed. The attending physician found a  
18 large liver laceration and damage to the portal vein and hepatic artery.  
19 Massive blood loss was noted and the victim went into disseminated  
20 intravascular coagulation which Dr. Schmunk explained as the inability to  
21 continue clotting blood which leads to continued bleeding. Emergency  
22 personnel conducted closed and open heart massage, but the victim was  
23 pronounced dead at 1105 hours.

24  
25 This report is intended as a preliminary investigative report on the  
26 autopsy of Nolberto BARRAZA and is not intended to conflict with the final  
27 conclusions or analysis of Dr. Schmunk.
