SACRAMENTO POLICE DEPARTMENT
SUPPLEMENTARY INVESTIGATION REPORT

REPORT NUMBER 98-18980

CRIME CODE SECTION 664/187

VICTIM: Officer George Chargin

On 3-8-98 at approx 2200hrs, I responded Code 3 to an officer involved shooting at Sitka and McCarthy in the Dos Rios apartments. When I arrived, I saw Officer George Chargin # 335 lying on a sidewalk facing east with Officer Abe # 604 kneeling next to him. I noticed that Officer Chargin was cringing with pain, and Officer Abe was trying to keep Chargin calm him. There was a small puddle of apparent blood below Officer Chargin's posterior side.

As soon as Officer Chargin saw me, he said that he had been shot at least twice: once in the right knee and once in the buttocks. He told me that he shot back at the suspect but did not think that he hit him. I asked Chargin if anyone else was shot. He said he did not think so. Officer Chargin continued his conversation with me by telling me briefly what happened. He was able to give me a name of the suspect (Joe Rosales, MHA), and the direction of travel the suspect fled. I told Chargin to lie still until the ambulance arrived. I saw two CHP officers arrive with a first aid kit.

I had several officers move several police cars so that the ambulance could get into the area. When the ambulance finally arrived, they immediately took Officer Chargin to UC Davis Medical Center. I told Officer Abe to accompany Officer Chargin to the hospital.

I requested K-9 to come to my location to start a search of the area. K-9 Officer Garner # 330 arrived within minutes to start the search.

I had Sergeant Smyth #3082 tape off the scene to secure it.

I examined the area where Officer Chargin told me that the suspect was hiding. I found a red bicycle (later identified as belonging to the suspect) and three possible 22cal. shell casings lying on a doorstep approximately 15 yards to the south from where Officer Chargin was lying. I also saw a small blue car parked in the parking lot with an apparent bullet hole in the front windshield on the driver's side.

I requested all available CSO/s and CSI units to respond to the scene. I also requested homicide to be called out to the scene.

I spoke to Officer Murchie # 781 who said that she also shot at the suspect one time. She showed me an injury to her right knee that she sustained after tripping over some bushes while shooting at the suspect. I had Officer Laflamme #410 and Officer Murchie secure the scene ([redacted] McCarthy) where she shot at the suspect.

Lieutenant Valenzuela #4091 arrived, and I briefed him as to the information I had at the time. Lieutenant Valenzuela, Sergeant Smyth, Sergeant Dan Schiele #3092, Lieutenant Ray Pfeifer #4067, and I handled the call until the suspect was found by K-9 Officer Husted found the suspect hiding in 462 Dos Rios.

I was at home sleeping when the phone rang, I picked it up, it was my sister, [REDACTED]. She was crying. I cannot really tell you what time I got this call.

She said [REDACTED] my nickname, they are going to shoot him. I asked her who they were going to shoot. She told me they were going to shoot Beluch, my nephew Joseph's nickname. I then asked her who was going to shoot him. She answered the police. She did not tell me how she knew Joseph had shot a police officer. She did not tell me anything about the circumstances of the shooting. The call was quite short.

I then asked [REDACTED] why the police were going to shoot Beluch. She responded to this by telling me he shot a policeman. When I heard this I told her I would be right down. I did not really know what was happening, but I thought he may be in the house and I could talk him out.

It took me about ten minutes to drive to the Dos Rios projects. I was stopped by the officers just as I was entering off Richards Boulevard. One of the officers asked me my name and how I found out about the shooting. I told him about the phone call I had received from my sister.

The last time I saw Joseph was about two weeks ago. I ran into him inadvertently at a gas station on Richard Blvd. We just waved in passing, we did not talk with one another.

I really do not know much about him, we have never been close. I do not know where he lives or any of his associates. I do know he was on parole. He just got out recently. I did not know

anyone was looking for him as a parole violator. My contacts with him were very minimal. There were three brother including Beluch, they were always in and out of jail. I never had much contact with any of them.

I have never seen Joseph with a gun. I have never heard him mention carrying a gun. I have never heard him threaten to shoot a police officer. I do not know if he has had any recent problems with any police officers.

REPORT NUMBER:98-18980

VICTIM:Chargin, George

WITNESS STATEMENT:

3-9-98 0102 [REDACTED] FF [REDACTED] was interviewed in room number three. The interview was both audio and video taped. During this interview [REDACTED] related the following in summary:

I was home watching TV, about 10:00 or a little after, when I heard a lot of shooting. I could hear the shooting, it was close to my home, but I did not where. I do not know how many shots were fired, I just heard a bang, bang, bang. I then told my husband, [REDACTED], someone was shooting. We then ran into the street, looking toward Dos Rics.

Once we got into the street we saw a lot of cops spinning around. I went back into the house to put my shoes on and grabbed my car keys. I then went back outside, observing Nakata walking toward me. Nakata and I know one another. Nakata then started yelling at me that Joe, my son, had shot a policeman. Nakata told me the police might have to shoot Joe. I told Nakata I did not know anything about Joe shooting an officer.

I became hysterical after Nakata told me they might have to shoot Joe. I then ran into the house, calling my stepbrother, [REDACTED]. I told him I did not what was going on, but there were policeman, including a helicopter, all over. I told [REDACTED] my brother, that I wanted somebody from my family with me. [REDACTED] told me he would be over in a few minutes.

I then called my son [REDACTED]. I told him I did not know what was going on, but I did tell him the cops said they were going to kill Beluch, Joseph's nickname. [REDACTED] told me he would be right over.

I then went back out of the house, walking over toward the laundromat. I saw all the police cars blocking the road so I figured I could meet [REDACTED] or my brother, [REDACTED] outside the blocked off area, since they could not get their cars into the area. I planned to walk back with them to my house.

As I got close to one of the police cars one of the officers "threw" me in the squad car. I had been in the car just a few minutes when I saw my brother pull up in his car. Shortly after that I saw the police put my brother, [REDACTED] in a police car.

I never saw my son [REDACTED] arrive in the area. I guess they got him on the boundary of this incident. [REDACTED] came over to my house from the Northgate area. I do not know where [REDACTED] lives, except it is in the Northgate area.

I had not seen my son Joseph this evening, in fact I had not seen him in a few days. Once in a while he will call me. I do not know where he stays or anything, he does not talk to me very often.

My husband and I spent most of the day trying to repair our car. We finally called my brother, [REDACTED]. He came over to help us, he finally got the car going. I then asked him to stay for dinner. [REDACTED] stayed for dinner, after he completed dinner he left for home. My husband, [REDACTED], and I then went to Haggin Oaks to look at a club. It was around 6:30PM when we were there because they close at 7:00PM.

After returning home from Haggin Oaks we watched TV. We were there when I heard the shots that were nearby, followed by the arrival of all the police and the police helicopter. We then stepped outside to see what was going on, it was at this time that I saw Nakata. This was the first time that I heard my son was involved in a shooting.

Joseph, my son, was never in my house at any time during the evening, before or after the shooting. Nakata was right there after the shooting.

I do not know where Joseph stays. He just comes by once in a great while, then leaves. I do not ask him anything. I do not where he is staying.

I do not know if Joseph carries a gun. I have never seen him with a gun.

I do not know how Joseph has been existing. I do not know if he has been selling drugs, he does not tell me anything.

I do Joseph is a parolee, and that they have been looking for him. I do not know where Joseph has been staying. I do not know if Joseph hangs out regularly in this area, or if he has any friends in this area.

Joseph has never said anything to me about any of the police officers. He hardly ever talks to my about anything. He does stop by once in a while to see how I am doing, after a brief visit he leaves. He was at my house sometime this week for a brief visit. I washed his pants for him, he then took off.

I never received a call from Joseph this evening. I was watching TV with my husband all evening until the shots. After the shots and I heard my son, Joseph, was involved I called my other son, [REDACTED], and my step-brother, [REDACTED]. They are innocent, they are not involved in this in anyway, except they came over when I asked for their assistance.

I know Nakata because he worked in this neighborhood years ago. He use to hang around this neighborhood. I do know Nakata and Joseph did have a problem on one occasion. Nakata asked for Joseph's identification. Joseph ended up showing Nakata his identification, Nakata then left.

REPORT NUMBER:98-18980

VICTIM:Chargin, George

WITNESS STATEMENT:

MURCHIE, ROBYN

3-9-98 0321 Sacramento Police Officer Robyn J. Murchie FW [REDACTED] was interviewed in room number three. The interview was both audio and video taped. During this interview Murchie provided the following information in summary:

I am assigned to the graveyard watch. I was working Alpha 11 this evening. I have been on graveyard since the last shift change, which was January 3, 1998. I started my shift at 2100 this evening. I am assigned to Alpha 11, which is a single person patrol assignment. I have been working in a single person car for about ten months. I was working with Sgt. Vosca until recently, he has reassigned. The sergeant this evening was Sgt. Moier.

I have been with the Sacramento Police Department seventeen months, not including the time I spent in the academy. I have almost completed my probationary status. I qualified with my weapon during the last scheduled qualification shoot, I was still on swing shift at the time.

All of my law enforcement has been with the Sacramento Police Department. I attended the Sacramento Police Department academy, graduating on October 9, 1997, I believe.

I was on normal patrol duties this evening when I first became aware of the events leading up to this incident. I had just cleared a call to [REDACTED] G Street. The call at this location was a 415, possible 928. The complainant is a chronic caller. I contacted one person at this location, cleared the call and left the area.

I was about 17th and H Streets when I heard Officer Nakata broadcast a pursuit. I heard him broadcast the middle name of the subject they were pursuing, I do not, however, remember the

name at this time. I do remember this name started with the letters BA. I do not remember at what point Nakata put out the rest of the description.

I heard Nakata was in the area of 12th and Dos Rios. I also heard him put out an address, dispatch then advised that such an address did not exist. I knew the general area that had been broadcast, I know where 12th Street and Dos Rios intersected.

I then started toward that location, advising dispatch, via the MDT, that I was responding, code three, from 16th and H Streets. I turned on Sproule of 16th Street, then on to North 12th Street to access the community at Dos Rios. It probably took me, at most, two minutes to reach the scene. I did see another unit in front of me. Nakata was on the air trying to direct a perimeter. I could not tell you all the other cars that were involved.

During this time I also got an updated description of the subject from Nakata. He was described as a parolee-at-large dressed in a brown jacket, dark beanie. I knew the guy's name now, but I did not know it at the time.

As I was pulling up to the corner of North 12th Street and Dos Rios I heard Officer Chargin broadcast that he had the subject at the corner of Dos Rios and McCarthy, near the administrative building on McCarthy. I then heard Chargin yelling at the subject to get down, asking him if he wanted to die. I was approximately a block from Chargin when I heard this broadcast.

I did not know where the administrative building was but as I turned the corner on to Dos Rios I looked up seeing a street sign right in front of me, the next street was McCarthy.

I turned onto McCarthy. Just as I turned into McCarthy I saw a bike laying on the ground. I then saw officer Chargin. As I was approaching Chargin I saw numerous muzzle flashes and pops at the same time. At this time I was approximately fifteen feet away from Chargin.

I remember hearing five or six pops. The muzzle flashes were straight in front of me, at windshield level. They looked like they were coming right at me, I expected to start taking them. I heard five or six pops before I keyed into what the flashes

were. At that point I realized it was shots fired and felt I was in a crossfire.

As I approached Chargin, northbound on McCarthy, I think Chargin was probably illuminated by my headlights. Although I did see the muzzle flashes I could not see who was shooting. I was probably about ten or fifteen feet from Chargin when I saw the muzzle flashes. The flashes were in front of me when I first saw them, I immediately decided I was in a crossfire. The muzzles flashes started to my right, crossing in front of me like the person was moving as he shot. At that moment I was still not certain who was shooting.

I saw Chargin go down after I saw three or four muzzle flashes. He was standing up as I first arrived. I saw him kind of kind of crumble, fold down to the ground. He almost immediately sat up. He was also broadcasting. I think on the first broadcast he put out officer down.

I quickly parked my squad car, exiting. I immediately started toward Officer Chargin. I did not know where he had been hit. As I approached Chargin he said, "No, I am OK, go, go, go." I decided at that point not to stop and check on Chargin because of his direction for me to go after the suspect.

He then pointed his hand in a southwest direction, kind of parallel to the apartment complex. I am not sure of the building number, I may have written it down. I did write down where I fired my shot, which was [REDACTED] McCarthy, the building Chargin was pointing toward was just east of [REDACTED] McCarthy.

I then ran in the direction Chargin was pointing. I did not see anyone in front of me. When I got to the edge of this building I cleared the corner before running past. After I cleared the corner I started running again in the same direction. Just as I got to [REDACTED] McCarthy there were some trimmed bushes. I went to jump through these bushes, trying to hold on to my radio because it was trying to fall out of the holder. I already had my gun drawn.

As I jumped through the bushes I tripped, landing on my knee and face on the cement. As I picked my face up I saw a male dressed in a black beanie, dark jacket and I thought tan pants. I cannot give you any physical. I could not see anything in his hands.

The suspect came out from behind the south side of the building, [redacted] McCarthy, after I tripped. He crossed right in front of me, about twenty feet from me. He ran in a southwesterly direction, toward Mint Street. His dress was consistent with the earlier clothing description broadcast by Officer Nakata. I never saw this man from the front, I saw only his back as he fled from me.

He matched the clothing description that Officer Nakata had earlier broadcast. I do not remember if Chargin had ever put out a description as I was responding to the scene. As I ran to Chargin after he went down I never got any additional description from him, he just told me to go after the suspect.

Because of the close his proximity to the scene, his flight and the description I was certain this man running away from me was the suspect in this incident. As the suspect ran from me I fired one shot at him. I was still down on my belly at the time I fired the shot. I did not identify myself at the time I fired. I was convinced, however, that this guy was desperate to not be caught, was armed, and was a continuing threat to other officers, as well as other people, in the area at the time I fired my weapon at him.

After firing the shot I got back to my feet. After I regained my feet Officer LeFlamme started yelling at me. He was asking where the suspect had run to and in which direction. I was not certain I had lost sight of him. I then ran to [redacted] Mint Street to take cover. At this point I met up with LaFlamme, telling him I had lost track of the suspect. LaFlamme then tried to broadcast the suspect's last direction of travel. I remained at my location, trying to maintain a perimeter. After things were more organized all units that were not on a designated perimeter site were directed to respond to Dos Rios and North 12th St.

While walking back to that location I wanted to mark my shell casing. I then walked back to that location, located the shell and marked it with a paper tepee.

I then met with K9 Officer Gardner and his dog. He then directed me to show him where I had last seen the suspect fleeing. I took him to that location. I then followed that K9 team until they took the subject into custody. I remained behind a tree just outside the house while they took the subject into custody.

I never returned to Officer Chargin. I knew there were officers were with him and fire was there as well.

I found after the suspect was taken into custody tonight that this was the same guy that Officer Boid had pursued on foot about one month ago. I helped set up a perimeter during that foot pursuit, which was not successful. I never actually saw the suspect during that time. I do remember during the pursuit that one of the officers broadcast that .22 caliber long rifle ammunition had been found on the bike that the suspect was riding at the time the foot pursuit was initiated.

At the conclusion of the interview Murchie's service weapon, a Sig Sauer P226, serial number [REDACTED] was checked, by this Officer, to determine the number of remaining unexpended rounds in this weapon. The weapon had one unexpended round in the chamber and fourteen unexpended rounds in the clip. This was consistent with the number of shots, one, which Officer Murchie reported firing at the suspect as he fled from her.

WITNESS STATEMENT:

3-9-98 0242 [REDACTED] MF [REDACTED] was interviewed in room number three. The interview was both audio and video taped. During this interview [REDACTED] related the following in summary:

I became aware of this incident only after my mother, [REDACTED] called me, in fact she called me twice. The first call was about 10:00, I was just getting ready to go to sleep. My Mom was very excited, she told me there were a lot of cops around the house. She also mentioned my brother. I then hung up, she did not know much. This conversation did not seem very important to me at the time.

She then called back immediately. During this call she told me they were looking for my brother because he had shot a cop. She told me one of the officers on the scene had told her Joseph had shot a cop. She then asked me to come over to her house because she was frightened.

I immediately drove over to her house. My girlfriend, [REDACTED] and my daughter, [REDACTED] FH [REDACTED], drove over to the scene. It took me about ten minutes to get over to my Mom's house. When I arrived I asked her husband, [REDACTED] what was going on. He told me that my brother had shot a cop, the same thing my mother told me. I spoke to [REDACTED] across the street from the house, the cops had the house surrounded.

I never spoke to my Mom after I got over to her house.

I last saw my brother two or three days. He was fed up with himself, but I do not know what kind of problems he was having. I do know he is a parolee, and he was a parolee at large. I learned this last Friday after the police came looking for my brother at my house on [REDACTED]. I told them at the time my brother did not live there and did not come to my house.

I do not know where Joseph lives or stays. I do not know any of

his associates. I try to stay away from him, I just got out about three weeks ago.

I have not seen Joseph with a gun recently or at any time in the past. During the one time I saw him, since I got out of prison, he did not mention any plans to shoot a police officer. During the last time I spoke with him he told me he was just surviving, that was about two days ago. I saw him at the light rail station between D and E Streets. He was riding a bike, which is how he normally gets around. I rode around with him for a while.

I was involved in this only because of the call my mother made to me informing me that my brother had shot a cop, followed with a request that I come over to her house.

I last saw my parole agent two days ago. I tested and gave him the address of the house. After that they came and searched for my brother, they searched the whole house. I told the officers he was not there. I do not hang out with him or anyone else. I just stay home with my girlfriend and kids.

The first crime scene was a combination of the front porch area in front of [REDACTED] and [REDACTED] McCarthy Court as well as the grass area, at the N/E corner of [REDACTED] McCarthy Court. (This was the front porch area where suspect ROSALES stood and fired several rounds at Officer Chargin who was pursuing him on a bicycle, as Officer Chargin had just turned the corner of the building. R/O was advised that Officer Chargin had returned fire but the suspect fled west bound and was not hit.) The area where ROSALES was standing at was dark and shadowed.

The second crime scene was in front of [REDACTED] McCarthy Court which was the next 4 unit, two-story apartment building, west of [REDACTED] McCarthy Court. (This was the location where Officer Monti chased after the suspect ROSALES and fired one shot at him, who was running away in a W/B direction, towards Mint Street.)

The third crime scene was at 462 Dos Rios Blvd., the location where the suspect ROSALES was captured at and where his gun and coat were also recovered at. R/O noted a new buildings being constructed on the east end of the court which was surrounded by 6' cyclone fences. A portable trailer used as the Dos Rios, SHRA office was located behind [redacted] McCarthy Court and [redacted] Sitka Street. The office is staffed during the week by SHRA Housing Management.

The apartments have no fences enclosing their yards but all have wire clothes lines in their backyards.

SPECIFIC CRIME SCENES:

SCENE #1 (IN FRONT OF [REDACTED] AND [REDACTED] MCCARTHY COURT):

R/O observed the four unit apartment building ([REDACTED] through [REDACTED] McCarthy Court to be on the south side of the court. The front doors faced N/B onto the court. Front grass areas and concrete sidewalks, with walkways lead to the raised concrete shared front door step. Two small bushes were in the planted box area to the left or east side of the front porch.

A corner grass area, surrounded by sidewalks and roadway, was to the east side of the apartment Building. No doors or windows were on the east wall. A blue-gray Toyota Celica, with [REDACTED] license [REDACTED] was parked facing W/B next to the south sidewalk on McCarthy Court, next to a red curb. The vehicle was heavily damaged due to an apparent accident unrelated to the shooting incident.

A SPD marked patrol vehicle, #8084, was parked just inside the court, behind and offset from the above Toyota Celica, in a W/B direction. The vehicle was driven by Officer K. LaFlamme, badge #0410, (1A115) who arrived on scene after the shooting.

On the sidewalk and grass, next to the driver's side door of the Celica was Officer Chargin's uniform shirt, thermal t-shirt, vest, black work boots, Sam Brown belt, radio (turned on and to channel 1), handgun, and magazine, containing six (6) live WIN 9MM LUGER rounds. (Officer Chargin's uniform shirt, t-shirt, vest, shoes and Sam Brown belt had been removed by the arriving

medical personnel; California Highway Patrol and the Sacramento Fire Dept.)

On the sidewalk, further east of Officer Chargin's uniform and safety equipment, was a pool of blood, believed to be from officer Chargin.

Further east of the blood, on the sidewalk and in the grass, were six (6) expended WIN 9MM LUGER casings. A seventh (7th) expended WIN 9MM LUGER casing was found in the street, on the north side of the Toyota Celica.

R/O examined Officer Chargin's department issued handgun, a Sig Sauer, 9mm semi-automatic pistol, S/N [REDACTED], that was laying on its right side. R/O noted the slide to be out of battery approximately 1/2" with a WIN 9MM LUGER expended casing inside the chamber.

R/O examined Officer Chargin's uniform shirt which had SPD departmental issued patches on the right and left top shoulders, a silver badge with #s 335 on the left breast area and a silver colored name tag, #G. Chargin, # over the right top pocket flat.

R/O examined Officer Chargin's vest and observed a hole or defect in the pocket area to the front of the vest, that contained the trauma plate. The hole or defect appeared new. R/O felt a ridge in the trauma plate that appeared to be possible lead particles from a projectile.

R/O re-examined Officer Chargin's uniform shirt, at the right side pocket area but was unable to observe a hole or defect in the shirt, corresponding with the hole in the vest. R/O will

have the shirt and vest sent to the Sacramento Crime Lab to be further examined.

R/O used a metal detector in the area between the bicycle and sidewalk and recovered two of the eight expended WIN 9MM LUGER casings.

Based on R/O's experience it was believed that Officer Chargin's pistol would be fully loaded with fifteenth live rounds (15) in the magazine and one (1) live round in the chamber. (This was later confirmed by Officer Chargin's statement per his interview with Detective Winfield.) R/O was able to account for fifteenth of the sixteen rounds based upon the eight (8) expended casings and six (6) live rounds.

R/O observed a men's red Specialized **Rock Hopper**, 26" mountain bike, on the grass, further left or south of Officer Chargin's uniform, gun and safety equipment. The bicycle was tipped over to the right side with the front tire facing in a W/B direction. The bicycle was only several feet away from the N/E corner of the building at [REDACTED] McCarthy Court.

R/O later asked CSO J. Contreras, badge #8137, (1CS0-31) to book the bike, to be printed, and to inventory the contents inside the red pouch. (The inventory later revealed that there were twenty-six [26] live .22 caliber L.R. rounds inside the pouch. Refer to observations by J. Contreras.)

R/O then examined the front porch area in front of [REDACTED] and [REDACTED] McCarthy Court. R/O observed three (3) expended .22 caliber shell casings on the front porch walkway which lead from the sidewalk. A fourth (4th) expended .22 caliber shell casing was

found in the grass to the east side of the walkway. A fifth (5th) expended .22 caliber shell casing was found in the planter area to the left (east) side of the front porch walkway. A sixth (6th) .22 caliber expended shell casing was found in the grass not far from the fifth casing.

There were no additional items of evidence on or around the front porch area. R/O checked the front of the apartment building but was unable to locate any damage or bullet holes.

Directly in front of [redacted] McCarthy Court was a locked, gray Toyota Celica, [redacted] license # [redacted], that was parked in a S/B direction, facing the front of the house, in a painted red parking area. R/O observed what appeared to be a bullet hole in the left side of the front windshield. The bullet hole was angled and appeared to line up somewhat with officer Chargin's position, while on the grass. The bullet was at first believed to have passed through the window and ended up in right front pass seat.

It was later determined, by Detective R. Overton, badge #0205, that the bullet came to rest in the roof liner over the right side of the back seat. Detective Overton contacted the registered owner at [redacted] McCarthy Court and was allowed to search the vehicle. The copper jacketed projectile was photographed, videotaped and collected as evidence.

CSI-17 used a laser light to illustrate the trajectory of the bullet path from the roof liner, through the windshield and into the grass area. The location was approximately 2' south of the south sidewalk, in the grass and about even with the mountain bike.

SCENE #2: (WALKWAY IN FRONT OF [REDACTED] & [REDACTED] MCCARTHY COURT)

R/O walked down to scene #2 which was a concrete walkway leading from the sidewalk to the shared front porch area at [REDACTED] & [REDACTED] McCarthy Court. R/O observed a expended 9MM WIN LUGER shell casing to the east side of the walkway that lead to the front door. R/O was informed that this expended casing came from Officer Monti's (badge #0503, [3PL1]) handgun as she fired one round at the fleeing suspect.

CSI photographed, diagramed and collected the expended casing. R/O noted several decoratively trimmed bushes to the east side of the walkway adjacent to where the casing was found.

SCENE #3: (462 DOS RIOS BLVD, WHERE SUSPECT CAPTURED AT)

R/O previously described this scene where the suspect, his pistol and coat were located at. The residence is a two bedroom, single story residence on the east side of Dos Rios Blvd. The residence is south of the intersection of Richard's Blvd where suspect Joseph ROSALES was first spotted by officers Chargin and D. Nakata who were working as partners in a two officer car.

At approximately 0540 hours, R/O requested SFD for a wash down of the south sidewalk on McCarthy court.

At approximately 0600 hours, R/O left the scene.

SUPPLEMENTARY INVESTIGATION REPORT

REPORT # 98-18980

VICTIM: CHARGIN, George

DATE:

NARRATIVE SECTION

SUSPECT STATEMENT: ROSALES, Joseph

On 03/09/98, at approximately 0300 hours, Detective Winfield entered the interview room #2 after removing Joseph Rosales from a holding cell to the interview room.

The interview was both audio/video recorded.

There were no other persons present during the interview.

The following is a summary of that interview.

Detective Winfield introduced herself to Joseph Rosales as one of the detectives assigned to handle this case.

Detective Winfield observed tattoos on Rosales on the entire back portion of his forearm and asked what it said.

Rosales indicated that it said "██████" on one side and "██████" on the other.

Detective Winfield also noticed ██████████ which signifies gang affiliation.

Detective Winfield smelled odor of alcohol upon the person of Joseph Rosales.

Joseph Rosales appeared tired and Detective Winfield asked if he was.

He indicated that he was and that he had also been drinking.

Detective Winfield took preliminary information and was advised by Rosales that he had been drinking tonight and didn't recall anything that happened tonight. He continued that until he got up from the "shitter" by police.

SUSPECT STATEMENT: ROSALES**

Rosales advised that he was on parole and that he got out of prison more than a year ago.

Detective Winfield advised Rosales that I was going to ask him about his activity tonight and that I was certain that he was aware that he was under arrest.

He indicated, "Yeah," he knew he was under arrest, that he was kicked in the face and all over.

Detective Winfield advised Rosales that I wanted to ask him some questions about what happened tonight. Detective Winfield asked if he had ever been questioned by police before.

He indicated he didn't recall.

Detective Winfield then advised the suspect of his constitutional rights per Miranda. Detective Winfield asked the witness if he was under the influence of any drugs.

He was then advised of each of his constitutional rights per Miranda.

He was then asked if he understood his rights, to which he responded, "I don't have anything to say, I can't remember. I got all fucked up. I kept on drinking. That's all I remember. I was sitting down because I couldn't even stand up. I think I pissed on myself." He continued, "I don't remember. All I know is that I don't drink. I don't know what the fuck happened. It wasn't me. I wasn't myself. I never really drank."

Detective Winfield asked if he acts different whenever he's been drinking.

He indicated, "Yeah, I get into fights, into a lot of fights."

Detective Winfield asked the subject if I was to talk to you, I would ask you about the officers

who were chasing after you tonight.

Rosales responded, "I just remember some Chinese officer saying something, that he was going to kill my mom and me if I got out. I don't even remember him tonight before that."

Detective Winfield then asked, "Are you a parolee at large?"

The witness responded, "Yeah, I am, if you find out why I'm a parolee at large I'll tell you what the fuck happened." He continued, "The mother fucker set me up. They tore my door down at my house and put a gun in there to strike my ass out."

Detective Winfield advised, "I'll check to see if they had that additional gun charge on his parolee at large."

Detective Winfield came back into the room and advised that they had just put a parolee at large out on him and that there were no additional charges.

The suspect responded, "Well, I spoke to someone, a woman who is head of this thing. I found out they put a rifle in my house and they checked my residence of 33rd and 12th Avenue. The suspect stated that once you get out of prison, they don't try to rehabilitate you, they just set you up."¹

The suspect stated, "I just got all fucked up tonight. I drank alcohol. I don't remember what happened."

The subject talked for some period of time and eventually asked for an attorney.

This is the conclusion of the suspect's statement.

in 1988 as a CSO. He indicated he continued as a CSO status for 1½ years and for the last 8 years has been a sworn police officer for the City of Sacramento.

He indicated that his entire *tenure* with the Sacramento Police Department has been in the downtown area, largely being a partner of Dave Nakata as a designated White-11. He indicated that District 11 is a downtown quarter.

The victim advised that in early 1990, they began placing him and Dave Nakata together as partners once a week until eventually they became partners full time.

Officer Chargin indicated that his days off are Monday, Tuesday and Wednesday and Dave Nakata's days off are Tuesday, Wednesday and Thursday, hence they spend three days of their four-day work week together as partners.

Detective Winfield then asked whether or not he and Dave Nakata exchange responsibilities as to who might drive the vehicle.

He indicated that they do not, that Dave Nakata is always the driver and he is always the officer who runs for fleeing subjects.

Detective Winfield asked whether or not George Chargin had received any specialized training while working in the downtown area.

He indicated that he did receive some specialized training in narcotics and that he and Nakata spend a great portion of their time handling narcotics related investigations.

He indicated additionally that he just finished a search warrant for narcotics as well.

VICTIM'S INTERVIEW: CHARGIN

Chargin advised that Dos Rios housing project is in District 10, just adjacent to his district responsibilities of 11.

Chargin advised it is frequent for officers to move in and out of one's district and through other districts in a typical shift.

Chargin advised that he arrived at work at approximately 4:30 p.m. on yesterday's date and started his shift at 5:00. He indicated that his shift concludes at 3:00 a.m.

Chargin advised that he had worked the preceding shift prior to yesterday's date without incident.

He indicated that he worked his regular shift and it did not extend beyond his normal hours.

Chargin advised that he got a normal night's sleep the night before the incident, which typically involves his sleeping for seven to eight hours.

Chargin advised that shortly after starting his shift, he and his partner, Dave Nakata, responded to [REDACTED] G Street and made an arrest for 11351.5. He indicated that this arrest involved taking the suspect to jail and booking him and then booking evidence at Sequoia Pacific. Chargin advised after they completed booking evidence, they then drove to [REDACTED] H Street, Apt. [REDACTED] conducted a probation search related to the arrest they had made.

At that time they seized additional monies and clothing and reported back to Sequoia Pacific for processing of evidence.

Chargin indicated that after they left Property for the second time and cleared that call, it was

He indicated he then traveled with Nakata eastbound on Richards towards Dos Rios. He indicated they were headed toward their district to continue their enforcement.

He indicated while he was at the intersection of Dos Rios and Richards, he noticed a male Hispanic on the north side of the road at a pay phone near Awful Wally's.

He indicated that he did not immediately identify the subject, but both he and his partner thought there was a possibility that the individual could be Joseph Rosales, a subject that he and Nakata knew was wanted for a parolee at large.

The victim, Chargin, advised that he knew that the mother of Rosales lived in Dos Rios and that the subject they had seen matched the general description of the subject they were looking for.

He indicated that he and Nakata had driven by the residence where Rosales' mother lives, but didn't stop.

Detective Winfield asked Chargin if he had ever seen subject Rosales before.

Chargin stated that he had seen the back of him while responding to a call at [REDACTED] P Street, doing a probation search in January or February of this year. He indicated that he did not get a good look at the subject's face.

He indicated that while he and Nakata were conducting a probation search upstairs in some apartments, the subject Rosales came to the door and saw that police were there and ran from Nakata.

He indicated a foot pursuit ensued and Rosales eventually got away.

Chargin stated that in front of the apartments where they had conducted the probation search, he saw a subject sitting in the driver's seat with the engine on in the vehicle.

He indicated he approached the driver and spoke with him about the subject who had just gotten out of his vehicle and run from the police.

The driver denied having knowledge of who that person was, but allowed a consent of search of his vehicle. Chargin located paper work on the passenger floor board in the name of Joseph Rosales, \$600 plus and a pager.

These items were booked into evidence under a report number incident, "narco act."

Chargin stated that there were no photographs amongst the paper work found, but they ran an automated check through both the city and county and discovered that the subject, Joseph Rosales, had a parolee at large warrant. They ordered a photograph of Rosales.

Detective Winfield then showed a photograph to Chargin of a subject with "S" number S- [REDACTED] with a Sacramento Police placard dated 06/11/97.

Chargin immediately identified that photograph as the same photograph he and his partner Nakata had obtained to assist them in identifying the subject who had fled from them that day.

Detective Winfield asked if Chargin was aware of any other incidents involving Rosales.

Chargin advised that Officer Michael Boyd had responded to a narcotics related call at [REDACTED] C Street. He indicated that Officer Boyd became involved in a foot pursuit with the subject who

who fled from him successfully.

Chargin stated that this foot pursuit occurred a couple of weeks previous. He indicated that he and Nakata were a part of the perimeter foot pursuit, and he spoke with a woman at the scene who advised that the subject who had run was a guy they called "Beluchi." Chargin advised that he was aware that "Beluchi" was a documented and verified A.K.A. for Joseph Rosales.

Additionally a photograph was shown to Boyd of Rosales, and he indicated that was the subject who fled from him.

Chargin advised that he and he and his partner Nakata subsequently tried to get people to cooperate to advise of Rosales' location.

Chargin stated several officers were aware of Rosales' want. He indicated that two N.E.T. (Narcotics Enforcement Team officers) officers, Hitchcock and McGee, were aware that Rosales was wanted. He indicated that on yesterday's date, at the beginning of the shift, he believes Hitchcock spoke with him about having spoken with a woman by the name of [REDACTED] of [REDACTED] who told Hitchcock that Rosales was hanging out near 14th Street at D and E.

Chargin stated that someone had mentioned, perhaps Officer Boyd, that they had noticed live rounds near where Rosales had run on the previous incident involving the officer pursuit. He indicated that he thought Boyd mentioned the caliber of the rounds, but he could not recall.

Chargin stated that he was aware that Rosales had prior gun charges.

After clearing the second response to Property at Sequoia Pacific, at approximately 9:30 to 10:00, Nakata was driving the marked patrol unit as Chargin was riding in the front passenger's side.

Nakata stated that they saw the male Hispanic who they thought matched the general description of the subject Rosales. He indicated that Officer Nakata made U-turn and the male Hispanic immediately put the phone down, got on his bike, and put his headlight on and started heading east Richards.

Officer Nakata drove up to the subject on the bicycle and Chargin stated he jumped out of the car and immediately knew it was him, referencing Joe Rosales.

Chargin stated he yelled out something similar to, "Stop! You better stop!" He indicated that he then reached for the suspect's coat and attempted to grab him and was able temporarily to grab the right rear portion of the subject's coat.

He indicated that the bike fell over and that the suspect stumbled a bit, but was able to flee on foot from them eastbound on Richards, south across Richards and threw the housing project.

Chargin stated he picked up Rosales' bike and gave chase on his bicycle.

He indicated Nakata followed in his police vehicle.

Chargin stated he parallels Rosales, riding southbound on the bicycle, and then eastbound through the complex.

Chargin stated he saw the suspect cutting through buildings east of him. He indicated initially he had nothing in his hands.

At one point Chargin stated he took the radio and stated, "Southbound, southbound," to notify Nakata that the subject was running in a southerly direction.

VICTIM: OFFICER CHARGIN

98-18980

OBSERVATIONS:

3/8/98 at approx. 2215 Hrs., R/O (Officer Husted) and K-9 partner Pele arrived in the Dos Rios community housing area to assist in searching for a suspect who had fled on foot after shooting an officer. At approx. 2225 Hrs. R/o then assisted Officer Garner in clearing a possible suspect residence at [REDACTED] Delta Street. The house checked negative.

At approx. 2245 Hrs. R/O and K-9 partner Pele began a field search of the area working west from Sitka / North 12th St. R/O was covered by Officer Coopwood, Officer Hughes, and Officer Oliveira. Other K-9's were working other parts of the same housing area. Once at Dos Rios, R/O began working N/B towards Richards Bl.

At approx. 2258 Hrs. K-9 Pele began to alert along the east wall of 462 Dos Rios. Pele then ran around to the North side of the residence, and continued to alert at the front door. Based on Pele's alerts, R/O suspected that the suspect may be inside the residence. R/O then knocked on the front door, and there was no response. R/O knocked again, and had no response. R/O knocked a third time, and the door was answered by a M/H/A. As the subject opened the front door, R/O saw a subject in black clothing run from the living room area into the rear of the house. The subject who answered the door identified himself as [REDACTED]. [REDACTED] denied having anyone in the house with him, other than an elderly woman. We secured the exterior of the residence, while waiting for additional units to arrive. R/O then had [REDACTED] exit the residence, and began to make an announcement into the house. As R/O ordered anyone in the house to come out, K-9 Pele was barking. R/O remained at the threshold of the front door, and R/O could see an elderly woman sitting down on a bed in the living room.

At approx. 2303 Hrs., a M/H/A came out from the rear of the residence and stood in the living room. The subject was holding a can of beer, and he matched the description of the suspect. The subject then exited the residence, and was detained. Officer Nakata then identified the subject as the suspect who had shot Officer Chargin. The suspect was identified as Joseph Rosales (11/20/66), and he was in custody for 664/187 PC.

We continued to maintain the integrity of the residence, while waiting for direction from detectives. R/O then utilized K-9 Pele to conduct an article search from 462 Dos Rios back towards the shooting scene, in an attempt to locate a discarded firearm. We did not locate any weapons during our article search.

NARRATIVE SECTION

1 **WITNESS STATEMENT:**

2
3
4 On 03/09/98 at 0135 hours, Detective Overton made contact with witness [REDACTED] in interview
5 room #1 of the Sacramento Police Department, Office of Investigations. Witness [REDACTED] had
6 been brought to the police department earlier in the evening as an eye witness to this shooting
7 incident.

8
9 Prior to beginning the interview, Detective Overton activated both a video recorder and an audio
10 recorder to document the entire interview. [REDACTED] stated the following in summary:

11
12 Tonight, I was standing in my front doorway with the front door opened, but with
13 the screen door closed. I was smoking a cigarette and drinking a "Mickey" (beer).
14 I had had a couple of drinks and was tipsy, but was not drunk. I do remember
15 what I saw.

16
17 Suddenly, I looked up and saw a Mexican guy running on the sidewalk with a cop
18 chasing him on a black bicycle. The guy running was holding one of his hands
19 close to his stomach area as he was bent over. The other arm was swinging freely
20 as he ran. I could not tell if the subject was holding anything or not. The cop was
21 riding his bicycle and was pointing his gun, which was in his left hand, at the
22 suspect. The cop said words to the effect of, "Stop. Do you want me to shoot
23 you?" The suspect looked back, but did not say anything. He just kept running.
24 The distance between the suspect and the cop was about 15 feet.

25
26 They were running towards the side of my apartment building, which leads to the
27 rear of my building. As they ran out of sight to my left side, towards the back of
28 my apartment, I then ran upstairs to the back of my apartment, so I could look out
29 the window, because I knew something was about to happen. When I got upstairs
30 to my bathroom I saw that the crank open window was already opened. I then
31 looked out to my left and I saw the suspect standing on the grass area to the rear
32 of one of the apartments to my left. (Later indicated a portion of grass to the rear

5 of apartment [REDACTED] (McCarthy Court). When I looked out my bathroom window to
6 the left I saw the suspect standing there on the grass.

7
8 The suspect was pointing what was obviously a gun with his arm extended to the
9 side. He was pointing towards the west end of my building, towards the court of
10 McCarthy. I then heard about three to five shots and saw the mussel flash from
11 the suspects gun. I did not see anything shiny in the suspect's hands, so his gun
12 must have been black. His gun sounded like a 32 to 38 caliber.

13
14 I immediately pulled inside from my window opening and was yelling for my
15 wife and kids to get down and turn out the lights. As I was getting everyone
16 down and turning out the lights, I immediately heard the officer return fire of
17 about three to four shots. The officer's gunshots were fired immediately after the
18 suspect fired his first. I could not hear anything being said between the officer
19 and the suspect. I did not see the officer fire back because after the suspect fired, I
20 was busy getting my wife and kids to get down on the floor. I don't know where
21 the officer was when he fired. I never saw him at the rear of my building as I
22 looked out my bathroom window.

23
24 After I got everybody down and all the lights were turned off, about one to two
25 minutes later, me and my wife then went downstairs to the front door and I peaked
26 out the front screen door. I did not hear any screaming or yelling, but when I
27 looked out my front door to the right, towards McCarthy Court, I saw the officer
28 leaning on his elbow as he was on the ground. Other officer's were standing
29 around him. I never saw the suspect anymore.

30
31 The closest the suspect ever got to me was when he started running around the
32 side of my building which I'm estimating is 15 feet. (Distance from my front door

to the edge of my building on the left side). My porch light was not on. The street lighting was only half lit because it was going on and off. The other houses had their lights on. I got a good look at the suspect's face, because he basically ran towards my apartment as he went between the two buildings towards the back. I saw him for a total of about 20 seconds. I would describe this suspect as follows:

Male Hispanic, 27-30, 5'11", large build, over 200 lbs., light complexion, has facial hair, but I can't remember what, no hat, unknown hairstyle or color, wearing unknown clothing or style shirt and pants, not wearing a jacket. I don't know the suspect and I've never seen him before. I could possibly identify him.

During this interview, Detective Overton had witness [REDACTED] draw a diagram of the scene. Per [REDACTED] statement's, Detective Overton made various notations on this diagram: as to where he first saw the suspect and officer's and then where he saw the suspect firing and then where he saw the officer laying down on the ground after being shot.

At 0312 hours, Detective Overton explained to witness [REDACTED] that he was about to view a five picture photographic line-up in an attempt to identify the suspect. [REDACTED] was told that the suspect may or may not be contained in the line-up. He was told that he was not under any obligation to pick anyone out as being the suspect. He was also told not to place too much emphasis on head or facial hair or any clothing that he may see. Finally, [REDACTED] was told to take his time and study the facial features of all the photographs before making any decisions.

[REDACTED] studied the photographic line-up for approximately 45 seconds and then pointed to photograph #3 and stated, "This is the closest out of these pictures. This looks the most like

23
24 At 0340 hours, [REDACTED] pointed out that he first saw the suspect running on the sidewalk in front
25 of the apartment at [REDACTED] Dos Rios Court, with the officer riding a bicycle approximately 15 feet
26 behind him. [REDACTED] showed Detective Overton where the suspect and the officer ran between
27 the two buildings, behind [REDACTED] residence. [REDACTED] then pointed out the bathroom window
28 which he looked out to see the suspect standing on the grass area firing allegedly at the officer.
29 [REDACTED] then showed Detective Overton where he came back to his front door and looked out to
30 the right to see the officer had already been shot. In the presence of CSI Officer Figueroa,
31 [REDACTED] stated that he is positive that he saw the suspect firing his gun on the rear yard of [REDACTED]

8 occurred and that an officer had been shot. Detective Overton was requested by Sergeant

18 At approximately 0340 hours, Detective Overton and witness [REDACTED] walked through
19 the crime scene with [REDACTED] pointing out the various relevant locations. [REDACTED]
20 indicated that he initially saw the suspect running on the sidewalk south bound in front of
21 [REDACTED] McCarthy Court. He stated the officer was on a bicycle chasing the suspect and
22 was about 15 feet behind the suspect. [REDACTED] showed Detective Overton where the
23 suspect and the officer ran to the back of his building by cutting through a grass area

A Sacramento police officer was shot Sunday night and a male suspect was taken into custody after a massive search of a public housing complex near Richards Boulevard.

Sacramento police spokeswoman Michele Quattrin said the officer had been "pursuing a parolee at large" on foot at the time of the shooting.

The shooting occurred about 10 p.m. Sunday on McCarthy Court near North 12th Street, north of downtown.

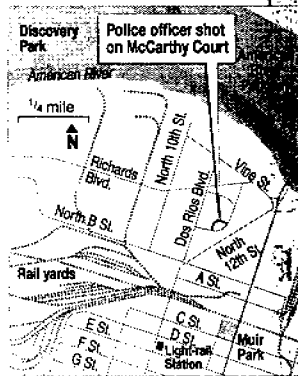

At least 75 armed law-enforcement officers formed a perimeter around the neighborhood and used dogs to search buildings on the ground.

Police arrested Joseph Bernal Rosales, 31, an hour after the shooting.

The male officer, whom officials were not identifying Sunday night, was transported to UC Davis Medical Center, with two gunshot wounds to his right leg. He was reported in fair condition late Sunday with fractures of the femur and knee, said medical center spokeswoman Bonnie Hyatt.

Rosales was arrested after a police dog alerted officers to a home in the 400 block of Dos Rios Street, in the city housing complex where Rosales' mother lives.

A 22-caliber long rifle, the type of gun used to shoot the officer, was found in a bedroom of the home.

The Sacramento police officer shot and wounded Sunday while trying to arrest a parolee in the Dos Rios area remained in fair condition Monday.

George Chargin was hit twice — in the right leg and lower back.

The parolee, 31-year-old Joseph B. Rosales, was arrested late Sunday in a nearby apartment complex. He faces charges of attempted homicide, possession of a firearm by a felon and resisting arrest.

Rosales, a convicted car thief paroled in June 1997 after serving 16 months, was wanted for a parole violation. Chargin and his partner, Officer Dave Nakata, spotted Rosales in a phone booth at Dos Rios and Richards boulevards about 10 p.m.

Officer: Suspect has 2 young sons, sister says

Continued from page B1

As the officers approached, Rosales fled. The officers chased him on foot until they reached McCarthy Court and North 12th Street, north of downtown.

Police spokeswoman Michele Quattrin said Rosales then shot Chargin with a .22 caliber handgun and continued to run. Officers returned fire, but did not hit Rosales.

The number of shots fired and by whom are still under investigation, she said.

Rosales ran to a friend's apartment in the 400 block of Dos Rios Street. Police officers, using search dogs and infrared devices, surrounded the residence. Rosales eventually surrendered, Quattrin said.

His sister said Monday that her brother was too nice a person to hurt anyone, especially a police officer.

"I would never think he would do something like this," said Margu Hernandez. "Our family is taking this really hard."

Hernandez, 18, said her brother has been trying to put his life back together for his two young sons.

"The kids were his life — that's all he worried about," she said.

Chargin, a Sacramento police officer for the past eight years, was recovering and couldn't be interviewed Monday, Quattrin said.

His partner, an 18-year veteran officer, declined requests for an interview.

Seeing his partner shot has been "traumatic," Quattrin said.

Residents of the Alkabi Flat and Mansion Flats neighborhoods, where both officers have worked for years, said Chargin and Nakata are well-respected.

"They are great cops, both clear-headed and no-nonsense," said resident Alicia Wenbourne. "They

George Chargin

Joseph Rosales

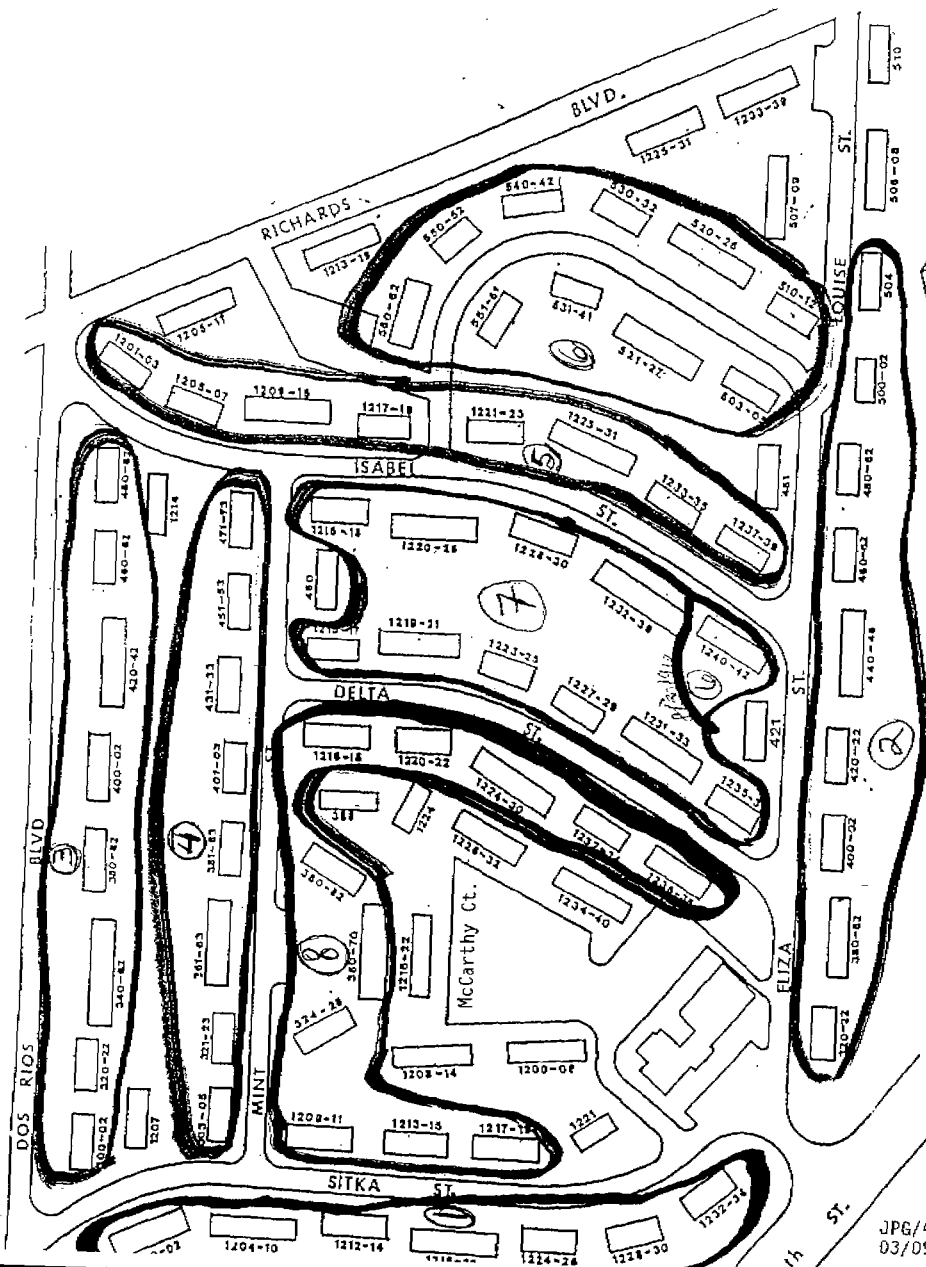

are very dedicated to this area." She said she has seen them do everything from "scrape the drunks off the sidewalk to dealing with the really wired-out cocaine dealer."

When she heard what happened Sunday night, she said she was not surprised the officers risked their lives in the interest of public safety. Wenbourne recalled Nakata once chased an armed suspect who climbed a grapefruit tree in the back of her house. Nakata and the other officers coaxed the man down.

"They are just solid, good cops," she said.

FOLLOW-UP INVESTIGATION ON 03/09/98:

On 03/09/98, approximately 1400 hours, R/O returned back to the office after obtaining a few hours sleep. R/O reviewed the case file and printed out all the connecting radio calls.

R/O also ran a records check on the recovered .22 caliber semiautomatic pistol, AMT brand, silver in color, serial number [REDACTED] which was recovered from his bedroom at 462 Dos Rios Boulevard, on yesterday's date. (The pistol will be booked under PR #191575, item #45)

A DROS (record of sale) gun search on serial # [REDACTED] shows the above .22 caliber semiautomatic pistol to be registered to a [REDACTED]

Additional information further identified [REDACTED] having a CDL # [REDACTED] with the date of transaction for the pistol as of 08/23/87. The pistol is further identified as having a 5 inch barrel and silver in color.

R/O ran additional record checks on [REDACTED] and identified him as having an address at [REDACTED] per DMV, at this address, as of 03/16/96. A county check revealed [REDACTED] to have X-REF. # [REDACTED] but with no current information as the last date of input on the county screen shows the date of 12/25/92.

R/O ran additional checks on [REDACTED] and checked the phone book but was unable to locate a current address or phone number.

R/O did note that [REDACTED] was a victim of a burglary through the Sacramento Sheriff's Department, which was reported 12/21/92, report #92-107227. A copy of the report was requested in an attempt to determine if the .22 caliber semiautomatic pistol was stolen during the '91 burglary.

On 03/09/98, approximately 1700 hours, R/O returned back to the scene at McCarthy Court,

which runs northwest off of Sitca Street in the Dos Rios housing complex area.

R/O searched the two apartment buildings on the south side of McCarthy Court in an attempt to locate additional bullet strikes into the building. R/O was unable to locate any additional bullet holes into either of the two apartment buildings, but did observe a bullet hole into the glass in the northeast bedroom window at [REDACTED] McCarthy Court. The bullet hole in the window had already been examined and photographed by CSI, earlier this morning.

At approximately 1710 hours, R/O went to the Dos Rios Housing Administrative Office, which is located in a trailer behind the four-unit apartment building at [REDACTED] McCarthy Court and between the set of apartments on the north side of Sitka Street. R/O contacted a [REDACTED] who is a housing manager for the Sacramento Housing and Redevelopment Agency, with the office address listed at [REDACTED] Eliza Street.

R/O was able to obtain a map of the public housing complex, which is surrounded by Richard's Boulevard to the north, North 12th Street to the east, North B Street to the south, and Del Rios Boulevard to the west.

At approximately 1730 hours, R/O walked over to [REDACTED] Delta Street in an attempt to contact the homeowner. R/O had noted during the reading of the police report that a bullet may have struck the back side (south side) of the residence at [REDACTED] Delta Street, as a result of the shooting from last night. R/O examined the south side of [REDACTED] Delta as well as the house next door and found no bullet holes that appeared to be either fresh nor in line with the trajectory of bullets that may have been fired from the front door at [REDACTED] or [REDACTED] McCarthy Court, in a northbound direction.

(NOTE: R/O noted the shots fired by the suspect were in a northeast to an eastbound direction towards Officer Chargin and did not appear to have been aimed anywhere near [REDACTED] Delta Street.)

INVESTIGATIVE FOLLOW-UP:**

R/O left a business card on the door after receiving no answer.

At approximately 1740 hours, R/O went down the street to [REDACTED] Delta Street and attempted to contact the occupant at the residence. R/O received no answer and left a card on the front door.

R/O examined the back (south side) for bullet holes, but found several older possible bullet holes along the back side of the residence. R/O noted that this residence was not in line with the exchange of gunfire between either suspect Joseph Rosales or victim Officer George Chargin.

At approximately 1808 hours, R/O went to [REDACTED] Mint Street and contacted [REDACTED]. [REDACTED] had called the Sacramento Police Department last night, shortly after the exchange of gunfire between the suspect and victim Officer Chargin to advise that someone was pounding on her front door. R/O then obtained a statement from [REDACTED] (refer to Statement of Witness [REDACTED]).

Approximately 1040 hours, R/O received a phone call from [REDACTED] phone number [REDACTED] pager number [REDACTED]. R/O made phone contact with [REDACTED] and advised him that the bullet holes at the back of his residence at [REDACTED] Delta Street did not appear to be involved in the shooting that occurred last night.

At approximately 2055 hours, R/O called the Sacramento County Sheriff's Department and requested a copy of 459 report #92-107227. R/O was inquiring if the gun used to shoot Officer Chargin may have been taken during the reported SSD burglary on 12/21/92.

R/O received a phone call from Joe at SSD records, who advised that the burglary report under 92-107227 showed only tools and a tool box as having been taken during the burglary.

R/O was unable to locate [REDACTED] as of this evening.
