Complainant or Victim McADAMS, WalterReport No. 68-30614

Address _____

At approx 1155 hrs this date Officer McADAMS and myself were Northbound on 8th Street between J and K when we were hailed by a citizen who stated to us that a man had just passed a bum travelers check and that he had gone into the parking lot at the Bank of California. Officer McADAMS and myself proceeded into the parking lot, preceded by the citizen. We parked Unit 52 in front of the elevators, and at that time the citizen stated to us that the subject had gotten into the elevator and gone up. We alighted from the vehicle, Officer McADAMS went to the elevators and this officer broadcast over the air concerning a possible forgery suspect in the parking lot at 8th and J-John. Officer McADAMS and myself watched the elevator until it stopped on #4. Then Officer McADAMS, in the company of the citizen who made the complaint, got into the other elevator and started up. This officer remained on the ground floor to cover any possible exit by the possible suspect.

After approx. one minute to a minute and a half had passed this officer heard shots coming from the upper floors of the parking lot. I immediately went up the stairs, ran up to the 4th Floor, and as I opened the door leading from the stairwell into the parking lot area, I had gone approx. 15 to 20 feet into the parking lot area when I saw a subject standing at the corner by the ramp leading to the 5th Floor. At this time the subject fired one shot at me. He missed, and I laid down between two parked vehicles adjacent to me. As I hit the ground between the two cars I drew my weapon and crawled to the front of the car that was between myself and the subject. The subject fired another round toward me as I looked over the right front fender of the car and I returned his fire. He was standing around the corner of the rampway, periodically looking around, attempting to draw a bead on me. As he looked around the corner once again he fired another shot, this one I could see went through the back window of the car I was hiding behind. I returned his fire, I moved to my left approx. 3 feet and fired another round. There were no more rounds fired at that time. The subject did not again stick his head around the corner of the building. At that time I moved around a cement post and behind the vehicle parked immediately to the left of the one I had been behind, in an attempt to see if I could see the suspect. At that time I heard someone running, looked behind me and saw Officer Reynolds running in my direction. I yelled to Officer Reynolds that the suspect had apparently gone onto the roof. At that time he ran over to the side of the building and yelled to someone below to get an ambulance, and returned to me. We started up the ramp to the 5th floor, the roof area, with Officer Reynolds to my left. As we started up the ramp I was looking behind me and up, attempting to cover our back, and at that time Officer Reynolds yelled that the suspect was in a car and was coming down. We retreated to the bottom of the ramp and yelled to the suspect to surrender himself and that if he didn't we would shoot. The suspect laid a gun over the side of the car and yelled "Stop you sons of bitches, if you don't I'll kill you". At this time I opened fire on the vehicle. There was no answering fire from the vehicle. As I recall it was at this time that Officer Cooke arrived with a shotgun. The subject was once again ordered to surrender

himself. At this time I recall him saying that he had a woman in the car with him. He was once again ordered to surrender, at which time the woman was seen to get out of the right hand side of the car, after her head had appeared above the door, with the subject getting out of the car behind her. He pulled the woman over in front of him, as if to use her for a shield. Once again the subject was advised to surrender himself, to throw his gun away. At this time the woman appeared to break away. As she moved away from the car to our right, which would be to the subject's left, the firing re-commenced. At this time I fired no rounds, as I was reloading my own weapon. At that time the subject was once again advised to surrender himself, to throw his gun away. He placed his hands over his head, the gun still in his right hand, and stood up behind the car. He was told to throw the gun away. The subject asked "What do you want me to do with the gun" or something to this effect. I told him to throw the gun into the corner. The subject threw the gun away to his right, toward the Northwest corner of the building by the fire exit, where it lay.

Officers Reynolds, Cooke and myself advanced to the subject, had him move away from the car and down the ramp approx. 10 to 15 feet towards us. At this time the subject was placed against the wall of the building, was searched by Officer Reynolds and myself, and was handcuffed.

The gun the subject had had in his possession was taken into custody by Officer Reynolds. The subject was subsequently placed under arrest and was ordered to lie on his back, where he lay at the time, and to remain still. At this time Officer Dixon, myself, went over to talk to the woman to see if she was okay. She stated that she was and I returned to the subject who at this time was being covered by Officer Schwartz. I asked Officer Schwartz if he would stand by and watch the prisoner for me while I went back down to check on the welfare of Officer McAdams.

Out of sequence note:

The subject that shot at me and the subject that was in the car on the roof of the parking lot with the hostage are one and the same. The subject was later identified as ~~MR~~ BODINE, Quin Lee with an AKA of LOCKRIDGE, Lawrence Edward.

Received a call as we were between 9th and 10th on I Street of a suspect going up the elevator of the United California Bank parking lot. Unit 52 was with the person who had made complaint originally. Officer from Car 3 went 9th to 8th, K & J alley, West with the vehicle = upon entering the intersection of 8th and I Streets and the alley heard shooting on the upper floors of the parking lot. Officer Reynolds alighted from the car on the Main Floor parking lot and ran up the vehicle down-ramp toward the mezzanine floor. Shots were fired, I believe 4 shots, while I was running up the ramp to the mezzanine. When I arrived on the mezzanine floor a subject on the South end center aisle of the mezzanine floor jumped out from behind a pillar, a concrete pillar, and raised his hands and said "I give up". Officer Haligarda and Reynolds at that time were together. The subject had a gun in his right topcoat pocket, which Officer Reynolds removed and placed in his belt, cuffed the subject and placed him in custody. The subject was taken by Officer Haligarda and Officer Reynolds proceeded to run up the ramp to the 2nd floor and subsequently to the 3rd floor. While on 3rd floor heard additional shots being fired. When Officer Reynolds arrived on the 4th floor, stopped a vehicle and checked them out somewhat and released them to go down the ramp. The subject in this vehicle stated an officer was down on the other side of the 4th floor.

Officer Reynolds went over to Officer McAdams, who was on the pavement, removed the gun from his hand and placed it three or four feet away, rolled him onto his side. Then Officer Reynolds ran to the other side of the floor where Officer Dixon pointed to the upper floor indicating that one of the suspects was on the upper floor. Officer Cooke came onto the 4th floor at that time and I asked him to request again an ambulance, that one was needed, and then we proceeded up the ramp toward the roof, (Officers Dixon and Reynolds). A few steps up the ramp a small sportscar type of vehicle started parallel to the ramp to come down. As the car started down the ramp the subject driving reached out the window with a gun in his hand and stated "Stop you sons of bitches or I'll kill you".

Then Officers Dixon and Reynolds retreated behind a concrete abutment, alighting again to warn subject that we were going to shoot if he didn't give up and drop the gun. The subject continued threatening officers and pointing the gun and officers opened fire. Shots, an undetermined number, were fired. At this time a woman raised her head from the front seat. Officers again retreated. The suspect pulled the woman over in front of him as a shield. Officers retreated as the woman was struggling. The woman broke loose and started out the passenger side door on the far side away from officers. Officers again, both Dixon and Reynolds, opened fire, emptying our guns into the vehicle. Officer Cooke, who had a shotgun, was called over and he assisted in covering the subject. Subject got out the passenger side on the far side of the car, the North side, and with his gun up in the air, he was advised to throw the gun out and away. He refused several times, was warned again that if he didn't throw it out we would shoot, and he finally threw the gun out and at that time he was taken into custody. The gun from this subject on the roof and the

Roger Lockridge was searched at this location and a 38 cal. Charter Arms revolver was taken from his right pocket of top coat. Revolver had 1 live shell and four expended casings in the cylinder.

Officer R. Reynolds then went to the assistance of Officer Mc Adams by running up the ramps from the Mezzanine to the fourth floor. Reynolds then hobbled down to the ground for an ambulance for McAdams, and proceeded to assist officer Dixon who was persuing a second subject up the ramp to the roof of parking lot. Subject was taken into custody on the roof and later identified as Quinn Lee Bodine AKA Laurence Edward Lockridge.

1155 11-14-68 Received a call by radio that Officers in Traffic Unit 52 were entering the parking lot of Bank of California, 8th & J Streets and suspects in a Forgery were being pursued to the upper floors of the parking lot by Officers McAdams and Dixon.

Officers R. Reynolds and Haligarda, covering the call, heard repeated gunfire on the upper floors of the parking lot and officers ran up the auto ramp to the mezzanine floor. On reaching the south side of the center aisle suspect jumped from behind a concrete pillar stating, "I give up." Suspect was later identified as Roger LOCKRIDGE.

A gun was taken from the right pocket of Lockridge's top coat by Reynolds. Suspect placed in custody and Officer Haligarda stayed with arrested.

Officer Reynolds proceeded up the auto ramp to the upper floors. Gun fire continued from the upper floors. Officer Reynolds stopped a vehicle coming down the auto ramp from the 4th Floor to the 3rd Floor. At that time subjects in vehicle stated an officer was lying on the pavement on the east side. Officer Reynolds released the vehicle and subjects and went to Officer McAdam's aid.

At this time Officer Dixon, who had been exchanging fire with Bodine Hollered for help stating suspect was on the top floor of the parking lot. Officers Reynolds and Dixon proceeded up the ramp, Bodine started down the ramp driving a small compact car. Bodine pointed his revolver at Officers stating, "Stop you soneof-a-bitches or I'll kill you." At this time officers opened fire at Bodine. Officers repeatedly warned subject that if he didn't throw his gun down and give up we would open fire again. At this time officers were aware of a woman passenger in the vehicle. Officers retreated for cover.

Officers observed Bodine using the woman as a shield and retreated again to cover, repeatedly warning suspect to give himself up. The woman passenger made a break for the passenger side of the car and broke away from subject. Officers again opened fire on subject. Bodine then got out of the car on the passenger side of the vehicle and after repeated warnings he threw the gun away as ordered. Subject was asked to walk towards officers and was subsequently arrested.

At approx 1202 hrs this date I received a radio call of possible sound of gunshots at the Bank of California, 8th and J Streets. At this time I was at the intersection of 7th and I Streets and proceeded immediately to the Bank of California, 8th and J Streets. I parked my motorcycle at the 8th and J Street entrance to the bank parking lot. I ran to the South end of the building and saw Officer Haligarda standing outside his squad car with the radio, and I could see he had a subject in the rear. I asked Haligarda at this time where Car 52 was at this time. He indicated the 4th floor. I started running up the inclined driveway and heard the sound of numerous shots, I can't recall how many. At the third level there was a citizen who shouted at me as I went past that he thought a policeman had been shot, laying up on the 4th floor. At this time I noticed a plain-clothes officer was traveling the same direction I was. I do not recall this officer's name. He signified with hand motions that he would take the East side of the building as we started up and I would remain on the West. Just before reaching the 4th level Officer Reynolds ran by, asking where the ambulance was. I shouted to him that we had called one before I started up. At the 4th level I noted two officers with Officer McAdams. He was laying in the East side of the 4th level. A shotgun and revolver were laying beside him. As I started back over to the West side to go to the roof area I noticed a tan Oldsmobile parked on the West side backed up against the wall with numerous bullet holds in the windshield and in the car itself. Just as I was starting up the incline to the roof area Officer Dixon ran down from the roof. He said something, I do not recall what it was. I could see a subject lying on the driveway, cuffed with his hands behind him. As I reached the roof area itself there was a blue Japanese car, either a Toyota or Corona, with a woman driver; there was three bullet holes in the car that I could see. I assumed that she was involved in it and I questioned her of this and she was very excited and kept trying to explain to me that one subject had jumped into her car and threatened her and told her to drive when the shooting started. At this time I noticed the subject that was handcuffed was in custody with two plain clothed officers. I ran back down to the 4th floor level to help McAdams as much as I could. The ambulance arrived and I assisted in placing him on the gurney. He had trouble breathing laying on his back so we had him lie on his left side. As they were loading him up Lt. Benton ordered me to go to the hospital with him and remain with him until relieved. As we proceeded out of the Bank of America parking lot I told the ambulance driver to contact his dispatcher and have them call Sutter General to notify them that we were coming with a gunshot police officer and to be ready. On arrival at the Sutter General Hospital we immediately wheeled Officer McAdams into the Emergency Room and were met there by the doctor. The doctor quickly examined Officer McAdams and ordered him taken to the 6th floor, Surgery. At the 6th floor we took him into the Intensive Care Unit where I helped remove Officer McAdams' clothes, uniform, and took immediate custody of everything which was removed from him. I remained on the 6th floor until ordered by Captain Hannigan to return to the station and to book the uniform and personal belongings on the third floor. I went directly to the Detective Division where I was instructed to make this supplemental

The below officer received call to cover at 8th and J Street on a Shooting. Upon arrival the below officer drove his motorcycle up the ramps to the 3rd floor, I dismounted at this location and ran to the up the ramp to the fourth floor to where McAdams was laying. Another officer was with him. I then went up the ramp to the 5th floor to to where a suspect was on the ground. I stayed with officer Dixon till another officer arrived. I then went back to the fourth floor to McADAMS to see how he was, and then ran back to the third floor to my motorcycle and called radio to hurry the ambulance. At this time the ambulance arrived which I met on the 1st floor. I led the ambulance to Officers McAdams location, we loaded McAdams on the ~~XXXXXXXX~~ stretcher and into the Amb. I was then sent to the 1st floor on orders of Lt. Martin to seal off the ramp and let no one up the ramp.

While I was with the suspect on the 5th Floor, the suspect was asked by some officer if there was anyone else. The subject stated "There's one more and he's down stairs". This subject was later identified as BODINE, Quinn Lee with a true name of Laurence Edward Lockridge.

At approx. 1205 Hrs. 11-14-68 I called police radio to make my ring for the hour. At that time I was advised that there had been a shooting at the bank at 8th and Jay Sts. I immediately proceeded to the scene on the fourth floor of the parking lot. I was ordered by Lt. Martin to guard the elevators and to keep all sight seer off from the floor. After being relieved from the elevator guard I was ordered by Lt. Martin to search all floors from the ground floor to the roof. I was told to look for money orders and suit bags. A search was conducted by myself and Officer J. Hannah 423 and nothing was found.

While guarding the elevator I found bullet fragments in front of the south elevator. Pictures were taken of them.

I was working the Patrol wagon and after responding to a drunk call at north 16th street, we were on the way back to town and heard the call put out to the bank.

We were on the way to cover the call . As we proceeded in we heard of the shooting.

I parked the wagon on 8th street and immediately went to the elevator and took it up to the 4th floor garage level. I went to where the officer(Mc Adams) was lying. There were Three Officers there Cooke, R.Reynolds, And Dixon.

We tried to make Mc Adams as comfortable as possible until the ambulance arrived and transported the officer to the hospital.

I stayed at the scene with officer J. Cooke. Lt Bruce Thayer asked us to protect the scene till the investiggators and the B of I could get their work done. I remained at the scene until most of the work was completed .

We protected the area as best we could.

1500 11-14-68, Received orders to search the following vehicle and recover all expended shells possible.

[REDACTED] Toyota 4 Dr Sedan White

Found the following holes in the vehicle that will be numbered for clarity.

- #1 One entry hole 2'9" from ground with the vehicle unloaded. 3 $\frac{1}{2}$ " forward of leading edge of front door on left hand side of vehicle. It appears that expended portion is still in metal body of vehicle. No exit observed.
- #2 One entry hole 2'9" from ground with the vehicle unloaded. 4" to the rear of the leading edge of the front door on the left side. The shell then exited the inside portion of the front left door but was not found inside the vehicle. It appears that it did not enter any other portion of the vehicle. Could have left vehicle on right side if door or window was open.
- #3 One entry hole 11" ^{to the rear} from leading edge of rear door left side 2'1" off the ground with the vehicle unloaded. Exit hole on inside of this door. This exit hole directly lines up with hole in back of rear seat on right side of vehicle. It appears that #3 bullet entered the rear seat (back) and then there was an exit hole from the right side of the back of the rear seat. There was then an entry hole at the metal portion of the interior right side of the vehicle at this point and an exit BULGE on the outside of the vehicle on the right side. This bulge was 3" to the rear of the right rear door and 2'4 $\frac{1}{2}$ " off the ground. The expended shell apparently was lodge in between two pieces of metal at that point. Unable to retrieve.
- #4 One entry hole in the ~~XXXXXXXXXXXX~~ ^{rear} horizontal seat cushion. This was 1' from the left edge of this cushion toward the front of it. This was a small hole and did not have an apparant entry hole into the vehicle. A small fragment of lead was found in the ~~XXXXXX~~ cushion underneath the top layer of material and foam rubber. It appears that this is a fragment only of entry bullet #3. Seat revealed no other damage or exit holes or other fragments.
- #5 One entry hole one INSIDE of vehicle on right side on roof side 1" back of leading edge of right rear door. This was 4'5 $\frac{1}{2}$ " from ground with vehicle unloaded. Exit hole was directly opposite this on outside of vehicle. It appears that this may have come from open window or door on left hand side of vehicle as no entry hole apparant. It may have been entry bullet #2 but from all appearances it was not.

No other apparant damage to vehicle located by this officer.

Fragment #4 will be booked evidence by this officer.

Re: BODINE, Quinn Lee

1630 11-14-68. Sgts. Harrington and Zine contacted Bodine in the City Jail. He was taken to the Attorneys Room for the purpose of being interviewed regarding his participation in this offense.

Bodine was advised of his rights as per Miranda, by reading the Waiver of Rights form. When asked if he understood his rights, he nodded his head in the affirmative, and in the negative when asked if he would sign the waiver.

Bodine remained mute to all questions asked of him, including questions about himself.

1635 11-14-68. Bodine was advised a lineup was to be held in which he would participate. He was advised of his rights to the presents of an attorney during the lineup, by reading the Lineup Waiver form. Bodine refused to sign the waiver and indicated he would not willingly stand in the lineup when informed arrangements would be made to have counsel present during the lineup to represent him.

Re: LOCKRIDGE, Roger Allen

1640 11-14-68. Sgts. Harrington and Zine contacted Lockridge in the City Jail. He was taken to the Attorneys Room, for the purpose of being interviewed, regarding his participation in this offense.

Lockridge was advised of his rights as per Miranda, by reading the Waiver of rights form. Lockridge said he understood his rights and refused to sign the waiver, or talk with officer concerning this matter.

1648 11-14-68. Lockridge was advised a lineup was to be held in which he would participate. He was advised of his rights to the presents of counsel during the lineup, by reading the Lineup Waiver form. Lockridge refused to sign the waiver and told officers he would not stand in a lineup.

Lockridge was informed the Public 2 Defenders Officer would be contacted and arrangement made to have counsel present during the lineup to represent him. Lockridge then told officer he was not going to stand in and lineup, and officers would have to carry him.

1640 11-14-68 Recieved word from Sgt. Harrington and Zine that subjects Lockridge and Bodine had both refused to sign lineup Waiver form and that Lockridge had in fact stated that if there was a lineup he would have to be carried into the lineup.

1650 11-14-68 Called Supervising Deputy D.A. Ed Garcia and advised ~~of~~ him of the above. He advised to call in the Public Defender and let him talk to subjects and then see how they felt about the lineup after the Public Defender talked to them.

1705 11-14-68 Called Public Defender Rodney F. Nelson, he stated he would be right down.

1900 11-14-68 Public Defender Nelson stated that both of the subjects Lockridge and Bodine advised him that they would not resist but would have to be carried into a lineup and would not stand up in the lineup but would lay down.

1927 11-14-68 Sgt. Harrington and Zine along with Public Defender Nelson again asked the two subjects about a lineup and they both indicated that they would ^{not} cooperate in a lineup.

1935 11-14-68 COD Kinney had phone conversation with Chief Deputy D.A. Puglia about the above events and Puglia suggested that no lineup be held tonight.

Proceeded to the 4th floor of the parking lot and reported to Lt. Bruce Thayer who in turn gave the undersigned a set of keys that had been taken from one of the culprits and instructed the u undersigned to try all of the cars in the parking lot in an attempt to locate the culprits veh. Keys consisted of two key rings one with 4 keys and one with 5 keys attached with a key chain which also contained one key, total of 10 keys. Proceeded to the fifth floor or roof of the lot and tried the keys in all of the vehicales that were parked on the roof, with negative results. Started to try the vehicales on the 4th floor when I was advised by Lt. Martin that the vehicale had been located on the eastside of the parking lot 4th floor. This location is where the officer was found shot. Vehicale was a blue 2dr. Chevrolet lic. # [REDACTED]. The brass colored (COLE NATIONAL) (B*10) on the chain was tried on the locks (door and trunk) and opened both of these locks. The ignition was not tried at the time due to the fact that the inside of the vehicle had not been printed at the time.

There was also a set of MUSTANG keys and a set of regular keys on the rings so the undersigned continued through the lot and tried all of the Mustangs and the Fords with these keys, with negative results.

1300 11-14-68. ██████████ was interviewed by Sgt. Matranga in the Forgery Division. She states she had driven into the parking lot area over the Bank of California at 8th & J about 1150. She starts work at Hales, 9th & K, at noon on Thursdays. She drove to the 4th floor parking level looking for a parking space. She drove through the floor and not seeing any parking spaces decided to drive to the roof parking area. As she started driving towards the ramp she noticed a tall police officer walking through the parked cars being followed by a WMA citizen. She saw the officer walk over to a car parked on the 4th level which was backed into the parking stall and contained 2 men. She did not get a good look at the occupants of the car but as she drove passed it appeared that the officer was having a conversation with the passenger in the parked car. She states she then drove up to the roof and found a parking space. As she was parking she heard what sounded to her to be gun shots. She waited in her car a few minutes and heard more shots. When it appeared quiet, she got out of her car and had placed the key in the door lock and had just turned the lock when a WMA about 45 years, 5'-4", 135 ran up to her with a gun in his right hand. The suspect stated "get back in the car and get back in quick, lady". She unlocked the car door, got in and slid over to the passenger side. The suspect got behind the wheel and took her keys from her and told her to lock her door. The suspect backed out of the parking space and asked her how to get out of there. She pointed out the down ramp and he had started to drive down when she saw a police officer coming up the ramp on foot. The suspect stopped and pointed his gun at the officer and told him to stop. After a few seconds the officer started shooting at the car and both Mrs. ██████████ and the suspect ducked down. The suspect grabbed Mrs. ██████████ and seemed to be frightened. Mrs. ██████████ stated she opened the passenger's door and jumped out, pulling the suspect with her. They stood crouched beside the car. After the officer told the suspect to drop his gun the suspect put up his hands and threw the gun away. The officers then approached the car and handcuffed the suspect.

1300 11-14-68. Sgt. Matranga drove Mrs. ██████████ back to the parking lot where she pointed out the parked vehicle she saw the 2 occupants sitting in. It was a blue Chevrolet ██████████.

(Officers rc'd call at 1155 hrs on Nov. 14, 1968)

Officers received a call to the Bank of California Parking Lot at 8th & J Sts. regarding a forgery. An employee of Patterson's Men Store was supposedly following a suspect to this location.

While enroute to the scene a radio message was broadcast that unit #52 was at the scene and that officer Dixon was staying on the main floor while officer Mc Adams was going to the fourth floor via the elevator. Officers were responding from 6th & H St. Approaching the intersection of 7th & J Sts. they could hear gun shots. One at first followed by 3 more were heard as officers approached the scene.

On arriving at the scene Officer Schwartz who was a passenger alighted from the vehicle on J St prior to entering the parking structure. Officer Schwartz ran up the ramps of the parking structure after he was told by another officer that they needed help up above. Officer Schwartz came upon other officers on the fourth floor at the ramp to the 5th floor or the roof. The other officers were Reynolds and Dixon and they were shouting to one of the suspects to release a hostage and give himself up. Officer Schwartz then ran to the stairs leading to the roof, ran up the stairs and came upon the susp. and hostage from the east on the roof just as the susp. released the hostage and gave himself up. Officer Schwartz covered the susp. as he was handcuffed and searched for weapons. Officer Schwartz stayed with the susp. BODINE at the scene then transported the susp. to the 2nd floor of the police dept. Officer Schwartz stayed with susp. BODINE at the station until he was booked on the 3rd floor.

Officer Cooke drove the squad car on to the main floor of the parking lot parking at the ramp to the 2nd floor. Officer Cooke took the shot gun from the vehicle and asked Officer Haligarda who was guarding one of the susps. in another squad car where help was needed. Officer Cooke was told the fourth floor and took the elevator to the 4th floor. As Officer Cooke stepped off the elevator on the 4th floor he observed officers Reynolds and Dixon standing approx. 20' away on the edge of the ramp to the roof. Officer Reynolds stated that Officer McAdams had been shot, go help him, at which time he pointed to the eastern part of the building. Officer Cooke ran to assist officer McAdams who was found lying on his back with his service revolver in his right hand. McAdams had been shot in the left shoulder. A few moments later Officer Reynolds called to Officer Cooke that he needed the shot gun as they had a susp. spotted on the roof. Officer Cooke ran over to Reynolds and Dixon with the shot gun and covered them as they were firing up the ramp (Con't)

toward a white vehicle which was parked at the top of the ramp. Officer Cooke then observed a woman rise up in the seat of the vehicle on the drivers side with the susp. seated on the passanger side of the vehicle. The 3 officers at the foot of the ramp ordered the susp. to get out of the vehicle and throw down his weapon, at least a half a dozen times. The susp. then stepped out of the vehicle pulling the woman with him using her as a shield moving toward the rear of the vehicle. The susp. had a revolver in his right hand and he stated something like "I'm uncocking it." The susp. was then ordered to drop the weapon and step away from the vehicle and woman. The susp. was told this 3 or 4 times. The susp. then started to walk toward the front of the vehicle and at the same time threw the weapon on the ground in sight of the officers. The susp. left the woman at the vehicle while he walked toward the officers around the front of the vehicle. Officer Cooke then approached the susp. with the other two officers and held the shot gun on the susp. while the susp. was handcuffed and searched by the other officers.

Officer Cooke then ran back to again assist Officer Mc Adams until the ambulance arrived. Officer Cooke then remained at the scene protecting the scene and assisting the Det. Div. during their investigation. **2**

Officer Cooke booked Officer Mc Adams service revolver which he took from the officers right hand. The revolver contained 6 spent shells which were also marked and booked as evidence. The revolver described as 38 Cal. Smith & Wesson 4" barrel, white grips, Ser. # [REDACTED]. These items booked on rcpt. # E 42791.

Re: [REDACTED]

[REDACTED]
Parking Lot Attendent
8th & J St.
[REDACTED]

1330 11-14-68. Interviewed Mr. [REDACTED] who is the parking lot attendant that was on duty at the time of this offense. Interview took place in the officers police car parked on the eighth street side of the parking lot. Mr. [REDACTED] works the 0800 to 1730 hrs. shift.

[REDACTED] states that he was in his shack on the Merchant St. exit to the parking lot when he saw a man dressed in a gray or light charcoal colored top coat and wearing an olive colored snap brim, brim pulled down all the way around, hat come into the driveway and walk over toward the elevators. He stated that he did not know for sure but thought the man was either wearing a scarf or had his collar turned up. As the man reached the area of the elevators and the stairway, [REDACTED] noticed a police car drive into the driveway from 8th St. with a man in civilian clothes running alongside it and as they got to the area of the elevators he heard the man alongside the squad car say "where he gos" at this time the squad car stoped and both officers jumped out, one going to the elevator with the civilian and the other staying on the ground floor near the squad car. He did not know if the man with the top coat went up in the elevator or took the stairs but the officer and the civilian went up in the elevator. [REDACTED] states that he went over to the J St. emergency stairway and checked it and noticed that it was locked from the outside so that no one would be able to get out that door. He then told the officer about the door being locked and returned to his shack. He states that about two or three minutes later he heard what sounded like shots and the officer that was on the ground floor started up the ramp. Also about this time another squad car showed up and these officers went up the ramp. He states that about this time several other police in cars and on motorcycles began arriving, also someone hollered to him to call the police and he did. A short while later the officers that arrived in the second squad car came down the ramp and had the man that he first saw in custody and they placed him in the back seat of the squad car. [REDACTED] stated that he thought he would be able to identify the man and stated that he would be available fo view a line-up.

[REDACTED] was asked if there were any vehicles that came or left during the time that the above incident took place. He stated that there was a car leaving at the time the first squad drove in, but no one entered or left after that, to his knowledge.

Re: [REDACTED]

1330 11-14-68. While the R/O was interviewing Mr. [REDACTED] the above named came over to the squad car and asked if any of the persons involved in this matter was named [REDACTED]. He was asked what his concern was with the matter and he stated that he was employed at the Eagleson's Pauson's Clothiers 801 K St. 447-9171, and that he had taken in a Travelers Check this morning and he heard that the men that had shot the officer were being apprehended for this. He was at this time asked to return to his place of employment and that an officer would contact him a little later for the information that he had.

1405 11-14-68. Contacted Mr. [REDACTED] at his place of employment and recieved the following information from him.

He stated that at approx. 1030 hrs. this date a man came into the store and he approached him and asked if he could help him. He stated that the man stated that he needed a couple of pairs of socks as his wife had forgot to pack any for him. He states that the man then picked out a pair of yellow and a pair of blue sport socks, stretch type, at \$1.50 a pair. [REDACTED] states that during the time the man was picking out the socks they were engaged in conversation and the man told him that his wife was in there hotel room. The man then produced a book of travelers checks and asked if he could cash one, to which he gave an affermative answer. He states that they then went to the cashiers counter and he made out a bill for the socks. The man then signed a \$20.00 American Express Company check and handed it to Mr. [REDACTED]. [REDACTED] states that he asked the man for some identification and he produced two credit cards, one from Union 76 oil and the other from Chevron Oil Co. he asked if the man had a drivers license and was told by the man that he had left it in his hotel room in his wallet. Mr. [REDACTED] showed the money order to Mr. [REDACTED], who is the Mgr. of tthe store and was on the phone at the time, so it took a little while before he could get it O.K.d. [REDACTED] states that during this time the man told him that he was from Los Angeles and up in Sacramento on business. [REDACTED] asked what his business was, but the man never told him. After the check was O.K. d the man took his change and left. [REDACTED] discribed the man as Male, white, 33-34 yrs, 5'7-8", 150-160# black wavy hair, Wearing a black and white hounds toothh top coat with a black velvet collar. The man had told him that it cost \$150.00 during thier conversation. Also wearing a blue shirt and darker blue tie. Did not see the suit, but appeared to be well dressed. No Hat. [REDACTED] stated that he definatly would be able to identify the man and would be available to view a line-up.

Mr. [REDACTED] was given a receipt for an American Express Company Check in the amount of \$20.00 and signed with the name [REDACTED].

[REDACTED] Checked turned over to Sgt. Matranga of the Check Detail.

1350 11-14-68. Contacted Mrs.  in her place of business, Rossi Florist 726 Merchant St. 448-8244 and recieved the following information from her. She stated that she was in her shop when she heard what sounded like shots to her. She states that she walked to the front window of her shop and noticed several people standing on the sidewalk in front of her shop and looking over toward the parking lot. She states that she looked out toward the parking lot of the Bank of California building and on the Mezzanine floor overlooking Merchant Street she saw a man standing at the rail with a camera hung around his neck. She stated that he appeared to be a newspaper reporter type. On the second floor she saw a man dressed in a reddish brown suit, about in the middle of the building, with his arm sticking through the metal slat type wall and he was pointing his finger and waving his arm. She states that he also appeared to be excited and hollering something, at someone on Merchant St. He also had black hair and was a white man. She also noticed a uniformed police officer on the same floor, about three or four cars away, toward 8th St. and the officer seemed like he was trying to get over or around the cars to where the man in the brown suit was at. They both then disappeared and she did not see them any more. Doubts that she would be able to identify the man in the brownish suit. She did not recall if anymore shots were fired after the first ones she heard.

1725 11-14-68. Received call from the above and he related the following information:

ROGER LOCKRIDGE & LAWRENCE LOCKRIDGE @ QUINN BODINE are out on \$10,000.00 bail apiece for 13 counts of assorted charges. These charges include 460 PC with explosives, safe burglaries of jewelry stores where they beat the alarm and torch the safe and at least 1 count of armed robbery & kidnapping involving the residence robbery of an elderly woman. Their bail was originally set at one million dollars but was later reduced to ten thousand dollars. In the jewelry store burglaries, the loot runs into hundreds of thousands of dollars.

Sgt. Lovold stated that their first case involving these suspects occurred in Oct. 1966. They have yet to come to trial on these charges. They are due in Superior Court in Los Angeles Thursday 11-21-68.

In the Los Angeles cases there is a third man involved. This is [REDACTED] who is out on \$50,000.00 bail in these cases.

[REDACTED] & the LOCKRIDGE BROS. usually work as a 3 man team. [REDACTED] had open heart surgery and does not actively participate in the various crimes but is involved.

Sgt. Lovold stated that ROGER LOCKRIDGE lives at [REDACTED]. They do not know where LAWRENCE LOCKRIDGE is living.

ROGER LOCKRIDGE drives a 1964 Chev. lic. # [REDACTED]. (This is the car this dept. has impounded.)

Sgt. Lovold stated that a brief resume of the LOCKRIDGE BROS. & [REDACTED] is in the 1967 Western Safe Burglary book. (Our burglary detail has this book.)

Sgt. Lovold was asked to send this dept. a teletype with the details of the LOCKRIDGE BROS. activities in the Los Angeles area. He stated that the TT would be sent tonight directed to Lt. W. Mulderrig.

Address 8th and J StsReport No. 68-30614

I went to the Police yard and took pictures of all 4 sides of a Totota 1900 Automatic license # ■■■■ in color and black and white. I took pictures showing bullet holes on the left side of the car and holes near the top of the rt side of the car of a bullet going out.

I took pictures showing the interior of the front and rear seats with holes on the rear seat made from bullet entering the seat.

I then ~~was~~ checked the car for fingerprints with the following results: I found a latent impression using black powder on the left door (outside) at the top of the window frame. I lifted the impression and marked a diagram on the lift showing the exact position the impression was found. This was from the left front door.

I found a latent impression using black powder on the side of the window frame on the outside of the left front door. I lifted and marked a diagram of this position of this impression, on the lift.

CLASSIFICATION Att 187 PGComplainant or Victim McADAMS, WalterReport No 68-30614

Address _____

Reporting officer was at the intersection of 9th and H St. when the call was dispatched regarding the sound of possible gun shots coming from the Bank of California, 8th and J St. On my arrival I heard the sound of possible gun shots coming from the upper levels of the bank parking lot.

I entered the lower level of the parking structure and was informed by another officer that an officer had been shot and the possible culprit was still on the upper levels.

I preceded to the upper levels, by way of the car ramps, checking vehicles as I went. As I reached the 4th level I was met by Lt. Soski who led me to the veh. ramp leading from the 4th floor to the roof level. Lying on the floor at the bottom of the ramp was 9 spent casings some with brass and some with silver casings. I was assigned to guard the evidence by Lt. Soski until relieved.

While I was guarding the evidence I observed two pieces of an American Express Check lying beside the spent casings one piece sticking partly in the water drain grating. I protected this scene until relieved by Sgt. Engelbrite #51. I did not pick up or disturb any of the evidence lying there.

I also observed, while protecting the above items, a MWA dressed in a blue suit lying at the top of the ramp leading to the roof and being guarded by officer Schwartz #281.

This subject was later identified as BODINE, Quinn Lee whose real name was found to be LOCKRIDGE, Lawrence Edward.

1120 11-15-68. Contacted Roger A. Lockridge in holding cell #2 on the Jail Floor of the Hall of Justice and after identifying myself to him asked him if he still did not wish to stand in a line-up. He stated that he did not wish to stand in a line-up, but if the officers made him stand in the line-up he would not fight them, but they would have to carry him to the line-up. He was then advised that under the law he could be required to stand in the line-up and he stated that he understood this and would not fight it, but again stated that he would have to be carried.

He was then advised that he was entitled to 2 phone calls if he so desired them and that in the event that he made one of these calls to his Attorney to advise the attorney of the situation of the line-up and also that in the event his attorney wished so, the Sacramento County Public Defenders Office was willing to have one of their attorneys stand in for him. Lockridge stated that he did not have any money and was not planing on calling his attorney. Lockridge also advised the undersigned that he all ready had made one phone call last night.

1125 11-15-68. Contacted Quinn Lee Bodine in holding cell #4 on the Jail Floor of the Hall of Justice and after identifying myself to him asked him if he had changed his mind about standing in a line-up. He stated that he had not changed his mind. It was also explained to him that by law he can be compeled to stand in a line-up and that he had the right to have an attorney of his own choosing in attendance at the time. He stated that this has been explained to him several times and he has discussed this with his attorney and (at this time he did not mention any name, but noded his head toward the cell in which Lockridge is being held) the undersigned asked him if he meant Lockridge and he shook his head in the affermative. Bodine was then asked if he intended to contact his own attorney and he stated that he did if Lockridge had not all ready called. He was at this time advised that Lockridge had made one call to Glendale Calif. but it was not know to whom the call was made. Bodine then stated that he must have called his wife (meaning Lockridge) but was wondering if Lockridge had informed her to call the attorney. I told him that we did not know either, as we do not listen to the phone calls.

Bodine was then advised that in the event he decided to make a call to the attorney for him to advise that attorney of the line-up situation and that if his attorney so desired the Sacramento County Public Defenders office would have one of the attorneys stand in for him at the line-up and also advise him of his rights in the matter. He stated that he would do this.

JOSEPH E. ROONEY
CHIEF OF POLICE

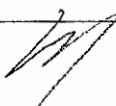

At 1204 hrs, 11-14-68, I recieved a radio call to cover officers at the bank at 8th and J Streets. While enroute, radio advised that the sounds of gunshots were heard in the vicinity of 8th and J Streets.

At the scene, an unidentified officer advised me that one culprit was in custody and one culprit was at large. I went to the basement area of the bank building with one officer and we searched the area with negative results. I proceeded to the second floor and searched the area upwards to the fourth floor. On the fourth floor, I was advised by Lt. Soski that the second culprit was in custody and a transportation car was needed on the top floor of the bank building.

I went to the ground floor and drove Unit 1's patrol car to the top floor of the bank building. With Lt. Soski and Officer Schwartz, I placed the culprit in the back of the patrol car and drove him to the city police station. I was accompied in the car by Lt. Soski and Officer Schwartz. Upon arrival at the station, we took the culprit to the second floor, detective division, and placed him under guard in a interrogation room in the detective division. Officer Schwartz remained with the culprit as the guard.

After leaving the second floor, detective division, I drove back to the scene at 8th and J Streets andd a ssisted officers in the investigation.

The culprit I transported was known ²at the scene as Quinn Lee BODINE. He was later identified as Laurence Edward LOCKRIDGE.

1400 - 1530 11/15/68. Showed pictures of the suspects to witnesses who had seen them the day before. They were included in a group of ten photographs. The suspects were not wearing the same clothing that they were arrested in. The dates the pictures were taken were blocked out due to the publicity in the news media.

The photos were shown to all the witnesses in the same order and photos are numbered on the back in the order they were shown. Witnesses who identified a photograph were asked to sign and date that photograph and then to initial the rest of the photos so they could later recognize them. Mugs shown in the order listed.

1400 11/16/68. Arrived at the booth of the parking lot at 8th and Merchant St. and contacted the attendant, [REDACTED]. He stated that he only saw one of the suspects and that he was wearing an olive green dress hat pulled down on his head, a tweed or grey shot topcoat, appeared to need a haircut. He only got a brief look at the suspect.

He was shown the above group of pictures and was unable to make an identification. He thought that photo number one looked something like the suspect.

1410 Arrived at Eagleson's 801-K St. and contacted [REDACTED]. He stated that the man who had been in the store the day before and passed the phony travelers check was wearing a black & white checked topcoat with a velvet collar. This velvet did not come down to the lapels, but just around the back and sides of the neck. He was not wearing a hat, was wearing a light blue dress shirt, he had dark wavy hair.

[REDACTED] was shown the above group of photographs and positively identified #7 SPD # [REDACTED] (Laurence LOCKRIDGE) as the man who had been in the store the day before.

1420 While in Eagleson's, contacted [REDACTED]. This was done away from Mr. [REDACTED] so [REDACTED] could not be prompted. [REDACTED] stated that the man who passed the phony travelers check in the store the day before was wearing a hound's tooth topcoat, blue dress shirt and blue tie.

picture identification continued; page two.

[REDACTED] stated that the suspect had black wavy hair and was neat appearing.

He was shown the same group of photos and he positively identified #7 SPD # [REDACTED] (Laurence LOCKRIDGE) as the man who had passed the check in the store.

1435 11/15/68. Arrived at Patterson's Clothing Store 901-K St. and contacted [REDACTED]. He stated that the suspect he saw in his store who passed the stolen travelers check was wearing a tan or light color overcoat and an olive green hat. He was not sure about the shirt or tie.

This was the same man he later saw on the fourth floor of the parking lot at 8th and Merchant St. This man was sitting in the driver's side of the car and when ordered out of the car by Officer Mc ADAMS, he got out fast and shot at MC ADAMS. When this first shot was fired, [REDACTED] fled the scene. He also saw the second suspect sitting in the passenger side of the car. This suspect looked directly at [REDACTED] and [REDACTED] felt that he could identify him.

[REDACTED] was then shown the group of mug shots and positively identified #4 SPD # [REDACTED] (Roger Allen LOCKRIDGE) as the man who was in his store and who fired at Officer MC ADAMS. He also positively identified #7 SPD # [REDACTED] (Laurence LOCKRIDGE) as the man he saw sitting in the passenger side of the car on the fourth floor of the parking lot.

1455 11/15/68. Arrived at Roos-Atkins 1001-K St. and contacted [REDACTED] on the second floor. He stated that the suspect who passed the stolen travelers check in his store was wearing a black & white double breasted hound's tooth topcoat. It had a black collar. Suspect did not wear a hat. He did not notice the color of the suspect's shirt, but could only say it was a dressshirt and that the suspect was also wearing a tie.

[REDACTED] was shown the group of photos and positively identified #7 SPD # [REDACTED] (Laurence LOCKRIDGE) as the man who had passed the check in the store.

1500 11/15/68. While in Roos Atkins, also contacted clerk [REDACTED]. He also saw the suspect in the store who passed the stolen travelers check. He said that the suspect was wearing a grey tweed car coat with black trim on the collar. He was not wearing a hat. Was wearing a dress shirt and tie.

[REDACTED] was shown the group of mug shots and could not make an identification. He thought that number 1 SPD # [REDACTED] looked something like the suspect, but he was not sure.

1515 11/15/68. Arrived at the Floorsheim Shoe Store at 1019-K St. The clerk, [REDACTED] was not in and not expected for about an hour.

1520 11/15/68. Arrived at Julius' Mens Shop 1023-K St. and contacted [REDACTED]. He stated that the suspect who passed the stolen travelers check in the store the day before was wearing a grey diagonal twill topcoat with a velvet collar (black). He was not wearing a hat and he had black curly hair.

[REDACTED] was shown the group of mug shots and positively identified #7, PSD# [REDACTED] (Laurence LOCKRIDGE) as the man who had passed the check in the store.

1600 11/15/68. Received information from Chief KINNEY that [REDACTED] had called saying that one of the suspects had been in his liquor store at 1101-J St. and attempted to cash a check. He had refused to cash it. It was some type of travelers check, but he was not sure what kind. He had seen the suspects picture in the afternoon Sacramento Bee and felt that it was the same man who was in his store.

NOTE: Pictures of the suspects appeared in the Sacramento Bee on the afternoon of 11/15/68 and on television the evening of 11/15/68.

RE: MC ADAMS, Walter
Sacramento Police Officer

1005 11/16/68. Arrived at Sutter General Hospital at 28th & L Sts. Had been informed that the Doctor of Officer Mc ADAMS would permit a short preliminary interview. Contacted MC ADAMS in the intensive care unit, Room 641, of the hospital.

Officer MC ADAMS was alert and conscious of everything that was going on about him. He immediately greeted R/O by name. He was told that this would be a short interview due to his Doctor's orders. That the purpose of the interview was just to get the major facts. The details can be gathered later after his condition has improved. He agreed to this and seemed anxious to relate what he knew.

He was asked to begin at the point where he arrived on the fourth level of the parking lot at 8th and Merchant St. with Mr. [REDACTED] MC ADAMS stated that when he and Mr. [REDACTED] got off the elevator, [REDACTED] followed close behind him and to his right.

[REDACTED] pointed out the suspect vehicle and the two suspects sitting in it. The vehicle was backed into the stall and the engine was running. MC ADAMS felt that if the car got started he would have no way to arrest the suspects so he approached the vehicle. [REDACTED] was still behind him and to his right.

As Officer MC ADAMS approached the car from the rear, he ordered the two men to get out of the car. At this time MC ADAMS was behind the right door of the suspect vehicle. The suspect on the right side of the vehicle got out immediately and MC ADAMS' attention was directed to him.

About the same time, the second suspect, the one on the driver's side of the car got out fast. When MC ADAMS saw this second suspect he saw that he had a gun and was going to shoot him. MC ADAMS said that he and the suspect fired at each other at about the same time. There is no doubt in his mind that the suspect was trying to kill him. Both he and the suspect missed their first shots. The suspect that had been on the passenger side of the car began to run away. MC ADAMS never saw this man with a gun.

The suspect that had been on the driver's side of the car fired again and it was this second shot that struck Officer MC ADAMS. The Officer stated that the bullet did not bother him too much at first, but as the seconds passed he could feel himself getting weaker and feeling that he could not do anything about it.

He returned the suspect's second shot with one of his own through both windows of the car. The suspect ran behind a post and MC ADAMS fired at him again. He felt that this was his third shot.

First statement of Officer MC ADAMS, continued.

MC ADAMS went down between cars and continued firing at the suspect as long as he could see him. After the two suspects were completely out of his sight, he could still hear other shots being fired. He assumed that this was other Officers that had arrived, but he was not sure.

He lost sight of the suspect who had been in the passenger side of the vehicle just about the time he was shot and did not see him again.

He couldnot give a description of the suspects other than that they were about the same stature and were wearing sport clothes. Officer MC ADAMS feels that he will not be able to identify the suspects, but is willing to try.

Interview was concluded at this point to be expanded later when the condition of the Officer improves.

Re: Dr. [REDACTED]
Attending surgeon.

1010 11/17/68. Contacted Dr. [REDACTED] by Telephone. He related the following regarding Officer MC ADAMS' injury and the path of the bullet.

The bullet entered the left upper anterior chest about three inches above and two inches to the left of the left nipple. It penetrated and fractured the second rib. Bullet coursed downward and backward through the substance of the lung. It exited the chest area through the 11th rib posteriorly. The bullet is now lying under the skin four inches to the left of the third lumbar vertebrae. The path of the bullet was almost a perfect straight line. It did not deviate much from the fracturing of the two ribs. Ribs are shattered only locally near the path of the bullet.

The bullet will be removed later, but before Officer MC ADAMS leaves the hospital. Dr. [REDACTED] will call the Detective Division so that an officer may be present at the time of the removal. Bullet will be removed after a local anesthetic has been applied. This removal will be minor surgery.

Major health problem at the present is the Officer's lung. No surgery is planned immediately to the lung though some may be necessary later. The only "surgery" that has been done so far is a thoracostomy. This was a two inch incision to place a tube into the lung so that it could be drained of blood and air and then re-inflated.

1435 11/15/68. [REDACTED] stated that as he was approaching the suspect vehicle from the rear the suspect on the drivers side of the car was the one who pulled out a gun and fired at Officer MC ADAMS. This would be the man to [REDACTED] left as he approached the car.

[REDACTED] explained that at the time of his original statement to Sgt. MATRANGA, He had forgotten that the car was backed into the stall. In the excitement of the moment he reasoned that the assaulting suspect was on the passenger side of the car. During the time that expired between his original interview and his interview by this officer, he remembered that the car was backed into the stall and therefore it was the man on the drivers side of the car who he saw fire a shot at Officer MC ADAMS.

At the time of the interview of Mr. [REDACTED] by this Officer, he had not read Sgt. MATRANGA'S report and therefore did not realize the significance of Mr. [REDACTED] remark about the car being backed into the stall.

This report for clarification.

Mr. [REDACTED] further added that when ² he finally made it to the ground level of the parking lot, he drove one of the squad cars across the ramp in such a way as to block the suspect's escape.

1330 11-15-68. Went to the Systems Auto Park 8th & J Sts, scene of this offense to make an inquiry of the management and employees if they recall seeing a yellow Mercury vehicle enter the parking lot about the time this offense occurred, or if any such vehicle regularly parks there. This inquiry was made in connection with the item in Officer Reynolds report where he stopped a vehicle driving down the ramp from the fourth floor and was told by the occupants an officer had been shot.

Contacted [REDACTED], presently staying at the Cluni Hotel. [REDACTED] is the manager of the Systems Auto Park. He has been manager of the parking structure 2 weeks. He was unable to furnish any information concerning vehicles parked there.

Talked with [REDACTED]. [REDACTED] is employed at the [REDACTED]. He was working as an attendant in the booth on the ground floor at the base of the ramp heading into the parking structure at the time this offense occurred.

[REDACTED] said he did not remember seeing a yellow Mercury enter or leave the parking facilities either before, during or after this offense. He did not know of any yellow Mercury parking there as a regular customer.

Reporting officer made a search of the parking structure for a yellow or similarly colored Mercury. One yellow Mercury was found parked on the roof parking area bearing California lic. [REDACTED]

DMV Registrations on Calif. Lic. [REDACTED] a 1965 Mercury Sedan, registered to [REDACTED] legal owner B of A, 231 D Street, Marysville, California.

As reporting officer was about to leave the parking structure this same vehicle ([REDACTED]) was seen leaving the parking facilities driven by a young woman. The vehicle was stopped on the fourth floor and the driver identified herself as [REDACTED]. Miss [REDACTED] said she was a student and does not regularly park in the parking facilities. She said her car was not parked there on 11-14-68.

Re: Evidence

1155 11/20/68. Received a telephone call from the secretary of Dr. [redacted] in which she advised that the doctor had the bullet he had taken from the lower portion of Officer McAdams back on this date. The doctor had removed the bullet and had retained it in his possession and would turn it over to the R/O upon contact at the doctors office.

1215 11/20/68. Arrived at [redacted] and went to Suite [redacted] which is occupied by [redacted] M.D. the Surgeon who has been attending Officer MaAdams. Dr. [redacted] had in his possession a 38 Cal. bullet which he stated he had removed from the lower left back area of Officer MaAdams on this date. Dr. [redacted] turned over the projectile and was given a receipt for the same by the R/O/.

1250 11/20/68. Contacted the Sacramento Police Dept. Property Clerk, James Kane, and booked with him the 38 cal. bullet that the R/O had received from Dr. [redacted]. After the booking the bullet was returned to the R/O, the bullet and items #68, #70, #93, #96 from property report #66219. Item #68 is a 38 cal. revolver, made by "Charter Arms", serial # [redacted]. Item # 70 is a 38 cal. revolver, "Smith and Wesson", serial # [redacted]. Item #93 is a 32 cal. "Colt" automatic pistol, serial # [redacted]. Item # 96 is a 22 cal. "Burg" over and under derringer, serial # [redacted]. These items along with the bullet were received from the Property Clerk.

1312 11/20/68. R/O arrived at the Sacramento County Crime Lab and contacted Al Gilmore and turned over to him the four above described guns and the 38 cal. bullet that was removed from Officer McAdams back. Gilmore stated that he would immediately start processing the items.

1251 11/20/68. Arrived at the office of the Property Clerk. Checked out the ten mug shots booked as evidence on E-42976 on 11/16/68.

1325 11/20/68. Arrived on the sixth floor of Sutter General Hospital and contacted Officer MCADAMS. He stated he had not seen the pictures of the suspects either in the newspaper or on television. He was shown the same group of photos in the same order as the other witnesses.

MC ADAMS picked photo number 1 as looking like the man who shot him. He stated that he was not sure that it was the same man, but that he had the right eyes and facial features. Photo is spd # [REDACTED].

He picked photos 6 & 7 as looking like the passenger, he specifically recalled the wavy hair. He did not make a positive identification and thought that either of the two pictures "could be the passenger." These two photos are SPD # S-[REDACTED] and S-[REDACTED] (Laurence LOCKRIDGE.)

Officer MC ADAMS was then asked to sign the three mugs he selected as look-alikes and initial the rest.

He then asked if he was close on the identification or had picked the right mug shots. The two correct photos were pointed out to him.

1412 11/20/68. Returned the ten mug shots to the property clerk.

STATEMENT OF: OFFICER MC ADAMS #167

The date today is the 21st of November 1968, Sutter Hospital. This is a report of what I can recall of last Thursday.

Dixon & I, we were working Car #52, we were north bound, coming up ^{PROBABLY} # St. toward J. We just crossed Merchant St. when we looked over to the right & a man, later identified as Mr. [REDACTED], had ran into the street, motioning for us to stop, as he wanted us. He came over to the left side of the driver's side, where I was, & he said that he had been following a guy, who had tried to pass a phony check on him & that he ran into the parking lot. So we drove left, right into the parking lot, with Mr. [REDACTED] running & trotting along side of us, & we drove right up to the elevators of the parking lot on 1014 8th, by the Bank bldg. there. At this time we did not hear if it had already been put out, or, this is my part, now whether Dixon did, I don't know. I didn't know this or was aware that there was a call, had been made by [REDACTED] to the station about this guy, & that Car #3 Reynolds & Haligarda were already on their way, apparently to the [REDACTED] store.

[REDACTED] led me to believe & led Dixon to believe that there was one guy doing this, & so when we got to the elevators, there was only one light lit & it was on the 4th floor, so Dixon & I, we both kind of agreed, simultaneously, I would go to the elevator doors, he was on the right side, so he covered the exit, & I would take [REDACTED] upstairs on the elevator with me to go up & cover that way, & Dixon would prevent the guy from coming down the ramps. It would look pretty silly for all of us to be up there & the car is gone.

We got off the elevator & person on the elevator, as you get off the elevator up there on the 4th floor, you are now walking in an easternly direction. As you get off, you walk into, toward 2 parked lines of cars, One line is parked west ward toward you & back of them facing an easternly direction or east bound car is parked. [REDACTED] & I, we looked, & I looked around & he looked around & he looked around & stated, there he is. It was almost in front of us, it was in the central isle, the car was parked facing east. I walked rapidly over there toward the car, I was aware that Mr. [REDACTED] was behind me. I looked & when I got to, in between these parked cars, I was surprised, at that time I looked & saw this car had 2 men in it. It was a green car, that's the only thing I can describe of it, I can't say what mode make or anything. It was green, it was clean, I know there was nothing unusual about it & the motor was running. Well, I had seen this, I made more or less of a lunge to the back, down between the left & the right hand side of this car, & the car that was parked to the immediate right to gain some type of advantage point on the right rear side. It was at that time, I felt that maybe I was in a position, I shouldn't be in. I told the man, I had my hand on my gun, I didn't have it out. I bent over, I'm standing in the area of the right rear wheel well & I leaned over, I told this guy in the right side, "alright shut the car off, & get out, I want you guys out, this

man has something to talk to you about checks". I think the man on the right side, the passenger side, said something okay, I'm not sure about that, but it seemed to me that he did, said "okay", he made a couple of motions with his hands, as if to set himself to get up & to get out. And at that time, I backed off a little, I looked over to the left, as his drive was getting out & kind of side stepping to his right, or toward the rear of the car, his hand hitting his left breast pocket of his coat in the area in where you'd commonly hold a shoulder holster, I got just a quick glimpse of his face, I couldn't recognize, because I was looking more intently then at his hand, & I knew, then, that I'd better duck & get my gun out & start going, because I felt the man was going to shoot me. Altho' at that time I didn't even see the gun, hadn't come out all the way yet. Then this man on the right, was getting out & he lunged by me, to my right side, I don't believe he even touched me & he ran, giving me the impression that maybe he didn't want to get involved in a Cop killing, but at any rate, I looked at this man, & he fired at me, I was bent way over, trying to get a little cover from the fender & the trunk, & then I fired at him, about the same time I believe. Then I think the man was going to try & go westward, in the direction to where his brother, this other man had went, & he didn't have a chance because everytime he popped his head out, I'd shoot at him & then he'd shoot at me, & I'd have to duck & he'd shoot at me again, after that I'd shoot at him. I shot thru the windows, the closed rolled up windows, trying to get one to go thru the car & that way get him, that didn't work. Both of us seemed to work toward the front of the car, I could see then that he was trying to break away from this thing, & break it off & run, which I guess would be north bound toward the cement wall there, but therewas another parked car between him & this cement wall, so he ran around in front of it I think then is when I fired my last few shots, which were one or two, I can't recall. During this time as far as idenity, as far as I can say, it can't be reliable, I believe I was hit with the first shot, & I say I believe it, because I really don't even know it, & what I did following that, in missing him & really not being to clear about the whole thing after that, I can only assume that I must have bean in some kind of a shock.

The guy was small, he was a little guy, he was a white man, caucasian, seemed to me to be clean cut & have nice clothes on. His passenger would fit just about the same. They had wavy, curly hair, they were well groomed, but other then that, I'd say maybe 5'9", I'm 6'3", so maybe 5'9 is bigger then what they were, I don't know. When John & Taylor were out here, they boiled the whole thing down. Finally they came out here & told me who they were and so forth & so on, but this was after I picked out the passenger mug, but I failed on the driver mug. I say 5'9, but they say 5'6 or 5'7. There was a lot of crouching & shooting, but to me they were little guys.

PHYSICAL EVIDENCE EXAMINATION REPORT

On November 15, 1968, at 9:50 A.M., the following evidence was received from Sgt. Zine, in person, for examination:

- 12. Test patterns of powder residue

RESULTS AND CONCLUSIONS

The Charter Arms weapon (Item 7) previously received on this case, was test fired into white cloth using ammunition similar to that which struck Victim McAdams.

At two feet, a small amount of powder penetrated the cloth sufficiently that it would probably have been found on the victim's clothing if the weapon had been fired this close.

At three feet, there was less powder adhering to the cloth and it was on the surface, therefore, allowing it to be easily brushed off. Probably little, if any, powder would have been found on the victim's clothing if it had been fired this close. Therefore, based upon the above, it was found that the weapon was held three feet or further when it was discharged since no powder was found on the victim's clothing.

DISPOSITION OF THE EVIDENCE

The above exhibits will be temporarily retained in the Crime Laboratory until called for by an agent from your office.

PHYSICAL EVIDENCE EXAMINATION REPORT

On November 15, 1968, at 9:50 A.M., the following evidence was received from Sgt. Zine in Mail Tubes 1605, 1623, 1632, and 1638:

1. Blood sample from Quinn Lee Bodine (MT 1605)
2. Urine sample from Quinn Lee Bodine (MT 1623)
3. Blood sample from Roger Allen Lockridge (MT 1632)
4. Urine sample from Roger Allen Lockridge (MT 1638)

On November 15, 1968, at 2:00 P.M., the following evidence was received from Detective Eli Viegas, in person, for examination:

5. Jacket of Officer McAdams
6. Portion of shirt of Officer McAdams

On November 20, 1968, at 1:12 P.M., the following evidence was received from Sgts. Taylor and Deveny, in person:

7. Revolver, .38 Special, Charter Arms Corporation, Serial No. [REDACTED]
8. Revolver, .38 Special, Smith & Wesson, Serial No. [REDACTED]
9. Automatic, .32 caliber, Colt with holster, no clip, S/N [REDACTED]
10. Pistol, .22 caliber, German Manufacture, Burgo, Serial No. [REDACTED]
11. Bullet removed from Officer McAdams

RESULTS AND CONCLUSIONS

The blood sample from Subject Bodine, Item 1, was examined for alcohol. None was detected. The urine sample from this subject was examined for drugs, but none were detected.

RESULTS AND CONCLUSIONS (Continued)

No alcohol was found in the sample from Subject Lockridge, nor drugs in the urine sample, Item 4.

The jacket of Officer McAdams, Item 5, was examined for powder particles in the area of a hole that appeared to be a bullet entrance hole. This hole was located on the left front near the area of the badge. No powder particles were found. In addition to the visual examination, an x-ray examination was made and no powder particles were detected.

Another area of damage to the jacket was noted on the back of the elbow on the right sleeve. There were two jagged holes and the seam was torn. The lining was not penetrated in this area.

The portion of the shirt in Item 6 had been cut off the victim and included the area of the hole appearing to be the bullet entrance hole. This hole corresponded in location to the hole in the jacket. No powder particles were observed on this garment.

The revolver, Item 7, was found to be in operating condition. The trigger pull was approximately 4 pounds on single action and over 10 pounds on double action. The barrel was dirty and had not been cleaned since the last time of firing. It was noted that the rifling characteristics of this weapon showed 8 lands having a right-hand twist.

The revolver in Item 8 was also found to be in operating condition. The trigger pull was approximately 3½ pounds on single action and over 10 pounds on double action. This weapon was test fired and the rifling characteristics found to be 5 lands with a right-hand twist.

The automatic in Item 9 and pistol, Item 10, were examined and found to be in operating condition; however, no test firing was made with these particular weapons.

The bullet removed from Officer McAdams was .38 caliber, the same caliber as those in Items 7 and 8, and different from Items 9 and 10. The rifle markings from this bullet indicate there are 8 land impressions with a right-hand twist. Therefore, it could not have originated from the S & W revolver, Item 8.

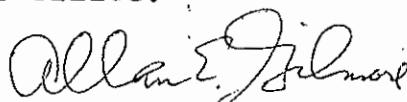

Microscopic comparison of the striation detail on the bullet in Item 11 was impaired as most of the detail was obliterated, with very little remaining for comparative purposes. What detail that was remaining did correspond with the microscopic detail on the test bullets fired in the revolver, Item 7.

RESULTS AND CONCLUSIONS (Continued)

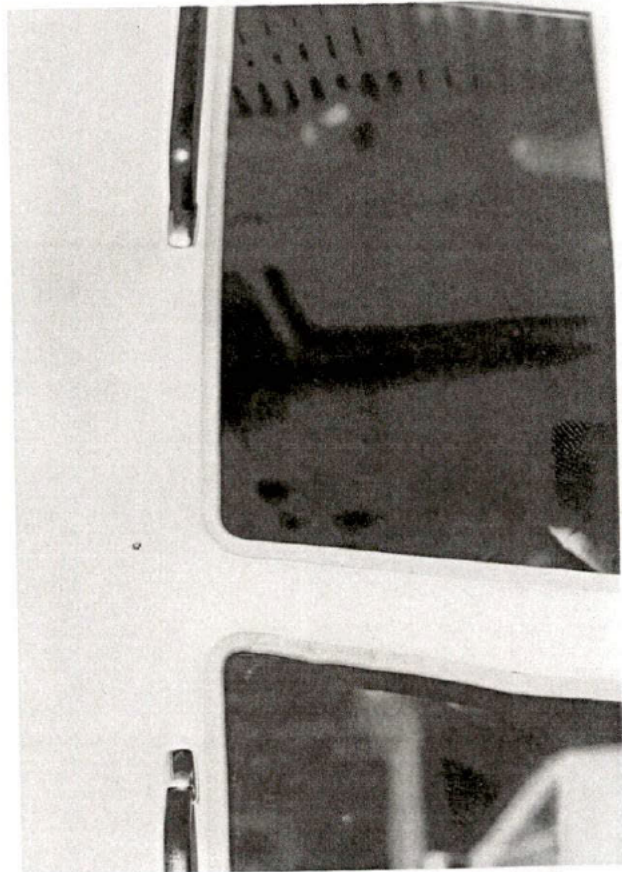

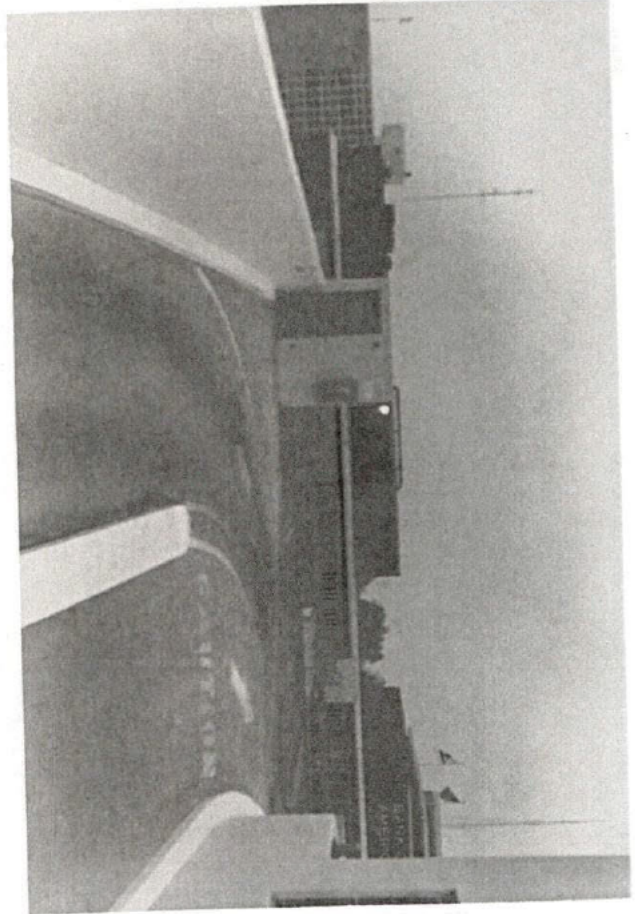

Based upon the microscopic observations alone, it would appear that the revolver in Item 7, the Charter Arms Corporation weapon, was probably responsible for firing the bullet in Item 11.

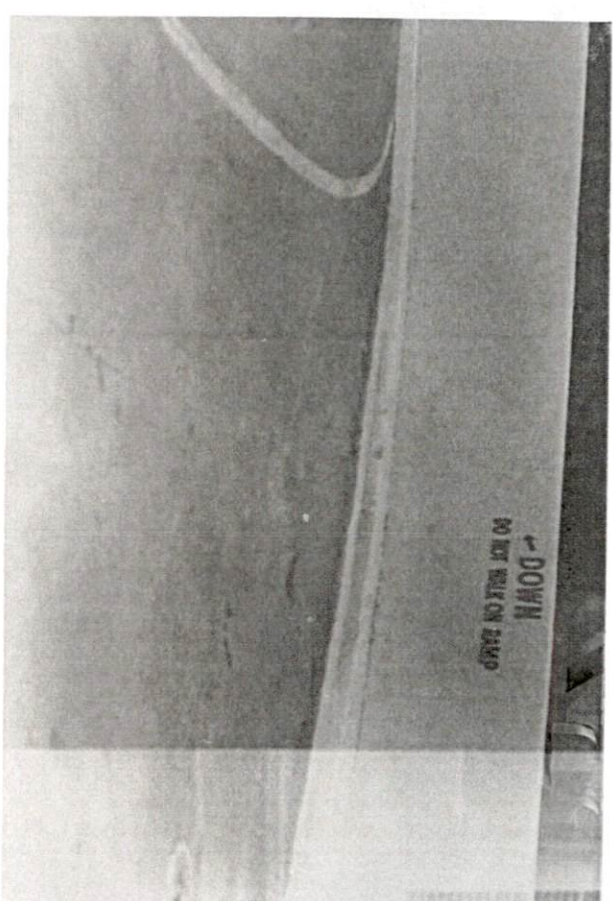

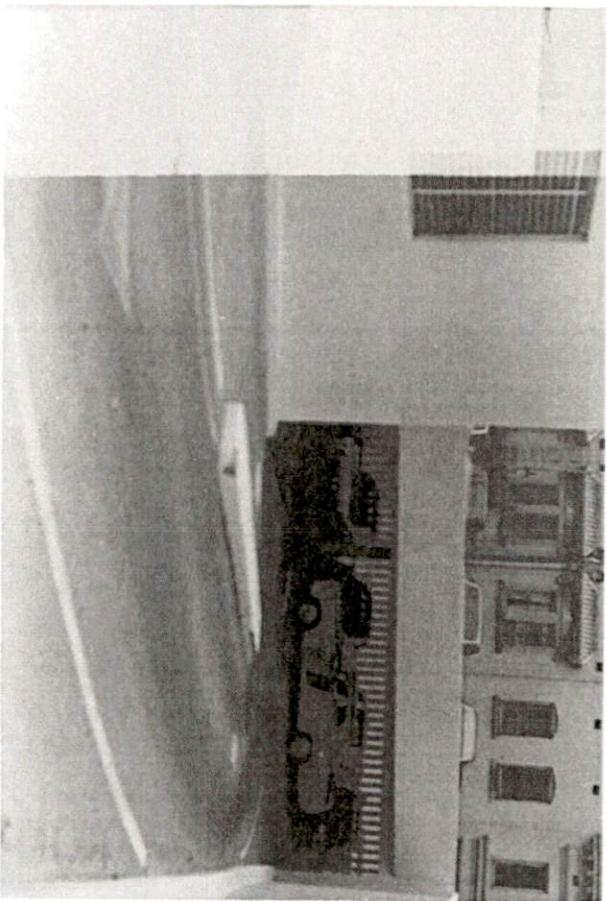

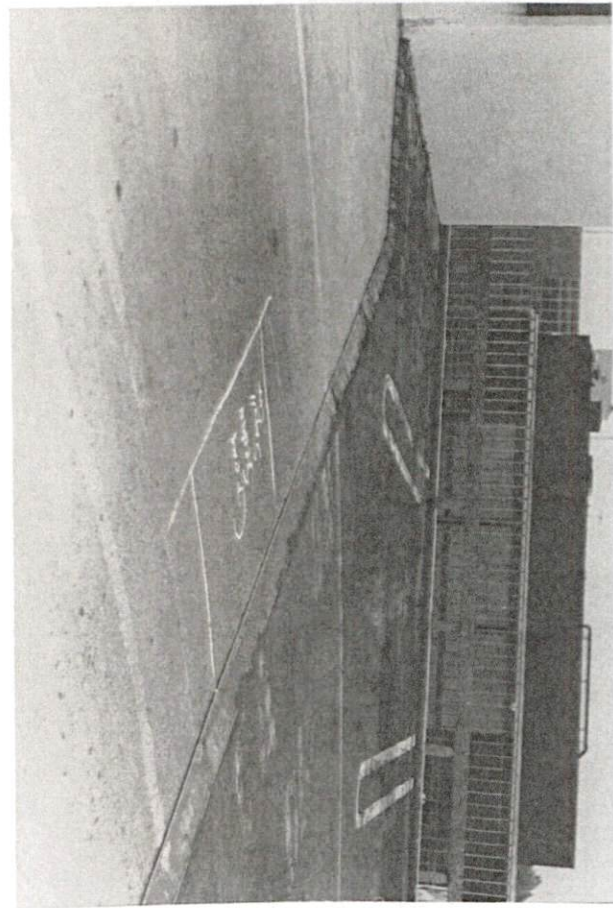

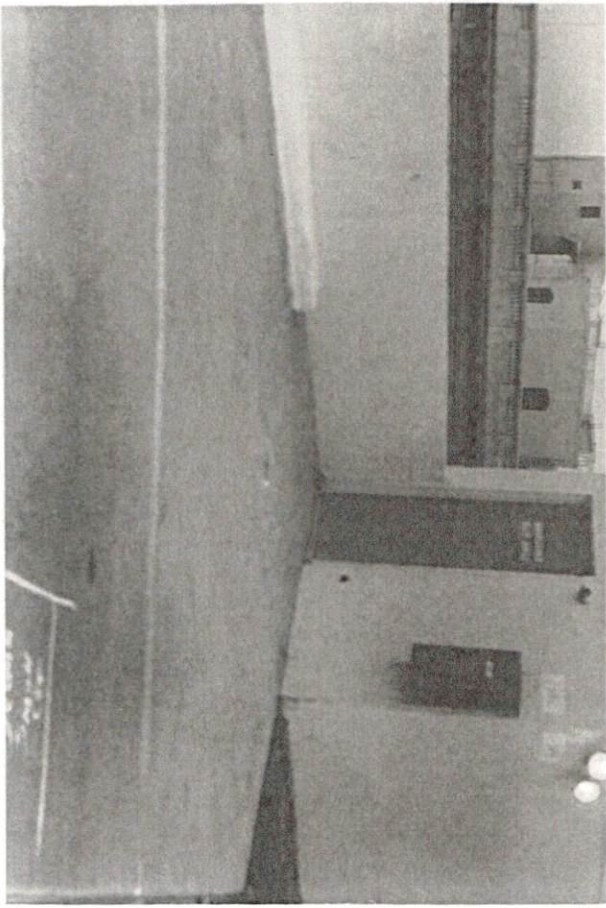

DISPOSITION OF THE EVIDENCE

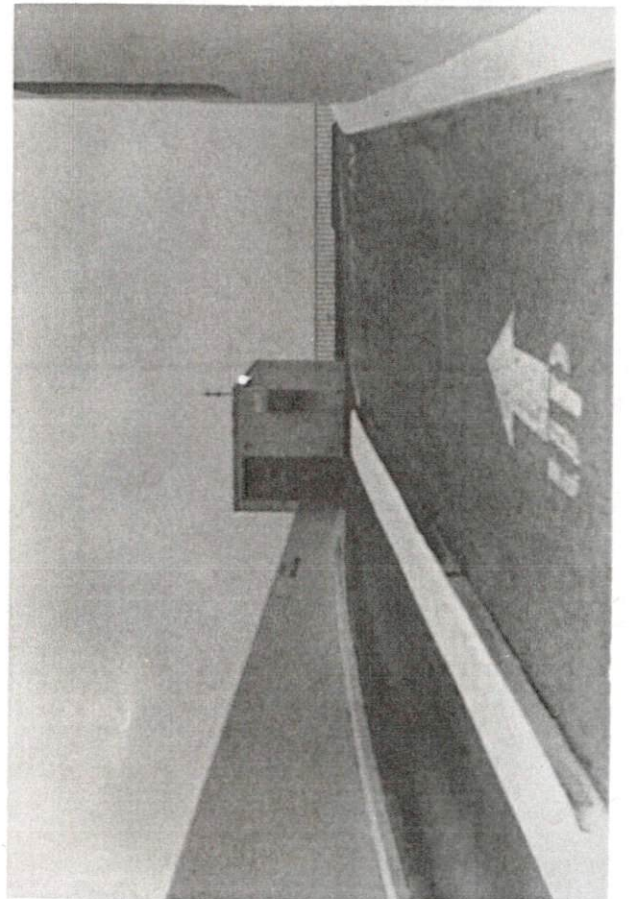

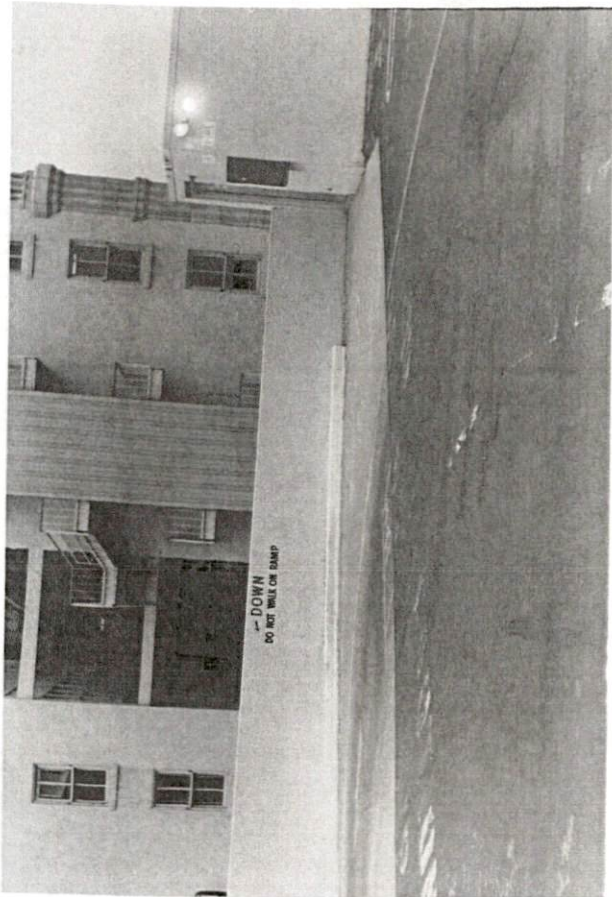

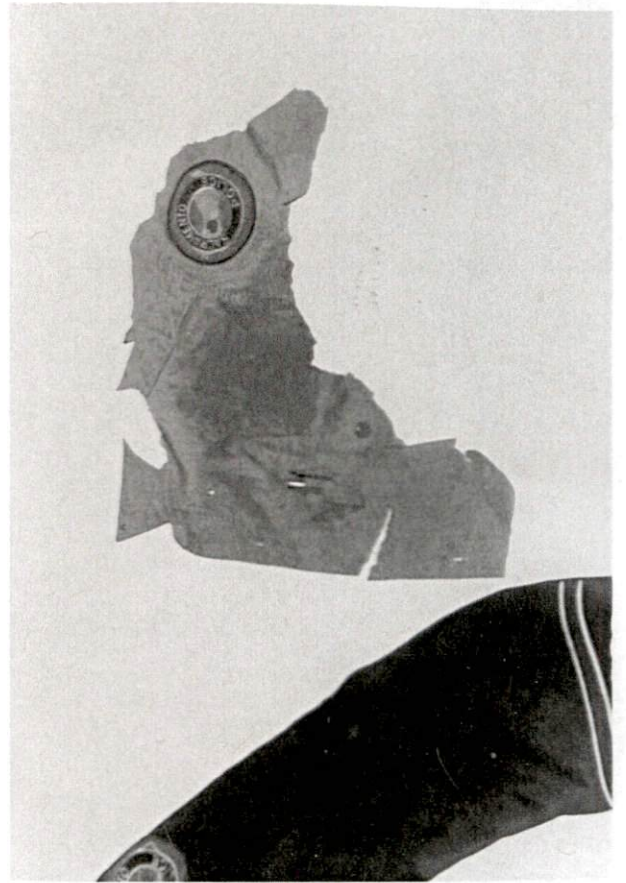

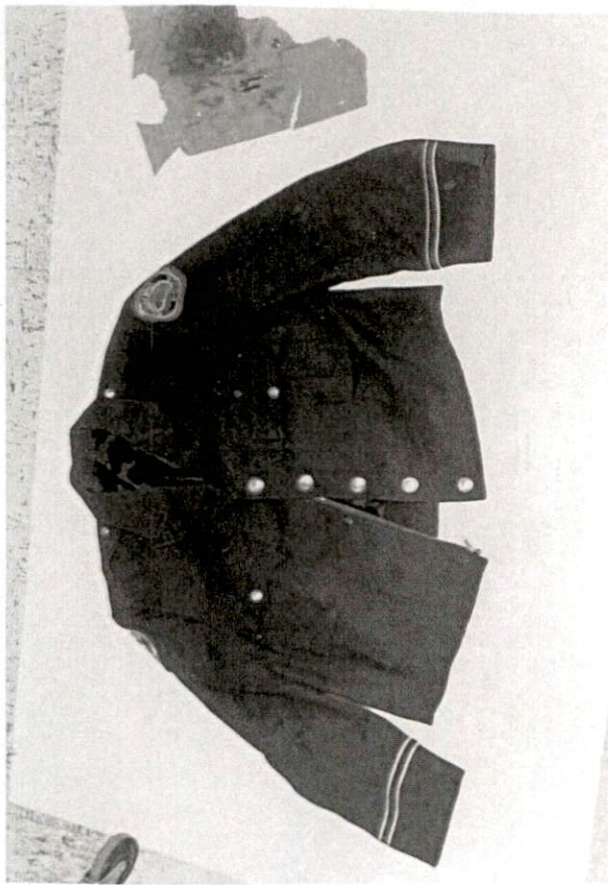

Items 7, 8, 9, and 10 were turned over to Officer Gregson on December 11, 1968, for transmittal to the Grand Jury hearing. On January 2, 1969, Items 7 and 8 were returned to the undersigned by Deputy District Attorney Joe Taylor. These items, along with Items 1 through 6, and 11, will be retained in the Crime Laboratory until called for by an agent from your office.

I was working the Patrol wagon and after responding to a drunk call at north 16th street, we were on the way back to town and heard the call put out to the bank.

We were on the way to cover the call . As we proceeded in we heard of the shooting.

I parked the wagon on 8th street and immediately went to the elevator and took it up to the 4th floor garage level. I went to where the officer(Mc Adams) was lying. There were Three Officers there Cooke, R.Reynolds, And Dixon.

We tried to make Mc Adams as comfortable as possible until the ambulance arrived and transported the officer to the hospital.

I stayed at the scene with officer J. Cooke. Lt Bruce Thayer asked us to protect the scene till the investigators and the B of I could get their work done. I remained at the scene until most of the work was completed .

We protected the area as best we could.

At approx 1202 hrs this date I received a radio call of possible sound of gunshots at the Bank of California, 8th and J Streets. At this time I was at the intersection of 7th and I Streets and proceeded immediately to the Bank of California, 8th and J Streets. I parked my motorcycle at the 8th and J Street entrance to the bank parking lot. I ran to the South end of the building and saw Officer Haligarda standing outside his squad car with the radio, and I could see he had a subject in the rear. I asked Haligarda at this time where Car 52 was at this time. He indicated the 4th floor. I started running up the inclined driveway and heard the sound of numerous shots, I can't recall how many. At the third level there was a citizen who shouted at me as I went past that he thought a policeman had been shot, laying up on the 4th floor. At this time I noticed a plain-clothes officer was traveling the same direction I was. I do not recall this officer's name. He signified with hand motions that he would take the East side of the building as we started up and I would remain on the West. Just before reaching the 4th level Officer Reynolds ran by, asking where the ambulance was. I shouted to him that we had called one before I started up. At the 4th level I noted two officers with Officer McAdams. He was laying in the East side of the 4th level. A shotgun and revolver were laying beside him. As I started back over to the West side to go to the roof area I noticed a tan Oldsmobile parked on the West side backed up against the wall with numerous bullet holds in the windshield and in the car itself. Just as I was starting up the incline to the roof area Officer Dixon ran down from the roof. He said something, I do not recall what it was. I could see a subject lying on the driveway, cuffed with his hands behind him. As I reached the roof area itself there was a blue Japanese car, either a Toyota or Corona, with a woman driver; there was three bullet holes in the car that I could see. I assumed that she was involved in it and I questioned her of this and she was very excited and kept trying to explain to me that one subject had jumped into her car and threatened her and told her to drive when the shooting started. At this time I noticed the subject that was handcuffed was in custody with two plain clothed officers. I ran back down to the 4th floor level to help McAdams as much as I could. The ambulance arrived and I assisted in placing him on the gurney. He had trouble breathing laying on his back so we had him lie on his left side. As they were loading him up Lt. Benton ordered me to go to the hospital with him and remain with him until relieved. As we proceeded out of the Bank of America parking lot I told the ambulance driver to contact his dispatcher and have them call Sutter General to notify them that we were coming with a gunshot police officer and to be ready. On arrival at the Sutter General Hospital we immediately wheeled Officer McAdams into the Emergency Room and were met there by the doctor. The doctor quickly examined Officer McAdams and ordered him taken to the 6th floor, Surgery. At the 6th floor we took him into the Intensive Care Unit where I helped remove Officer McAdams' clothes, uniform, and took immediate custody of everything which was removed from him. I remained on the 6th floor until ordered by Captain Hannigan to return to the station and to book the uniform and personal belongings on the third floor. I went directly to the Detective Division where I was instructed to make this supplemental

1300 11-14-68. [REDACTED] was interviewed by Sgt. Matranga in the Forgery Division. She states she had driven into the parking lot area over the Bank of California at 8th & J about 1150. She starts work at Hales, 9th & K, at noon on Thursdays. She drove to the 4th floor parking level looking for a parking space. She drove through the floor and not seeing any parking spaces decided to drive to the roof parking area. As she started driving towards the ramp she noticed a tall police officer walking through the parked cars being followed by a WMA citizen. She saw the officer walk over to a car parked on the 4th level which was backed into the parking stall and contained 2 men. She did not get a good look at the occupants of the car but as she drove passed it appeared that the officer was having a conversation with the passenger in the parked car. She states she then drove up to the roof and found a parking space. As she was parking she heard what sounded to her to be gun shots. She waited in her car a few minutes and heard more shots. When it appeared quiet, she got out of her car and had placed the key in the door lock and had just turned the lock when a WMA about 45 years, 5'-4", 135 ran up to her with a gun in his right hand. The suspect stated "get back in the car and get back in quick, lady". She unlocked the car door, got in and slid over to the passenger side. The suspect got behind the wheel and took her keys from her and told her to lock her door. The suspect backed out of the parking space and asked her how to get out of there. She pointed out the down ramp and he had started to drive down when she saw a police officer coming up the ramp on foot. The suspect stopped and pointed his gun at the officer and told him to stop. After a few seconds the officer started shooting at the car and both Mrs. [REDACTED] and the suspect ducked down. The suspect grabbed Mrs. [REDACTED] and seemed to be frightened. Mrs. [REDACTED] stated she opened the passenger's door and jumped out, pulling the suspect with her. They stood crouched beside the car. After the officer told the suspect to drop his gun the suspect put up his hands and threw the gun away. The officers then approached the car and handcuffed the suspect.

1300 11-14-68. Sgt. Matranga drove Mrs. [REDACTED] back to the parking lot where she pointed out the parked vehicle she saw the 2 occupants sitting in. It was a blue Chevrolet [REDACTED]

(Officers rc'd call at 1155 hrs on Nov. 14, 1968)

Officers received a call to the Bank of California Parking Lot at 8th & J Sts. regarding a forgery. An employee of Patterson's Men Store was supposedly following a suspect to this location.

While enroute to the scene a radio message was broadcast that unit #52 was at the scene and that officer Dixon was staying on the main floor while officer Mc Adams was going to the fourth floor via the evevator. Officers were responding from 6th & H St. Approaching the intersection of 7th & J Sts. they could hear gun shots. One at first followed by 3 more were heard as officers approached the scene.

On arriving at the scene Officer Schwartz who was a passanger alighted from the vehicle on J St prior to entering the parking structure. Officer Schwartz ran up the ramps of the parking structure after he was told by another officer that they needed help up above. Officers* Schwartz came upon other officers on the fourth floor at the ramp to the 5th floor or the roof. The other officers were Reynolds and Dixon and they were shouting to one of the suspects to release a hostage and give himself up. Officer Schwartz then ran to the stairs leading to the roof, ran up the stairs and came upon the susp. and hostage from the east on the roof just as the susp. released the hostage and gave himself up. Officer Schwartz covered the susp. as he was handcuffed and searched for weapons. Officers* Schwartz stayed with the susp. BODINE at the scene then transported the susp. to the 2nd floor of the police dept. Officer Schwartz stayed with susp. BODINE at the station until he was booked on the 3rd floor.

Officer Cooke drove the squad car on to the main floor of the parking lot parking at the ramp to the 2nd floor. Officer Cooke took the shot gun from the vehicle and asked Officer Haligarda who was guarding one of the susps. in another squad car where help was needed. Officer Cooke was told the fourth floor and took the evevator to the 4th floor. As Officer Cooke stepped off the elevator on the 4th floor he observed officers Reynolds and Dixon standing approx. 20' away on the edge of the ramp to the roof. Officer Reynolds stated that Officer McAdams had been shot, go help him, at which time he pointed to the eastern part of the building. Officer Cooke ran to assist officer McAdams who was found lying on his back with his service revolver in his right hand. McAdams had been shot in the left shoulder. A few moments later Officer Reyonlds called to Officer Cooke that he needed the shot gun as they had a susp. spotted on the roof. Officer Cooke ran over to Reynolds and Dixon with the shot gun and covered them as they were firing up the ramp (Con't)

toward a white vehicle which was parked at the top of the ramp. Officer Cooke then observed a woman rise up in the seat of the vehicle on the drivers side with the susp. seated on the passenger side of the vehicle. The 3 officers at the foot of the ramp ordered the susp. to get out of the vehicle and throw down his weapon, at least a half a dozen times. The susp. then stepped out of the vehicle pulling the woman with him using her as a shield moving toward the rear of the vehicle. The susp. had a revolver in his right hand and he stated something like "I'm uncocking it." The susp. was then ordered to drop the weapon and step away from the vehicle and woman. The susp. was told this 3 or 4 times. The susp. then started to walk toward the front of the vehicle and at the same time threw the weapon on the ground in sight of the officers. The susp. left the woman at the vehicle while he walked toward the officers around the front of the vehicle. Officer Cooke then approached the susp. with the other two officers and held the shot gun on the susp. while the susp. was handcuffed and searched by the other officers.

Officer Cooke then ran back to again assist Officer Mc Adams until the ambulance arrived. Officer Cooke then remained at the scene protecting the scene and assisting the Det. Div. during their investigation.

Officer Cooke booked Officer Mc Adams service revolver which he took from the officers right hand. The revolver contained 6 spent shells which were also marked and booked as evidence. The revolver described as 38 Cal. Smith & Wesson 4" barrel, white grips, Ser. # [REDACTED]. These items booked on rcpt. # E 42791.

At 1204 hrs, 11-14-68, I recieved a radio call to cover officers at the bank at 8th and J Streets. While enroute, radio advised that the sounds of gunshots were heard in the vicinity of 8th and J Streets.

At the scene, an unidentified officer advised me that one culprit was in custody and one culprit was at large. I went to the basement area of the bank building with one officer and we searched the area with negative results. I proceeded to the second floor and searched the area upwards to the fourth floor. On the fourth floor, I was advised by Lt. Soski that the second culprit was in custody and a transportation car was needed on the top floor of the bank building.

I went to the ground floor and drove Unit 1's patrol car to the top floor of the bank building. With Lt. Soski and Officer Schwartz, I placed the culprit in the back of the patrol car and drove him to the city police station. I was accompied in the car by Lt. Soski and Officer Schwartz. Upon arrival at the station, we took the culprit to the second floor, detective division, and placed him under guard in a interrogation room in the detective division. Officer Schwartz remained with the culprit as the guard.

After leaving the second floor, detective division, I drove back to the scene at 8th and J Streets andd a ssisted officers in the investigation.

The culprit I transported was known at the scene as Quinn Lee BODINE. He was later identified as Laurence Edward LOCKRIDGE.

This location is where the officer was found shot. Vehicale was a blue 2dr. Chevrolet lic. # [REDACTED]. The brass colored (COLE NATIONAL) (B*10) on the chain was tried on the locks (door and trunk) and opened both of these locks. The ignition was not tried at the time due to the fact that the inside of the vehicle had not been printed at the time.

There was also a set of MUSTANG keys and a set of regular keys on the rings so the undersigned continued through the lot and tried all of the Mustangs and the Fords with these keys, with negative results.

Keys were marked and booked on Evidence Receipt # E 42800 with the Jail Lt.

The below officer received call to cover at 8th and J Street on a Shooting. Upon arrival the below officer drove his motorcycle up the ramps to the 3rd floor, I dismounted at this location and ran to the up the ramp to the fourth floor to where McAdams was laying. Another officer was with him. I then went up the ramp to the 5th floor to to where a suspect was on the ground, I stayed with officer Dixon till another officer arrived. I then went back to the fourth floor to McADAMS to see how he was, and then ran back to the third floor to my motorcycle and called radio to hurry the ambulance. At this time the ambulance arrived which I met on the 1st floor. I led the ambulance to Officers McAdams location, we loaded McAdams on the ~~XXXXXXX~~ stretcher and into the Amb. I was then sent to the 1st floor on orders of Lt. Martin to seal off the ramp and let no one up the ramp.

While I was with the suspect on the 5th Floor, the suspect was asked by some officer if there was anyone else. The subject stated "There's one more and he's down stairs". This subject was later identified as BODINE, Quinn Lee with a true name of Laurence Edward Lockridge.

Reporting officer was at the intersection of 9th and H St. when the call was dispatched regarding the sound of possible gun shots coming from the Bank of California, 8th and J St. On my arrival I heard the sound of possible gun shots coming from the upper levels of the bank parking lot.

I entered the lower level of the parking structure and was informed by another officer that an officer had been shot and the possible culprit was still on the upper levels.

I preceded to the upper levels, by way of the car ramps, checking vehicles as I went. As I reached the 4th level I was met by Lt. Soski who led me to the veh. ramp leading from the 4th floor to the roof level. Lying on the floor at the bottom of the ramp was 9 spent casings some with brass and some with silver casings. I was assigned to guard the evidence by Lt. Soski until relieved.

While I was guarding the evidence I observed two pieces of an American Express Check lying beside the spent casings one piece sticking partly in the water drain grating. I protected this scene until relieved by Sgt. Engelbrite #51. I did not pick up or disturb any of the evidence lying there.

I also observed, while protecting the above items, a MWA dressed in a blue suit lying at the top of the ramp leading to the roof and being guarded by officer Schwartz #281.

This subject was later identified as BODINE, Quinn Lee whose real name was found to be LOCKRIDGE, Laurence Edward.

1500 11-14-68. Received orders to search the following vehicle and recover all expended shells possible.

██████████ Toyota 4 Dr Sedan White

Found the following holes in the vehicle that will be numbered for clarity.

- #1 One entry hole 2'9" from ground with the vehicle unloaded. 3½" forward of leading edge of front door on left hand side of vehicle. It appears that expended portion is still in metal body of vehicle. No exit observed.
- #2 One entry hole 2'9" from ground with the vehicle unloaded. 4" to the rear of the leading edge of the front door on the left side. The shell then exited the inside portion of the front left door but was not found inside the vehicle. It appears that it did not enter any other portion of the vehicle. Could have left vehicle on right side if door or window was open.
- #3 One entry hole 11" ^{to the rear} from leading edge of rear door left side 2'1" off the ground with the vehicle unloaded. Exit hole on inside of this door. This exit hole directly lines up with hole in back of rear seat on right side of vehicle. It appears that #3 bullet entered the rear seat (back) and then there was an exit hole from the right side of the back of the rear seat. There was then an entry hole at the metal portion of the interior right side of the vehicle at this point and an exit BULGE on the outside of the vehicle on the right side. This bulge was 3" to the rear of the right rear door and 2'4½" off the ground. The expended shell apparently was lodge in between two pieces of metal at that point. Unable to retrieve.
- #4 One entry hole in the ~~XXXXXXXXXXXX~~ ^{rear} horizontal seat cushion. This was 1' from the left edge of this cushion toward the front of it. This was a small hole and did not have an apparant entry hole into the vehicle. A small fragment of lead was found in the ~~XXXXXX~~ cushion underneath the top layer of material and foam rubber. It appears that this is a fragment only of entry bullet #3. Seat revealed no other damage or exit holes or other fragments.
- #5 One entry hole one INSIDE of vehicle on right side on roof side 1" back of leading edge of right rear door. This was 4'5½" from ground with vehicle unloaded. Exit hole was directly opposite this on outside of vehicle. It appears that this may have come from open window or door on left hand side of vehicle as no entry hole apparant. It may have been entry bullet #2 but from all appearances it was not.

No other apparant damage to vehicle located by this officer.

Fragment #4 will be booked evidence by this officer.

1330 11-14-68. Interviewed Mr.  who is the parking lot attendant that was on duty at the time of this offense. Interview took place in the officers police car parked on the eighth street side of the parking lot. Mr.  works the 0800 to 1730 hrs. shift.

 states that he was in his shack on the Merchant St. exit to the parking lot when he saw a man dressed in a gray or light charcoal colored top coat and wearing an olive colored snap brim, brim pulled down all the way around, hat come into the driveway and walk over toward the elevators. He stated that he did not know for sure but thought the man was either wearing a scarf or had his collar turned up. As the man reached the area of the elevators and the stairway,  noticed a police car drive into the driveway from 8th St. with a man in civilian clothes running alongside it and as they got to the area of the elevators he heard the man alongside the squad car say "where he gos" at this time the squad car stopped and both officers jumped out, one going to the elevator with the civilian and the other staying on the ground floor near the squad car. He did not know if the man with the top coat went up in the elevator or took the stairs but the officer and the civilian went up in the elevator.  states that he went over to the 1st St. emergency stairway and checked it and noticed that it was locked from the outside so that no one would be able to get out that door. He then told the officer about the door being locked and returned to his shack. He states that about two or three minutes later he heard what sounded like shots and the officer that was on the ground floor started up the ramp. Also about this time another squad car showed up and these officers went up the ramp. He states that about this time several other police in cars and on motorcycles began arriving, also someone hollered to him to call the police and he did. A short while later the officers that arrived in the second squad car came down the ramp and had the man that he first saw in custody and they placed him in the back seat of the squad car.

 stated that he thought he would be able to identify the man had stated that he would be available to view a line-up.

 was asked if there were any vehicles that came or left during the time that the above incident took place. He stated that there was a car leaving at the time the first squad drove in, but no one entered or left after that, to his knowledge.

Report No. 68-30614

Address _____

Received a call as we were between 9th and 10th on I Street of a suspect going up the elevator of the United California Bank parking lot. Unit 52 was with the person who had made complaint originally. Officer from Car 3 went 9th to 8th, K & J alley, West with the vehicle = upon entering the intersection of 8th and I Streets and the alley heard shooting on the upper floors of the parking lot. Officer Reynolds alighted from the car on the Main Floor parking lot and ran up the vehicle down-ramp toward the mezzanine floor. Shots were fired, I believe 4 shots, while I was running up the ramp to the mezzanine. When I arrived on the mezzanine floor a subject on the South end center aisle of the mezzanine floor jumped out from behind a pillar, a concrete pillar, and raised his hands and said "I give up". Officer Haligarda and Reynolds at that time were together. The subject had a gun in his right topcoat pocket, which Officer Reynolds removed and placed in his belt, cuffed the subject and placed him in custody. The subject was taken by Officer Haligarda and Officer Reynolds proceeded to run up the ramp to the 2nd floor and subsequently to the 3rd floor. While on 3rd floor heard additional shots being fired. When Officer Reynolds arrived on the 4th floor, stopped a vehicle and checked them out somewhat and released them to go down the ramp. The subject in this vehicle stated an officer was down on the other side of the 4th floor.

Officer Reynolds went over to Officer McAdams, who was on the pavement, removed the gun from his hand and placed it three or four feet away, rolled him onto his side. Then Officer Reynolds ran to the other side of the floor where Officer Dixon pointed to the upper floor indicating that one of the suspects was on the upper floor. Officer Cooke came onto the 4th floor at that time and I asked him to request again an ambulance, that one was needed, and then we proceeded up the ramp toward the roof, (Officers Dixon and Reynolds). A few steps up the ramp a small sportscar type of vehicle started parallel to the ramp to come down. As the car started down the ramp the subject driving reached out the window with a gun in his hand and stated "Stop you sons of bitches or I'll kill you".

Then Officers Dixon and Reynolds retreated behind a concrete abutment, alighting again to warn subject that we were going to shoot if he didn't give up and drop the gun. The subject continued threatening officers and pointing the gun and officers opened fire. Shots, an undetermined number, were fired. At this time a woman raised her head from the front seat. Officers again retreated. The suspect pulled the woman over in front of him as a shield. Officers retreated as the woman was struggling. The woman broke loose and started out the passenger side door on the far side away from officers. Officers again, both Dixon and Reynolds, opened fire, emptying our guns into the vehicle. Officer Cooke, who had a shotgun, was called over and he assisted in covering the subject. Subject got out the passenger side on the far side of the car, the North side, and with his gun up in the air, he was advised to throw the gun out and away. He refused several times, was warned again that if he didn't throw it out we would shoot, and he finally threw the gun out and at that time he was taken into custody. The gun from this subject on the roof and the

Officer Reynolds while running across the Mezzanine floor near the South end, a subject later identified as Roger Allen Lockridge ~~AKA~~ jumped from behind a concrete pillar and raised his hands in the air and said "I give up". Roger Lockridge was searched at this location and a 38 cal. Charter Arms revolver was taken from his right pocket of top coat. Revolver had 1 live shell and four expended casings in the cylinder.

Officer R. Reynolds then went to the assistance of Officer Mc Adams by running up the ramps from the Mezzanine to the fourth floor. Reynolds then hollered down to the ground for an ambulance for McAdams, and proceeded to assist officer Dixon who was pursuing a second subject up the ramp to the roof of parking lot. Subject was taken into custody on the roof and later identified as Quinn Lee Bodine AKA Laurence Edward Lockridge.

1155 11-14-68 Received a call by radio that Officers in Traffic Unit 52 were entering the parking lot of Bank of California, 8th & J Streets and suspects in a Forgery were being pursued to the upper floors of the parking lot by Officers McAdams and Dixon.

Officers R. Reynolds and Haligarda, covering the call, heard repeated gunfire on the upper floors of the parking lot and officers ran up the auto ramp to the mezzanine floor. On reaching the south side of the center aisle suspect jumped from behind a concrete pillar stating, "I give up." Suspect was later identified as Roger LOCKRIDGE.

A gun was taken from the right pocket of Lockridge's top coat by Reynolds. Suspect placed in custody and Officer Haligarda stayed with arrested.

Officer Reynolds proceeded up the auto ramp to the upper floors. Gun fire continued from the upper floors. Officer Reynolds stopped a vehicle coming down the auto ramp from the 4th Floor to the 3rd Floor. At that time subjects in vehicle stated an officer was lying on the pavement on the east side. Officer Reynolds released the vehicle and subjects and went to Officer McAdam's aid.

At this time Officer Dixon, who had been exchanging fire with Bodine Hollered for help stating suspect was on the top floor of the parking lot. Officers Reynolds and Dixon proceeded up the ramp, Bodine started down the ramp driving a small compact car. Bodine pointed his revolver at Officers stating, "Stop you soneof-a-bitches or I'll kill you." At this time officers opened fire at Bodine. Officers repeatedly warned subject that if he didn't throw his gun down and give up we would open fire again. At this time officers were aware of a woman passenger in the vehicle. Officers retreated for cover.

Officers observed Bodine using the woman as a shield and retreated again to cover, repeatedly warning suspect to give himself up. The woman passenger made a break for the passenger side of the car and broke away from subject. Officers again opened fire on subject. Bodine then got out of the car on the passenger side of the vehicle and after repeated warnings he threw the gun away as ordered. Subject was asked to walk towards officers and was subsequently arrested.

At approx 1155 hrs this date Officer McADAMS and myself were Northbound on 8th Street between J and K when we were hailed by a citizen who stated to us that a man had just passed a bum travelers check and that he had gone into the parking lot at the Bank of California. Officer McADAMS and myself proceeded into the parking lot, preceded by the citizen. We parked Unit 52 in front of the elevators, and at that time the citizen stated to us that the subject had gotten into the elevator and gone up. We alighted from the vehicle, Officer McADAMS went to the elevators and this officer broadcast over the air concerning a possible forgery suspect in the parking lot at 8th and J-John. Officer McADAMS and myself watched the elevator until it stopped on #4. Then Officer McADAMS, in the company of the citizen who made the complaint, got into the other elevator and started up. This officer remained on the ground floor to cover any possible exit by the possible suspect.

After approx. one minute to a minute and a half had passed this officer heard shots coming from the upper floors of the parking lot. I immediately went up the stairs, ran up to the 4th Floor, and as I opened the door leading from the stairwell into the parking lot area, I had gone approx. 15 to 20 feet into the parking lot area when I saw a subject standing at the corner by the ramp leading to the 5th Floor. At this time the subject fired one shot at me. He missed, and I laid down between two parked vehicles adjacent to me. As I hit the ground between the two cars I drew my weapon and crawled to the front of the car that was between myself and the subject. The subject fired another round toward me as I looked over the right front fender of the car and I returned his fire. He was standing around the corner of the rampway, periodically looking around, attempting to draw a bead on me. As he looked around the corner once again he fired another shot, this one I could see went through the back window of the car I was hiding behind. I returned his fire, I moved to my left approx. 3 feet and fired another round. There were no more rounds fired at that time. The subject did not again stick his head around the corner of the building. At that time I moved around a cement post and behind the vehicle parked immediately to the left of the one I had been behind, in an attempt to see if I could see the suspect. At that time I heard someone running, looked behind me and saw Officer Reynolds running in my direction. I yelled to Officer Reynolds that the suspect had apparently gone onto the roof. At that time he ran over to the side of the building and yelled to someone below to get an ambulance, and returned to me. We started up the ramp to the 5th floor, the roof area, with Officer Reynolds to my left. As we started up the ramp I was looking behind me and up, attempting to cover our back, and at that time Officer Reynolds yelled at that the suspect was in a car and was coming down. We retreated to the bottom of the ramp and yelled to the suspect to surrender himself and that if he didn't we would shoot. The suspect laid a gun over the side of the car and yelled "Stop you sons of bitches, if you don't I'll kill you". At this time I opened fire on the vehicle. There was no answering fire from the vehicle. As I recall it was at this time that Officer Cooke arrived with a shotgun. The subject was once again ordered to surrender

himself. At this time I recall him saying that he had a woman in the car with him. He was once again ordered to surrender, at which time the woman was seen to get out of the right hand side of the car, after her head had appeared above the door, with the subject getting out of the car behind her. He pulled the woman over in front of him, as if to use her for a shield. Once again the subject was advised to surrender himself, to throw his gun away. At this time the woman appeared to break away. As she moved away from the car to our right, which would be to the subject's left, the firing re-commenced. At this time I fired no rounds, as I was reloading my own weapon. At that time the subject was once again advised to surrender himself, to throw his gun away. He placed his hands over his head, the gun still in his right hand, and stood up behind the car. He was told to throw the gun away. The subject asked "What do you want me to do with the gun" or something to this effect. I told him to throw the gun into the corner. The subject threw the gun away to his right, toward the Northwest corner of the building by the fire exit, where it lay.

Officers Reynolds, Cooke and myself advanced to the subject, had him move away from the car and down the ramp approx. 10 to 15 feet towards us. At this time the subject was placed against the wall of the building, was searched by Officer Reynolds and myself, and was handcuffed.

The gun the subject had had in his possession was taken into custody by Officer Reynolds. The subject was subsequently placed under arrest and was ordered to lie on his back, where he lay at the time, and to remain still. At this time Officer Dixon, myself, went over to talk to the woman to see if she was okay. She stated that she was and I returned to the subject who at this time was being covered by Officer Schwartz. I asked Officer Schwartz if he would stand by and watch the prisoner for me while I went back down to check on the welfare of Officer McAdams.

Out of sequence note:

The subject that shot at me and the subject that was in the car on the roof of the parking lot with the hostage are one and the same. The subject was later identified as ~~MR~~ BODINE, Quin Lee with an AKA of LOCKRIDGE, Lawrence Edward.

1350 11-14-68. Contacted Mrs.  in her place of business, Rossi Florist 726 Merchant St. 448-8244 and recieved the following information from her. She stated that she was in her shop when she heard what sounded like shots to her. She states that she walked to the front window of her shop and noticed several people standing on the sidewalk in front of her shop and looking over toward the parking lot. She states that she looked out toward the parking lot of the Bank of California building and on the Mezzanine floor overlooking Merchant Street she saw a man standing at the rail with a camera hung around his neck. She stated that he appeared to be a newspaper reporter type. On the second floor she saw a man dressed in a reddish brown suit, about in the middle of the building, with his arm sticking through the metal slat type wall and he was pointing his finger and waving his arm. She states that he also appeared to be excited and hollering something, at someone on Merchant St. He also had black hair and was a white man. She also noticed a uniformed police officer on the same floor, about three or four cars away, toward 8th St. and the officer seemed like he was trying to get over or around the cars to where the man in the brown suit was at. They both then disappeared and she did not see them any more. Doubts that she would be able to identify the man in the brownish suit. She did not recall if anymore shots were fired after the first ones she heard.

Re: LOCKRIDGE, Roger Allen

1640 11-14-68. Sgts. Harrington and Zine contacted Lockridge in the City Jail. He was taken to the Attorneys Room, for the purpose of being interviewed, regarding his participation in this offense.

Lockridge was advised of his rights as per Miranda, by reading the Waiver of rights form. Lockridge said he understood his rights and refused to sign the waiver, or talk with officer concerning this matter.

1648 11-14-68. Lockridge was advised a lineup was to be held in which he would participate. He was advised of his rights to the presents of counsel during the lineup, by reading the Lineup Waiver form. Lockridge refused to sign the waiver and told officers he would not stand in a lineup.

Lockridge was informed the Public Defenders Officer would be contacted and arrangement made to have counsel present during the lineup to represent him. Lockridge then told officer he was not going to stand in and lineup, and officers would have to carry him.

1640 11-14-68 Recieved word from Sgt. Harrington and Zine that subjects Lockridge and Bodine had both refused to sign lineup Waiver form and that Lockridge had in fact stated that if there was a lineup he would have to be carried into the lineup.

1650 11-14-68 Called Supervising Deputy D.A. Ed Garcia and advised ~~of~~ him of the above. He advised to call in the Public Defender and let him talk to subjects and then see how they felt about the lineup after the Public Defender talked to them.

1705 11-14-68 Called Public Defender Rodney F. Nelson, he stated he would be right down.

1900 11-14-68 Public Defender Nelson stated that both of the subjects Lockridge and Bodine advised him that they would not resist but would have to be carried into a lineup and would not stand up in the lineup but would lay down.

1927 11-14-68 Sgt. Harrington and Zine along with Public Defender Nelson again asked ^{not} the two subjects about a lineup and they both indicated that they would cooperate in a lineup.

1935 11-14-68 COD Kinney had phone converstation with Chief Deputy D.A. Puglia about the above evants and Puglia suggested that no lineup be held tonight.

[REDACTED]

1230 11-14-68. [REDACTED] at his place of business, 901-K Street. He stated that about 1030 this date, a WMA about 40 years, 5'-5", 145, wearing small felt hat and top coat, came into the store. He mentioned he was in town with a convention and that the hotel where he was staying had lost his clothing and he needed a few items. The suspect bought a pair of shorts and socks and then presented an American Express Travelers check to pay for the purchase. The purchase was about \$2.63, the travelers check was for \$20. [REDACTED] stated he saw the suspect sign the money order which he accepted, and gave the suspect the change. About 30 minutes later a passerby came into the store with the bag containing the shorts which he had sold the suspect. He also had a second bag with Mathews Clothing printed on it, which the suspect had with him when he came into [REDACTED] store. The passerby stated he had found the 2 bags on the sidewalk in front of Harts old restaurant. [REDACTED] then called the Sacramento Police Forgery Detail seeking information about the travelers check. A phone call to America Express Company revealed that the money order was one taken in a hold up in Santa Clara. Apparently several thousand dollars in the checks were taken at that time. This information was given to [REDACTED]

[REDACTED] states he had just hung up the phone after talking to the officers when he saw the suspect walk by the front of the store and turn north on 9th Street toward J. [REDACTED] told his wife to call the police and he started to follow the suspect. He walked to the alley on 9th between J and K, then jaywalked west across 9th street, through the alley to 8th Street, then west across 8th street at the alley to the parking area at the Bank of California and saw him get into the elevator. At This time [REDACTED] saw a police car drive by and hailed it. He told the officers that a forgery suspect had just gone up in the elevator. One of the officers asked [REDACTED] to accompany him and they got into the elevator and took it to the 4th floor. They got out and looked around for the suspect. [REDACTED] stated he saw the man who gave him the travelers check sitting on the passenger side of a parked vehicle, and pointed him out to the officer. A second man was sitting on the drivers side. The officer approached the car on the passenger side and asked the suspect to step out. [REDACTED] stated he stood back about 10 feet. The officer did not have his gun drawn. As the suspect stepped out of the car, on the passenger side, he drew a gun and fired. [REDACTED] states he turned and ran down the stairs. He did not see the officer get hit. [REDACTED] ran down the stairs to the street floor but found the door out of the stair case locked. He then ran back up the stairs to the second floor where he ran over to the ramp and went out that way.

1120 11-15-68. Contacted Roger A. Lockridge in holding cell #2 on the Jail Floor of the Hall of Justice and after identifying myself to him asked him if he still did not wish to stand in a line-up. He stated that he did not wish to stand in a line-up, but if the officers made him stand in the line-up he would not fight them, but they would have to carry him to the line-up. He was then advised that under the law he could be required to stand in the line-up and he stated that he understood this and would not fight it, but again stated that he would have to be carried.

He was then advised that he was entitled to 2 phone calls if he so desired them and that in the event that he made one of these calls to his Attorney to advise the attorney of the situation of the line-up and also that in the event his attorney wished so, the Sacramento County Public Defenders Office was willing to have one of their attorneys stand in for him. Lockridge stated that he did not have any money and was not planing on calling his attorney. Lockridge also advised the undersigned that he all ready had made one phone call last night.

1125 11-15-68. Contacted Quinn Lee Bodine in holding cell #4 on the Jail Floor of the Hall of Justice and after identifying myself to him asked him if he had changed his mind about standing in a line-up. He stated that he had not changed his mind. It was also explained to him that by law he can be compeled to stand in a line-up and that he had the right to have an attorney of his own choosing in attendance at the time. He stated that this has been explained to him several times and he has discussed this with his attorney and (at this time he did not mention any name, but noded his head toward the cell in which Lockridge is being held) the undersigned asked him if he meant Lockridge and he shook his head in the affermative. Bodine was then asked if he intended to contact his own attorney and he stated that he did if Lockridge had not all ready called. He was at this time advised that Lockridge had made one call to Glendale Calif. but it was not know to whom the call was made. Bodine then stated that he must have called his wife (meaning Lockridge) but was wondering if Lockridge had informed her to call the attorney. I told him that we did not know either, as we do not listen to the phone calls.

Bodine was then advised that in the event he decided to make a call to the attorney for him to advise that attorney of the line-up situation and that if his attorney so desired the Sacramento County Public Defenders office would have one of their attorneys stand in for him at the line-up and also advise him of his rights in the matter. He stated that he would do this.

RE: [REDACTED]

1435 11/15/68. [REDACTED] stated that as he was approaching the suspect vehicle from the rear the suspect on the drivers side of the car was the one who pulled out a gun and fired at Officer MC ADAMS. This would be the man to [REDACTED] left as he approached the car.

[REDACTED] explained that at the time of his original statement to Sgt. MATRANGA, He had forgotten that the car was backed into the stall. In the excitement of the moment he reasoned that the assaulting suspect was on the passenger side of the car. During the time that expired between his original interview and his interview by this officer, he remembered that the car was backed into the stall and therefore it was the man on the drivers side of the car who he saw fire a shot at Officer MC ADAMS.

At the time of the interview of Mr. [REDACTED] by this Officer, he had not read Sgt. MATRANGA'S report and therefore did not realize the significance of Mr. [REDACTED] remark about the car being backed into the stall.

This report for clarification.

Mr. [REDACTED] further added that when he finally made it to the ground level of the parking lot, he drove one of the squad cars across the ramp in such a way as to block the suspect's escape.

RE: MC ADAMS, Walter
Sacramento Police Officer

1005 11/16/68. Arrived at Sutter General Hospital at 28th & L Sts. Had been informed that the Doctor of Officer Mc ADAMS would permit a short preliminary interview. Contacted MC ADAMS in the intensive care unit, Room 641, of the hospital.

Officer MC ADAMS was alert and conscious of everything that was going on about him. He immediately greeted R/O by name. He was told that this would be a short interview due to his Doctor's orders. That the purpose of the interview was just to get the major facts. The details can be gathered later after his condition has improved. He agreed to this and seemed anxious to relate what he knew.

He was asked to begin at the point where he arrived on the fourth level of the parking lot at 8th and Merchant St. with Mr. [REDACTED] MC ADAMS stated that when he and Mr. [REDACTED] got off the elevator, [REDACTED] followed close behind him and to his right.

[REDACTED] pointed out the suspect vehicle and the two suspects sitting in it. The vehicle was backed into the stall and the engine was running. MC ADAMS felt that if the car got started he would have no way to arrest the suspects so he approached the vehicle. [REDACTED] was still behind him and to his right.

As Officer MC ADAMS approached the car from the rear, he ordered the two men to get out of the car. At this time MC ADAMS was behind the right door of the suspect vehicle. The suspect on the right side of the vehicle got out immediately and MC ADAMS' attention was directed to him.

About the same time, the second suspect, the one on the driver's side of the car got out fast. When MC ADAMS saw this second suspect he saw that he had a gun and was going to shoot him. MC ADAMS said that he and the suspect fired at each other at about the same time. There is no doubt in his mind that the suspect was trying to kill him. Both he and the suspect missed their first shots. The suspect that had been on the passenger side of the car began to run away. MC ADAMS never saw this man with a gun.

The suspect that had been on the driver's side of the car fired again and it was this second shot that struck Officer MC ADAMS. The Officer stated that the bullet did not bother him too much at first, but as the seconds passed he could feel himself getting weaker and feeling that he could not do anything about it.

He returned the suspect's second shot with one of his own through both windows of the car. The suspect ran behind a post and MC ADAMS fired at him again. He felt that this was his third shot.

First statement of Officer MC ADAMS, continued.

MC ADAMS went down between cars and continued firing at the suspect as long as he could see him. After the two suspects were completely out of his sight, he could still hear other shots being fired. He assumed that this was other Officers that had arrived, but he was not sure.

He lost sight of the suspect who had been in the passenger side of the vehicle just about the time he was shot and did not see him again.

He couldnot give a description of the suspects other than that they were about the same stature and were wearing sport clothes. Officer MC ADAMS feels that he will not be able to identify the suspects, but is willing to try.

Interview was concluded at this point to be expanded later when the condition of the Officer improves.

Address _____Re: Dr. [REDACTED]
Attending surgeon.

1010 11/17/68. Contacted Dr. [REDACTED] by Telephone. He related the following regarding Officer MC ADAMS' injury and the path of the bullet.

The bullet entered the left upper anterior chest about three inches above and two inches to the left of the left nipple. It penetrated and fractured the second rib. Bullet coursed downward and backward through the substance of the lung. It exited the chest area through the 11th rib posteriorly. The bullet is now lying under the skin four inches to the left of the third lumbar vertebrae. The path of the bullet was almost a perfect straight line. It did not deviate much from the fracturing of the two ribs. Ribs are shattered only locally near the path of the bullet.

The bullet will be removed later, but before Officer MC ADAMS leaves the hospital. Dr. [REDACTED] will call the Detective Division so that an officer may be present at the time of the removal. Bullet will be removed after a local anesthetic has been applied. This removal will be minor surgery.

Major health problem at the present is the Officer's lung. No surgery is planned immediately to the lung though some may be necessary later. The only "surgery" that has been done so far is a thoracostomy. This was a two inch incision to place a tube into the lung so that it could be drained of blood and air and then re-inflated.

1251 11/20/68. Arrived at the office of the Property Clerk. Checked out the ten mug shots booked as evidence on E-42976 on 11/16/68.

1325 11/20/68. Arrived on the sixth floor of Sutter General Hospital and contacted Officer MCADAMS. He stated he had not seen the pictures of the suspects either in the newspaper or on television. He was shown the same group of photos in the same order as the other witnesses.

MC ADAMS picked photo number 1 as looking like the man who shot him. He stated that he was not sure that it was the same man, but that he had the right eyes and facial features. Photo is spd # S-[REDACTED].

He picked photos 6 & 7 as looking like the passenger, he specifically recalled the wavy hair. He did not make a positive identification and thought that either of the two pictures "could be the passenger." These two photos are SPD # S-[REDACTED] and S-[REDACTED] (Laurence LOCKRIDGE.)

Officer MC ADAMS was then asked to sign the three mugs he selected as look-alikes and initial the rest.

He then asked if he was close on the identification or had picked the rights mug shots. The two correct photos were pointed out to him.

1412 11/20/68. Returned the ten mug shots to the property clerk.

STATEMENT OF: OFFICER MC ADAMS #167

The date today is the 21st of November 1968, Sutter Hospital. This is a report of what I can recall of last Thursday.

Dixon & I, we were working Car #52, we were north bound, coming up H St. toward J. We just crossed Merchant St., when we looked over to the right & a man, later identified as Mr. [REDACTED], had ran into the street, motioning for us to stop, as he wanted us. He came over to the left side of the driver's side, where I was, & he said that he had been following a guy, who had tried to pass a phony check on him & that he ran into the parking lot. So we drove left, right into the parking lot, with Mr. [REDACTED] running & trotting along side of us, & we drove right up to the elevators of the parking lot on 1014 8th, by the Bank bldg. there. At this time we did not hear if it had already been put out, or, this is my part, now whether Dixon did, I don't know. I didn't know this or was aware that there was a call, had been made by [REDACTED] to the station about this guy, & that Car #3 Reynolds & Haligarde were already on their way, apparently to the [REDACTED] store.

[REDACTED] led me to believe & led Dixon to believe that there was one guy doing this, & so when we got to the elevators, there was only one light lit & it was on the 4th floor, so Dixon & I, we both kind of agreed, simultaneously, I would go to the elevator doors, he was on the right side, so he covered the exit, & I would take [REDACTED] upstairs on the elevator with me to go up & cover that way, & Dixon would prevent the guy from coming down the ramps. It would look pretty silly for all of us to be up there & the car is gone.

We got off the elevator & person on the elevator, as you get off the elevator up there on the 4th floor, you are now walking in an easternly direction. As you get off, you walk into [REDACTED], toward 2 parked lines of cars, One line is parked west ward toward you & back of them facing an easternly direction or east bound car is parked. [REDACTED] & I, we looked, & I looked around & he looked around & he looked around & stated, there he is. It was almost in front of us, it was in the central isle, the car was parked facing east. I walked rapidly over there toward the car, I was aware that Mr. [REDACTED] was behind me. I looked & when I got to, in between these parked cars, I was surprised, at that time I looked & saw this car had 2 men in it. It was a green car, that's the only thing I can describe of it, I can't say what model make or anything. It was green, it was clean, I know there was nothing unusual about it & the motor was running. Well, I had seen this, I made more or less of a lunge to the back, down between the left & the right hand side of this car, & the car that was parked to the immediate right to gain some type of advantage point on the right rear side. It was at that time, I felt that maybe I was in a position, I shouldn't be in. I told the man, I had my hand on my gun, I didn't have it out. I bent over, I'm standing in the area of the right rear wheel well & I leaned over, I told this guy in the right side, "alright shut the car off, & get out, I want you guys out, this

man has something to talke to you about checks". I think the man on the right side, the passenger side, said something okay, I'm not sure about that, but it seemed to me that he did, said "okay", he made a couple of motions with his hands, as if to set himself to get up & to get out. And at that time, I backed off a little, I looked over to the left, as his driver was getting out & kind of side stepping to his right, or toward the rear of the car, his hand hitting his left breast pocket of his coat in the area in where you'd commonaly hold a shoulder holster, I got just a quick glimpse of his face, I couldn't recognize, because I was looking more intently then at his hand, & I knew, then, that I'd better duck & get my gun out & start going, because I felt the man was going to shoot me. Altho' at that time I didn't even see the gun, hadn't come out all the way yet. Then this man on the right, was getting out & he lunged by me, to my right side, I don't believe he even touched me & he ran, giving me the impression that maybe he didn't want to get involved in a Cop killing, but at any rate, I looked at this man, & he fired at me, I was bent way over, trying to get a little cover from the fender & the trunk, & then I fired at him, about the same time I believe. Then I think the man was going to try & go westward, in the direction to where his brother, this other man had went, & he didn't have a chance, because everytime he popped his head out, I'd shoot at him & then he'd shoot at me, & I'd have to duck & he'd shoot at me again, after that I'd shoot at him. I shot thru the windows, the closed rolled up windows, trying to get one to go thru the car & that way & get him, that didn't work. Both of us seemed to work toward the front of the car, I could see then that he was trying to break away from this thing, & break it off & run, which I guess would be north bound toward the cement wall there, but therewas another parked car between him & this cement wall, so he ran around in front of it I think then is when I fired my last few shots, which were one or two, I can't recall. During this time as far as idenity, as far as I can say, it can't be reliable, I believe I was hit with the first shot, & I say I believe it, because I really don't even know it, & what I did following that, in missing him & really not being to clear about the whole thing after that, I can only assume that I must have bean in some kind of a shock.

The guy was small, he was a little guy, he was a white man, caucasian, seemed to me to be clean cut & have nice clothes on. His passenger would fit just about the same. They had wavy, curly hair, they were well groomed, but other then that, I'd say maybe 5'9", I'm 6'3", so maybe 5'9 is bigger then what they were, I don't know. When John & Taylor were out here, they boiled the whole thing down. Finally they came out here & told me who they were and so forth & so on, but this was after I picked out the passenger mug, but I faile on the driver mug. I say 5'9, but they say 5'6 or 5'7. There was a lot of crouching & shooting, but to me they were little guys.

Refer arrest of Guinn Lee
Bodine and Roger Allen Lockridge
Date of arrest Nov. 14, 1968.

Dear Chief Rooney:

Our New York Office has asked for a list of the American Express travelers cheques numbers that were recovered with the arrest of the two suspects, Bodine and Lockridge.

There was \$24,440.00 worth of American Express travelers cheques stolen in the robbery of the Citizens Federal Savings and Loan Association in Santa Clara, California on July 19, 1968. They were numbered as follows:

Ten dollar denominations
Twenty " "
Ten " "
Twenty " "
Fifty " "

Many of these travelers cheques have been passed throughout the country, but there are a great many still unaccounted for.

Please be assured of our cooperation and assistance in all matters concerning the American Express Company.

PHYSICAL EVIDENCE EXAMINATION REPORT

On April 3, 1969, the undersigned met with Officer Dixon on the fourth floor of the parking lot at 8th and J Streets in Sacramento and removed the following evidence from a mark on the ramp:

- 13. Paint with transfer on surface
- 14. Paint, near area of transfer

On April 7, 1969, the undersigned again met with Officer Dixon on the fourth floor of this same parking lot and the following evidence was removed from a mark on the ceiling in front of the elevator:

- 15. Paint with transfer on surface

RESULTS AND CONCLUSIONS

On April 3, 1969, at the time of the field investigation on the fourth floor of the parking lot at 8th and J Streets, a gray stain was pointed out on the up-ramp to the roof. After the stain was photographed by Identification Officer Tucker, the material was removed, along with a control sample of paint. Chemical tests and microscopic examination showed a metal present in the stained area that was predominantly lead. From this observation, the stain could have originated from the lead bullet. The direction of movement appeared to be up the ramp.

On April 7, 1969, on the fourth floor of the 8th and J Streets' parking lot, the undersigned examined marks on the ceiling near the elevators. This ceiling had exposed concrete beams that made a honeycomb type pattern. The distance from the floor to the bottom of the beams is approximately 8 feet.

On the third beam from the stair door, a mark was observed that had the appearance of a bullet impact area. Microscopic examination of the debris in this mark showed metallic particles present.

Noted in I.D. Section

Handwritten signature/initials

RESULTS AND CONCLUSIONS (Continued)

The beam on the opposite side of that particular portion of the ceiling where this mark was located did not have any strafe marks, such is present when a bullet had been in contact with it. Since the bullet impact location was approximately 6 inches up from the bottom of the beam that it had struck, it would indicate that the bullet was rising at the time it entered this portion of the ceiling. Sighting along the angle formed by the beam in front of the impact area and the impact area, an angle was drawn that intersected the floor 42 feet away. This would be the maximum angle of trajectory of a bullet striking this ceiling in the manner that was found.

Officer Dixon indicated his approximate position at the time the subject discharged his weapon and this was located 6½ feet in front of the bullet. He indicated that the suspect was firing from a point 17½ feet in front of the impact area, or 11 feet in front of the officer. At this position, the maximum height the weapon could have been held above the floor was 5 feet.

Based upon the officer's height of 6 feet 2 inches, it was determined that if he had been standing upright and the bullet had passed him at its maximum height, it would have traveled within 11 inches of his head. Two other bullet marks were found in an area above where a car that was struck had been parked. These did not appear to have originated from a single bullet, based upon the angle of the marks.

DISPOSITION OF THE EVIDENCE

The above exhibits will be temporarily retained in the Crime Laboratory until called for by an agent from your office.

PHYSICAL EVIDENCE EXAMINATION REPORT

On November 15, 1968, at 9:50 A.M., the following evidence was received from Sgt. Zine, in person, for examination:

12. Test patterns of powder residue

RESULTS AND CONCLUSIONS

The Charter Arms weapon (Item 7) previously received on this case, was test fired into white cloth using ammunition similar to that which struck Victim McAdams.

At two feet, a small amount of powder penetrated the cloth sufficiently that it would probably have been found on the victim's clothing if the weapon had been fired this close.

At three feet, there was less powder adhering to the cloth and it was on the surface, therefore, allowing it to be easily brushed off. Probably little, if any, powder would have been found on the victim's clothing if it had been fired this close. Therefore, based upon the above, it was found that the weapon was held three feet or further when it was discharged since no powder was found on the victim's clothing.

DISPOSITION OF THE EVIDENCE

The above exhibits will be temporarily retained in the Crime Laboratory until called for by an agent from your office.

PHYSICAL EVIDENCE EXAMINATION REPORT

On November 15, 1968, at 9:50 A.M., the following evidence was received from Sgt. Zine in Mail Tubes 1605, 1623, 1632, and 1638:

1. Blood sample from Quinn Lee Bodine (MT 1605)
2. Urine sample from Quinn Lee Bodine (MT 1623)
3. Blood sample from Roger Allen Lockridge (MT 1632)
4. Urine sample from Roger Allen Lockridge (MT 1638)

On November 15, 1968, at 2:00 P.M., the following evidence was received from Detective Eli Viegas, in person, for examination:

5. Jacket of Officer McAdams
6. Portion of shirt of Officer McAdams

On November 20, 1968, at 1:12 P.M., the following evidence was received from Sgts. Taylor and Deveny, in person:

7. Revolver, .38 Special, Charter Arms Corporation, Serial No. [REDACTED]
8. Revolver, .38 Special, Smith & Wesson, Serial No. [REDACTED]
9. Automatic, .32 caliber, Colt with holster, no clip, S/N [REDACTED]
10. Pistol, .22 caliber, German Manufacture, Burgo, Serial No. [REDACTED]
11. Bullet removed from Officer McAdams

RESULTS AND CONCLUSIONS

The blood sample from Subject Bodine, Item 1, was examined for alcohol. None was detected. The urine sample from this subject was examined for drugs, but none were detected.

*Noted
File
3/6/69
Sgt. Deveny*

RESULTS AND CONCLUSIONS (Continued)

No alcohol was found in the sample from Subject Lockridge, nor drugs in the urine sample, Item 4.

The jacket of Officer McAdams, Item 5, was examined for powder particles in the area of a hole that appeared to be a bullet entrance hole. This hole was located on the left front near the area of the badge. No powder particles were found. In addition to the visual examination, an x-ray examination was made and no powder particles were detected.

Another area of damage to the jacket was noted on the back of the elbow on the right sleeve. There were two jagged holes and the seam was torn. The lining was not penetrated in this area.

The portion of the shirt in Item 6 had been cut off the victim and included the area of the hole appearing to be the bullet entrance hole. This hole corresponded in location to the hole in the jacket. No powder particles were observed on this garment.

The revolver, Item 7, was found to be in operating condition. The trigger pull was approximately 4 pounds on single action and over 10 pounds on double action. The barrel was dirty and had not been cleaned since the last time of firing. It was noted that the rifling characteristics of this weapon showed 8 lands having a right-hand twist.

The revolver in Item 8 was also found to be in operating condition. The trigger pull was approximately 3½ pounds on single action and over 10 pounds on double action. This weapon was test fired and the rifling characteristics found to be 5 lands with a right-hand twist.

The automatic in Item 9 and pistol, Item 10, were examined and found to be in operating condition; however, no test firing was made with these particular weapons.

The bullet removed from Officer McAdams was .38 caliber, the same caliber as those in Items 7 and 8, and different from Items 9 and 10. The rifle markings from this bullet indicate there are 8 land impressions with a right-hand twist. Therefore, it could not have originated from the S & W revolver, Item 8.

Microscopic comparison of the striation detail on the bullet in Item 11 was impaired as most of the detail was obliterated, with very little remaining for comparative purposes. What detail that was remaining did correspond with the microscopic detail on the test bullets fired in the revolver, Item 7.

RESULTS AND CONCLUSIONS (Continued)

Based upon the microscopic observations alone, it would appear that the revolver in Item 7, the Charter Arms Corporation weapon, was probably responsible for firing the bullet in Item 11.

DISPOSITION OF THE EVIDENCE

Items 7, 8, 9, and 10 were turned over to Officer Gregson on December 11, 1968, for transmittal to the Grand Jury hearing. On January 2, 1969, Items 7 and 8 were returned to the undersigned by Deputy District Attorney Joe Taylor. These items, along with Items 1 through 6, and 11, will be retained in the Crime Laboratory until called for by an agent from your office.

Get Statement From

Received a call as we were between 9th and 10th on I Street of a suspect going up the elevator of the United California Bank parking lot. Unit 52 was with the person who had made complaint originally. Officer from Car 3 went 9th to 8th, K & J alley, West with the vehicle = upon entering the intersection of 8th and I Streets and the alley heard shooting on the upper floors of the parking lot. Officer Reynolds alighted from the car on the Main Floor parking lot and ran up the vehicle down-ramp toward the mezzanine floor. Shots were fired, I believe 4 shots, while I was running up the ramp to the mezzanine. When I arrived on the mezzanine floor a subject on the South end center aisle of the mezzanine floor jumped out from behind a pillar, a concrete pillar, and raised his hands and said "I give up". Officer Haligarda and Reynolds at that time were together. The subject had a gun in his right topcoat pocket, which Officer Reynolds removed and placed in his belt, cuffed the subject and placed him in custody. The subject was taken by Officer Haligarda and Officer Reynolds proceeded to run up the ramp to the 2nd floor and subsequently to the 3rd floor. While on 3rd floor heard additional shots being fired. When Officer Reynolds arrived on the 4th floor, stopped a vehicle and checked them out somewhat and released them to go down the ramp. The subject in this vehicle stated an officer was down on the other side of the 4th floor.

Officer Reynolds went over to Officer McAdams, who was on the pavement, removed the gun from his hand and placed it three or four feet away, rolled him onto his side. Then Officer Reynolds ran to the other side of the floor where Officer Dixon pointed to the upper floor indicating that one of the suspects was on the upper floor. Officer Cooke came onto the 4th floor at that time and I asked him to request again an ambulance, that one was needed, and then we proceeded up the ramp toward the roof, (Officers Dixon and Reynolds). A few steps up the ramp a small sportscar type of vehicle started parallel to the ramp to come down. As the car started down the ramp the subject driving reached out the window with a gun in his hand and stated "Stop you sons of bitches or I'll kill you".

Then Officers Dixon and Reynolds retreated behind a concrete abutment, alighting again to warn subject that we were going to shoot if he didn't give up and drop the gun. The subject continued threatening officers and pointing the gun and officers opened fire. Shots, an undetermined number, were fired. At this time a woman raised her head from the front seat. Officers again retreated. The suspect pulled the woman over in front of him as a shield. Officers retreated as the woman was struggling. The woman broke loose and started out the passenger side door on the far side away from officers. Officers again, both Dixon and Reynolds, opened fire, emptying our guns into the vehicle. Officer Cooke, who had a shotgun, was called over and he assisted in covering the subject. Subject got out the passenger side on the far side of the car, the North side, and with his gun up in the air, he was advised to throw the gun out and away. He refused several times, was warned again that if he didn't throw it out we would shoot, and he finally threw the gun out and at that time he was taken into custody. The gun from this subject on the roof and the

Refer arrest of Quinn Lee
Bodine and Roger Allen Lockridge
Date of arrest Nov. 14, 1968.

Dear Chief Rooney:

Our New York Office has asked for a list of the American Express travelers cheques numbers that were recovered with the arrest of the two suspects, Bodine and Lockridge.

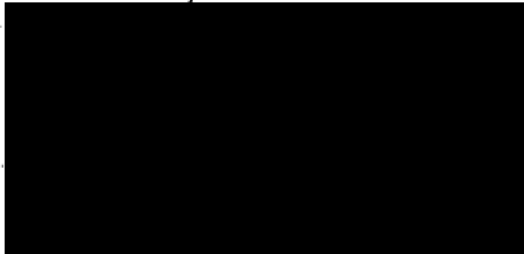

There was \$24,440.00 worth of American Express travelers cheques stolen in the robbery of the Citizens Federal Savings and Loan Association in Santa Clara, California on July 19, 1968. They were numbered as follows:

Ten dollar denominations	
Twenty "	"
Ten "	"
Twenty "	"
Fifty "	"

Many of these travelers cheques have been passed through out the country, but there are a great many still unaccounted for.

Please be assured of our cooperation and assistance in all matters concerning the American Express Company.

PHYSICAL EVIDENCE EXAMINATION REPORT

On April 3, 1969, the undersigned met with Officer Dixon on the fourth floor of the parking lot at 8th and J Streets in Sacramento and removed the following evidence from a mark on the ramp:

- 13. Paint with transfer on surface
- 14. Paint, near area of transfer

On April 7, 1969, the undersigned again met with Officer Dixon on the fourth floor of this same parking lot and the following evidence was removed from a mark on the ceiling in front of the elevator:

- 15. Paint with transfer on surface

RESULTS AND CONCLUSIONS

On April 3, 1969, at the time of the field investigation on the fourth floor of the parking lot at 8th and J Streets, a gray stain was pointed out on the up-ramp to the roof. After the stain was photographed by Identification Officer Tucker, the material was removed, along with a control sample of paint. Chemical tests and microscopic examination showed a metal present in the stained area that was predominantly lead. From this observation, the stain could have originated from the lead bullet. The direction of movement appeared to be up the ramp.

On April 7, 1969, on the fourth floor of the 8th and J Streets' parking lot, the undersigned examined marks on the ceiling near the elevators. This ceiling had exposed concrete beams that made a honeycomb type pattern. The distance from the floor to the bottom of the beams is approximately 8 feet.

On the third beam from the stair door, a mark was observed that had the appearance of a bullet impact area. Microscopic examination of the debris in this mark showed metallic particles present.

On April 7, 1969, the undersigned again met with Officer Dixon on the fourth floor of this same parking lot and the following evidence was removed from a mark on the ceiling in front of the elevator:

- 15. Paint with transfer on surface

RESULTS AND CONCLUSIONS

On April 3, 1969, at the time of the field investigation on the fourth floor of the parking lot at 8th and J Streets, a gray stain was pointed out on the up-ramp to the roof. After the stain was photographed by Identification Officer Tucker, the material was removed, along with a control sample of paint. Chemical tests and microscopic examination showed a metal present in the stained area that was predominantly lead. From this observation, the stain could have originated from the lead bullet. The direction of movement appeared to be up the ramp.

On April 7, 1969, on the fourth floor of the 8th and J Streets' parking lot, the undersigned examined marks on the ceiling near the elevators. This ceiling had exposed concrete beams that made a honeycomb type pattern. The distance from the floor to the bottom of the beams is approximately 8 feet.

On the third beam from the stair door, a mark was observed that had the appearance of a bullet impact area. Microscopic examination of the debris in this mark showed metallic particles present.

RESULTS AND CONCLUSIONS (Continued)

The beam on the opposite side of that particular portion of the ceiling where this mark was located did not have any strafe marks, such is present when a bullet had been in contact with it. Since the bullet impact location was approximately 6 inches up from the bottom of the beam that it had struck, it would indicate that the bullet was rising at the time it entered this portion of the ceiling. Sighting along the angle formed by the beam in front of the impact area and the impact area, an angle was drawn that intersected the floor 42 feet away. This would be the maximum angle of trajectory of a bullet striking this ceiling in the manner that was found.

Officer Dixon indicated his approximate position at the time the subject discharged his weapon and this was located 6½ feet in front of the bullet. He indicated that the suspect was firing from a point 17½ feet in front of the impact area, or 11 feet in front of the officer. At this position, the maximum height the weapon could have been held above the floor was 5 feet.

Based upon the officer's height of 6 feet 2 inches, it was determined that if he had been standing upright and the bullet had passed him at its maximum height, it would have traveled within 11 inches of his head. Two other bullet marks were found in an area above where a car that was struck had been parked. These did not appear to have originated from a single bullet, based upon the angle of the marks.

DISPOSITION OF THE EVIDENCE

The above exhibits will be temporarily retained in the Crime Laboratory until called for by an agent from your office.

The victim stated she was parking her car on the forth floor parking lot(roof) of the Bank of California, 8th and Jay streets. She said as she was locking the drivers door she was approached by a male subject with a gun in his hand. She said he demanded that she get back in the car and advised her, "Get back in the car and get back quick, lady". She said she unlocked the drivers door and then slid over to the passenger side and the male subject with the gun got in the drivers seat, took the keys from her, started the car, and backed the car out of the parking spot. He then asked her how to get out of the parking lot. She said she pointed towards the down ramp and he started that way when she saw a uniformed police officer coming up the ramp on foot. She said the subject in her vehicle with the gun pointed it at the officer and told him to stop. The victim said a few seconds later the police officer opened fire on the car and both she and the male subject in her car ducked down. The victim said the suspect grabbed and seemed to be very frightened. The victim said she opened the door on the passenger side of the vehicle

Please note that the records provided in this release do not include records or portions of records that are exempt from disclosure pursuant to applicable law. Without limiting other arguments against disclosure that may exist, the following records or portions of records are specifically prohibited or exempted from disclosure:

Records or information that constitutes the personal data or information of an officer or their family members (Cal. Pen. Code §§ 832.7(b)(5) and (b)(6)(A));

Records or information, the disclosure of which would compromise the anonymity of complainants or witnesses (Cal. Pen. Code § 832.7(b)(6)(B));

Records or information, the disclosure of which would constitute an unwarranted invasion of personal privacy (Cal. Gov. Code § 7927.700; see also *City of San Jose v. Superior Court* (1999) 74 Cal.App.4th 1008);

Records or information, the disclosure of which would reveal personal identifying information, where, on the facts of the particular case, the public interest served by not disclosing the information clearly outweighs the public interest served by disclosure of the information (Cal. Pen. Code § 832.7(b)(7));

Records or information wherein the public interest served by not disclosing the record clearly outweighs the public interest served by disclosure (Cal. Gov. Code § 7922.000);

Records or information that constitute confidential medical, financial, or other information, the disclosure of which is specifically prohibited by federal law or would cause an unwarranted invasion of personal privacy (Cal. Pen. Code § 832.7(b)(6)(C));

Records or information, the disclosure of which is exempted or prohibited pursuant to federal or state law (Cal. Gov. Code § 7927.705; see also: Cal. Const. art. 1 Sec. 1; Cal. Pen. Code § 15150 et seq.; Cal. Pen. Code §§ 11105 and 13300; and HIPAA 45 CFR Part 160 and Subparts A and E of Part 164)
