Re: Officer-involved shooting: SPD case no. 02-82109
Shooting officer: Andrew Petit #790
Person shot: Jesse James Ortiz aka Daniel Torres (DOB 4/23/77)

Dear Chief Najera:

In the above-referenced matter, I have received the reports by your department, which included written reports as well as audio and videotapes and photographs; the reports of District Attorney Criminal Investigators Gary Wagg and Dale Joe; and, the Sacramento County Coroner's Final Report of Investigation #02-4577. Having reviewed this material, I have concluded the shooting was justified.

FACTS:

The incident took place on September 30, 2002. Shortly after 5:00 A.M. that day, uniformed SPD Officers Andrew Petit and trainee Officer Justin Hanks were on patrol when they heard over the radio that a carjacking at gunpoint had occurred nearby (off Nedra Court in sector 5). The suspect vehicle was described as a red Mustang convertible with Arizona plates. The officers, with Officer Hanks driving their marked unit, responded to the call by proceeding to the intersection of Meadowview and Freeport and waiting there in case the suspect vehicle came by (given the location of the carjacking, they thought this was a distinct possibility). After waiting 10 minutes or so, they left that location and, still looking out for the suspect vehicle, drove northbound on Freeport to Florin Road, where they stopped at a red light. At that time, they saw a red Mustang traveling westbound on Florin. As the Mustang crossed Freeport, Officer Hanks activated the emergency lights of the patrol vehicle momentarily and drove through the intersection to get behind and follow the Mustang. As the officers followed the Mustang

westbound on Florin, they observed that it did indeed have Arizona plates. At this point, they believed they were following the suspect vehicle and Officer Petit broadcast information to that effect over the radio, including the vehicle license plate number. The Mustang turned northbound on South Land Park Drive and then westbound on 58th Avenue, with the officers following behind in the patrol vehicle. During this time, the Mustang's speed was varying, speeding up and then slowing down, but never exceeding about 30 miles per hour. Both officers believed this was a sign that the driver was weighing his options, trying to decide what to do.

After turning onto 58th Avenue, the vehicle slowed, pulled over to the right side of the street and stopped. Officer Hanks stopped the patrol vehicle a distance of approximately 6 or 7 car lengths from the suspect vehicle. Officer Hanks activated the overhead (red) lights and Officer Petit radioed that they were "committed". (The headlights of the patrol vehicle were also on as, it appears, were the spotlights on both the driver's and passenger sides.) At that time, each officer opened his respective door and began to step out of the vehicle with his gun drawn.

Officer Hanks stated he then saw the Mustang's brake lights and reverse lights come on and, thinking the suspect was going to drive off, he and Petit got back in the patrol car. Suddenly, the Mustang's engine started revving up, the tires screeched and the Mustang came directly at them in reverse.

Officer Petit got out of the patrol vehicle and jumped out of the way as quickly as he could. As he did so, he dropped his gun (a 9mm Sig Sauer). He was afraid the suspect vehicle was going to ram the patrol car and that he would get hit by the open door before he could get out of the way. He scrambled for the gun and managed to pick it up. He immediately began firing rounds into the suspect vehicle, which was only a few feet away from and still coming at the patrol vehicle. The Mustang then smashed into the patrol vehicle as Officer Petit continued to fire. He stated that Officer Hanks was trapped inside the patrol vehicle, having been unable to get out. He was afraid that Officer Hanks would be injured either by the impact or by the reportedly armed suspect shooting at them. Officer Petit fired a total of 7 rounds and immediately ran for cover behind a truck, yelling at Officer Hanks to determine whether he was all right.

Officer Hanks stated that once he got into the car and heard the revving of the suspect's engine, he put the patrol car in reverse to back away. As the suspect vehicle came toward him, he saw that Petit was getting out of their car. Hanks put their car in park and, by that time, didn't have time to get out before the impact. The impact jerked Hanks' shoulder back and caused both air bags to deploy. Hanks stated that at that point he was half in and half out of the driver's door, with his right hand on the steering wheel. Hanks had his gun out at that point, and he heard Petit firing. Hanks said he sat in the patrol vehicle for about 5 seconds after the shooting and then ran to Officer Petit's location.

Shortly after the shooting, additional officers arrived on the scene and the Sheriff's SWAT team was called out. When they responded, they approached the suspect vehicle in an armored car and found the suspect, Jesse James Ortiz, unresponsive. By this time, it was approximately 7:40 A.M. At approximately 7:45 A.M., fire department personnel pronounced Ortiz dead. He sustained two gunshot wounds to the right side of his head.

At the time of the shooting incident, Ortiz was a parolee-at-large with prior felony convictions for drug and weapons offenses as well as evading a peace officer (Vehicle code section 2800.2). The latter conviction resulted in a state prison commitment in 2001.

After the shooting, two baggies containing a white powder substance were found in Ortiz' pocket. A 'valtox' test performed on the white powder was positive for the presence of methamphetamine. The toxicology report indicated that 1.10 mg/L of methamphetamine was detected in Ortiz's blood. Also found in Ortiz' pocket was a chrome replica semi-automatic pistol which looked like a real pistol.

The victim of the carjacking positively identified a photograph of Ortiz as the individual who had stolen his car at gunpoint shortly before the shooting incident took place.

ANALYSIS:

A peace officer as well as a citizen may use deadly force under circumstances where it is reasonably necessary for self-defense or defense of another. In addition, a peace officer may use deadly force in order to apprehend a person who has committed a felony involving the infliction or threatened infliction of serious physical harm. Penal Code sections 196 and 197. Tennessee v. Garner (1985) 471 U.S. 1; Kortum v. Alkire (1977) 69 Cal. App. 325. California law permits the use of deadly force if the person actually and reasonably believed he or another was in imminent danger of death or great bodily injury.

Here, Officer Petit stated that he fired both in self-defense and in defense of his partner, Officer Hanks. Officer Petit was afraid that Hanks would be injured when the Mustang struck the patrol vehicle and, further, that once Ortiz had successfully disabled the officers and/or their vehicle, Ortiz would begin shooting at them.

These fears were reasonable under the circumstances. When Officer Petit began shooting at Ortiz, Officer Hanks had not been able to get out of the patrol vehicle. Officer Petit had barely cleared the passenger door of the patrol vehicle in time, but Hanks had not been as fortunate. This left Hanks in a very vulnerable position. If all or part of Hanks' body was outside the vehicle at the time of impact, but hadn't cleared the door, he could have been struck and injured by the open driver's door. Or, if all or part of Hanks' body was still inside the vehicle at the time of impact, it was reasonable to believe that Hanks could be injured by the airbag. The car was certainly traveling at a speed sufficient to deploy the airbags upon impact, and it is common

knowledge that airbags can cause significant injury and/or death. Ortiz was using the Mustang as a deadly weapon and it was reasonable to respond with deadly force.

Moreover, it was reasonable for Officer Petit to believe that once Hanks and/or the patrol vehicle were disabled and the officers were in a vulnerable position, Ortiz would begin shooting at them. Petit had every reason to believe Ortiz was armed and wouldn't hesitate to use a gun, based on the reported carjacking at gunpoint that morning. Ortiz had chosen to resort to violence in an attempt to harm the officers with the Mustang, instead of simply driving off in an effort to avoid arrest. It was reasonable to believe he would continue using violence to effectuate his escape.

Officer Petit had very little time to decide how to react in defense of himself and his partner. Under the circumstances, it cannot be said that his decision to use deadly force was unreasonable.

CONCLUSION:

Officer Petit's use of deadly force under the circumstances presented in this case was justified. Thus, this office will take no further action in connection with this matter. Thank you for referring the case for our review.

Very truly yours,

On 9-25-02, at approximately 0535 hours, Officer Pettit and his partner (Justin Hanks) were in the area of Freeport and Florin Roads when they observed a vehicle that was taken during a car jacking (firearm used by the suspect). The officers followed the vehicle to 58th Ave. and S. Land Park Drive. As the officers were waiting for cover, the suspect vehicle swerved over to the right side of the road, forcing the officers to commit to a stop. Officer Hanks activated the patrol car's emergency lights. Both officers exited the patrol car. The suspect vehicle's reverse lights activated and both officers got inside the patrol car (thinking the suspect vehicle was going to take off).

VICTIM:	[REDACTED]
---------	------------

VICTIM STATEMENT:

ON 09-30-02 AT APPROX. 0520 HRS. I, OFC. TROTTER CONTACTED [REDACTED] OUTSIDE OF [REDACTED] NEDRA CT. [REDACTED] STATED THE FOLLOWING IN SUMMARY.

I WENT OUTSIDE TO MY GARAGE. I OPENED THE DOOR AND UNLOCKED MY CAR THAT WAS PARKED INSIDE (AZ LIC# [REDACTED]) I WENT TO THE DRIVER SIDE DOOR AND GOT IN THE CAR. I TURNED ON THE CAR AND SOMETHING FROM BEHIND ME CAUGHT MY ATTENTION.

I LOOKED BACK AND SAW A MHA (SEE SUS. DESCRIPTION) STANDING BEHIND ME ON THE DRIVER SIDE OF THE VEHICLE. HE WAS STANDING A FEW FEET BEHIND ME. I GOT OUT OF THE CAR TO FIND OUT WHAT WAS GOING ON.

I SAW THE GUY HOLDING A SILVER HANDGUN IN HIS RIGHT HAND. HE HAD IT POINTED AT ME AND ASKED ME FOR MY MONEY. I TOLD HIM I DIDN'T HAVE ANY. HE ASKED ME AGAIN FOR MONEY BUT IN SPANISH. I TOLD HIM AGAIN THAT I DIDN'T HAVE ANY MONEY. HE GRABBED AT MY POCKETS AND FELT AROUND.

HE THEN PUSHED ME HARD TO THE REAR OF THE GARAGE. HE CLIMBED IN MY CAR AND DROVE OFF. HE WENT OUT TO 24TH ST BUT I'M NOT SURE WHAT DIRECTION HE WENT FROM THERE.

I THINK I CAN IDENTIFY THE PERSON WHO STOLE MY CAR.

VICTIM STATEMENT:

ON 09-30-02 AT APPROX. 0520 HRS. I, OFC. TROTTER CONTACTED [REDACTED] OUTSIDE OF [REDACTED] NEDRA CT. [REDACTED] STATED THE FOLLOWING IN SUMMARY.

I WENT OUTSIDE TO MY GARAGE. I OPENED THE DOOR AND UNLOCKED MY CAR THAT WAS PARKED INSIDE (AZ LIC# [REDACTED]). I WENT TO THE DRIVER SIDE DOOR AND GOT IN THE CAR. I TURNED ON THE CAR AND SOMETHING FROM BEHIND ME CAUGHT MY ATTENTION.

I LOOKED BACK AND SAW A MHA (SEE SUS. DESCRIPTION) STANDING BEHIND ME ON THE DRIVER SIDE OF THE VEHICLE. HE WAS STANDING A FEW FEET BEHIND ME. I GOT OUT OF THE CAR TO FIND OUT WHAT WAS GOING ON.

I SAW THE GUY HOLDING A SILVER HANDGUN IN HIS RIGHT HAND. HE HAD IT POINTED AT ME AND ASKED ME FOR MY MONEY. I TOLD HIM I DIDN'T HAVE ANY. HE ASKED ME AGAIN FOR MONEY BUT IN SPANISH. I TOLD HIM AGAIN THAT I DIDN'T HAVE ANY MONEY. HE GRABBED AT MY POCKETS AND FELT AROUND.

HE THEN PUSHED ME HARD TO THE REAR OF THE GARAGE. HE CLIMBED IN MY CAR AND DROVE OFF. HE WENT OUT TO 24TH ST BUT I'M NOT SURE WHAT DIRECTION HE WENT FROM THERE.

I THINK I CAN IDENTIFY THE PERSON WHO STOLE MY CAR.

INVESTIGATIVE SUPPLEMENT

VICTIM STATEMENT:

On 9/30/02 at approx. 0710 hrs, I made contact with victim [REDACTED] at his residence, [REDACTED] took a brief statement from him as to what happened. I asked him if he would be willing to go to Police Headquarters and be interviewed about this incident and he agreed. At approx. 0745 hrs, I spoke with [REDACTED] as he was seated in interview room #3 located in the Investigation Division. My interview was video/audio recorded. The following is a summary of what [REDACTED] told me at his residence and during my taped interview of him:

This morning I walked out of my residence to go to work and went to my garage and put the garage door up. I started my car, (a Red 1995 Ford Mustang Convertible with Arizona plates), so that it could warm up. When I turned around I saw an Hispanic male pointing a gun at me. The suspect said, "Give me the money." I wasn't really scared at first because this has never happened to me and I wasn't sure what was going on. Then the suspect pointed the gun right at my head and told me again to give him the money. He said it in English and Spanish. At this point I was very scared and thought he was going to shoot me. I told him I didn't have any money and he patted my clothes and pockets looking for money. He then pushed me down to the ground, got into my car and drove away with my car. He went toward 24th Street but I don't know which way he went from there. The suspect is an Hispanic male adult, approx. 25-30 years old, 5'8"-5'9", 160 lbs. He had a mustache and was wearing a "beenie" cap (stocking hat), a black or grayish jacket, and dark pants. The weapon he had was a Silver color automatic pistol. I have never seen the suspect before.

INVESTIGATIVE SUPPLEMENT

OBSERVATIONS: (Detective Will TALL, #622)

On 9/30/02 at approx. 0620 hrs, I was informed, by Dispatch, of this robbery/car-jacking. I was told that the command post was at South Land Park Dr./58th Av. This occurred on Nedra Ct. which is within my area of primary responsibility. I responded to that location to assist. At approx. 0650 hrs, I was told by Homicide Sgt. Ken BERNARD to contact the victim and interview him at Police Headquarters.

I made contact with victim [REDACTED] at his residence, [REDACTED] at 0710 hrs. I took a brief statement from him at that time. He agreed to follow me to Police Headquarters for a more detailed interview. At approx. 0745 hrs, I interviewed [REDACTED] in interview room #3 in the Detective Division. The interview was audio/video recorded. (Refer to his statement). At the conclusion of the interview, I spoke with homicide detectives who said that [REDACTED] was free to leave. I told this to [REDACTED] and asked him where he would be in case we needed to re-contact him. He told me that he called his boss and will not be going to work today. He said we could contact him at home. He then left. I labeled the audio tape (1) and video tapes (2) and left them in the possession of Det. J. WATSON. This was at approx. 0810 hrs.

SUPERVISOR'S SUPPLEMENT:

On 09-30-02, at 0514 hrs, I (1SM5) heard via police radio a call come out to [REDACTED] Nedra Ct, regarding a report of a carjacking that just occurred (see C/U #02-82093). Per information from the call, a MH30's approached the victim and demanded money while holding the victim at gunpoint. Once the victim didn't give the suspect any money, the suspect took the victim's vehicle and fled the scene. The victim's vehicle was described as a 1995 red Ford Mustang convertible, with an Arizona license plate similar to Lic# [REDACTED]. Per the victim, the gun was described as a handgun only.

At 0532, Officers Pettit #790 and Hanks #768 (1BK43) advised via police radio that they had a red Ford Mustang convertible going W/B Florin Rd towards South Land Park Dr.. As the officers followed the vehicle N/B South Land Park Dr from Florin Rd., they advised that the vehicle had Arizona plates of Lic# [REDACTED]. This vehicle matched the description given by the victim of the carjacking vehicle.

As Officer Pettit and Hanks continued to follow the suspect W/B 58th Avenue, they advised that the suspect had stopped his car and that they were 'committed'. At 0533 hrs, Officer Pettit advised dispatch that they had shots fired, and that the suspect had backed his vehicle into their squad car. Per Pettit, the suspect was still inside the vehicle, and he was not coming out. I advised all units to not approach the suspect vehicle, and to treat the car like a barricaded subject. I responded Code-3 to the scene from JERPF.

While enroute to the call, I advised dispatch to have an Officer-Involved Shooting Call-out done, and I advised Lt Nenneman (LN20) as well. I requested Sacto Fire Department respond to the area and stage at 58th Avenue/South Land Park Dr due to any potential injuries. I established the safe route into the scene, and I directed officers to set up a perimeter around the vehicle. Officer Martinez #829 (1AL56) was directed to take the west end of 58th Avenue (near 13th Street) and cut off all foot and/or vehicle traffic. I also directed Martinez to deploy a tact strip/Stop Stick on 58th Avenue (at the west end) in case the suspect vehicle tried to flee the scene.

At 0540 hrs, I arrived onscene and contacted Pettit and Hanks. Per Pettit, he was not injured, but Hanks complained of pain to his right elbow. I advised Sacto Fire units to respond to the scene and exam Officer Hanks at that time. Per Pettit, they attempted to stop the suspect car, but the suspect reversed his car into their squad car as they were getting out. Pettit stated that he was knocked backwards and his handgun was knocked from his hand. When Pettit recovered his weapon, he fired approx (5) rounds into the

passenger side of the carjacking vehicle. Per Pettit, he was standing near the north sidewalk, and he shot in a S/B direction. I observed (3) bullet holes in the front/passenger window, and (2) bullet holes in the rear passenger window.

Upon arrival, the carjacking vehicle was in the middle of 58th Avenue with the lights on and the engine running. I also observed that the carjacking vehicle was resting against Officer Pettit and Hanks patrol car. As I moved closer to their patrol car, I could see that there was damage to the front of the squad car, and that both the driver's and passenger side airbags had deployed. Due to the extreme dark tinting on the windows of the carjacking vehicle, I was unable to see any suspect(s) and/or movement inside the vehicle. Officers were able to confirm the plate on the vehicle as being the same as the carjacking vehicle (confirmed through a registered owner check). Due to the fact that the suspect was suppose to be armed with a handgun, I advised all officers to back off behind sufficient cover at that time.

I gave Officer Dionne #395 (1JN56) my ballistic shield, and I advised Officers Trotter #798 (1AL54), Nichols #636 and Egeland #283 (TAC50) to join Dionne as the Arrest Team. The Arrest Team was given orders to engage the suspect if he exits the vehicle, and Officer Nichols was appointed as Team Leader with 'suspect commands'. Lt Nenneman arrived onscene at that time, and a SWAT Call-out was made. Lt Nenneman also requested the department's ROBOT to respond to assist in checking the suspect's status. The channel was dedicated by dispatch to the operation at that time.

Officer Matthew #353 (1AL40) was directed to perform a neighborhood canvas on the north and south sides of 58th Avenue, east of the shooting scene. Matthew also advised the residents within the perimeter to stay inside their homes and 'shelter in place'. I requested dispatch contact all homes within the inner perimeter, as well as west of the scene, to remain inside their homes and 'shelter in place'.

At 0740 hrs, Sheriff's Department SWAT personnel arrived onscene and approached the suspect in their armored vehicle. SSD SWAT personnel advised that the suspect was located inside the vehicle deceased. I briefed Homicide Sgt Bernard of the circumstances regarding the shooting, and I turned over scene control to him at that time. Officers Pettit and Hanks were later taken to the Hall of Justice to obtain their individual statements. I directed all officers involved in the operation to write supplements to the report regarding their actions. I confirmed that Officers Pettit and Hanks patrol car was not equipped with

SACRAMENTO POLICE DEPARTMENT
REPORT SUPPLEMENT

VICTIM: State of California**CRIME CODE:** 245 PC**SUPPLEMENTS:**

On 9-30-02 at approx. 0655hrs Det. Phillips responded from the Kinney Facility, 3550 Marysville to 58Av / S. Land Park Dr. on an officer involved shooting. Officers at the scene had requested the armored vehicle. Det. Phillips had been trained in the use of the armored vehicle.

At approx. 0726 hrs Det. Phillips arrived. Det. Phillips was directed by SSD SED (SWAT) to take up a position with the armored vehicle to the west of the suspect vehicle (red Ford Mustang). Det. Phillips preceded east bound on 58 Av from the west and prior to coming to the suspect vehicle Det. Phillips picked up two SSD SED deputies, Wright #807 and Santin #811 (both in full tactical gear). Both deputies entered the armored vehicle.

Once at the suspect's vehicle Det. Phillips observed the red Mustang facing west on the north side of 58 av east of S. Land Park Dr. A marked police vehicle was behind the Mustang with front end damage. Det. Phillips also observed the front passenger window entirely cracked and with a 2" in diameter hole (approx.) and a small hole in the front window on the drivers side.

The SSD Peace Keeper vehicle was parked south of the Mustang facing north toward the vehicle. The SSD SED team was positioned along side of their Peace Keeper on the west side.

Det. Phillips observed the three members of the SSD SED team go to the Mustang and break out the the drivers side window out. When SSD did so Det. Phillips observed the suspect to be a male possible Hispanic slumped in the drivers seat with blood on his head. There was no movement that Det. Phillips could see. The deputies then handcuffed the suspect in front.

Det. Phillips stayed with the armored vehicle and then left the scene at approx 0845 hrs.

1 OBSERVATIONS:

2 On 9-30-02 I responded to the scene of an officer involved shooting that had occurred on 58th St.
3 and S. Land Park Dr.

4 I was advised that prior to the shooting, the suspect had backed his stolen Ford Mustang into the
5 front of the Officer's marked Ford Crown Victoria Police car.

6
7 **Police car:** Both of the air bags in the police car had been deployed. The police car had visible
8 damage to its front end, including damage to its steel push bars. The front tires of the car were
9 resting on top of the end of approx. 9' of locked wheel skid. The skid extended westward beyond
10 the front of the police car, indicating to me that the police car had been pushed backward.

11
12 **Mustang:** had visible damage to its rear bumper. Further west of the Mustang I observed
13 acceleration scuff that was aligned with the wheels of the Mustang. The width of the Mustang's
14 wheel track was consistent with the width of the acceleration scuff.

15
16 Based on all of the available information I calculated the speed of the Mustang at its impact with
17 the police car to be 13 to 19 mph. Listed below are the formulas that were used in the analysis.

19 Velocity Calculation:

20 "Slide to Stop" formula. This formula gives a minimum speed and does not account for the loss of
21 energy that was needed to damage the cars. The drag factor used in the calculation is .15, an
22 average of the .10 to .20 ranges, which are the industry standards for an accelerating passenger
23 car on asphalt. The 38.7' distance used in the formula is the distance from the start of the
24 acceleration scuff to the point of impact (46') minus the 40" rear overhang from the Mustang and
25 the 48" front overhang from the police car.

26 Braking efficiency is assumed at 100%.

27
28 Using the slide to stop formula the minimum speed of the Mustang was 13 mph at impact with the
29 police car.

30
31 "Solve for Final Velocity" formula. This formula gives a final velocity at the point of impact based
32 on the following variables:

33 The initial velocity of the Mustang; which was zero mph at the start of its acceleration.

34 The distance that the Mustang traveled; 38.7' as outlined above.

35 The acceleration rate of the Mustang; the acceleration rate variables that were used are industry
36 standards for passenger cars. 5 fps/s is considered a "normal" rate of acceleration. 10 fps/s is
37 considered a "rapid rate of acceleration."

38
39 Using the final velocity formula with a "normal" rate of acceleration the Mustang impacted the
40 police car at 13 mph. Using the same formula with a "rapid" rate of acceleration the Mustang
41 impacted the police car at 19 mph.

We got the vehicle description, which was a red Mustang convertible with Arizona plates. for about ten minutes or so after we received the call. Didn't see the vehicle, so then we cleared it with assist and I put a miscellaneous on the call, and I was going to continue looking for the vehicle. Then we continued northbound on Freeport to Florin Road; well, prior to that, um, when we were in the car we were talking, I was talking on the side with my trainee, we briefed what we would do as far as if we were to see the car, like a training deal, if we were to see it to make sure that you give a 925 or a location or direction of travel, the plate, that kind of stuff.

KELLER: So basically, you just went through it, training scenario, hypothetical scenario, and how you would handle seeing this vehicle and tactically what you guys would do.

PETTIT: Yeah, exactly, as far as clearing the intersection, using our lights, and that was while we were still on Meadowview and Freeport. Then after we cleared, we went to Florin Road and Freeport, and we had a red light. At that time I saw a red Mustang convertible with no front plate, like in the #3 lane, westbound, Florin Road. I told Officer Hanks, "there's a red Mustang right there. Let's see if we can get it. Let's see if that's the same car." So we went to the intersection, we went code through the intersection, the vehicle took off. He was, I don't know, he was about 1/4 of a mile in front of us, I'd say, so we had to catch up with the vehicle, and got close enough to it, and Officer Hanks identified the plate as an Arizona plate at that time, and I knew it wasn't a California plate so I said, "Let's get closer to

the vehicle." At that time I put it out on the air, "Black 43, we are with the red Mustang convertible, Arizona plate, westbound Florin Road, and we're going to go northbound to south Land Park." The vehicle then, it wasn't driving normal. It kind of slowed and then sped up. It wasn't driving as if it was just, obeying the speed limit. So then we followed it until we got to 58th Avenue. I put out as 56th Avenue westbound, and we stopped, and the vehicle turned left. Officer Hanks kind of waited for a second. I said, "Well, let's follow so this guy won't get out of our sight." We followed the vehicle, and we got around four or five houses in, the vehicle slowed, tapped its breaks a couple of times, and it swerved over to the right side of the street, pulled over, and I got on the air and said, "Black 43, we're committed." Then Officer Hanks put on the light so that...I don't know why he put on the lights, but he usually puts on the lights to enforce a traffic stop. We both opened the doors, both opened out of our vehicle, I stepped out to the door frame, Officer Hanks stepped out to the door frame. And at that time the vehicle, the reverse lights came on. The engine started revving up high, a high rate of speed, and the tires started screeching, and Officer Hanks and I got inside, both got back inside the vehicle. At that the time the vehicle came full blast at us, and at that time I had my gun out, I think I had my gun out prior to that, as I got out of the vehicle the first time when I pulled over. When this vehicle came toward us, I had the gun in my hand. It was coming at us at a high rate of speed, and Officer Hanks gave it plenty of room, it was like six car lengths, I thought we were back behind it. As the car was coming, I jumped out of the way and my handgun fell out of my hand in front of me, and I scrambled for my gun, picked it up and fired rounds into the car as it was still coming

PETTIT: No.

KELLER: And while you and Officer Hanks were there, you work a hypothetical scenario about what we would do if we saw the car and how we'll deal with it on a tactical level and things like that, right? You clear Meadowview and Freeport, and you said you put on the call that clear assisted but you'll still be checking the area for the vehicle. And you go to Florin and Freeport, and you guys are at the red light, northbound, right?

PETTIT: Correct.

KELLER: And you see the Mustang or a red Mustang convertible going westbound on Florin Road.

PETTIT: Correct.

KELLER: Can you see the occupant at all?

PETTIT: No. We saw it coming, it had stopped, he had a red light too.

KELLER: Okay.

PETTIT: And then that's when we drove to the intersection.

KELLER: So you guys were stopped at a red light at Florin and Freeport, and the Mustang stopped at a red light. So you could see the Mustang, and he could also see your vehicle, right?

PETTIT: Right.

KELLER: Okay. The Mustang goes through the intersection and you guys used your overhead lights to clear the intersection, which was red I'm assuming at that point. You go westbound on Florin, and you said the vehicle was like a quarter of a mile ahead?

PETTIT: Correct.

KELLER: Did it accelerate or was it just driving along normal. Was there a high rate of acceleration at some point?

PETTIT: It was, it was driving faster than the flow of traffic, because there was another car behind it, and that car behind it saw us coming up, so he kind of got out of our way immediately. And as we approached the other car in the #1 lane...

PETTIT: Yes, right, right. Correct.

KELLER: So you turn your emergency lights off, and you try to gain ground on the vehicle, is that right?

PETTIT: Yeah, two blocks.

KELLER: Okay. So you turn off South Land Park. Is he trying to accelerate or take off, you were talking about ...

PETTIT: Yeah, he wasn't driving in a normal manner. He wasn't staying to one speed, and he wasn't accelerating in a smooth form from the intersection, to 58th Avenue his speed was changing. Because as we were trying to catch up to him, we were gaining, or closing the gap, and it was opening and closing and opening as we were making our acceleration.

KELLER: Okay. You remember his car moving forward or doing anything after the collision?

PETTIT: No, it didn't move forward at all.

KELLER: Okay, it hit your car?

VICTIM: OFFICER ANDY PETTIT

DATE:

NARRATIVE SECTION

**CONTINUED:
STATEMENT OF OFFICER ANDREW PETTIT:**

PETTIT: It went straight back.

KELLER: There's a separation between the squad car and the bad guy's car? And those cars didn't move at all after that?

PETTIT: No.

CLARK: One other thought that we touched on, you said this guy was kind of varying in his speed when you were initially following him down South Land Park and onto 58th, going slower and then speeding up. Was anything going through your mind relative to what he was doing at that point?

PETTIT: Yeah, his wheels were turning and he was thinking of, "What should I do?" We get calls like that all the time where, you know, you get behind a stolen vehicle and people aren't sure, are they going to run or are they going to stay or they going to stop, or are they going to comply, what are they going to do? And that's exactly what was going through my head, you know, this guy is thinking of something. His wheels are turning, yeah.

KELLER: Did you get the feeling that he was trying to bait you at all, to get you go come up closer, or just more trying to formulate a plan of what he was going to do?

PETTIT: Definitely, that's what I was thinking, that he was thinking of something to do, something was going to happen, I just didn't know what.

KELLER: And at no time did he ever try and actually get away in the car,

right?

PETTIT: Right.

KELLER: I mean, there was no reason that he couldn't have accelerated into a pursuit?

PETTIT: Right. Right, at no time did he do that.

KELLER: And he chose to do the stop and go type of thing and then pull over.

PETTIT: Right.

KELLER: Alright. That's all I have. I think we're just about done. I want to get you out of here.

After the completion of the interview CSI took photographs of Officer Pettit.

Carjacking suspect shot by police

Residents of tranquil Nedra Court say they're shocked by the violence.

By Ralph Montañio
BEE STAFF WRITER

Ray Gamboa backed his Mustang convertible out of the garage Monday morning in south Sacramento and found himself looking down the barrel of a silver pistol.

"He pointed the gun at my face and said, 'Give me money.' I told him I didn't have any," Gamboa said of the 5 a.m. robbery on Nedra Court. "He pushed me to the ground. Then he took off in my car."

About 20 minutes after the carjacking, a Sacramento police officer opened fire on the Mustang as it lunged in reverse toward the patrol car, said Sacramento police spokesman Sgt. Justin Risley. The suspect, Jessie James Ortiz, a 25-year-old parolee, died at the scene.

A Sacramento police officer and a trainee spotted the stolen red convertible with a white top on Florin Road at South Land Park Drive, Risley said. They followed the car while waiting for backup, but the Mustang pulled over on 58th Avenue near South Land Park.

Police say Jessie James Ortiz, 25, tried to ram the stolen Mustang into a patrol car.

The red Mustang convertible stolen from Ray Gamboa of Nedra Court on Monday morning sits in the middle of Land Park Drive near 58th Avenue as police wheel the suspect's body into a coroner's van. Four bullet holes could be seen in the Mustang's passenger door. A police spokesman said the officer opened fire in self-defense.

Carjacking: Drug, fake gun found, police say

► CONTINUED FROM B1

Suddenly, the Mustang went into reverse and sped toward the patrol car. Before the Mustang hit the patrol car, the officer opened fire, Risley said. As of Monday afternoon, police said they had not determined how many shots were fired, but four bullet holes were visible in the passenger door of the Mustang.

"The officer feared for his safety and the safety of the trainee," Risley said.

Neither the officer, who has been with the department for four years, nor his trainee were seriously injured. Their names were not released Monday.

An investigation into the shooting will be conducted by the Police Department, the Sacramento County District Attorney's Office and the Sacramento Office of Police Accountability. The officer was placed on adminis-

trative leave, a standard practice.

The shooting shocked Nedra Court residents, who stood on their lawns talking on their cell phones hours after the incident.

"I never heard gunshots before, and at first I didn't know what it was," said Susie Griffin, who woke up to gunfire. "Nothing goes on here."

After the shooting, neighbors were told to stay inside their homes as other police officers, members of the Sacramento County Special Enforcement Detail and hostage negotiators arrived, Risley said. The officers cautiously approached the car and determined that Ortiz was dead, he added.

Police found a chrome-plated imitation pistol inside Ortiz's jacket pocket, and a substance believed to be methamphetamine was found in his pants pocket, Ris-

ley said.

According to Sacramento County court records, Ortiz served 180 days in county jail in 1998 for felony drug possession. In 2000, he was convicted of being a felon in possession of a gun.

In March 2001, Ortiz pleaded no contest to fleeing from police, also a felony. He was sentenced to two years in state prison.

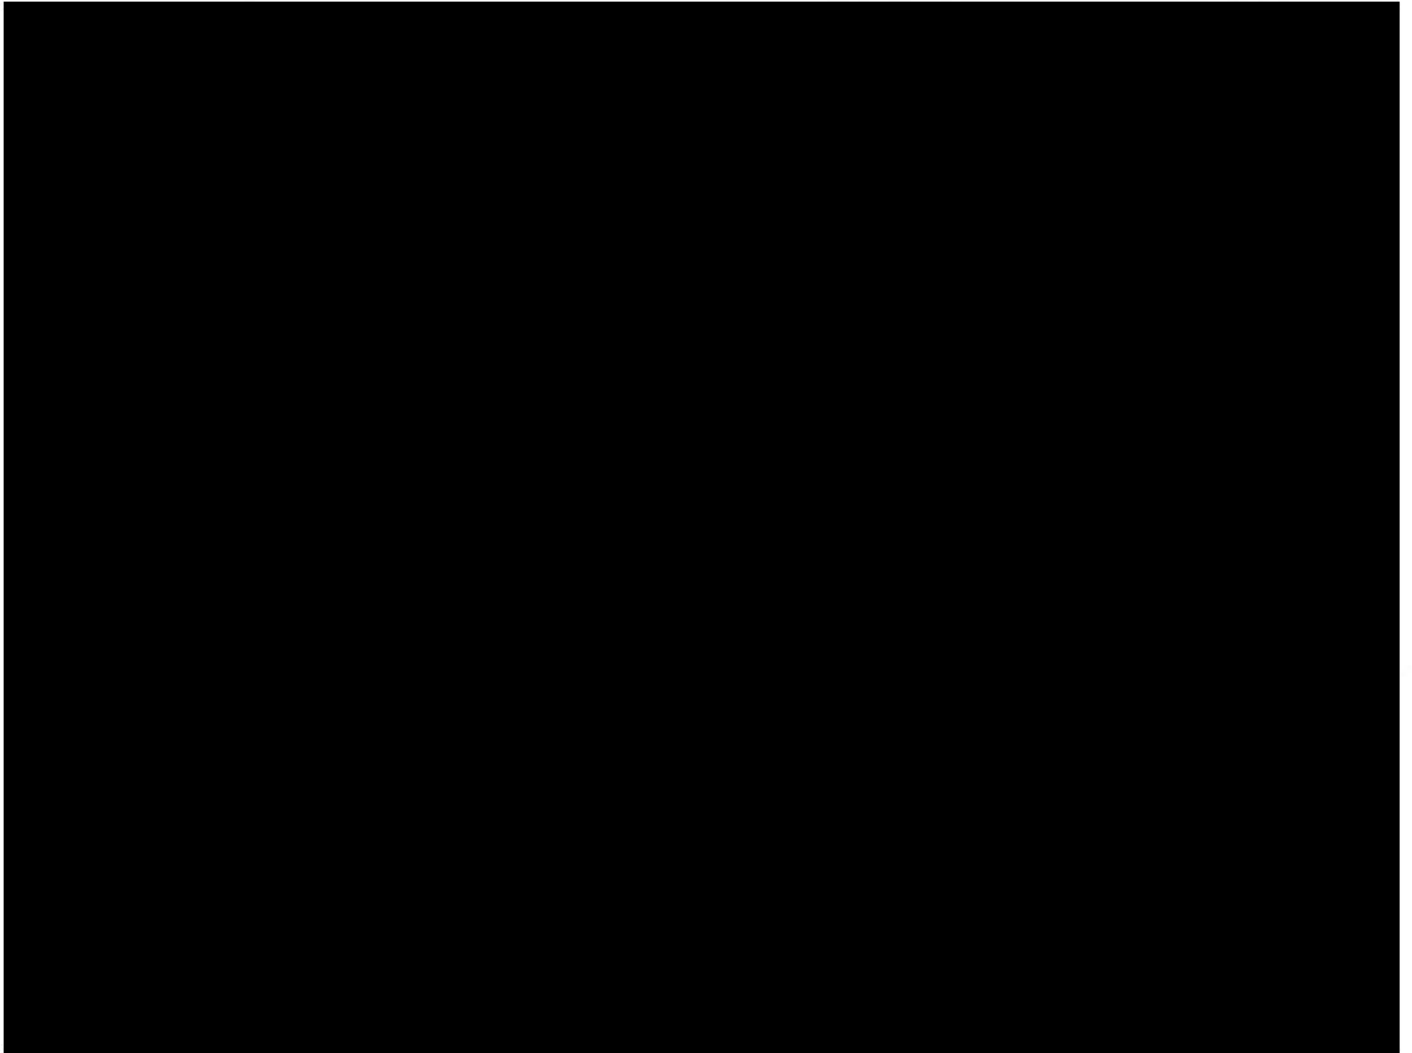

He served one year and eight days of that sentence and was released on parole April 19, according to records from the California Department of Corrections.

SUPPLEMENTARY INVESTIGATION REPORT

REPORT # 02-82109

VICTIM: HANKS, Justin

DATE:

NARRATIVE SECTION

VICTIM'S STATEMENT:

Officer Justin HANKS, #768

On 09/30/02, approximately 1004 hours, I, Detective Pat Keller, interviewed Officer Justin Hanks at the Public Safety Building. This interview was video recorded. SPOA Attorney Kasey Clark was present during my interview of Officer Hanks.

At the beginning of the interview, I inspected Officer Hank's duty weapon. Officer Hanks rendered his weapon safe and gave it to me. Officer Hanks was armed with his department issued Sig Saur P226, serial # [REDACTED]. This weapon was loaded with one live round in the chamber and had fifteen live rounds in the magazine. Officer Hanks had two additional magazines on his gun belt, both of which were fully charged with fifteen rounds.

Officer Hanks related the following in summary:

Prior to being hired by the Sacramento Police Department, I was a Yolo County corrections officer for three years.

I attended the Sacramento Police Department Extended Police Academy and graduated July 19, 2002. I've been in training for approximately two months and I am currently in Phase II.

I'm assigned to graveyard with Tuesday, Wednesday, Thursday off, and my duty hours are 2100-0700. I am assigned with Field Training Officer Andy Pettit. I have been training with Officer Pettit for almost one month.

Prior to the shooting incident tonight, Officer Pettit and I just handled routine calls for service. I was the driver and Officer Pettit was the passenger officer.

At around 5:15 a.m. I heard a call over the police radio that was about a car jacking at gunpoint. The call stated that the suspect had demanded money, but the victim did not have any, so the suspect took his car.

VICTIM'S STATEMENT: OFFICER JUSTIN HANKS

Officer Pettit and I went to the intersection of Freeport Boulevard and Meadowview where we sat for about fifteen minutes looking for the car jacked vehicle. We cleared that location and advised dispatch that we would still be checking the area. We went northbound on Freeport Boulevard and stopped at Florin Road for the red light. While stopped at the red light, we saw a red Mustang coming westbound on Florin Road. The Mustang crossed Freeport Boulevard, and I could not see the front license plate. When it passed by, I could see that it had an Arizona rear license plate.

Using my emergency lights, I cleared the intersection so we could follow after the vehicle. I turned the emergency lights on just real quick. It did not appear that the suspect alerted to the lights. I got behind the vehicle westbound Florin Road prior to South Land Park Drive. We could see the vehicle had the Arizona plate. Officer Pettit broadcasted the license plate and said that we were behind the possible 215 vehicle.

The Mustang turned northbound South Land Park Drive and then westbound on 58th Avenue. When the car went westbound 58th Avenue, I stopped in the intersection at South Land Park/58th Avenue for a few seconds and watched the car. Officer Pettit said to go ahead and turn down the street. Right when we turned down the street, the car pulled over. Officer Pettit put out over the radio that we were committed.

I stopped our patrol car six to seven car lengths behind the suspect vehicle. I turned our overhead lights on and both of us had our spotlights on. I know my spotlight was on and Officer Pettit normally uses his spotlight.

I could see the car go into park, I saw the reverse lights go on and off and then the brake lights go off. We thought he was parked, so we got out of our car at gunpoint. We saw the car's brake lights and reverse lights go on. We thought he was going to take off, so we thought he was going to drive off. So we both got back in the car. That's when he revved the engine and the tires started burning out.

VICTIM'S STATEMENT: OFFICER JUSTIN HANKS

I was already in our car, so I put the car in reverse to back away, and the car kept coming towards me. The car was in reverse and in drive and I saw Officer Pettit getting out of our car. I put our car in park and I didn't have any time to get out. I had no time to get out, so I tried to sit back in the car, that's when he hit me and the air bag came out. At the time I got hit, I had half my body in the car and the other half out the drivers door.

Right after the air bag went off, I pulled my gun out. That's when I heard four shots from Officer Pettit go off. I heard the shots from my right-hand side. I sat there for about five seconds after the shots went off and I saw what I thought was the suspect's head hit the driver's side window. I saw this through the drivers door window. That is when I ran from the driver's side door jamb of our car to where Officer Pettit was.

After I had exited our patrol car, I saw five bullet holes in the suspect vehicle, but I only heard four shots. His first shot must have gone off as the car hit me. I didn't notice the air bag making a noise, I heard more of the crunch from the car being hit.

QUESTION: What was the description that you heard of the stolen vehicle?

ANSWER: Red convertible Mustang with Arizona plates. The suspect was a male Hispanic, 30, gangster type clothes. Victim was held at gunpoint.

When I first saw the vehicle, it appeared to be driving normal. When I pulled behind the vehicle at South Land Park, he started slowing down. When he made the turn from Florin Road onto South Land Park Drive, he made the turn slow and he was tapping on his brakes. When he went westbound on 58th Avenue, he tapped his brakes like two times. That's when I stayed at the intersection to see what he was going to do.

QUESTION: Was there a reason for him to be hitting his brakes, traffic or anything?

did not hear any movement or sounds coming from the vehicle.

QUESTION: Did you see any witnesses or neighbors come out?

ANSWER: No. I did not see anyone come out until after other units had arrived.

The patrol car was in park at the time the suspect vehicle struck ours. The suspect vehicle moved the patrol car about 3 to 4 feet.

My right hand was on the steering wheel at the time I was struck. The impact jerked my shoulder back, and my right shoulder is sore.

The light post on the north side of the street was on. The patrol car overhead emergency lights were on, the headlights were on, and the driver's side spotlight were on.

The cars were not moved after the collision. After the collision, I do not remember hearing if the suspect's car was running or not.

Photographs of Officer Hanks were taken by CSI Lisa Caldarelli.

This is a summary of Officer Hanks' statement. For a complete statement, refer to tapes.

This statement has been reviewed by Officer Hanks and SPOA Attorney Kasey Clark. Both Officer Hanks and Attorney Clark advised that this statement is true and correct.

CRIME SCENE SUMMARY: Detective James R. Pearson

09/30/02

NOTIFICATION:

On 09/30/02 at approximately 0559 hours I, Detective James R. Pearson, Homicide Unit of the Sacramento Police Department, received a phone call from Sacramento Police Department Communications. Communications advised me that there had been an officer involved shooting at 58th Ave. and Southland Park Drive in Sacramento. I was instructed to respond to the scene to assist in the investigation.

ARRIVAL:

On 09/30/02 at approximately 0655 hours I arrived at Southland Park and 58th Ave. The scene was secured by crime scene tape and patrol officers.

WEATHER CONDITIONS:

When I arrived the weather conditions were dry, clear and cool.

RECORDER:

Upon my arrival the recorder was CSO S. Oviedo #8173 and Matthews #353

BRIEFING:

On 09/30/02 at approximately 0756 hours Lt. Nenemen and Sgt. McCloskey briefed investigating detectives. Detectives were advised that at approximately 0512 hours dispatch received a call reporting that the resident of [REDACTED] Nedra Court in Sacramento had his vehicle stolen at gun point. Communications broadcast a description of the stolen vehicle and a description of the suspect. At approximately 0532 hours 1BLK43 spotted what appeared to be the stolen vehicle west bound on Florin Road near Southland Park Drive. Officers working 1BLK43 were Andrew Pettit (training officer and passenger) and Justin Hanks (driver and trainee). In the 1200 block of 58th Avenue the suspect unexpectedly stopped in front of the patrol vehicle. When the suspect vehicle stopped the officers activated their emergency lights. The suspect reversed the stolen vehicle and rammed into the patrol vehicle. The impact to the front of the patrol vehicle deployed the patrol vehicle's air bags. The passenger officer, Pettit managed to exit the patrol vehicle and fire several rounds into the passenger side of the stolen vehicle. After the shots were fired there was no movement from the suspect vehicle. Unsure on the condition of the reportedly armed suspect, the two officers took cover and called for backup. At 0720 hours SSD SWAT team members checked the suspect vehicle and discovered what appeared to be a deceased suspect behind the wheel of the stolen Ford Mustang. At 0745 hours members of the Sacramento Fire Department pronounced the suspect dead.

On 09/30/02 at approximately 00750 hours Officer Pettit lead Detectives Sgt. Bernard, Keller, Pearson and SPOA Attorney Casey, and SPOA Representative Brent Meyers on a walk through of the scene. During the walk through Officer Pettit pointed out the various points of concern.

SCENE OBSERVATIONS:

The actual location of the shooting was in front of [REDACTED] 58th Avenue. This is an area of single family residences in the City of Sacramento's South Area. The 1200 block of 58th Avenue runs west off of Southland Park Drive. 58th Avenue is a two way unmarked roadway constructed of asphalt bordered by gutters and sidewalks.

The suspect vehicle (Arizona [REDACTED]) and the patrol vehicle (9277S, 1087166 CA Exempt) were both facing west on the right (north) side of 58th Avenue. The patrol vehicle's overhead emergency lights were operating, the patrol vehicle's driver side and passenger side spot light were on. The driver's side and the passenger's side air bags were both deployed in the patrol vehicle. The patrol vehicle was running. The suspect's vehicle was not running.

On 09/30/02 at approximately 0720 hours Sacramento County Sheriff's Department SWAT team checked the suspect vehicle to determine the condition of the suspect. SSD SWAT used a SAGE weapon (large plastic projectile) to break the driver's side window of the suspect's vehicle. VICTIM: Pettit, Andrew/Hanks, Justin

Pieces of the Sage projectiles were located in the street, in the Ford Mustang and in the planter between ██████ 58th Avenue and ██████ 58th Avenue.

On 09/30/02 at approximately 0925 hours Sgt. Bernard gave me a piece of a Sage projectile he was given by a member of the news media. The news media member found the piece of projectile out side the perimeter.

On 09/30/02 at 0944 hours Deputy Coroner Dave Brown #35 and Dr. Super, Sacramento County Coroner's Office Pathologist arrived on the scene.

On 09/30/02 at approximately 1011 hours the Coroner's Office transport personnel arrived and removed the suspect's body from the Ford Mustang. A short distance from the suspect vehicle Dr. Super examined the suspect's body and Coroner's Office investigator Dave Brown checked the suspect's clothing for identification. Brown found a replica chrome semi-automatic pistol in the suspect's jacket pocket, a quantity of suspected narcotics and some suspicious checks, but no identification. Thumb prints were taken from the suspect. Dr. Super indicated preliminary cause of death was gunshot wounds to right side of suspect's head.

On 09/30/02 at approximately 1050 hours the suspect's body was removed from the scene by the Coroner's Office.

On 09/30/02 at approximately 1130 hours Sgt. Bernard and I checked the shotgun in patrol vehicle 9277S (CA Exempt #1087166). The shotgun had no rounds in the chamber and four live 12 GA rounds in the magazine. I booked all four rounds into evidence.

There was what appeared to be an M-16 locked in a case in the rear of patrol vehicle 9277S. Officer D. Valdez was called to the scene to unlock and remove the weapon from the patrol vehicle. An inspection of the patrol vehicle's overhead emergency lights, spotlights and headlights appeared that they were all operating normally.

Prior to the Ford mustang being removed from the scene CSI recovered two bullets from the vehicle. One bullet was on the carpet on the left side of the driver's seat. The other bullet was removed from the top of the drivers door near the window.

On 09/30/02 at approximately 1210 hours Detective Tigri #519 arrived to measure the skid marks under and around the two involved vehicles.

DETECTIVE FOLLOW-UP:

On 10/01/02 at approximately 0930 hours I accompanied CSI Kathy Modeste and CSI Romelia Estepa while they processed the red Ford Mustang, Arizona license [REDACTED] used in the 245 PC against officers at [REDACTED] 58th Avenue on 09/30/02. The Ford Mustang was stored at 5741 Florin-Perkins Road.

In the vehicle on the front passenger seat I found a pair of size 9 1/2, white and red, Nike Air tennis shoes, a pair of black Tommy Hilfinger pants, a black watch cap, a red print shirt, a Gatorade bottle and a wallet with the victim of the original auto theft's identification. The trunk was full of work tools and clothes. Numerous papers in the registered owners name were found in the vehicle including the vehicles Arizona registration.

The vehicle was dusted for finger prints with negative results. CSI recovered a bullet from the vehicle's steering wheel and bullet fragments from the vehicle's right door.

Several items were booked into evidence by CSI.

On 10/04/02 at approximately 0845 hours Sgt. Bernard, Detective Keller and I transported Sacramento City mechanic John Kral to Capital City Tow secure impound lot, at 5741 Florin-Perkins Road, to examine the Ford Mustang's fuel pump shutoff switch. The Ford's battery was dead. When power was supplied to the vehicle it would turn over but not start. The vehicle's fuel pump shutoff switch in the trunk was examined. The switch had been tripped and the red button was in the up position. After the switch was reset the Ford Mustang started immediately.

On 10/04/02 at approximately 1400 hours I faxed an impound release to Capital City Tow.

On 10/04/02 at approximately 1415 hours I had Detective J. Vigon contact the Ford Mustang's owner and advised him/her that the vehicle had been released, but it had blood inside the vehicle and should be considered a bio hazard and needed to be cleaned immediately. Detective Vigon advised me that he had spoken to the owner's wife in Spanish and she understood.

On 10/04/02 at approximately 1445 hours I requested that item #20 semi-auto handgun replica be printed.

OBSERVATIONS: (Detective Will TALL, #622)

On Wed. 10/23/02, I was contacted by Det. James PEARSON of the Homicide Division. He requested that I conduct follow-up on I-report #02-87352 written by Sgt. KIDD on 10/16/02. This report mentions [REDACTED] as being a possible accomplice/suspect in the car-jacking of victim [REDACTED] and, the subsequent assault on SPD Officers A. PETTIT, #790/HANKS, #768. (Suspect Jesse ORTIZ was shot and killed in this incident).

On 10/24/02 at 1725 hrs, I went to [REDACTED] to speak with [REDACTED]. I spoke with him in the driveway as he said he did not have a key to the house. He told me that his mother lets him in when she is home, but that if she isn't, he has to wait for her. Refer to his statement for details of my interview.

During my interview of [REDACTED] he said that on the morning of the car-jacking he got a ride away from his house by a neighbor, [REDACTED]. He said that [REDACTED] gave him a ride to 24th St./68th Ave. (near the fire station) at about 0630-0700 hrs. I spoke with [REDACTED] (witness [REDACTED] on 10/28/02 at 0800 hrs. He confirmed that on the day of this incident he was warming his car up to go to work. [REDACTED] asked him for a ride and he took him to 24th St."near the fire station" and dropped him off. [REDACTED] said that [REDACTED] did not seem like anything was wrong and did not mention anything about a robbery. [REDACTED] said he dropped [REDACTED] off at about 0645 hrs. [REDACTED] told me that he is not a friend of [REDACTED] and he suspects [REDACTED] of breaking into his car. [REDACTED] asked [REDACTED] for a ride that morning. [REDACTED] heard later about the car-jacking but doesn't know any more about it than what he heard on the news.

INVESTIGATIVE SUPPLEMENT

WITNESS STATEMENT:

[REDACTED]

On 10/24/02 at 1725 hrs, I spoke with [REDACTED] in the driveway of his residence, [REDACTED]. He was very nervous when I identified myself to him as a Detective and told him I wanted to speak to him about the incident involving Jesse ORTIZ. He told me the following in summary:

I know Jesse(ORTIZ) and his whole family. I last saw Jesse the day before he died. I had gone to his house the night before (9/29/02) at about 2330 hrs to get a ride from his "Aunt [REDACTED]". I wanted her to give me a ride to my friend [REDACTED] house near UC Davis Med. Center. [REDACTED] has a car that she said I can have if I can come pick it up. [REDACTED] said she couldn't give me a ride that night. I hung out at her house until about 0400 hrs the next morning (9/30/02). At that time I decided to go home. Jesse walked with me part of the way. At 68th ave., I cut South on Tamoshanter and Jesse went East toward 24th St. I came home and hung out here until about 0630 hrs. I wanted to go back to [REDACTED] house because she had said she could maybe give me a ride in the morning. As I walked past my neighbor, [REDACTED] house I asked him for a ride. He took me to 24th St. near the fire station (68th Av.) and dropped me off. I walked from there to [REDACTED] house. She ended up not being able to give me a ride and I stayed there until about 1030-1100 hrs, then left.

Detective TALL: When you were walking with Jesse did you see him with a gun of any kind?

[REDACTED] No...He really wasn't talking much.

Detective TALL: Where was he going?

[REDACTED] He didn't say. Knowing him, he was just out and about. I was out that night because if I don't get home by the time my mom locks up for the night (usually 2230-2300 hrs) then I am locked out for the night.

Detective TALL: Did you know he was going to do a robbery?

[REDACTED] No. I wasn't with him after we left his house except for the short time we walked together.

Detective TALL: Were you involved in this robbery/car-jacking?

[REDACTED] No.

VICTIM: [REDACTED]

Detective TALL: Is there any reason for your fingerprints to be in the car that [REDACTED] stole from the victim that morning?

[REDACTED] No way...But, the night before this happened, when I went to Jesse's house, I took three (3) cassettes and one (1) CD with me. I left them there when I left at about 0400 hrs. When I asked about them the next morning, I was told that Jesse had taken the CD with him when he left the house. I didn't know he had the CD, but it could be in the car he was in when he died.

Detective TALL: When did you hear that Jesse was dead?

[REDACTED] The first I heard about it was that night on the 10:00 PM news.

Detective TALL: If that is the case, then how is it that you told Jesse's family about his death before the Police could do it? How could you tell them that morning if you didn't know?

[REDACTED] I didn't tell his family about it that morning. I didn't even know until that night. I was at their house that morning from about 0700 hrs until 1030-1100 hrs and none of them mentioned it either. They couldn't have known or they would have talked about it.

Detective TALL: Who was at the house that morning you were there?

[REDACTED] Jesse's "aunt [REDACTED] his step-dad "[REDACTED] another cousin of his that I don't know. I waited outside when I got there because [REDACTED] was taking her kids to school. When she got back I asked her about my cassettes and CD's and that's when she told me that Jesse had the CD.

Detective TALL: Are you telling me that your fingerprints could be on your CD that Jesse took, but that your prints would not be on anything else in the stolen car because you were never in that car?

[REDACTED] Yes..I was never in that car and don't know anything about what Jesse did after we parted ways.
