Case Summary 03-86063

On 10/01/03, at approximately 0849 hours, Sacramento Police Communications Center received a 911 call of a student on campus armed with a shotgun. The student was Mario Rodriguez and he was in room 12. Sacramento City Police officers, Sacramento County Sheriff deputies and Elk Grove School Police officers responded to the scene.

SSD Dep. Swisher and EGPD Sgt. Coleman were the first units on scene and responded to the Administration office on the west side of the school. Officers were advised the suspect was in classroom 2, across the courtyard at the southeast portion of the campus.

The building was a large four-walled, wood siding, raised, portable structure. Four large collapsible walls divided the interior of the structure into four separate classrooms. Each classroom had one window, one metal door and one wall air conditioning unit. For rooms 1 and 2, on the west side of the structure, the door, window and air conditioning unit were on the west wall. The door to room 1 was on the west wall, closest to the north wall. There was a small, cement ramp leading to the door and bordered on the north and west sides of the ramp by a metal railing. The door to room 2 was on the west wall, closest to the south wall. There was a small, cement ramp leading to the door and bordered on the south and west sides of the ramp by a metal railing.

Dep. Swisher exited the Administration building and crossed the courtyard and took a position at the north end of the building housing room 2. Sgt. Coleman exited the Administration building and took a position behind a large pillar just east of the Administration doors. Sgt. Ford, Ofc. Malmquist and Ofc. R. Elmore arrived and entered the Administration building. Sgt. Coleman signaled them to come east into the courtyard, which they did.

Unknown to officers at the time, and according to students that had been in room 2, Rodriguez had entered the room while the students and teacher were present. Rodriguez had entered the campus from the south parking lot and walked directly to room 2. He was carrying a baseball bag that contained a shotgun, what appeared to be a semi-automatic, chrome handgun and several rounds of shotgun shells. When Rodriguez entered the classroom, he immediately pulled both guns from the bag.

Rodriguez was very emotional and distraught and per one student witness, [REDACTED] Rodriguez put the shotgun to his neck, and announced, [REDACTED] "its over". The teacher, [REDACTED] attempted to de-escalate the situation and it only seemed to agitate Rodriguez further. As Rodriguez was talking, he was placing the handgun to his temple or putting it in his waist and placing the barrel of the shotgun under his chin. According to students, Rodriguez pulled the trigger at one point, but the gun did not go off.

There is no other exit from the room other than the door that Rodriguez was standing near. The building housing rooms 1, 2, 3, and 4 is one large room, separated into four rooms by collapsible walls. When Rodriguez got further upset by [REDACTED] words, [REDACTED] indicated that Mario then pointed the shotgun towards everyone in class, and stated, "Its over". [REDACTED] explained that everyone in the class was afraid for their lives. He then pumped the action, ejecting a live round from the chamber of the shotgun. Rodriguez immediately picked up the round and placed it in his pocket.

At that point the students panicked and all huddled in one corner of the room. The commotion drew the attention of students in the adjoining room. One of the students from the other room looked through a small opening in the collapsible wall and recognized Rodriguez standing there with a shotgun. That student quickly informed his teacher and fellow students and they evacuated room 1 and ran to the Administration building. Administration then notified authorities.

The Vice Principal, [REDACTED] quickly ran to room 2 to assist. [REDACTED] was familiar with Rodriguez and attempted to de-escalate the situation. [REDACTED] was able to convince Rodriguez to allow [REDACTED] and the students in the room to leave, which they did and responded to the Administration building.

[REDACTED] never entered room 2 fully and continued to deal with Rodriguez from the doorway of the classroom. Rodriguez still refused to put down his guns and was still threatening suicide. [REDACTED] was aware police were on their way and was aware what their response would be if Rodriguez moved toward officers armed with a shotgun and pointing it in their direction. [REDACTED] was familiar with this because he was a retired Los Angeles police detective.

Soon Rodriguez heard the police sirens and became agitated again. There was a large picture window just north of the door to the room and there was a full view into the courtyard. [REDACTED] believed Rodriguez saw the officers because he said something to the effect of "I'm going to go finish this now". [REDACTED] feared for Rodriguez's life and the lives of the officers in the courtyard and attempted to stop Rodriguez.

Rodriguez pushed past [REDACTED] in the doorway and out onto the ramp. Rodriguez had his back to the classroom and [REDACTED] reached around Rodriguez's shoulders to pull him back into the classroom. Rodriguez was very large in stature and was able to force [REDACTED] to lose his grip on Rodriguez.

Det. Oliveira conducted a formal interview with Dep. Swisher. At the beginning of the interview, Sgt. Quinn counted each of the live rounds in Dep. Swisher's two extra magazines; there were 12 .40 caliber live rounds in each magazine. He counted the remaining live rounds in the magazine of his handgun; there were 6 .40 caliber live rounds. Dep. Swisher removed the live round from the chamber of his handgun. The handgun, three magazines and the remaining live rounds were taken as evidence and were later booked.

Dep. Swisher was working as a School Resource Officer for Valley High School when he was notified of an armed subject at Rio Cazadero Continuation School over the Elk Grove Unified School District (EGUSD) Police radio. He responded to the school and was the first officer to arrive. EGUSD Police Sgt. Coleman arrived as he entered the school. An office worker advised Dep. Swisher that the armed suspect was in classroom 2. He was also told that the classroom had been evacuated. Dep. Swisher took cover at the northwest corner of the portable building that contained the classroom the suspect was in. He observed Vice Principal [REDACTED] on the ramp that led to the door of classroom 2. [REDACTED] was crouched down outside the door trying to talk to the suspect. Dep. Swisher observed the suspect exit the door with a shotgun. He observed [REDACTED] grab the shotgun and struggle with the suspect. Dep. Swisher stated he heard two or three shots come from his right and observed several Sacramento Police officers with their guns drawn. He stated that [REDACTED] jumped over the ramp rail and that the suspect raised the shotgun towards him and the other officers. Dep.

Swisher fired at the suspect as did the Sacramento Police officers. The suspect fell on his back and attempted to pick up the shotgun twice. Dep. Swisher yelled at the subject to keep his hands up. Dep. Swisher and the Sacramento Police officers approached the suspect and handcuffed him.

Det. Dorricott conducted a formal interview with Sgt. Ford. At the beginning of the interview, Sgt. Quinn counted each of the live rounds in Sgt. Ford's two extra magazines; there were 12 .40 caliber live rounds in each magazine. He counted the remaining live rounds in the magazine of his handgun; there were four .40 caliber live rounds. Sgt. Ford removed the live round from the chamber of his handgun. The handgun, three magazines and the remaining live rounds were taken as evidence and were later booked.

According to Sgt. Ford, prior to Rodriguez exiting the classroom, he was attempting to make his way across the courtyard to Dep. Swisher's location. When Sgt. Ford was a few feet east of his position of cover near the pillar, he saw Rodriguez exit the classroom with the shotgun in his hands. [REDACTED] was standing in front of Rodriguez and fighting him for the gun. Rodriguez broke free of [REDACTED] and [REDACTED] moved west, away from Rodriguez. Sgt. Ford ordered Rodriguez to drop the gun and he refused. Rodriguez aimed the shotgun directly at Sgt. Ford and Sgt. Ford shot at Rodriguez. Sgt. Ford moved west, toward the pillar, shooting at Rodriguez. When Sgt. Ford got to the pillar, he slipped and fell, injuring the back of his left hand slightly in the fall. Rodriguez was still standing and still had the gun in his hands, aimed at Sgt. Ford. Sgt. Ford took aim and fired at Rodriguez again.

Sgt. Ford then saw Rodriguez fall to the ground and provided cover as Dep. Swisher and Ofc. Hubbard took Rodriguez into custody. Det. Stigerts conducted a formal interview with Ofc. Malmquist. At the beginning of the interview, Sgt. Quinn counted each of the live rounds in Ofc. Malmquist's two extra magazines, there were 12 .40 caliber rounds in each magazine. He then counted the remaining live rounds in the magazine of his handgun, there was one .40 caliber round. Ofc. Malmquist removed the live round from the chamber of his handgun. The handgun, three magazines and the remaining live rounds were taken as evidence and later booked.

According to Ofc. Malmquist, he entered the courtyard from the east end of the Administration building with his partner, Ofc. Elmore. Ofc. Malmquist and Elmore took a position of cover behind the pillar south of the Administration doors. Ofc. Malmquist was aware that the deputy was across the courtyard at the north corner of the classroom building and Sgt. Coleman was at the center pillar with Sgt. Ford. However, from his position, he was unable to see any of the other officers. Ofc. Malmquist had a clear, direct view of the door and saw [REDACTED] standing at the doorway. He saw Rodriguez exit the classroom with the shotgun in his right hand and raise it with his left hand to where it was pointing directly at Dep. Swisher. He saw [REDACTED] grab Rodriguez from behind in a "bear hug" and Rodriguez shrugged him off or [REDACTED] fell to the ground. [REDACTED] landed on the top of the ramp and his back was leaning up against the metal railing.

Ofc. Malmquist was concerned for Dep. Swisher's safety and for the safety of [REDACTED] who was unable to defend himself. He was concerned Rodriguez would turn to shoot [REDACTED] or the deputy. Ofc. Malmquist realized [REDACTED] was out of the line of fire and began shooting at Rodriguez. Rodriguez did not immediately go down and still had

the shotgun in his hands. Ofc. Malmquist fired again and Rodriguez fell to the ground. [REDACTED] had moved west, toward the Multipurpose Room, south of the Administration building, out of Ofc. Malmquist's view. Rodriguez was taken into custody by Dep. Swisher and SPD Ofc. Hubbard who had arrived after the shooting.

Ofc. Malmquist did not give any orders to Rodriguez as he heard orders being given by Dep. Swisher and felt there would be less confusion if only one person were giving Rodriguez commands.

Det. Husted learned from [REDACTED] that Rodriguez had the students detained in the classroom for 5-10 minutes before [REDACTED] arrived at the classroom to assist in calming Rodriguez. He further learned that once officers were on scene, [REDACTED] heard officers giving Rodriguez commands to "put down the gun".

At approximately 1120 Hrs. Det. Husted and CSI personnel began processing the scene for evidence. A total of 25 expended .40 caliber casings were found outside in the quad area of the campus. The casings were spread among three separate locations that were consistent with where the three officers had been located at the time they fired upon the suspect. A loaded 12-gauge Mossberg shotgun was found on the ground outside the door of classroom 2. The safety on the shotgun was off, and there was one live round chambered with three additional live rounds in the magazine tube. There was also a live shotgun round on the ground in close proximity to the shotgun. A silver Powerline Air pistol (semi-automatic pistol replica) was also found on the ground outside the door to classroom 2. A baseball bat bag containing a box of additional live shotgun rounds was subsequently located inside classroom 2. There were multiple bullet holes in the west wall of classroom 2 in close proximity to where the suspect had been standing when he was fired upon.

Det. Sledge interviewed Vice Principal [REDACTED] at UCD Medical Center where he was transported with an injury to his ankle. [REDACTED] stated he was a retired Los Angeles Police Department detective and was familiar with police procedure. He was in fear for the safety the students and teacher in classroom 2 and responded to the classroom to attempt to calm the situation and prevent harm to anyone. He was also in fear of Rodriguez's safety as he was suicidal and [REDACTED] believed he might shoot at the officers to cause them to shoot and kill him. [REDACTED] was fully aware that was a possibility and was attempting to keep Rodriguez from exiting the classroom when officers arrived.

Once Rodriguez aimed the shotgun at officers, [REDACTED] attempted to get out of the line of fire and take cover away from Rodriguez. He climbed through the railing at the ramp and began to head toward the Multipurpose Room. Once officers fired the first shots, he was on the ground, west of the ramp and felt a sharp pain in his right ankle. It was later determined that [REDACTED] had been shot with a handgun. He was treated at the hospital and released. [REDACTED] knew Rodriguez on sight as a student at the school for 2-3 years and identified him from his driver's license photo.

No other students were injured and no officers were injured. Each of the students from classroom 2, as well as [REDACTED] and detectives formally interviewed three other teachers from the school. Detectives interviewed two independent, adult witnesses and six (6) students from the adjoining classrooms formally. Detectives formally interviewed the three involved officers and the two officers that did not fire their weapons.

CRIME CODE SECTION

VICTIM:

VICTIM ██████'S STATEMENT:

ON 10-01-03, AT APPROX 1100 HRS, I (BV60) CONTACTED VICTIM ██████ IN AREA 3 OF THE UCD MED CENTER. HE WAS LYING ON A HOSPITAL BED AND HAD JUST BEEN SEEN BY A DOCTOR. HE TOLD ME THE FOLLOWING IN SUMMARY:

I AM A FULL TIME TEACHER AT RIO CAZADERO HIGH SCHOOL (7825 GRAND STAFF DR). TODAY, 10-01-03, I WAS AT WORK IN MY OFFICE AT APPROX. 0849 HRS. I WAS INFORMED BY SCHOOL STAFF THAT THERE WAS A SUBJ WITH A GUN INSIDE CLASSROOM #2. I LEFT MY OFFICE AND RAN TOWARD THE CLASS. AS I WAS APPROACHING THE ROOM, I SAW KIDS RUNNING OUT OF THE CLASSROOM. THEY WERE YELLING THAT SOMEONE WAS ARMED WITH A SHOTGUN AND THAT THE GUY HAD GONE CRAZY.

I CANNOT REMEMBER IF I OPENED THE DOOR TO THE CLASSROOM OR IF IT WAS ALREADY OPEN, BUT I REMEMBERED THAT I ENTERED THE CLASSROOM AND STOOD IN THE DOORWAY. I LOOKED INSIDE THE ROOM AND SAW A SUBJ I RECOGNIZED AS "MARIO". HE WAS HOLDING A SHOTGUN IN HIS HANDS. THERE WERE APPROX. FOUR TO FIVE MORE KIDS IN THE ROOM. MARIO TURNED TO THE KIDS AND SAID "GO ON AND GET OUT." THE REST OF THE KIDS RAN OUT OF THE ROOM.

I STOOD AT THE DOOR TRYING TO TALK TO MARIO. HE WAS TALKING TO HIMSELF REPEATING "IT'S ALL OVER. IT'S NO USE." HE WAS SAYING THIS TO HIMSELF OVER AND OVER. I FINALLY GOT HIS ATTENTION AND TOLD HIM TO PUT THE GUN DOWN. HE PUT THE BARREL UNDER HIS CHIN AND REPEATED "IT'S ALL OVER. IT'S NO USE." HE HAD HIS FINGER ON THE TRIGGER. I THOUGHT HE WAS GONNA PULL THE TRIGGER. I TOOK A STEP INTO THE ROOM AND MARIO STOOD UP AND WITH HIS RIGHT HAND, PULLED A CHROME PLATED AUTOMATIC FROM HIS WAIST BAN. HE WAS PACING BACK AND FORTH ACROSS THE ROOM. I KEPT TRYING TO TALK TO HIM. I WAS TRYING TO USE MY SCHOOL RADIO BUT IT WASN'T WORKING.

I ASKED HIM WHAT WAS WRONG AND WHAT THE PROBLEM WAS, MARIO JUST REPLIED "TALK TO MY COUSIN". I DO NOT KNOW WHAT HE MEANT BY THAT.

IT SEEMED LIKE AN HOUR HAD GONE BY SINCE I GOT TO THE ROOM, BUT I THINK IT WAS

ONLY ABOUT FIVE TO SEVEN MINUTES.

I COULD NOT SEE BEHIND ME. MARIO LOOKED AS IF HE WAS LOOKING OVER MY SHOULDER. HE STATED "THEY ARE HERE. IT'S TIME I HEADED OUT."

MARIO THEN PUSHED PAST ME IN THE DOOR AND WALKED OUTSIDE. HE WAS STILL HOLDING THE SHOTGUN IN HIS HANDS. I DO NOT REMEMBER WHERE HE PUT THE AUTOMATIC PISTOL AT THIS POINT. I TURNED AS HE WALKED BY AND SAW UNIFORMED POLICE OFFICER'S STANDING IN FRONT OF US. I KNEW WHAT WAS GOING TO HAPPEN. I JUMPED ON THE BACK OF MARIO AND TRIED TO KEEP HIM FROM WALKING OUT THERE. I WAS ON HIS BACK WHEN I HEARD THE FIRST "POP". I COULD HEAR THE OFFICER'S YELLING AT MARIO " TO PUT THE GUN DOWN AND GET ON THE GROUND." I KNEW THEY WERE SHOOTING AT MARIO, SO I LET GO AND TRIED TO DIVE OUT OF THE WAY. THAT IS WHEN I FELT A "STING" IN MY RIGHT ANKLE. I HEARD APPROX. THREE TO FIVE SHOTS. I STARTED TO CRAWL AWAY ACROSS THE GRASS. I LOOKED BACK AND SAW MARIO LAYING ON THE GROUND. I COULD HEAR THE OFFICER'S YELLING AT MARIO. THEY WERE YELLING DON'T MOVE. PUT THE GUN DOWN. DON'T MOVE." I DID NOT HEAR ANY MORE SHOOTING. I CONTINUED TO CRAWL UNTIL I WAS NEAR THE GARBAGE CAN. I SAW TWO UNIFORMED POLICE OFFICER'S WALK UP TO MARIO. MY VISION WAS BLOCKED AFTER THAT. I COULD NOT SEE ANYTHING ELSE.

I LOOKED DOWN AT MY RIGHT LEG AND COULD SEE BLOOD. I SAW A HOLE IN MY RIGHT PANT LEG AND KNEW I HAD BEEN SHOT. A UNIFORMED POLICE OFFICER CAME UP TO ME AND ASKED IF I WAS OK. I TOLD HIM I THOUGHT I HAD BEEN SHOT. HE TOLD ME NOT TO MOVE UNTIL THE FIRE DEPARTMENT GOT THERE. THE NEXT THING I KNEW, I WAS IN AN AMBULANCE ON THE WAY TO THE HOSPITAL.

I DON'T KNOW HOW I GOT SHOT. I KNOW THAT WHEN MARIO WALKED PAST ME, HE NEVER LOOKED BACK. HE NEVER POINTED A GUN AT ME AND I DON'T THINK HE FIRED A SHOT. THIS WAS JUST A BAD SITUATION THAT GOT WORSE.

REPORT # 03-86063

VICTIM: [REDACTED]

NARRATIVE SECTION

FOLLOW-UP INVESTIGATION:

1125 hrs., October 1, 2003. I responded to the Emergency Room at the UC Davis Medical Center on Stockton Blvd. and made contact with the victim. This interview was audio taped and this is a summary of that interview:

I identified myself to the victim and advised him that I was doing follow-up investigation on a 245 PC. I asked him what happened and he stated in summary:

Victim stated that someone in the office said, "Room two! Now! Respond!" Victim stated that he started walking toward room two. He saw students coming out of the door and running and heard them say he's got a gun. He asked the students, "Who?" but they kept running and they didn't answer him.

Victim stated that he walked to room number two and stood in the doorway and saw a student by the name of Mario Rodriguez holding a single barrel, 12 gauge shotgun underneath his chin.

Victim saw other kids in the room, maybe six or eight, and Mario told them to, "Get out of here," and all six to eight students rushed past me and ran out of the room.

Victim stated that he tried to talk to the suspect, trying to get him to put the gun down. He kept pointing the shotgun underneath his chin and saying, "It's over with. I'm through. It's no use anymore." Victim asked the suspect if he talked it over with anyone, but the suspect kept passing the gun back and forth, pointing it underneath his chin. Victim stated that at one point the suspect put the shotgun down on a table and pulled out an automatic from his waistband. Victim stated that he was standing about twenty feet away from the suspect, at this point.

Victim stated that he heard sirens in the background and he saw that the suspect, Mario, kept getting agitated and put the gun underneath his chin and the victim said Mario finally said, "Police are here, time to go." And suspect started approaching the victim and the victim stated that he could see the suspect was looking past him out the door to see what was happening outside into the schoolyard.

Victim stated that the suspect stepped through the door past him and victim stated he grabbed suspect from behind and was wrestling with him and he heard a pop come from the quad area. He thought he heard three or four shots.

Victim stated that he released the suspect and fell backwards and he felt a sting in his right ankle about that time and then he stated he heard more shots.

Victim stated that as he was wrestling with the suspect, that the suspect had a pistol in one hand and a shotgun in the other.

Victim stated that he has known Mario, the suspect, for about two or three years. At this point, I showed a photograph of Mario Rodriguez, it was his ID photo, and the victim stated, "Yes, this is Mario Rodriguez, the one with the shotgun and the one I wrestled with."

About this time, an emergency room doctor came in and looked at the victim's ankle and stated that the trajectory of the wound indicated it came along the side of his foot and this was a bullet wound and not a shotgun wound. The doctor stated that the victim would have to be x-rayed, then he would be okay, get him washed up, and then he would be released.

I asked the victim when he was wrestling with the suspect, when did he hear the pop? Victim stated that he heard the pop about five to ten seconds after he had grabbed Mario and was wrestling with him.

Victim stated that he had discipline problems in the past with Mario and that a couple weeks ago he told Mario that he was being referred to adult education.

Victim indicated he did not know what kind of problems the suspect had because he wouldn't tell him and he didn't know what the problem was.

I parked my patrol car in front of the school right in front of the Rio Casadero sign, there is a cement sign there. OLIVEIRA : Okay. Did you know where those shots were coming from or from who?

SWISHER : No, in fact they scared me to death at first because I was so focused and didn't know anyone was down there. The only other person at that point that I knew was there was Sergeant Coleman. And it scared me. I moved back around the corner in the position of cover and I looked over in that area where the shots were coming from, and I saw two, I believe it was two or three Sac PD officers standing behind the pillars over there.

OLIVEIRA : Okay. Were they, did they have their guns drawn?

SWISHER : Yeah. Yes they did.

OLIVEIRA : Alright. So you hear the shots, you back up around the corner to look where they're coming from, you see them behind the pillars. And are these the same pillars that you came out the back door of the office?

SWISHER : Yes they are.

OLIVEIRA : And what did you see when you looked over there? Were the officers firing?

SWISHER : It was just the original couple of rounds, and I dropped my gun down and I looked over there, and it was a split second. It only took me a second, and I was just trying to see to make sure that there wasn't another shooter coming out, coming out, I didn't know where they were coming from. And

as soon as I saw that they were SPD, I trained my gun back down on the suspect again. And to be honest, I really don't know if they were SPD, I just looked over there and knew they were uniformed officers, I saw guns, and knew they weren't focusing on me.

OLIVEIRA : So you looked back at the suspect and drew down or continued pointing your firearm toward him. You recall, it happens real quick, but you recall how many shots you heard when the shots surprised you?

SWISHER : It sounded like two or three.

OLIVEIRA : Okay. So you looked back at the guy, you point your firearm back at him again. What do you see?

SWISHER : The administrator was stumbling on the ground at this point now, and I think, it looked to me like the administrator realized that we were there at that point.

OLIVEIRA : When you say stumbling on the ground, on the ramp or off the ramp?

SWISHER : He was at the very top of the ramp, at the top portion of the ramp, and I don't believe he was even out the flat area, he was right there in that area.

OLIVEIRA : So not the flat portion, but the part that was still elevated?

And the administrator moved between the suspect and the rail, there's a metal rail that runs along that ramp, and he was trying to get the hell out of there as fast as he could, I could tell. And he stumbled, I think he tripped over something else. I think there was a brown plastic chair or something at the top of the ramp, I'm not positive, but there was something there that he was stumbling over and having a hard time trying to get over that rail on the south side of that flight area. Right outside where there was a rail, and he climbed over that thing and fell to the ground.

OLIVEIRA : Okay. There's a fence that runs along that classroom, right?

And I had a clean shot at him at that point. He brought the shotgun, the administrator let go of it, and the shotgun came up like this, and I started firing at him.

hands. And he was wrestling with the guy. And the administrator was originally in the crouched position down below the window.

OLIVEIRA : Before he came out?

SWISHER : Before he came out. Then he grabbed that shotgun and he was still crouched down, so he wasn't completely standing up. So he was crouched down and wrestling with his gun.

OLIVEIRA : Could you demonstrate for me, just kind of figure out, was he down on a knee or...

SWISHER : It's like the suspect was here, he was down, it looked like he was down like this. (See video for demonstration.)

OLIVEIRA : Trying to hold the barrel down.

SWISHER : Trying to hold the barrel down.

OLIVEIRA : Was that about as far as it goes down?

SWISHER : Yes. About like this. And at some point it looked to me like he had the barrel between his legs. And it was probably like a split second.

OLIVEIRA : And the suspect is standing straight up?

SWISHER : The suspect, well yeah, his arms were down like this. He wasn't, when he originally came out, he was like this, and then the person, the administrator grabbed the gun like that. So he brought it down just a bit.

SWISHER : Yeah. You could still see the suspect standing, you know, you still had a good view of his body because the administrator was down here. Because the administrator was in a crouched position from here. If this is the door, where I am now, when the guy came out the administrator grabbed that gun and he was still crouched down.

OLIVEIRA : Okay. And was the administrator near the wall of the building?

SWISHER : He was right next to the wall.

OLIVEIRA : Right next, against the wall.

OLIVEIRA : After the shots?

SWISHER : After the shots. Then he was flailing trying to get over, and he got back over that back thing, and the guy brought the gun like this, kind of like up. And he was turning. MALMQUIST: So I took the southbound turn and parked directly in front of the, uh, the school. There were already a number of SSD units there.

STIGERTS: Okay.

MALMQUIST: Ran up to the door with my partner. The door was locked. There were three or four students standing right inside the door.

STIGERTS: Okay.

MALMQUIST: So I pounded on the door, they looked and saw who it was, they immediately opened the door for us. Uh, I ran in. I could see there's a...there's probably about a twenty-foot hallway.

STIGERTS: Okay.

MALMQUIST: Um, just kind of the front foyer of this school.

STIGERTS: Uh-huh.

MALMQUIST: I could see an Elk Grove police officer, um, there's another set of double doors that goes to the courtyard.

STIGERTS: Okay.

MALMQUIST: They have these little windows. Much like the window there.

STIGERTS: Okay.

MALMQUIST: I could see an...an Elk Grove officer standing right there looking, which would be southbound to my right. Uh, I immediately went to that door and opened that door and went through that door.

STIGERTS: Okay.

MALMQUIST: It was at that time that I saw Sergeant Ford there. He was standing, um, by a column, stucco column, directly in front of the

STIGERTS: Okay.

MALMQUIST: Um, he would have...would have been on the north side of that...of that column.

STIGERTS: Okay.

MALMQUIST: The Elk Grove officer would have been on the west side of that column. Both looking down to my right to the south, southeast direction. Um, it's kinda at the same time as I came through the door, I heard Sergeant Ford say, "There he is. There he is. There he is. Right by the door, there he is." I looked and I saw two males in front of a...a classroom at the top of a small ramp, a handicap access ramp.

STIGERTS: Okay.

MALMQUIST: Um, there was a... one male, uh, holding a shotgun, the second male was in a red shirt, uh, he had him in a bear hug from behind. Um, and they were...they were kind of wrestling on the ramp.

STIGERTS: Okay.

MALMQUIST: Um, at that point, I...I drew my gun, at that point. And I ran about ten feet to the south to another column and took, uh, position behind that...that column. I had an un-...uh, un-obstructive view of what was going on, on the ramp in front of that classroom.

STIGERTS: Okay.

MALMQUIST: Um, I was there for a few seconds, not very long. Before that...that man that was bear hugging our suspect either got thrown...thrown off him or he fell off him or, I'm not quite sure how he ended up, but he ended up on his backside, on his butt, uh, kinda in the corner of the handicap ramp rail.

STIGERTS: Okay.

MALMQUIST: Um, after that man fell...after that man fell off, he turned towards looking north...what would be northbound.

Uh, at some point during that first exchange that, that, the guy was wrestling with him, the administrator, uh, somehow, I don't know if he jumped over the railing or if he climbed through the railing, but he had made it to a grassy area directly in front of that, that classroom. It's probably ten, fifteen feet from the suspect.

Um, so he first went to the next corner, would have been the corner of the gymnasium.

He was lying in...in the parking lot just south of the fence there and he was bleeding from the...from the ankle. He took a round in the Achilles. It wasn't bleeding real bad, but it was...it was open. Uh, I ran to my car, grabbed my trauma kit, came back, put a...get a...put a gauze pad on it and held it there 'til the medics got there.

And...and...initially, I mean, eventually you said that the administrator was on the ground, that sort of thing, but initially, when it happened, you probably didn't know who everybody is, I assuming?

MALMQUIST: When I first saw the suspect, he was, um, he was engaged in a...in a wrestling match with that administrator so I didn't know if that administrator had been shot or what. Um, and then when that guy fell back, I thought, I mean if this guy turns with that shotgun, he's point blank. If he pulls the trigger...And then he levels it off, um, at the officer that's north of him. My first thought is, I mean, I was...I was...I was scared for that officer, but I was more worried about the administrator cause he can protect himself. At least the officer can protect himself. He can find cover, he's got a...you got a weapon. So I was...I was more concerned for that administrator than I was for the officer, at the time.

STIGERTS: Okay. Um, then you...when exactly did you fire your weapon?

MALMQUIST: He ...when he leveled off the shotgun, um, I could only assume that...that...that...that officer, uh, that was just north of him, um, was pointed at that officer. Like I said, I didn't see him at that time.

Initially the, uh, administrator had a hold of the suspect, um, and you know shrugged him or fell off or whatever, um, then you said he was about four to six feet from him. When you first started firing, um, at him, you said he kind of did two different little bursts. When you fired at him, um, where was the victim at when you fired at him the first time?

And I went into the administration building and as I went into the administration building I noticed, uh, the Elk Grove officer, a Black officer, was outside so I went through there, unholstered my weapon and contacted him. Uh, he advised me that the subject was in room number two. I, uh, I may have asked him which room. He said number two. He pointed to the far southern room of that particular building. DORRICOTT: Yeah, and did you get to (inaudible) out there?

ELMORE: No we didn't, we were D zero for the high school right there, Burbank.

DORRICOTT: Okay, explain that, D zero for the high school.

ELMORE: Uh, during the incident yesterday, we were assigned to come in and additionally go D zero in the area, high profile visibility, enforce actions to make sure nothing else happens at any of these schools. And because that was in Sector 5, that's the one we were assigned.

DORRICOTT: Burbank?

ELMORE: Yeah.

DORRICOTT: So now at Southgate Mobile Home Park, how far away was that from...

ELMORE: Oh, that's just right across the street from the high school.

ELMORE: Correct.

DORRICOTT: And then, when the call came out, you were at the mobile home park. How did the call come out?

ELMORE: Uh, it came out, I think it was a 927 weapons, subject at the school with a gun.

DORRICOTT: Okay, then what did you do?

ELMORE: It didn't sound like there was a whole lot of units putting, getting on the call that they were available to go to call, and so I just got on the radio and said, "Delta 51, show us en route to that call." And then we went Code 3 from our location to the school.

DORRICOTT: Okay. And how far away from Burbank is, what school was this, this is?

ELMORE: This is the one at Florin and Luther.

Went to Mack Road, went eastbound on Mack, then we went southbound on Center Parkway, and then eastbound on Bamford, and then southbound on Grandstaff and stopped.

DORRICOTT: Okay good. How long do you think it took you to get to the call?

ELMORE: I'd say maybe three to five minutes, something like that.

DORRICOTT: Okay. And okay, you want to go through, and whatever units responded at the same time that you are aware of?

ELMORE: I heard Sam5 say that he was on it. And when we were about half-way there, I heard, I think it was Bravo52, I know it was Officer Hubbard, because I recognized his voice on the radio, put himself on it and said he was en route. And other than that, I don't remember anyone else putting themselves on.

DORRICOTT: Okay. Were you driving or was Malmquist?

because I had Officer Malmquist in front of me and all we had was this pillar right there. So if I would have went out past him, I would have been exposed. If I went out this way, I could have gotten too close to Sergeant Ford in his line of fire. So I heard shots fired. I then jumped on the radio and said, "Shots fired." And then at that point, we were still watching him. And then he then dropped down. And then the administrator, or who I now know was the administrator, ran basically from that location right this way towards the parking lot to get out of there. Um, which is one of our main concerns, because we knew that this probably wasn't a bad person, wasn't a suspect, he was somebody who was trying to detain this person, and we wanted to get him out of that picture as soon as possible. So we were yelling at him the whole time to get out of there, and stuff like that. And then he finally did get out of there and head towards the parking lot. We didn't know what his status was or anything, we just knew that he went that way. And at that point the suspect was kind of down on his back, but almost sitting up, but not all the way and he's still got the shotgun right next to him, and he's still got at least one hand on that shotgun. So I've been told, Malmquist, because we were a distance away from this guy, and I wanted to try to get closer to get, if need be, the best shot I could get.

And at that point the officers were telling him, "Don't move. Keep our hands up. Don't move." And they were basically working something out to approach this guy and get that shotgun away from him and take him into custody. And at that point, I don't know how long, it did happen so fast, but there was two officers moved up. I believe was from SSD deputy, moved up with the officer and he moved the shotgun out of the way, just kind of slid it, to where he didn't have access to it, and then they cuffed him up and took him into custody. And then once that took place, I got on the radio and said, "We need Code 3 Fire, Code 3 Fire." And I ran over to the administrator and tried to find out where this administrator was. And that's when I found him, just right over here in the parking lot. And noticed that he had a gunshot wound to his, his foot.

DORRICOTT: Okay.

So that's why Gary and I worked together for awhile, so I knew that I would just hang out with him and then if he needed to move or needed to do something, that we would just work together, you know what I'm saying? So I was basically hanging out there until we knew what we had to do from there.

DORRICOTT: Okay. Now your line of vision was obscured, you could see him, but you couldn't, um, what were you looking at? How big of an area? I mean, you were able to see him obviously?

ELMORE: Oh yeah. I could see him clear as day. I could see the entire front modular classroom, there was door 1 and door 2. I could see that entire thing, and I could see a lot of the chainlink fence on the sides.

DORRICOTT: Was this your, you were exposed, is (inaudible), so, you...

ELMORE: Yeah. As I'm back, on seeing this, and as I'm peeking around this pillar, I'm seeing this as well. Because I want to see exactly what's going on the whole time. I'm not necessarily behind the pillar to where I can't see anything. I'm by the pillar where if it looks like he's pointing it at me, I could jump back behind that for cover right quick. But I'm exposed so that I can see. You know what I'm saying? So I'm out the whole time where I can see the whole thing, what's going on, but I'm close enough to where if I need to jump behind that thing, I can.

DORRICOTT: Okay, so when Malmquist and Sergeant Ford fired, you couldn't get a line-up shot from...

ELMORE: No, I was, I was....

DORRICOTT: Explain what, because I'm kind of thinking, you got the exit and then you got down, you know, up by the doors, so is there something that prevented you from shooting between the exit and getting to Malmquist and taking cover?

ELMORE: If I would have done that, I would have shot the pillar.

DORRICOTT: Okay. That's what I was trying to see.

ELMORE: Yeah, if I come out, as I come out and I look at an angle and I'm going for that pillar for cover and I'm seeing what he was doing, if I was to start firing I would shoot that pillar, so I would either have to come out wider into that courtyard there and uh.

ELMORE: Okay. I'll just, say that there is a door here, and that the whole classroom with the ramp and everything and the door is over here. And as we come out of this door, and this distance right here is, I don't know, maybe four to six feet.

DORRICOTT: From the what?

ELMORE: Yeah, from the wall here because you exit here and then there's wall here and wall here, and the distance between this is not very great at all.

DORRICOTT: So four to six feet?

ELMORE: Yeah, roughly.

DORRICOTT: Something like that.

ELMORE: Um, so as we come out, we basically start looking this way, which as we're coming out we see the gunman and we see this pillar here. Well, Gary takes up here, and if you see what I'm saying, if I come out here, I'm kind of exposed. And these pillars in the drawing looks big enough to where I can up a position here, but they're not big enough for me to do that because Sergeant Ford is over here and I'm not watching exactly what he's doing the whole time.

I just know that he's pointing a shotgun basically right at us. So I know shots ring out. Um, I know he gets hit because he goes down. And I know he's laying there with a shotgun right next to him. So at that point I told Gary, "Hey, I need to get over here. I'm going to get over here." And that's when we talked and then I moved.

DORRICOTT: Okay. Um, did you ever see the SSD officers at all?

ELMORE: You know when I first got there, I did see SSD initially as we were rolling out, I saw them block the intersection, and then as we came back out here, I did see at least on SSD over in here somewhere. I don't know exactly where. And I don't know, there may have been more than one.

DORRICOTT: What area was that?

ELMORE: Um, kind of right over here where that path cuts across right there.

DORRICOTT: I don't know, so let me see if I can synopsise this thing, and you guys are near Burbank, you're D-zero, you're at mobile home park, you get the call, you go Code-3. Anyhow, you end up parking. You're told to go to the office. You park in front of the office here on Grandstaff. You come through the office. When you and Malmquist come through the office, there are several kids in there and they're just pointing out, and one makes a motion like he's got a shotgun and swinging it around. And at first you just got the call that a gun was involved, but as you got to the scene, sometime here correct me, you heard a shotgun was involved.

You come through the office, and just before about 4 to 5 feet there are a couple of pillars, and as soon as you come on it, you see the guy that just happened to be coming out of a school building off to your right as you're exiting the office. And he's coming down the ramp. You see Sergeant Ford over by one pillar to your left and Malmquist is in front of you and goes to the pillar on the right. And you see the guy, and your first thought is you see the shotgun swinging over the courtyard towards your area and other civilians, whether they be teachers or students. You realize that you could get shot. You go for cover. And like right now (snaps fingers) shots fired. You know Sergeant Ford shot first, followed by Malmquist. You don't have a good angle to fire. And just prior to this you saw deputies exposed in the courtyard area, that would have been, you indicated like they would have been in his line of fire.

ELMORE: Yes, they would have. Because they were almost perfectly in line with the building right here.

DORRICOTT: Okay. So at that point you see someone trying to tackle the individual with the shotgun. He's trying to break free, and eventually he does. The subject trying to tackle with a bear-hug and cannot continue. He does get free. And the shooting happens after he breaks free.

[REDACTED] And I still stayed there in the doorway, and Mario is at this time, and I'm saying, "Mario, what's the problem?" You know, "Set the gun. This is not called for. Let's talk about this." And he said, "No, I don't want to talk about it." Then he starts like, "You know, life is over with, I've tried to best I could do, and things are just not working out." And see, in my mind what's happening now is that I had told him earlier part of this week or last week, I can't recall, he is one of our (inaudible) Seniors, and I told him that if he doesn't straighten up and get his attendance right and his grades right, we're going to drop him as of the 23rd of October. Okay, because that's the end of the quarter, and if he's (inaudible) Senior and not producing, we need to make room for other students. And I had told him that.

SLEDGE: Okay.

[REDACTED] Okay? And I'm thinking in my mind, this is why he's mad at me. Okay? And that's when I started thinking, "Well, he doesn't appear to be mad at me, but I think he's mad at the whole school situation." So, you know, what, this goes on for you know, I don't know, five minutes. I'm trying to get him to set the gun down, and I tried to tell him, and he said, "No." I asked him if he has talked with anybody, if he wanted to talk to his parents, if he wanted to talk with anybody, and in between he's taking the shotgun and sticking it up in front of his chin like this, you know. And at one point he set the shotgun down, reaches in his waistband. I didn't even see it. He pulls out this, this automatic. Okay? And I said, "Oh-oh, he's got two guns now." Now, right. So what do I do? So I figured if I could get close to him with the shotgun, then I would, maybe I could wrestle it away from him, but you know, now he's got a revolver, or not a, uh, an automatic, chrome plated.

[REDACTED] Okay? And tried, tried to get in between, because that little walkway goes up and you've got a little car like that, and I was trying to get to cover behind there.

SLEDGE: Yeah.

[REDACTED] Yeah, and I got in there and I couldn't get my big behind--(laughs) okay, let me try to get out of here. Okay? And then I started hearing the shots, and like I said, after that it was almost like a blank. I do recall somebody saying, "Put the gun down!" And I kept looking and saying, "What are they talking about?" I don't know if he was laying on the ground with the gun in his hand, but I'm pretty sure that he wasn't standing up with the gun or anything. In fact when I tried turned around, because I was already off across the grass.

SLEDGE: Okay.

[REDACTED] And I don't know when he got knocked down.

SLEDGE: Okay. Lets go back to when he pushes past you...

He comes out here, I grab him, when I let him go, there's a rail, it's this, this small rail this far from the ground, and then there's a bigger one up here. And I'm trying to get in between this one here and this one there. And I fell over. Because there's a little embankment there. And I go over. That's when I feel the, the, the sting.

What I try to do with guys like that, especially if, you know, I had a prior, I had a prior contract with Mario regarding his behavior because he did something in the classroom...in [REDACTED] classroom or where they had a sub, he was talking and being defiant or something like that, and I told him then that he's on the fence. Okay? But his parents weren't there. But I just wanted him to know what was happening, not to just get a letter at home and be shocked that all of a sudden he's getting kicked out. Because he still had three weeks to make good, you know, to earn the credit to stay there. And that's all they wanted anyway.

SLEDGE: So he knew that, you told him, "Hey, you give me these credits , and you'll be able to stay."

[REDACTED] Right. Um-hmm. But you see, I didn't know how he took it, that's why when I walked into the classroom, you know, and he's mad, and he started talking about, you know, "I'm giving up, I've done all this work and I'm trying to do the best I can, you know, it's not worth it anymore," I'm thinking that he's talking to me, you know, because we're going to get rid of him, and put him out of school. But the more and more I talked with him, it doesn't appear that way, because when I asked him, "What's it all about? Do you want to talk about it?" I knew about the school, so why would he say, "I don't want to talk about it." He could have talked to me and said, "You're putting me out of here," or something. was blowing to room 2. Now at that time, if somebody let a kid the way into the office, the one that passed me might have told the office that, what was going on. So I went, before I could get to room 2, the signal went off. It's like the way the European sirens "Dee-dah-dah-dah" (singing a siren sound) on the school grounds. And now all the clearance from teachers are told to lock their doors. And any school that started inside, outside the campus, needs to get into any room, we don't care what room it is they go into, just get, clear the campus when they hear that signal.

[REDACTED] To keep him in the room, isolated from, first of all, isolate him from the other students, okay? Then isolate him from coming out into that campus, you know, because if he was out there running around with a gun, I knew that's what was going to happen. Because the way he was (inaudible), I was concerned about him. And I just didn't want, you know, I didn't want him to go out of that room. [REDACTED] So he could see out, yeah, he could see out.

SLEDGE: Did he say, okay, what were his exact words when he saw that they were here, what did he say between...

[REDACTED] Okay, he said, "The police are here, the police are here." Okay. Then he said, okay, "Now it's time to go." Or "It's time to go." Something that went along those words. I can't remember exactly what he said.

SLEDGE: When he says, "It's time to go, then he's..."

[REDACTED] He's coming towards me, he's not running or anything. He's just walking. I don't know if he's...

SLEDGE: He's got, what's he got in his hands. He's got the shotgun?

[REDACTED] He's got the shotgun, he's got the revolver here and the shotgun here. I'm standing right here and I'm looking at the revolver. That's why I thought it was an automatic. I think it looks funny. Alright?

SLEDGE: Um-hmm.

[REDACTED] Well, like I said, I just looked at it for a few seconds, and he's passing me now and I'm trying to move behind him to get him to come back. And you asked me if I grabbed the shotgun, I think I grabbed his arm here, and pulled them back, and he twisted away from me, and that's when I tried to grab him some more, and he twisted away from me, and that might have been when I heard the shot.

SLEDGE: The second grab.

[REDACTED] I don't remember grabbing that shotgun. I don't remember him, I mean, I don't remember touching that shotgun. I can't, I can't, I'm not saying it didn't happen, I'm just saying I don't remember grabbing the barrel of that shotgun.

SLEDGE: Okay.

[REDACTED] But I wouldn't have known what to do with it then.

SLEDGE: And then you heard distinctly after you bailed away from him, you hear one "pop" which you recognized as a gunshot.

[REDACTED] Yeah, right.

[REDACTED] I, I didn't trip and fall. I fell down to get away. I, I, purposely hit the ground to get away.

SLEDGE: Okay, when you hit the ground, was your foot or your ankle hurting at that time?

[REDACTED] When I hit the ground, I realized there was a sting. I felt the sting, when I hit the ground I felt the sting.

SLEDGE: Okay.

[REDACTED] And I looked and saw the pants, now I don't know exactly when I got hit, but I felt the sting because like I said, I'm consciously trying to find out where are they shooting me at, in my head, my shoulder, or where I'm getting hit. And by that time, I'm already on the ground, that's when I feel the sting.

If you're going to throw yourself on the ground, you're not going to throw yourself backwards unless you lost your balance from struggling with him. WITNESS SUPPLEMENT:

On 10-1-03 at approximately 1055 hrs., I met with [REDACTED] Mr. [REDACTED] is the father of suspect Mario Rodriguez. Prior to getting Mr. [REDACTED]'s statement, I explained to him that his son had been involved in a incident at Rio Cazadero high school. I further explained that his son had brought guns onto the school campus and had apparently shot someone on the campus. That his son was shot by police officers, who had responded the scene.

On hearing this news Mr. [REDACTED] was visibly shocked and upset (started to cry). Once Mr. [REDACTED] was able to compose himself, I questioned him about his son. Mr. [REDACTED] told me the following (statement not verbatim).

Mr. [REDACTED] states that his son has been upset lately because his son had recently broken up with his girlfriend. Mr. [REDACTED] only knew the girlfriend's first name, [REDACTED]. According to Mr. [REDACTED] [REDACTED] broke up with his son last Friday (9-26-03). Mr. [REDACTED] does not know why they broke up, but he could tell his son was depressed over the break-up. His son spent most of the weekend quite and non-communicative with his parents, which is unusual for him. According to Mr. [REDACTED] [REDACTED] and his son had been going together for about two months and that [REDACTED] attends McClatchy high school.

I asked Mr. [REDACTED] if his son was having any problems with anyone at Rio Cazadero. Mr. [REDACTED] told me that his son liked everyone at the school. The son told his parents that he liked the school's Principal, Vice-principal, teachers and his councilors. As

I asked Mr. [REDACTED] if there were any guns in the house. He me told that there were no guns in the house. Mr. [REDACTED] was asked when was the last time his son had spoken with [REDACTED] Mrs. [REDACTED] who entered the front living room where I was talking with her husband, said that she had talked to [REDACTED] s mother on Monday (9-29-03). [REDACTED] s mom asked that Mrs. [REDACTED] tell her son (Mario) not to call [REDACTED] anymore. Apparently [REDACTED] s mother thought Mario was calling [REDACTED] at home to often. Mr. [REDACTED] had no more additional information to give. He was allowed to go pick up his other son [REDACTED] from school. (Det. Husted)

10-1-03 at approx. 1005 Hrs. R/O (Detective Husted) contacted [REDACTED] inside the administration building at Rio Cazadero High School, and he provided some initial information as to the circumstances surrounding the shooting incident. The conversation was not recorded, and the following is a summary of the information provided by [REDACTED]

I was in class when Mario walked into the classroom with a big black gun in his hand. He was crying, and I saw blood coming from his nose and mouth. He put the gun up to his neck, and he said, "[REDACTED] it is over". [REDACTED] is the name of the teacher. Mario then started pointing the gun at everyone in class, and he was saying, "Its over".

[REDACTED] tried to talk to Mario, and after a while Mario told all of us to get out. There were about 9 or 10 of us in there, and we left running. This all happened around 8:45am. All of us ran to the office, and the police arrived about five minutes later.

[REDACTED] had come outside, and he was trying to calm Mario down. [REDACTED] is an ex-cop. When the police got there, they were telling Mario to put the gun down. [REDACTED] and [REDACTED] were still by the class, and they were trying to get Mario to put the gun down. I heard Mario fire a shot first, but I don't know where his gun was pointed. The police then shot at Mario like ten times.

Once I got into the office before the shooting, I watched what had happened through the office window.

(Note: [REDACTED] was later interviewed for more exact details of what he witnessed - see statement)

Witness Statement: [REDACTED]

On Wednesday, 10/1/03 at about 1345 hrs. I met with the witness [REDACTED] in an interview room at the Detective Division of the Sacramento Police Department. I obtained the following statement in summary:

I have been going to Rio Cazadero for the last 8-9 months. My classes rotate throughout the day. I just got to school at about 8:45am and walked into the school office through the front doors. I saw a lot of people in the office, I thought they were late for class also. I was about to go to class when I was told by a counselor, I think it was [REDACTED] to stay in the office. I stayed in the office. I was told this guy named Mario had a shotgun. The teacher told me to stay down.

I was in the office when I heard two police officers shouting "Stop" and "Put down the gun". I just heard the two cops yelling all the time. I saw the officers running around. One of the officers was a bald black guy and the other was a white officer with slicked back hair. I only saw the two officers through a window. I heard the officers fire their guns, but didn't see them fire. I heard rounds hitting the wall. I looked out the window and saw the two officers pointing their guns at something, but I couldn't see what it was. I didn't hear a shotgun go off, just pistols.

After the gunshots I was able to look out the window and see Mario lying on the ground. Mario was on the ground next to the door near the railing. I was only able to watch through the window for about 5 minutes before the teachers closed the window. I didn't see the shotgun near Mario and I couldn't tell what he was doing. I saw adults running around before they closed the window.

I have known Mario since the beginning of the school the school term (6-7 weeks). I have a couple of classes with him. I don't know Mario very well but say what's up to him when I see him. I don't hang out with Mario, but when I see him we talk about motorbikes. Mario never told me he was having any problems. Mario was crying a lot, but I didn't know why. The past two days I have seen Mario looking depressed and upset. People told me Mario had some problems and he was starting fights with everyone. He never fought with me. He never said anything about killing himself.

A couple of days ago Mario had his red beanie taken away by a teacher named said he was going to keep the beanie. Mario got really mad and removed the bug screen from one of the windows. I don't think Mario had a grudge against , but in 3rd period Mario told me he hated , but Mario never talked about guns.

I think this is about Mario's girlfriend. He bought his girlfriend a \$60,000.00 ring. I think he sold his motor bike and used the money to buy his girlfriend the ring. Mario gave his girlfriend the ring and then she broke up with him. That was what people were saying. I don't know Mario's girlfriend and I don't know her name. I have only seen her picture in his binder.

Witness Statement: [REDACTED]

On Wednesday, 10/1/03 at about 1315 hrs. I met with the witness [REDACTED] in an interview room at the Detective Division of the Sacramento Police Department. I obtained the following statement in summary:

I have attended Rio Cazadero since the start of the school quarter. Today, at the time of the shooting I was in a room within the school office making up some hours of school I missed due to absences. I was in the room with a male black student I was in the room when I heard someone yelling "He has a gun". It was probably [REDACTED] It sounded like [REDACTED] was outside my room in the office area. When [REDACTED] yelled "He has a gun" the black kid ran out of the room to see what was going on. The black kid returned a few moments later and said Mario had a gun.

While I was in the room a couple of girls came in. They were crying and saying Mario had a gun. They were upset. I don't know who they were. I started to get nervous, because I was thinking is it for real or is he joking. I was kinda nervous and shocked. I just sat in the room. The girls said Mario put the shotgun to his chin and then he took a shot with the shotgun and a bullet came out. I don't think they said that he shot anyone.

I was in the room doing my work when I heard a gunshot, but I thought it was just a loud noise. I heard the loud bang shortly before [REDACTED] yelled at us that Mario had a gun and before [REDACTED] left the room. It was just a loud noise, probably one shot. I was still in the room when a teacher yelled at us to get on the ground. I think Mario was out in the front of the school when the police fired 7-8 rounds. I was in the room when I heard the 7-8 gunshots. I heard somebody say Mario was hit and taken to the hospital.

WHEN MARIO CAME IN, HE WAS HOLDING A LARGE BLK/BRN GUN IN HIS RIGHT HAND. IT WAS LONG AND BIG. HE WAS VERY UPSET AND HE WAS CRYING. HE POINTED THE BARREL OF THE GUN UNDER HIS CHIN AND SAID SEVERAL TIMES "IT'S ALL OVER, IT'S ALL OVER". HE RACKED A ROUND AND A BIG BULLET CAME OUT. WE WERE ALL SCARED AND I THOUGHT THAT HE WAS GOING TO KILL ALL OF US. OUR TEACHER; [REDACTED] WAS TRYING TO TALK TO MARIO AND CALM HIM DOWN. I KNOW IT WAS MARIO'S GUN BECAUSE IT WAS WAY LOUDER THAN THE COPS GUNS. IT SOUNDED LIKE A BIG GUN. I'M POSITIVE THAT MARIO SHOT FIRST AND THEN THE COPS SHOT BACK. THE COPS PROBABLY SHOT 12-15 TIMES.

On 10/1/03 at 1234 hrs I interviewed [REDACTED] in an interview room at Hall of Justice. The interview was both audio and video recorded. The tapes were later booked into evidence. [REDACTED] told me the following in summary:

Detective TALL:

[REDACTED]

Tell me what happened.

"Mario" came into the classroom today with a "guage." He aimed it at our teacher and said, "It's over." Our teacher, [REDACTED] told him to put the gun down and go outside with him so they could talk. Mario refused and just kept saying, "It's over." Mario then put the gun under his chin, closed his eyes and tried to pull the trigger. I was about 15 feet away from him and I could see his finger on the trigger trying to pull it. The safety must have been on because the gun didn't shoot. He took the gun away from his chin and cocked it. When he did this, a bullet fell out onto the ground and he just left it there. Another teacher, [REDACTED], came to the room and Mario pointed the gun at him too. Mario told [REDACTED] to leave him alone. [REDACTED] told Mario to let us all go and Mario told us, "Go on, leave...get out of here." We all ran to the office and locked all the doors.

About 5 minutes after we went to the office the Police arrived. They ran to the area between the building we were in and our classroom (#2). I did not see the shooting because we were put in a room and told to get down. I heard the shooting. I heard more than 10 gunshots but less than 30. They all sounded the same. I did not see who did the shooting. I have only known Mario for about a month since school started. We are friends at school, but, I don't hang around with him outside of school. I don't know his girlfriend but I heard he was upset that she broke up with him. He has been upset about it since Monday (this week). I was very scared when Mario came in with the gun. I thought he was going to shoot me, someone else, or himself. (End Interview)

We all went to the office and then about 3 or 4 minutes later the police arrived. About 5 or 6 minutes after the police arrived I heard gunfire erupt. I heard approximately 30 shots in rapid succession. There had to be more than 1 gun firing at the same time. All the shots I heard came from handguns. I didn't hear any shotgun. I was told that the dude ("Mario") had a shotgun but I didn't see it. I've only been at this school for 2 days. I knew Mario, but not well. I knew him as the "guy who got dumped by his girlfriend."

4 myself by name and title. Witness [REDACTED] verbally id herself and stated the following in summary:
5 Note- Initaly this entire interview was to be Video & Audio taped. But, Det Dubke advised me at the end
6 of this interview that the tape had not been turned on. I re-entered the Interview room and re-interviewed
7 Witness [REDACTED] This Video & Audio taped was booked into evidence.
8

9 I got to school a little late at 0845hrs. I was sitting in the classroom (Room #2). We had jsut
10 gotten our books and were getting ready to read when Mario came in with a big gun (like a bb gun).
11 At first we thought he was playing. But, then we saw the look on his face. Mario was crying, very upset,
12 and shaking. Mario looked at [REDACTED] and is saying "It is over man. It is over. It's not worth it." We were
13 all stunned.. Mario tried twice to cock the gun but it did not work. Then the next time a "huge shell
14 came out". It was a huge red shell w/ gold end, unknown if opened ended /previously fired or live
15 round). Note- Detective Mulderrig showed Witness [REDACTED] my shotgun shell (red plastic w/ silver edge)
16 and verified/confirmed that Witness [REDACTED] was talking about a shot gun shell.

17 Witness [REDACTED] demonstrated to Detective Mulderrig that Mario had attempted to open the pump
18 action of a shotgun.
19

20 Mario put the gun up under his chin (Witness [REDACTED] demonstrated this action). Everyone was
21 saying "Mario, NO don't do it", "don't do it". Mario's nose started bleeding probably from the stress.
22 Mario took the gun off from under his chin and pointed it at [REDACTED] and then us. We had all run across to the
23 other side of the room. Yes, Mario pointed the gun at all of us in the group and if it had gone off it would
24 have hit us. No, he did not say anything to us. He looked at me for three (3) seconds like he was scared
25 (asking for help) but he did not say anything to me. No, he did not put the gun down when [REDACTED] asked/told
26 him to. [REDACTED] (unknown spelling) was saying "Oh my god I don't want to die." Mario put the gun
27 back up under his own chin. [REDACTED] was telling Mario "let's just put the gun down, lets go out, let's talk
28 about it". [REDACTED] was really really calm but Mario did not listen. [REDACTED] asked if everyone could go. Mario
29 said for "everyone to get out". We all ran out of the classroom and to the office. The only people left in
30 the classroom were [REDACTED], Mario, and [REDACTED] [REDACTED] had come into the classroom just before we all got out.
31

32 From the office I could not see what happened with [REDACTED] Mario and [REDACTED] From the office it
33 sounded like someone was breaking into the door but it was bullet shots. I heard only one type of bullet
34 shot. It was loud. There were more than one (1) shot fired and about five (5) or less total shots fired.
35 Just before the shots, I saw a bunch of police.

36 After the shots, I saw Mario on a stretcher (I think it was Mario). [REDACTED] is our teacher in Classroom
37 #2 and [REDACTED] is a counselor. /pm#282

3 At approx. 1245hrs, 10/01/03, I (Detective Mulderrig #282/IV65) spoke with Witness [REDACTED]
4 inside unlocked and open Interview Room #5 at Sacramento City Police Department, 5770 Freeport Blvd.
5 I introduced myself by name and title. Witness [REDACTED] verbally id himself and stated the following in
6 summary:

7 Note— This entire conversation was Video & Audio taped. This Video & Audio taped was later booked
8 into evidence.
9

10 I went to school (Rio Cazadero). I was in my first class in Room #1. The fire alarm came on.
11 We were suppose to go outside but it stopped. The teacher told us to stay inside the classroom cuz there
12 was no fire. I have a cold. I went outside to blow my nose. The teacher got mad at me and told to get
13 back in here. I told the teacher to shut up cuz I am blowing my nose. I got shipped to the Main Office
14 where the Principle & Vice Principle have their office. When I was up in the office a hella bunch of
15 police just came. And, the Officer went in the yard. The Officers told him to "put the gun down". Then
16 a lot of shots. After that, we stayed in the office until they took him away. Then I came here (police
17 station).
18

19 Detective— Who did they take away?

20 Witness [REDACTED]— The boy who brought the gun to school. Mario.
21

22 When the shots were fired I was in the office looking out the back door towards the classrooms.
23 There is a long (rectangular) window in the door that I looked out of. [REDACTED] and [REDACTED] told us
24 all to stay down for our safety.
25

26 I heard what sounded like to me 15 shots. It sounded like the same kind of gun. Like the same
27 kind of gun the police carry.
28

29 I saw Mario come out from the classroom with the gun. The gun was long shotgun. The Police
30 were talking to him to "put it down". Mario pointed the gun at the police. They told him to "put gun
31 down, put the gun down." I saw Mario's hand on the trigger. [REDACTED] (Vice Principle) got shot in the
32 leg. [REDACTED] was between Mario and the Police. The officer's were Male, White, Blonde and Male Black
33 bald headed. I saw his name tag as "Coleman" from Elk Grove Police.
34

35 No, I did not hear Mario say anything to the police.

10-1-03, I met with [REDACTED] in an interview room at the Hall of Justice. I spoke to [REDACTED] about a shooting that had occurred at his school. He advised me of the following in summary:

I've gone to school with Mario for about two years now. We were acquaintances and spoke a lot during school, but we never hung out together. Today I was late to class, Contract class in room 2. When I was walking through the parking lot, I saw my friend [REDACTED]. I walked over to him and he was on the phone. He told me that someone had a gun. I thought he was joking.

I started to walk to class and when I walked by the office, [REDACTED] the receptionist yelled at me to get inside because someone had a gun. I went inside the office and everyone was saying Mario had a gun. [REDACTED]'s class was inside the office also. We were all looking out the window. I would see [REDACTED] the vice principal, peeking his head inside the classroom. I then saw the police get there. I heard talking, but I don't know what anyone was saying. I then heard the gunshots. I never saw Mario, and I never saw [REDACTED].

I know Mario has been having some problems with his girlfriend. He told me he bought her a \$6000 ring and she broke up with him and kept the ring. Mario was also having problems at school and was probably not going to graduate.

Mario has been upset lately. He tried to start a fight with another teacher, [REDACTED]. This was a couple of days ago. He also tried to fight [REDACTED] but they both know you can't fight at school or you will get expelled. Monday and Tuesday this week, Mario was crying a lot and was very upset. He has been moping around and has been very quiet. I do not know his girlfriend. I have only seen pictures of her. She does not go to our school.

I just started going to Rio Cazadero this year, I don't really know anyone there. I have seen Mario because he is in my contract class. I see him everyday, but I don't associate with him. I don't talk to most people, I'm very quiet. I just know his name is Mario.

Today I was in contract class. There were about 9 of us in class this morning. I was sitting by the door when Mario came in. I didn't notice the gun when he first came into class. When he came in, he was crying and then we noticed he had the gun. He walked over to the corner of the room and we ran to the back of the class. The teacher, [REDACTED] tried to talk to him. Mario looked very upset. He kept saying it's over. He would point the shotgun at the teacher and then at us. He pointed it at his head also. He racked the shotgun once and a shell came out. A security guard came to the class and that is when we left. We went to the office. I don't know what happened after that.

I heard Mario has been upset about not graduating and his girlfriend breaking up with him. I don't know who she is nor have I ever seen her.

On 10/01/03, at approximately 1015 hours, I spoke with [REDACTED] in the Administration Building hallway and obtained a brief statement from him. He said the following in summary:

I only work here part-time, but I was here when the shooting happened. I was in my office and when the students from classroom 2 came in here, I listened to them talking together. They are acting like they are tough right now, but they were all very upset and scared. I did overhear a few of them saying that Mario (Rodriguez) had bought a \$7,000 diamond ring for his girlfriend, then she dumped him one or two days ago. They said "she should have known he would do something like this". They said Mario is unstable and gets in people's faces a lot, that he would go extreme if she left him.

DETECTIVE FOLLOW-UP: OFFICER INVOLVED SHOOTING (Det. M. Stigerts #767)

WITNESS STATEMENT:

On 10/01/03, at approximately 1120 hours, I spoke with [REDACTED] in a small conference room in the Administration Building of Rio Cazadero High School (7825 Grandstaff Dr.) [REDACTED] said the following in summary:

I am a teacher here in room 12A, I have Mario (Rodriguez) in my classroom on Tuesdays and Thursdays for third period, 1030-1130AM. I have also had him on my softball team for two seasons, so I know him pretty well. He has been a student here for several years, two to three years.

On Thursday, Oct. 5, 2003, he was in class and I was talking to him about making more of an effort in class and asked him to do more work. He was very emotional, he was extremely upset. This is not my expertise, but I would say he is bi-polar, the way he goes from very happy to very low, very depressed. He has always been that way, but recently it's been getting worse. He got in my face when I told him to work more and was very defiant. I would not accept that kind of behavior and I sent him to the "lock-out" room.

He refused to go and it took a long time of me insisting to get him to go. The lock-out room is like a time-out place where students are sent to think and cool down. I was in fear of something like this happening, he was becoming more and more upset and emotional.

Yesterday in class, it happened again. He got in my face and was explosive. He seemed more on the edge than ever before, and I really didn't want to deal with trying to get him to the "lock-out" room again, so I left it alone. He eventually just calmed down and stayed in class until the end. Mario had the 1000-yard-stare yesterday. It was like he had hit bottom and was about to snap. I really am not surprised by this, he was very emotional.

I heard that this may be partially because of a girlfriend, but I don't have those details. I know the girl does not go to school here, Mario has her picture in his binder. Some of the students here know her from middle school. [REDACTED], a student here, would be able to tell you more.

I was in my classroom this morning when the alarm went off between 8:45 and 9:15AM. At first, I thought it was a fire alarm, but then I realized it was the lock-down alarm. I locked the door to my classroom and waited. I could see kids running through the quad at that time. I watched out my window and I saw [REDACTED] a teacher, running from the area of room 2 to the Administration Building. I then saw officers arrive and they were taking cover.

I could only see the officers from my classroom, I could not see anyone near the Multipurpose Room or classroom 2. I could see three officers, all in uniform, but I don't know what they looked like. All three had their guns out and it looked like they were taking cover. I heard about 20 gunshots and

STATEMENT OF WITNESS [REDACTED]

Approximately 1316 hrs., 10-01-2003. I (Detective Higgins) interviewed witness [REDACTED] in interview room #1 at police headquarters. This interview was audio and video recorded. The following is a summary only of the interview. For complete details, please listen to the tape. Witness [REDACTED] said the following in summary:

I've known Mario about five to six months. I see him every day at school. He's about 18 or 19 years old. This morning about 8:40 or 8:45 I was in home room. I went up to get a book up by the teacher's desk. I walked back to my desk and sat down. I looked out the window and saw Mario walking across the parking lot toward the classroom. I noticed he had something in his hands and I thought it was a baseball bat. Then Mario walked into the classroom. I noticed that he was bleeding from his mouth and nose.

That's when I noticed that Mario had a brown shotgun in his hands. He had his left hand on the back of it and his right hand on the trigger. Mario was saying something to the affect that it wasn't worth living anymore. I had heard from other people that his girlfriend had dumped him. Mario had told me that the school wasn't going to let him graduate. He looked real depressed yesterday and today.

Then Mario held the gun up to his chin and pulled the trigger two or three times. Nothing happened so he pumped the shotgun and then a round flew out. I think it was a live round. I stayed by my desk and everyone ran over into a big group about one to two steps from me.

Mario pointed the gun at the group of kids real quick and then at the teacher, [REDACTED]. [REDACTED] I was standing off to the side of Mario so he didn't see me, I don't think. The teacher, [REDACTED] was saying, "Come on, come on outside and talk to me. I'm your friend Mario." Mario was saying, "No, man. No." Then [REDACTED] kind of made his way over to the door and stepped outside. [REDACTED] stood outside and just kept his head inside the door. The Vice-Principal, [REDACTED] showed up and was stood outside with the teacher. [REDACTED] told Mario to put the gun down and Mario kept saying, "No, no."

Everyone ran outside. I got outside and everybody ran to the office except me. I ran through the gate. A teacher came outside and told me to go into the office. I went into the office and everyone was talking real loud. I saw the police show up. The first three police officers I saw were all in full uniform. There was no doubt that they were police officers. STATEMENT OF WITNESS [REDACTED]:

Approximately 1419 hrs., 10-01-2003. I (Detective Higgins) talked with witness [REDACTED] in interview room #1 at police headquarters. This interview was audio and video recorded. The following is a summary only of the conversation. Please review the tape for complete details. [REDACTED] told me the following in summary:

I'm a teacher at the school. I teach in classroom #9. It was about 8:45 a.m. when our "Lock down" alarm went off. The alarm is a warble that goes off and it means lock your doors and stand by for instructions. I heard over our intercom a female voice, I think it was [REDACTED] (our secretary) say, "Call 911." I locked my classroom doors and told my class to wait and see what was going on.

I was near the door. The door is on the southeast corner of my classroom. The door opens to the south. A few minutes, probably less than five minutes, went by and then I saw a bunch of kids run through the quad from the area of rooms #1 and #2. The kids ran through the quad and into the office.

One student, [REDACTED] (I think that how you spell his name), ran into my room. I opened the door and let him in and he sat down. [REDACTED] said, "Dude's got a gun, dude's got a gun." My students were asking, "Who? Who? What's going on?" [REDACTED] "It's Mario." One kid said, "Big Mario?" [REDACTED] replied, "Yeah, Big Mario, you know, the big kid with glasses." I realized from the description that it was Mario, I think his last name is Ramirez.

I was still standing in my door looking at my class. Out of my peripheral vision, I saw some movement in our quad. I opened the door and stepped halfway out the door. I was looking in a westerly direction. I could see several officers in the quad. All were wearing the standard blue uniform with shoulder patches. I had no doubt they were police officers. I could see the police officers had their weapons drawn.

Then I heard something shouted out like, "Gun or drop the gun." It sounded like a male voice coming from across the quad, possibly the parking lot area. I didn't see anyone but police officers. Then I heard multiple gunshots fired. It sounded like the shots came from several different officers. I stepped into the class and told the kids to hit the floor. I stepped to the window and looked out.

I saw [REDACTED] hop on his left leg. His right leg was up in the air. [REDACTED] hopped from the area of room #2. He hopped westerly across the grass area toward the walkway, then he hit the ground. He rolled to the side. I looked back in my class yelling for them to stay on the ground. You could still hear the shots. I looked back and [REDACTED] was crawling toward some bushes and around the corner toward the dumpster. Then someone, possibly an officer, came up to attend to [REDACTED] I never saw Mario. I couldn't see past the northwest corner of room #1 to see what was going on.

WITNESS STATEMENT: [REDACTED] (Det. Husted)

11-18-03 at approx. 1025 Hrs. R/O (Detective Husted) contacted [REDACTED] at his place of employment, with the assistance of Detective Oliveira. The conversation with [REDACTED] was recorded on audio tape, and the tape can be reviewed for exact details of the conversation. The following is a summary of the statement given by [REDACTED] when R/O inquired about [REDACTED] providing the suspect with a shotgun:

Two days before the shooting, Mario said he got jumped and that he needed a gun. I told him that I would see what I could do, and he had returned the next day. I didn't have a gun for him, and I don't know where he got the gun that he had at the school.

R/O and Detective Oliveira confronted [REDACTED] about providing the shotgun to the suspect, as per the suspect's statement, and he insisted that he did not know anything about the shotgun. [REDACTED] advised that his mother had sent him an email about the situation, and that he would show us his email. [REDACTED] also advised that his mother, [REDACTED] also worked in the same building as him, and that he would take us to her.

At approx. 1035 Hrs. [REDACTED] took R/O and Detective Oliveira inside his office building, and R/O contacted [REDACTED]. While R/O spoke to [REDACTED] provided Detective Oliveira with a copy of the email that his mother had sent him (see attached). [REDACTED] advised R/O that her roommate, [REDACTED] had told her that the police wanted to ask her son about selling the suspect a shotgun. [REDACTED] also advised that her son had told her that the suspect had shown her a gun prior to the shooting incident.

[REDACTED] subsequently returned to his mother's office, and he provided the following additional statement in summary:

The second day that Mario had come over after asking me about a gun, he showed me a shotgun. He didn't tell me where he got the shotgun, but he told me that he was holding it for protection from some "Scraps" that had jumped him. I don't know Mario to be a Norteno, but I do know that "Scraps" means "Surreno".

administration building extends across from the building to the pillars. Directly east of the pillars is a grassy area that is located directly in the middle of the quad area. There was a concrete walkway which separated the east side of the administration building and the grassy area, and the concrete walkway extended throughout the quad to each classroom.

Located directly south of the administration building was a large stucco building which housed the gymnasium and cafeteria. On the north side of the building near the east end was an access door which exited into the quad area. On the N/E corner of the building was a window which faced east, and the area directly east of the window was a concrete covered patio with three picnic type tables present. The covering for the patio not only covers the N/E corner of the building, but it also extends along the north side of the building. There were multiple metal poles at various intervals that attached to the overhang for support.

Located directly east of the covered patio area was another grassy area, and the building which housed classroom #'s 1 and 2 was located several feet east of the grassy area. There was a concrete walkway that extended from the covered patio area to the south, which led to a gate that allowed access to the south parking lot. The gate was unlocked and open at the time the scene was processed.

The portable classroom building located east of the cafeteria housed four classrooms that were connected internally by collapsible walls. Classroom #'s 1 and 2 were located on the west side of the building, and Classroom #'s 3 and 4 were on the east side of the building. The door to classroom #1 was on the north end of the building, and the door to classroom #2 was on the south end of the building. The building was beige in color, and had wood siding. Each classroom had a disabled ramp that led up to the door, and there was a metal hand-rail on the outside of each ramp. The disabled ramp for classroom #2 extended north from the door of classroom #2, and the ramp for classroom #1 extended south from the door of classroom #1. There was a gate in the chain link fence several feet south of the door to classroom #2, however the gate was closed and locked at the time the scene was processed.

There were ten .40 cal expended casings on the ground in close proximity to each other, located next to the east exterior wall of the administration building. The casings were several feet S/W of the south pillar found outside the east doors of the administration building (photo placards 1 - 10).

There were five .40 cal expended casings on the grass in close proximity to each other, several feet east of the center pillar found outside the east doors of the administration building (photo placards 11, 26, 27, 28, 42). There were two additional .40 cal expended casings on the ground in close proximity to each other, several feet east of the east exterior wall of the administration building, and between the center and north pillars found outside the east doors of the administration building (photo placards 13, 14). There was one additional .40 cal expended casing on the ground along the east wall of the administration building, several inches north of the administration building east doors (photo placard #12).

There was one .40 cal expended casing on the ground along the north wall of the cafeteria / gymnasium building,

several feet west of an access door marked "Employees Only Kitchen" (photo placard #24). The "Employees Only Kitchen" door was the first access door west of the N/E corner of the building.

There were six .40 cal expended casings on the ground in close proximity to each other, several feet N/W of the door to classroom #1. One of the casings was on the pavement, and five were on the grass (photo placards 15, 16, 17, 18, 19, 30).

(Note: Detective Stigerts advised R/O that a total of 25-rounds were fired, and that number was consistent with the number of expended casings located at the scene).

R/O located several expended bullets and bullet jacketing at the scene, and the following is a list of those items found:

- One expended bullet on the ground several feet east of the east cafeteria wall, and west of the picnic type benches (photo placard #23).
- One expended bullet several inches in the ground of the grassy area east of the administration building, along the south side where the grass and concrete meet (photo placard #29).
- One expended bullet a few inches in the ground of the grassy area east of the administration building, a few feet south of the center pillar (photo placard #41).
- One expended bullet on the ground several feet west of the portable classroom building where classroom #'s 1 and 2 are located, and found in between the disabled ramps for classroom #'s 1 and 2 (photo placard #21).
- Bullet jacketing on the ground in close proximity to the expended bullet pictured in photo placard #21 (photo placard #20).
- Bullet fragment on the ground outside of the west wall of classroom #1, and below the exterior air conditioning unit for classroom #1 (photo placard #25).
- Expended bullet inside the base of the exterior air conditioning unit for classroom #1, found on the west wall of classroom #1 (photo placard #36).
- Bullet jacketing on the disabled ramp of classroom #2, several feet north of the door to classroom #2 (photo placard #22).
- Bullet jacketing on the ground several feet S/W of the door to classroom #2, and in between the south side of the disabled ramp that leads up to classroom #2 and the chain link fence several feet south of the disabled ramp.
- Bullet jacketing on the ground several feet south of the chain link fence located just south of the door to classroom #2 (photo placard #31).
- Bullet jacketing on the ground several feet south of the fragment pictured in photo placard #31 (photo placard #32).
- Bullet jacketing removed from an impact in the door frame of the door to classroom #2 (photo placard #45).

R/O made additional observations of evidence at the scene, and the following is a list of those items. Refer to CSI supplements and diagrams for complete descriptions and locations of each item.

- Loaded Mossberg 12-gauge pump-action shotgun (SER# [REDACTED]) on the ground at the base of the disabled ramp for classroom #2. The safety on the shotgun was off, the action was open, and there were three live 12-gauge shotgun rounds in the magazine tube (photo placard #34).
- Powerline air-pistol on the ground in close proximity to the shotgun (photo placard #35).
- Live 12-gauge shotgun round on the disabled ramp for classroom #2, several feet north of the door to classroom #2 (photo placard #37).
- A blue plastic classroom chair leaning partially on the chain link fence and the disabled ramp for classroom #2, located south of the door to classroom #2. The item was photographed, but not taken as evidence.
- Eye glasses on the ground between the disabled ramp for classroom #2 and the chain link fence several feet south of the disabled ramp (photo placard #40).
- Cellular phone and a set of keys on the disabled ramp for classroom #2, a few feet north of the door to classroom #2 (photo placard #43).
- Eye glasses on the disabled ramp for classroom #2, a few feet west of the door to classroom #2. The eye glasses were missing one of its two lenses (photo placard #44).
- Suspect clothing on the disabled ramp for classroom #2 which had been removed by fire department personnel prior to R/O's arrival. There was medical intervention debris on the ground near the clothing, in addition to blood (photo placard #39).
- Cellular phone on the ground west of the disabled ramp for classroom #2 (photo placard #33).
- Black sock on the ground south of the gate which accesses the south side of the quad area from the south parking lot. There was medical intervention debris on the ground near the sock, in addition to blood (photo placard #51).
- A SPD issued medical intervention kit on the ground in close proximity to the black sock pictured in photo placard #51. R/O took the kit from the scene for later return to patrol.

R/O located multiple bullet impact points within the scene, which includes impacts in the grassy area east of the administration building, impacts along the west side of classroom #'s 1 and 2, and an impact on the outside portion of the second cafeteria / gymnasium patio cover support pole, west of the N/E corner of the patio cover (See applicable diagrams and photos). The impacts were documented, and photographed by CSI. Sacramento County Crime Lab representatives Bob Garbutt and Kristel Suchland assisted at the scene by determining bullet trajectory based upon the identified ballistic evidence (See Sacramento County Crime Lab supplements).

There was additional ballistic evidence located, and recovered inside classroom #1 and #2. Refer to Interior Scene supplements prepared by Detective Oliveira.

DETECTIVE SUPPLEMENT: INTERIOR CRIME SCENE SUMMARY (Det. Oliveira)

ARRIVAL:

At approx. 1600 hrs, I returned to 7825 Grandstaff to assist Det. Husted with the scene investigation. Sacramento County Crime Lab Criminalists Garbutt and Suchland were already on scene. They assisted with analyzing, photographing, and documenting trajectory at the scene. Refer to their supplements and photos for the details. I investigated the interior crime scene of class room #2. Refer to Det. Husted's crime scene supplements for the exterior scene details.

INTERIOR CRIME SCENE:

There was a portable building on the south side of the school that contained four classrooms. The exterior of the building was constructed of wood siding that was painted a light beige. The four class rooms were divided by collapsible accordion style walls. The collapsible walls were constructed of a metal frame and covered with fabric. Classroom #2 was on the southwest corner of the building and its door faced west. Classroom #1 was located at the northwest corner of the building and the door also faced west. Classrooms #3 and #4 were on the east side of the building and their doors faced east.

Classroom #2 had a blue metal door that was located on the west side of the classroom near the southwest corner. There was a large window on the west side of the room near the middle of the west wall, north of the door. The west and south walls of the classroom were outer walls. The north and east walls of the classroom were interior collapsible walls and the north wall was open to classroom #2 when I entered. There were six rectangular tables, arranged in a large rectangle, in the middle of the room. There was an open area in the middle of the tables and chairs around the outer perimeter of the tables. There was a counter top with a sink on a wood cabinet along the south wall near the door. Students' books, folders, and backpacks were left through out the room.

Inside classroom #2, I observed an exit bullet hole in the west wall near the floor, north of the door. It appeared that the bullet traveled in a southeast direction towards the cabinets along the south wall. There was an entry bullet hole in the furthest west cabinet door. The bullet holes in the wall and cabinet door were at approximately the same height. An expended bullet was located on the bottom shelf of the cabinet (photo marker (PM) 46).

DETECTIVE SUPPLEMENT: INTERIOR CRIME SCENE SUMMARY (Det. Oliveira)

I also observed a bullet hole in the bottom right corner, when looking from outside, of the window. There was a dent in on the north side of a grey metal shelf unit next to the window, to the south. The paint around the dent was peeling. It appeared the bullet traveled through the window in a southeast direction, hitting the metal shelf unit. I was unable to locate an expended bullet near the window. I observed a possible bullet hole in the east collapsible wall, near the middle of the room. I cut the hole larger and located an expended bullet (PM 49). It appeared the bullet had gone through the window, ricocheted off the metal shelf unit, and struck the east collapsible wall. I also located the jacketing to a bullet (PM 47) on the floor between the same wall and the rectangular tables.

I located an additional exit bullet hole in the west wall at the northwest corner of the room. The bullet hole was behind the end of the north collapsible wall. The bullet traveled through a portion of the collapsible wall and struck the top of a cardboard box that was resting against the wall. The expended bullet (PM 50) was located where it struck the cardboard box. I had removed the cardboard box and pulled back the collapsible wall to search for evidence before photos were taken.

In addition, I observed an indent at the bottom of the classroom door where it appeared a bullet struck the door from the outside, but did not completely penetrate the door. There was a similar indent at the bottom of the west wall between a particle board bookcase, near the airconditioner, and a metal file cabinet.

I observed what appeared to be blood drops (PM 48) on the southeast corner of the rectangular table near the southeast corner of the room. There was also apparent blood that ran down the table leg at the same corner.

I did not locate or observe any damage to the other classrooms.

DETECTIVE FOLLOW-UP: OFFICER INVOLVED SHOOTING CALL-OUT
(Det. M. Stigerts #767)

NOTIFICATION:

On 10/01/03, at approximately 0911 hours, I received a page from Sgt. Quinn advising me to return to 5770 Freeport Blvd. as there had been an officer-involved shooting. A male had entered Rio Cazadero High School campus with a gun and he was subsequently shot by three officers. The suspect was being transported to UCD Medical Center for treatment. Sgt. Quinn requested I respond to the location to conduct a shooting investigation.

ARRIVAL:

On 10/01/03, at approximately 0945 hours, I arrived at 7825 Grandstaff Dr. The scene was secured by patrol and community service officers and crime scene tape.

WEATHER CONDITIONS:

Upon my arrival the weather was dry, clear and warm.

RECORDER:

Upon my arrival, the crime scene recorder was CSO Rose #8114.

BRIEFING:

At approximately 0947 hours, Lt. Campus gave Lt. Bray, Sgt. Quinn, Dets. Oliveira, Husted and myself, along with CSI, various management officers, District Attorney investigators, Internal Affairs officers and Professional Standards officers, a briefing of the circumstances as they were known to him at the time.

WALK-THROUGH:

I did not attend the walk-through of the scene. It was held several minutes later with the involved officers, Homicide detectives and CSI.

SCENE OBSERVATIONS:

Rio Cazadero High School is a continuation school, located next door to Las Flores High School. The main entrance to Rio Cazadero was on Grandstaff Dr., just south of Bamford Dr. The Administration Building and Multipurpose Room were next door to one another and the western most buildings on campus. The Administration Building was north of the Multipurpose Room and the two were connected by a covered patio area. Directly east of the Administration Building was a large grass area, referred to as "the courtyard". There was a large parking lot south of the Multipurpose Room where officers and detectives were assembled.

DETECTIVE FOLLOW-UP: OFFICER INVOLVED SHOOTING CALL-OUT
(Det. M. Stigerts #767)

On 10/01/03, at approximately 1000 hours, I was instructed to orchestrate identification of witnesses and transportation to police headquarters for interviewing. I was also to identify non-witnesses and coordinate their release. I arranged for students [REDACTED] [REDACTED] as well as teachers [REDACTED] and [REDACTED] to be transported to SPD Headquarters and SSD Investigations for formal interviews.

At approximately 1010 hours, I contacted [REDACTED] and [REDACTED] in the hallway of the Administration Building. None were witnesses and the two students, [REDACTED] and [REDACTED] were escorted to Las Flores. [REDACTED] and [REDACTED] were identified and released. I contacted [REDACTED] psychologist for the school, who gave me a brief statement of a conversation heard among the students in the office, he did not see any of the crime that occurred in the quad.

At 1120 hours, I met with [REDACTED] in a small conference room in the Administration Building and obtained his statement. He advised me of a prior confrontation he had with Rodriguez the day prior and six (6) days prior. He stated that Rodriguez appeared to have "hit bottom" and was fearful this situation might happen. He did not actually see Rodriguez with a gun.

At 1335 hours, I contacted Ofc. Murawski #871 at UCD Medical Center. He was standing by with Rodriguez and had obtained a felony blood draw on him. He was instructed to book the evidence for later processing.

At 1415 hours, I obtained Ofc. Malmquist's statement. Our conversation was audio and video taped, the tapes were later booked as evidence. Malmquist's extra ammunition was counted and recorded and his handgun and ammunition was taken as evidence and booked. A replacement weapon and ammunition was given to him at the conclusion of our interview. At 1555 hours, I obtained Sgt. Coleman's statement. Our conversation was audio and video taped, the tapes were later booked as evidence. Prior to obtaining Coleman's statement, his ammunition was counted and documented.

At approximately 1930 hours, I transported Dep. Swisher, Sgt. Ford and Ofc. Malmquist's handguns and remaining ammunition to JERPF and booked them as evidence. On 10/02/03, I located a single, .40 caliber, live round on my desk. I did not believe it to be from one of the guns booked the prior evening, but I was unaware of where it came from. I responded to Property at 555 Sequoia Pacific Blvd. and had all the evidence packages with ammunition pulled and I opened and re-counted each round. I found none of the packages deficient. I then booked

the extra round into evidence.

On 10/02/03, I received the interview tapes from detectives who conducted interviews with several students. On 10/06/03, I received the interview tapes from SSD detectives who interviewed [REDACTED] and [REDACTED] as well as other witnesses at their offices. I made copies of those video tapes and booked the original copies into evidence. I also booked the original photo identified by and sketch drawn by [REDACTED] and the original sketch drawn by [REDACTED]. I booked the original photos identified by [REDACTED] and [REDACTED]. I booked an original photo line-up with Rodriguez. I also booked the sketches drawn by Ofc. Malmquist and Sgt. Coleman. In addition I booked the two (2) floppy discs of aerial photos of the scene taken by our Air Ops officers.

NARRATIVE SECTION

FOLLOW-UP INVESTIGATION:

1125 hrs., October 1, 2003. I responded to the Emergency Room at the UC Davis Medical Center on Stockton Blvd. and made contact with the victim. This interview was audio taped and this is a summary of that interview:

I identified myself to the victim and advised him that I was doing follow-up investigation on a 245 PC. I asked him what happened and he stated in summary:

Victim stated that someone in the office said, "Room two! Now! Respond!" Victim stated that he started walking toward room two. He saw students coming out of the door and running and heard them say he's got a gun. He asked the students, "Who?" but they kept running and they didn't answer him.

Victim stated that he walked to room number two and stood in the doorway and saw a student by the name of Mario Rodriguez holding a single barrel, 12 gauge shotgun underneath his chin.

Victim saw other kids in the room, maybe six or eight, and Mario told them to, "Get out of here," and all six to eight students rushed past me and ran out of the room.

Victim stated that he tried to talk to the suspect, trying to get him to put the gun down. He kept pointing the shotgun underneath his chin and saying, "It's over with. I'm through. It's no use anymore." Victim asked the suspect if he talked it over with anyone, but the suspect kept passing the gun back and forth, pointing it underneath his chin. Victim stated that at one point the suspect put the shotgun down on a table and pulled out an automatic from his waistband. Victim stated that he was standing about twenty feet away from the suspect, at this point.

Victim stated that he heard sirens in the background and he saw that the suspect, Mario, kept getting agitated and put the gun underneath his chin and the victim said Mario finally said, "Police are here, time to go." And suspect started approaching the victim and the victim stated that he could see the suspect was looking past him out the door to see what was happening outside into the schoolyard.

CONTINUED: FOLLOW-UP INVESTIGATION

Victim stated that the suspect stepped through the door past him and victim stated he grabbed suspect from behind and was wrestling with him and he heard a pop come from the quad area. He thought he heard three or four shots.

Victim stated that he released the suspect and fell backwards and he felt a sting in his right ankle about that time and then he stated he heard more shots.

Victim stated that as he was wrestling with the suspect, that the suspect had a pistol in one hand and a shotgun in the other.

Victim stated that he has known Mario, the suspect, for about two or three years. At this point, I showed a photograph of Mario Rodriguez, it was his ID photo, and the victim stated, "Yes, this is Mario Rodriguez, the one with the shotgun and the one I wrestled with."

About this time, an emergency room doctor came in and looked at the victim's ankle and stated that the trajectory of the wound indicated it came along the side of his foot and this was a bullet wound and not a shotgun wound. The doctor stated that the victim would have to be x-rayed, then he would be okay, get him washed up, and then he would be released.

I asked the victim when he was wrestling with the suspect, when did he hear the pop? Victim stated that he heard the pop about five to ten seconds after he had grabbed Mario and was wrestling with him.

Victim stated that he had discipline problems in the past with Mario and that a couple weeks ago he told Mario that he was being referred to adult education.

Victim indicated he did not know what kind of problems the suspect had because he wouldn't tell him and he didn't know what the problem was.

Photographic Line-Up Admonishment

- 1) You are going to be shown a group of six color photographs. The fact that the photographs are shown to you should not influence your judgement. You should not conclude or guess that the photographs contain the picture of the person who committed the crime.
- 2) You are under absolutely no obligation to identify anyone in the photographic line-up. If you do identify a person in the line-up you **will not be told** if it is the person suspected of committing the crime. It is just as important to free innocent persons from suspicion as to identify guilty parties.
- 3) As you view the photographic line-up please keep in mind that the suspect's appearance may be different in the photograph. This may include facial hair and hair styles. Please disregard any differences in the background color of the photographs (if they are different) and concentrate on the person's facial features. Take as long as you need in reviewing the photographic line-up. Keep an open mind while viewing the line-up.
- 4) Please **do not** discuss the case or photographic line-up with other witnesses nor indicate in any way that you have or have not identified someone.

PERSON INTERVIEWED (LAST FIRST MIDDLE) V/R/W/S# LOCATION OF INTERVIEW

1 At Approximately 0858 Hours, 10/01/03 (Wednesday): I, Officer Wanner
2 #1212 (Unit 71A1), was dispatched to an assist call at Rio Cazadero High
3 School at 7825 Grandstaff Drive in Sacramento.

4
5 The text of the call stated that a student was on scene at the school
6 with a shotgun and had fired shots.

7
8 I responded Code 3 to the area and arrived on scene at appropriately 0859
9 hours.

10

11 As I arrived on scene, I followed the fire truck to the south area of the
12 school where I observed a male subject lying on the ground near a chain
13 link fence. This subject was bleeding from his ankle and was identified
14 by another officer as one of the victims. I also observed a building
15 with a wheelchair ramp, which was facing in a westbound direction.
16 Laying on this ramp was another subject, whom I was told to have been
17 shot, and I observed three officers next to the suspect.

18

19 Sacramento Police Sergeant Peas (Unit S-50) was on scene and was the
20 initial scene commander.

21

22 I asked Sergeant Peas what he needed done, and he asked if I could set up
23 an outer perimeter and tape off this section for the school. Officer
24 Hidalgo, who was also on scene, and I then began setting up crime scene
25 tape on the western sidewalk of Grandstaff Drive. We ran the crime scene
26 tape from Bamford Drive all the way south to where the school property
27 ends. After this was done, I remained on scene until the scene was

1 1010 hours (approximately); 11-1-03: I received a telephone message from
 2 Sgt. Craig Hill of the Homicide Bureau informing me that SSD detectives
 3 would be assisting in an officer-involved shooting investigation which
 4 had occurred at Rio Cazadero High School in the City of Sacramento. Sgt.
 5 Hill requested that I remain available to conduct witness interviews.

6
 7 1125 hours (approximately): Several witnesses, including witness [REDACTED]
 8 [REDACTED] were transported by SPD patrol officers to 711 G Street to
 9 be interviewed. I made contact with witness, [REDACTED] and escorted him to

 14 As I spoke with witness, [REDACTED] he stated the following in summary:

15
 16 My name is [REDACTED] and my date of birth is [REDACTED] I am
 17 a teacher at Rio Cazadero Continuation School. I've been teaching
 18 there for about seven years now and I normally teach social studies
 19 and physical education. Earlier today, I was at the school working
 20 in my classroom, which is room #2. I was sitting with my back to
 21 the door, as I usually do. All of a sudden, I realized that someone
 22 had just come into the classroom. Then, I noticed that it was a
 23 student of mine named Mario Rodriguez. I've known Mario now for two
 24 to three years and I've had him in several of my classes.

25
 26 I saw that Mario had a shotgun in his hands. The shotgun looked to
 27 me to be full size, but I'm not real familiar with weapons. When
 28 Mario came in with the shotgun, all of the students in my class ran

3 I stood up and tried to get Mario to exit my room. Mario was very

7 the jest of it.

8

15 I wanted to get Mario to exit my classroom. I know that Mario is a
16 very emotional person. I tried to talk Mario to going outside. I
17 was just trying to coax him out. I was speaking very calmly to him
18 and trying to keep the situation under control. Mario was going
19 back and forth between pointing the gun at me and pointing the gun
20 at himself.

21

22 I knew that I needed to find a way to let someone else know what was
23 going on. The classroom that I have is actually a very large room,
24 which is divided by curtains, into four separate teaching areas.

3
 4 At one point today, I saw the baseball bag that looked like Mario's
 5 bag laying outside my classroom. The bag was open and there were
 6 no large objects inside. It's either black or dark blue.

7
 8 I know that Mario doesn't get along with some of his teachers. It
 9 seems like Mario will have an incident with just about all of his

 11 for awhile and then he won't, but they always end up being friends

1 10-1-03; approximately 1115 hours; Wednesday: I, Det. E. Newton, #414,
 2 was in the Homicide Bureau when Det. W. Bayles contacted me. He briefly
 3 informed me of a shooting incident that occurred at Rio Cazadero
 4 Continuation High School. Det. Bayles said that some witnesses would be
 5 brought over to the Sacramento County Sheriff's Department and requested
 6 my assistance with interviewing.

7
 8 **Approximately 1123 hours:** I spoke with Ms. [REDACTED] a teacher
 9 at Rio Cazadero Continuation High School. This interview was conducted
 10 in interview room #1, located on the third floor of the Sacramento County
 11 Sheriff's Department. This interview was recorded on a VHS videocassette
 12 tape and will be kept on file in the Homicide Bureau. Ms. [REDACTED] told me
 13 the following in summary:

14
 15 I am a teacher at Rio Cazadero Continuation High School. I've been
 16 a teacher there for the last 12 years. I primarily teach English to
 17 students in grade levels 9 through 12 grade. Most of the students
 18 at Rio Cazadero High School are seniors.

19
 20 Today, I was in my classroom. School starts at approximately 8:30.
 21 I take roll in the morning. It was around 8:40 a.m., when I noticed
 22 one student by the name of [REDACTED] who sits in the back of the
 23 room. [REDACTED] got up and looked through the partition which separates
 24 my room and [REDACTED] classroom. [REDACTED] is a teacher in class
 25 room #2. My class room number is room #1. There is a flexible
 26 partition which separates our two classrooms.

27
 28 It was around this time, 8:40 a.m., that I heard some scuffling

1 coming from [redacted] classroom. I saw the partition move. This is
2 what caused [redacted] to get up and look through the crack into [redacted]
3 room. [redacted] said that there is a guy with a gun. He said it first
4 kiddingly, but then he said again and stated he was serious. I
5 immediately got up and went to the phone and called the office. I
6 said that there is a guy with a gun in [redacted] classroom and then
7 hung up. The conversation lasted about five seconds. It was about
8 this time, that half my class of 12 students, ran out the front
9 door.

11 I was busy on the phone and couldn't stop them. They wanted to see
12 what was going on.

14 I didn't hear any voices coming from [redacted] classroom other than the
15 scuffling. I did not look into [redacted] classroom to see what was
16 going on. There were a couple of students standing outside and I
17 got them into the classroom and locked the door. Then, with the
18 remaining students, I went into another classroom, adjacent to mine.
19 There was a partition there that was unlocked and we went into that
20 classroom and then outside.

22 I heard from other students that the person who had the gun was
23 Mario Rodriguez. Mario Rodriguez is a student at the school. He is
24 in [redacted] classroom. Students told me that Mario was upset with his
25 girlfriend, because they had just broken up. I also heard that he
26 had a shotgun with him. I heard that he brought the gun in a sports
27 bag. I know that he plays softball and carries a sports bag.

15 down and then the teacher told us to get down. Then, that's when I
16 heard the shots.

17
18 After the shots were fired, the cops came rushing in and then they
19 put up the yellow tape.

20
21 Yes, I know Mario. His last name is Rodriquez. I think he's 19
22 years old. I've known him for about four to five years. He's a
23 nice guy, but he was depressed yesterday. When he gets upset, he
24 doesn't say much. He would do stuff to fit in, trying to be hard
25 (tough) and all.

26
27 People were talking after the shooting, saying that Mario had bought
28 his girlfriend a \$6,000 ring and that she broke up with him

3 Mario lives somewhere off of Center Parkway. I remember Mario did
 4 tell my boyfriend [REDACTED] that his dad had guns. You see, Mario
 5 would buy decks (stereos) from my boyfriend just to have friends.
 6 My boyfriend's name is [REDACTED]

7

8 The reason I think Mario did this was because he had his feelings
 9 hurt by somebody. He's really tried hard to fit in with the crowd
 10 at Rio Casadero. He wasn't that way when I knew him at Valley High.
 11 He was quiet and would just say hi. But, since he's been at Rio
 12 Casadero, he's basically tried to fit in by acting hard (tough).
 13 He's always telling stories to try to fit in, stuff that is really
 14 not believable.

15

16 I know he works and saves his money and he doesn't spend his money
 17 on things like most kids. He works at Raley's, I think on Mack
 18 Road.

19

20 Today, my boyfriend told me that he had seen Mario's mother at the
 21 school, after he had dropped me off. The way I think he got the
 22 shotgun to the school if his mom dropped him off was that he must
 23 have been carrying a baseball bat equipment bag. He used to carry
 24 one. I can't see his mom letting him take a gun to school.

25

26 Mario has class with [REDACTED] (teacher) and starts about 8:30. I
 27 usually see him out front of the class in the mornings and he's
 28 always there to say hi. If Mario was to talk to anybody, it would

DETECTIVE SUPPLEMENT: Bat-Bag Located (Det. Husted)

10-2-03 at approx. 0815 Hrs. R/O (Detective Husted) contacted Elk Grove School Service Officer Tadlock at the Rio Cazadero Campus. School Service Officer Tadlock advised that the teacher from classroom #2, [REDACTED] had located a black baseball bag inside his classroom which he advised had belonged to the suspect (Mario Rodriguez). Per Service Officer Tadlock, [REDACTED] had originally seen the bat-bag outside at the time of the shooting, and he did not know how the bag made it into the classroom.

R/O then entered classroom #2, and observed a black Louisville Slugger baseball bat-bag on the floor just inside the door to classroom. Inside the bag R/O located a Federal brand box which contained five live shotgun rounds. R/O took digital photos of the items (see attached), and subsequently booked the items into SPD evidence.

DETECTIVE SUPPLEMENT: SPD 911 CALLS/ DISPATCH RADIO TRAFFIC TAPES
(Det. Oliveira)

On 11-10-03, I, Det. Oliveira made audio taped copies of the 911 calls made to the SPD Communications Center and the radio traffic on SPD channel #4 (POP 4) in regards to the shooting at 7825 Grandstaff Dr on 10-1-03. Refer to the audio tapes for the details of the 911 calls and dispatch radio traffic. I was informed by Toni Delgado at the SPD Communications Center that the computers were down when the incident started and that dispatchers used cards to document the calls. She provided me with copies of the dispatch cards. Refer to them for the details. She informed me that the shift supervisors then forced the information into the computer call after the system came back up. The information that was forced into the call is denoted by a question mark after the time. She also advised me that the times on the audio recordings may not be accurate and could be off by one or two minutes.

I located three 911 calls made to the SPD Communications Center and made audio taped copies of them. The following is a list of the 911 calls:

<u>CALLER INFO</u>	<u>DISPATCH POSITION</u>	<u>CALL TIMES</u>
1. [REDACTED] (Rio Cazadero HS employee)	COM-3	08:48:32/09:00:08
2. [REDACTED] (student on cell phone)	COM-T	08:54:20/08:58:21
3. [REDACTED] (Las Flores HS employee)	COM-8	08:56:50/08:57:15

I made an audio recording of the dispatch radio traffic on SPD channel 4 (Position: POP-4) from 08:50:52 to 09:05:57 hrs. The times covered the initial dispatch of units, the shooting, and the confirmation request by Capt. Valenzuela that the appropriate call-outs were made. The recording is not in real time.

DETECTIVE SUPPLEMENT: EGUSD POLICE SERVICES DISPATCH-LOG (Det. Oliveira)

On 11-12-03 at approx. 1040 hrs, I, Det. Oliveira, spoke on the phone with Assistant Chief Rick Ewing of the Elk Grove Unified School District (EGUSD) Police Services. I advised him that I was conducting follow-up regarding the shooting at Rio Cazadero Highschool on 10-1-03. I inquired whether or not their dispatch center audio recorded the police radio traffic on their channel or emergency phone calls. He advised me that they did not have an audio recording system, but were now in the process of installing one. Chief Ewing advised me that they did maintain a dispatch-log in a Microsoft Excel program. He e-mailed me a copy of the dispatch-log. Refer to the log for the details.

DETECTIVE SUPPLEMENT: Mossburg Shotgun Trace

(Det. Husted)

11/26/03 R/O (Detective Husted) spoke to Carmel P.D. Detective Johanson (New York) on the telephone. He advised that he had contacted the mother of [REDACTED] at [REDACTED] in Carmel New York. [REDACTED] mother advised that [REDACTED] had passed away in September 2002, and that he may have taken his shotgun to California with his wife [REDACTED]

R/O subsequently contacted [REDACTED] on the phone, and she confirmed that she had been married to [REDACTED] and that they had been living in Citrus Heights California, at [REDACTED]. [REDACTED] initially advised that she did not think [REDACTED] had a shotgun, but she eventually called R/O back and explained that she had given [REDACTED] shotgun to her brother, [REDACTED]. [REDACTED] also advised that her brother had sold the shotgun to his neighbor, [REDACTED].

11/28/03 R/O spoke to [REDACTED] ([REDACTED]) on the phone. [REDACTED] confirmed that he had received a 12gauge Mossburg shotgun from [REDACTED] brother [REDACTED]. [REDACTED] indicated that he had worked on a car for [REDACTED] and then [REDACTED] gave him the shotgun in exchange for the work. [REDACTED] then explained two days after he received the shotgun, he sold it for \$150 to a male only known to him as [REDACTED]. [REDACTED] indicated that he had met [REDACTED] at a construction job site in Stockton, and that he had offered to sell the shotgun to [REDACTED] because he and [REDACTED] were duck hunters. [REDACTED] further advised that [REDACTED] was going to buy the shotgun for an unknown friend of his. [REDACTED] indicated that he did not get a bill of sale, and that he had not registered the shotgun in his name.

Case Summary 03-86063

On 10/01/03, at approximately 0849 hours, Sacramento Police Communications Center received a 911 call of a student on campus armed with a shotgun. The student was Mario Rodriguez and he was in room 12. Sacramento City Police officers, Sacramento County Sheriff deputies and Elk Grove School Police officers responded to the scene.

SSD Dep. Swisher and EGPD Sgt. Coleman were the first units on scene and responded to the Administration office on the west side of the school. Officers were advised the suspect was in classroom 2, across the courtyard at the southeast portion of the campus.

The building was a large four-walled, wood siding, raised, portable structure. Four large collapsible walls divided the interior of the structure into four separate classrooms. Each classroom had one window, one metal door and one wall air conditioning unit. For rooms 1 and 2, on the west side of the structure, the door, window and air conditioning unit were on the west wall. The door to room 1 was on the west wall, closest to the north wall. There was a small, cement ramp leading to the door and bordered on the north and west sides of the ramp by a metal railing. The door to room 2 was on the west wall, closest to the south wall. There was a small, cement ramp leading to the door and bordered on the south and west sides of the ramp by a metal railing.

Dep. Swisher exited the Administration building and crossed the courtyard and took a position at the north end of the building housing room 2. Sgt. Coleman exited the Administration building and took a position behind a large pillar just east of the Administration doors. Sgt. Ford, Ofc. Malmquist and Ofc. R. Elmore arrived and entered the Administration building. Sgt. Coleman signaled them to come east into the courtyard, which they did.

Unknown to officers at the time, and according to students that had been in room 2, Rodriguez had entered the room while the students and teacher were present. Rodriguez had entered the campus from the south parking lot and walked directly to room 2. He was carrying a baseball bag that contained a shotgun, what appeared to be a semi-automatic, chrome handgun and several rounds of shotgun shells. When Rodriguez entered the classroom, he immediately pulled both guns from the bag.

Rodriguez was very emotional and distraught and per one student witness, [REDACTED] Rodriguez put the shotgun to his neck, and announced, "[REDACTED] its over". The teacher, [REDACTED] attempted to de-escalate the situation and it only seemed to agitate Rodriguez further. As Rodriguez was talking, he was placing the handgun to his temple or putting it in his waist and placing the barrel of the shotgun under his chin. According to students, Rodriguez pulled the trigger at one point, but the gun did not go off.

There is no other exit from the room other than the door that Rodriguez was standing near. The building housing rooms 1, 2, 3, and 4 is one large room, separated into four rooms by collapsible walls. When Rodriguez got further upset by [REDACTED] words, [REDACTED] indicated that Mario then pointed the shotgun towards everyone in class, and stated, "Its over". [REDACTED] explained that everyone in the class was afraid for their lives. He then pumped the action, ejecting a live round from the chamber of the shotgun. Rodriguez immediately picked up the round and placed it in his pocket.

At that point the students panicked and all huddled in one corner of the room. The commotion drew the attention of students in the adjoining room. One of the students from the other room looked through a small opening in the collapsible wall and recognized Rodriguez standing there with a shotgun. That student quickly informed his teacher and fellow students and they evacuated room 1 and ran to the Administration building. Administration then notified authorities.

The Vice Principal, [REDACTED], quickly ran to room 2 to assist. [REDACTED] was familiar with Rodriguez and attempted to de-escalate the situation. [REDACTED] was able to convince Rodriguez to allow [REDACTED] and the students in the room to leave, which they did and responded to the Administration building.

[REDACTED] never entered room 2 fully and continued to deal with Rodriguez from the doorway of the classroom. Rodriguez still refused to put down his guns and was still threatening suicide. [REDACTED] was aware police were on their way and was aware what their response would be if Rodriguez moved toward officers armed with a shotgun and pointing it in their direction. [REDACTED] was familiar with this because he was a retired Los Angeles police detective.

Soon Rodriguez heard the police sirens and became agitated again. There was a large picture window just north of the door to the room and there was a full view into the courtyard. [REDACTED] believed Rodriguez saw the officers because he said something to the effect of "I'm going to go finish this now". [REDACTED] feared for Rodriguez's life and the lives of the officers in the courtyard and attempted to stop Rodriguez.

Rodriguez pushed past [REDACTED] in the doorway and out onto the ramp. Rodriguez had his back to the classroom and [REDACTED] reached around Rodriguez's shoulders to pull him back into the classroom. Rodriguez was very large in stature and was able to force [REDACTED] to lose his grip on Rodriguez.

Det. Oliveira conducted a formal interview with Dep. Swisher. At the beginning of the interview, Sgt. Quinn counted each of the live rounds in Dep. Swisher's two extra magazines; there were 12 .40 caliber live rounds in each magazine. He counted the remaining live rounds in the magazine of his handgun; there were 6 .40 caliber live rounds. Dep. Swisher removed the live round from the chamber of his handgun. The handgun, three magazines and the remaining live rounds were taken as evidence and were later booked.

Dep. Swisher was working as a School Resource Officer for Valley High School when he was notified of an armed subject at Rio Cazadero Continuation School over the Elk Grove Unified School District (EGUSD) Police radio. He responded to the school and was the first officer to arrive. EGUSD Police Sgt. Coleman arrived as he entered the school. An office worker advised Dep. Swisher that the armed suspect was in classroom 2. He was also told that the classroom had been evacuated. Dep. Swisher took cover at the northwest corner of the portable building that contained the classroom the suspect was in. He observed Vice Principal [REDACTED] on the ramp that led to the door of classroom 2. [REDACTED] was crouched down outside the door trying to talk to the suspect. Dep. Swisher observed the suspect exit the door with a shotgun. He observed [REDACTED] grab the shotgun and struggle with the suspect. Dep. Swisher stated he heard two or three shots come from his right and observed several Sacramento Police officers with their guns drawn. He stated that [REDACTED] jumped over the ramp rail and that the suspect raised the shotgun towards him and the other officers. Dep.

Swisher fired at the suspect as did the Sacramento Police officers. The suspect fell on his back and attempted to pick up the shotgun twice. Dep. Swisher yelled at the subject to keep his hands up. Dep. Swisher and the Sacramento Police officers approached the suspect and handcuffed him.

Det. Dorricott conducted a formal interview with Sgt. Ford. At the beginning of the interview, Sgt. Quinn counted each of the live rounds in Sgt. Ford's two extra magazines; there were 12 .40 caliber live rounds in each magazine. He counted the remaining live rounds in the magazine of his handgun; there were four .40 caliber live rounds. Sgt. Ford removed the live round from the chamber of his handgun. The handgun, three magazines and the remaining live rounds were taken as evidence and were later booked.

According to Sgt. Ford, prior to Rodriguez exiting the classroom, he was attempting to make his way across the courtyard to Dep. Swisher's location. When Sgt. Ford was a few feet east of his position of cover near the pillar, he saw Rodriguez exit the classroom with the shotgun in his hands. [REDACTED] was standing in front of Rodriguez and fighting him for the gun. Rodriguez broke free of [REDACTED] and [REDACTED] moved west, away from Rodriguez. Sgt. Ford ordered Rodriguez to drop the gun and he refused. Rodriguez aimed the shotgun directly at Sgt. Ford and Sgt. Ford shot at Rodriguez. Sgt. Ford moved west, toward the pillar, shooting at Rodriguez. When Sgt. Ford got to the pillar, he slipped and fell, injuring the back of his left hand slightly in the fall. Rodriguez was still standing and still had the gun in his hands, aimed at Sgt. Ford. Sgt. Ford took aim and fired at Rodriguez again.

Sgt. Ford then saw Rodriguez fall to the ground and provided cover as Dep. Swisher and Ofc. Hubbard took Rodriguez into custody. Det. Stigerts conducted a formal interview with Ofc. Malmquist. At the beginning of the interview, Sgt. Quinn counted each of the live rounds in Ofc. Malmquist's two extra magazines, there were 12 .40 caliber rounds in each magazine. He then counted the remaining live rounds in the magazine of his handgun, there was one .40 caliber round. Ofc. Malmquist removed the live round from the chamber of his handgun. The handgun, three magazines and the remaining live rounds were taken as evidence and later booked.

According to Ofc. Malmquist, he entered the courtyard from the east end of the Administration building with his partner, Ofc. Elmore. Ofc. Malmquist and Elmore took a position of cover behind the pillar south of the Administration doors. Ofc. Malmquist was aware that the deputy was across the courtyard at the north corner of the classroom building and Sgt. Coleman was at the center pillar with Sgt. Ford. However, from his position, he was unable to see any of the other officers. Ofc. Malmquist had a clear, direct view of the door and saw [REDACTED] standing at the doorway. He saw Rodriguez exit the classroom with the shotgun in his right hand and raise it with his left hand to where it was pointing directly at Dep. Swisher. He saw [REDACTED] grab Rodriguez from behind in a "bear hug" and Rodriguez shrugged him off or [REDACTED] fell to the ground. [REDACTED] landed on the top of the ramp and his back was leaning up against the metal railing.

Ofc. Malmquist was concerned for Dep. Swisher's safety and for the safety of [REDACTED] who was unable to defend himself. He was concerned Rodriguez would turn to shoot [REDACTED] or the deputy. Ofc. Malmquist realized [REDACTED] was out of the line of fire and began shooting at Rodriguez. Rodriguez did not immediately go down and still had

4005

the shotgun in his hands. Ofc. Malmquist fired again and Rodriguez fell to the ground. [REDACTED] had moved west, toward the Multipurpose Room, south of the Administration building, out of Ofc. Malmquist's view. Rodriguez was taken into custody by Dep. Swisher and SPD Ofc. Hubbard who had arrived after the shooting.

Ofc. Malmquist did not give any orders to Rodriguez as he heard orders being given by Dep. Swisher and felt there would be less confusion if only one person were giving Rodriguez commands.

Det. Husted learned from [REDACTED] that Rodriguez had the students detained in the classroom for 5-10 minutes before [REDACTED] arrived at the classroom to assist in calming Rodriguez. He further learned that once officers were on scene, [REDACTED] heard officers giving Rodriguez commands to "put down the gun".

At approximately 1120 Hrs. Det. Husted and CSI personnel began processing the scene for evidence. A total of 25 expended .40 caliber casings were found outside in the quad area of the campus. The casings were spread among three separate locations that were consistent with where the three officers had been located at the time they fired upon the suspect. A loaded 12-gauge Mossberg shotgun was found on the ground outside the door of classroom 2. The safety on the shotgun was off, and there was one live round chambered with three additional live rounds in the magazine tube. There was also a live shotgun round on the ground in close proximity to the shotgun. A silver Powerline Air pistol (semi-automatic pistol replica) was also found on the ground outside the door to classroom 2. A baseball bat bag containing a box of additional live shotgun rounds was subsequently located inside classroom 2. There were multiple bullet holes in the west wall of classroom 2 in close proximity to where the suspect had been standing when he was fired upon.

Det. Sledge interviewed Vice Principal [REDACTED] at UCD Medical Center where he was transported with an injury to his ankle. [REDACTED] stated he was a retired Los Angeles Police Department detective and was familiar with police procedure. He was in fear for the safety the students and teacher in classroom 2 and responded to the classroom to attempt to calm the situation and prevent harm to anyone. He was also in fear of Rodriguez's safety as he was suicidal and [REDACTED] believed he might shoot at the officers to cause them to shoot and kill him. [REDACTED] was fully aware that was a possibility and was attempting to keep Rodriguez from exiting the classroom when officers arrived.

Once Rodriguez aimed the shotgun at officers, [REDACTED] attempted to get out of the line of fire and take cover away from Rodriguez. He climbed through the railing at the ramp and began to head toward the Multipurpose Room. Once officers fired the first shots, he was on the ground, west of the ramp and felt a sharp pain in his right ankle. It was later determined that [REDACTED] had been shot with a handgun. He was treated at the hospital and released. [REDACTED] knew Rodriguez on sight as a student at the school for 2-3 years and identified him from his driver's license photo.

No other students were injured and no officers were injured. Each of the students from classroom 2, as well as [REDACTED] and detectives formally interviewed three other teachers from the school. Detectives interviewed two independent, adult witnesses and six (6) students from the adjoining classrooms formally. Detectives formally interviewed the three involved officers and the two officers that did not fire their weapons.

WITNESS SUPPLEMENT:

On 10-1-03 at approximately 1055 hrs., I met with [REDACTED] Mr. [REDACTED] is the father of suspect Mario Rodriguez. Prior to getting Mr. [REDACTED]'s statement, I explained to him that his son had been involved in a incident at Rio Cazadero high school. I further explained that his son had brought guns onto the school campus and had apparently shot someone on the campus. That his son was shot by police officers, who had responded the scene.

On hearing this news Mr. [REDACTED] was visibly shocked and upset (started to cry). Once Mr. [REDACTED] was able to compose himself, I questioned him about his son. Mr. [REDACTED] told me the following (statement not verbatim).

Mr. [REDACTED] states that his son has been upset lately because his son had recently broken up with his girlfriend. Mr. [REDACTED] only knew the girlfriend's first name, [REDACTED]. According to Mr. [REDACTED] broke up with his son last Friday (9-26-03). Mr. [REDACTED] does not know why they broke up, but he could tell his son was depressed over the break-up. His son spent most of the weekend quite and non-communicative with his parents, which is unusual for him. According to Mr. [REDACTED] and his son had been going together for about two months and that [REDACTED] attends McClatchy high school.

I asked Mr. [REDACTED] if his son was having any problems with anyone at Rio Cazadero. Mr. [REDACTED] told me that his son liked everyone at the school. The son told his parents that he liked the school's Principal, Vice-principal, teachers and his councilors. As

far as Mr. [REDACTED] knew his son was getting along with all the students at the school also.

I asked Mr. [REDACTED] if there were any guns in the house. He me told that there were no guns in the house. Mr. [REDACTED] was asked when was the last time his son had spoken with [REDACTED] Mrs. [REDACTED], who entered the front living room where I was talking with her husband, said that she had talked to [REDACTED] mother on Monday (9-29-03). [REDACTED] mom asked that Mrs. [REDACTED] tell her son (Mario) not to call [REDACTED] anymore. Apparently [REDACTED] mother thought Mario was calling [REDACTED] at home to often. Mr. [REDACTED] had no more additional information to give. He was allowed to go pick up his other son [REDACTED] from school. When Mr. [REDACTED] returned he and his wife went to the hospital to check on their son's condition, leaving relatives to watch the house.

VICTIM:

Witness Statement:

On 10-1-03 at approx. 1243 hrs., I detective Gracia met with witness [REDACTED] at 7717 Laguna Blvd., in the business of Leslie's Pools. [REDACTED] and I spoke and I obtained a statement from him. The following is a summary of his statement:

I'm the manager of the Leslie's pools here. Mario Rodriguez(suspect) is one of my employees here. Besides being an employee, I consider Mario a friend. I never would have thought him capable of doing something like this.

I met Mario about 5 months ago through a mutual friend of ours, [REDACTED]

Since I have known Mario I've usually observed him to be an upbeat individual. As an employee he was dependable, knowledgeable, and willing to learn. There were occasions when Mario would mope. These occasions would usually follow an unpleasant encounter with a customer. When this happened Mario usually snapped out of it pretty quickly. I noticed these types of things were usually connected to when he didn't eat, so as soon as he ate he would be fine.

This weekend Mario was definitely upset because his girlfriend, [REDACTED] broke up with him. I know [REDACTED] and her father, [REDACTED] And have known them for a long while. As a matter of fact it was [REDACTED] who first called me today and told me what happened. [REDACTED] apparently heard some kid named Mario had gone onto the school campus with a gun and he called to find out where Mario was at. I think [REDACTED] found out about what happened through the TV. I know [REDACTED] really cared about Mario its just that he was too possessive. I found out through [REDACTED] that Mario was calling [REDACTED] about every two hours and she just couldn't deal with that. [REDACTED] As far as I know he was taking his medicine.

I've never heard Mario threaten to do anything to himself or other people. I've never known Mario to be violent. Mario did mention that he didn't like a comment his teacher made to him. About a month and a half ago Mario mentioned that his teacher had made some comment about Mario being involved in a fight last year when he left Valley Hi school. Mario felt that was in the past and he didn't care for his teacher bringing it up. That is the only negative comment I've ever heard him make about his school. He mentioned that a month and a half ago and never said anything again.

I've never known Mario to do any kind of drugs [REDACTED] Mario did drink alcohol occasionally in moderation.

Mario owned BB and pellet guns, but never a real gun to my knowledge. I have no idea where he might have obtained a real gun.

Witness statement cont'd :

Mario has lots of friends, I know a few of them. He has a friend named [REDACTED] (unk. last name) who lives three doors down from where he lives. If you stand facing Mario's house [REDACTED] There is another mutual friend who works next door to here, his name is [REDACTED] and he works next door at The Game Stop. Mario was also friends with a guy named [REDACTED] on his block. [REDACTED] is a white guy in his mid thirties and he lives across from [REDACTED]

I have talked to several of our friends since this has happened and nobody had any indication that this would happen.

I know Mario was upset about this girlfriend thing because he worked with me all weekend. He was in tears at times.

That's all I can tell you.

CRIME SCENE EXAMINATION

BACKGROUND

On October 1, 2003, I received a request from Laboratory Director Robert Jarzen to contact SPD Detective Olivera regarding providing assistance in firearm trajectory examination at a police-involved shooting at Rio Cazadero Continuation High School 7825 Grandstaff Drive, Sacramento, CA 95823. I contacted Criminalist Kristel Suchland and requested that she assist me.

Suchland and I arrived at the high school about 1518 hours on October 1, 2003. We reviewed the incident with Detectives Husted and Olivera. In summary:

A suspect brought a shotgun and a handgun into the classroom and held students hostage.

Authorities were alerted and the vice-principal went to the classroom. Two SPD officers and one SSD officer responded to the campus. The suspect let the students out of the classroom. The vice-principal and teacher continued to talk to the suspect. The vice-principal and suspect exited the classroom. The vice-principal struggled with the suspect. At this moment, all three officers fired multiple gunshots. Apparently bullets struck both the suspect and the vice-principal.

We decided that we would assist by documenting the apparent bullet strikes photographically and that we would prepare a report that would qualitatively describe the location of the bullet strikes. As appropriate, we would measure the locations of the bullet strikes and holes in the portable classroom that constituted the locus of the shooting incident. If needed later, this information could be integrated into reports or diagrams prepared by the SPD CSI staff.

THE CRIME SCENE

The high school consists of a mix of fixed and so-called portable classrooms. The site of the incident was the southwest classroom of a portable classroom building that had been subdivided into four classrooms. Herein I will refer to this as the "hostage" classroom. The two west classrooms in this building have doors in the west-facing wall with ramps providing access from ground level to the doors. The building had been subdivided using fabric walls.

The included sketches illustrate the relative location of the "hostage" classroom, the administrative office building, an intermediate cafeteria patio and open areas (lawn and sidewalks).

BULLET STRIKES

Evidence of fourteen bullet strikes was found around the area of the hostage classroom. (I used the numbering in the following descriptions to denote bullet strikes for note taking purposes only. This same numbering was used in the drawing on the following page. They do not imply sequence or any other information.)

Three bullet strikes were consistent with originating from the northwest corner of the "hostage" classroom.

- o Two bullets (locations 22 & 23) struck the northerly HVAC unit on the west side of the "hostage" classroom. These had a trajectory parallel to this wall in a north to south direction.
- o One bullet (location 34) struck the north-facing bar of the safety rail to the ramp that accesses the south classroom door. This site is south of the door that accesses the "hostage" classroom.

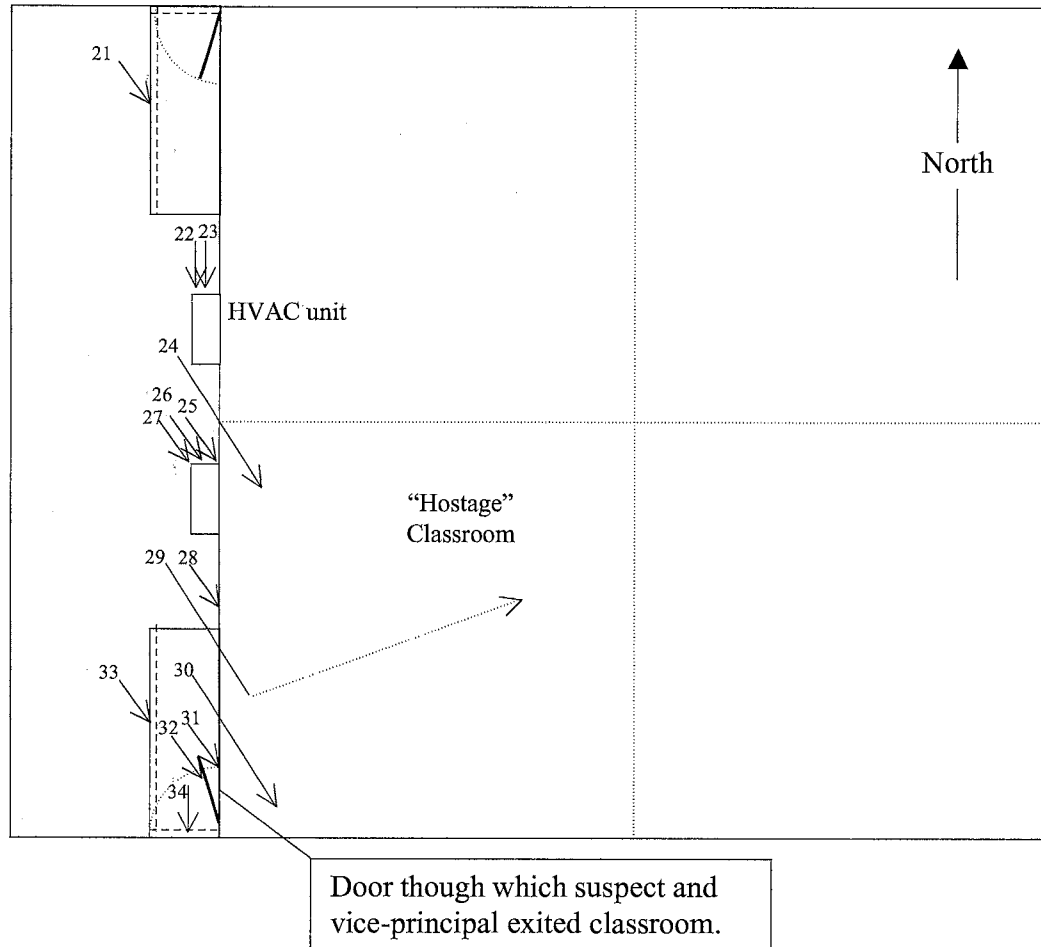

Eleven bullet strikes were consistent with originating from an area northwest of the "hostage" classroom.

- o Three bullets (locations 24, 29 & 30) penetrated into the classroom area. The reconstruction of the trajectory of these indicates a direction from the area of the administrative office building toward the "hostage" classroom. The position of the shooter along this path could not be determined.
- o Three bullets (locations 25, 26 & 27)) struck the southerly HVAC unit of the west side of the "hostage" classroom. Another bullet (location 28) struck the wall south of this HVAC unit. These did not penetrate into the classroom. These had a trajectory from northwest to southeast, suggesting an originating direction from the administrative office area.
- o One bullet (location 31) struck the doorframe adjacent to the door latch, while another bullet (location 32) struck the foot of the door with both bullets terminating at these locations. The shapes of these holes indicate a northwest to southeast trajectory, which is consistent with originating from the direction of the administrative office area.
- o One bullet (location 21) struck the west-facing bar of the safety rail to the ramp that accesses the north classroom door.
- o One bullet (location 33) struck the west-facing side of the concrete ramp that accesses the south ("hostage") classroom door.

Evidence of five gunshots was observed in the area between the "hostage" classroom and the administration office wing.

- o Four shallow, grazing angle apparent bullet paths were observed in the lawn immediately east of the administrative office building. The direction of these was from the administrative office area toward the "hostage" classroom.
- o One bullet strike was observed on the northwest corner of a post that supported the cafeteria patio cover. The location of this strike suggests an origin from the administrative office area. There is not sufficient information to more accurately determine the origin.

Key:

The numbered arrows indicate the bullet impact points.

(The numbering is that used by crime lab personnel for note taking purposes only and do not imply sequence or any other information.)

#22 and 23 appeared to have a north to south trajectory.

#24, 29 and 30 penetrated into the classroom.

#24 through 32 appeared to have a northwest to southeast trajectory.

#21 and 33 were on west-facing vertical surfaces and likely had northwest to southeast trajectories.

#34 was on a north-facing vertical surface and likely had either a north to south trajectory or northwest to southeast trajectory.

SUSPECT'S FIREARMS

(SPD CSI # 34) A loaded Mossberg model 500A shotgun was lying on the ground at the north end of the ramp at the "hostage" classroom. The safety was off. The slide had been actuated, partially extracting a shot shell from the chamber.

(SPD CSI #35) The handgun had the appearance of semi-automatic pistol with white metal finish and black grips.

Criminalist Suchland and I left the scene at 2040 hours.
