Diana Griego Erwin: Women need not endure fear, violence - there are people who can help

By Diana Griego Erwin -- Bee Columnist
Published 2:15 am PST Thursday, March 17, 2005

The network of women protecting women in the Sacramento region is wide and deep. Ask a few questions and this person puts you in touch with that person and that woman hooks you up with someone who's been there or knows where to turn.

But you do have to ask. You have to let someone know you need help.

Take Catherine, a pseudonym for a woman I found through this very network. When last weekend's domestic violence double-slaying in South Land Park hit the news, friends started calling her to express their concerns. Like Julie Carrera, Catherine is in the midst of ending a long-term relationship, in this case with her boyfriend.

Like Carrera and her husband, Uswaldo "Bruce" Carrera, whom some people knew as "Waldo," at least one argument ended with police on Catherine's doorstep to assess the situation. Like the Carreras, no one ever was arrested.

"Things got pretty hot, but he had a way of being calm once the police arrived," Catherine said. "He's a respected person in his workplace. No one would ever guess that he was getting in my face and yelling at me and threatening to hurt me. His co-workers would be stunned to know that."

Neighbors also described the Carreras as nice, quiet people before all hell broke loose on Harian Way last Saturday. Police say Bruce Carrera shot his wife and her aunt that morning after Julie Carrera told him the marriage was over.

Officers came out to the house to mediate problems at about 6:30 a.m., and things seemed to calm down. Four and a half hours later, though, three people were dead.

Julie Carrera, 27, died in her front yard while her aunt, Linda Avila, 44, who'd come over to help quiet the tense situation, died at the hospital. In the standoff with police, Bruce Carrera fatally shot himself in the head. Left behind are the Carreras' 7- and 4-year-old children and Linda Avila's husband and two children, ages 18 and 16.

"It's frightening, and it's even more frightening that people are calling me because they think that could be me," Catherine said. They don't say that, but it's implied. "They say things like, 'Did you read that story? You better be careful. Does (her ex-boyfriend) have a gun?' "

ORIGINAL

Catherine was amazed that once she started telling a few people about her boyfriend's threats and scary behavior, women with similar stories "started coming out of the woodwork."

Her boyfriend, meanwhile, wouldn't give up. He'd appear at arts events he knew she'd attend and smile eerily at her from the corner. He'd show up at her house, saying he just wanted to talk, and fall into an endless rant about how her mistakes in the relationship drove him to control her. Once, when she wouldn't let him in, she woke up the next morning with a long scratch on her car. She couldn't prove who did it.

She missed workdays because she'd been up all night sleepless when he'd threatened to come over and "show me I couldn't get rid of him that easily. I didn't know what that meant," she said. "That makes it even more scary What I don't get is why anyone thinks they can control another person. It's my life. These are my choices."

She placed a call to the domestic-abuse nonprofit Women Escaping a Violent Environment (WEAVE), and the hotline volunteer told her about the weekday 9 a.m. restraining-order classes at the William R. Ridgeway Family Relations Courthouse, 3341 Power Inn Road.

She feared, though, that getting a restraining order would push her boyfriend's anger to violence. "You walk this line," she said. "What will work, and what will set him off? How do I get out of this and get him to stop?"

Some men exhibiting this behavior stop in the face of legal action like a restraining order, and others do not. Trained counselors can help you sort through these issues. A good place to start is the WEAVE hotline, (916) 920-2952.

MEMORANDUM FOR SACRAMENTO POLICE DEPARTMENT

FROM: SPECIAL AGENT D. FRED REYNOLDS

SUBJECT: 12 March 2005, Voicemail Messages

AFOSI Det 303 recovered two (2) telephone messages that were left on the voicemail # 707-424-2136, of TSgt Russel Langley, 349th Security Forces Squadron (USAFR), 510 Airlift Dr., Travis AFB CA 94535. The following information was transcribed from the messages:

"Voice Mail Meridain Mail"

"Message One, from [REDACTED] Saturday 0653."

"Is this Sergeant Langley? Hi, my name is Linda Avila, umm, ahh,, I'm the aunt of Julie Carrera, one of your, umm, uh, military people, Uswaldo, he goes by Bruce Carrera. Um, I think you need to call him on his home number, which is [REDACTED] Okay, he's just had the police out at his house, umm, and there's family domestic issues going on,, and I just really think that you as his commanding officer definitely need to be involved with this. So, please give him a call before, um violence, violence escalates. Thank you, bye."

(End Of Message. The caller was a female voice, speaking calmly and very politely, but without clear thoughts or concise sentences. There was another female voice, unclear words, in the background)

"Message Two, from [REDACTED] Saturday 0713."

"Sergeant Langley, this is Julie Carrera, umm you need to call,,, you need to take Bruce away from this house. He is threatening to kill me, um,, he's threatened to kill me even when he was in Texas. You need to do something with this man, um, please call me, uh, my number... ahh, you can call at my aunt's cell phone, it's [REDACTED]. Please call me back. I don't know what to do, um, the police have already been involved, so please call me back. Bye."

(End Of Message. The caller was a female voice, different pitched/tone than the voice in message one, there were more ambient noises in the background as if outside or riding in a car. The caller sounded emotional, hurried and jumpy, there was also another female voice in the background that prompted the caller with the telephone number given in the message.)

VICTIM: *CARRERA, JULIE*

CRIME CODE: 187 P.C.

OBSERVATIONS- OFC FRAZER

1 On 3/12/05 at approx. 1141 hrs. while on routine patrol I was dispatched to
2 1811 Harian way regarding a 245 shooting that had just occurred. According to
3 dispatch there were two victims laying shot in a front yard and a suspect still on
4 scene with a handgun.

5 I responded code 3 to the scene from the corner of 24th/Florin in a fully
6 marked SPD patrol unit #9267. I arrived to find RD41 Ofc. Young and Shiraishi
7 already on scene. I parked approx. 2 houses to the east of the suspect address. Ofc
8 Shiraishi was using his patrol vehicle for cover to the SW of the suspect home.
9 Ofc. Young was using a blue car parked directly in front of the suspect home for
10 cover.

11 I proceeded to an area of cover at the front of the home directly to the east
12 of the suspect home. I was armed with my police shotgun. The suspect was
13 standing in the open doorway to his home. From my angle I could only see him
14 when he leaned forward out of the doorway. The suspect did step out at one point
15 and I observed that he was holding a silver semi-auto pistol to his right temple and
16 holding an AR-15 type rifle in his left hand. The suspect was shouting out to Ofc.
17 Young that his live was over, and he just wanted to lay down next to his wife and
18 shoot himself. He also stated that his children and another individual were inside
19 the home and he'd frequently step back into the home as if speaking to someone
20 inside the home.

21 The suspect closed the front door and Ofc. Young moved to a position
22 behind a tree to my left. Ofc. Young stated that he and I were going to perform a
23 rescue on a woman who was down in the driveway behind a mini-van. I proceeded
24 to cover the front of the suspect home from behind the mini-van allowing Ofc.
25 Young to come behind me and rescue the woman by dragging her to the east down
26 the sidewalk. At that time I observed another female subject who appeared to be
27 deceased laying on the front lawn near the front door of the home. I returned to
28 previous cover position and Ofc. Young returned to a position at my left. The
29 subject again opened the front door. He appeared to have a rapport with Ofc.
30 Young. The subject requested Ofc. Young by name numerous times. Ofc. Young
31 repeatedly asked the subject to put down his weapons and come out peacefully.

VICTIM: *CARRERA, JULIE* **CRIME CODE:** 187 P.C.

OBSERVATIONS- OFC FRAZER

1 Sgt. Hogge arrived at the scene and took a position of cover behind a
2 vehicle across from the suspect home. The suspect stated he was going to kiss his
3 family goodbye then come out of the house so that we could kill him. The subject
4 stated that he was wearing body armor and that we needed to shoot him in the
5 head. He also stated that he was better trained with his assault rifle than we were
6 and that he didn't want to hurt us but that he would if he needed to. The suspect
7 left his home and took up a position at the victim remaining on the front lawn.
8 From this position I could only see the suspect's head through the windows of the
9 mini-van.

10 Ofc. Pettit arrived and took a position with Sgt. Hogge at a vehicle across
11 the street from the suspect home. Ofc Sundby and Ruff also took up positions
12 behind vehicles on the street.

13 Sgt. Hogge and Ofc. Young continued to ask the subject to drop his rifle so
14 that he did not appear to be a threat to us. They also continuously reassured him
15 that we could work through this problem if he would drop the weapons. A
16 decision was made by the Lt. that the subject was not to be allowed to return to the
17 home. This decision was passed to officers on scene. I believed that there were
18 small children in the home and that the subject may return to the home to kill the
19 children. The suspect continued to refuse to drop either of his weapons. He would
20 occasionally stand and look to the north, the area of the back of his home, as if he
21 believed that officers were attempting to sneak up on him from behind. Ofc.
22 Young tried to reassure the suspect that nobody was trying to sneak up on him and
23 that he should put down his weapons and surrender to us. The suspect refused.

24 I then heard two shots from my left and the suspect disappeared from my
25 field of view. I then heard one shot from the area of the suspect. I did not see who
26 fired any of the shots.

27 Officers across the street stated that the subject was down but still moving.
28 An arrest team was formed. I headed the arrest team with the body bunker while
29 officers covered me. We approached the suspect and saw that both of his hands
30 were clear. Ofc. Ruff removed the suspects weapons. Ofc. Ruff and I then flipped
31 the suspect onto his stomach and handcuffed him. The suspect had an obvious

3 Another team of officers cleared the home while Ofc. Ruff and I stood by

5 treat the suspect and the down female.
6 I left the immediate area and began to hang crimescene tape to block the
7 east entrance to the scene on Harian way. I then conducted a neighborhood canvas

9 removed by Sgt. Hogge and given to homicide detectives. After speaking to
10 detectives, I was released from the scene.

Murder/Suicide

Today, Saturday, March 12, 2005, at 11:04 a.m., the Sacramento Police Department received a 911 call indicating that a man had shot his wife in front of 1811 Harian Way. As officers were responding to the location, the suspect called and said he had killed his wife and aunt and that he would open fire at arriving officers. Additionally, he stated that he was ex-military and had a hostage (a female cousin) inside the residence. When officers arrived, they observed two female victims lying out in front of 1811 Harian Way. An initial responding officer was able to remove one of the victims. She was transported to the U.C. Davis Medical Center by the Sacramento Fire Department where she was pronounced deceased.

Responding officers surrounded the location. A short time later, the suspect exited the residence holding a handgun to his head with one hand and an assault rifle in the other. Officers immediately engaged the suspect in conversation, attempting to get the suspect to drop his weapons. The suspect stated he wanted officers to kill him and that they should aim for his head because he was wearing body armor. Officers repeatedly commanded the suspect to drop his weapons. Fearing for the safety of potential hostages, victims inside the residence, the victim on the front lawn, and the safety of the community, an officer fired two shots from an M-16 rifle at the suspect. The suspect then shot himself in the head with his handgun. The suspect was also transported to the U.C. Davis Medical Center where he was pronounced deceased. Officers made contact with the other female victim on the front lawn who was found to be deceased. There were no additional victims or hostages found inside the residence.

Earlier this morning at 6:23 a.m., officers responded to 1811 Harian Way on a welfare check. The above suspect had called and indicated that his wife was distraught over their relationship. Officers responded, mediated the situation,

and found no criminal violations had occurred.

Neither the suspect's nor the victims' identities will be released pending the notification of the next of kin. The suspect was 34 years old and a member of the Air Force Reserves where he worked in a security forces unit. The victims were 40 and 27 years of age.

As a matter of policy, the officer involved in this incident, a six-year veteran, will be placed on paid administrative leave. In accordance with the Sacramento Police Department's policy and procedures, the circumstances surrounding this incident will be investigated by the Sacramento Police Department's Homicide Unit, Internal Affairs Section, and Professional Standards Unit; the City of Sacramento's Office of Public Safety Accountability; and Sacramento County's District Attorney's Office.

DETECTIVE FOLLOW-UP: HOMICIDE/OIS CALL-OUT (Det. M. Stigerts #767)

NOTIFICATION:

On 03/12/05, at approximately 1215 hours, I was advised by phone of a possible officer involved shooting that just occurred near Freeport and Fruitridge. I was at PSAB at the time of the call and advised Det. Husted and Det. Aquino via phone. I sent Sgt. McCloskey a page I would respond and also advised Sgt. Enriquez of the call via pager. I responded to the scene and assisted in determining which officers' vehicles had ICC information and which officers may or may not have been involved in the actual shooting.

BRIEFING:

At approximately 1340 hours, Sgt. Hogge gave Lts. Bray, Peletta, Matthes, Sgts. Enriquez, McCloskey, Lester, Donat, and Rehm and Dets. Aquino, Sledge, Husted, Higgins and myself a briefing of the circumstances, as he knew them at the time. CSI Williams and Modeste were also on scene along with DA Investigator Stoffan.

WALK-THROUGH:

No walkthrough was conducted due to the exterior nature of the scene and large number of people in attendance of the briefing. It was determined that a walk-through may jeopardize the integrity of the evidence in the scene and not conducted.

DEPARTURE:

On 03/12/05, at approximately 1415 hours, I departed the scene, returned to PSAB and conducted interviews.

OBSERVATIONS:

On 03/12/05, at approximately 1420 hours, I contacted dispatch for a phone message from [REDACTED] [REDACTED] was a Costco manager who was calling regarding Julie Carrera, her employee. I attempted to contact [REDACTED] at approximately 1508 hours however she was on another line and could not be interrupted, I did not try another call to her.

Young described in detail his prior call to the residence, 1811 Harian Wy., and the subsequent return call there. He detailed his lengthy attempt to negotiate with Carrera upon his arrival and as other units arrived. He also described his attempt to rescue victim Bray-Avila.

At approximately 1710 hours, I interviewed Lt. Matthes regarding her response to the incident. Lt. Matthes arrived after the initial shooting and rescue by Ofc. Young. WITNESS OFFICER STATEMENT: YOUNG, Matthew

On 03/12/05, at approximately 1550 hours, I met with Officer Young in an interview room at PSAB. Our conversation was audio and video taped, with his knowledge. For full details of his statement, please refer to the tape. Prior to beginning the interview, Sergeant McCloskey checked all three magazines and the handgun of Officer Young. All three appeared to be fully loaded; no rounds appeared to have been discharged. Officer Young said the following in summary:

Currently I am assigned to Patrol Team 16, which is day shift 0600 to 1600 hours, with Tuesday, Wednesday and Thursday off. I'm an FTO and this was my fifth shift working with phase II Officer Shiraishi. I was wearing my current uniform that I have on and we were working a two-man car as RD40.

The first call of the day we received was dispatched by MDC to us because we appeared to be the only day shift unit in a two-man car logged on at that time. The call was located in District 41 at 1811 Harian Wy. and we responded from the area of Franklin and Broadway with normal traffic. The first time we responded, we were southbound on Freeport, then west on Harian when we approached the home.

We walked up to the front door, and I let Officer Shiraishi be the contact officer. Carrera let us in, and we were talking to him inside about his wife, and he stated his wife was outside now and she and her aunt walked up into the front yard. I don't know where the females had been prior to that, but I stayed inside and talked with Mr. Carrera, and Officer Shiraishi spoke with the females outside.

Carrera told me his wife had been hysterical and this appeared to be some sort of domestic disturbance call. He stated that he was in the military and had been in Texas for training. About two to three weeks prior, he had called the house, his wife answered and there appeared to be a party going on in the background. He told me that his sister went over to the house at his request and told him that there were a lot of guys there at the house partying. Carrera came home on Thursday (03/10/05) and things had been okay since then, although, they were currently in a dispute now.

He asked me to close the front door, and I wouldn't because my partner was in the front yard and I needed to have contact with him. I asked if he had any guns. He eluded to something of the fact that he had a gun but that she had took it, hid it, or stolen it, and he stated that there were no other guns.

Officer Shiraishi told me that Carrera and his wife had had an argument, that he had threatened her, and I asked Carrera if it was physical. Carrera admitted he had grabbed her arms at one point to stop her hysteria, he denied having left any injuries on her. And I saw no injuries on her or him.

I attempted to get at least one of them to leave, but there was an issue with custody of the children. She

was supposed to go to work and he was there to take the kids for the day, but she was refusing to let him have them. The wife was going to be late for work and I tried to get her aunt to give her a ride to work, but she stated she wanted to take her kids with her.

Carrera refused to leave without the kids as well. I tried to get them to settle it on their own, and at some point during the mediation, he had asked me about a restraining order. I explained the process and how that would work, a temporary versus a permanent, etc. I know that Shiraishi gave the female a domestic violence pamphlet for resources and the aunt chose to stay at the house with the wife. They both went inside and that was about the end of it. I explained to both of them that we couldn't sit there to baby-sit them all day, that no crime had been committed and they would have to work it out on their own.

Carrera was inside the whole time. He was calm, polite, and the wife was the one that appeared to be more upset. Carrera was lucid, calm and articulate and stated that she was lying about him threatening her. I told him call 911 if it was going to be physical. At some point I had also checked Carrera on Control 9 and he had no wants or warrants. We then left the home.

It was slow, there were no other calls pending and my trainee had a report to do from the previous day, so we decided to park not far from the house in case there happened to be a return call. We were parked on the east side of the street facing southbound on Michael Way. A few minutes later, Carrera drove by in the green van southbound. He slowed and said something to my partner about us working hard, and then continued going southbound. This was at about 6:50 a.m. At that point I figured everything was fine since he was gone and the wife was still at the house. I couldn't tell if the kids were in the van or not, as the windows were tinted on the van.

After that we went downtown, after arresting a 273.5 suspect on another call and taking him to jail. On our way back to south Sacramento, we put ourselves out on a 922 (drunk subject) call at 15th and X Streets with a report of a male White in the bushes. He was "G.O.A." (gone on arrival) and we continued to Freeport and 4th Avenue to attempt to get sandwiches for lunch. We were there when I heard the call being broadcast on the radio, it was being dispatched to another officer. I confirmed with dispatch what district that was in, she stated it was district 41, and I told her to put us en route on the call, as we were not far away.

The call was a shots fired call, which a subject had just shot his wife and he was outside on the front yard. I was driving the car, Code 3 (lights and siren), southbound Freeport when an update came out that there had been multiple shots fired, a victim was down in the yard, and the suspect was still on-scene.

As we were en route, I told my partner to get the shotgun and rack a round into the chamber, and I was expecting to see the suspect out on the front lawn. I turned westbound on Harian from Freeport

Boulevard. The address I was looking for was an even numbered address, and it didn't even register to me that it was the same house that we had previously been to. I was looking on the south side of the street and I actually thought the address we were looking for was west of where we had been previously. I think I had my partner check the address that had come in, and he read to me from the MDC; therefore, I never really thought to look on the north side of the street, which were odd numbered houses.

In looking for the suspect on the south side of the street, I drove past where the actual shooting was occurring, and Shiraishi noticed it and said, "That's it." I made a quick U-turn at Ashland and parked my vehicle on the southeast corner of Ashland and Harian, with the car facing directly at the house.

I didn't see the suspect, but I did notice that there was one victim down on the front yard that had obvious blood around her face and head. I quickly got out of my car and ran up toward the house and took cover behind a small car that was parked directly in front of 1811 Harian Wy. on the street. I positioned myself behind the engine block for cover and then noticed a second victim, who turned out to be the aunt, lying on her stomach facing northeast in the driveway behind the van. I immediately requested SWAT to respond; although I know that's not the way I normally should have done things.

I realized that this was a situation that would have called for it, and I knew that they should be en route. About thirty seconds later the front door opened and Carrera was standing in the doorway and I didn't know if he recognized me. He had a long rifle in his right hand and a pistol in his left hand. They were both down by his side. I immediately said, "Waldo! It's Officer Young. Remember me? Drop the guns!" I then turned to Officer Shiraishi, told him to put his ballistic helmet on, which he did.

We (Carrera and I) had dialog back and forth for quite awhile. I told him that we could work this out, and at first he seemed somewhat receptive. Instantly I thought that the kids were inside, because I remembered they both wanted to take them, but I didn't know who did. I was concerned for the safety of the children inside the home, and didn't know if he had harmed them already or if they were still unharmed.

I realized it was the wife that was on the front lawn and there was no movement from her. There was a lot of blood on her head and face. She was laying face-up on her back. I assumed that she was dead. The aunt was south of the van in the driveway to the east of me. She was not moving, but she was lying on her stomach and I saw no visible injuries.

Carrera was ridiculously calm, just like he was at the first call. He was saying things like, "I'm dead anyway." All of a sudden he shuts the door and stays inside. It was either closed or slightly ajar, and about the same time Officer Frazier had arrived. He had a shotgun and was in the front yard just east of Carrera's house. He was armed with a shotgun and had it pointed at the suspect. Shiraishi had his

helmet on and had cover behind the patrol car, parked at Ashland and Harian. I ran towards Frazier and told him to follow and cover me. I got to the aunt, turned her over, and dragged her about 15 or so feet to the yard east. The van blocked my view and Frazier was covering me.

When I got her on the lawn, I saw that she had no pulse and I began CPR. I noticed the fire department was further east of where I was giving her CPR, so I dragged her a couple of more houses east and then the fire department took her from me.

Sergeant Hogge and some other officers arrived. I ran back up into the yard where Frazier was. There were trees for concealment and there was cover behind the van. The suspect was in and out of the house. I tried to get him all of the way outside because I was still concerned about the children. He came outside into the front yard and stated that he wanted to lay down near his wife before he killed himself.

Sergeant Hogge was talking with him and we were told that he was not to go back inside. I had conveyed to Sergeant Hogge and Lieutenant Mathes that there were two children inside the home and I did not know what their condition was. Every time that Carrera would go down to the body, I had no visual of him because I was behind the van and couldn't see him directly. I remember Marty Gish arrived with a rifle. He was east of the van with me and had a westward view. But I don't think he had a shot. Officer Pettit had gotten there and he was south of me and apparently had a view of the suspect in front of the house.

He was with Sergeant Hogge behind a vehicle parked on the street and had his rifle. I heard two shots that were very loud come from Officer Pettit, and then one shot came from the area where the suspect was on the other side of the van. All of us approached at that time, and we made two teams. One was a team to arrest Carrera and make sure that he was handcuffed and no longer a threat, then we checked to make sure of the condition of people inside. There ended up being no one inside. There were two other buildings on the property. I broke the gate and kicked in a door to a small shed in the back, but no one was in there either.

I remember that my in-car camera was on, because we had responded Code 3, but I don't know that either one of us actually took the microphone out of the visor. I don't know if somebody had it on or if it was even on at all. When I have a trainee, I like to leave the in-car camera microphone in the visor, so that, depending on which one of us approaches a car for a traffic stop, either one of us has access to it.

(Detective leaves the room and comes back a short time later for clarifying questions. Our conversation continues.)

I don't know which hand the guns were in the second time he came out. I don't know if they were

switched from the way I first saw them. I didn't notice the window on the Camry where Pettit was prior to him shooting. I just remember that it was very loud. The third shot appeared to come from the suspect area, and because I couldn't see I thought that he was possibly shooting back. Carrera had stated that he had on ballistic body armor, but I never saw any.

DETECTIVE FOLLOW-UP: OFFICER INVOLVED SHOOTING (Det. M. Stigerts #767)

LT. MATTHES' STATEMENT:

On 03/12/05, at approximately 1710 hours, I interviewed Lieutenant Dana Matthes in an interview room at PSAB. Our conversation was audio and video taped with her knowledge. For full details of her statement, please refer to the tape. Matthes said the following in summary:

I am currently at working as LN9 on dayshift with Sunday, Monday and Tuesday off, and my shift is from 0500 to 1500 hours. I have city-wide responsibility today. I was in my black, unmarked patrol vehicle monitoring via the radio. I was in Del Paso Heights when I received a phone call on my cell phone from the Com Center advising me of a call in progress and I switched to Channel 4. I heard the radio traffic and the officer say that there was a subject confirmed down on the lawn, then I heard confirmation that a second person was down. I know that Sergeant Hogge was still en route and I knew that the suspect was on the phone with the Communications Center. I also knew that there were possible hostages in the home, and the suspect was still armed.

The fire department was en route, a perimeter had been established, and I believed that 3SM4 might have more information. During this whole time, I was en route and driving to the area.

I advised all officers to wear their ballistic helmets and began having dispatch look citywide for rifle team members, due to the fact that the suspect had the assault weapon. I spoke briefly with Sergeant Hogge over the phone. He stated he was still en route and there was no new information. We did not know about the prior call until everything was over.

While I was still en route, the suspect and hostages were inside, there were two victims outside on the lawn, and I heard an officer ask for SWAT and Hostage Negotiations Team call-out. I don't recognize a lot of the voices because there are so many new ones, but I did recognize Ofc. Young and believed it was him asking for specialized units. I work dayshift and most of the officers on dayshift have a good awareness of what's going on and I trust their judgment, so if an officer asks for SWAT and Hostage Negotiations, I'm going to assume it's a good one and not question their judgment.

Sergeant Hogge was on-scene, Officer Young was west of the suspect, and the suspect was kneeling on the ground. One of the victims (the wife) was on the ground on the front lawn. The suspect had a handgun in his right hand and an assault rifle in the other hand. He'd been ordered several times to put it down, without complying.

Sergeant Hogge moved out behind the Camry that was parked across the street, and I noticed that Officer Shiraishi was by his patrol car southwest of the suspect. Officer Frazer was in the yard east, and Officer Ruff was with Sergeant Hogge at the Camry.

DETECTIVE FOLLOW-UP: OFFICER INVOLVED SHOOTING (Det. M. Stigerts #767)

I came in from Freeport Boulevard traveling westbound on Harian. Initially I was behind a truck on the north side of the street, southeast of the house.

The suspect was not complying to put down the gun, he was telling us to just "take a head shot." He was stating that they were dead, that she was dead. Sergeant Hogge explained that we wanted to get the victim's aid, and he said that it was too late, that she was already dead. We didn't know the condition of the hostages inside, if they were okay or wounded, at that point.

When rifle team members arrived on-scene, I had them come in from the east and had them get as close on-scene as possible to see who had the best position for the best shot. Where Officer Shiraishi was, he had the shotgun and I didn't believe he had a shot. Officer Young and Officer Frazer did have a shot with their shotgun from their location with the suspect on the porch.

When Officer Pettit arrived from the east, I put him behind the truck in an attempt to see if he had a clear shot. He stated that after the setup, he did not, and the suspect was moving a lot. I advised all officers on the scene that the suspect was not to go back inside, and the threat needed to be terminated if he started to go back inside. My thought at that point was that if there are hostages inside, they are in more danger if he returns inside the home.

At that point I repositioned Officer Pettit and put him with Officer Hogge, and instructed Officer Ruff to move out east. Officer Pettit was at the front right corner of the Camry and facing the suspect's house, and he had a clear shot of the suspect. From my view, I saw that Carrera had the assault rifle in his left hand, and every time he moved, he moved the assault rifle, it appeared to come up with the muzzle towards my officers. His hand was near the trigger, and it was apparent in my mind that he was a danger to my officers. He kept bending to kiss his wife, and every time he came up, that assault rifle moved. I advised Officer Pettit if the rifle came up again, to take the shot, as he was an extreme threat to our officers' safety. At that point I saw the suspect make the sign of the cross from his head to his chest and shoulders, and I ordered Pettit if he had a clear shot, to take it.

Carrera straightened up and I told Pettit to take the shot. He fired once and then twice, one right after the other. The suspect flinched and seemed to fall back towards his left at the shot and I assumed he was hit. He then instantly put the gun up to his head and shot once. He instantly fell to the ground, and I ordered my officers to hold their position.

Sergeant Hogge got an arrest team and a body bunker, two officers for cover, one for handcuffing and one for the bunker and they approached the suspect. They rolled him over and handcuffed him.

Due to Carrera's military background, a second team was formed of three to four officers, and slowly cleared the house. We were unsure about other victims or potential booby-traps. Hogge made the

announcement for anyone else inside to come out, that the police were on-scene, so if there were hostages inside, they would not be in fear of us. There was no response, and they entered the house and cleared it. There was no one inside. We then cleared the two structures in the back yard and no one was there either. Fire came into the scene and pronounced the female deceased there. The suspect was transported to UCD Med Center and pronounced dead as well.

SWAT had not yet arrived when the situation was resolved, so they were cancelled.

(Detective Stigerts takes a brief break and returns a short time later, and the conversation continues.)

The window on the Camry I didn't notice that it was broke before Officer Pettit had shot. I had been over at the truck and think I would have noticed it if it was broke, but I can't be certain. I didn't notice the holes in the Camry hood prior to the shooting.

[REDACTED] DOB: [REDACTED]

On 03/12/05 approximately 1445 hours, I contacted [REDACTED] at his residence, [REDACTED] Ashland Way, Sacramento, CA 95822, [REDACTED], regarding CASE #2005-84524. [REDACTED] stated the following in summary:

I was outside cleaning he garage when I heard a lot of blood curling screaming. I heard "He's got a gun call the police." I heard shots, around six shots in spurts. I stayed put until I stopped hearing shots. I went inside to get the phone to call the cops. I met my roommate on the porch. I never made it inside to call. The next thing I heard was one male voice. It took a while for the police to get there. I heard what I think was an Officer saying "Its not worth it, put the gun down." That went on for a long time. More police came and more police posted up. One Officer kicked in the gate of he house to the north of mine. I noticed the back door was open. There was more yelling telling the suspect to get rid of the gun. I heard there shots fired. One was really loud the other two were not so loud. The next thing I heard was "He's still breathing!" Then things started to die down. The Fire Department and an ambulance showed up.

One Officer came around the corner towards my house. He appeared to be crying. A citizen asked him if he was okay. The Officer wiped his eyes put his gun away and walked away. The Officer looked like he was Hispanic or Italian.

Author: **3492 - MATTSON, M 0872 ([REDACTED])**

Related date/time: **Mar-12-2005 (Sat.) 1317**

On 03/13/2005 at 1120 hours, my partner Officer A. Pettit, ID 0790 and I (Officer M. Mattson, ID 0872) were completing a 5150 W&I hold at SCMHTC. We were advised of a felony assault with a firearm call that had occurred at 1811 Harian Way and had developed into a baricaded subject call.

We responded code three with Officer Pettit driving from Seamus Ave. west of Land Park Dr. to the scene where Officer Pettit parked the patrol unit on the north side of Harian Way west of Freeport Blvd. Office Pettit retrieved his rifle from the trunk of the patrol car and I retrieved the shotgun from the electro lock inside of the patrol unit. We deployed to the scene and took a cover position on the sidewalk behind a Ford F-150 truck on the south side of Harian Way just east of the subject in the front yard of 1811 Harian Way. Officer Pettit was to my right using the bed of the truck as support and cover and I was in a kneeling position at the rear of the truck.

From my position I could clearly see the subject pointing a semi-automatic chrome handgun to his right temple with his right hand. The subject was either kneeling or squatting in the front yard, but I was unable to see the lower half of his torso due to a wooden fence that created a visual barrier. The subject was speaking to officers that were already in position at the scene. The subject was stating that officer's should just kill him and to aim for his head because he was not going to spend the rest of his life in prison. Officer's were telling him that he had reasons to live and were attempting to have him throw the assault rifle away. Officer Pettit moved to a position directly to the west of us and took cover at the front end of a car for a better vantage point of the subject. I moved up and covered the subject from the position that Officer Pettit had just vacated. Officer's were continuing to reason with the subject when he shifted his position. I heard two shots being fired from my left in quick succession, approximately one second apart. The subject fell over and I lost sight of him.

I approached the subject with an arrest team and an officer tossed both weapons, an AR-15 type assault rifle and 1911 type semi-automatic pistol away from the subject. I retrieved both weapons and placed them on the south side of the tree on the front lawn of 1811 Harian Way. The subject was handcuffed and the residence was cleared.

CASE #2005-84524
FOLLOW UP INVESTIGATION
DETECTIVE V. WALKER #0549

On 03/12/05 approximately 1320 hours, I received a page from dispatch. I returned the call and was informed that I was to respond to Harian Way to meet with Homicide Sergeant F. ENRIQUEZ regarding a homicide call out.

Upon arrival at 1345 hours, patrol officers were briefing detectives on the incident. Sgt. ENRIQUES asked me to respond to the Hall of Justice (HOJ) to assist with interviews. Upon arrival at HOJ I received a telephone call from Sgt. ENRIQUEZ requesting that I return to the scene to assist with a neighborhood canvas.

Upon arrival I meet with Homicide Detective A. BUCKLEY and Detective J. ROTH. We determined which residence each would contact and started the neighborhood canvas.

I walked over to Potrero Way to begin a canvas of the residence directly behind the incident location. Upon my arrival on Potrero Way I observed a large parking lot and a field directly behind the incident location. The parking lot was empty except for one vehicle [REDACTED], which belonged to a resident of Harian Way. Det. ROTH interviewed the resident. On the north side of the lot was a church that appeared to be unoccupied.

I then responded to Ashland Way and contacted people at the following addresses: [REDACTED] and [REDACTED]. I obtained statements from each person contacted. The residents of [REDACTED] and [REDACTED] Ashland Way did not answer the door.

Residents of [REDACTED] Harian Way, [REDACTED] and [REDACTED] asking to return to their home contacted me. Their home is located directly across the street from the incident location. I contacted Sgt. ENRIQUEZ who granted permission for the [REDACTED] to return to their home. Mr. and Mrs. [REDACTED] told me they were not at home at the time of the incident.

I responded to Arcia Way and contacted people at the following addresses: [REDACTED], [REDACTED], and [REDACTED]. I obtained statements from each person contacted.

Subject: Ofc. Jeff Shiraishi

Related date/time: Mar-12-2005 (Sat.) 1555

On 3-12-2005 at approx. 1555 hours, I (Det. Aquino #346) spoke with Ofc. Jeff Shiraishi in interview room #4 at the Public Safety Center located at 5770 Freeport Bl., #100. Prior to taking Ofc. Shiraishi's statement, I advised him that the interview was going to be both videotaped and audiotaped. I pointed out where the cameras and microphone were located.

Prior to taking his statement, Ofc. Shiraishi's department-issued handgun and all magazines were inspected by Sgt. Hendrickson. Sgt. Hendrickson told me that Ofc. Shiraishi's gun and all magazines were fully loaded. The following is a summary of Ofc. Shiraishi's statement. For exact details, please review either or both tapes.

(Beginning of Statement)

Today is my 5th shift with FTO Young and it is the second day of Phase II of my training. Prior to this assignment, I was a student-trainee for the department.

This morning, Ofc. Young and I responded to 1811 Harian Wy. on a family

disturbance. When we got there, a male we eventually got to know as "Waldo" told us he and his wife were having marital problems. Waldo told us he and his wife had children together and that the children were asleep in the back of the house. Neither Ofc. Young nor I ever saw the kids.

While Ofc. Young and I were talking to them, two females came home. They turned out to be Waldo's wife and aunt. I spoke to his wife and aunt and she confirmed they were having problems in their marriage. Both Waldo and his wife asked about restraining orders and I provided her a Domestic Violence Resource pamphlet which addressed restraining orders. We mediated the dispute and then left all of them there.

We parked down the street to write reports so we can be close incase we had to respond back to the house for another disturbance. A short while later, Waldo drove past us in a van. He stopped and and made small talk about the police being busy. He left and seemed to be normal. As far as I could tell, he was alone in the van.

A few hours later, Ofc. Young and I were ordering sandwiches for lunch, when we heard a weapons call broadcasted. We decided to forego lunch and respond. As we were headed to the location, both Ofc. Young and I thought the street name sounded familiar but we did not realize we were there earlier today. Ofc. Young told me to get the shotgun out so I did. Ofc. Young was driving westbound Harian Wy. and was looking toward the south side of the street.

As we started driving past 1811 Harian Wy., I realized we were there earlier for the disturbance. At around the same time, I saw Waldo standing over a body on his front lawn. I directed Ofc. Young's attention to Waldo. We pulled a U-turn and stopped the car. At this time, Waldo was just walking into his house.

Ofc. Young and I took cover behind our patrol car; he told me to put my helmet on so I did. I went back to my position of cover. Ofc. Young started positioning other responding units informing them that there were victims on the ground and a suspect had gone back into the house. Ofc. Young tried to call Waldo out a few times but Waldo did not respond.

At one point, Ofc. Young got to the east side of the house with another officer while I kept the front of the house covered with the shotgun. Ofc. Young pulled one of the victims away from the house. Other units arrived including Sgt. Hogge and Ofc. Pettit. I knew Ofc. Pettit was a rifle trained officer and that he had his assault rifle out there with him. Those two got behind a gray car parked on the south side of the street and

used that for cover. Sgt. Hogge tried talking to Waldo but Waldo wouldn't talk to him. I think Waldo at one point was asking to talk to Ofc. Young.

When Waldo walked out, he was holding a handgun to his head with his right hand and an assault rifle pointed to the ground in his left hand. I heard Ofc. Young telling Waldo to just put his guns down and talk but Waldo wouldn't listen. A few times, the assault rifle raised up when Waldo moved. Waldo bent over and kissed a female on the ground a couple of times. He was also yelling at officers to "take a head shot."

I heard somebody broadcast on the radio that Waldo was wearing body armor. I also remember Lt. Mathes tell us that Waldo was not to go back inside the house because he claimed to have a hostage inside. I thought I was going to have to shoot him. A short while later, I heard two loud shots coming from where Ofc. Pettit and Sgt. Hogge were. I knew then that Ofc. Pettit had taken two shots at Waldo with his assault rifle. I then saw Waldo fall to the ground.

Sgt. Hogge put together an arrest team which secured Waldo at the front lawn. Sgt. Hogge then quickly put together an entry team to clear the house. I gave my shotgun to another officer and helped with the entry. We didn't find anybody else inside the house. After that, we set up the scene tape and detectives were called out.

Subject: **HOGGE DAVID**
Related date/time: **Mar-12-2005 (Sat.) 1615**

WITNESS STATEMENT: Hogge, David

On 3/12/05, at approximately 1615 Hrs., I, Detective Poroli, contacted Sacramento Police Sergeant David Hogge #3048 at the Public Safety Building, 5770 Freeport Blvd. #100, inside interview room #2. Prior to starting the interview I advised Sergeant Hogge that the interview room was audio and video tape recorded and I pointed out where the cameras and microphone was located. At the start of the interview Sergeant McCloskey entered the room and examined Sergeant Hogge's duty weapon. Sergeant McCloskey advised that his gun was fully loaded, along with the extra magazines. The following is a summary of Sergeant Hogge's statement. For exact statement refer to tapes, which will be booked into property as evidence. Sergeant Hogge stated the following in summary:

I have been with the Sacramento Police Department for approximately 18 years. I have been a Sergeant for approximately two years. I am currently assigned to dayshift patrol in sector 4 with Monday, Tuesday and Wednesday off. My work hours are from 0600 Hrs. to 1600 Hrs.

Today I was Code 7 at my home when I was asked to contact the communications center on an unrelated matter. As I was making this phone call, I heard the dispatcher over the radio asking if I copied the call. I asked her to repeat the circumstances. She advised that it was a possible shooting, 245 PC, that there was one person down and an armed suspect still on scene in the house. I copied the call and responded towards the scene Code 3.

I heard Officer Young request a Code 3 response and additional officers. I started thinking to myself about a barricaded subject.

Officer Young announced that he was 906 over the air. He then advised that there were two down in the front yard. He then advised that there was an armed subject still in the house.

I asked Officer Young for a perimeter and for all officers to take cover. I requested an air unit. I knew Air 1 was not up. I was advised that a fixed wing plane was en route. I heard a number of officers come up on the air announcing that they were en route Code 3.

I then heard Officer Young ask for SWAT and for a hostage negotiator. Normally the lieutenant or myself would make that decision, but I let it go because he was on scene and I trusted that he knew what he needed.

I heard Officer Young say that he had moved one of the victims to a location away from the immediate location so fire could give aid. Officer Young gave fire a staging location to keep them out of harms way.

I arrived on scene and pulled down the street. When I arrived I saw one patrol car. I saw Officer Young in front of the patrol car with his helmet on and he was speaking in a westerly direction. I saw Officer Shiraishi on the south side, near the corner of Ashland, also with his helmet on.

I took cover behind a car that was a couple of cars past the first patrol car. I set up a staging area at Harian Way and Freeport Blvd. Officer Young advised that the suspect was at the door. When I got there Officer Young was already having a conversation with the suspect attempting to negotiate with him. I could only see the suspect's head at that point.

I heard Officer Young tell Officer Frazer to cover him while he drug the victim further down. The subject he was dragging looked critical or dead. I waved in fire and one fire person came in and helped Officer Young. I positioned Officers Sundby and Ruff and had another unit block the public from entering from the west.

Officer Young advised that the suspect was armed with a fully automatic rifle. I was behind a vehicle now where I could see the suspect's head in the doorway, but I couldn't see any weapons. I had my handgun drawn.

Lieutenant Matthes asked me over the air to call her. I told her that I was too busy. There then became a time where there was a lull and I was able to give Lieutenant Matthes a call. I updated her on what we had. I told her that Officer Young was having success with the suspect.

During my conversation with Lieutenant Matthes the suspect came out of the house. Dispatch advised that they were land lined with the suspect. I could see the second victim's hand on the front lawn. I could see that the second victim was a large female, but that was about it. I was thinking that we needed to perform a rescue on this person. I heard Lieutenant Matthes ask for the rifle team.

The suspect came out of the house and took a kneeling position just behind the female victim on the lawn. He had a fully automatic type rifle in his

left hand and a semi automatic handgun in his right hand. He then put the handgun to his head. He kept the gun to his head most of the time. He had the gun to his head about 90 percent of the time.

Officer Young was no longer talking to the suspect. I moved to the Camry, behind the engine block, that was across the street to get closer to talk to the suspect. I began negotiations with the suspect. I asked him to put his guns down, that we could talk about this. Every time I said this, the suspect would say, "I'm dead" or "I'm going to prison for the rest of my life." I told him that wasn't necessarily true, that we could talk.

The suspect asked how Linda was. Officer Young said she's fine, just talk to us. I realized at that point that Officer Young had had previous contact with the suspect.

The suspect continually asked officers on scene to shoot him, to take a head shot. I continued to ask him to put the guns down. This went on for about 5 to 10 minutes.

The suspect asked why there were so many guns on him. He noticed Officer Pettit with the rifle. I told him he had us scared with the assault rifle. I asked him to just put down the assault rifle. I heard Officer Young say, "That's fair Waldo." It looked like he was considering it. I asked about the person on the lawn. I told him we needed to get her medical attention. At that point he said that she was already dead. I saw him check her pupils, like he was checking her vitals. He reiterated that she was already dead. Several times the suspect knelt over the body and kissed her on the forehead or face, like he cared for her and felt bad or was sorry.

Lieutenant Matthes arrived on scene and joined me behind the Camry. She directed Officer Pettit to move up to our position. Officer Pettit moved up and said that he had a visual on the suspect's chest and that he could shoot anytime upon request. Pettit was previously set up further east.

Prior to Pettit joining us, Lieutenant Matthes told me that the suspect was not going back in the house. This was either over the air or on the cell phone before Lieutenant Matthes joined me. I told officers around me that if the suspect turns to go back in the house that they were to take a shot. That was our plan before Officer Pettit got there. There was information that a cousin was inside the house as a hostage, plus possible children inside the house. In my mind there was 1 to 3 children inside the house as hostages.

At this time the suspect was very nervous. He would get off his knees into

a squatting position to look behind him on each side of the house as if he expected us to come up from behind him. When he did this, his rifle would come up. The few times he did this and the rifle came up, Lieutenant Matthes started to tell Officer Pettit to shoot. I still felt at this point that we could still talk him out of this and into giving up his guns. At one point the suspect said he was thinking about chickening out, that he couldn't do this. I asked Lieutenant Matthes to just wait.

After this the rifle came up again. Lieutenant Matthes told Officer Pettit if the gun comes up again in the direction of any officers I want you to go ahead and shoot. I did not disagree with her at this point.

Shortly after that order the suspect came up again. The rifle came up in line with officers, it might have even been towards us. Officer Pettit shot once. After this first shot the suspect went down and back. I thought he had been hit in the chest because of the timing. The suspect then got back to his knees and put the handgun to his head. I screamed for the suspect not to do it. Officer Pettit shot a second shot. I thought it was an attempt to stop the suspect from shooting himself in the head.

The suspect then shot himself in the head with his right hand to his right temple. The suspect then went down to the ground, where he was squirming and moving on the ground.

Lieutenant Matthes told me to organize an arrest team. I directed officers to do that. I retrieved a body bunker from the trunk of my car. I gave the shield to Officer Frazer. Frazer led the arrest team. Officer Sundby was the arresting officer and she handcuffed the suspect.

After the arrest, lieutenant Matthes directed me to clear the house before fire came in. The lieutenant directed me to do announcements. I gave announcements three times. I announced that this was the Sacramento Police Department and that it was safe to come outside.

Officers Young, Shiraishi and Thompson then cleared the house. I went up to the doorway and monitored the clearing of the house. There was no one else located inside the house. Fire then came in.

We then realized that there was a house or a garage in the back. We forced entry inside and cleared the house in the back.

I was concerned about where the kids were. I answered a ringing cell phone that was on the floor near the front door. I spoke to the husband of one of the victims. He told me that he had the two kids and his daughter with

him. He advised that he was the husband of Linda. I had him describe Linda. I told him that Linda had been taken to the hospital. I asked him to respond to the staging area where Officer Ruff spoke to him. He was identified as [REDACTED].

I asked Sergeant Hogge if the suspect made any specific statements indicating that he was responsible for shooting the victims. Sergeant Hogge continued in summary:

The suspect stated, "My life's over anyway." I think he said, "I'm sorry" to the victim on the lawn. He leaned down and kissed her. The suspect stated, "Even if I give up my guns, I'm going to prison for the rest of my life."

I asked Sergeant Hogge what happened with the suspect's weapons after the arrest was made. Sergeant Hogge explained in summary:

The arrest team threw the weapons away from the suspect into a safe location. The weapons were left there for CSI and were never touched or manipulated again.

The following is a summary of [REDACTED]'s statement. For exact statement refer to tapes, which will be booked into property as evidence. Smith stated the following in summary:

I live directly across the street from where the incident occurred today. My house is on the corner of Harian Way and Ashland. I have lived in that house since last April. The people involved in the incident (from 1811 Harian) moved into that house after I moved in.

Today I was locking my front door getting ready to head to my car when I heard the lady who lived in that house run out screaming. This was probably close to 11:00 AM. She was just screaming, not saying anything. Behind her came her husband and he had a gun in his hand. He had it by his side pointed down.

At that point the other lady came out screaming, "He's got a gun! Call 911!" I was trying to unlock my door to get back inside my house, because he looked at me and I was afraid for my life.

I opened the door and got it. I can't remember if it was before I closed my door or not, but before I got across my living room I heard shots. I heard two shots, but there may have been more. I didn't see the shooting.

I called 911 and told them what I saw. I was at the back of my house. I then went to my kitchen window and looked out. I saw the suspect walk across his lawn and pick something up. I think it was a cell phone. It was something small.

He then walked back to his wife and flipped her over. He then bent down. He turned and put blood on his hand and wiped it on his face.

At some point he walked into the house and came back with the larger gun. He had both guns. He was also in the van. After he flipped her over he

made a phone call. Then he walked back into the house and that's about the time the first officers arrived. I then went and barricaded myself into the back of my house, because if shots were going to be fired I didn't want to be in the way.

I believe a husband; wife and two kids live in that house. There also might be a cousin staying there. The other lady that was shot was over there often.

I could hear the officers telling him to put the gun down. Then at some point an officer came through my fence and wanted me out of the house.

When I got near the back of the house, that's when I heard the other shots. I heard officers telling him to put his guns down. I heard them telling him that they wanted to get help for the victims. They were trying to coax him into letting them help the victims.

I was not aware of any previous problems. I was not aware of the previous call this morning.

WITNESS STATEMENT: [REDACTED]

On 3/12/05, at approximately 1835 Hrs., I contacted witness [REDACTED] at the Public Safety Building, 5770 Freeport Blvd., inside interview room # 4. This interview was audio and video tape recorded. The following is a summary of [REDACTED]'s statement. For exact statement refer to tapes, which will be booked into property as evidence. [REDACTED] stated the following in summary:

I live in the [REDACTED] house from the corner of Harian Way and Ashland. I was in the garage of my house. The garage is separate and is set back from the house. From where I was I had no view of the incident.

When I was in the garage I heard a whole bunch of screaming. Then I heard someone screaming about someone having a gun. I then heard about six gunshots.

After hearing the shots I went into my house through the back door. I then went out onto my front porch with my roommate. The next thing I heard was a little bit of yelling. I could hear a male voice, but nothing decipherable. My roommate and I just kind of stood there on our front porch wondering what was going on. Because we heard the screaming and the gunshots and then it was quiet again, we were hesitant about going around the corner to see what was going on.

Probably about five minutes later I heard a more authoritative male voice saying, "It's not worth it." I could hear another voice saying, "My life's over." Then another voice saying, "Your life is not over, we can talk about this."

I then saw police cars pulling up. I heard some more yelling about put the gun down.

I saw an officer post up behind a tree on the corner with his gun drawn. Another officer came up and tested the back fence of our neighbor's house. The officer then kicked the fence open and went in.

I heard more screaming about put the gun down.

Eventually there was one really loud gunshot from the vicinity of the suspect's house. I believe that the officer that was behind the tree then fired a shot. Then there was another shot that I heard from around the corner. Then it was quiet.

I saw an officer come from around the corner crying. He had his gun out and was crying.

I thought the officer on the corner by the tree fired a shot, but I am not positive.

I didn't know the people where the incident occurred. They moved in maybe six months ago. I believe it was a family living there. I probably wouldn't recognize any of them. I'm not aware of any problems over there or the prior call there this morning.

DETECTIVE FOLLOW-UP:

On 03/12/05, at approximately 1835 hours, I (Det. Stigerts) interviewed [REDACTED] at PSAB. Our conversation was audio and video taped. For full details of his statement please refer to the tape. [REDACTED] said the following in summary:

I woke up at about 10:00 this morning and the windows were open and I was just in the house hanging out. At about 11:00 I heard people screaming. They were yelling, "He's got a gun! Call the police! Call the police!" Then I heard three sets of two shots. I went out front at that point and saw a couple of other neighbors standing outside. My roommate [REDACTED] also ran outside, but I didn't see anything.

About ten to twenty minutes later, a cop car came on Harian going westbound, made a U-turn at Ashland and parked right at the corner of Ashland and Harian. I heard one of the officers saying, "Don't do it, it's not worth it. We'll do whatever we can." That must have gone on for about thirty to forty-five minutes. Another police officer arrives northbound on Ashland and hid behind a tree at the corner house at my neighbor's. Another officer kicked the fence and went into my neighbor's back yard and spoke to her and asked to go into her house.

A lot more time went by and then I heard three shots, and it sounded like it was from two different guns. Then I heard the ambulance. All of this was what I heard. I never saw anything from where my house is.

When the initial yelling started at about 11:00, it sounded like there were three people yelling. After the shots were fired the first time, there was no one screaming anymore.

The people that live there moved in about three or six months ago, but I've never seen them or met them before. I never called 911 because it was all just so quick and confusing at first before the police got there. The whole event lasted about two to three hours, I think. They spent substantial time trying to have him put down the gun.

3/12/05 at approx. 1755 Hrs., R/O (Det. Husted) interviewed ██████████ at the Public Safety Center. The interview was recorded on audio and video tape, and the tapes can be reviewed for exact details of ██████████'s statement. The following is a summary of ██████████'s statement:

I live across the street from where the shooting occurred. I was sleeping around 11am and I heard women screaming outside. It sounded like they were saying, "no, dont, help, someone call the police". I looked outside and saw the woman in yellow running around the van that was in the driveway, and the wife was running out to the street. I then saw the husband walk out the front door, and it appeared to me as if he was walking very casually. At that point I did not see him with any guns.

I then slammed the door and as soon as the door shut I heard 4-5 gunshots. I got my aunt and we called 911 and told the dispatcher that there had been gunshots. I then went over to my kitchen window and looked outside. I saw the husband by the front drivers side of the van, and both women were down on the ground. He then walked over and it looked like he pulled the hair of his wife and then he went back into the house. I could see that he had a long gun.

I then called 911 again to let them know what was going on. I saw one officer arrive and I told them that they would need more officers. The officers started to arrive and they were spread out in front of the house. I saw that one officer grabbed the woman that was down in the driveway and he drug her down the street to get her into the ambulance. I was watching all of this through my kitchen window.

I could hear the officers screaming for the husband to put down the guns. I could see that he was holding a smaller gun up to his head. He had come out of the house and went down to his wife in the front yard. He was cradling his wife and he was saying that he was going to shoot himself. The officers continued to tell him to put the guns down.

I looked away for a second and then I heard 2-3 gunshots. I looked outside and saw the husband down on the ground next to his wife.

Related date/time: **Mar-12-2005 (Sat.)**

3/12/05 at approx. 1655 Hrs., R/O (Det. Husted) interviewed Officer Pettit #790 at the Public Safety Center. Attorney David Mastagni Jr. was present during the interview. The interview was recorded on audio and videotape, and the tapes can be reviewed for exact details of the interview. The following is a summary of the interview with Officer Pettit:

Prior to obtaining a statement from Officer Pettit, Sgt. McCloskey entered the interview and had checked Officer Pettit's duty pistol. Officer Pettit was carrying a fully loaded Sig Sauer .40 cal pistol (SER# ██████████), and he had two fully loaded magazines.

I've been a sworn police officer for the Sacramento Police Department for six years. I have not worked in any other assignments other than patrol. I currently work in uniform as a FTO on dayshift, with TWT off. My work hours are 6:00am to 4:00pm. I have been a FTO for about four years. I am currently assigned to the rifle team, and I have been assigned to the team for about three years. I am assigned a M-16 in my capacity on the rifle team. The rifles we carry are semi-automatic.

My initial training for the rifle team consisted of a physical agility test, along with a 40-hour course involving the use of the rifle and our departmental policies regarding the use of the rifle. About 30-hours of the course involved shooting the rifle on the range. I have attended all of the annual rifle qualifications since my initial training. I also attended a 10-hour active shooters course about two to three years ago. The class included training regarding interior and exterior use of the rifle versus the handgun. I also had tactical training in the academy and I recently had additional tactics training with the SWAT team at the end of last month.

I carry a Sig Sauer .40 cal pistol on duty, however it was not used in the incident today. I also carry a Sig Suaer .380 semi-automatic pistol for backup. When I don't have a partner I keep my backup weapon in the front seat with me, however when I have a partner I keep it in the trunk. My backup weapon was in the trunk today because I was working with a partner.

Yesterday was my first day back at work (Friday 3/11/05). I worked my

normal shift yesterday with no overtime. I had just under seven hours of sleep last night. Today was the first day that I rode with my partner. His name is Mike, and he is a lateral from CHP. He is not assigned as my trainee because I was only filling in for the day. I was driving today. I am stationed out of the Kinney station, and I am assigned downtown.

R/O then asked Officer Pettit to go over the circumstances surrounding the shooting incident on Harian. Officer Pettit provided the following additional information in summary:

Today around noon the sergeant came up on the air and tried to raise us. We were asked to respond to Sector-4 for rifle deployment. At the time we were dropping off a patient at Sacramento Mental Health Clinic (SMHC). We put ourselves on the call and responded from SMHC. We arrived at the scene just after Officer Gish. We parked at the corner of Harian / Freeport. I then unlocked my rifle from the trunk and put a loaded magazine into the rifle. The rifle is not kept in a loaded capacity while stored in the trunk. I then headed down Harian on foot, and I observed several officers already on-scene. I saw Officer Young, Officer Sundby, Officer Fraser, Officer Shiraishi, Sgt. Hogge, and Lt. Matthes. I initially took a position behind a large full-sized vehicle on the south side of the street about one house east of the suspect's house. I was then directed by either Sgt. Hogge or Lt. Matthes to take their position behind the vehicle. They advised me that the suspect had just shot his wife, that he was over his wife, had a gun to his head, and that he had a rifle in his other hand. At the time I could only see the suspect's head due to an obstruction of a three-foot fence and bushes just east of the suspect's house. I told them that I could not see the suspect's hands so I needed to get closer.

I then advanced further west on the south side of the street and took a position behind the engine block of a tan Toyota Camry. At that point I could see the suspect. He had a large silver handgun in his right hand up to his temple, and a fully automatic rifle in his lap. He was hovering over what appeared to me to be a dead female. Lt. Matthes advised me that the female was either dead or dying. I then advised Lt. Matthes that I had a clear shot, and she told me that the suspect was not to enter the residence or go anywhere. She told me that I could take the shot if necessary.

At that point I felt he was "shootable" based upon the information I had been given. He still had a gun up to his forehead and the other in his lap. I believed that he could have taken any of if not all of us out that were out there, if immediate action was not taken. I advised Lt. Matthes and Sgt. Hogge that I had a clear shot and if he ever moved again I was

going to take him down. I was advised to hold off until he made a movement. I told them that if he moves his hands again I'm going to take the shot. Several seconds then passed and then he switched positions. His rifle came up, parallel to me in my direction and also in the direction of other officers. That is when I fired two rounds with my rifle. I had my sites on his chest and I fired two rounds. As I fired the first round he went down. At that point I thought I had made contact with him. As he struggled to get back up again I fired again. At that time he pulled the trigger, shooting himself in the head. He then fell to the ground. At that point we held our position until Sgt. Hogge created an arrest team, and I requested a body bunker. They got a body bunker and I covered the officers. When we approached Officer Fraser removed the rifle and handgun and then Officer Roth handcuffed the suspect. At that point the team cleared the house, and fire arrived at the scene and transported the suspect.

R/O then confirmed with Officer Pettit that he checked out his M-16 rifle from the Kinney station lockers at the beginning of his shift. He also verified that the call on Harian was the only time he deployed his rifle during the shift. Officer Pettit also advised that he used a magazine loaded with 29 live rifle rounds when he loaded his rifle. Officer Pettit explained that he also wore his ballistic helmet during the incident. R/O then asked Officer Pettit to recall the radio traffic at the time of his response to the scene, and he provided the following information in summary:

They advised that the suspect had shot two people, he was wearing body armor, he was on his front lawn, SWAT was being called out, all rifle team members were on the scene, and we needed to respond. It was a high priority call. The suspect wasn't messing around as he had already killed two people in his front lawn. I believed that the officers were in danger including all of the citizens out there. Public safety was paramount.

R/O then asked Officer Pettit to clarify the direction given to him by Lt. Matthes, and he provided the following information in summary:

She said, "Do not let him back into the house. Do not let him go anywhere, and if he does, take a shot". At that point I took aim and could not see his hands so I advanced to the Camry. I don't know if anyone advanced to the Camry with me. From the Camry I was about 50ft away from the suspect.

R/O then asked Officer Pettit to described what he meant when he stated that the suspect had been hovering over the woman in the yard, and he provided the following information in summary:

He was squatting, almost kneeling. His hand also kept going up and down while holding the gun. He had his right hand on the pistol up to his head and the other on the rifle. At that time he was moving the rifle around in different directions. It was obvious to me that he wasn't stable, and in any second he could shoot himself or us as well.

R/O then asked Officer Pettit if the suspect was saying anything to the officers, and he provided the following information in summary:

Sgt. Hogge was giving him orders to give up the rifle. The rifle was the main concern at the time because it was endangering everyone else at the time. Sgt. Hogge was telling him to put the rifle away, and that we could talk about it. Officer Young was also trying to communicate with the suspect as well, but I don't remember exactly what he was saying.

I think the suspect was saying he wanted to kill himself that he might shoot it out. He said something like, "I might, I might", but I'm not sure exactly because he was screaming and yelling.

Q - He was saying he wanted to kill himself?

A - Yes

Q - Did you see the other woman that was down at that time, or had she already been moved?

A- No. All I saw was a puddle of blood in the driveway. I didn't see any other bodies.

Q - Did you see anybody coming out of the house, any children, or any other people around him at that time?

A - No, no children, nobody else.

Q - And you were saying that once you got behind the Camry, behind the engine block for cover that was when you had a clean shot?

A - I had a clean shot on him.

Q - Was the tree or anything at all blocking your view of him?

A - No obstructions, I had a clean view of him.

Q - Do you remember how much time went by that you were up at the Camry before you took the first shot?

A - I was probably two to three minutes; it was a short period of time. The suspect was very agitated at that time.

R/O then inquired about the order given to Officer Pettit from Lt. Mathes, and the actions of the suspect. Officer Pettit provided the following additional information in summary:

She told me to wait until I see him point his gun at somebody. I said, "We just need to take him out. He's a danger and we need to take him out now". At some point he lifted up his rifle towards me in my general direction. He had his rifle in his left hand. His rifle looked like the one I had, but it looked smaller with a shorter stock. It was made like an AR-15 or something like that. I don't remember if it had a pistol grip but I think it did. I'm not sure because of the distance, but I did recognize it as a high-powered rifle. He had his left hand positioned on the rifle as if it had a pistol grip like mine. He had his hand directly on that weapon. His finger was near assessable to the trigger.

Q - And when he stands up he points it directly towards your direction and other officers both?

A - He points it in between. What I remember is he stood up and he kind of swept it, and that was the last time because he had already done that prior to me getting up there. He was going down and coming up, and moving it around. He had done it like three times already.

Q - So you take the first shot and you said you were sited to his chest. Correct?

A - Correct

Q - And you said he went down?

A - He went down.

He fell over to his right side. As soon as I shot he went down so I figured I made contact. He was up on his knees at the time and he fell down to his side, and then he came back up again.

Q - So it sounds like he didn't actually stand up at any point during this?

A - No, I don't remember him standing up. He was getting up and down from a seated, and squatted position. He was coming halfway up and down, but I don't think he ever got to his feet.

Q- Okay, so you're firing the first shot and he goes down to the right as you described. And then does he immediately pop back up?

A - He came back up maybe a second later and at that time I immediately fired a second round, figuring that he probably had body armor or something. That's what they had told us before.

Q - And when you fired the second shot, what happened next?

A - He fired a gun to his head.

Q - When you fired the second shot did he go down again before he fired the handgun?

A - It was almost simultaneous. I fired the second round and then, "Boom", he pulled the trigger. He spun around and fell onto the ground. So at that time I thought that I had hit him. That is why at first I thought I had hit him, and he had a vest on. I'm thinking he got wounded and the second was fired in case the first round had not penetrated. And that is when he fired off his own round. The gun was up to his head the entire time.

R/O asked Officer Pettit if he knew how the window on the driver's side of the Camry had been broken and he indicated that he was aware that the window was broken however he did not know how it occurred. R/O then inquired about what had transpired after the suspect fires a shot into his head, and Officer Pettit provided the following information in summary:

I remember everyone wanted to crowd in. We were telling everyone to wait because I'm thinking about other shootings where the suspect still had the ability to fire rounds. I then asked for a body bunker, and at that time somebody got a bunker and they designated an arrest team. I then kept my weapon on the suspect in case he still had the gun in his hand. The arrest team then approached him and they removed the handgun from his immediate area.

Q - Do you remember how many people were on that team?

A - I want to guess four. I know Ruff was there and I think Sundby and Fraser were there as well. I'm not sure who the other person was, but I think there were four.

It may have been 40-seconds or longer before the arrest team approached. We wanted to make sure that he wasn't going to get up and shoot again.

Q - You said Ruff took the handgun from him. Do you remember what happens to the rifle?

A - She (Officer Ruff) removes that too. I believe it was Roth who rolled him over onto his stomach to handcuff him because he was on his back.

Q - Other than the suspect shooting himself in the head, did he fire any other shots while you were there?

A - Not that I observed

Q - Did you see anyone else, any other officers' fire at him?

A - No

Q - After the suspect is handcuffed and the guns are moved to the side, what happens?

A - After that Fire comes in. They tend to him; I guess he is still breathing. They examined him and the female. I then pretty much remove myself from the scene, as the shooter. I just waited until everybody came in and processed the scene.

Q - You said there was another team that was inside the house?

A - I believe Sgt. Hogge advised those that had helmets on were to go in and clear the house. They advised there was nobody inside the house.

Officer Pettit then confirmed that the incident occurred during daylight hours, and the weather conditions were warm and sunny. R/O then asked Pettit's attorney, David Mastagni Jr., if he had any questions. Mastagni then asked Pettit to articulate for the record what his state of mind was once he arrived on the scene and became aware of what the circumstances were. Officer Pettit then provided the following information in summary:

Once I arrived on-scene, here is a guy that killed somebody and was on his front lawn. The officers were actually face to face with him. My initial thought was that I am going to get into a shoot out, and my initial fear was that he is going to kill somebody else. And he would have no problem doing that, killing an officer or killing himself. I know that when I was switching from the truck to the car he was looking directly at me. I thought for sure he was going to shoot. He had the rifle right there. I feared for my life. I thought for sure he was going to raise the rifle or point the gun towards me during my transition between the truck and car.

Mastagni then asked Officer Pettit if he could articulate his state of mind when the suspect leveled the rifle in his direction. Officer Pettit then provided the following information in summary:

I was in fear for my life, and fear for my partner's life. All of a sudden this is for real and I am sure he's going to fire off rounds, and he will possibly shoot and kill somebody.

Witness Statement: ([REDACTED])

On 03-12-05 I, Detective Bergquist, contacted W-[REDACTED] at [REDACTED] Harian Way during a neighborhood canvas. She related the following in summary:

I live here by myself.

I left to go workout around 0850 hrs. I returned home from the gym around 0940 hrs and took a shower.

At approximately 1100 hrs I had walked out my front door. I had closed and looked the interior door and was beginning to walk away from the screen door. The lady (the wife) from across the street came running out the front door (1811 Harian Way) screaming. I saw the man (the husband) behind her with a handgun in is right hand. A second woman, who I think is the wife's mother, ran out behind the man and was screaming, "call 911 he's got a gun". The man made direct eye contact with me as I was trying to get back in my house. As I opened my interior door I heard gun shots. There were at least two shots fired and I am not sure how many more were fired. I ran into my bedroom where my phone is to call 911. I was scared to death that he was going to come after me next because he clearly saw me outside. I came back to my kitchen window to peek outside and see what was happening. The man was still in the front yard, but now he was holding a big gun (like a rifle) and he still had the handgun. He walked over to the body (mother-in-law) that was on the ground in the driveway behind the van and picked something up. It looked like a small cell phone. He walked back over to his wife who was on the lawn next to the tree. He flipped her body over, bent down and it looked like he may have kissed her. He got her blood on the back of his hand. Then he took that hand and wiped the blood from his wife on his face. He stood up and called someone on the phone he picked up from the first body. He stood on the lawn between his wife's body and the front porch.

When I saw the officers show up the man went back in the house. At that point, I hid in the back of my house because I was afraid there was going to be more shots fired.

Witness Statement: ([REDACTED])

On 03-12-05 I, Detective Bergquist, contacted W-[REDACTED] at [REDACTED] Harian Way during a neighborhood canvas. She related the following in summary:

I have never heard any fighting from that house (1811 Harian Way). The man that lives there is in the military.

Between 1030 and 1045 I had received a phone call. I went into my mom's bedroom to lie back down. About 20 minutes later I heard a women screaming, "No! Help! Please call the cops".

I came out the front door of our house. I saw one lady running east away from the house 1811 Harian Way, I think that lady is the wife's mother. The wife was running toward the street out the front door. The man (husband) came out of the house casually behind them. I went back into our house and locked the door. I was yelling for my Aunt ([REDACTED]) to call 911. I heard 4-5 really fast gun shots. I thought it was a drive by shooting. Everything went quiet. The world went quiet, birds and everything.

I went to the kitchen window that faces 1811 Harian Way (suspect house) to look outside. I saw the man (husband) standing in front of the van that is parked in the driveway. That is when I noticed he was holding a gun along his right side. I looked away to call the police again. I then saw the husband with a bigger gun than a handgun. He walked over to the body (mother-in-law) in the driveway that was on the ground behind the van. He bent down and flipped her hair or something. Then he went over to his wife and touched her like he was checking her pulse or something.

I saw one police car pull up and I called 911 again to let them know that the husband is the one with the gun. I wanted to let them know that they needed more cops. The husband went back in the house when he saw the cops. I saw a police officer that had a helmet on, run up, grab the body (mother-in-law) that was on the ground behind the van and drag it to the next house to the east of 1811 Harian Way where an ambulance was waiting.

The husband kept coming in and out of the house. He kept holding a handgun

to his head while he was in the doorway. He went to his wife that was down on the lawn in front of the house (1811) and was kind of cradling her.

I heard officers yelling, "No don't do it" and I ducked out of the window. I heard 3 more gun shots. I looked back out the window and saw the husband down on the ground.

Witness Statement: ([REDACTED])

On 03-12-05 I, Detective Bergquist, contacted W-[REDACTED] at [REDACTED] Harian Way during a neighborhood canvas. She related the following in summary:

I live here alone.

I got up around 0630 hrs this morning. I went to Home Depot around 0730 hrs and got home around 0830 hrs. At 0845 hrs I was out in my backyard gardening.

I had been working for a while in my backyard when I heard the "most horrible scream I have ever heard in my life". I heard a lot of gun shots. It sounded like fireworks. I ran in the house to the north/west bedroom of my house. I have a clear view from that room of 1811 Harian Way. I grabbed the phone to dial 911.

The husband was holding a handgun in his right hand. He was moving around the "totally lifeless" body that was in the driveway behind the van very "nonchalantly". I saw hair on the ground near the tree in the front yard. I initially thought it was there dog, but then I realized it was too much hair. People kept driving by, but no one was stopping. I was worried because I know they have 2 kids and I was wondering where they were.

The husband went in the house and come out carrying a bigger gun and I thought he had 2 handguns, but it could have been just one.

One police officer arrived and the husband went back in the house and closed the front door. Officers snuck up and grabbed the body that was on the ground behind the van and dragged it next door to the east where an ambulance was waiting.

The husband stuck his head out the front door and had a gun to his own head. I stepped away because I had seen enough. I heard 2 gun shots. I looked back out the window and I saw the police entering the house.

Subject: ██████████ STATEMENT

Related date/time: Mar-12-2005 (Sat.)

3/12/05 at approx. 2050 Hrs., R/O (Det. Husted) interviewed ██████████ at the Public Safety Center. The interview was recorded on audio and video tape, and the tapes can be reviewed for exact details of ██████████'s statement.

████████ provided the following statement in summary;

Im Linda's husband, and she is Julie's aunt. Julie and Bruce had been arguing recently. He has been in Texas for two months for his military service. He has been emailing her and leaving messages that he was going to kill her. My daughter ██████████ has a cell phone and he had left a message for Julie on ██████████'s phone saying that he was going to cut Julie from her cunt to her mouth. He was calling my daughter's phone because he wasn't able to get ahold of Julie. He knew that ██████████ had been watching the kids.

This morning about 6:30am Julie called our house and Linda talked with her. Julie was telling Linda that Bruce was irate and that he had called the cops. Linda then got up and went over to their house.

Linda had called me later and told me that the cops had come out to the house and that things had calmed down. She asked me to come over and pick up the kids so I got ready and went over to the house. I went over about 9:15 - 9:30am. Linda told me that everything was fine. Bruce was out front and he didn't say anything to me. I loaded up the kids and he said goodbye to them. We then left to get my daughter and then we went out to the softball complex in Elk Grove.

At 10:41am I was talking to Linda on the cell phone. I was asking her if she was going to come out to the softball game and she told me that she needed to go home first to get ready. About 15-20 minutes later Bruce called me on my cell. He wanted me to bring the kids back but I told him that I couldn't come right away and he just hung up the phone without saying anything.

I started calling Linda's cell phone because I had a strange feeling that something was wrong, but she wouldn't answer. I called our house and she did not answer there either.

About ten minutes to noon a Sgt. answered Linda's cell phone when I called. he asked me about the kids and he told me that there had been an

I knew Bruce owned guns. He has a 9mm, 45, 7mm bolt action Remington with a scope, and a shotgun. I knew that he was in the reserves and he had a government issued 9mm or 45. I know he went to sniper school but they didn't pick him up because of his psychological exam. I know that Julie and Bruce had been married 7-8 years, and I don't know if he was taking any medication.

Bruce had just returned from Texas either this last Thursday or Friday. Linda told me that Julie had just asked Bruce to spend the night at his mother's house and that he didn't like that.

Sergeant Hogge advised that there had been a call to the residence at approximately 0623 hours, and that Officers Young and Shiraishi responded at that time. He stated that that call had been verbal in nature only and that Officer Young had inquired of the male if he had any guns, and he stated he did not.

Sergeant Hogge stated that after Officers Young and Shiraishi left the scene, they drove around the corner. Sergeant Hogge stated that subsequently, the male, later identified as Oswaldo Carrera, drove by in a green van and had a brief conversation with them.

Sergeant Hogge stated that at approximately 1103 hours, a 911 call was made reporting two females down in the front yard, and the same two officers responded back to the scene. Sergeant Hogge stated that when the officers arrived, there were two females down in the front yard and the male came back outside with two guns, an assault type rifle and a .45 caliber pistol. Sergeant Hogge stated the male stated he had a female hostage inside the house and repeatedly told officers to shoot him in the head. Sergeant Hogge stated that he tried to negotiate with the subject, but it was unsuccessful. Sergeant Hogge stated that Lieutenant Matthes subsequently gave an order to not allow the suspect to go back in the house and for officers to take a shot if he tried to go into the house. Sergeant Hogge stated that when they were negotiating with the suspect, the suspect was looking into the back yard, and when he was doing that the assault rifle was pointed at the officers. Sergeant Hogge stated that Lieutenant Matthes gave a command that if the subject's assault rifle was pointed again at the officers, to take the shot. Sergeant Hogge stated subsequently Officer Pettit fired two shots at the suspect when the rifle was pointed towards the officers. Sergeant Hogge stated the suspect then shot himself in the head with his pistol. Sergeant Hogge stated one female victim who had been down in the driveway was dragged to safety so first aid could be rendered as the incident was unfolding. Sergeant Hogge stated that the male, Oswaldo Carrera, and the female, Linda Avila, that had been dragged to safety was subsequently transported to UC Davis Hospital where they both died. The suspect's wife was identified as Julie Carrera and was declared dead at the scene.

SCENE OBSERVATIONS:

1811 Harian is a single-story, tan, two-bedroom residence with dark brown trim. It is on the north side of the street and it's the second house east of Ashland. The front door was open when I arrived. I checked the inside of the residence and observed several spots of blood inside on the interior

tile entryway to the residence and on the carpet inside the residence. There was also a cellular phone on the white tile floor inside the front door.

I observed a white note tablet on top of the couch which was immediately east of the front door. The couch ran off the north wall of the living room in a southerly direction. There was a white tablet with writing on it on top of the couch. The writing said ?From Sat 12 thru Mar 14 2005 I will not argue w/or call police on Bruce unless he causes physical harm, Julie Carrera 3-12-05.?

The kitchen ran north off of the east side of the living room. There was a table just inside the kitchen entry and there was phone that was off the hook on the table. There was a very small hallway that ran west off of the living room, with the bathroom off of the north side of the hall. There was a bedroom at the northwest corner of the residence appeared to be a child?s bedroom with two bunk-beds on the east wall.

In the southwest bedroom there was a master bedroom that appeared to be the parents? room with a queen bed that sat up against the south wall. There was a small closet on the west wall.

Detective Guerra subsequently searched the interior of the house for any other evidence and located a gun box in the closet of the master bedroom. Inside the gun box were four empty handgun magazines and an empty rifle magazine.

There were numerous spots of blood and several large pools in the front yard of the residence. There was a large pool of blood on the east side of the driveway near the sidewalk. A trail of blood led from this location, east down the sidewalk into the front yard of ■■■ Harian. There was a pair of sunglasses (Placard#1) with blood on them about halfway up the east side of the driveway. The trail of blood then continued from this location in an easterly direction to the grass in front of ■■■ Harian. I located a woman?s slip-on shoe (Placard #2) on the grass near the sidewalk.

Per the briefing, Officer Young had dragged the female victim from the initial pool of blood in the driveway of 1811 Harian to the location of the shoe where first aid was rendered by the fire department. Since this victim had been moved prior to my arrival and the sunglasses and shoes ended up where they were due to actions of the officers, I directed CSI to collect these item; however, they were not measured since they were not part of the crime scene.

The sunglasses were collected by CSI as Placard #1 and the shoe was collected as Placard #2. Placard #3 was an expended rifle round that was east of the Camry that was on the south side of the street. Directly west of this rifle round and southeast of the Camry towards the middle of the street was another expended rifle round (Placard #4). In the middle of the street between 1811 and [REDACTED] Harian there was an expended bullet. It appears this bullet (Placard #5) hit the top left rear door frame of the Camry, causing the left rear window to break and then ricocheted back into the street where it was located.

The rest of the evidence was collected from the premises of 1811 Harian. There was a small black purse at the east edge of the driveway and a pill bottle next to this purse (Placard #6). There was also a blue Ralph Lauren bag just west of the first purse (Placard #7). There was a large pool of blood in the driveway was just north of these purses.

Placard #8 was a live rifle round that was east of the rear of the van that was parked in the driveway of 1811 Harian. Per CSI Williams, this rifle round had been expended from Officer Thompson's gun when he was trying to clear a jam after the incident.

Placard #9 was a set of car keys with several of the car keys bent. These keys were just west of the driveway on the grass of the front yard just east of the large tree that was at that location. There was also a key fob in the driveway just east of the keys. The key fob was bent, had a hole in it and a piece was missing. To the west of the keys in the grass was what appeared to be the missing piece of the key fob in damaged condition.

Placard #10 was a bullet casing that was in the front yard south of the tree. There were two guns on the front yard just west of the tree near the sidewalk. One was a silver .45 caliber pistol (Placard #11) that was cocked and one was a black assault-type rifle (Placard #12). Per CSI Williams, these guns were placed there by officers after removing them from the suspect's location.

Placards #13, 14, 15 and 16 and were all expended .45 caliber shell casings that were in the front yard between the tree and the front door.

Placard #17 was another expended .45 caliber shell casing that was underneath the bushes near the walkway to the front of the residence.

Placard #18 was an empty gun magazine that was on the front lawn towards the middle of the lawn. It appeared to be from a .45 caliber pistol that was found at the scene.

At the northeast corner of the lawn there was a pair of blue jean shorts and a shirt. CSI checked the shorts and found a wallet in the left front pants pocket. Inside the wallet was an active military duty ID and driver license in the name of Uswaldo Guerra and a set of car keys. In the front right pants pocket were ten live .45 caliber shells. There was also a shirt in torn condition just east of the pants. All if these items were marked by Placard #19.

On the front walkway just south of the front window was another expended .45 caliber shell casing. (Placard #20.)

On the front porch was a live .45 caliber shell casing. (Placard #21)

There was a cell phone that was on the tile entryway just inside the front door. (Placard #22)

On top of the couch was a note signed by Julie Careera. (Placard #23.)

A gun case with an empty magazines in it was found in the master bedroom (Placard #24) by Detective Guerra.

Detective Guerra also searched the van that was in the driveway and located a rifle case in the very back of the van. CSI took the rifle case out of the van and there was another assault type rifle with a sniper scope in it inside the case. This gun was not loaded. In the middle of the floor of the middle seat in the back of the van there was a blue handgun case. On the left middle floorboard there was white plastic grocery bag that said "Dairy" on it and had one full box of live .45 caliber rounds and another box of .45 caliber rounds containing rounds.

VEHICLES:

1. Tan Camry, CA license # [REDACTED]. There were two bullet holes in the engine lid at the front left corner of the engine lid. There was also gunpowder on the engine lid directly towards the middle. The powder appeared to have been from when the rifle was fired by Officer Pettit, as Sergeant Hogge stated this was his location when the rifle was fired. CSI and I checked inside the engine compartment of the Camry and could not locate the bullets. The bullets apparently struck the fender support and disintegrated or got lost inside the trunk lid and were not recovered. The back left window of the vehicle had been broken out and there was an apparent bullet hole in the frame above the window. This bullet did not penetrate the car and appeared to have been the one found in the street.

3. Green Dodge Caravan, CA license [REDACTED]. The back left sliding door was open and it was parked in the driveway of 1811 Harian. The driveway runs along the east side of the property. There was a chain link fence in front of the van. There is no attached garage, but rather a detached garage near the rear of the property and another small out building at the north edge of the property.

VICTIM:

Julie Carrera, was lying on the front lawn east of the front door, Her head was facing in a southeasterly direction, with her feet facing a northwesterly direction. Her arms were outstretched and there was blood visible on her face and in her hair. There was also blood visible on her right pant leg and on the ground beneath it. Approximately a foot away from her right leg was another large pool of blood that apparently was where the male suspect had shot himself and had fallen.

Upon preliminary examination by Coroner Kelln, he located two bullet holes, one above each breast in front and four bullets holes to her back. There was one in the left bra strap going towards the shoulder, and another one in the middle of the bra near the buckle, one slightly above the buckle, and one into the right shoulder.

On 03/12/05 at approximately 1615 hours, I was assisting Det. HIGGINS in conducting a search inside 1811 Harian Way. During the search, I found the following items on the upper shelf in the master bedroom closet:

- 1- One dark metal briefcase containing four empty handgun magazines compatible for a semi-automatic handgun.
- 2- One empty magazine, 30 round capacity, that appeared to be compatible for a .223 semi-automatic rifle.

At approximately 1620 hours, I began a search of the van driven by the suspect CARRERA, a green Dodge Caravan, [REDACTED], that was parked in the driveway of [REDACTED] Harian Way. The following items were found:

- 3- One white plastic bag containing an empty box of .45 ammunition (50 count) and one full box of 9mm ammunition (100 count). These items were located under the middle seat in the van.

On 03/12/05 at approximately 1725 hours, I conducted an interview with witness [REDACTED] at the Hall of Justice. [REDACTED] is the father of victim Julie CARRERA and had arrived at the crime scene (1811 Harian Way) when he heard a radio report regarding this crime. I talked with [REDACTED] and asked him to accompany me to the Hall of Justice so that I could talk to him about the offense. [REDACTED] agreed and the interview was audio and video recorded. All original tapes were later booked into evidence. [REDACTED] provided the following information:

Julie's mom is [REDACTED]. She is my ex-wife and I don't remember her exact birthday, but I do know that she was born in [REDACTED] and that she is around 48 years old. I haven't physically seen [REDACTED] since Julie's high school graduation, which was seven years ago. About two years ago, I heard that she was living in West Sacramento and that the mobile home she was living in was going to be plowed under. From what I heard, she and her boyfriend were going to move to Oklahoma, but I never heard if she left the state. As of right now, I have no idea where she is or how to get a hold of her.

I don't know what happened today, except what I heard on the radio. I do know that Bruce (suspect CARRERA) and Julie hadn't been getting along for about the past year and a half. He was seeing another girl and was actually living with her. I don't know anything about her, except that she worked with Bruce at the Safeway at Howe Avenue and Fair Oaks Blvd. From what Julie told me, his seeing the other girl was part of the problems they were having. I first met Bruce around the time Julie graduated from high school, so that was about seven years ago. He and Julie had been married for about 6 to 7 years.

Bruce was in the Air Force reserve and he was out of state for training for the past couple of months. The last time I talked to Julie was over the phone last Thursday (03/10/05). She was telling me that Bruce was coming home early. Julie told me, "he's scary, I don't know what to expect". Julie told me that she was supposed to pick him up from the airport and take him to his mom's house. I never found out if she actually picked him up.

Within the past couple of months, Julie told me that Bruce had threatened to kill her and the kids. She said that he was feeling insecure because he

Julie had told me that about one month ago, she was looking into getting a divorce. She told me that was fine with the decision and that she might hold on for one more year because then Bruce would have ten years in the reserve and she would get more from his pension. I don't know if she had told Bruce about her decision to divorce him.

On 03/12/05, at approximately 1215 hours, I was advised by phone of a possible officer involved shooting that just occurred near Freeport and Fruitridge. I was at PSAB at the time of the call and advised Det. Husted and Det. Aquino via phone. I sent Sgt. McCloskey a page I would respond and also advised Sgt. Enriquez of the call via pager. I responded to the scene and assisted in determining which officers' vehicles had ICC information and which officers may or may not have been involved in the actual shooting.

BRIEFING:

At approximately 1340 hours, Sgt. Hogge gave Lts. Bray, Peletta, Matthes, Sgts. Enriquez, McCloskey, Lester, Donat, and Rehm and Dets. Aquino, Sledge, Husted, Higgins and myself a briefing of the circumstances, as he knew them at the time. CSI Williams and Modeste were also on scene along with DA Investigator Stoffan.

WALK-THROUGH:

No walk-through was conducted due to the exterior nature of the scene and large number of people in attendance of the briefing. It was determined that a walk-through may jeopardize the integrity of the evidence in the scene and not conducted.

DEPARTURE:

On 03/12/05, at approximately 1415 hours, I departed the scene, returned to PSAB and conducted interviews.

OBSERVATIONS:

On 03/12/05, at approximately 1420 hours, I contacted dispatch for a phone message from [REDACTED] [REDACTED] [REDACTED] was a Costco manager who was calling regarding Julie Carrera, her employee. I attempted to contact [REDACTED] at approximately 1508 hours however she was on another line and could not be interrupted, I did not try another call to her.

At approximately 1550 hours, I conducted an interview with Ofc. Young. Just prior to our interview, Sgt. McCloskey checked Young's magazines and handgun and determined it was still loaded to full capacity. Young had

discharged no rounds during the incident. Young described in detail his prior call to the residence, 1811 Harian Wy., and the subsequent return call there. He detailed his lengthy attempt to negotiate with Carrera upon his arrival and as other units arrived. He also described his attempt to rescue victim Bray-Avila.

At approximately 1710 hours, I interviewed Lt. Matthes regarding her response to the incident. Lt. Matthes arrived after the initial shooting and rescue by Ofc. Young. She directed rifle team members to the scene and positioned them upon arrival. Lt. Matthes also gave the order to terminate Carrera as a threat to officers on the scene.

At approximately 1835 hours, I interviewed witness [REDACTED]. [REDACTED] was contacted during a canvass of the neighborhood and heard the events unfold, but was not an actual eyewitness to the double murder or subsequent suicide by the suspect.

WITNESS STATEMENT:

On 03/12/05, at approximately 1710 hours, I interviewed Lieutenant Dana Matthes in an interview room at PSAB. Our conversation was audio and video taped with her knowledge. For full details of her statement, please refer to the tape. Matthes said the following in summary:

I am currently at working as LN9 on dayshift with Sunday, Monday and Tuesday off, and my shift is from 0500 to 1500 hours. I have city-wide responsibility today. I was in my black, unmarked patrol vehicle monitoring via the radio. I was in Del Paso Heights when I received a phone call on my cell phone from the Com Center advising me of a call in progress and I switched to Channel 4. I heard the radio traffic and the officer say that there was a subject confirmed down on the lawn, then I heard confirmation that a second person was down. I know that Sergeant Hogge was still en route and I knew that the suspect was on the phone with the Communications Center. I also knew that there were possible hostages in the home, and the suspect was still armed.

The fire department was en route, a perimeter had been established, and I believed that 3SM4 might have more information. During this whole time, I was en route and driving to the area.

I advised all officers to wear their ballistic helmets and began having dispatch look citywide for rifle team members, due to the fact that the suspect had the assault weapon. I spoke briefly with Sergeant Hogge over the phone. He stated he was still en route and there was no new information. We did not know about the prior call until everything was over.

While I was still en route, the suspect and hostages were inside, there were two victims outside on the lawn, and I heard an officer ask for SWAT and Hostage Negotiations Team call-out. I don't recognize a lot of the voices because there are so many new ones, but I did recognize Ofc. Young and believed it was him asking for specialized units. I work dayshift and most of the officers on dayshift have a good awareness of what's going on and I trust their judgment, so if an officer asks for SWAT and Hostage Negotiations, I'm going to assume it's a good one and not question their

judgment.

Sergeant Hogge was on-scene, Officer Young was west of the suspect, and the suspect was kneeling on the ground. One of the victims (the wife) was on the ground on the front lawn. The suspect had a handgun in his right hand and an assault rifle in the other hand. He'd been ordered several times to put it down, without complying.

Sergeant Hogge moved out behind the Camry that was parked across the street, and I noticed that Officer Shiraishi was by his patrol car southwest of the suspect. Officer Frazer was in the yard east, and Officer Ruff was with Sergeant Hogge at the Camry.

I came in from Freeport Boulevard traveling westbound on Harian. Initially I was behind a truck on the north side of the street, southeast of the house.

The suspect was not complying to put down the gun, he was telling us to just "take a head shot." He was stating that they were dead, that she was dead. Sergeant Hogge explained that we wanted to get the victim's aid, and he said that it was too late, that she was already dead. We didn't know the condition of the hostages inside, if they were okay or wounded, at that point.

When rifle team members arrived on-scene, I had them come in from the east and had them get as close on-scene as possible to see who had the best position for the best shot. Where Officer Shiraishi was, he had the shotgun and I didn't believe he had a shot. Officer Young and Officer Frazer did have a shot with their shotgun from their location with the suspect on the porch.

When Officer Pettit arrived from the east, I put him behind the truck in an attempt to see if he had a clear shot. He stated that after the setup, he did not, and the suspect was moving a lot. I advised all officers on the scene that the suspect was not to go back inside, and the threat needed to be terminated if he started to go back inside. My thought at that point was that if there are hostages inside, they are in more danger if he returns inside the home.

At that point I repositioned Officer Pettit and put him with Officer Hogge, and instructed Officer Ruff to move out east. Officer Pettit was at the front right corner of the Camry and facing the suspect's house, and he had a clear shot of the suspect. From my view, I saw that Carrera had the assault rifle in his left hand, and every time he moved, he moved the

assault rifle, it appeared to come up with the muzzle towards my officers. His hand was near the trigger, and it was apparent in my mind that he was a danger to my officers. He kept bending to kiss his wife, and every time he came up, that assault rifle moved. I advised Officer Petit if the rifle came up again, to take the shot, as he was an extreme threat to our officers' safety. At that point I saw the suspect make the sign of the cross from his head to his chest and shoulders, and I ordered Pettit if he had a clear shot, to take it.

Carrera straightened up and I told Pettit to take the shot. He fired once and then twice, one right after the other. The suspect flinched and seemed to fall back towards his left at the shot and I assumed he was hit. He then instantly put the gun up to his head and shot once. He instantly fell to the ground, and I ordered my officers to hold their position.

Sergeant Hogge got an arrest team and a body bunker, two officers for cover, one for handcuffing and one for the bunker and they approached the suspect. They rolled him over and handcuffed him.

Due to Carrera's military background, a second team was formed of three to four officers, and slowly cleared the house. We were unsure about other victims or potential booby-traps. Hogge made the announcement for anyone else inside to come out, that the police were on-scene, so if there were hostages inside, they would not be in fear of us. There was no response, and they entered the house and cleared it. There was no one inside. We then cleared the two structures in the back yard and no one was there either. Fire came into the scene and pronounced the female deceased there. The suspect was transported to UCD Med Center and pronounced dead as well.

SWAT had not yet arrived when the situation was resolved, so they were cancelled.

(Detective Stigerts takes a brief break and returns a short time later, and the conversation continues.)

The window on the Camry I didn't notice that it was broke before Officer Pettit had shot. I had been over at the truck and think I would have noticed it if it was broke, but I can't be certain. I didn't notice the holes in the Camry hood prior to the shooting.

WITNESS STATEMENT:

On 03/12/05, at approximately 1550 hours, I met with Officer Matthew Young in an interview room at PSAB. Our conversation was audio and video taped, with his knowledge. For full details of his statement, please refer to the tape. Prior to beginning the interview, Sergeant McCloskey checked all three magazines and the handgun of Officer Young. All three appeared to be fully loaded; no rounds appeared to have been discharged. Officer Young said the following in summary:

Currently I am assigned to Patrol Team 16, which is day shift 0600 to 1600 hours, with Tuesday, Wednesday and Thursday off. I'm an FTO and this was my fifth shift working with phase II Officer Shiraishi. I was wearing my current uniform that I have on and we were working a two-man car as RD40.

The first call of the day we received was dispatched by MDC to us because we appeared to be the only day shift unit in a two-man car logged on at that time. The call was located in District 41 at 1811 Harian Wy. and we responded from the area of Franklin and Broadway with normal traffic. The first time we responded, we were southbound on Freeport, then west on Harian when we approached the home.

We walked up to the front door, and I let Officer Shiraishi be the contact officer. Carrera let us in, and we were talking to him inside about his wife, and he stated his wife was outside now and she and her aunt walked up into the front yard. I don't know where the females had been prior to that, but I stayed inside and talked with Mr. Carrera, and Officer Shiraishi spoke with the females outside.

Carrera told me his wife had been hysterical and this appeared to be some sort of domestic disturbance call. He stated that he was in the military and had been in Texas for training. About two to three weeks prior, he had called the house, his wife answered and there appeared to be a party going on in the background. He told me that his sister went over to the house at his request and told him that there were a lot of guys there at the house partying. Carrera came home on Thursday (03/10/05) and things had been okay since then, although, they were currently in a dispute now.

He asked me to close the front door, and I wouldn't because my partner was in the front yard and I needed to have contact with him. I asked if he had any guns. He eluded to something of the fact that he had a gun but that she had took it, hid it, or stolen it, and he stated that there were no other guns.

Officer Shiraishi told me that Carrera and his wife had had an argument, that he had threatened her, and I asked Carrera if it was physical. Carrera admitted he had grabbed her arms at one point to stop her hysteria, he denied having left any injuries on her. And I saw no injuries on her or him.

I attempted to get at least one of them to leave, but there was an issue with custody of the children. She was supposed to go to work and he was there to take the kids for the day, but she was refusing to let him have them. The wife was going to be late for work and I tried to get her aunt to give her a ride to work, but she stated she wanted to take her kids with her.

Carrera refused to leave without the kids as well. I tried to get them to settle it on their own, and at some point during the mediation, he had asked me about a restraining order. I explained the process and how that would work, a temporary versus a permanent, etc. I know that Shiraishi gave the female a domestic violence pamphlet for resources and the aunt chose to stay at the house with the wife. They both went inside and that was about the end of it. I explained to both of them that we couldn't sit there to baby-sit them all day, that no crime had been committed and they would have to work it out on their own.

Carrera was inside the whole time. He was calm, polite, and the wife was the one that appeared to be more upset. Carrera was lucid, calm and articulate and stated that she was lying about him threatening her. I told him call 911 if it was going to be physical. At some point I had also checked Carrera on Control 9 and he had no wants or warrants. We then left the home.

It was slow, there were no other calls pending and my trainee had a report to do from the previous day, so we decided to park not far from the house in case there happened to be a return call. We were parked on the east side of the street facing southbound on Michael Way. A few minutes later, Carrera drove by in the green van southbound. He slowed and said something to my partner about us working hard, and then continued going southbound. This was at about 6:50 a.m. At that point I figured everything was fine since he was gone and the wife was still at the house. I couldn't tell if

the kids were in the van or not, as the windows were tinted on the van.

After that we went downtown, after arresting a 273.5 suspect on another call and taking him to jail. On our way back to south Sacramento, we put ourselves out on a 922 (drunk subject) call at 15th and X Streets with a report of a male White in the bushes. He was "G.O.A." (gone on arrival) and we continued to Freeport and 4th Avenue to attempt to get sandwiches for lunch. We were there when I heard the call being broadcast on the radio, it was being dispatched to another officer. I confirmed with dispatch what district that was in, she stated it was district 41, and I told her to put us en route on the call, as we were not far away.

The call was a shots fired call, which a subject had just shot his wife and he was outside on the front yard. I was driving the car, Code 3 (lights and siren), southbound Freeport when an update came out that there had been multiple shots fired, a victim was down in the yard, and the suspect was still on-scene.

As we were en route, I told my partner to get the shotgun and rack a round into the chamber, and I was expecting to see the suspect out on the front lawn. I turned westbound on Harian from Freeport Boulevard. The address I was looking for was an even numbered address, and it didn't even register to me that it was the same house that we had previously been to. I was looking on the south side of the street and I actually thought the address we were looking for was west of where we had been previously. I think I had my partner check the address that had come in, and he read to me from the MDC; therefore, I never really thought to look on the north side of the street, which were odd numbered houses.

In looking for the suspect on the south side of the street, I drove past where the actual shooting was occurring, and Shiraishi noticed it and said, "That's it." I made a quick U-turn at Ashland and parked my vehicle on the southeast corner of Ashland and Harian, with the car facing directly at the house.

I didn't see the suspect, but I did notice that there was one victim down on the front yard that had obvious blood around her face and head. I quickly got out of my car and ran up toward the house and took cover behind a small car that was parked directly in front of 1811 Harian Wy. on the street. I positioned myself behind the engine block for cover and then noticed a second victim, who turned out to be the aunt, lying on her stomach facing northeast in the driveway behind the van. I immediately requested SWAT to respond; although I know that's not the way I normally should have done things.

I realized that this was a situation that would have called for it, and I knew that they should be en route. About thirty seconds later the front door opened and Carrera was standing in the doorway and I didn't know if he recognized me. He had a long rifle in his right hand and a pistol in his left hand. They were both down by his side. I immediately said, "Waldo! It's Officer Young. Remember me? Drop the guns!" I then turned to Officer Shiraishi, told him to put his ballistic helmet on, which he did.

We (Carrera and I) had dialog back and forth for quite awhile. I told him that we could work this out, and at first he seemed somewhat receptive. Instantly I thought that the kids were inside, because I remembered they both wanted to take them, but I didn't know who did. I was concerned for the safety of the children inside the home, and didn't know if he had harmed them already or if they were still unharmed.

I realized it was the wife that was on the front lawn and there was no movement from her. There was a lot of blood on her head and face. She was laying face-up on her back. I assumed that she was dead. The aunt was south of the van in the driveway to the east of me. She was not moving, but she was lying on her stomach and I saw no visible injuries.

Carrera was ridiculously calm, just like he was at the first call. He was saying things like, "I'm dead anyway." All of a sudden he shuts the door and stays inside. It was either closed or slightly ajar, and about the same time Officer Frazier had arrived. He had a shotgun and was in the front yard just east of Carrera's house. He was armed with a shotgun and had it pointed at the suspect. Shiraishi had his helmet on and had cover behind the patrol car, parked at Ashland and Harian. I ran towards Frazier and told him to follow and cover me. I got to the aunt, turned her over, and dragged her about 15 or so feet to the yard east. The van blocked my view and Frazier was covering me.

When I got her on the lawn, I saw that she had no pulse and I began CPR. I noticed the fire department was further east of where I was giving her CPR, so I dragged her a couple of more houses east and then the fire department took her from me.

Sergeant Hogge and some other officers arrived. I ran back up into the yard where Frazier was. There were trees for concealment and there was cover behind the van. The suspect was in and out of the house. I tried to get him all of the way outside because I was still concerned about the children. He came outside into the front yard and stated that he wanted to lay down near his wife before he killed himself.

Sergeant Hogge was talking with him and we were told that he was not to go back inside. I had conveyed to Sergeant Hogge and Lieutenant Mathes that there were two children inside the home and I did not know what their condition was. Every time that Carrera would go down to the body, I had no visual of him because I was behind the van and couldn't see him directly. I remember Marty Gish arrived with a rifle. He was east of the van with me and had a westward view. But I don't think he had a shot. Officer Pettit had gotten there and he was south of me and apparently had a view of the suspect in front of the house.

He was with Sergeant Hogge behind a vehicle parked on the street and had his rifle. I heard two shots that were very loud come from Officer Pettit, and then one shot came from the area where the suspect was on the other side of the van. All of us approached at that time, and we made two teams. One was a team to arrest Carrera and make sure that he was handcuffed and no longer a threat, then we checked to make sure of the condition of people inside. There ended up being no one inside. There were two other buildings on the property. I broke the gate and kicked in a door to a small shed in the back, but no one was in there either.

I remember that my in-car camera was on, because we had responded Code 3, but I don't know that either one of us actually took the microphone out of the visor. I don't know if somebody had it on or if it was even on at all. When I have a trainee, I like to leave the in-car camera microphone in the visor, so that, depending on which one of us approaches a car for a traffic stop, either one of us has access to it.

(Detective Stigerts leaves the room and comes back a short time later for clarifying questions. Our conversation continues.)

I don't know which hand the guns were in the second time he came out. I don't know if they were switched from the way I first saw them. I didn't notice the window on the Camry where Pettit was prior to him shooting. I just remember that it was very loud. The third shot appeared to come from the suspect area, and because I couldn't see I thought that he was possibly shooting back. Carrera had stated that he had on ballistic body armor, but I never saw any.

1203hrs, 3-12-05, I received a homicide call out from police communications directing me to respond to 1811 Harian Way regarding a officer involved shooting. I marked arrival at approximately 1245hrs. I checked with the crime recorder and entered the crime scene.

I viewed the crime scene from a distance and waited for the official briefing. After the briefing, I was assigned to assist on the crime scene investigation. Sgt. Enriquez instructed me to respond to the UC MED CENTER and meet with the Forensic Pathologist. Sgt. Enriquez wanted the SUSPECT and female victim hands process for gunshot residue.

1455hrs, 3-12-05, I arrived at the MED Center and met with Dr. Albers, Forensic Pathologist and Kim Gillis, #32, Deputy Coronor. We went to a room where the SUSPECT and female victim body were temporarily stored. We were joined by CSI Officers, Figueroa #6383 and Ciarnelli #6374, CSI17.

I gave everyone a short briefing of the facts as I knew them of the shooting.

Dr. Albers examined the male suspect first, identified as Uswaldo Carrera. I observed a gunshot wound to suspect's right temple with and exit wound on his left temple. Further examination revealed no other gun shot wounds to the SUSPECT. I observed a tattoo on suspect's left side with the name of CARRERA, Uswaldo, ██████████, O+, USMC. There was another tattoo of the Marine Corp emblem, world with anchor on his right arm. Photos taken by CSI17 and his hands were also processed for gun shot residue.

Dr. Albers then examined the female victim known as Linda Avila. Albers located 3 gunshot wounds to the chest, 2 more gunshot wounds to the back and one gunshot wound on her left hand. CSI 17 photographed the victim and processed her hands for gunshot residue.

I advised Dr. Albers that there was another female victim dead at the crime scene and that we wanted to process her hands for gun shot residue. Dr. Albers stated go ahead and process her hands, I don't need to go to the scene.

I called Sgt.Enriquez and advised him that Dr. Albers stated it was okay to

3/12/05 at approx. 1155 Hrs., R/O (Det. Husted) was advised by Det. Stigerts that a murder / suicide had just occurred at 1811 Harian. Due to R/O being on-call for all homicides, R/O responded to the scene. R/O arrived at the scene at approx. 1200 Hrs., and contacted Sgt. Banning. Sgt. Banning advised R/O that Officer Pettit had fired two rounds at the suspect with his issued rifle prior to the suspect shooting himself in the head. R/O asked Sgt. Banning to secure Officer Pettit's rifle, and to have Officer Pettit stay at the scene with another officer while additional personnel and Officer Pettit's SPOA representative could respond to the scene.

CSI Williams was at the scene taking photographs, and the scene was secured by crime scene tape and officers.

R/O then contacted Sgt. Hogge and he advised that several squad cars had their ICC systems activated during the incident. R/O then asked Sgt. Hogge to retrieve the ICC tapes for R/O. Sgt. Hogge subsequently provided R/O with the original ICC tapes from vehicle #'s 9267 (Officer Frazer), 9739 (Sgt. Hogge), and 10106 (Officer Young).

Sgt. Hogge advised R/O that the suspect had been pronounced deceased at SMC at approx. 1205 Hrs.

At approx. 1325 Hrs., R/O assisted Sgt. Banning with the unloading of Officer Pettit's issued rifle (SER# ██████████). CSI Williams took photos of the rifle, and Det. Aquino took video of the rifle being unloaded. R/O observed the rifle to be a Colt M-16 A1. The rifle was loaded with one round in the chamber, and 26 rounds in the magazine. Sgt. Banning advised R/O that the weapon had been loaded with 29 rounds prior to the shooting. Sgt. Banning maintained custody of the rifle and CSI Modeste took custody of the live rounds.

At approx. 1340 Hrs., Sgt. Hogge provided a briefing of the incident based upon information known to him at the time. During the briefing Sgt. Hogge identified the suspect as Oswaldo Carrera (12/1/70), and the two victims as Julie Carrera and Linda Avila. Sgt. Hogge also advised that Officer Pettit had fired two rifle rounds at the suspect at the direction of Lt. Matthes. Sgt. Hogge indicated that the suspect's children had been

located with Linda Avila's husband, [REDACTED].

At approx. 1600 Hrs., R/O reviewed the ICC tape from Officer Young's squad car (#10106). The tape shows the arrival of Officer's Young and Shiraishi #562 at the scene up to moments before Officer Pettit fired at the suspect. Due to the ICC tape being at the end of the reel, the remainder of the incident was not captured on video.

At approx. 1650 Hrs., R/O interviewed Officer Pettit at the Public Safety Center. Officer Pettit was represented by attorney David Mastagni Jr. The interview was recorded on audio and video tape, and the tapes can be reviewed for exact details. At the beginning of the interview Sgt. McCloskey checked Officer Pettit's issued .40cal pistol and found that his pistol and magazines were fully loaded. R/O subsequently submitted the interview recording for transcription (see attached statement).

At approx. 1755 Hrs., R/O interviewed [REDACTED] at the Public Safety Center. [REDACTED] explained that she witnessed the incident from her residence across the street (see attached statement).

At approx. 2050 Hrs., R/O interviewed [REDACTED] at the Public Safety Center. [REDACTED] explained that he was the husband to (v) Linda Avila, and he had contact with the suspect earlier in the day (see attached statement).

I, Detective M. Tyndale #339, am currently assigned to the Office of Investigations, Sexual Assault/Child Abuse Unit.

On 3-12-05 (Saturday), at approx. 1110 hrs. I was at 5770 Freeport Bl. working on my assigned investigations. As I was leaving the building, I was monitoring my police radio, and I heard officers being dispatched to 1811 Harian Way to a shooting which had just occurred. I heard units being advised by dispatch that a woman was down in the street in front of the residence, and that a male was standing over her with a gun. I responded to Harian Way/Freeport Bl. for the purpose of investigative follow up. I also heard dispatch advised officers on the scene that there were possibly children inside of the residence.

When I arrived (Approx. 1120 hrs.) I contacted Lt. D. Matthes and advised her I was going to remain at the command post location (Freeport Bl/Harian Wy) until the situation became stable. I took cover behind a marked patrol vehicle on Harian Wy. just west of Freeport Bl. The vehicle was parked on the north side of Harian Wy. From the position I was in, I could see officers taking up positions in front of the 1811 Harian Wy. I could also hear them yelling commands to the suspect to put down his gun, but I could not see the suspect and I did not hear any verbal responses from him.

A short time after I had taken up a position where I felt I had cover, I heard two gun shots, spaced approx. 10-15 seconds apart. I did not see who fired the gun(s), but both shots sounded like they were fired from the same weapon. I also heard what sounded like a bullet pass over my head. (It was an audible hissing sound travelling from west to east). I do not recall how close the sound of the bullet was in comparison to the two gunshot I had heard, but it was in the same general time frame. (I could not determine if the bullet I heard was from one of the two gunshot that I heard.)

After I heard the gunshot, I an officer reported over the police radio that the suspect was down, and I moved down Harian Way toward the scene. As I positioned myself in a position where I could see the front of the house, I observed officers forming a search team and entering the residence. I could see two subjects who appeared to be injured and down in the front yard, just east of the front door of the residence.

Follow Up Report # SA 1

The female subject (later identified as victim Carerra, Julie) was laying on her back facing up, on the grass area of the front yard. She had blood on her face and did not appear to me moving or breathing. A male subject (later identified as suspect Carerra, Oswaldo) was laying face down just to the east of the female. He was handcuffed. I saw a large pool of blood in the driveway which I later learned was from a second female victim (later identified as Avila, Linda) who had been pulled from the driveway by Officer M. Young and transported to SMC. I could also see multiple expended handgun casings in the yard.

After officers cleared the house, at the direction of Lt. Matthes, I moved next to the yard and protected two firearms that had been moved away from the suspect by officers. I saw a white metal semi-automatic pistol, and an AR-15 with a collapsing stock. The pistol appeared to be cocked and both weapons had magazines inserted.

Sacramento Fire Department personnel entered the scene and treated the male suspect. He was transported by them to the hospital. I noticed an apparent gunshot injury to his head as they moved him to the ambulance. The female was not transported and remained in the yard.

The scene was then secured by officers, and I then accompanied Officer M. Young to the Hall of Justice. I later returned to Harian Wy/Freeport Bl to retrieve my vehicle, and at that time, I transported Officer J. Shiraishi to the Hall of Justice. I stood by with Officers Young and Shiraishi until they were interviewed by Homicide Detectives.

I returned to the scene (1811 Harian Way) at approx. 1600 hrs. and was released by Homicide Sgt. F. Enriquez.

On Saturday, 03/12/05, at approx. 1103 hours, Officer Ruff #550 and I, Officer Sundby #576 heard a call come out that a man with a gun had just shot his wife. We responded Code 3 from 7475 14th Avenue to 1811 Harian Way. We arrived on scene at approx. 1115 hours, at the same time as Sgt. Hogge (2SM4). Officers Young and Shirashi (RD40) and Officer Frazer (BV42) were already on scene.

Officer Shirashi was standing across the street, to the south side of 1811 Harian Avenue. He was standing at the back of his patrol vehicle with his shotgun deployed and pointed toward the residence.

Officers Young and Frazer were standing to the east of the residence, in the yard of [REDACTED] Harian Avenue. They were standing behind the cover of a vehicle and trees. Officer Young was negotiating with the suspect who was identified as Uswaldo Carrera.

Suspect Carrera was standing in the doorway of his residence and was holding an assault rifle in his left hand and a pistol in his right hand and pointed at his head.

There was a female adult lying supine on the lawn in front of the residence. She was not moving. This female was later identified as Julie Carrera, the wife of suspect Carrera.

I took cover behind a blue truck which was parked on the south side of the street, southeast of the residence in front of [REDACTED] Harian Avenue. I drew my handgun and aimed it at suspect Carrera. I had a clear, unobstructed view of the upper part of suspect Carrera's body.

At this time, Sgt. Hogge advised a medic unit to come in closer to the scene and Officer Young drug the body of a female to the sidewalk in front of [REDACTED] Harian Avenue. Medics placed the female in the ambulance and transported her to the UC Davis Medical Center. This female was later identified as Linda Avila, the aunt of Julie Carrera.

I remained at that vehicle until directed by Sgt. Hogge to take cover behind a white truck which was parked on the north side of the street, southeast of the residence in front of [REDACTED] Harian Avenue.

I continued to keep my weapon drawn on suspect Carrera. At this time, suspect Carrera walked out of the doorway and onto the front lawn. He got down next to his wife and continued to keep the assault rifle in his left hand and the pistol in his right hand and pointed at his head. I did not have a full view of Carrera at this point, I could only see his head and part of his shoulders, as he was blocked by the green mini van which was parked in his driveway.

During this time, Officer Young continued to negotiate with suspect Carrera. Officer Young would tell him to put the weapon down and that it wasn't worth it to take his own life. Suspect Carrera seemed only to be responsive to Officer Young and would verbally respond back to him. I could not clearly hear what suspect Carrera was saying.

Sgt. Hogge was also talking to suspect Carrera and telling him to put the weapon down. Lt. Matthes (LN9) arrived on scene and took cover with Sgt. Hogge behind the Toyota Camry which was parked across the street from the residence.

Officer Pettit (BV35) arrived on scene with his rifle and also took cover behind the Camry with Sgt. Hogge and Lt. Matthes. Officer Ruff had been taking cover behind the blue truck across the street, but was directed by Sgt. Hogge to take cover behind me at the white truck.

The suspect remained in the front yard, and the front door of his

residence was still open. Lt. Matthes ordered us to take him out if he attempted to return inside the residence.

I then heard approx. 3 shots fired. I heard the car alarm to the Camry go off and I saw the top of suspect Carrera's head fall to the ground, where my view of his body was then obstructed by the mini van. At the same time as I heard the shots fires, I heard the car alarm of the Camry go off. Officer Ruff and I took more cover behind the truck, crouching down and taking a few steps back.

I then heard Sgt. Hogge advise that suspect Carrera had shot himself in the head with the pistol but that the assault rifle and the handgun were still lying next to him. Sgt. Hogge then advised myself and Officers Ruff and Frazer to be the arrest team and to approach and handcuff suspect Carrera.

Officer Frazer held the bunker, and I drew my weapon, aiming it at suspect Carrera as we approached. Officer Ruff was behind me and as we approached suspect Carrera, she removed the assault rifle and pistol from the area of suspect Carrera and handed them off to Officer's that were behind us. Suspect Carrera was lying supine on the ground, with his head to the north. He was lying approx. three to four feet from his wife. Officer Ruff rolled suspect Carrera onto his stomach so that he was in a prone position. Officer Ruff and I then placed handcuffs on suspect Carrera.

I then took a position of cover at the southeast corner of the residence while Officer's cleared the house. At my position of cover, I was standing approx. four to five feet from suspect Carrera's head. His head was bleeding profusely and he appeared to be breathing as I could hear a gurgling through his nose. I then observed the blood going slightly in and out of his nose.

The house checked clear and Sgt. Hogge advised fire to enter. The medics entered the scene and declared victim Julie Carrera dead on the scene. The medics then stated that suspect Carrera was still alive and they placed him in the ambulance. Officer Shirashi and I rode in the ambulance with suspect Carrera as he was transported to the UC Davis Medical Center Emergency Room. The hospital staff continued to work on suspect Carrera in this hospital but then declared his time of death at 1205 hours.

I advised Lt. Matthes of the situation and she advised me to contact dispatch and then have them send a unit over to pick up myself and Officer Shirashi and transport us back to the crime scene. Officer Mateo (BV41)

The call came in at 1103 hrs to 1811 Harian Wy, as a gun call. The man across the street had shot his wife as reported by , from Harian Wy. I was dispatched & enroute at 1115 hrs, I arrived about 1125 hrs. I am part of the rifleteam. I took up a position east of the front door of Harian Wy with my rifle. I was told by Off. M. Young, who was ahead and left of me that the suspect was in the front yard next door. I was told, I could see the suspect's head through the front windows of the honda minivan parked facing north bound in the driveway on 1811 Harian Wy. Several minutes went by as they tried to get the suspect to put down the gun, I heard shots fired. I could not see who was shooting. There was 1 loud shot and 2 quieter shots, I dont remember the order. Then an arrest team went forward and handcuffed the suspect who was down on the front lawn of 1811 Harian Wy. I maintained my watch on the front door and switched to the rear door until the house was cleared. Then I came around to the front of 1811 Harian WY and saw the 2 bodies on the front yard. The others were checking the detached garage. I helped put up crime scene tape across Harian Wy on the west edge. Then I assisted Sgt Banning as directed until released from the scene.

WITNESS STATEMENT: ()

On 03/12/05, at approximately 1610 hours, I contacted () at () Harian Way. He stated the following in summary:

Sometime between 0630 hours and 0700 hours, this morning, I heard a heated discussion from the front yard of 1811 Harian Way. I saw two of our neighbors (a male Hispanic subject in his twenties and a female White subject in her twenties) arguing. I think the two were either husband and wife or boyfriend and girlfriend. I don't remember exactly what they said. I remember hearing the female say she wanted to go inside. She seemed embarrassed about them arguing in front of the house. They went inside.

About fifteen to twenty minutes after I saw the people arguing and go inside the house, I saw that there was a police car parked in front of their house. I was surprised to see a police car in front of the house because I thought everything was okay after they went inside. My cousin and her roommate saw some of this as well.

Sometime between 0800 and 0900 hours I saw the same male Hispanic neighbor talking to a female Hispanic. She was older than him. I think she was his mother or something like that. They were talking in Spanish. I don't know what they were saying. The male Hispanic subject had his arm around the older lady. He appeared to be consoling her. They walked toward the blue car parked out in front of the house at this time (license # ()).

I left after that at about 0900 hours. I got back to the house at about 1530 hours. My cousin, (), and her roommate, (), are due back tonight. They went kayaking out of town for the day. I'm sure they saw and heard less than what I saw and heard. I'm sure they would be willing to talk to you if you wanted to talk to them.

MARCH 12, 2005

WITNESS STATEMENT: ()

On 03/12/05, at approximately 1455 hours, I contacted () at her residence () Harian Way). She stated the following in summary:

Earlier in the day I saw a police car parked in front of my house and to the west. I think it was about 1130 hours. It was about one house down to the west of mine. I think it was parked on the south side of the street. I went into my front yard to throw away some trash when I saw it. Just prior to taking the trash out, I heard my dogs barking in my back yard. I didn't think anything of it at the time.

While I was walking toward my driveway, I saw my neighbor () (unknown last) from () Harian Way in her front yard. She told me to get back into my house. As I was walking back into my house, I saw another patrol car pull up westbound on Harian Way. It parked on the north side of the street about one house west of mine. The guy driving the car parked quickly. I saw the officer get out of his car and quickly walk westbound on the north side of the street.

Once I was inside of my house, I heard several male voices and at least one female voice yelling. Their voices were coming from west of my residence. I could not hear what they were saying. I thought I heard one of the male voices say a name. It was something like "Waldo" or "Heraldo." It was definitely a name that ended in "aldo." The voices did not sound like yelling that you would hear in an argument. The voices were authoritative. It sounded like they were giving commands.

Soon after that I heard more police arriving. At one point I heard a siren. I think the siren was coming north of my residence, but I'm not sure. I was trying to play with my kids and distract them from what was going on.

When my husband () got home, I told him that I thought I heard shots

fired. I remember hearing something like firecrackers. There were about three to four firecracker sounds. I thought they were coming from the business behind us. The business often makes a lot of noise, so I usually attribute any noise I hear from coming back there. I remember hearing these sounds like firecrackers before I took the trash out. I think it was around 1115 to 1120 hours. Once I started seeing the police officers arrive, I realized that it must have been gunshots that I heard.

After everything started calming down, an officer came to my door and spoke to me. He advised me that there had been a homicide on my street. I think he was at my house between 1200 and 1230 hours. I didn't give him a lot of information. I was still somewhat in shock about everything that was going on. The officer went to my neighbor's house to the east of mine after that and spoke to [REDACTED].

After the officer finished talking to [REDACTED], I went to her house ([REDACTED] Harian Way). I thanked her for telling me to get back into my house. [REDACTED] said her boyfriend "[REDACTED]" (unknown last) saw one of our neighbors (male Hispanic subject) in front of his residence (1811 Harian Way) holding a gun and pointing it at a female in a yellow tee shirt. [REDACTED] said she was in her house at the time and did not see or hear anything.

About thirty minutes after I spoke to [REDACTED], my neighbor [REDACTED] (unknown last) from [REDACTED] Harian Way came to my house. [REDACTED] told me she was in her back yard (unknown time) and heard what she thought were gunshots. [REDACTED] told me she ran to the front of her house (I think she said she looked out the window). [REDACTED] said she saw two people lying in the front yard (unknown which house [REDACTED] was referring to).

[REDACTED] told me she saw her neighbor (male Hispanic subject) in his front yard. She said he had a small gun (unknown what kind). She said he went into the house and brought out a bigger gun (unknown what type). She said the male Hispanic turned the bodies over when he came back outside.

My neighbors [REDACTED] and [REDACTED] left sometime earlier today. I don't know when they'll be back. I will have them call the police department as soon as they get home. I'm sure [REDACTED] will have something to add to what occurred because [REDACTED] told me he saw some of what happened.

Sgt. Summary

1106 Hrs., 03/12/05, I responded Code 3 to 1811 Harian Wy. I listened to Officer Young as he asked for additional units and updated suspect/victim information. I heard him request SWAT and a hostage negotiator. I asked Officer Young to establish a perimeter and to insure all units had Cover.

I asked Dispatch for any Air units from allied agencies. 1108 Hrs., I was advised a fixed wing airplane would be assisting us.

Approx. 1111 hrs., I arrived at the scene with Officers Ruff and Sundby directly behind me. I made contact with Officer Young and saw he was communicating with the suspect who was in his own doorway.

As Officer Young dragged one of the victims to an area the Fire Dept. could attempt first aid, I directed Officers Ruff and Sundby to positions covering the suspects' front yard. I could see a motionless second victim on this front yard.

I updated Lt. Matthes on the radio and cell phone.

I saw the suspect exit his front doorway and kneel down, on his knees, over the victim on the front yard. I took a position of cover behind a Toyota Camry across the street from the suspect and began trying to negotiate with him.

Lt. Matthes gave the order that the suspect would not be allowed to re-enter his home. I relayed that order to the Officers on scene.

1116 hrs., I requested a temporary Command Post be established at Freeport Blvd./ Harian Wy.

I advised Dispatch we were attempting to negotiate with the suspect and advised he was holding the assault rifle in his left hand.

Lt. Matthes joined me at my location and motioned Rifle team member Officer Pettit to our position. She eventually gave him clearance to shoot at the suspect. Approx. 1135 hrs., Pettit did so. The suspect shot himself in the head after Pettit fired 2 shots. I retrieved a body bunker from my trunk and directed an arrest team in to handcuff the suspect.

I directed another 3 man team into the suspects' house look for any other suspects or victims.

I spoke to a male ([REDACTED]) on a cell phone who identified himself as a close relative. He advised me he had the suspects' two children with him and they were watching his daughter, 16 year old [REDACTED], play softball. I directed him to the command post to speak with Officer Ruff.

I requested a Homicide call out. I briefed Sgts. Enriquez and McClosky as well as numerous Homicide Detectives on the incident.

I responded to HOJ and was interviewed by Detective Poroli regarding my observations of the incident.
