Subject: Copy of patrol log entry with description

Detective Higgins:
This is the last email communication that I viewed at my home before leaving for work. It provided additional description information. I can not forward from the patrol log "document cabinet" and have copied this email in its entirety and pasted to this email :

"10-323636, 212.5 PC, [redacted] San Juan Rd [redacted] 1832 Hrs.

Victim called and reported that 3 male black suspects broke into his apartment armed with a knife and a handgun and stole his xbox and a laptop computer. Victim also advised that he had received a phone call from suspects prior, but that he didn't know who they were. Eventually it was determined that this was a marijuana rip. Victim had called suspect to arrange drug deal. When the suspects showed up they were armed with a knife and stole his belongings. Officer Tavelli detained a subject across the street inside a neighboring apartment complex. During the field show-up the victim identified the suspects clothing , but wasn't quite sure of his face. It was then determined that the suspect was in possession of the phone that the victim had called prior to the robbery. Suspect [redacted] was booked into juvenile hall for 212.5 and 182 PC. [redacted] was on probation for 211, 487 and 12101 PC. Good spot by Officer Tavelli.

10-323706, 245 PC, [redacted] Crest Dr, 1949 Hrs.

Officers responded to Natomas Park School for reports of an armed subject who had held a knife to the victims throat. 20-30 teenage kids were attending a church related youth group function in the gym at the school. Suspect entered the gym and mingled inside for a few minutes. He then went out the back door where the 17 year old victim was talking to a female. The suspect had a knife similar to a steak knife with a black plastic handle. He put his arm around the victim and held the knife to his throat and said something similar to "Are you talking shit to her." The suspect was then observed by the responsible adults for the function and walked off into the school. Witnesses lost sight of the suspect prior to police arrival. The area, including the school, adjacent park and surrounding neighborhoods, were searched thoroughly by ground units and Air1 with negative results. The school has video cameras, which could not be accessed until normal business hours. A call was made up for the morning. The suspect was described as a male white, 40's to 60, 6'1", 180, unshaven with a mustache grey of dirty blond in color, transient looking and possibly smelled of alcohol, tattoo consisting of letters and a design on the right side of his neck, wearing dark baggy pants, and a grey sweatshirt or grey military style jacket. Information was passed on to the media via the PIO. Extra patrols were assigned to the area from graveyard to be on the look out.

10-323559, probation search, [redacted] Mahogany

Officer Shippen coordinated a probation search of [redacted] from info passed on from CSU. [redacted] was found to be in possession of ecstacy and was also validated as a gang member for Stunna Family. He was booked into juvenile hall.

Subject (VICTIM #2) RAFIQ, MOHAMMAD
Author 3170 - ENGLEFIELD, ASHLEY 0563 ([redacted])

On 10.28.10 I spoke with Officer Rafiq in the number three interview room at HOJ. The interview was recorded and later booked as evidence at HOJ. Present during the proceedings was Jeffrey Edwards, counsel for Officer Rafiq. Prior to the interview CSI Boyd took photographs of Officer Rafiq, front to back. Det. Sgt. Campbell removed four magazines from Officer Rafiq's duty belt. Each magazine was removed and all rounds from each magazine where removed. Each was counted separately. Each of the four magazines had 12 rounds apiece inside. The magazines and rounds were photographed by CSI Boyd. Det. Sgt. Campbell removed the magazine from Officer Rafiq's service pistol. The magazine from the pistol contained 12 rounds. Det. Sgt. Campbell retrieved a round from the chamber of Officer Rafiq's service pistol. After the interview, the rounds and magazines were returned to Officer Rafiq. The interview was also recorded by Jeffrey Edwards. I obtained the following statement in summary:

I was off of Norwood near Jessie, near the Goodwill Store. I had a traffic accident report that I had to complete. Officer Kroupa met me over there. There was some info that I needed to get from him. We were parked there I was going over the traffic accident report, and I heard an individual get on the radio. I did not catch his identifier, but I heard that he was in an unmarked car, and that he was with a possible 245 suspect that was walking southbound on Truxel near Del Paso.

At the same time there was some radio traffic, and they were trying to get a west side unit to assist. Officer Lee came on the radio and advised that they would be en route from Kinney. I felt like I was closer than him to where the suspect was, so I advised dispatch that I would be en route. Officer Kroupa told me that he would go with me. I asked dispatch what the circumstances of the 245 was. The original unit got on the air and advised that yesterday there was a 245 with a knife. I responded to the scene.

On the way there I heard the Captain say that he (suspect) had a knife on him, and that he(suspect) was walking away, and then I heard that there were two other units that were there. One of the units gave the same kind of traffic. About five seconds later I arrived on scene. I parked my car and saw that the suspect was walking in a north-west direction. I got my shotgun from my car, and got out of my car. I got my shotgun because of what I heard on the radio, and what the officers where saying.

As I walked into the field I saw that the suspect had a black colored box cutter in his right hand. He was kind of moving lateral, he was facing us three, as well as the Captain. I was focused on him. The Captain was

saying something like "You don't want to do this.", and "Put it down."

As I got out of the car I had told him to get on the ground. He looked over at me and then looked back over at the Captain. The Captain said something like "I will talk to him." We were in a fan position. In about 5 seconds I saw Officer Kroupa arrive. He was standing on the right side of the Captain. I don't know if the Captain had asked for the Tazer or not. I don't know who said it, but they said to drop what he had in his hand.

The suspect said something, but I could not really hear it. I saw Officer Kroupa deploy the Tazer. It had no affect on the suspect. That's when the suspect started advancing towards Officer Kroupa and the Captain. That is when I felt that there was eminent danger to their safety. I proceeded to discharge the shotgun towards the suspect.

I heard other shots going off at the same time. The suspect went down and was laying flat on his back, and was not really moving. I saw the black object still in his right hand. As he was on his back I could see that his hand was slowly opening up, and the object dropped out. We waited a few more seconds and then decided to approach him. I walked over there. I don't know who was behind me. I used my right foot and put it on the box cutter knife and dragged it back towards me a few feet.

I noticed that everyone was with me. I went back and retrieved my shotgun. After I had shot four rounds from the shotgun, I dropped by shotgun behind me and transitioned to my firearm. I don't quite remember what happened after that. Don't know if anyone went and touched the suspect.

When I heard over the radio that he had a knife and he was walking away, I drove code three to the scene. That was when I heard that the suspect had a knife. It would be a guess if I said that it was the Captain that had said that.

(I showed Officer Rafiq a map of the area of the scene. Officer Rafiq told me that he was familiar with the area, and placed an X on the map where he had parked his patrol vehicle, and where he had stood when he originally confronted the suspect.)

I remember when I got there Officer Quevas and Officer Gutierrez, and the plain clothes officer were already on scene. I missed the identifier of the plain clothes officer. Officer Kroupa got there after me. Based on what I had already heard on the radio, I deployed my shotgun when I got there. I was to the left of the other Officers and the Captain. When I first got out of the car, the suspect was seven to ten yards from where I stopped and had my weapon drawn.

The suspect was looking around. (Officer Rafiq then described that the suspect had a knife in his right hand and his left hand out at a 90 degree angle from his body.) He was moving laterally. He was making sure that he

had all of us in view. He was not focusing on just one of us for too long. He was scanning and moving aggressively. When I had told him to get on the ground he just gave me a blank stare. When I said it I yelled it. He looked at me and then looked back towards the Captain.

I could see that the suspect had tattoos on his head and his arms. I thought that he might be a parole or a former parolee. I think he said something like, I'm not going back. But, I am not sure. My main focus was just on him. I heard only bits and piece of what the Captain was saying.

The Captain and Kroupa were about five to seven yards away from the suspect when I first got there. After Kroupa deployed the Tazer, it had no effect. The suspect then shuffle stepped forward in an aggressive manner. He had almost turned his body towards them. He was now going towards the Captain and Officer Kroupa. Officer Kroupa shuffle stepped backwards. At that point I, as soon as he started moving towards them, I thought that the suspect was going to cut them or hurt them or kill them. That's when I shot the shot gun. I fired four rounds.

After I shot the shotgun, I started moving towards the right to get closer to the officer on my right, and transitioned to my firearm. We decided to approach him after we saw him drop the box cutter from his hand. I was after he dropped the box cutter that we decided to go towards him. I used my right foot and stepped on the object near his head, and dragged it backwards towards me and away from him. I was worried about my shotgun, so I got it and put it around my shoulder.

I did not secure the object that I had moved, or handcuff the suspect. I knew that it was crime scene and so I stayed away after that. There were no other officers and no other people that went up to him after that. I don't remember anyone doing that. There was a guy in a white t-shirt that was taking pictures.

I was not aware of the prior 245 that had occurred, until after the Captain had spoke about it on the radio.

After the object had dropped from the suspect's hand, I dragged the object with my right foot towards the intersection in a south east direction.

(The interview was concluded at approx. 1550 hours.)

On Thursday, 10-28-10 at approximately 1030 hrs, I contacted W-[redacted], [redacted] on the grass area of the Granite Pointe Apartments ([redacted] Truxel Rd) on the west side of building [redacted]. W-[redacted] was amongst a small group of people looking at the crime scene. From where W-[redacted] was standing, I was able to see the body of the dead male laying on the dirt on the N/W corner of Truxel Rd / Terracina Dr. Regarding what W-[redacted] witnessed, he stated the following in summary:

I live with my cousin, [redacted] and his girlfriend [redacted]) at [redacted] Truxel Rd, apartment #[redacted]. [redacted] and [redacted] stay in the east bedroom and I stay in the west bedroom. Our apartment is on the third floor and my bedroom's window faces Truxel Rd, so I have a view of Arco Arena.

I was in my bedroom and my window was closed, but I heard a commotion, so I went to my window to look. I heard cops or someone yelling, "Get on the ground." I just saw about 6 cop cars with cops standing behind their cars. I saw the guy (referring to the dead male) standing up, but didn't hear him saying anything. I didn't see anything in his hands, I just saw him standing there. I didn't want to look at what was going on, so I walked away from the window. After I walked away from the window, I heard around 6 or 7 gunshots. I came downstairs to see what was going on, but didn't see or hear anything else.

At approximately 1220 hrs, Detective D. McCoy #378 (IV80) and I, Detective [redacted], transported W-[redacted] to the Central Police Facility located at 300 Richards Blvd. W-[redacted] volunteered to be transported to the Central Police Facility to provide a more detailed statement of what he saw and heard regarding the officer involved shooting that had occurred on Truxel Rd in front of Arco Arena. The interview was conducted in interview room #4. W-[redacted] stated the following in summary:

Earlier, I was in my bedroom, talking with my girlfriend ([redacted] on the phone when I heard sirens going for a couple of seconds and then they turned off. I was wondering what was going on, so I went to the window and saw about 6 cop cars all just posted up with the officers behind their doors, hiding. I don't know why they were hiding. I heard the cops saying, "Get on the ground." I thought to myself, "Who are they talking to," because I couldn't see much until I looked just right. That's when I saw the guy just standing there. I said to myself, "Oh, I'm not going to look," and I just backed off. The guy

that I'm talking about is the same guy that I later saw dead on the ground.

** I asked W-[redacted] what it was that made him not want to look any longer. W-[redacted] stated the following in summary:

Well, I heard the cops yelling, "Get on the ground," and you know how in the movies, you hear the cops yell get on the ground and then they shoot. You know, I didn't want to see that, so I went to my closet to get a sweatshirt because it was cold.

** I expressed my concern about W-[redacted] statement saying that he saw part of this going on and then walked away. I told W-[redacted] that I don't mean to doubt this part of his statement, but I wanted to make sure that he wasn't just telling me this because he didn't want to get involved. I further stated that this was a serious incident and I wanted to make sure that I had an accurate statement from him. W-[redacted] stated the following in summary:

Yeah, I just backed up into my closet and then I heard about 6 or 7 gunshots.

Before the shots, I saw about 6 patrol cars with officers standing behind their cars. I'm not sure how many officers I saw, but when I heard them yelling, "Get on the ground," that's when I backed off because I didn't want to look. The guy (referring to the dead male) wasn't really doing much. I guess he was on something. He was just staring at the officers and that's when I backed off.

Besides the dead guy, I didn't see any other people around besides the officers that were in uniforms. The only other car I saw besides the cop cars was a white Chrysler, but that car has been there for a while.

After I heard the gunshots, I waited about 2 minutes and then I went downstairs to see what was going on. There were 3 other people already downstairs. I'm not sure of their names or where they live, but I asked them, "Hey, what's going on." They said, "Some guy got blown away." I said, "Yeah, I know, I heard."

I saw a bunch of cop cars and an ambulance. The doors were open on the ambulance and I was wondering why they weren't picking up the dead guy and taking him away.

On 12-9-10, at approx. 1209 hrs, I contacted Witness [redacted] in Interview Room #2 at 300 Richards Blvd and took his statement. He stated the following in summary;

(I started out by showing Witness [redacted] a map of the intersection of Terracina/Truxel, which included the apartment buildings on the northeast corner. Although the map didn't show the entire complex, it showed buildings just north of the intersection, including his building. Witness [redacted] building, [redacted], is the second building north of the intersection on the east curb of Truxel Rd.)

That is my building and my apartment is right there (indicating the apartment on the map). I had just gotten home from work right before this happened. I had gone out onto my balcony to smoke and then had come back in the apartment. My balcony door was still open. I sat on the couch.

A short while later, I heard screeching tires and sirens. I went back out on the balcony. At first I couldn't see very well, so I moved down to the far end (north end) of the balcony. I saw police officers on the sidewalk on this curb (indicating the northwest corner of the intersection). They had their guns out and they were pointing them at a guy standing on the dirt lot next to the curb. The guy was next to the metal box on the corner (indicated on the map).

Several of the cops had their handguns out and one had a shotgun. There were cops in uniform and there was one in plainclothes (Capt. Maccoun). I'm not sure which one said it because of the distance, but I heard one of them say "get the fuck on the ground mother fucker!"

Another officer pulled up, on the west curb of Truxel (indicated on the map). I think he was the one who had the Taser. I couldn't see it, but I saw that officer grab for something on his belt and then his hand came up like he was holding something. Then I heard the electric noise, tic-tic-tic, that said that someone was using a Taser.

I thought that the guy was going to fall over, but he didn't. The guy (Suspect) started moving his hands up and down (Witness [redacted] demonstrated). It's possible that he was trying to pull the Taser wires out. Instead of falling down, he made a half circle turn. He had been facing the officers on the corner before. He turned and started taking steps toward the officer that I think had the Taser, on the west curb of Truxel. At that point, the officers shot him. I don't know how many of

them shot him but I heard a lot of gun shots.

The whole thing was really quick. I would have thought the guy would have enough common sense to get down when they ordered him to, but he didn't.

I think the guy (suspect) was talking at one point, but I couldn't really hear what he was saying. I don't know if he was mumbling or reacting to the Taser. He wasn't yelling or anything. He was very calm at first. He had his hands at his sides. After they used the Taser on him, he got really agitated.

I couldn't see the (suspect)'s hands very well during the first part of it because he was standing kind of sideways to me. I couldn't see if he had anything in his hands. He either had his hands at his sides or up by his waist but it was hard to tell from that distance and he was wearing a dark jacket. I was also focusing on the cops more, to see what they were doing.

After the officers shot him, the guy fell down on the ground and then rolled over. He didn't move any more after that. The officers walked toward him. It looked like they were checking him and I think they might have been knocking something out of the way.

The guy never got down on the ground when they told him to and didn't listen to what they were telling him.

I was inside my apartment in my bedroom (2nd story apartment facing Truxel Rd). I heard all the sirens and then I heard about seven (7) consecutive shots. I got closer to the window and saw the guy across the street on the ground with about four (4) officers around him. I think they (the officers) were still pointing their guns at him, but I'm not sure.

Witness Statement ([redacted]):

On 10-28-10, at approx 1100hrs, I spoke to Witness [redacted] outside of #[redacted]. W-[redacted] stated the following in summary:

I had left to go pay my cell phone bill. I remember it was 10:03 because the store opens at 10am. I was in my car and I exited the apartment complex and was on Terricina Dr (W/B) in the right turn lane to turn onto (N/B) Truxel Rd. I was going to turn right but I saw two (2) cop cars on Truxel (N/B) and they turned toward Arco (N/W). There was also a white car that kind of looked like an undercover car on Truxel. It looked like there were two (2) uniformed officers and one (1) plain clothes officer. They were out of their cars. It didn't look like they drew their guns right away, it looked like maybe they drew a taser, but I can't be sure. The guy was on the corner and he looked pissed off. He was turning his head side to side and just kind of moving around. I didn't know why he didn't put his hands up with the cops there. (W-[redacted] kept positioning his arm across his chest indicating how the subject had his arms positioned).

I was thinking that if something happens, I am right in the line of fire so I turned right (N/B) on Truxel and went to the Metro PCS store to pay my bill. By the time I came back, all the roads were blocked off.

I never saw what actually happened and I didn't hear if anything was said. I knew he was an undercover officer just by his stance and how he approached the guy.

It kind of appeared as if the undercover officer followed the guy for a minute until the other cops got there.

I think all three (3) cop cars got there at the same time.

At approx. 1215 hrs, myself and Detective Mortenson transported Witness [redacted] to 300 Richards Blvd. At approx. 1238 hrs I re-interviewed Witness [redacted]. The interview was audio and video recorded. [redacted] relayed the following in summary:

I heard a car door slam and then I heard a male voice yell, "Get the fuck on the ground mother-fucker." About a minute went by and I heard six gun shots. I went to the window and looked out. The window was not opened I was just looking out. I saw a total of four uniformed officers and guy in a windbreaker. They all were kind of in a semicircle standing near the body on the ground. The officers had their guns drawn, still stiff armed; it was like they were still expecting something to happen. The officers and the guy in the windbreaker were standing approx. 15-20 feet away from the guy on the ground. They stood there for about sixty seconds and then the officer that was furthest to my right (north) walked away, out of my view and then returned wearing a pair of gloves. I saw the other three officers put their guns away. I couldn't tell if the guy in the windbreaker had a gun, his back was to me, I couldn't see his hands or his face. The officer with the gloves walked toward the body, he didn't touch it and then he stepped back. I didn't see the officer bend down; he was standing close to the body, maybe a foot away. The officer that went up to the body had dark hair, broad shoulders and he was wearing sunglasses, it's hard to tell from that distance. The ambulance showed up about 10 minutes total after the gun shots, they parked and got out a gurney. The officer that had been by the body was standing with the other officers. He went up and spoke to one of the ambulance people. That is all I could see because the ambulance blocked my view. My view was partially blocked by a tree near my window. I would say the distance from where my window is to the officers is about 250 feet. I don't wear glasses. The guy in the windbreaker was an African American wearing a dark baseball cap. I didn't notice his pants.

***During the interview the witness drew a map of the positions of the officers, the cars and the body. Map attached.

I stay at [redacted] #[redacted] with my boyfriend named [redacted]. I was kind of still dreaming when I heard sirens outside. I heard what sounded like the cop car slamming on his brakes. I heard rapid gun shots and it sounded like more than 5 gun shots. They were all right after one another and very quick. I got up and saw that my boyfriend [redacted] was standing outside on the balcony of our apartment. Our apartment is located along Truxel road north of Terracina Drive on the third floor. I went out on the balcony and saw 4-5 police officers with their guns pointed at the guy who got shot. The guy that they had their guns pointed out was down and not getting up. One officer had his gun out and approached the guy that was down and kicked something out of his right hand. I think that it was a weapon but I could not see for sure because of the distance. Our apartment is located across Truxel Road which has 6 lanes with a center median in it. Our apartment is probably 50 yards north of Terracina Drive on the 3rd floor. I also saw a white 4 door sedan with a guy dressed in plain clothes talking to the officers after the shooting. I did not see him with his gun out after the shooting. The guy who was shot was not getting up and they held their guns on him for awhile and then they backed off after the officer kicked the weapon out if his hand. The firefighter medics walked up to the guy and leaned down next to him and there was nothing they could do for him. I have never seen the guy who was shot before and I do not know him. I think the guy who got shot was wearing khaki but I am not sure. He was a fully grown adult and looked like a Caucasian male and he was laying face up. I saw his shiny forehead. That is all that I remember about the incident.

At approx. 1200 hrs I (Det. Blynn #525) was on scene at the Richards Police Station and I interviewed Witness [redacted] in interview room #4 and obtained the following witness statement in summary:

My name is [redacted] and I stay at [redacted] in Apartment #[redacted]. I was sitting on my sofa and I heard a siren. I heard the police car slam on his brakes really hard and heard a screech. I ran out to my patio and opened the blinds. I saw one or two police cars outside and I saw a white car out there across the street on Truxel Road by the entrance to Arco Arena. There were 2 police officers in full police uniform and one other white guy with a blue and white jacket on. The officers had their guns pointed at the guy. I think one of them had a pistol and another one had a shotgun or a rifle out. I could not tell exactly what kind of gun it was because of the distance. 2 officers were south of the white car on the corner and I heard officers yelling at him I think. I didn't look like he was doing what they wanted. I could not see a weapon on him but I was pretty far away. Other units came and they shot him with approximately 10-12 shots in close proximity. The shots were all very close and the guy went down quick. One of the officers went up to the guy and kicked something out of his hand. There might have been one shot followed by a bunch of shots but they were all really close together. The guy went down and was lying on his back. I saw him move his head slightly and then he did not move any more. The officer that approached the guy after the shots were fired went up to him with his gun out and kicked a possible weapon out of his hand and all of the officers backed away. They had their guns out for awhile after they shot him and they put them away. The paramedics responded and they could not do anything for him. The guy looked like he had a light complexion with olive colored skin. I am across Truxel Road and 50 yards north of Terracina Drive. I think that he might have moved toward the officers before they shot him. He had his chest turned towards the officers and he did not try to run from them. I do not know this guy who was shot and I have never seen him before.

I learned that this incident had occurred at the intersection of Truxel Rd / Terracina Dr.

Detective McCoy and I were partnered up. We (above listed) all began to respond code 3 to the scene of the shooting from El Camino Ave / Connie Dr when a reduce was broadcast. We reduced our code 3 response near the area of El Camino Ave / Del Paso Blvd, but continued to the scene.

Detective Supplement:

I have been employed with the Sacramento Police Department as a Police Officer since 1994. I am currently assigned to the Office of Investigations as a Robbery Detective within the Neighborhood Crimes Unit. My primary duties are to investigate crimes, including but not limited to burglaries, thefts, and robberies (including bank robberies, home invasion robberies, business robberies, and carjackings).

On 10-28-10, at approx 1000hrs, the NCU North Team was preparing to conduct a probation search. We were gathered near El Camino / Connie gearing up prior to conducting the search. The following were on scene:
Sgt. Lisa Hinz, IV11
Det. Tina Mortenson, IV64
Det. Jayme Valdez, IV116
Det. Heather Hendrickson, IV95
Det. Scott Blynn, IV76
Det. Don McCoy, IV80
Det. [redacted]

At approx 1001 hrs, I heard a radio broadcast by 2CO (Capt. Maccoun) indicating that there was a subject walking S/B Truxel, on the west side of the street near the north gate of Arco Arena (across from Terricina Dr) that matched the description of the 245 suspect from the night before (10-324203) and that additional units were needed.

At approx 1006 hrs, Ofcr Gutierrez #317 (1B19) broadcast that the subject had a razor or knife that he was refusing to drop. At 1007 hrs, Ofcr Gutierrez requested a taser.

While monitoring the radio traffic, I heard an unknown male officer say, "Drop the knife!" over the air. Shortly after, units advised that shots had been fired and fire was requested.

At approx 1008 hrs, Ofcr Cuevas #318 (1B18) made a broadcast stating, "the knife is still next to the suspect, not making contact".

Most NCU detectives responded code 3 (lights and siren, unmarked police vehicles) from El Camino / Connie. A reduce code was put out at approx 1011 hrs. I reduced code and continued to the scene. I was teamed up with Det. Valdez. We arrived in the area at approx 1025 hrs. We parked our vehicle in the N/B lanes of Truxel Rd, on the S side of Terricina Dr. (just outside the crime scene tape).

Once on scene, we met with Sgt. Pettit. Sgt. Pettit requested we (NCU) conduct a canvass at the Granite Point Apartments ([redacted] Truxel Rd) which is located on the N/E corner of Truxel / Terricina (directly across the street from the shooting scene).

I (Det. Blynn #525) have been employed by the Sacramento Police Department as a Police Officer since 2005. I am currently assigned to the Office of Investigations as a Detective with the Neighborhood Crimes Unit. My primary duties are to investigate crimes, including but not limited to burglaries, thefts, and robberies.

On 10/28/10 at approx. 1000 hrs., the NCU North Team was preparing to conduct a probation search. We were gathered near El Camino Ave/Connie Dr gearing up to perform the search. The following detectives were on scene: Sgt. Lisa Hinz IV11, Det. Tina Mortenson IV 64, Det. Jayme Valdez IV 116, Det. Heather Hendrickson IV 95, Det. McCoy IV80, Det. [redacted] and I (Det. Blynn IV76).

At approx. 1001 hrs., I heard a radio broadcast by 2CO (Captain Maccoun) indicating that there was a subject walking southbound on Truxel Road on the west side of the street near the entrance to Arco Arena near Terracina Drive. This subject matched the description of a 245 (assault with a deadly weapon) suspect from last night under report number 10-324203. Captain Maccoun was requesting additional units because he was by himself and in plain clothes.

At approx. 1006 hrs., Ofc. Gutierrez #317 (1B19) broadcasted that the subject had a razor or knife and that he was refusing to drop the knife. At approx. 1007 hrs., Ofc. Gutierrez requested a unit with a tazer. While monitoring the radio traffic I heard a male on the radio say, "Drop the knife, Drop the Knife."

At approx. 1008 hrs., Ofc. Cuevas #318 (1B18) made a broadcast stating, "the knife is still next to the suspect, not making contact."

I responded code 3 from El Camino Ave/Bus 80 until Watt Ave/Bus80 when dispatch advised to reduce code 3. I continued to the scene and arrived on scene at approx. 1025 hrs. I parked my vehicle in the northbound lanes of traffic just south of Terracina Drive just south of the crime scene tape.

Once on scene, we met with Sgt. Pettit and he requested that our NCU team perform a canvas of the Granite Point Apartments located at [redacted] Truxel Road which is located on the northeast corner of Truxel Road/Terracina Drive which is directly across from the shooting scene.

I began my canvas of [redacted] Truxel Road at approx. 1035 hrs., with the following results :

At approx. 1200 hrs., I interviewed Witness[redacted] and [redacted]. I video and audio recorded the interview (See their statements in summary).

At approx. 1300 hrs., I transported both of the witnesses back to their residence.

I booked the video and audio taped surveillance DVD of the interviews into property at the Sequoia Pacific Property Wherehouse.

Detective Hendrickson Supplement:

I have been employed with the Sacramento Police Department as a Police Officer since 2003. I am currently assigned to the Office of Investigations as a Robbery/Burglary Detective with the Neighborhood Crimes Unit, North Area. My primary duties are to investigate crimes, including bank robberies, business robberies, home invasion robberies, carjackings, residential and business burglaries).

On 10-28-10, at approx. 1000 hrs, the North NCU Team was preparing to conduct a probation search. We were meeting to gear up prior to conducting the probation search. The detectives included: Sgt. Hinz, Det. Mortenson, Det. Valdez, Det. Blynn, Det. McCoy, Det. [redacted] and myself.

At approx. 1001 hrs, we were listening to Channel 1 and heard a radio broadcast by 2CO (Capt. Maccoun) requesting additional units, to assist in contacting a subject that matched the description of a 245 suspect from the night before (10-323706, Natomas Park School). He stated that he was on the west side of Truxel Rd, across from Terracina Dr).

At approx. 1006 hrs, Ofc. Gutierrez #317 (1B19) broadcast that the subject had a razor or knife that he was refusing to drop. At approx. 1007 hrs, 1B19 requested a taser.

While we were listening to the radio traffic, we heard a male officer (unknown which) say "Drop the Knife!" over the air. Shortly afterward, they advised that shots had been fired and medics were requested.

At approx. 1008 hrs, Ofc. Cuevas #318 (1B18) broadcast that the knife was still next to the suspect, and that they were not making contact.

We broke from the probation search preparation and responded to the shooting scene. I did not respond C3 as I was unable to get my red light/siren to activate.

At approx. 1025 hrs, we all arrived onscene. I parked my vehicle on the south side of Terracina Dr, on the east curb of Truxel Rd, just outside the main crime scene tape.

We met with Sgt. Pettit, who requested that we (NCU Detectives) conduct a neighborhood canvass in the Granite Pointe Apartments ([redacted] Truxel Rd), located on the N/E corner of Truxel/Terracina (directly across the street from the scene of the shooting).

Once inside the apartment complex, I contacted Witness [redacted], who was standing a the foot of the stairs of building [redacted]. When I asked him if he had seen anything, he stated that he had seen the whole thing. I obtained his identifying information.

I went upstairs with Witness [redacted] to his apartment, #[redacted], so that he could change out of his [redacted] Uniform into regular clothes. He indicated that he had been standing on the far end of his balcony when the incident occurred.

While he was changing, I walked onto the balcony and stood in the position he indicated that he was in. There was a tree that blocked part of the view while standing on the south end of the balcony. However, on the north end of the balcony, there was a clear, unobstructed view of the northwest corner of Truxel/Terracina, at the entrance to Arco Arena. I was able to see where all of the vehicles were parked and it was clear that Witness [redacted] would have been able to see where the officers and the Suspect were standing.

After Witness [redacted] changed, I stood with him near the front of his apartment building.

At approx. 1138 hrs, Sgt. Hinz advised that the Homicide Detectives had requested that I stay with Witness [redacted] until they were ready for him to be transported for an interview.

At approx. 1138 hrs, Det. Mortenson advised that we had been directed by Homicide to transport the witnesses to 300 Richards Blvd and conduct the witness interviews there.

I transported Witness [redacted] to 300 Richards. He was placed in Interview Room #2. The room was left unsecured and I provided a soda and bag of chips for his comfort while we were setting up the recording equipment.

At approx. 1209 hrs, I interviewed Witness [redacted] and took his statement. During the interview, I provided a map and a sketch of the outside of Witness [redacted] apartment, so that he could show where he was and where he saw the officers, to assist in obtaining his statement.

At the conclusion of the interview, Det. Blynn drove Witness [redacted] back to his apartment.

I booked the DVD containing the audio/video of Witness [redacted] interview. I also booked the maps/sketch that had been used during the interview.

On 10.28.10 I was notified of an Officer involved shooting by Det. Kirtlan at approx. 1040 hours. I responded to the scene from the Sacramento Police Department property section located at 555 Sequoia Pacific Blvd. I arrived at the intersection of Truxel Rd. and Terracina Dr. at approx. 1050 hours. Upon my arrival, various members of the Patrol Division were already on scene. Officers had used yellow crime scene tape, to block off the southbound lanes at Del Paso Rd. and Truxel Rd., the north bound lanes at North Market Blvd. and Truxel Rd., and the entire intersection of Truxel Rd. and Terracina Dr.

I was advised by Lt. Johnson, who had subsequently arrived on scene, that there was a witness that had taken photos just after the shooting. I was directed by Lt. Johnson to speak with the witness, who was standing at the south east corner of the intersection of Truxel Rd. and Terracina Dr.

I contacted the witness who identified himself as [redacted]. [redacted] told me that he had was south of the intersection, and was driving south in his vehicle, when he saw police cars driving with their lights and sirens on, heading north on Truxel Rd. [redacted] told me that the thought that a bank had been robbed. Having just purchased a new camera, he wanted to try it out. [redacted] then parked on the south east corner of Truxel Rd and Terracina Dr, and began taking photos of the police activity on the opposite side of the intersection. [redacted] agreed to let me down load the photos that he had taken. I obtained the flash memory card that [redacted] had taken the photos on, and downloaded them onto Sgt Stigert's lap top computer. I then burned the same photos on to a CD, and booked the CD as evidence at HOJ.

At approx. 1125 hours, myself, along with other members of the Homicide team, and various Sacramento Police Department managers, were briefed as to the facts and circumstances as known to Police at the time, by Sgt. Pettit. Sgt. Pettit advised that there had been a 245PC the night prior (10-323706), at the Natomas Park School, located at [redacted] Crest Drive. The reports were of a man that had put a knife to the throat of juvenile at the school, the night prior. Sgt. Pettit advised that Capt. MacCoun had been in the area of Truxel Rd. and Terracina Dr, when he observed a male matching the description of the 245 suspect, walking on the side of the road. Capt. MacCoun, after having waited for more officers, contacted the suspect. The suspect then brandished a knife at the officers, and eventually charged at them. Officers then fired on the suspect.

At approx. 1205 hours I conducted a walkthrough of the scene with Officer Rafiq. Rafiq pointed out where he was when he shot his shot gun, and what direction he was facing. After the walkthrough, Rafiq was transported to HOJ for an interview.

At approx 1510 hours I conducted an interview with Officer Rafiq, and obtained a statement. During the statement, Officer Rafiq described how after the suspect was down, the officers present approached him, and Officer Rafiq used his right foot to move the knife away from the suspect's right hand. Officer Rafiq described moving the knife in a south east direction, towards the intersection.

At approx. 1625, Officer Rafiq and I went back out to the intersection at Truxel and Terracina, and conducted another walkthrough. This walkthrough was specific to the events that occurred after the shots were fired, and what was done with the knife that was in the hand of the suspect at that time. Officer Rafiq told me that he had placed his right foot on the knife, and used his foot to move the knife in a south east direction, towards the intersection, and away from the suspect.

STATEMENT OF CAPTAIN MACCOUN:

At approximately 1412 hours, 10/28/10, I (Detective Higgins) met with Captain Maccoun and his attorney, Dan Mcnamara. This interview was video recorded. For complete details please listen to the recording:

Det. Higgins: Okay, so we'll just kinda go through and I'll have you tell me what happened

Captain MacCoun: Sure.

Det. Higgins: Start out with your name ?

Captain MacCoun: My name is James R MacCoun. M.a.c.c.o.u.n. I'm a Captain of the Sacramento Police Department. I am the District One and Two Police Captain, one being Natomas, two being North Sacramento. Last night I received a phone call about 9'o'clock, 9pm, from one of my Watch Commanders, Cara Westin. Lt. Westin advised me that an incident occurred in Natomas, North Natomas area. She informed me that a church group rented facilities from the North Park Elementary School and had a youth meeting or event on the school property and that shortly before eight o'clock last night she informed me that a male, white entered this adult supervised event, got through to a courtyard where he approached the seventeen year old male and I believe a female was with him, yelled something about "what the fuck are you looking at?", pulled out what was described as a steak knife and put it to the throat of the seventeen year old. I was advised that somebody calmed him down. He then left the scene and escaped. She informed me of the progress of the search and the perimeter that had been done with no results and we conferred on next steps. I requested that after the search was done last night, that for first light that officers go back and search the area. She gave me a detailed description of the suspect. At that time he was described as a male, white, 40, 6 foot, thin, brown hair, tattoos on the neck, wearing a gray jacket or sweater, gray military jacket is what they seemed to think it was with a military cut. He was described as being armed with a steak knife. I received no further calls last night. This morning when I got up, I logged on to, through a secure web portal, to the department email system, saw that the search had been made at the beginning of the day, at daybreak. Also saw an updated description with a little more detail on the tattoos and familiarized myself with that description. I then on the way to work, I drove into the city from the North and I decided to familiarize myself with that part of North Natomas because I am not familiar with the new housing that's been

built out there in the last four years. So, I worked my way from Del Paso Road to the school. I spoke to a city utilities worker. There's a number of green belts, waterways and walkways in the area and I saw the city utilities worker in the park. I approached him and identified myself. I was in an unmarked, department issued vehicle, in plain clothes. I gave him the description and made him aware. I also spoke as I checked out the area with the Sector Sergeant, Sergeant Andrew Pettit, and we conferred on next steps as far as maybe having the CHP helicopter come out and search the area because the description the previous night was that the subject appeared homeless and possibly was an alcoholic and may have been drunk. So, based on the housing and the lack of cover in the area I was concerned that he, you know, probably slept under a bridge or was somewhere out in that area. So, after I was done with that I then left the area and started down Truxel Road from Del Paso Road and walking southbound along the west sidewalk, toward the Arco Arena property, was a subject who matched the description almost perfectly. I drove past him in my unmarked car. Got a look at him, went down to Terracina, got my department walkie talkie out and I requested that units respond and contact the subject and that I would keep him under visual surveillance until they got to the area. I then made a U-turn, went back to Del Paso Road and Truxel and stayed approximately two hundred yards behind the subject at the curb line in my vehicle. He did not appear to notice me initially. Units were somewhat out of position, but I put out a couple of updates and as I saw two units pull up in front of the subject I then went to that scene near the east entrance to Arco Arena. Officers were already out of the vehicle and I was somewhat surprised because as soon as I exited my vehicle I could hear yelling and see that weapons were drawn and that the subject was holding something. And as I got closer there was some signage and campaign signs and things on that, that, property. I could see that the subject was holding, I believe in his right hand, what looked to be a sharp object, possibly a box cutter type knife. The blade was extended. He, as I got closer, he kept saying "not gonna do it, not gonna do it". He was holding the knife in a manner that indicated to me that he appeared to have some knowledge of stabbing instruments and knife fighting. He was not holding it in a closed fist, he instead had a, a, almost a horizontal grip on it. He recoilled his other arm as if in a defensive fighting position and he was extremely agitated. I noticed that he had a number of tattoos on his neck and I believe his face or near up toward the face and these appeared to be crude, prison type tattoos. As I approached I drew my weapon, identified myself, the other officers were in uniform and it was obvious that he was not going to, as the other officers were shouting commands he was not going to drop the knife. I yelled to the officers who were to my left, we had fanned out. I was covering, my back was to Truxel and he kept looking toward Truxel. There's a large apartment complex across the street to the east and my concern was that he was going to try to run into traffic or toward the apartment complex. The officers were yelling commands, I had yelled some commands. At one point I had yelled to the three officers who were to my left, which I believe would be Rafiq, Cuevas and Gutierrez "get a plan, you guys come up with a plan, I'll talk to him, I'll try to talk to him" and

they said "Okay". I heard yelling about a Taser. I don't think any of them had a Taser on them at that, at that point. So I yelled to the subject, I said "What's your name? My name's Jim". He said his name was I believe something that started with L, like Lynn. I said "Lynn,let's slow this down, this isn't that big of a deal", and the whole time he was in a fighting stance and he kept moving and looking for opportunities as if he was either going to run or charge. But he was coiled tight like a, like, like he was ready to fight or stab. And I said, "why is this such a big deal?" and he said "I did twenty three years in a box, I'm not going back to the box". I said, "let's, let's talk about this". He said, "I'm not going to talk about it, I'm not going back there, you're going to put me in a fucking cage". He was extremely upset. And Officer Kroupa I believe came up from my right, from behind me and I heard, "we have a plan" and Kroupa I believe yelled some commands. As soon as Kroupa came out with a Taser the suspect started to, to jerk forward just as, as Kroupa fired the taser. I believe both darts went into him, but regardless, he was instantly charging toward Kroupa and myself. I believe all of us fired almost instantaneously and point shooting, there was no aiming, just firing. As the first rounds hit him he continued to drive forward with a, with a knife in his hand and till his last step, his last breath, he was trying to get toward us. Unlike the movies where someone is, is shot, this guy just kept going. I believe I heard a loud gunshot to my left. I believe a shot gun was discharged during this event, but he was, with his last breath, even as he was on the ground he was continuing to try to move forward. And that's my recollection.

Det. Higgins: Okay and I'm like you, I remember it all farmland out there. Is it Natomas or Truxel where it happened, do you know? You keep referring to Truxel.

Captain Maccoun: This is Truxel, south of Del Paso Road.

Det. Higgins: So you come from right at the intersection, you come south bound?

Capt Maccoun: Yes.

Det. Higgins: onto Truxel?

Captain Maccoun: Yes.

Det. Higgins: Okay. Okay, let's see. You were dressed like this?

Captain Maccoun: I had a windbreaker,

Det. Higgins: Okay.

Captain Maccoun: over this shirt. I had my department radio, I had this identification displayed around my neck. I had my department issued, sig

sauer P239

Det. Higgins: Okay

Captain Maccoun: and I had handcuffs.

Det. Higgins: Okay, now like when you wear your jacket, was your badge visible?

Captain Maccoun: No.

Det. Higgins: Okay, when you went up to him?

Captain Maccoun: No.

Det. Higgins: Okay, so what would he have seen from you?

Captain Maccoun: He would have seen this (indicates rectangular department issued ID card hanging around his neck) id card. I did not enter the scene until the other officers, in uniform, were already on scene and had made the initial contact.

Det. Higgins: So you had uniformed officers and you come up and you have your police ID on that says Police,

Captain MacCoun: Yes.

Det. Higgins: and you said you identified yourself?

Captain MacCoun: Yes.

Det. Higgins: How did you identify yourself, do you remember?

Captain MacCoun: Police, put it down, and that's when all the exchange began

Det. Higgins: Okay. Now I'm just going back to look, going back a little bit. You said last night you get a briefing from Lt. Westin?

Captain MacCoun: Yes.

Det. Higgins: This morning you log in and you get, you log in did you look at the daily activities, did you get an email on it or did you remember what.

Captain MacCoun: Both.

Det. Higgins: Both, okay. So that gives you what you feel is a pretty good description in your mind?

Captain MacCoun: Yes. I'm very concerned that this is not a dispute between participants at a party. That this is a stranger who apparently went into a child event, acted irrationally, put a knife to a juveniles' throat and there was no, all my briefing information is that this is someone who is highly disturbed or had some sort of ill will toward the youth in that area.

Det. Higgins: Okay, so I read, I saw the same daily activity I'm guessing you did. Would that be the Sergeants Daily Activity?

Captain MacCoun: Yes.

Det. Higgins: And was there one from the Lieutenant? Do you remember if you remember?

Captain MacCoun: I think so yes.

Det. Higgins: Okay. So, I'm just thinking of things we'll want to get

Captain MacCoun: Yes.

Det. Higgins: Well probably want to get the Lieutenant Daily and then do you remember if you got separate emails on it or would those be the two sources?

Captain MacCoun: I got an email at about three o'clock in the morning from Lieutenant Watson indicating that, advised that he had set up a perimeter westbound and he needed to check and clear the area near school in the morning at daybreak, and I can certainly supply you with

Det. Higgins: Yeah I just, you know, this kinda shows all the information you have when you go into the area. Okay, kinda going back a little bit, how long have you been a police officer?

Captain MacCoun: Twenty six years. I graduated from the police academy in May of 1982. I was a Community Service Officer for almost two years and then I was sworn in at the age of twenty two.

Det. Higgins: Now, I think we have know each other for a long time, you have quite a bit of SWAT background?

Captain MacCoun: I attended FBI Basic SWAT School. I've been to a number of tactical schools, was a SWAT Commander at one time, worked a lot of different assignments.

Det. Higgins: So you have some pretty good knowledge of, like the knife? You know, it's like you were kind of describing the routine person holding a knife would hold it like how would you describe it?

Captain MacCoun: Yes, I have viewed video tapes actual video tapes in training and other settings for instance of knife attacks on prison guards and that is what this suspects actions reminded me of. Typically their attacks, they try to use one hand to defend themselves and they are typically fast moving charges of one suspect onto another.

Det. Higgins: Okay.

Captain MacCoun: And that's, everything about this man's behavior indicated that, that's what he was trying to do.

Det. Higgins: So this wasn't just some guy holding a knife and?

Captain MacCoun: No. And, and he's got in a low, coiled position and like I said, based on my experience in viewing some of these actual knife attack type video, it's a leap and charge where they try to run over the top of whoever they are trying to attack.

Det. Higgins: And so was he, how was he standing? Full-up, crouched down?

Captain MacCoun: He was in a semi-crouched position.

Det. Higgins: Okay.

Captain MacCoun: He was very tense, very focused, repeatedly said "I'm not gonna do it, I'm not gonna go back" and like I said either one of two things I felt he was going to do either way: one run toward the apartment complex and into the street, he was not going to go into the farmland or the open area behind us; or he was going to do as he did and attempt to attack us.

Det. Higgins: Okay and you don't have a vest. You had no protective equipment on right?

Captain MacCoun: I have no bullet proof vest on yes.

Det. Higgins: What would a knife do to you in that?

Captain MacCoun: Clearly, you know, the target area is your neck, chest, you know the areas where vital organs where you could bleed, bleed to death, puncture wounds.

Det. Higgins: How were you feeling?

Captain MacCoun: I was in fear for my life. I had no doubt that this was an individual who was skilled in violence and I had no doubt that he had every intent to try to take one of us with him, and when I say take one of us with him, kill either me or one of the other officers there. And he, by

his own admission had been in, in prison somewhere and had a great deal of anger and hate toward law enforcement.

Det Higgins: Okay. How far away was he? When he first started, when you first came up, how far away was he from the officers if you remember?

Captain MacCoun: He never really stayed static. He moved laterally from the south to the north with his face and chest toward the east. And at his closest as he made his drive toward us I would estimate that he was, maybe got within eight feet of at least where I was, eight to ten feet. He fell forward, he was clearly and I've received previous training about the twenty one foot threat distance and perception reaction time, for a good part of our encounter we were closer than that twenty one feet, but we felt or at least I felt and I think that as the officers converged that we had to keep him from breaking and running toward the sidewalk, the street and the apartment complex. So we had a crescent type deployment and as he moved towards the north, I moved toward the north laterally as well. Trying to get him to slow down or trying to slow the thing down, get him to talk to us, but he wasn't having it.

Det. Higgins: Now the area, what's the traffic like going by? I mean is it sparse traffic or I mean are there a lot of people, people going by at that time of day?

Captain MacCoun: There is heavy traffic. The apartment complex across the street I believe I saw one or two pedestrians in that area as I made the U-turn and came back around. The background behind him, the direction for instance that our rounds went through, there was nobody, there was farmland, Arco Arena, no events in progress there.

Det. Higgins: Okay. And the thing you kinda touched on, you said his eyes kept looking past you guys?

Captain MacCoun: Yes. He, he, his eyes would dart around, he was constantly scanning. He wouldn't focus on one person which indicated to me had some fighting skills. He was trying to assess who his greatest threat was and where there was a hole, where he could make a break or attack someone. He was visually checking, scanning. He didn't want to really engage in conversation and was looking for the opportunity to do damage or, or make a break.

Det. Higgins: One of the things that is, you've been a cop a long time right?

Captain MacCoun: Yes.

Det. Higgins: A lot of people run from you?

Captain MacCoun: Uh huh.

Det. Higgins: Have you seen similar, people act similarly, similar to this before, is that what you are saying? You kinda, he's looking past you, what are you drawing that on that you think he's gonna try and get past you?

Captain MacCoun: I'm thinking he's, he is either going to try to attack us or he's gonna try to get to where there is somebody he can take hostage or, or do something to get himself, he's assessing the situation

Det. Higgins: Okay

Captain MacCoun: and the more he talked, "I'm not going back, just do it" then it became less of a sense that he was trying to, you know, you gotta remember that this whole just probably took ninety seconds, but then it became "I'm not going back, you're not taking me back, I'm not going to go back into a fucking box, I just did twenty three years, I'm not going back" so then it became the attack.

Det. Higgins: Okay. Do you know how many times you shot?

Captain MacCoun: Well I observed them clear my weapon. Initially I thought four to six, I mean yeah, I guess it was six.

Det. Higgins: So he gets hit by the first volley of shots? How far away how far do you say, do you think when he first gets hit?

Captain MacCoun: There was no separate volleys.

Det. Higgins: Alright, when he first gets hit?

Captain MacCoun: I would say he probably got to about twelve, fourteen feet. Twelve feet toward us as the first rounds hit him. I mean you could, this happened so quickly you can't see the individual hits but you can perceive he's getting hit and he puts his head down and continues to drive and I don't know whose round it was, I don't remember if it was my round but, cause I'm point shooting not using the sights, but I actually saw a round go into his skull and still he drove forward toward Officer Kroupa and I.

Det. Higgins: Did you guys have to retreat at all?

Captain MacCoun: We, we did step back, a bit, I don't perceive how many steps or what, but I do know that there was a natural recoiling action

Det. Higgins: Okay.

Captain MacCoun: as we were firing.

Det. Higgins: Okay, so I'm just kind summarizing though, is he's, so

you're in fear not only for your life and for the other officers, you're fearful that if he gets past you he's going to take some, some of the pedestrians or something, anybody driving by and number of very bad things can happen

Captain MacCoun: Yes.

Det Higgins: if he gets over there?

Captain MacCoun: Yes. Yes especially based on the behavior of what occurred the night before and the fact that he matches this description very well.

Det. Higgins: Okay, how long, how long are you out there do you think before you?

Captain MacCoun: I probably drove around the area for forty five minutes to an hour.

Det. Higgins: Anybody else even remotely fit the description?

Captain MacCoun: No. No, in fact a number of people I talked to said it was pretty rare to see folks that didn't appear that they were residents of the area, to see somebody that actually looked like they were a public inebrient or something like that. And by the way during this encounter he never seemed inebriated. He was not slurring his words. He looked rumpled, like possibly had slept outside somewhere, but he was articulate and not slurring any words and very emotionally charged.

Det. Higgins: Okay, anything else you can think of?

Captain MacCoun: No.

Det. Higgins: Okay, let's take a break and see if there's anything I'm forgetting.

Break

At approximately 1439 hours, the interview resumed:

Det. Higgins: It's natural obviously, as you know, these things happen fast and right now, you know, you have been through a lot today and if you think of anything else which is totally natural just give me a call. Just, you know, you can shoot me an email, hey I was thinking about this later on and I remember this or give me a call, I can talk to you, you send me an email, anything you want to add. And what I'll do is I'll have this transcribed verbatim and then I'll send it to you and your attorney and then if there is anything you need to clarify or anything like that we'll go from there.

Captain MacCoun: Okay.

Det. Higgins: Oh yeah, it's going to be totally natural later on to think of oh I forgot to tell them this or I forgot to tell them that and they're working on your gun right now.

Captain MacCoun: Okay.

Det. Higgins: That's it. Thank you.

Captain MacCoun: Thank you.

Det. Higgins: And let me get your name?

Attorney: Dan McNamara, let me give you my cell phone
Det. Higgins: Okay.

Attorney: Actually, I'm out of cards.

Det. Higgins: Okay.

Attorney: M.C.N.A.M.A.R.A

Det. Higgins: and Dan?

Attorney: Yeah. [redacted]

Det. Higgins: [redacted]?

Attorney: [redacted].

Det. Higgins: Okay, that's it.

Break
At approximately 1448 hours, the interview resumed.

Det. Higgins: Okay so they have, there was one additional question. The description that you described was maybe a box-cutter any better description?

Captain MacCoun: A utility knife.

Det. Higgins: Could you see the blade or did you see the whole thing or?

Captain MacCoun: I could see a handle and a blade projecting from it, but in my mind it is like a utility knife where it is a razor type blade.

Det. Higgins: Okay, so you actually see the handle in the hand or you see the hand grip and just a razor blade hanging out?

Captain MacCoun: I see him holding it and I see it come out after his thumb.

Det. Higgins: Okay. So it's coming out of something, it's not like it's there is this razor blade coming out of nowhere?

Captain MacCoun: No, no, it's like a formica or a utility knife.

Det. Higgins: An exacto knife type?

Captain MacCoun: No, not an exacto.

Det. Higgins: or a utility knife with a kind of razor blade?

Captain MacCoun: It's a utility knife where you can break off the razor blades or that type of stuff. It's something like that where it's, it's not a kitchen knife, it's a cutting tool.

Det. Higgins: Okay. Do you know what happened to that?

Captain MacCoun: I have no idea.

Det. Higgins: So you didn't see it after he went down?

Captain MacCoun: No. As he went down, none of us approached the body, none of us did anything with it.

Det. Higgins: Okay, that's it. Okay.

On 10/28/10, at approximately 1509 hours (time on video is seven minutes fast), I (Detective Merten) interviewed SPD Officer Jabier Gutierrez inside of interview room #5 at The Hall of Justice. Prior to the interview, CSI Boyd took photographs of Officer Gutierrez. Sgt. Campbell conducted a round count of all live rounds that Officer Gutierrez had on his duty belt and in his service weapon. Sean Howell, an attorney at law with the firm Mastagni, Holstedt, Amick, Miller & Johnson was also present during the interview. The interview was audio/video recorded and later booked into evidence. Officer Gutierrez stated the following in summary:

I have been a Sacramento Police Officer for less than two years. I attended the academy from June 2008 through December 2009. I work day shift in Sector 1 in the Natomas area. I started my shift this morning at 6 AM and my shift was to end at 1600 hours. The way that I am dressed right now is how I went out on patrol today, in full uniform with my duty belt.

I was assigned as BV19 this morning, which is a 1C unit. I had just cleared a call in the area of San Juan Road and Binghampton when I heard Captain Maccoun request a marked unit for a possible 245 suspect. Captain Maccoun was in an unmarked vehicle so he requested a marked unit. Officer Cuevas and I responded in separate vehicles from San Juan and Binghampton. Captain Maccoun advised that the subject was at Truxel and Terracina and that he was wearing a grey sweater and that he had tattoos on his neck. Officer Cuevas approached the subject first, and I was behind Officer Cuevas. I advised dispatch that we were out with the subject.
As Officer Cuevas make contact with the subject, I immediately saw that the subject was holding a knife in his left hand. I advised dispatch that the subject had a knife and I asked for the beeper. I saw Captain Maccoun get out of his vehicle. All three of us gave the subject commands to put the knife down. He would not comply with what we were asking him to do. As we kept telling him to put the knife down, he started backing away from us. I got on the radio and asked for a unit with a Taser to respond. At that point Officer Cuevas, Captain Maccoun and I were still telling the subject to drop the knife. Officer Rafik arrived and he joined us.

Officer Kroupa arrived on scene with a Taser. I observed Officer Kroups deploy his Taser after he ordered the subject to drop the knife. The Taser was ineffective on the subject. After the Taser was deployed, the subject ran towards Officer Kroupa and Captain Maccoun. I feared that the subject was going to kill or cause bodily harm to Captain Maccoun and Officer Kroupa so I discharged my firearm. I believe that I fired three times at the subject. At the same that I was firing, I could hear Officer Kroupa

yelling, "Shoot him." After I fired three shots, my gun jammed, so I tapped the magazine and racked the slide to get another round into my gun. Once the firing stopped, the subject went down and Officer Kroupa asked for Fire Code 3.

I (Detective Merten) advised Officer Gutierrez that I had a few more questions for him. Officer Gutierrez stated the following in summary:

This morning at roll call, Sergeant Petit told us that there was an incident that occurred last night where a subject put a knife at a kid's throat. The description of the 245 suspect was a male with tattoos all over him and that he was armed with a knife. I know that Officer Neri was assigned to attempt to locate the video at the school where the 245 occurred.

When the call for assistance came out, I left the call that I had completed at San Juan/Binghampton and drove w/b on San Juan and then n/b on Truxel. I did not respond with my lights or siren on. I placed my vehicle at the northwest corner where the subject was standing.

I (Detective Merten) showed Gutierrez a Goggle map of the intersection of Truxel/Terracina. I had Officer Gutierrez show me approximately where he placed his vehicle. Officer Gutierrez pointed out approximately where Officer Cuevas and Captain Maccoun parked their vehicles. The map was later booked into evidence.

When we first approached the subject, he was standing right here (Officer Gutierrez pointed to the n/w corner of Truxel/Terracina). I had my handgun out of my holster when I exited my vehicle. We yelled at the subject numerous times to put the knife down. He started to back towards the field that was behind him as we closed in on him. The subject was a male white, approximately 5'8", 170 lbs. wearing a grey sweater with tattoos all over his neck and tattoos horns on his head and a buzz cut. He matched the description that had been given by Sgt. Petit. I believe that I saw a box cutter in the subject's left hand and the blade was out. The subject was standing in an upright position and he had a firm grip on the box cutter. As we gave him commands, he retreated approximately 15-20 feet into the field. When Officer Rafik arrived, Officer Cuevas, Officer Rafik and I tried to come up with a plan on how we were going to make contact with the subject. As we came up with a plan, Captain Maccoun was still trying to reason with the subject. Our plan was to wait for a unit who had a Taser. We were still trying to figure out who was going to go hands on with the subject when the Taser was deployed.

Officer Cuevas had his handgun drawn and Officer Rafik had his shotgun out. As Officer Kroupa exited his patrol vehicle, he had a Taser with him. As Captain Maccoun was trying to reason with the subject, the subject was saying that he did 23 years in the pen and that he was not going back. He kept saying that he was not going to go back. As we were talking to the

subject, I was approximately 7'-8' away from him. Officers Rafik and Cuevas were on this side (Officer Gutierrez pointed to the left of where he had indicated that he had parked his vehicle) and Captain Maccoun was standing a couple of feet to my right. Officer Kroupa came up on this side (Officer Gutierrez pointed to the right of where he had indicated that his vehicle was parked). Cpatain Maccoun was talking with the subject as Officer Kroupa ran up. I heard Officer Kroupa say, "Drop the knife" and then he deployed his Taser from approximately eight feet away. I saw at least one dart make contact with the subject's clothes, but the Taser was ineffective. The subject then started to run towards Officer Kroupa and Captain Maccoun. At that point I was thinking that he was going to kill them or stab them, which would cause bodily injury to both of them. The subject still had a firm grip on the knife, but I don't recall which hand it was in. The subject flared up his hands like he was getting to run away, kind of like a sprinter.

I back peddled and at the same time I opened fire. I did not line up the sights on my gun. I point shot at the subject. I believe that I fired three times and then I had a jam. I tapped the magazine and racked the slide to clear the jam. I don't believe that I fired after I cleared the jam. After I started firing, I heard other officers fire. I don't recall hearing Officer Rafik fire the shotgun.

The subject fell to the ground. I recall hearing Captain Maccoun yelling, "Cease fire." I heard Officer Kroupa get on the air and ask for Code 3 Fire. The subject was still moving and I saw the knife by his shoulder. The subject was lying on his back and his right hand was almost on his back. I saw the knife by the subject's right hand, which was on his right shoulder. At that point it still looked like a box cutter to me. Officer Kroupa ran to his car and got some gloves out. Officer Rafik approached the subject and kicked the knife out of the way. We did not handcuff the subject. We waited for the paramedics to come and treat the subject.

At approximately 1538 hours, Officer Gutierrez, Sean Howell and I (Detective Merten) re-entered the interview room. Officer Gutierrez stated the following in summary:

Truxel Road and Del Paso Road are both busy streets that have lots of foot and vehicle traffic. There are schools in the area and there is also an apartment complex directly across the street from where we contacted the subject. (Officer Gutierrez made a mark on the Goggle map indicating where the apartment complex was located). I had a feeling that if the subject ran across Truxel he would jump over the fence and go into the apartment complex. After he was tased, the subject started running in an easterly direction, towards the apartment complex. That was another reason why I deployed my service weapon.

Based on my training and experience, the tattoos around the subject's neck and especially the horn tattoos on his head indicated to me that the

subject was a gang member associated with [redacted]. After he told Captain Maccoun that he had done 23 years in prison, his tattoos let me know that they were possibly prison tattoos. When he said that he wasn't going back to prison after serving 23 years, I became more fearful because I realized he would do anything to try to escape.

The interview was completed at 1542 hours.

On 10/28/10, at approximately 1600 hrs, I interviewed SPD Ofc Cuevas #318 regarding this officer-involved shooting. Present during the interview was attorney Sean Howell. Prior to my interview, photos of Ofc Cuevas were taken by CSI Boyd. A count of Ofc Cuevas' live rounds of ammunition was conducted by Det Sgt Campbell. I then spoke with Ofc Cuevas. The following is a transcribed version of Ofc Cuevas' statement:

Det. Burke: Three - one - eight.

Sgt. Campbell: This is your replacements so I'll set it down here for you okay?

Det. Burke: Thank you.

Attorney: Okay.

Det. Burke: Alright. Okay, I'm Dan Burke, I'm a detective here. I'm interviewing Officer Cuevas regarding an officer involved shooting that happened today. Also present in the room is Attorney Sean Howell. So what we'll do is I'll start off, I've got a couple of questions and I'm kinda just gonna have you run through the whole incident. Want you to lay it all out for me. If I have any additional questions I'll come back to those and if you have any questions of me let me know and I'll answer them if I can. Alright, do you recall what unit you were working today, your identifier?

Ofc. Cuevas: One Bravo Eighteen.

Det. Burke: One Bravo Eighteen?

Ofc. Cuevas: Yes.

Det. Burke: So that's a solo officer unit?

Ofc. Cuevas: Yes.

Det. Burke: Okay. And you started at 6am?

Ofc. Cuevas: Yes.

Det. Burke: Okay. You were advised of the call or request for assistance today?

Ofc. Cuevas: Yes.

Det. Burke: And can you tell me about that?

Ofc. Cuevas: Yes, we were originally briefed in roll call about something that happened last night. About a person who came up to some kids that are in youth group or something like that, it was a brief, just a really brief overview of what happened that they put out an IB this morning. One of the guys put a knife to one of the youth group members and took off. Didn't hurt him but. Yeah it was put out by Sgt. Pettit and then this morning Officer Guitierrez and I had just cleared a call at an apartment complex off of Binghampton and he requested a couple of units because he said he saw the guy who matched the description of the 245 from yesterday. So Officer Guitierrez put himself on the call you know cause he's Bravo 19 he's my beat partner so I went with him. And while we, so we were going enroute there and the Captain put a brief description that he was wearing a sweatshirt and wearing black pants and that he was walking southbound Truxel towards Terracina on the west curb line. So we're going enroute to there and he's putting updates about where he's going, he's by the entrance to Arco Arena. And Officer Guitierrez was originally in front of me and I was following behind him while we were going there and he went, he thought it was up left beyond the lights, but I knew where Terracina was and just kept on going. I think he was a little mistaken so I kept on going and I see a guy right off the south, or the northwest curb line who matches perfectly the description to a T. Also the description that the Captain gave out originally was that he had tattoos on his neck, that go up to his neck and stuff.

Det. Burke: Okay.

Ofc. Cuevas: So I'm going northbound on Truxel to Terracina and I go left to meet him right at the corner. And I look at him and I see, see his face and I could see that he had horns on his forehead and that he had tattoos on his hands. I could see tattoos from his hooded sweatshirt on his hands and coming up from his neck. So at first, first instance I think is alright, parolee, probably Sacramaniac cause he's got the horns. You know 'cause originally when I was going into the call I was thinking how am I going to approach this you know, how we do every call. So, I pull up, Officer Guitierrez is right behind me and he pulls up also. And I see the guy come up with a knife in his hand. So immediately put him at gun point and both of us are telling him, "drop the knife, drop the knife". And Captain pulls up at this time too, draws, you know, draws his gun. We are all ordering him to put down the knife. And while, while we're doing this you could see he has a black one, kind of, and almost the blade, about that long.

Det. Burke: Okay.

Ofc. Cuevas: A couple of inches. You could see he held it in his right

hand. And while we are telling him to lower it he's not, he's not complying at all. He's walking back and forth and eventually he starts walking away from us. Now Officer Rafiq pulls up and he gets his shot gun out and he puts it on him also and tells him to "get on the ground mother fucker". And we ask for a Taser 'cause none of us had Tasers on us 'cause, you know, we don't want to shoot him while he is walking away from us. Put down the knife cause he still had it in his hand. So then Officer Kroupa got here, got there to assist us and I know Officer Kroupa always carries a Taser on him. So we tell, yell at him "Kroupa, Taser". So while we are still ordering him to put it down, put it down and I can't remember, he was saying stuff to us but I can't remember what exactly most of the stuff was. But one thing that really stuck out in my mind that he said was that "I, I'm not going back". So, based on what he looked like, parolee or ex-parolee, probably been in the system a lot, so like okay, you know this is serious now cause he said "I'm not going back" he was probably suicide by cop or he's, you know, he's going to try taking us out. So, you know, definitely red flags went up all over on that and Captain yells at us and tell us "Hey", cause it was Officer Rafiq here, left, and I was in the middle and then Officer Guitierrez was here and here's Captain and here is Kroupa.

Det. Burke: Okay.

Ofc. Cuevas: Captain yelled at us and said "You guys think of a plan, I'll talk to him". So I spoke with Officer, while I had him at gun point still, Rafiq and Guitierrez saying what we're gonna do, I told Rafiq to keep him at gun point because he had the shot gun out and if he's Tased and goes to ground, once he's away from the knife, one of us will sweep the knife away and we'll go hands on. So Officer Kroupa shoots his Taser at him. I see one of the prongs go into his chest, I didn't see where the other one went, but he did not go down. Right after that you see him look up at Officer Kroupa and just charge at him with the knife in his right hand still. He, he didn't drop the knife at all, he still had it in his hand.

Det. Burke: Alright.

Ofc. Cuevas: And, right then I just knew, knew where he was going after and I was, I was in fear for Officer Kroupa and also for myself and everybody else who was out there. So, right, right when we pulled, pulled the trigger Officer Kroupa goes "shoot him, shoot him". It was almost instantaneous while we pulled the trigger he's saying "shoot him" and everybody just shot him. I believe I shot him twelve or thirteen rounds. I shot him until he was incapacitated just because I know, you know, I talk to people on the streets that have been shot five or seven times and they live. You know, this guy is running after us, he's really close, within fifteen feet at least 'cause the taser was able to get him so he was really close. You know, how quickly things go if someone is running after you.

Det. Burke: Okay.

Ofc. Cuevas: So then I unloaded my magazine, I looked, I saw that I was empty, I dropped the magazine, I reloaded, by this time he was down on the ground and I reloaded, de-cocked and I picked up my magazine and put it in my pocket.

Det. Burke: Okay, and then what happened after you reloaded?

Ofc. Cuevas: We all slowly approached, noticed that the knife actually was still next to him but he wasn't moving.

Det. Burke: Okay.

Ofc. Cuevas: Well a little, he was moving a little bit, but not to advance on us so then re-holstered and then Captain got on the radio. Well Kroupa first got on the radio saying "there's shots fired, suspect's down and stage fire" and then the Captain got on the radio and put out the update about you know, we need to set up the perimeter, get everybody here.

Det. Burke: Okay. And then what happened with this, this knife? Where was it at?

Ofc. Cuevas: It was still right, right next to him by his right hand.

Det. Burke: By his right hand? Was his hand up like that?

Ofc. Cuevas: It wasn't in his hand any more it was honestly, I don't remember, I don't remember. I just remember it was right there, it was still right next to him.

Det. Burke: Okay. Did you happen to get a good look at that cutting instrument at that point?

Ofc. Cuevas: I saw that it was long and black and thin.

Det. Burke: Okay.

Ofc. Cuevas: So I thought it might have been homemade or something like that but I'm not one hundred percent sure.

Det. Burke: Okay, so the grip part was black?

Ofc. Cuevas: Yeah.

Det. Burke: Okay, so the grip part is black, it's fairly long, thin and then you said the blade was like so

Ofc. Cuevas: a couple inches

Det. Burke: a couple inches maybe?

Ofc. Cuevas: A couple inches.

Det. Burke: Okay, alright. So your plan was you were gonna have Rafiq hold the shot gun on him, Kroupa to taze?

Ofc. Cuevas: Yes.

Det. Burke: and then you and Guitierrez were going to go hands on

Ofc. Cuevas: Yes.

Det. Burke: when he was incapacitated by the Taser?

Ofc. Cuevas: Correct.

Det. Burke: But you only see one taser dart go into his chest?

Ofc. Cuevas: Yeah, but he didn't go down.

Det. Burke: And did it affect him at all, that Taser?

Ofc. Cuevas: No, not at all.

Det. Burke: Okay. When you started firing, did, did he go down immediately?

Ofc. Cuevas: No, not immediately. He took a couple of steps while we were still firing at him.

Det. Burke: Okay.

Ofc. Cuevas: Not sure how many but he was still moving while we were firing at him so I continued

Det. Burke: Okay

Ofc. Cuevas: shooting till he was down like we were taught

Det. Burke: Yeah.

Ofc. Cuevas: cause he is still a threat.

Det. Burke: Okay. Do you know approximately how far away from, who was he closest to, would you say the Captain or Kroupa?

Ofc. Cuevas: The Captain and Officer Kroupa.

Det. Burke: Both, so they were both similar distance?

Ofc. Cuevas: They were both a similar distance away.

Det. Burke: So could you say approximately how far away he was from them when he began?

Ofc. Cuevas: No more than fifteen feet.

Det. Burke: Okay so no more than fifteen feet when he began charging them?

Ofc. Cuevas: Yeah.

Det. Burke: Okay. And you do recall him saying "I'm not going back"?

Ofc. Cuevas: Yeah he, he was jibber jabbering a little bit I can't understand, but that definitely stuck out.

Det. Burke: Put up some red flags, in addition to his appearance?

Ofc. Cuevas: Yes, yeah.

Det. Burke: Did his tattoos appear to be prison type tattoos?

Ofc. Cuevas: Oh definitely, you could see by the horns those are [redacted] usually or white, you know, gang.

Det. Burke: Okay.

Attorney: Detective do you mind if I ask a question?

Det. Burke: Ah no, not a problem.

Attorney: How, how do you know that a tattoo is, is like a prison tattoo as opposed to a tattoo I might get from an actual tattoo shop? Is there a way you can look at it and kinda tell the difference?

Ofc. Cuevas: Yeah, by the ink used you can tell. There is always a lot less fading because they are using pen usually to do their tattoos instead of the dark, nice, tattoo shop parlor ink they use.

Attorney: His were more indicative of

Ofc. Cuevas: of somebody who has been to prison before.

Attorney: Okay.

Ofc. Cuevas: Definitely with the horn, they just

Attorney: Gottcha.

Det. Burke: Who was it who initially saw this guy and put it out on the radio?

Ofc. Cuevas: Captain.

Det. Burke: That's Captain Maccoun?

Ofc. Cuevas: Yes.

Det. Burke: Okay, when you were briefed, by Sergeant Pettit regarding this guy from was is yesterday?

Ofc. Cuevas: It was at Roll Call.

Det. Burke: That was at Roll Call this morning then?

Ofc. Cuevas: Uh huh.

Det. Burke: that you were briefed?

Ofc. Cuevas: Mmm.

Det. Burke: Okay. When you pulled up where did you stop your car and which direction was it facing?

Ofc. Cuevas: I stopped it right at the intersection pretty much right where he was standing and the front of my car was right there it was northwest corner.

Det. Burke: Okay.

Ofc. Cuevas: So it was right, right when you go into Arco and he was standing there and I just pulled right there.

Det. Burke: Okay.

Ofc. Cuevas: So he walked in front of my car, that's when I put him at gun point because I saw the knife.

Det. Burke: Okay. So was your car facing towards the corner?

Ofc. Cuevas: Yes.

Det. Burke: Northwest direction?

Ofc. Cuevas: Yes.

Det. Burke: Pointing right at the corner?

Ofc. Cuevas: Yes.

Det. Burke: Okay, Was your ICC on do you know?

Ofc. Cuevas: No, it wasn't.

Det. Burke: It wasn't?

Ofc. Cuevas: I, when we were going to the call we were going through lights so I wasn't going Code, well kinda was, kind wasn't going Code Three. You know, we, we were blowing lights and then shutting it off and I was turning off the ICC. So when we went through the last one, I can't remember where it was at, I just shut it off, but I left my ICC also in the car, the mic, so I couldn't and it wasn't synced up so I didn't, I wasn't able to turn it on.

Det. Burke: Okay.

Ofc. Cuevas: I yelled at Officer Gutierrez when we were there I was like, "you got your ICC on?" We just felt, we knew it was going to go bad.

Det. Burke: Okay, okay. So, you and Gutierrez were the first two to arrive?

Ofc. Cuevas: Yes.

Det. Burke: Would you say you arrived first because Gutierrez was going to make a turn at the wrong intersection?

Ofc. Cuevas: Yes. He was in front of me till he was gonna make a turn, but I knew where Terracina was. The guy he saw was in a red jacket and red, you know, I saw the description, it said grey. So and also Captain is a credible witness so I kept on, kept on going and I saw a guy with a grey sweatshirt right there.

Det. Burke: Okay.

Ofc. Cuevas: So then Gutierrez was right behind me and the Captain pulled up like right behind us.

Det. Burke: So you pull up first,

Ofc. Cuevas: Uh huh.

Det. Burke: How long after you pull up does Gutierrez pull up?

Ofc. Cuevas: Five seconds. It was instantly.

Det. Burke: Okay. Ofc. Cuevas: He was right there.

Det. Burke: So pretty much at the same time.

Ofc. Cuevas: We were one and two.

Det. Burke: Do you know where he stopped his car?

Ofc. Cuevas: Just to the right of mine.

Det. Burke: To the right?

Ofc. Cuevas: And a little behind.

Det. Burke: To the right and behind of yours?

Ofc. Cuevas: Yes. So if you're facing, like if you're in my car and you're facing northwest, he, he's just to the right rear passenger door panel back there.

Det. Burke: Okay gotcha. And then the Captain, did you see where he pulled up at?

Ofc. Cuevas: Yeah, he was facing ah, he was to the right of Gutierrez, he was facing south. He was on Truxel facing south.

Det. Burke: Okay. And then how long after you guys got out did the Captain pull up?

Ofc. Cuevas: Ten seconds.

Det. Burke: Ten seconds.

Ofc. Cuevas: He was right there cause he was still following him.

Det. Burke: Okay. Before he pulled up though, you said you guys got out of the car

Ofc. Cuevas: Uh huh.

Det. Burke: confronted this suspect.

Ofc. Cuevas: Well I, I got out of the car. Before I got out of the car I could see him get the knife. I didn't see where he pulled it out, but I saw the knife in his hand.

Det. Burke: Okay. So as soon as you got out you could see this knife in

his hand

Ofc. Cuevas: Yep.

Det. Burke: in his right hand?

Ofc. Cuevas: Yes.

Det. Burke: How is he holding it?

Ofc. Cuevas: Blade's out. It's like right here. Say this is the blade, he's holding it right here.

Det. Burke: Okay. So he's got a grip on the handle, blade's sticking out.

Ofc. Cuevas: Yeah.

Det. Burke: At that point do you draw your weapon out?

Ofc. Cuevas: Yeah. I yell out knife.

Det. Burke: Okay, you yell out knife, you draw your weapon?

Ofc. Cuevas: Yes, instantly.

Det. Burke: You say you and Gutierrez were both giving him commands, "drop the knife"?

Ofc. Cuevas: Many times.

Det. Burke: Okay, and Captain pulls up at that point,

Ofc. Cuevas: Uh huh.

Det. Burke: you continue to give him commands,

Ofc. Cuevas: Yeah, Captain Maccoun took over, yelling commands.

Det. Burke: Okay.

Ofc. Cuevas: While we were setting up a plan of what to do once we had a taser there.

Det. Burke: Okay, next one to arrive was Rafiq?

Ofc. Cuevas: Yes.

Det. Burke: And Rafiq went to the far left of yourself?

Ofc. Cuevas: Yes.

Det. Burke: You were, you would have been on the far left until Rafiq got there is that correct?

Ofc. Cuevas: Yes.

Det. Burke: Okay, so Rafiq takes the far left position with the shotgun?

Ofc. Cuevas: Uh huh.

Det. Burke: Okay. So it's Rafiq, you, Gutierrez and the Captain

Ofc. Cuevas: Yes.

Det. Burke: to the right and then Kroupa was the last to pull up and then he was further to the right

Ofc. Cuevas: further to the right.

Det. Burke: Okay. What kind of, what kind of positioning did you guys have, how were you standing? What kind of, were you in a straight line?

Ofc. Cuevas: We were kind of circled

Det. Burke: Okay, so like a

Ofc. Cuevas: Like a pie.

Det. Burke: So fanned out then?

Ofc. Cuevas: Yeah.

Det. Burke: Okay. So after these commands are unsuccessful, Kroupa is going to Tase him?

Ofc. Cuevas: Yeah.

Det. Burke: You and Gutierrez are going to go hands on, Kroupa goes for the, deploys the Taser, fires it, it's ineffective?

Ofc. Cuevas: Correct.

Det. Burke: he begins to charge at that point?

Ofc. Cuevas: Yes, instantly.

Det. Burke: And you can hear Kroupa yell "shoot him".

Ofc. Cuevas: No, there was, we see him charge he still has the knife in his hand

Det. Burke: Uh huh.

Ofc. Cuevas: as I am pulling the trigger, I might have put a round in him, but I heard Kroupa say "shoot him".

Det. Burke: Yep.

Ofc. Cuevas: But it wasn't, I don't know, I wasn't shooting because Kroupa said "shoot him".

Det. Burke: Correct, but you were hearing it as you were going into the decision that you were going to shoot him.

Ofc. Cuevas: I had the decision made prior to Kroupa saying it, yes.

Det. Burke: So you're, you're going to shoot him because you fear for Kroupa and the Captain's safety?

Ofc. Cuevas: everybody

Det. Burke: and everyone that's there

Ofc. Cuevas: and myself

Det. Burke: Most immediate danger would be the Captain and Kroupa?

Ofc. Cuevas: because he's in position around him, we're all right there but I was more to the left of them, but yeah I was definitely in fear of the Captain and Kroupa. You know, he's looking right at them, charging after them.

Det. Burke: Okay. Alright, and then you emptied your magazine? So it would have been twelve or twelve plus one?

Ofc. Cuevas: Yes.

Det. Burke: Thirteen rounds?

Ofc. Cuevas: Right.

Det. Burke: that you had fired?

Ofc. Cuevas: I believe yes.

Det. Burke: Okay, and do you have any idea how many times you would have hit him?

Ofc. Cuevas: Hopefully all of them.

Det. Burke: Yeah.

Ofc. Cuevas: Obviously I'm not sure.

Det. Burke: Were you guys all firing at the same time?

Ofc. Cuevas: Yes.

Det. Burke: So it would be hard to

Ofc. Cuevas: It would be hard to tell

Det. Burke: kinda tell?

Ofc. Cuevas: Yeah, I don't.

Det. Burke: Alright. Where did you respond from?

Ofc. Cuevas: Binghamton.

Det. Burke: Binghamton, okay?

Ofc. Cuevas: And San Juan.

Det. Burke: Okay.

Ofc. Cuebvas: We had just finished doing some follow-up over there.

Det. Burke: Okay. And I don't know if I asked you this, is this the uniform you were wearing during this incident?

Ofc. Cuevas: Yes.

Det. Burke: Okay, and your patrol car, was it a marked patrol car, black and white with lights on it?

Ofc. Cuevas: SPD yeah.

Det. Burke: Okay. Okay. Alright, do you have any questions of me at this point?

Ofc. Cuevas: No.

Det. Burke: Do you have anything else?

Attorney: No.

Det. Burke: Let me, let's take a break and

Attorney: Let's go outside

Ofc. Cuevas: Okay.

Det. Burke: go out, use the restroom or whatever you need.

Ofc Cuevas: Do I have to wait to load up or?

Attorney: Just wait, Just wait.

Attorney: Cause you got to do the packages

Det. Burke: Okay, how long have you been a sworn police officer?

Ofc. Cuevas: It'll be two years at the end of January.

Det. Burke: Okay so just about two years. Alright, did you go the Police Academy at Sacramento here?

Ofc. Cuevas: Yes.

Det. Burke: Sac PD's Academy? Alright, good deal. That's all I've got. You're all set so.. .

Attorney: Is there a person, a Captain or a Sergeant or somebody who can come and tell him about his admin leave and things like that?

Det. Burke: Ah you know what I'll get someone to explain all that stuff.

Attorney: Cause we'll be right around the corner loading up the. . .

Det. Burke: Okay that sounds good. I'll have someone, I'll come over with the Sergeant or someone who can explain that to you.

Unk: Alright, thanks.

Officer Statement: Jesse Kroupa

On 10/28/10 at approximately 1630 hrs, I, Detective Kirtlan, interviewed Jesse Kroupa at SPD headquarters in interview room #4. The interview was audio and video recorded. Attorney Dan McNamara was present in the room during the interview. Officer Kroupa stated the following in summary: (for full details, please refer to the DVD that has been booked as evidence)

(Prior to the interview starting, CSI Boyd obtained photos of Officer Kroupa while in the recorded interview room. Detective Sergeant Campbell then unloaded Officer Kroupa's extra ammunition magazines that Officer Kroupa had secured on his duty belt. The magazines were photographed prior to being unloaded and after being unloaded. Detective Sergeant Campbell counted each round as he unloaded the magazines. Officer Kroupa carried four additional ammunition magazines. Each magazine contained 12 rounds of .40 caliber department issued ammunition. Detective Sergeant Campbell then unloaded Officer Kroupa's firearm. The magazine from within Officer Kroupa's firearm contained 8 rounds of .40 caliber ammunition while the firearm contained one round in the chamber. Detective Sergeant Campbell then unloaded Officer Kroupa's secondary firearm which was a five shot revolver. There were five rounds of ammunition within the revolver.)

I have been a police officer for about 3 years and 9 months. I graduated the Sacramento Police Academy. I was assigned to day shift today. I have worked day shit for about 3 years. I was assigned as "1Bravo22" today. I was a single officer car assigned to district 2A. I am in the uniform that I was wearing today. I keep my magazines fully loaded at all times with 12 rounds in each.

I was writing an accident report behind the Goodwill that is located at Jesse / Norwood. We heard the call from the Captain saying he had spotted the suspect from the 245 that occurred last night. We responded to help sector 1 units. Sector 1 units were responding. Officer Rafiq and I were writing together so we decided that we would respond. Officer Rafiq was driving in front of me. While enroute, I heard Rafiq ask the Captain what type of 245 it was. He said it was a 245 with a knife. As we were driving to the scene, Officer Cuevas said that he had a knife and he wasn't putting it down. I responded code 3 with lights and sirens. While enroute, I heard him que the radio and say "put the knife down, put the knife down." I also heard him ask a request for a Taser or a C.E.D. I arrived shortly after Officer Rafiq did. When I arrived at the scene, I

could see Rafiq, Cuevas and Gutierrez had handguns, Rafiq had a shotgun out. I saw the Captain had a handgun out. They were triangulated around the suspect in that field. The suspect was not cooperating. He was moving around a lot and as I was running up. Since I knew that he needed a Taser, I took my Taser out immediately. I approached the suspect, I was within approximately 10 feet and someone told him to put the knife down and someone else said "why are you doing this, put the knife down." The suspect said "I am looking at life in a box." I had made eye contact with him and I could see that he had numerous tattoos. The impression that I had was that he was an ex-con or career criminal.

At that time I had my Taser, I saw that I had the red dot on his chest and I looked at the battery life and I saw that I had at least 86% on the Taser. I felt confident that the C.E.D. was ready to use. I asked my teammates if they were ready for me to fire the Taser and they would apprehend him. At that point I fired the Taser, he reacted a little bit, I could see that he was moving as if it had caused pain but he did not drop to the ground. He looked directly at me.

I'll back up a little bit, when I arrived on scene, he did have an object in his right hand which appeared to be a box cutter. He was holding that in his hand in a clenched fist. So it looked like he was holding it in a manner as if he wanted to cut one of us if we approached him. So, to approach him hands on was not an option because we would risk a lethal cut from that thing.

Now I will go back to where I fired the Taser. It seemed like the pain affected him but he didn't go to the ground, he looked directly at me and had this stare that he wanted to get me. It was a stare of death and I felt that he was going to come running at me and sure enough he started charging right at me. I said "shoot him" because in my heart and in my mind, I felt that he was coming to stab me and I felt scared that he was going to do that. I had dropped my Taser and I went to draw my own gun because he was still coming towards me, I did hear gun shots but he was still coming at me so in my mind I felt that those gun shots were not working and I had to take my own shots to protect myself. I pulled my gun and fired about 4 shots, I believe. That is when he went to the ground. After that we saw that he was probably going to die so we couldn't do anything medically for him. I put out on the radio that shots were fired and we needed code 3 fire. That is about the end of it.

I was not personally aware of the call that happened (the night before.) I had not read the daily or heard about it at roll call. After Rafiq asked on the radio what the 245 was, they said it was with a knife so we felt that he was a dangerous individual armed with a knife.

From where I parked my car, I ran southwest in the field trying to triangulate on him. I parked out there (north on Truxel from where the shooting occurred) just so if he started running, I would be in that

position. I came up and I was on the north of everybody else. We had a little formation.

My in car camera was functional and running but I did not have my microphone. When we watched the video, I did not hear any audio.

When I saw the look in his eyes, I knew that he was either going to resist or flee.

I felt that with the way that he was coming towards me, if I did not shoot him, that he was going to successfully cut me and either kill or injure me. I feared for my life.

When I was responding, I heard "put your knife down," I knew this person was going to be resistive or was not going to follow our orders so I knew that if he was the known suspect and he was resisting, that there was a likelihood that he was likely going to try to hurt us or try to flee.

I pulled the trigger on the Taser once. The Taser appeared to give him a little pain or startle him but it did not paralyze him like it is supposed to. He was still able to come towards me after striking him with the Taser.

The object looked like a black box cutter in his right hand. It looked like it protruded from his hand a few inches. It was maybe six inches in length, from what I could see in his hand, it looked like a box cutter. Knowing that he was a suspect in an assault with a knife from the night before, I believed it was a box cutter or a knife that he could use on us. He had his hand in fist while holding the object. That is a common way for a suspect to hold a knife.

There was an object in his right hand that I saw as he was losing consciousness. I believed it was a knife, I used my baton to try to pull it away from him right before the captain said we should just leave the scene the way it is. I moved it a short distance and it appeared to be like a piece of rubber or bike tire or something but I couldn't tell if it contained anything inside of it. That object came from his hand it was dark in color. It appeared to be circular and it looked like it would open like a piece of a bike tire would.

(We took a break at this point in the interview.)

(We re-entered the interview room at approximately 1653 hrs.)

I want to add at the point that where I used the Taser, I saw that it had no effect and the suspect was approaching me, I felt helpless holding the Taser and I did not have time to draw my gun so I yelled "shoot him" so my teammates would know that I was in danger and that I was in fear for my life. That is something that I have never said on a call or anything in my

life. For me personally, it showed the exigency of the circumstances that I felt in danger of my life.

I have an issued "ESB" expandable baton that I use. I stepped away and extended my baton and then moved the item from the area of his hand, I think it had already fallen out of his hand.

Between the time that the suspect had been shot and when I moved the item from his hand was about 30 seconds or so. I think I waited until he stopped moving because he was moving a little bit and we weren't sure if he was still able to attack. Once I felt comfortable that he was incapacitated, and then I moved the item. I don't know how exactly how long but I estimate 30 seconds.

I ran back to my car to get a box of gloves so we could use it to handcuff him or give him first aid. They were blue latex protective gloves. I left that box on scene.

I don't remember any other officers kicking the item that I removed from the suspect's hand.

(We took a break at this point in the interview.)

(We re-entered the interview room at approximately 1701 hrs.)

(I showed Officer Kroupa a photo of an item that was found at the scene. The photo had previously been sent to Sgt. Campbell's email and printed. The photo showed a black item that was photographed next to an ink pen and a CSI ruler to indicate the size of the object. The black item appeared to have a sharp edge on one side.)

That is the object that was in the suspect's hand that fell out of the suspect's hand. It appears to be the same item that I moved with my baton. The angled end would have been protruding from the suspects hand because I recall it looking like a box cutter.

End of summarized statement.

(On 11/22/10, I received an e-mail from Mr. McNamara advising me that Officer Kroupa had reviewed the above statement. Officer Kroupa requested that a clarification be made regarding who keyed the radio and asked for a CED. Officer Kroupa stated it was Ofc. Gutierrez who in fact asked for a CED over the radio.)

On 10/28/10 at approx 1240hrs I contacted Witness [redacted] inside of interview room #4 of the SPD Homicide Office. We had the following conversation in gross summary (Det Montoya = D / Witness [redacted] = [redacted]):

D: I'd like to show you a map of the Arco Arena area so that you can get situated; can you tell me where you were and what you saw? At this time I provide (W) [redacted] with a black/white Google print out of the area.

[redacted]: Right there (pointing with his finger); Truxel and Sports Parkway.

D: So, is that Truxel and Sports Parkway or Terracina?

[redacted]: I think it's Sports Parkway from Arco Arena, we were coming this way (indicating east bound).

D: Ok, so it's Truxel and Sports Parkway/Terracina.

[redacted]: Yeah. I was just coming out for lunch and I saw a bunch of cops over there on the corner. I told [redacted] we need to hurry because there's a bunch of cops over there and there is only one way out.

D: Where did you see the group of cops?

[redacted]: Right here (pointing to the north/west corner of Truxel Rd and Sports Parkway/Terracina on the Google map). They were all gathered together near that big green box and sign.

D: Were they on the corner, in the street?

[redacted]: No, they were up in the field a little bit.

D: How many cops did you see?

[redacted]: I want to say seven or eight. I saw one plain clothes guy for sure.

D: How many cop cars?

[redacted]: They were coming, that's why I was saying we needed to get over there.

D: Do you remember what time it was?

[redacted]: It was 10 maybe 10:05.

D: And where were you parked at?

[redacted]: We were at the light right here (pointing to the south/west corner of Truxel Rd and Sports Parkway/Terracina on the Google map). We were trying to get out of there down Truxel (south bound).

D: Did you guys actually see what happened or did you leave before everything happened?

[redacted]: Yeah, we saw what was going on then we left grabbed something to eat and then came back.

D: Why were all those cops in the field?

[redacted]: A Mexican gentleman, it looked like a Mexican dude was standing there. They were all facing him. I heard the taser go off.

D: Did you have your windows down?

[redacted]: Actually I think they were up actually. You know I don't remember because now that I think about it I didn't hear a bunch of yelling. If I did I don't recall it so that makes me think my window was up.

D: Can you hear the sirens coming?

[redacted]: Yeah I could but I could see them coming.

D: Can you describe the Hispanic guy they were talking to?

[redacted]: He was real thin and he had on some brown clothes; just real slim. I heard that taser though or maybe when I looked over I saw the officer with the taser; they tased him. He didn't go down. It looked like he got very upset.

D: Do you remember the officers saying anything to this guy?

[redacted]: No. I really don't. I don't know what it was. It was just real fast.

D: Could you see what the Hispanic guy was doing or saying?

[redacted]: No. It just looked like he was giving them some mouth; saying something.

D: Could you see how far he was standing from the officers?

[redacted]: Maybe about 4-5 feet. Wait maybe 6-7 feet (stands up and measures his distance between room and cabinets outside of room). It's actually maybe closer to 8 to 10 feet.

D: Could you see if he was moving towards them or walking towards them?

[redacted]: He wasn't walking towards them until after they tased him. Now, after they tased him...

D: So he gets tased, he is looking angry and starts walking towers them?

[redacted]: Yeah (laughing). [redacted] actually said they had just began bagged him. It wasn't until after I heard all the shots that I said that he got shot. [redacted] was like wait let's see what's going on and I was just like let's go.

D: When they fire the taser you could see it or hear it?

[redacted]: I could hear it and then when I looked I could see that he was tased. I told [redacted] oh look they just tased him.

D: What did you see?

[redacted]: It didn't look like it did anything to him. That's when I saw him like try and go towards the officers.

D: So, when he gets tased it doesn't look like it has any effect on him and that is when he starts to move towards the officers?

[redacted]: Mmhmm (which I understood to mean yes). And that's when I heard all the shots. After they tased him that's when he started coming towards him.

And then I heard all the shots after he was coming towards them...It was real rapid and we saw one officer with a shot gun and one with a taser. It looked like there were a couple with the guy with the shot gun and a couple on the other side.

D: Do you remember anything else?

[redacted]: Actually, I saw a white car parked in the street. I thought this guy had been pulled over or something. I told [redacted] oh look they just pulled this guy over. But the dude was actually away from the vehicle in the field.

D: Can you describe to me where the officers were when the shooting happened?

[redacted]: They were basically in a circle with two or three cops on this side and a couple more on this other side.

D: So just to make sure I have it all you have told me that the cops around this guy in a half circle about 8 to 10 feet away. The guy is saying something but you can't hear what it is. The guy is tased and it has no effect on him. He comes towards the officers and he gets shot.

[redacted]: It may have been closer; maybe 6 to 8 feet away.

D: Could you tell if the taser had any effect on him?

[redacted]: It looked like it wasn't shit to him. I was shocked; you're supposed to hit the ground.

D: Did you hear how many shots or can you describe how it sounded when the shots were fired?

[redacted]: It was very quick shots. I couldn't tell if the shotgun was shot though.

D: What happened next?

[redacted]: We left. We knew all the cops were coming so we went back to the parking lot.

D: Could you see if the Mexican guy was doing anything?

[redacted]: No. He was just standing there.

Subject [redacted] statement
Author 122 - BULLARD, RYAN 4007
Related Date Oct-28-2010 12:40

On 10/28/10, approx. 1240 hrs, while at 5770 Freeport Blvd, Interview Room #2, I, Det. Bullard (#375) interviewed [redacted]. He related the following to me in summary which was video-recorded:

I've been working at Arco Arena for ten years as a security officer. I sit at the toll plaza outside where the cars come into the arena. As the two groundskeepers were driving out and I couldn't see the activity happening. The groundskeepers stopped and asked me, "What's going on?". I came out and looked. Several police cars pulled in and the officers kind of fanned out (motioning in a half-circle motion on the table with his hands) with their guns drawn (holding both hands together, pointed forward). I immediately went back to the booth and got on the phone and called inside to the HQ desk, "Serious police activity at the east entrance, possible guns drawn".

At that time I hung up the phone and walked back out like five steps out of my booth when I heard gunshots, "Bap bap bap bap!", approximately ten to fifteen, I don't know. It happened very fast. I looked and I saw the tail-end of the shoot. From my distance, I couldn't tell, I never saw a body, I never saw a body hit the ground. I never saw a person that they were actually shooting at. Right then, I turned back, got the phone, "Shots fired! They just fired!". And then I went back out to look and officers still had their guns drawn (holding both hands together, pointed forward).

One of them as I recall was plain clothes, I remember seeing yellow stripes (indicating horizontal stripes on the torso with his hands). There was probably five officers, it's hard to say. All the other officers were in full uniform. Maybe between four and seven but I did see several officers, like four or five guns drawn.

At that time, people driving in, "What's going on? what's going on?". I was like, "I don't know, police activity". I went back and looked and a few of them still had their guns drawn and at this time sirens, from every direction, more cars coming, police officers.

I don't know how long after that, they stepped back and you could see them talking. I didn't see anyone approach the body at any time.

I clarified if [redacted] actually saw a body

I didn't actually see a body. I mean I saw them pointing I couldn't identify who they were pointing at. I couldn't tell if it was white, black,

male, Asian, female, I couldn't tell you that right now.

I showed a googlemaps.com satellite image black/white printout of the location of the shooting at Truxel Rd/ Terracina Dr. The image included the eastern portion of Arco arena in order for [redacted] to show me where he was when the shooting occurred

Ok so I was sitting right here in the is booth (I marked an "x" on a small structure that was on Sports Pkwy just north of "E. Entrance" and approx. 500-600 feet away from the N/W corner of Truxel Rd/ Terracina Dr according to googlemaps.com). This is where I viewed everything from (indicating the N/E corner of the booth). I stepped onto the north side of that booth to see. Everything happened right there (pointing at the N/W corner of Truxel Rd/ Terracina Dr). I had an unobstructed view from the north side of that booth I was at. It's over fifty yards, a hundred? mmm I don't know, seventy five?

As [redacted] was wearing prescription glasses, I clarified on whether he was near-sighted or whether he was far-sighted

I can't see the distance without the glasses, so I'm near-sighted. I was wearing my glasses the whole time. I didn't have any trouble seeing what happened, I could see the officers, I could identify the officers, the guns, saw the arms out (pointing again with both hands). This happened after ten I know that. Maybe 10:30 to 11:00? I can't be sure.

The first thing that drew my attention to what was happening out there today were these guys (motioning in the rooms next door to (W) [redacted] and [redacted] they're groundskeepers. They were leaving out through the toll plaza here (indicating the booth he was at). They said, "[redacted] what's going on out there?". I was in the booth. [redacted] ([redacted] was driving and he said, "[redacted] what's going on out there?" (pointing with his right finger). And he was referring to the police activity. That's when I got out and looked, saw the guns drawn and then immediately ran back in and called, I didn't want to say it over the radio. There was three to five officers that I saw at first. I can't be exact on the number. I noticed the plain clothes officer at the time. The uniformed officers were dressed in black, full police uniform, fully visible to me. The plain clothes officer had white with yellow stripes on. I assumed he was an officer because he was standing next to an officer, pointing his gun in the same direction which made me assume he was a police officer. I saw all handguns drawn. They were all in a semi U-shape, like this guy pointing this way (motioning with both hands angled inward) and this guy pointing this way. They were pointing toward the street from what I could tell, kind of north I guess.

The officers were all here (using my pen to indicate at the N/W corner of Truxel Rd/ Terracina Dr). I didn't hear anything coming from that direction where the officers were before the shooting. I could not see who or what they were pointing their guns at. There's also a big green box or

transformer, there's a big sign that says "Buzz Oates" or something like that, or may say "Kings" on it, a banner. The activity was all within that area where all that stuff was. So I don't know if the suspect was behind the transformer but I never seen the officers drawn, they had the stance (motioning with both hands in a pointing motion again) with both arms out, with the guns out.

I never saw the officers actually firing, it was simulaneous of turning the corner at my booth and then hearing the shots come from where the officers were. It was less than thirty seconds from when I first saw or noticed the officers up to when I heard the shots.

After the shooting, I asked [redacted]) and [redacted] if they saw what happened and they told me, "Yes" and they told me they were sitting at the stop light right here (indicating the intersection of Truxel/Terracina) when it happened. [redacted] called me on the radio saying, "Dude they just shot that guy!". And I said, "Let's keep that off the radio".

I don't know of any incidents before this of any suspicious individuals in the area. We have strange people come and go through there on a daily basis but as of this morning with the police looking for a certain suspect regarding somebody with a knife? which was a statement that came out. I didn't know anything about that before this, no. There was a statement issued I believe by the police department that there was an incident at a school. Our media representative sent an email out about the east toll booth being closed due to police activity until further notice. This was this morning right after the shooting.

I did take a picture with my I-phone after the incident from where I was and the motor officer looked at it and could tell there was nothing significant in the photo and I decided to delete it because it wouldn't be a good idea to have that.

INVESTIGATIVE FOLLOW-UP:
WITNESS [redacted] STATEMENT:

On 10-28-10, at approx. 1315 hrs., I spoke to witness [redacted] in a private interview room (Room #5). The interview was audio/video tape recorded. [redacted] told me the following in summary:

[redacted] (witness [redacted]) and [redacted] (witness [redacted]) and I were getting ready to leave for lunch. We were at the toll plaza. I pointed it out to [redacted] and commented that they had a traffic stop going on. However, after I started thinking about it, it occurred to me that there were an awful lot of cops down there for just a traffic stop. I saw a car stopped in the road and then I could see that the Officers had their guns up, so I figured it must be a felony stop.

We had to go that direction anyway, so we headed E/B, out of the Arco Arena parking lot, toward Truxel. I could see a lot of cops down by the East entrance. We made it to the corner, where the stop light at Truxel is, in probably less than 30 seconds. It's not far. We were going to make a right turn onto Truxel and we were stopped at the light. [redacted] was driving and I was in the front passenger seat. There was no one else in the car with us. [redacted] was looking right and left, getting ready to make a right turn, but I was still watching the whole incident that was occurring with the Officers.

I had a clear view through the back passenger side window of [redacted] vehicle. There wasn't anything obstructing my view. I heard somebody say something about a taser, such as, "Taser him!" or "I have a taser!" and then I saw wires deploy. [redacted] window was about half way down, so that's how I could hear.

I was about 150 feet away from the corner where they (the Officers and the suspect) were standing. I don't know how many Officers there were, I didn't count them, but they were off the asphalt and in the dirt area, on the corner. The Officers were in a semi-circle formation, facing the suspect (W/B)
.
The suspect was standing, with his hands at his sides, facing the Officers (E/B facing Truxel). He seemed to be deeper in the lot and then he started coming toward the Officers. As he came at them, he looked like he was in an

"aggravated state," like he was gonna lunge at the Officers.

[[redacted] described the suspect as having his hands down pretty close to his sides and and at times puffed them up, slightly, in an aggressive manner, almost as if making a gesture that communicated, "C'mon what's up?!"]

That's when I heard someone say something about the taser. The suspect could have had something in his hands, but I couldn't tell for sure. When I saw the taser wires deploy, I assume the wires hit the suspect, because I could see him kind of stop and step back and then he became even more agitated and kind of "puffed up" and rushed the Officers again. He made it about 2-3 feet closer to the Officers, before I heard a "Pop, pop, pop." It all happened pretty damn quick.

At this point, [redacted] was turning right onto Truxel and I was turning my head to continue to watch what was going on. I saw the suspect go down on the ground after the shots were fired. I heard at least a half dozen, probably more shots. All of the shots were close together, instantaneous. There was one Officer who put his shotgun down, and pulled his handgun, after the shots were fired. Once the suspect went down, the Officers all slowly approached the guy. I saw another Officer, who was walking toward the suspect, kick something that was on the ground. It appeared that he kicked it in a S/W direction. I couldn't see what it was that he kicked.

[redacted] made a right turn onto Truxel, and we knew this guy had been shot. We kind of didn't want to get involved with it, but we knew we were already involved because we were witnesses. So we went to get lunch first. We went to the Burger King near the truck stop and got something to go. We ate in the car on the way back. We weren't gone for more than a half hour. We had our radio on, so we knew that the area had been cordoned off. We went into Arco the back way and then a while later we found out that the Police Officers wanted to talk to us.

I vision at far distances is pretty good. I had, what I consider an unobscured view. There was a green [electrical] box there, but it wasn't blocking my view. I could not see if there was anything in the suspect's hands, because I was too far away, but after I heard the shots I figured he must have had something in his hands. I don't know what race he was. He could have been Hispanic or Indian. He seemed to have a darker complexion that I have. I believe he had on tan pants and a light shirt or jacket. I can tell you that this guy is not someone that I would want walking up on me out there. He looked kinda scruffy. He kinda reminded me of one of these guys on T.V. who are "whacked out" or "under the influence" of drugs.

NOTIFICATION:

On 10/28/10, at approximately 1015 hours, information was slowly relayed to investigations about an officer involved shooting in north Sacramento. At 1021 hours, I answered a call from Sacramento Police Communications Center of a homicide call-out for the officer involved shooting. I was advised that the location detectives were needed was at Truxel Rd. at Terracina Dr. on the east side of Arco Arena. Limited information was available, however it was confirmed that Capt. Maccoun and four to five additional officers were all involved and the suspect was deceased. I advised dispatch that myself and the following sergeants and detectives would be responding: Det. Sgts. Martinson and Campbell, Dets. Englefield, Bales, Shrum, Vigon, Kirtlan, Merten, Burke, Higgins, Beery and Bullard.

ARRIVAL AND SCENE:

I arrived at the scene at approximately 1114 hours. The scene was determined to be on the northwest corner of Truxel Rd. and Arco Arena East Entry Parkway and was secured by officers, CSOs and crime scene tape.

When I arrived, Det. Englefield advised me that a photographer had photographs of the scene immediately after the shooting and wanted to turn those photos over to us. I retrieved my person computer from my vehicle and I downloaded the photos from the photographer's SD card to my computer. Det. Englefield obtained a statement and identifying information from the witness and returned his SD card to him. Det. Englefield later copied the photos to his thumb drive and a cd for evidence.

At approximately 1127 hours, Sgt. Pettit conducted the briefing for detectives, management, Internal Affairs, DA Investigators and the OPSA representative. At that time we learned the involved officers, in addition to Capt. Maccoun, were Rafiq, Cuevas, Gutierrez and Kroupa. Per Pettit there had been a 245 the prior evening at 1945 hours at Natomas Park School. A possible transient or mentally unstable person had threatened a male teen with a knife then left the area on foot. Officers had been unable to locate the suspect the previous evening and were still looking for him prior to the shooting.

Pettit stated that Capt. Maccoun had been in the area actively looking for the 245 suspect and spotted him walking south on Truxel from Del Paso Rd. and requested additional marked units respond for contact. The additional involved officers arrived, attempted contact and determined the suspect was armed with a cutting instrument. At approximately 1007 hours, Ofc. Kroupa

deployed his CED which was ineffective and emergency medical response was requested prior to the shooting. At approximately 1008 hours, it was broadcast via radio that there were shots fired.

NCU Dets. arrived shortly thereafter and began a canvass of the apartments nearby for witnesses. Arco Arena security had a portion of the events on their surveillance video and made a copy. All ICC videos were pulled from the officers vehicle and turned over to Det. Beery along with the Arco video.

Det. Bullard coordinated transporting three Arco Arena employee witnesses to HOJ for interviews. Det. Beery transported the videos to HOJ and I later assisted in queing the video for review by the involved officers.

DEPARTURE:

At approximately 1200 hours, I departed the scene and responded to the Sacramento Police Armory to obtain replacement weapons for the involved officers. A service weapon for Capt. Maccoun was not ready but the other weapons were and I transported them to HOJ and delivered them to Sgt. Campbell.

At approximately 1315 hours, I showed each of the ICC videos to the involved officers and their counsel as a group in the Popovich Room. I also showed the Arco surveillance video. No officers or counsel discussed the video as it was shown or any of the events while I was present.

At approximately 1335 hours, I was notified by Lt. Johnson of another officer-involved shooting (SPD 10-324355) in north Sacramento at Nogales St. and Osmer Ln. I was asked to clear from this case and respond to begin the investigation on that case.

As soon as Dets. Beery, Bullard, Vigon and Montoya completed their interviews I had them clear from the case as well.

Investigative Follow-up:

At approximately 1039 hours, 10/28/10, Sgt. Stigerts advised Homicide/Felony Assault detectives that there had been an officer involved shooting on Truxel at Terracina near the east entrance to Arco Arena. We were told that there had been an assault with the knife at Natomas Park school last night and the subject shot fit the description of the suspect from the assault. I located that call (10-323706)

Detective Burke and I were asked to respond to assist in the investigation. we responded and arrived at 1109 hours. Upon arrival we observed the crime scene to be secured by uniformed police and community service officers as well as yellow crime scene tape.

At approximately 1127 hours, Sgt. Pettit gave a briefing of the circumstances known to him at that time. Sgt. Pettit stated the following in summary:

At approximately 1001 hours, Captain Maccoun advised via radio that he had spotted a subject who fit the description from a 245 call last night that occurred at a nearby school. In that call the suspect had held a knife to the throat of a juvenile. Officers Rafiq, Cuevas, Gutierrez and Kroupa responded to assist. The subject was contacted and observed to have a knife in his hand. The suspect charged officers. The suspect was tazed at 1007 hours but continued charging the officers and was then shot. The suspect was pronounced dead at 1010 hours. There were several witnesses located and Arco Arena had a video of a portion of the incident.

At approximately 1156 a walk-through was conducted with Captain Maccoun. Present for the walk-through were three SPOA attorneys, Sgt. Little, DA Investigator Sullivan, Sgt. Martinson and I. Captain Maccoun showed us his approximate position when he fired and said he fired approximately 4-6 rounds. Sgt. Martinson marked Captain Maccoun's position and CSI Forbes took photos of his position. (Photo numbers 97-106)

At approximately 1412 hours, I interviewed Captain Maccoun and obtained his statement. I subsequently received e-mails from him that he had read or sent this morning regarding the assault with the knife at the school. I booked a copy of the emails.

Sgt. Farnsworth gave Sgt. Campbell a CD containing the video from the school. Sgt. Campbell gave it to me and I booked it as evidence.

Detective Burke informed me that the suspect had been identified as Zachary Ragan and that he had outstanding warrant for assault with a deadly weapon out of Butte County. I obtained a copy of the report and talked with Butte County Detective Tim Morris. Morris advised me that Ragan had stolen a truck in Oroville and the stolen vehicle ([redacted]) had been recovered in Sacramento. I ran that license plate. It had been recovered in the parking lot of Natomas Park school this morning at approximately 0232 hrs. after a neighbor had called in and stated they believed it was related to the earlier assault at the school. (10-323968)

I printed out copies of Ragan's photo and showed it to the victim and several witnesses from last nights assault case after giving them an admonishment. All contacts with the witnesses were digitally recorded.

At approximately 1832 hrs. Detective Kirtlan and I talked with [redacted] in front of her house. I showed her a picture of Ragan and she stated, "Looks somewhat like him."

At approximately 1834 hrs. Detective Kirtlan and I talked with [redacted] in front of her house. I showed her a picture of Ragan and she stated, "That's him."

At approximately 1850 hrs. Detective Kirtlan and I talked with [redacted] in the kitchen of his house. I showed him a picture of Ragan and he stated, "Looks like him."

At approximately 1859 hrs. Detective Kirtlan and I talked with victim [redacted] in the dining room of his house. I showed him a picture of Ragan and he stated, "Yeah it looks like him.It was pretty dark."

It should be noted that all of the witnesses and and their families had heard about the officer involved shooting and it's connection with the assault at the school.

At approximately 0940 hours, 10/29/10, I met with CSI Forbes at Hirst Tow. CSI Forbes took photo's of the stolen truck and processed it for prints and DNA. I searched the car and located a metal railroad spike on the front seat. I had CSI take this as evidence since an unknown object had been used to stab the victim in the Butte case.

On the morning of 11/1/10, I was forwarded an email from [redacted] of the video from the school. I made a copy of the files on a CD and booked it as evidence. I obtained copies of the Butte and Oroville Police reports.

On 10/28/10 at approx 1230hrs I was contacted by Det Sgt Stigerts and requested to respond back to the SPD Homicide Office regarding an officer involved shooting that had taken place earlier in the day near the corner of Truxel Rd and Terracina Dr. Upon my arrival I was met by Det Sgt Stigerts, Det Beery and Det Bullard.

Det Sgt Stigerts advised me that at approx 1000hrs SPD Officers had attempted to contact a subject in the area of Truxel Rd and Terracina Dr as he matched the description of an assault suspect. According to Sgt Stigerts the subject was not compliant officers and was armed with some type of knife like object. Officers attempted to gain compliance and eventually tased the subject. The taser did not help the officers gain compliance and the subject charged the officers. The suspect was shot by responding officers.

I was requested to interview Witness [redacted] who was already sitting in interview room #4.

At approx 1240hrs I contacted Witness [redacted] inside of interview room #4 and obtained his statement (see attached for full details). During this interview (W) [redacted] advised me that he was waiting to turn south bound at the intersection of Terracina- Sports Parkway and Truxel Rd. He advised that he observed several cops in a half circle around a Hispanic subject. He advised that although he could not hear what was being said due to his window being up he could see that the Hispanic guy was saying something. He then advised that this guy was tased but it had no effect on him and he charged officers. He then advised that he heard multiple shots being fired and the suspect fell to the ground. He advised that he was not close enough to identify the suspect nor could he hear what was being said between the officers and the suspect.

During this interview I showed the (W) a black and white print out of the area (Google map), which the victim used for reference (later booked into evidence).

I, Det Burke #474, am assigned to the Office of Investigations, Homicide Unit. My duties include the investigation of homicides and officer-involved shootings.

On 10/28/10, at 1039 hrs, Sgt Stigerts of the Felony Assaults Unit advised detectives that there was an officer-involved shooting in the North Natomas area. She advised that the incident occurred near the Arco Arena, and requested detectives respond to Truxel Rd / Terracina Dr to meet with patrol units for a briefing.

Det Higgins and I responded to the location and arrived at 1106 hrs, at which point we checked in with the scene recorder, CSO Vang #8197. There was yellow crimes scene tape securing the scene, and Truxel Rd was completely shut down to through traffic. I observed a deceased individual in the dirt area northwest of the intersection. Sacramento Fire Department Grass-18 was parked near the northwest corner of Truxel Rd / Terracina Dr, and several marked police cars were also parked near the corner at the east entrance to Arco Arena. There was also a cream colored Chrysler 300 parked on the west curb of Truxel Rd, north of Terracina Dr. I observed several SPD Command Staff, attorneys, SPOA representatives, Sacramento County District Attorney staff, and City of Sacramento staff on the scene.

At 1127 hrs, Patrol Sgt Pettit briefed investigators on the circumstances surrounding the shooting. He gave the following summary of events:

Last night, there was an assault call in which a MWA held a knife to the neck of a juvenile at a function nearby. At 1001 hrs this morning, Captain Maccoun spotted a subject matching the description of the suspect from last night's 245 PC call. The subject was walking in the area of Truxel Rd, and Captain Maccoun called units to assist. The following officers responded and were involved in the incident: Ofc Rafiq, Ofc Cuevas, Ofc Gutierrez, Ofc Kroupa. The suspect pulled out a knife, and officers gave him verbal commands. The subject did not respond to the commands, and a Tazer was deployed. The Tazer was ineffective, and the subject charged at officers. Each of the officers fired their weapons at the suspect. At 1008 hrs, a broadcast was made that shots had been fired. Paramedics were requested, and pronounced the suspect deceased.

Prior to clearing the scene, a walk-through was conducted with each of the officers. I conducted a walk-through with Ofc Cuevas, as I was assigned to conduct an interview of him. He pointed to the area he remembered standing when the incident occurred, indicating where he fired his weapon from. The location Ofc Cuevas indicated was on the northwest

corner of Truxel Rd / Terracina Dr, approximately 15-30 feet south and slightly east of the suspect. CSI took photographs of the location, and a placard was used to indicate Ofc Cuevas' location during the incident.

At 1340 hrs, Det Higgins handed me a video on compact disc that was obtained from school surveillance regarding the previous night's incident. I made copies of the video for the case and returned them to Det Higgins.

At approximately 1600 hrs, I conducted an interview of Ofc Cuevas. Ofc Cuevas was accompanied by Attorney Sean Howell. Prior to the interview, CSI Boyd obtained photos of Ofc Cuevas. Sgt Campbell unloaded Ofc Cuevas' duty weapon and counted the rounds. A copy of this interview is on DVD and was booked into evidence.

Officer Kroupa showed Detective Sgt. Martinson his approximate location during the incident. Officer Kroupa stated he remembered firing 4 to 6 rounds from his firearm.

At approximately 1213 hrs, I walked with Officer Kroupa to his squad car (#11013) that was parked facing southbound on Truxel along the west curb line to the north of where the shooting occurred. Officer Kroupa retrieved his wallet from within his squad car.

I returned to Sacramento Police headquarters to assist with interviews. At approximately 1340 hrs, I reviewed in car camera video of the incident along with other detectives.

At approximately 1630 hrs, I interviewed Officer Jesse Kroupa in interview room #4. Officer Kroupa was represented by Dan McNamara from the Mastagni Law Firm. The interview was audio and video recorded. Prior to the interview starting, Sgt. Campbell unloaded and counted the amount of ammunition that Officer Kroupa had on his duty belt. Sgt. Campbell then unloaded Officer Kroupa's department issued firearm and counted the rounds. CSI Boyd photographed the magazines and ammunition.

Later in the evening, I went with Det. Higgins to contact victims / witnesses to the 245 PC case from 10/27/10. Please refer to Det. Higgins observations for details of our contacts.

On 10/29/10 at approximately 1030 hrs, I was contacted by Det. Hunkapillar of the family abuse unit. Det. Hunkapillar was familiar with Zachary Ragan Sr. Det. Hunkapillar advised me that Ragan Sr. has a son named [redacted]. I conducted a computer check on [redacted] I

On 10/28/10, I (Detective Merten) was assigned as a homicide detective with the Sacramento Police Department. At approximately 1030 hours, I was advised of an officer involved shooting that had just occurred at Truxel/Terracina. At approximately 1039 hours, Sgt. Stigerts conducted a briefing at the Hall of Justice. Sgt. Stigerts advised that SPD Captain Maccoun had observed a 245 suspect in the area of Truxel/Terracina. Officers arrived on scene and attempted to detain the suspect. Sgt. Stigerts advised that the suspect charged at officers with a knife and that he was shot multiple times. Sgt. Stigerta advised that the suspect was deceased. Sgt. Stigerts advised that there had been a call for service on 10/27/10 at Natomas Park School regarding a subject who held a knife to a juvenile's throat. The subject fled on foot and was not located by patrol officers. The subject was described as having many tattoos, including on his head.

At approximately 1106 hours, Detective Kirtlan and I arrived in the area of Del Paso Road/Truxel. The area was secured with numerous marked patrol vehicles, uniformed patrol officers and yellow crime scene tape. We drove s/b on Truxel Road and parked approximately 200 yards north of intersection with Arco Arena East Entry.

The intersection of Truxel Road/Terracina/Arco Arena East Entry is a four way intersection. The n/w corner of Truxel/Arco Arena East Entry is an open dirt field that extends to Del Paso Road. I observed five patrol vehicles parked on the roadway just east and south of the dirt lot. I observed an unmarked SPD vehicle and SFD Grass Rig parked in the s/b lanes of Truxel Road. I observed an unknown male white, lying on his back in the dirt field that is located at the n/w corner of the intersection Truxel Road/Arco Arena East Entry.

On the east side of Truxel Road at the intersection of Terracina, I observed the Granite Point Apartments. The apartments were located at the n/w corner of Truxel Road/Terracina.

At approximately 1127 hours, SPD Patrol Sgt. Petit conducted a briefing as to the facts that were known to him at that time. Sgt. Petit stated the following in summary:

On 10/27/10 at approximately 1949 hours, SPD officers responded to Natomas Park School regarding a subject who held a knife to a victim's throat. The subject fled prior to the officer's arrival and a description was broadcast.

On 10/28/10, at approximately 1001 hours, SPD Captain Jim Maccoun observed a subject who matched the description of the 245 suspect from the night before walking s/b on the west side of Truxel Road, just prior to Arco Arena East Entry. SPD Officer Rafik, SPD Officer Cuevas, SPD Officer Gutierrez and SPD Officer Kroupa responded to the area to contact the subject.

At approximately 1007, SPD Officer Kroupa deployed his CED numerous times. The CED was ineffective and at approximately 1008 hours, officers advised that shots had been fired.

SFD Medic 30 and Grass 18 responded to the scene and pronounced the subject deceased at approximately 1014 hours.

Two witnesses who were employees at Arco Arena had been contacted and were standing by for detectives.

Arco Arena Security advised that they had video of the incident.

At approximately 1200 hours, I conducted a walk thru of the scene with Officer Jabier Gutierrez and his attorney, Sean Howell. Officer Gutierrez advised that he believed that he fired 3 rounds and that he was standing approximately 3' south of where a pair of gloves were lying in the dirt field.

Officer Gutierrez advised that he had arrived on scene in SPD patrol vehicle 11014. At approximately 1211 hours, I allowed Officer Gutierrez to remove his lunch from the front seat of his patrol vehicle.

At approximately 1229 hours, Detective Kirtlan and I departed the crime scene and returned to the Hall of Justice to conduct interviews.

At approximately 1340 hours, I watched a portion of the surveillance video from Arco Arena. The video was grainy and did not record the entire incident.

At approximately 1500 hours, I brought Officer Jabier Gutierrez and his attorney into interview room #5 at the Hall of Justice. I exited the interview room while CSI Boyd took photographs of Officer Gutierrez. Sgt. Campbell conducted a round count of all of Officer Gutierrez's live rounds. (See Sgt. INVESTIGATIVE FOLLOW-UP:

On 10-28-10, at approx. 1022 hrs., I, Detective Beery #248, was advised by the Felony Assaults Sgt. M. Stigerts, that Detectives were being called out on an Officer involved shooting, near Arco Arena (Truxel Rd. and Terracina).

On 10-28-10, I arrived on scene at approx. 1055 hrs. At approx. 1125 hrs., I was briefed by Sgt. Pettit regarding the facts and circumstances known to the Police, at the time of the briefing. We were advised that in the evening hours, on 10-27-10 there was a Police call for service at Natomas Park Middle School, advising that a MWA suspect had held a knife to the throat of one of the students. (report #10-323706).

On 10-28-10, Captain MacCoun had been in the area of Truxel and Terracina when he saw a MWA subject who resembled the description of the suspect from the Natomas Park Middle School incident, walking along the side of the road. Capt. MacCoun called for back-up units and when additional Officers arrived, Officers attempted to make contact with the suspect. The suspect brandished some type of knife, and then "charged" at the Officers. A C.E.D. was deployed by one of the Officers, however, it did not appear to affect the suspect, as he continued to charge the Officers. Multiple Officers fired their weapons at the suspect.

We were advised that the Officers involved were:
Officer M. Cuevas #318 (BV18)
Officer M. Rafiq #808 (BV124)
Officer J. Gutierrez #317 (BV317)
Officer J. Kroupa #265 (BV22)
Captain J. MacCoun #5070

On 10-28-10, I was instructed by Sgt. Campbell to collect all ICC (In Car Camera) tapes from all patrol vehicles present during the shooting. In addition, there was an Arco video tape that had already been provided to patrol, by Arco Arena staff. Sgt. Campbell requested that I copy all relavent video footage, from the ICC tapes, to DVD, for easier viewing. Campbell also requested that I stay at HOJ and assist with witness interviews after copying the tapes. Sgt. Pettit also advised that one of the school administrators at Natomas Middle School had a video tape that he was working to "clean up" due to its grainy nature. He advised that the suspect can be seen on that video footage. I asked Pettit to have an Officer pick up the DVD and advised me when it was available.

On 10-28-10, at approx. 1136 hrs., I collected all ICC tapes from Officer Neri #594. Neri advised that the best footage could probably be seen from car #11014. I collected the Arco Arena tape from Sgt. Pettit. I kept all tapes in the locked trunk of my undercover vehicle until I arrived at HOJ. On 10-28-10, at approx. 1200 hrs. I transported witness [redacted] to HOJ for an interview.

On 10-28-10, I arrived at HOJ and took all ICC tapes to the audio/visual room, where I attempted to make copies. The DVD player and DVD copier wires were not attached, so Detective Englefield and Sgt. Stigerts took over the task of making DVD copies, while I assisted in interviewing witnesses that had been brought down to HOJ. Later, all ICC tapes and Arco Arena tapes were given to Sgt. Campbell.

On 10-28-10, at approx. 1316 hrs. I obtained a statement from witness [redacted] [see attached [redacted] statement supplement]

On 10-29-10, I received an email from CSO P. Vang who advised that she'd received an email from [redacted] at Natomas School with attachments containing the video footage of the suspect from 10-27-10 at approx. 1950 hrs. I forwarded these emails and attachments to Sgt. Campbell who had already taken possession of all ICC tapes and the Arco Arena tape.

The Sacramento Police Department was at this location and Sacramento Police Officers had been involved in the shooting of a suspect who had been armed with a sharp object and who was believed to be involved in an assault with a deadly weapon at Natomas Park School on Wednesday, 10-27-2010 (case 10-232706). Sacramento Police had been actively searching for the responsible suspect.

I was informed that Sacramento Fire Department (SFD) Grass Truck 18 and Medic 30 responded to the above location after being called for by the Sacramento Police Department. SFD personnel declared the victim deceased on scene at 1014 hrs. Patrol officers secured the scene, and a homicide call-out was initiated.

The following investigators from the homicide and felony assaults units responded:

ARRIVAL:

At approximately 1100 hours, I arrived on scene and checked in with the

Crime Scene Recorder - CSO P. Vang #8197 (2CS20). There were multiple City and Police personnel at the scene upon my arrival including Patrol Lieutenant Reese #4078 (LN16), Patrol Sergeant Pettit #3069 (2SM1), as well as several patrol officers and/or CSOs. Lead CSI Noonan #6377 (CSI37), Lovitto #6391 (CSI33), and Forbes #6358 (CSI14) also responded to the scene for processing (see CSI call #2010-324213). CSO Pang was assigned to identify personnel at the scene (see Crime Scene Log). Personnel were not inside the area of the shooting on the northwest corner of Truxel Road and Arco Arena East Entrance Drive and attempts were made to limit entry to this area to the walk-through with the involved officers and representatives and a limited investigative team and then necessary personnel to investigate and process the scene.

BRIEFING:

At 1127 hours, once the homicide /shooting investigation team was present, Sergeant Pettit briefed us about the incident and the circumstances known to him at the time. The scene was secured with police barricade tape, patrol vehicles, officers, and CSOs. Investigators from other units in the Sacramento Police Department and patrol officers had begun a neighborhood canvass. Evidence (deceased, spent casings, conducted electricity device (CED), gloves, etc.) was located on scene by patrol officers and pointed out to investigators. All evidence was left in place and the investigation was turned over to the homicide team at that time.

SCENE DESCRIPTION:

The shooting incident occurred outdoors in an undeveloped field area at the northwest corner of Truxel Road and Arco Arena East Entrance Drive, located within the City and County of Sacramento. The scene lies to the east of Arco Sports Arena.

Truxel Road is an eight lane, north /south City street that runs between Del Paso Road to the north, and intersects with Arco Arena East Entry at the south side of the shooting scene. Truxel Road has pedestrian sidewalks along the west and east curbs. On Arco Arena East Entry Drive, west of Truxel Road and west of the shooting scene, there is a four lane entrance/exit with a decorative stone gateway for the Arco Sports Complex. There are raised curbs on the north and south curbs of Arco Arena East Entry. Arco Arena East Entry Drive becomes Terracina Drive on the east side of Truxel Road.

There is a large multi-unit apartment complex on the northeast corner of Truxel Road and Terracina Drive, east of the scene. The apartments, located at [redacted] Truxel Road, are known as the Granite Point Apartments. The apartment office is located at [redacted] Terracina Drive.

There is a large undeveloped field on the southeast corner of Truxel Road and Terracina Drive. South of the undeveloped field on the east side of

Truxel Road is a multi-unit apartment known as the Tuscaro Apartments.

There is a large undeveloped field on the southwest corner of Truxel Road and Arco Arena East Entrance Drive. South of the undeveloped field south of Arco Arena East Entrance Drive, there is a small business complex. The store front for the closest store in the complex faces south into a shared parking lot area.

There were four involved marked Police vehicles and one unmarked Police vehicle at the scene (see vehicle descriptions)

LEGAL ACCESS TO SCENE:

The shooting took place outdoors in an undeveloped field to the east of the Arco Arena Sports Complex. There are no fences or barriers. Arco Arena security was aware of the shooting and had already cooperated by providing video surveillance.

WALK-THROUGH:

A limited walk-through with limited investigators, the involved officers and their legal representatives including lawyers from the office of Mastagni, Holdstedt, Amick, Miller, & Johnsen (Daniel McNamara, Sean Howell, and Jeff Edwards), and CSI was conducted. Officers indicated their approximate positions and the direction they were facing at the time of the incident. Det. Sgt. Martinson marked the location and direction of the officers as provided by the involved officers with colored triangles that were labeled with the name of the officer. I was not part of the walk-through.

SCENE LIGHTING:

The lighting at the time of the investigation was bright and sunny. There were few clouds overhead.

The scene was processed under daylight conditions.

WEATHER / TEMPERATURE FACTORS:

The weather conditions near the time of the incident were listed on 'The Weather Channel' at:
http://www.weather.com/outlook/travel/businesstraveler/pastweather/hourly/SMF (Sacramento International Airport), as:

DATE: 10-28-2010
TIME: 10:05 PM PST
TEMPERATURE: 65 degrees Fahrenheit

CONDITIONS: Sunny with winds from NNW 6mph

EVIDENCE OF SURVEILLANCE VIDEO:

Video surveillance had been provided by staff of Arco Arena. Video was also obtained from in car cameras from Sacramento Police Department marked patrol vehicles. The involved marked Police vehicles at the scene were #11013, #11014, #11016, and #10769.

ARIAL PHOTOS:

Det. Sgt. Campbell requested arial photos of the scene and a CHP helicopter air unit responded.

DECEASED INFORMATION:

LOCATION:

The deceased (later identified by fingerprint as Zachary James Ragan) was located on his back in an undeveloped field at the northeast corner of Truxel Road and Arco Arena East Entrance Drive.

POSITION:

Ragan was found face up with his head facing southeast and his lower body was facing northwest. His lower body was twisted to the right. Ragan had an obvious bullet wound to his left forehead. Ragan's left arm was obviously broken and twisted unnaturally.

CONDITION / CLOTHING DESCRIPTION:

Ragan was fully clothed wearing a gray sweatshirt, black jean pants, and brown and black shoes. Ragan's sweatshirt was lifted exposing his midsection. There were multiple bullet holes in Ragan's clothing. I observed a CED adhesive electrode lead attached to the front upper left portion of Ragan's sweatshirt. CED wiring was lying on the ground, east of Ragan, and leading to the CED on the ground to the east of Ragan. There were shotgun filler particles on the front of Ragan's clothing.

APPARENT WOUNDS:

Ragan sustained multiple gunshot wounds. There was visible blood in and around a large gunshot wound to Ragan's forehead. (See Coroner's report #10-04906 for full details of Ragan's injuries). There was visible blood covering Ragan's left hand and blood on the ground.

IDENTIFICATION OF THE VICTIM:

The deceased was fingerprinted by Sacramento Police CSI with permission from County Pathologist Dr. Fiore. A fingerprint later identified the deceased as Zachery James Ragan 2-7-1968 (CSI Noonan received identification call at 1512 hours). Suspect Zachery Ragan had multiple tattoos including "Sacramaniac" across his abdomen.

TIME OF DEATH:

Ragan was pronounced dead at approximately 1014 hours by Sacramento Fire Department personnel.

VEHICLE(S):

Four marked Sacramento Police vehicles and one unmarked Police vehicle were located at the scene. The vehicle locations were measured by CSI.

Marked vehicle #11013 was located in the southbound right turn lane for southbound Truxel Road to westbound Arco Arena Entry Drive. The car was north of Arco Arena Entry Drive and facing southwest towards the shooting scene.

A white unmarked Police Chrysler 300 license # [redacted] was located in the southbound right turn lane for southbound Truxel Road to westbound Arco Arena Entry Drive. The car was facing southbound and was parked in the turn lane, extending into the marked crosswalk and limit line for Truxel Road north of Arco Arena Entry Drive. The vehicle was slightly south and to the east of the deceased.

Marked vehicle #11014 was parked in the intersection of the southbound turn lane for Truxel Road and the #2 westbound lane of Arco Arena Entry Drive. The car was facing northwest towards the rounded corner of the intersection and towards the shooting scene.

Marked vehicle #11016 was parked at the north edge of the #2 lane of Arco Arena Entry Drive and in the crosswalk on the west side of Truxel Road. The car was parked facing west-northwest. The vehicle was running when I arrived and Det. Bales turned the car off and popped the hood when the radiator began to overheat.

Marked vehicle #10769 was parked northwest across the #1 and #2 westbound lanes of Arco Arena East Drive. The car was the furthest west from Truxel Road. An empty Remington pump shotgun with serial number [redacted] and SPD assigned #S373 was located in the vehicle's closed trunk. CSI Lovitto later collected the shotgun.

A sergeant's patrol car was parked in the #1 lane of Arco Arena Entry Drive west of the involved officers' vehicles. The vehicle was not part of the involved officers' vehicles and was not part of the crime scene. This vehicle was moved during the investigation.

CORONERS OFFICE:

At 1356 hours, Coroner Investigator K. Gillis and Forensic Pathologist Fiore responded to the scene to take custody of Ragan. Coroner staff M. Young and E. Arata responded for transportation of the body. For additional information regarding the manner and cause of death, see Coroner's report (Case #10-04906).

CSI PERSONNEL:

The following CSI personnel assisted in the location, identification, diagramming, photographing, and collection of evidence located at the crime scene:

Noonan #6377 (CSI37)
Lovitto #6391 (CSI33)
Forbes #6358 (CSI14)

(CSI call #2010-324213).

MEASUREMENTS AND DIAGRAM:

CSI Lovitto took measurements of the overall crime scene, including all items of evidence, and completed the crime scene diagrams.

PHOTOGRAPHS:

CSI Forbes took all photographs of the crime scene including all items of evidence.

CSI Boyd obtained photographs of the involved shooting officers and service weapons at police headquarters.

VIDEOTAPE:

I video recorded the crime scene including the various items of evidence that were collected by CSI. Det. Englefield later assisted transferring the video to DVD and I later booked the DVD into evidence at police headquarters.

As I videotaped the scene, I observed that from west to east in a semicircle surrounding the location of the deceased, the involved shooters were Rafiq, Cuevas, Gutierrez, Mccoun, and Kroupa.

At 1904 hours, CSO Cisneros brought an Arco surveillance video tape to

police headquarters and gave it to me. I secured it and later took it to M. Baker for recording/analysis. On 11/3/10, I viewed the tape with Baker and he advised it was just another copy of the surveillance that SPD had already been given. I booked this video tape into evidence.

PHYSICAL EVIDENCE:

Numerous items of evidence were documented and collected from the crime scene located at the open field on the northwest corner of Truxel Road and Arco Arena East Entry. For exact location and descriptions of evidence collected from the scene, please refer to the CSI reports, diagrams, and photographs. CSI collected all evidence at my direction and later booked it into the SPD Evidence and Property Section. All of the evidence items were assigned numbered placards and photographed, in place, with the numbered placards.

The following evidence items were collected and booked under Property Report #673317 by CSI Lovitto:

OTHER EVIDENCE COLLECTED:

Item#: Description / Location:

673405-001 LATENT FINGERPRINT/ SUSPECT RAGAN HAND

OTHER PERTINENT INFORMATION:

Initial information from interviews was that the suspect had used a box cutter. It was later determined from interviews, video, and evidence at the scene that an improvised stabbing device had been used by the suspect (item #673317-038).

The scene was thoroughly searched using a line search and followed up by a grid search.

A police K9 trained in fresh human scent searches was used in attempt to

locate a boxcutter (K9 Ofc. Hoverstein and K9 Sonic).

The grid search was conducted by CSI, Det. Sgt. Monk, Ofc. Gillian, Det. Wilson, Det. Tillotson, Det. Sgt. Lassen, Det. Sgt. Martinson, and myself.

Metal detectors were used in the grid search and one bullet was located underground (item #673317-039).

DEPARTURE:

At 1742 hours, after coordinating the evidence collection with CSI personnel, I departed the scene and returned to Police Headquarters.

AUTOPSY:

On 10-29-2010, at 0918 hours, I accompanied Det. Sgt. Martinson to an autopsy of Zachery Ragan. The Forensic Pathologist was Dr. Riber.

Ragan had prison and white supremist tattoos covering a large portion of his body.

I was present for the external examination of Ragan's body. He had multiple bullet wounds, both large (presumed .40 caliber) and small (presumed shotgun).

I viewed x-rays of the body.

I noted what appeared to be 6 large bullets and bullet and bone fragments in Ragan's shattered upper right arm. I noted 9 small mostly round metal projectiles (presumed shotgun load) in the right hip area and one in the lower spine area.

See autopsy #10-04906 for complete description of wounds and findings.

DISPATCH COMMUNICATIONS:

On 11-2-2010, I authored a Dispatch Activity Report request (SPD 878) which I sent via email to Det. Sgt. Campbell to be sent to the SPD Communications Center to obtain a copy of Radio Call #10-324198 and call #10-323706, as well as all associated connect-up calls.

On 11-5-2010, I received related Dispatch Activity Reports and audio disks (2) with the associated radio calls via inter-office mail. I booked the related reports and disks (2) into evidence.

Type 06 DETECTIVE SUPPLEMENT
Subject Det. Sgt Summary
Author 145 - CAMPBELL, KIRK 7765 ([redacted])
Related Date Nov-04-2010 9:53

Notification:

On 10-28-10 at approximately 1010 hrs I was notified by Lt. Johnson of an officer involved shooting. At 1016 hrs a homicide call out was initiated by the Comm Center and we were directed to respond to Truxel Rd at the east entrance to Arco Arena. I arrived at 1028 hrs.

Arrival:

Sgt. Petit conducted a briefing at 1127 hrs. At the conclusion of the briefing Sgt Martinson, Lead CSI Noonan and Detectives Vigon and Shrum remained at the scene. Det. Vigon inspected Officer Rafiq's shotgun and found that it was empty. Detectives Higgins, Merten, Kirtlan, Burke and Englefield responded to HOJ in order to interview the (5) involved officers. Detectives Bullard and Montoya responded to HOJ to interview witnesses. I gave Det Beery a DVD of surveillance footage from a 245 stabbing that had occurred the day before at Natomas Park Middle School (10-323706) that was given to me by Sgt. Farnsworth. Det. Beery also was given (4) in car camera videos obtained from the involved officer's vehicles. The North NCU Team consisting of Sgt. Hinz and Detectives Valdez, Hendrickson, Blynn, McCoy and [redacted] conducted a canvas of the area and interviewed witnesses onscene. I requested aerial photos be taken of the area and a CHP Helicopter responded and took the photos.

Follow Up:

I responded to HOJ where I met with Lead CSI Kathy Boyd. Photographs were taken of each of the involved officers as they appeared when the shooting occurred. I unloaded each one of the involved officer's weapons and magazines and counted the rounds. I determined that Captain Maccoun was missing (6) rounds, Officer Gutierrez was missing (6) rounds, Officer Rafiq was not missing any rounds (per Officer Rafiq he had discharged (4) rounds from his department shotgun), Officer Cuevas was missing (13) rounds and Officer Kroupa was missing (4) rounds.

I obtained the (4) VHS in car camera tapes and the VHS tape of the Arco Arena CCTV from Det. Beery and gave them to Forensic Video Tech Mike Baker and asked him to make copies of the tapes on to DVD. I viewed the surveillance footage from Natomas Park Middle School and observed the following:

Shot#1: 1946:56 - Subject matching description of Ragan walks into the

Natomas Park Middle School.

Shot#2: 1947:10-Subject walks into gym, stands in the middle of the gym floor and waves his arms. He then exits gym on the far side, opposite side of the gym where he entered.

Shot#3: 1947:13- Subject walks into gym, just has view of entry door (covers the same time period as shot #2).

Shot#4: 1947:57- Subject walks up behind a male subject (victim [redacted]) who is speaking with a female subject (witness [redacted]). The subject appears to grab [redacted] by the neck with his left hand and then hold his right hand against [redacted] throat. After a few seconds he releases [redacted] and walks away. [redacted] and [redacted] stand still for a few seconds and then go into the gym.

Shot#5: 1948:21- The subject walks inside the school towards the front of the school, he appears to be followed by another male subject (witness [redacted]

1949:37- The subject walks back toward the school and the subject that was following him is back pedaling away from him. They appear to exchange words and the subject walks away to the right.

Shot#6: 1948:50- The subject walks up to an approximate 4' high fence and starts to climb over it. He then stops and turned around and walks back the way he came.

Shot#7: 1950:47- The subject walks through the school (heavily pixilated).

Shot#8: 1952:28- The subject walks away from the school.

Shot#9: 1953:26- The subject walks through the parking lot of the school from right to left.

I reviewed the CD's containing the in car camera footage from the involved officer's vehicles. The best footage was from in car camera tape # 011623K which was labeled specimen # 03-1 on the DVD by Mike Baker. I observed the following:

0956:11 (time indicated on ICC tape)- Captain Maccoun along with Officers Gutierrez and Cuevas contact Ragan and have him at gun point. Ragan walks backward into the dirt field at the N/W corner of Truxel Rd and Arco East Entry. Officer Rafiq arrives and takes up a position next to Officer Cuevas and is the furthest to the south. Officer Gutierrez is next to Officer Cuevas who is next to Captain Maccoun who is the furthest to the north.

0957:17 Officer Koupra arrived onscene and deploys his CED. He takes up a

position next to Captain Maccoun and is now the furthest to the north. 0957:24 Officer Koupra shoots Ragan with the CED, but it is ineffective. Ragan is out of view of the camera at this point.

0957:28 Officer Koupra is observed quickly back pedaling and Ragan appears in view and is charging the officers in a crouched position. Captain Maccoun and Officers Gutierrez, Cuevas and Koupra open fire on Ragan with their 40 cal handguns, while Officer Rafiq fires with the shot gun. Ragan collapses to the ground prior to reaching the officers.

0957:45 Officer Rafiq drops the shotgun and draws his 40 cal.

0958:27 Officer Koupra holsters his 40 cal, draws his expandable baton, extends it and then approaches Ragan and appears to dislodge something from Ragan's hand. Officer Rafiq then appears to drag the object backward away from Ragan with his foot.

10-29-10

I booked the (4) DVD's containing the in car camera footage from the involved Officer's vehicles (ICC #'s 011589K, 011623K, 011590K, 011485K) and the DVD of the Arco Arena CCTV that I had obtained from Mike Baker under PR # 673408-1.

11-1-10

I reviewed a second DVD containing surveillance footage from Natomas Park Middle School that had been emailed to Det Higgins and I observed the following:

Shot # 11 0750:49- Covers the same footage from Shot # 7 from the first DVD, but is much clearer. An emblem is visible on the left side of the jacket being worn by the subject that appears to be Ragan. This is the same jacket and emblem that Ragan is wearing the next day when he is contacted by the officers at Truxel at the east entrance to Arco Arena. The other video clips cover the same footage from the first DVD of surveillance footage from the school, but are clearer.

11-2-10

I completed duplicating the (4) in car camera VHS tapes onto (4) VHS tape copies. I booked the original VHS in car camera tapes into evidence under PR # 673408-2. I turned the duplicate VHS tapes into property so they could be stored in the in car camera video storage system. I booked the original VHS tape copy from the Arco Arena CCTV into evidence under PR # 673408-3. I received a CD containing the aerial photos of the scene from the CHP Air Unit. I made (2) copies of the photos onto CD's and I booked the original CD into evidence under PR# 673408-4.

I obtained copies of crime reports from Det. Higgins from the Butte Co. Sheriff's Dept and Oroville PD that had involved suspect Zachry Ragan that had occurred on 10-26 and 10-27-10. I also reviewed a 245 PC stabbing that had occurred on 10-27-10 at Natomas Middle School where Ragan was the suspect. The following is a summary of the (3) incidents:

10/26/10 1900 hrs: 245 (a) (1) Butte Co SO

Ragan went to a self storage facility along with [redacted] (victim), [redacted] (sister of [redacted] the ex GF of Ragan) and [redacted] (daughter of [redacted] in order to move some of [redacted] belongings to the storage facility. Upon arriving at the facility Ragan walked up behind [redacted] and stabbed him in the neck with a small pocket knife for no apparent reason. [redacted] said that he barely knew Ragan and he didn't have any arguments with him what so ever. [redacted] described Ragan as getting progressively crazier and paranoid and that he was always high on prescription pills. [redacted] (who was not present during the incident) said that Ragan had been staying with her at [redacted] in [redacted] and that she had taken Ragan's revolver while he slept because he was acting crazy. She through the cylinder into the lake and kept the rest of the gun in her purse which she gave to Butte CO SO. In their investigation Butte CO interviewed another witness who described Ragan as acting depressed/crazy/paranoid and talking about hurting people who weren't there.

10/27/10 0834 hrs: 10851 VC Oroville PD

A subject matching the description of Ragan stole an orange 1993 Chevy P/U described as a former Cal Trans vehicle from [redacted] Baggett Rd in Oroville. Witnesses observed the theft and gave chase but lost the vehicle. The victim had left the keys in the vehicle.

10/27/10 1949 hrs: 245(a) (1) Sacramento PD

Ragan entered Natomas Park Middle School located 4700 Crest Dr where a church youth group was holding an event inside the gym. Ragan entered the gym holding a red plastic cup and appeared to be agitated. He then walked outside and walked up behind the victim [redacted] M/W 15 yrs of age who as speaking with a female juvenile. Ragan grabbed [redacted] by the back of the neck and held a knife to his throat with the other hand. The knife was described as a kitchen type knife with a black handle. Ragan asked [redacted] if he was "talking shit". An adult (witness [redacted]) approached the group and asked what was going on. Ragan then released [redacted] and walked out of the school as [redacted] followed him. The stolen Chevy P/U from Oroville was located behind the dumpsters. The vehicle was recovered on 10-28-10 at 0239 hrs, but was observed at the school on 10-27-10 at around 1930 hrs by a witness. The victim and (2) of the witnesses were contacted by Detectives and they positively identified Ragan as the suspect.

INVESTIGATIVE FOLLOW UP (DET. VIGON'S OBSERVATIONS)

On 10-28-10, at approx. 0940 hrs., I (Det. Vigon) was asked by Sgt. Maccoun contacting a subject related to the 245 from last night. The subject matched the description and clothing of the suspect in that incident. The subject was walking southbound on Truxel at that time. Capt. Maccoun asked for additional units. Officers Rafiq, Cuevas, Javier Gutierrez, and Kroupa responded. The subject was carrying a sharp object, possibly a box cutter, and was ordered to drop it. He did not comply. A CED was deployed , and the subject was tased. Officers were facing in a northwest direction when the subject then charged at them. The officers

then shot the subject.

At approximately 1007 hrs. the Sacramento Fire Department was requested to respond to the scene. At approximately 1008 hrs. . The officers announced that shots had been fired. Approximately 1016 hrs., Medic 30 arrived and (Medic McKahn) pronounced the subject dead.

A canvas was conducted by responding units. Two witnesses to the event were found at the apartments east of the scene. No witnesses were located at the apartments southeast of the scene. Two Arco Arena employees were also witnesses to the incident. They were identified as [redacted] and [redacted]. They were eastbound Arco Arena East to southbound Truxel Rd. at the time of the incident. All witnesses were sequestered by patrol and transported to HOJ for interviewing.

Vehicles and evidence were all left in place, as they were at the time the incident. I was instructed by Sgt. Campbell to retrieve officer Rafiq's shotgun from the trunk of his vehicle(#10769) and confirmed the condition/status of it. I retrieved the shotgun from the trunk of the vehicle and observed it to have serial number [redacted] The shotgun also had number S373 on the bottom of the trigger guard. The shotgun was empty with the action open and the safety in the off position. The shotgun was equipped with a sling and had dirt on it. I checked the trunk of the vehicle for loose, live shotgun ammunition with negative results. CSI was unable to take photos of it at that exact moment. I secured the shotgun back in the trunk and informed CSI of its location and the need to have photographs taken of it. CSI Noonan stated he would make sure photos were taken of it and of booking into evidence.

Approximately 1224 hrs., I observed the CHP helicopter overhead taking photos of the scene. The position of the vehicles I observed was as follows, from north to south, then west: vehicle 11013 facing south, furthest north on Truxel, Tan Chrysler 300(Capt. Maccoun's veh.) facing south on Truxel, 11014 facing northwest on Truxel, 11016 facing west corner of Truxel/Arco Arena East, 110769 , facing northwest on Arco Arena East, 11429 facing west on Arco Arena East. See CSI report for exact measurements.

I observed the suspect's body laying in the field northwest of the intersection of Arco Arena East and Truxel. In a semi circle southeast of the suspect's body I observed numerous spent shell casings and a yellow Taser in the dirt. The suspect's body had numerous visible gunshot wounds, including one gunshot to the head. See CSI report for exact measurements of all of the above.

At approximately 1300 hrs., I observed that the Shrum start videotaping the scene. An approximate 1308 hrs., I contacted the Sacramento County Coroner's office to inform them of the deceased suspect and the need for them to respond. I spoke with Deputy Kim Gillis , who gave me a 40 to 45

minute ETA. I approximately 1357 hrs. , Deputy Coroner Kim Gillis and pathologist Dr. Fiore arrived at the scene.

At approximately 1404 hrs. . I left the scene to respond to the second officer involved shooting in the North area. Detective Shrum remained at this scene.

I was sitting on the bus stop bench on Truxel Road just south of Del Paso Road waiting for the bus. There was a female (Witness [redacted]) sitting on the bench next to me and she too was waiting for the bus. I saw a police car go by me on southbound Truxel Road with its lights and siren on. I then saw the police car stop all the way down the street but I couldn't see what was going on because it was too far away.

Moments later I heard about 7 gun shots come from all the way south of me. Again, I was too far away to see anything. I did not see who fired the gun shots. I did not see if anyone was shot. I did not see what happened before or after the gun shots.

I came out of the booth and looked towards the intersection of Truxel Rd. and the east entrance to ARCO. I saw 4 or 5 cops standing in a fan shape and they had their guns out. They were all in uniform accept for 1 guy who was in plain clothes. I think he had on something with yellow on it. I couldn't see the suspect. He was standing by the signs on the north west corner. There were 3 patrol cars and that white car.

I ran to my booth to call the office upstairs and let them know the police had something going on on Truxel Rd. I ran back out and thats when I heard the shooting. The shots sounded all together. There were something 10, 12, or 15 shots. I couldn't really tell. I couldn't hear them saying anything. After the shooting the officers slowly approached the guy still in the fan shape. I ran back to the booth and again called the main office to tell them what had happened so we could start shutting down the road out of the arena. I really didn't see anything else. On Thursday, 10/28/10 at approx. 1006 hours, I, Ofc. Hann #682 (1B21) responded to the intersection of Truxel Rd/Terracina Dr to assist other officers with contacting a subject. While enroute to the call, I heard an officer broadcast on the radio that the subject has a knife. I accelerated my response by responding Code 3. As I was exiting onto N/B Truxel Rd from Interstate 80, I heard Ofc. Kroupa broadcast that shots had been fired and to have fire respond Code 3. I arrived on scene at approx. 1010 hours and observed the following in summary:

Upon arrival, I positioned my patrol vehicle (10699) in the S/B lanes of Truxel Rd just north of the intersection of Terracina Dr. I put up crime scene tape in front of my patrol vehicle across the S/B lanes of Truxel Rd just north of the intersection of Terracina Dr. I then put up crime scene tape on the S/W corner of the intersection. This intersection leads into the east parking lot of Arco Arena. The crime scene tape was positioned in a fashion to not allow vehicle or pedestrian traffic into or near the intersection.

After putting up the tape, I provided crime scene security on the N/W corner of the intersection. A portion of this intersection (N/W corner) could not be secured because this was a large open dirty field.

My Code 3 response was captured on ICC tape number 11643K frames:3199-3327.

I did not see this incident transpire. I reviewed my ICC footage and the incident was not captured on the ICC either.

I am a grounds keeper here at Arco Arena. A little after 1000 hours my co-worker [redacted] and I were leaving for lunch. We were over here by toll plaza 9.
We saw the police activity to the east of us, out there on Truxel. I thought it was just a traffic stop or something. [redacted] and I headed east out through the exit heading towards Truxel. As we approached Truxel, I could see several officers with their guns drawn.
I was approx. 150ft. away. [redacted] was driving the car. The guy they had their guns pointed at looked thin. He was wearing tan pants and a light colored jacket or shirt. It looked like he was charging at the officers.
He looked like he was "Puffing Up" his chest at them. He was in a very aggressive stance and he started quickly walking towards the officers.
I saw an officer taser the guy. I know this because I saw the wires come out. The guy jumped back for a second and then he re-charged the officers even more this time.
I heard several shots and [redacted] and I took off to get out of there. I did see the guy go down to the ground.
I couldn't see anything in the guys hands from where I was, but he was really going at the officers, or I should say moving towards them quickly. It looked like the taser didn't do anything when they shot him with it.
I did not see the officers do anything that looked excessive or wrong to me.

Notification:
On 10-28-10 at approximately 1016 hours I was notified of an officer involved shooting by Lead Forensic Investigator K. Lovitto. I was advised to respond to the scene to assist in the investigation.

Arrival:
On 10-29-10, at approximately 1044 hours, I arrived in the area of Truxel Road and Terracina Drive. The area was secured with yellow crime scene tape and uniformed Sacramento Police Officers. I check in with crime scene recorder Sacramento Police Community Service Officer Pang #8197.

Briefing:

At approximately 1127 hours, I attended the briefing given by Sacramento Police Sergeant Pettit. The briefing was attended by the investigative team and other law enforcement agencies.

Sgt. Pettit briefed the following circumstances known to him at the time:
On 10-27-10, Sacramento Police responded to an incident at Natomas Middle School were a male white adult held a knife to the throat of a 17 year old student (report number 10-323706).

On 10-28-10, Captain Maccoun had been in the area of Truxel Road and Terracina Drive and observed a male white adult that resembled the suspect in the incident at Natomas Middle school. Captain Maccoun requested back-up and when additional patrol officers arrived, officers attempted to contact the subject. The subject was uncooperative and began to charge the officers with a sharp object. The CED (commonly known as a Taser) was deployed by one of the officers. The subject continued to charge at the officers with a sharp object and multiple officers fired their service weapons at the subject. Medics declared the male subject deceased at approximately 1014 hours.

Investigative Actions:

With the permission of Sacramento County Pathologist Dr. Fiore I obtained both the right thumb and right index finger prints of the decedent. I gave custody of the elimination print card containing the both the right thumb and right index finger prints to Supervising Forensic Investigator V. Ciarnelli to transport to the Sacramento Police Department Latent Print

Unit to upload to Cal-Id.

On 10-29-10, at approximately 1512 hours, I received a phone call from Forensic Investigator Mack that the decedent was identified from the Cal-Id data base. The decedent was identified as Zachary James Ragan Sr., CII #[redacted] and DOB 02-07-1968.

I notified Deputy Coroner Kim Gillis of the identification of the decedent, as well as, Detective Shrum, Sgt Martinson. I called Sgt. Campbell's desk phone and Sgt Leong answered the phone. I informed Sgt. Leong of the identification and he stated that he would inform Sgt. Campbell.

I booked the elimination card into the Sacramento Police Department Latent Print Unit files (PR #673405-001).

I assisted in the search of the area with a metal detector for possible evidence. One bullet fragment was recovered near the decedent.
Several nails and other unrelated pieces of metal were also located.
I cleared the call at approximately 1745 hours.

On 10/28/10 at approximately 1000 hours I responded to Truxel Rd/Terracina Dr regarding a Suspicious Subject call. While en route, officers advised the subject they had matched that of a 245PC suspect from the night prior. They advised he was brandishing a knife and was not compliant. A CED was deployed but was unsuccessful. Officers then advised shots had been fired and requested medical assistance for the suspect. I arrived on scene at approximately 1014 hours and observed the following in summary:

Upon arrival I contacted the involved officers, Rafiq, Kroupa, J. Gutierrez, Cuevas, and Captain Maccoun. They were standing on the North/West corner of Truxel Rd and Arco Arena East Entry Dr. I ensured they were not injured. The suspect was unresponsive and lying in the field in front of them. I obtained a public safety statement from the officers regarding who fired, the direction they were facing, and the approximate rounds fired. I admonished them advising not to discuss the events until their representatives arrived. I assigned them an officer, (not involved in the incident), to keep them company until then. The assisting officers were also advised not to discuss the incident.

I requested CSI and additional units for scene control and to canvass the neighborhood. I ensured dispatch made the necessary notifications. Video was collected from the ICCs and Arco Arena security cameras.

I gave a briefing regarding the sequence of events. I accompanied the officers to HOJ and cleared at approximately 1800hrs.

Shooting Officers: Captain James Maccoun, Badge # 5070
Officer Michael Cuevas, Badge # 318
Officer Javier Gutierrez, Badge # 317
Officer Mohammad Rafiq, Badge # 808
Officer Jesse Kroupa, Badge # 265

Person Shot: Zachary Ragan
(DOB 2/7/1968; [redacted]

Dear Chief Braziel:

The District Attorney's Office, as an independent agency, has completed its investigation and review of the above-referenced officer involved shooting. Issues of civil liability, tactics, and departmental policies and procedures were not considered. We address only whether or not there is sufficient evidence to support the filing of a criminal action in connection with the shooting of Zachary Ragan. For the reasons set forth below, we conclude that the shooting was lawful.

Written reports and other documentary items were reviewed. These consisted of: Sacramento Police Department (SPD) reports 2010-324198, 2010-323706 and 2010-323968, Butte County Sheriff report C10-16041, Sacramento County Laboratory of

Forensic Services report COR-10-004906, Sacramento County Corner report 10-04906, video and audio recordings, dispatch calls, witness interviews, photographs, diagrams, evidence logs, and reports prepared by District Attorney investigators.

FACTUAL SUMMARY:

On October 27, 2010 (the day prior) at 1949 hours, Sacramento Police responded to Natomas Park School, located at 4700 Crest Drive in Sacramento, on a report that a suspicious male had entered the school grounds during a function and had held a knife to the throat of a 15-year-old male. Police responded, but were unable to locate the suspect, as he was gone on arrival. The suspect matched Ragan's description. Later, the victim and two of the witnesses were contacted by detectives and they all positively identified the suspect as Ragan. In this incident, Ragan entered Natomas Park Middle School where a church youth group was holding an event inside the gym. Ragan entered the gym holding a red plastic cup and appeared to be agitated. He then walked outside and walked up behind the 15-year-old victim [redacted] who was speaking with a female juvenile. Ragan grabbed [redacted] by the back of the neck and held a knife to his throat with the other hand. The knife was described as a kitchen type knife with a black handle. Ragan asked [redacted] if he was "talking shit." An adult (witness [redacted] approached the group and asked what was going on. Ragan then released [redacted] and walked out of the school as [redacted] followed him.

On October 28, 2010, at approximately 1000 hours, Captain Maccoun was in plain clothes and driving an unmarked Sacramento Police Department vehicle. Captain Maccoun was aware of the Natomas Park School assault from the night before and was actively looking for the subject. Captain Maccoun was driving southbound on Truxel Road when he spotted a subject matching the description of the suspect, later identified as Zachary Ragan. Captain Maccoun called for uniformed officers and marked units to assist him in contacting Ragan. Officers Cuevas and Gutierrez arrived first. The location was a vacant dirt lot at the northwest corner of the intersection of Truxel Road and Terracina Drive in the City of Sacramento. West of the location is Arco Arena. North of the location is undeveloped open space. East of the location is Truxel Road bordered by various apartment buildings. South of the location is a vacant lot bordered by a strip mall. Officer Cuevas approached Ragan first, and Officer Gutierrez was behind Officer Cuevas. Officer Gutierrez advised dispatch that they were approaching the subject.

The officers immediately saw that Ragan was holding a knife-like weapon in his left hand. Officer Gutierrez advised dispatch that Ragan had a knife. Some of the officers thought it was a knife; other officers thought it was a box cutter with the blade out. The weapon turned out to be approximately six inches long and made out of hard black plastic. The weapon was approximately an inch wide and tapered off to a sharp point at one end. Because it was first broadcast that the weapon was a knife, and the nature of this object would clearly constitute a stabbing instrument, for purposes of this letter the weapon will be referred to as a knife. Captain Maccoun got out of his vehicle and approached Ragan. All three of the officers gave Ragan loud verbal commands to put the knife down. Ragan

would not comply with the officers' commands. According to Captain Maccoun, during the encounter Ragan was in a fighting stance and kept moving and looking for opportunities as if he was going to run and charge at the officers. Captain Maccoun said that Ragan held the knife in a manner that indicated to Captain Maccoun that Ragan appeared to have some knowledge of stabbing instruments and knife fighting. As the officers kept telling Ragan to put the knife down, Ragan started backing away from them. Officer Gutierrez got on the radio and asked for a unit with a taser to respond. At that point Officer Cuevas, Officer Gutierrez and Captain Maccoun were still commanding Ragan to drop the knife. Officer Rafiq then arrived in a marked patrol vehicle and joined the officers armed with his shotgun.

Captain Maccoun asked Ragan, "Why is this such a big deal?" Ragan replied, "I did 23 years in a box. I'm not going back to the box." Captain Maccoun said, "Let's talk about this." Ragan said I'm not going to talk about it. I'm not going back there. You're going to put me in a fucking cage."

Officer Gutierrez explained why he became more fearful at his point:

> Based on my training and experience, the tattoos around the subject's neck and especially the horn tattoos on his head indicated to me that the subject was a gang member associated with Sacra Maniacs. After he told Captain Maccoun that he had done 23 years in prison, his tattoos let me know that they were possibly prison tattoos. When he said that he wasn't going back to prison after serving 23 years, I became more fearful because I realized he would do anything to try to escape.

Officer Kroupa was the last officer to arrive on scene. Officer Kroupa joined the officers with his taser in hand. The five officers were fanned out around Ragan at this time. The plan was for Kroupa to fire his taser and the other officers would thereafter subdue Ragan.

Officer Kroupa deployed his taser after he ordered Ragan, who refused to comply, to drop the knife. The taser made contact with Ragan but proved to be ineffective. After the taser was deployed, Ragan ran towards Officer Kroupa and Captain Maccoun. Officer Kroupa said at this point that:

> It seemed like the pain affected him but he didn't go to the ground, he looked directly at me and had this stare that he wanted to get me. It was a stare of death and I felt that he was going to come running at me and sure enough he started charging right at me. I said "shoot him" because in my heart and in my mind, I felt that he was coming to stab me and I felt scared that he was going to do that. I had dropped my taser and I went to draw my own gun because he was still coming toward me, I did hear gun shots but he was still coming at me so in my mind I felt that those gun shots were not working and I had to take my own shots to protect myself. I pulled my gun and fired about 4 shots, I believe. That is when he went to the ground. After that we saw that he was probably going to die so we couldn't do

anything medically for him. I put out on the radio that shots were fired and we needed code 3 fire. That is about the end of it.

An examination of the rounds from Officer Kroupa's gun and magazines revealed that Officer Kroupa fired four rounds from his Sig Sauer P226 .40 caliber pistol.

Regarding his thoughts at the time of the shooting, Captain Maccoun said:

> I was in fear for my life. I had no doubt that this was an individual who was skilled in violence and I had no doubt that he had every intent to try to take one of us with him, and when I say take one of us with him, kill either me or one of the other officers there. And he, by his own admission, had been in prison somewhere and had a great deal of anger and hate toward law enforcement.

An examination of the rounds from Captain Maccoun's gun and magazines revealed that Officer Maccoun fired eleven rounds from his Sig Sauer P226 .40 caliber pistol.

Officer Rafiq said that as Ragan moved towards Captain Maccoun and Officer Kroupa that:

> I thought that Ragan was going to cut them or hurt them or kill them. That's when I shot the shotgun. I fired four rounds.

The fact that Officer Rafiq fired four shotgun rounds was confirmed by the four 12 gauge shotgun shells found at the scene.

Officer Gutierrez said that as Ragan moved towards Captain Maccoun and Officer Kroupa that:

> At that point I was thinking that he was going to kill them or stab them, which would cause bodily injury to both of them. The subject still had a firm grip on the knife, but I don't recall which hand it was in. The subject flared up his hands like he was getting to run away, kind of like a sprinter. I back peddled and at the same time I opened fire. I did not line up the sights on my gun. I point shot at the subject. I believe that I fired three times and then I had a jam. I tapped the magazine and racked the slide to clear the jam. I don't believe that I fired after I cleared the jam.

An examination of the rounds from Officer Gutierrez's gun and magazines revealed that Officer Gutierrez fired six rounds from his Sig Sauer P226 .40 caliber pistol.

Officer Cuevas said that as Ragan moved towards Captain Maccoun and Officer Kroupa that:

> I was in fear for Officer Kroupa and also for myself and everybody else who was out there. So, right, right when we pulled, pulled the trigger Officer Kroupa goes

"shoot him, shoot him." It was almost instantaneous while we pulled the trigger he's saying "shoot him" and everybody just shot him. I believe I shot him twelve or thirteen rounds. I shot him until he was incapacitated just because I know, you know, I talk to people on the streets that have been shot five or seven times and they live. You know, this guy is running after us, he's really close, within fifteen feet at least 'cause the taser was able to get him so he was really close. You know, how quickly things go if someone is running after you.

An examination of the rounds from Officer Cuevas' gun and magazines revealed that Officer Cuevas fired thirteen rounds from his Sig Sauer P226 .40 caliber pistol.

Officer Kroupa said that he approached to within approximately ten feet of the subject. Captain Maccoun estimated that Ragan was 12 to 14 feet away from the officers when the rounds first hit Ragan. Captain Maccoun said the closest Ragan got to the officers was approximately ten feet. Officer Cuevas estimated that Ragan was 15 feet away when he began charging towards the officers. Officer Gutierrez said Ragan was approximately seven to eight feet away from him and eight feet away from Officer Kroupa when the taser was fired.

After Ragan was down and had dropped the knife, Officer Kroupa said he removed the knife from Ragan's hand with his baton. Later, Officer Rafiq approached Ragan and kicked the knife further away from Ragan's hand. At approximately 1008, officers announced shots fired and requested Code Three fire. At approximately 1014 hours, the Sacramento Fire Department pronounced Ragan deceased at the scene.

An autopsy was performed by Gregory Reiber, M.D. Dr. Reiber's conclusion was that the cause of death was multiple gunshot wounds. While it is clear that the shotgun wounds were from Rafiq's shotgun, it is not possible to determine which of the remaining four officers' bullets caused the remainder of Ragan's wounds. Ragan had no alcohol in his system. A toxicology report reflected 0.03 mg/L of amphetamine and 0.06 mg/L of methamphetamine in Ragan's blood at the time of death.

SPD canvassed the area and interviewed many witnesses. A number of witnesses heard the gunshots, however, few were close enough to see the shooting in detail. And of those witnesses who were the closest, no one was close enough to see the knife in Ragan's hand. Further, in the opinion of several civilian witnesses who were close enough to see what happened, none of them said the police did anything wrong. Witness [redacted] who had one of the better vantage points, said, "I did not see the officers do anything that looked excessive or wrong to me."

It was later determined that Ragan had been named as a suspect in a stabbing that occurred in Butte County on October 26, 2010 (Butte County Sheriff's Case #C10-16041) and that an arrest warrant for Ragan, with a bail of $1,085,000, had been issued by the Butte County Superior Court on October 27, 2010, for the charge of assault with a deadly weapon. In that case Ragan went to a self storage facility along with [redacted] (victim), [redacted]

[redacted] sister of [redacted] the ex-girlfriend of Ragan) and [redacted] (daughter of [redacted] in order to move some of [redacted]'s belongings to the storage facility. Upon arriving at the facility Ragan walked up behind [redacted] and stabbed him in the neck with a small pocket knife for no apparent reason. [redacted] said that he barely knew Ragan and he didn't have any arguments with him whatsoever. [redacted] described Ragan as getting progressively more crazy and paranoid and that he was always high on prescription pills. [redacted] who was not present during the incident) said that Ragan had been staying with her at [redacted]n Oroville and that she had taken a revolver from Ragan while he slept because he was acting crazy. She threw the cylinder of the revolver into the lake and kept the rest of the gun in her purse which she gave to a deputy of the Butte County Sheriff's Department. In their investigation Butte County Sheriff interviewed another witness who described Ragan as acting depressed, crazy, paranoid and talking about hurting people who were not there.

Ragan was also named as a suspect in the theft of a vehicle, an orange pickup truck from Butte County. The stolen pickup truck was recovered by the Sacramento Police Department at Natomas Park School on October 28, 2010 at approximately 0239 hours. The stolen pickup truck was located behind some dumpsters. The vehicle was observed at the school on 10-27-10 at around 1930 hours by a witness.

LEGAL ANALYSIS:

A peace officer may use deadly force under circumstances where it is reasonably necessary for self-defense or defense of another. Additionally, an officer who has reasonable cause to believe a person has committed a public offense or is a danger to others may use reasonable force to affect arrest or detention, to prevent escape or to overcome resistance. (*Tennessee v. Garner* (1985) 471 U.S. 1; *Graham v. Connor* (1989) 490 U.S. 386; *Kortum v. Alkire* (1977) 69 C.A. 3d 325; California Penal Code Section 853a; CALCRIM 2670.) An officer who attempts to arrest or detain a person need not retreat or desist from his efforts by reasons of the resistance or threatened resistance of the person; nor shall the officer be deemed an aggressor or lose the right to self-defense by use of reasonable force. (California Penal Code section 835a.) Police may use some degree of physical coercion or threat thereof to accomplish an arrest. The force used must be objectively reasonable, considering such issues as the severity of the crime, whether Ragan posed an immediate threat to police or others, and whether Ragan actively resisted arrest or attempted flight. (*Graham v. Connor* (1989) 490 U.S. 386.) The reasonableness inquiry takes into account those facts known to the officer at the moment he or she uses deadly force to apprehend a fleeing suspect. (*Ford v. Childers* (7th Cir. 1988) 855 F.2d. 1271, 1275; *Sherrod v. Berry* (7th Cir. 1988) 856 F.2d 802, 804.)

The person being detained or arrested may be subjected to such restraint as is reasonably necessary for his arrest and detention and has a concomitant duty to permit himself to be detained. (*People v. Allen* (1980) 109 C.A.3d 981, 985; CALCRIM 2670, 2671, 2672.) The rule "requires that the officer's lawful conduct be established as an objective fact; it does not establish any requirement with respect to the defendant's mens rea." (*People v.*

Jenkins (2000) 22 Cal.4th 900, 1020.) California law permits the use of deadly force if the officer actually and reasonably believed he was in imminent danger of death or great bodily injury. (CALCRIM 3470.) An officer who uses deadly force must actually believe that force is necessary. The appearance of danger is all that is necessary; actual danger is not. (*People v. Toledo* (1948) 85 Cal.App.2d 577; *People v. Jackson* (1965) 233 Cal.App.2d 639.) Thus, the officer may employ all force reasonably believed necessary. (CALCRIM 3470.) The reasonableness of a particular use of force must be judged from the perspective of a reasonable officer on the scene, rather than with 20/20 hindsight. The calculus of reasonableness must embody allowance for the fact that police officers are often forced to make split-second judgments—in circumstances that are tense, uncertain, and rapidly evolving—about the amount of force that is necessary in a particular situation. (*Graham v. Connor* (1989) 490 U.S. 386.)

Applying these legal principles to the factual circumstances, Officers Rafiq, Cuevas, Gutierrez, Kroupa and Captain Maccoun had a right to act in defense of themselves and in defense of others. Captain Maccoun had reasonable suspicion to believe that Ragan had put a knife to the neck of a 15-year-old boy for no reason and Ragan was to be detained for purposes of investigating that felony offense. When officers attempted to effectuate the detention, Ragan displayed a knife, refused to comply with verbal directives and was verbally combative. Ragan aggressively held his knife in a threatening and combative manner towards the officers. Moreover, during the situation, Ragan told the officers that he was not going back to prison.

During the encounter, the officers said that Ragan was eight to fifteen feet from the officers. This is close enough to inflict injury on an officer. Officers are frequently trained that at a distance of 21 feet or less, from a standing start, a subject with an edged weapon can cover the distance to an officer (or indeed any person) in less than two seconds. This is sometimes called the "Tueller Rule" because its origin is based on the research of Sgt. Dennis Tueller of the Salt Lake City Police Department. Various law enforcement research and training resources specifically address the danger of dealing with a suspect armed with a knife at 21 feet or less.

Officer Kroupa attempted to subdue Ragan without utilizing deadly force when he fired his taser. It was at this point that Ragan fixed Kroupa with a "death stare" and charged toward Officer Kroupa and Captain Maccoun. Based on the totality of the circumstances, Officers Rafiq, Cuevas, Gutierrez, Kroupa and Captain Maccoun reasonably believed that Ragan was going to harm them or the other officers present at the scene. The act of displaying a knife and charging toward officers supported the reasonable belief that Ragan had a dangerous weapon and would attack officers. Ragan's actions placed all the officers in imminent danger of death or serious bodily injury. Faced with this threat of death or serious bodily injury, all the officers were entitled to use deadly force to defend themselves and other officers.

Given the circumstances, Officers Rafiq, Cuevas, Gutierrez, Kroupa and Captain Maccoun were justified in using deadly force in self-defense and defense of others. We find the shootings to be lawful and will take no further action in this matter.

Very truly yours,
