#### **Subject with Assault Rifle Subdued by Police**

The Sacramento Police Department is investigating an officer involved shooting.

On July 7, 2012, at 6:35 p.m., a two officer patrol unit contacted two suspicious subjects walking in the area of Teekay Way and Dixie Lou Street. During their initial contact, an officer saw the butt end of a rifle protruding upward, underneath one of the subject's sweatshirt. As that officer attempted to detain the armed subject, the gunmen grabbed the rifle and a struggle ensued. The officer was able to momentarily separate himself from the subject. At that time, his partner fired his duty weapon at the armed subject, striking him multiple times in the upper body. Medics arrived and pronounced the subject deceased on scene.

Per department policy, the officer involved in the shooting has been placed on paid administrative leave. He has been with the Sacramento Police Department for 3 years. The Sacramento Police Department's Homicide, Internal Affairs, Professional Standards, and Crime Scene Investigations Units are working on this investigation in conjunction with the City's Office of Public Safety Accountability.

The Sacramento Police Department urges anyone with information pertaining to this incident to contact the dispatch center at (916) 264-5471 or Crime Alert at (916) 443-HELP (4357) or text in a tip to 274637 (CRIMES). Enter SACTIP followed by the tip information. Callers can remain anonymous and may be eligible for a reward of up to \$1,000.

#### SACRAMENTO

### Cop kills man in fight for a gun, police say

A man died during an officer-involved shooting Saturday evening in Sacramento's Meadowview area.

About 6:30 p.m., two Sacramento Police Department officers in a patrol car saw two men walking along Dixie Lou Street, said Sgt. Andrew Pettit, police spokesman.

Pettit said that when the officers stepped out of their car to talk to the men, they saw the butt of an assault weapon protruding from one of the men's shirts.

One of the officers and the man with the weapon both reached for the gun and began to struggle, Pettit said.

He said during the struggle, the other officer drew his weapon and fired several rounds, killing the man.

The officers detained the other man, who was not armed.

**AUTOPSY ASSISTANTS:**

Joe Rusconi, Joanne Morales.

**WITNESSES:**

Sergeant P. Martinson (Badge #3022) and Detective L. Trimpey (Badge #806), Sacramento Police Department.

**IDENTIFICATION:**

The decedent is received in a white body bag sealed with lock #285772, which is removed by the pathologist at the time of the autopsy. The body bag is identified by a Sacramento County Coroner's ID tag attached to the zipper, bearing the decedent's listed name and case number. The tag is later moved to the decedent's left great toe. Tattooed down the medial aspect of the left forearm is the word "California" written in script with the C positioned near the wrist. No other tattoos or surgical scars are present.

**EVIDENCE OF MEDICAL INTERVENTION:**

An EKG pad is attached to each ankle and one to each wrist.

**CLOTHING:**

The decedent is clothed in a thick, black zipper-front jacket, a red short-sleeved polo style T-shirt, blue denim pants with a tan woven belt, blue and white plaid boxer shorts, black and gray Air Jordan athletic-style shoes, and a pair of white socks. The pants are secured about the hips by the belt. The pants appear to be somewhat oversized for the decedent. The belt has two rows of silver-colored rivets decorating its length. Both the zipper fly and button closure of the pants are secured. The lower legs of the pants are cuffed. There is a light deposit of dried plant debris on the front of the pants. The decedent is received with his hands bound behind his back by a pair of handcuffs.

The right front panel of the jacket has a cluster of irregular tears that span a 20 cm area and angle from the right underarm seam in a downward direction toward the midline. The defects are more tightly clustered around the axillary region, with a single irregular tear located 6 cm anterior and inferior. Each side of the jacket has a longitudinally oriented tear coming up from the elasticized waistband measuring 11 cm on the right and 15 cm on the left. These are longitudinal tears in the outer layer of fabric. No other defects are seen on the front of the jacket. The back of the jacket has a 0.5 cm round defect in the upper portion located 9 cm below the collar line and slightly left of midline. No soot or stippling is appreciated on the fabric surrounding this defect. The back of the left sleeve of the jacket has two defects arranged in a longitudinal plane close to the arm seam. The upper defect measures 1 cm and is somewhat rounded, while the lower defect measures 2 x 1.5 cm and has more of a torn, irregular shape to it. The two are spaced 8 cm apart. There is a third defect on the back of the left sleeve closer to the cuff. This is a 1.3 cm round defect that does not have a corresponding tear on the inner surface of the fabric and may represent an older burn. No other defects are found in the back portion of the jacket. This jacket has a tanned fleece lining. All the pockets of the jacket are empty. There is patchy bloodstaining predominantly on the left side.

The red T-shirt is soaked with blood on the left half between the shoulder and lower hem. There is a tear in the right upper anterior portion of the shirt that measures approximately 17 cm in length oriented from superolateral to inferomedial. No other defects are found on the front of the shirt. There are multiple holes in the back of the shirt. One is isolated in the left scapular region and consists of a 2.0 x 0.8 cm obliquely oriented (superolateral to inferomedial) oblong tear. There are two holes in the lower left portion of the T-shirt arranged in a horizontal plane spaced 9 cm apart. The lateral hole consists of a 1 cm round defect, while the more medial hole measures 2.0 x 1.5 cm and has more of an irregular shape. The remaining defects are clustered on the right side between the sleeve and the adjacent back-portion of the shirt and correspond with a

cluster of defects found in the jacket. There are two defects within the back of the right sleeve. One is located near the arm seam, measures 1.2 x 1.0 cm and has an irregular appearance. The other is located in the mid-portion of the sleeve up near the upper folds and consists of a 0.7 cm tear. There are also blotches of dark black material within the areas of bloodstain. It is unclear if this also represents blood or some other deposit onto the fabric of the shirt. The remaining defects are clustered in a 15 x 7 cm area on the right lateral back portion of the shirt. There is one isolated by itself close to the arm seam that measures 1 cm. A cluster of three is located 6 cm away and spans a 4 x 2 cm area with thin threads of material separating the three defects. The final defect is located 4 cm below this cluster and consists of a 1 cm irregular tear. Most of the blood on the back is on the left side, with relative sparing in the upper portion and right shoulder region. No other defects are found in this article of clothing. No personal property is present. A non-expanded, large-caliber projectile with copper jacketing was recovered during removal of the shirt. The bullet fell when the clothes were being removed from the right shoulder. The hollow point of the bullet is packed with black material. The location of the projectile prior to clothing removal was not documented on the original set of x-rays obtained; the right shoulder was out of the field. However, this appears to be related to a series of gunshot wounds on the right upper arm and back.

Twelve pennies are found in the left rear pocket of the pants. The back of the pants has a 20 cm longitudinally oriented tear in the left side of the seat just off of midline. The lower legs also have frayed tears along the bottoms just above the cuffing. No other property is found in the pants. There are no other defects in the pants. The boxer shorts are lightly stained with bloody fluid in the left anterior panel. No defects are found in the shorts.

The shoes are laced and properly positioned on the foot. The shoes appear to be fairly new and only lightly soiled with dirt. There is no blood or defect in the shoes. The decedent is wearing a single pair of white socks with gray heels. The socks are crew length, but worn as "no-shows" with the toe of the sock pulled across the dorsum of the foot and tucked into the anterior ribbing about the ankles. The socks are soiled with dirt but otherwise unremarkable.

#### EXTERNAL EXAMINATION

The unclad, unembalmed body is that of a well-developed, well-nourished, 66 inch, 161 pound, lightly pigmented, Hispanic male whose appearance is consistent with the reported age of 17 years. Rigor mortis in the neck and upper extremities reduces with moderate pressure. Rigor mortis in the jaw and lower extremities remains difficult to reduce. Non-blanching lividity is present on the anterior surfaces of the body, with a V-shaped area of sparing on the chest and abdomen, with the arms of the "V" extending outward toward the shoulders and the apex down around the umbilicus. There are also oblong patches of sparing on the anterior aspect of each thigh. The face and anterior neck are also congested. There is a postmortem pressure mark on the left side of the face along the lateral border of the orbit. A secondary lividity pattern has developed on the posterior surfaces of the torso, with sparing over pressure points. No other postmortem changes are present.

The atraumatic scalp is covered by closely cropped, black hair measuring up to ¼ inch in length. The face is atraumatic. The eyes have clear corneae and brown irides. The conjunctivae are congested. A few conjunctival petechial hemorrhages are found along the left lower eyelid and along the superior aspect of the left orbit. The right eye exhibits congestion, but no petechial hemorrhages. No icterus or edema is present. The nose is normally formed. The external nares are patent and have drained a large amount of bloody fluid. Facial hair consists of a moustache and goatee of sparse black hairs measuring up to ¼ inch in length. There is 1/16 inch long stubble on the cheeks and under-surface of the chin. The lips and oral mucosa are cyanotic, moist, and without trauma. The natural dentition is in good repair. The tip of the tongue is

clamped between the teeth. Further evaluation of the oral cavity is precluded at this time due to rigor mortis. Each earlobe is remotely pierced one time. There is no hemorrhage or discharge in the external auditory canals.

The neck is symmetrical and atraumatic. There is no palpable crepitus or masses.

Gunshot wounds to the torso will be described under "Injuries". The torso has a symmetric, stable chest and soft, flat abdomen. The hair on the anterior surfaces of the torso has been shaved and exhibits up to 1/8 inch of regrowth. The distribution of the hair appears to be a full male pattern. The breasts are without gynecomastia or masses. The anterior torso has a cluster of pustular lesions along the clavicular regions predominantly along the right side that is consistent with acne. The external genitalia are of a normally developed uncircumcised adult with bilaterally descended testes and a normal distribution of pubic hair. There is no anal or genital trauma. The back is unremarkable outside of injuries.

The upper and lower extremities are symmetrical and without deformity. No recent needle punctures or remote needle track marks are present. There are no ventral wrist scars. Gunshot wounds will be described below. The fingernails are mildly soiled with dirt, but neatly trimmed flush with the tips. There is no evidence of nail injury. There is no evidence of pedal edema. The toenails are clean and trimmed flush with the tips. The soles of the feet are unremarkable.

#### EXTERNAL AND INTERNAL EVIDENCE OF INJURY

There are five gunshot wounds. Numbering is arbitrary and used for reference purposes only. It is not meant to imply the sequence in which the injuries were sustained. All measurements are taken with the body in the standard anatomic position.

##### 1. PENETRATING GUNSHOT WOUND OF THE CHEST:

**Entrance wound (E):** Located on the posterior aspect of the left scapular region of the back near the axilla is a 1.0 cm round defect with a thin pink concentric abrasion collar. No soot or stippling is deposited on the surrounding skin. The entrance wound is centered 12 inches from the top of the head and 8 inches to the left of posterior midline.

**Wound track:** The projectile enters the thorax through the posterolateral aspect of the left sixth rib and creates a 3 cm defect with multiple bone fragments in this location. The projectile then perforates the apical portion of the lower lobe of the left lung, creating a 6 cm hemorrhagic track. Multiple bone fragments are found strewn along this defect. There is contusion of the adjacent upper lung lobe across the fissure. The lower lobe bronchus has been transected and there is evidence of agonal aspiration of blood within the left lung. The projectile exits the lung along the hilar surface and crosses the midline between the heart and the aorta, causing lacerations of the pulmonary veins and the descending aorta 6 cm distal to the third arch branch. A piece of copper jacketing and a small fragment of lead projectile are found within the pericardial sac near the left pulmonary vein. The projectile then enters the right lung. A separated jacket is found within the hilar portion of the right lung. There is a 3 cm hemorrhagic track through the middle lobe of the right lung. The projectile exits the thorax between the anterolateral aspect of the right fourth and fifth ribs and penetrates the right breast. Approximately 1 liter of liquid and congealed blood is found within the left pleural cavity and approximately 640 ml of liquid and congealed blood are found in the right pleural cavity. Approximately 35 ml of congealed blood is found within the pericardial sac.

**Site of lodgment (C):** The core of the projectile is lodged on the lateral aspect of the right breast within a 4 x 3 cm longitudinally oriented area of purple contusion. The projectile is

palpable within this region and is centered 17 inches from the top of the head and 6 ½ inches to the right the anterior midline.

**Direction of wound path:** The projectile travels predominantly from left to right, but also slightly back to front and slightly downward.

**Projectile:** A separated, fully expanded, large-caliber projectile with black and copper jacketing is recovered.

#### 2. PENETRATING GUNSHOT WOUND OF THE ABDOMEN:

**Entrance wound (A):** Located on the left lateral abdominal wall at the level of the umbilicus is a 1 cm round defect with a thin abrasion collar. No soot or stippling is deposited on the surrounding skin. This wound is centered 25 inches from the top of the head and 5 inches to the left of the anterior midline.

**Wound track:** The projectile enters the peritoneal cavity, creating a 4 x 1 cm linear defect within the peritoneal lining. The projectile then perforates several loops of jejunum near the ligament of Treitz and dips into the retroperitoneal space through the lower pole of the left kidney. There is a 4 cm stellate defect near the hilum; however, the ureter and hilar vessels are intact. The projectile then leaves the retroperitoneal space adjacent to the lumbar spine, fracturing the left transverse processes of the first and second lumbar vertebrae before coming to rest. The peritoneal cavity contains approximately 50 ml of liquid blood.

**Site of lodgment:** The projectile is lodged adjacent to the spinous process of the lumbar vertebrae centered 22 inches from the top of the head and ½ inch to the left of the posterior midline.

**Direction of wound path:** The projectile travels from front to back, left to right, and upward.

**Projectile:** A fully expanded large-caliber projectile with black and copper jacketing is recovered.

#### 3. PENETRATING GUNSHOT WOUND OF THE PELVIS:

**Entrance wound (B):** On the left flank is a 2.0 x 1.5 cm oval defect that is obliquely oriented from superior posterior to inferior anterior. There is a 1 x 1 cm triangular abrasion on the upper end of this wound. No soot or stippling is deposited on the surrounding skin. This wound is centered 25 inches from the top of the head, 5 inches to the left of the anterior midline, and 3 inches posterior to the anterior plane of the torso.

**Wound track:** The projectile enters the pelvis through the left iliac wing. There is a 3 cm round defect with multiple bone fragments at this location. Small fragments of jacketing and lead core are also found in this area. The projectile then perforates the psoas muscle and maintains a retroperitoneal path across the midline, coming to rest just below the peritoneum on the right side of the pelvis. The sigmoid colon is perforated near the left iliac vessels. The left iliac artery has a small tear along the intimal surface measuring only 3 mm in length. The iliac veins are intact. The projectile is lodged 25 inches from the top of the head and 1 ½ inches to the right of midline.

**Projectile:** A minimally deformed, large-caliber projectile with a copper and black jacketing is recovered. The projectile has a hollow point, which did not expand.

**Direction of wound path:** The projectile travels from left to right and back to front, with no significant deviation up or down.

#### 4. PERFORATING GUNSHOT WOUNDS OF BACK AND RIGHT UPPER ARM:

**Wounds (D1-D5):** There is a linear cluster of five defects involving the right scapular region of the back and the right upper arm, spanning a 30 cm linear area. The entrance wound (D1) is located below the scapula and consists of a 3.5 x 1.5 cm elliptical abrasion oriented superolateral to inferomedial with a perforation along the upper end. The perforation is located 17 inches from the top of the head and 6 1/2 inches to the right of posterior midline. The projectile passes through a 5.5 cm subcutaneous tunnel in a left to right and upward direction, emerging through a 1.5 cm round abrasion with a perforation between 6 and 9 o'clock (D2). This wound is centered 15 inches from the top of the head and 8 1/2 inches to the right of the posterior midline. The projectile then crosses the axillary space and enters the right upper arm through a 1.5 x 1.7 cm oval abrasion that has a 1.5 x 1.0 cm oval transmural defect within the mid-portion (D3). The perforation is centered 12 inches from the top of the head and 11 1/2 inches to the right of the posterior midline. The projectile maintains a subcutaneous path across the back of the right upper arm. There is a 1.5 x 1.0 cm oval tear (D4) within the skin that is located 3 cm from wound D3. This track is demarcated by a 4.5 cm linear abrasion that connects from the lateral end of D3 and follows along the lower margin of D4. This tear is located 11 inches from the top of the head and 13 inches to the right of the posterior midline. The projectile finally emerges from the arm through a 1 cm laceration (D5) that is located 2.5 cm away from D4. There is no abrasion around this wound. This wound is centered 10 1/2 inches from the top of the head and 14 1/2 inches to the right of the posterior midline. There is an irregular defect in the jacket associated with the atypical entrance wound on the back, but no exit defects in the sleeve are associated with the wounds in the upper arm. No soot or stippling is associated with any of the wounds.

**Projectile:** The projectile that was found within the clothing while removing the shirt from the right shoulder is associated with this wound.

**Direction of wound path:** The projectile travels from left to right and upward.

#### 5. GRAZE WOUND OF LEFT ELBOW:

On the posterior aspect of the left elbow is a 3.5 x 1.5 cm horizontally oriented deep graze wound that has red exposed tissues and small radiating tears extending off the medial end. Very small tears can be seen along the upper and lower margins at radiate outward in a lateral to medial direction. This wound is centered 20 inches from the top of the head. The projectile traveled from left to right.

#### LIGATURE MARKS ON WRIST:

There is a 0.4 cm wide, dry, yellowish gray, band-shaped mark that encircles each wrist consistent with the handcuffs that were previously removed. There is no bruising associated with these marks.

*These injuries, having been described, will not be repeated.*

#### INTERNAL EXAMINATION

**HEAD:** The scalp and galea are atraumatic. The calvarium and base of skull are of normal thickness and free of fractures. The dura is smooth and shiny. There is neither recent epidural or subdural hemorrhage nor evidence of a subdural neomembrane. The blood in the dural sinuses is not clotted. The brain weighs 1450 gm. The leptomeninges are thin and transparent. There is no subarachnoid hemorrhage or exudate. The atraumatic brain is symmetrical, with a normal gyral pattern. Sergeant Morris (3SM4) supplement:

I am a Patrol Sergeant with the Sacramento Police Department. On 7-7-12, I was working in South Sacramento with Officer Steven Moore #506 who was riding with me in a marked police vehicle.

At approx. 1835hrs., Officer Moore and I were at 29th St., north of Loma Verde, the termination point of a vehicle pursuit that had just occurred. I heard a broadcast from officers who were working a patrol unit identified as TAC50 (Officer Severi and Officer Trefethen). The broadcast I heard was, "TAC50, shots fired. Code-3 cover. TAC50 we are at Dixie Lou at Teekay, subjects got an assault rifle, shots fired, he's down, he is still moving." I acknowledged the call. Officer Moore and I immediately began a code-3 response to the area of Dixie Lou/ Teekay. Several officers who were also at the termination point of the pursuit also responded code-3.

While en-route, I requested air support and K-9 and requested the fire department respond and stand by in the area.

While en-route, I heard a broadcast from TAC50 that the suspect was still breathing, he had his hands underneath him, he has an assault rifle and there was another subject on scene who was advising that he is blind and who was being uncooperative. I also heard a broadcast that there were uncooperative neighbors in the area.

I requested assistance from all available officers citywide.

I then heard a broadcast that the suspect had not moved in approx. 30 seconds.

I requested outside agencies who were assisting to assist with blocking off the location, and I also requested officers deploy their rifles.

I then heard a broadcast that the second subject involved had been detained.

Officer Moore and I arrived in the area of Dixie Lou/ Teekay at approx. 1839hrs.

I began requesting officers to begin setting up a perimeter. I noted that there were several subjects in the front yards of the houses on the east side of Dixie Lou. Utilizing my patrol vehicle's intercom, I instructed the subjects to go into their homes as I was concerned about their safety. Some of the subjects complied, some did not.

I observed several patrol vehicles facing southbound on Dixie Lou, just south of Teekay. I observed several officers pointing their firearms at a male subject, later identified as Ascencion Herrera who was laying on the

west sidewalk of Dixie Lou, south of Teekay. Herrera was laying on his stomach. It appeared as though his arms were under his body.

Officer Severi approached me and advised he thought he had shot 6 rounds at the suspect.

I felt that there were an adequate number of officers at the scene where Herrera was, and requested units to block off the south, block off Laramore/ Teekay to the east, and one unit one block to the west of Dixie Lou and Teekay.

Additional officers began arriving on scene and the streets to the east, west and south were blocked off to protect the scene.

I requested additional resources to stage to the west, so they could be given assignments.

I was concerned that Herrera was laying on a firearm. I spoke with K9 Officer Thomson #364 and we developed a tactical plan to immobilize Herrera (handcuffs) and recover the firearm.

At approx. 1844hrs., I requested four officers from the staging area (west) to respond so a tactical team could be formed.

Officer Moore spoke with Officer Fox, Officer Stambaugh, Officer Peckinpaugh, Officer Trejo, and Officer Hanson and formed the "arrest/ contact" team. Officer Fox utilized a body bunker, Officer Stambaugh was armed with a shotgun, Officer Peckinpaugh was armed with a rifle, and Officers Trejo and Hanson were assigned to be the custody officers.

I observed Herrera. He was not moving. He did not appear to be breathing. I thought Herrera was deceased.

At approx. 1848hrs., the contact team handcuffed Herrera, and Officer Fox recovered a firearm from Herrera's person. That firearm was immediately stored in the trunk of patrol vehicle #11533.

I requested medics who were standing by respond to the scene.

At approx. 1856hrs., Herrera was pronounced deceased by Medic 7 and Engine 16.

Officer Severi and Officer Pranter sat in my patrol car as they waited for the arrival of members of the homicide unit. Officer Trefethen stood with Officer Thomson away from Officer Severi, and also waited for the arrival of the homicide unit.

Sgt. Chase (3SM3) had arrived on scene and began organizing officers to conduct a neighborhood canvass.

Officer Mok #615 was designated as the crime scene recorder.

Lt. Faulkner requested the air unit to the scene to take areal photos of the location.

Members of the Homicide Unit arrived on scene.

At approx. 2012hrs., I conducted a briefing for the members of the Homicide Unit, CSI Unit and other SPD personnel. During this briefing, I advised the involved personnel of the information known to me at the time.

At approx. 2150hrs., Officer Moore and I responded to [REDACTED] Craig to assist with a [REDACTED] search, per Sgt. Martinson's request. Nothing of note was located during the [REDACTED] search. After the search, I responded back to the scene of the incident.

At approx. 2300hrs., Officer Moore and I cleared the scene.

I was in the front yard over there ([REDACTED] Teekay Way) and I saw those two dudes walking down the street and then turned on Dixie Lou. I have seen the guys around before and one of them is blind.

The two Officers drove by going this way (heading W/B on Teekay) and turned behind the guys and stopped. Something happened and I went to the corner of the fence by the fire hydrant. I saw the Officer that was driving shoot his gun at the dude while the blind guy hugged the fence. The Officer shot six times.

On 7/7/12, at approx 1901 hrs, I responded to the area of Teekay Way/ Dixie Lou St to assist on the Officer involved shooting.

I arrived at the scene and I was directed to speak with a possible witness. I contacted the boy and he was identified as [REDACTED]. I spoke with [REDACTED] and obtained a statement.

Ofc Lee advised there were subjects at [REDACTED] Teekay who were being uncooperative. A FBA (later identified as [REDACTED] was getting into a car in the driveway (CA # [REDACTED]). [REDACTED] advised she wouldn't tell me her name and that she was leaving. [REDACTED] told me to "fuck off" and that she didn't see anything about the cops shooting that guy in cold blood. Sgt Chase advised [REDACTED] should could leave if she provided ID and [REDACTED] finally provided a California Driver's license. She was allowed to leave.

There was another large MBA on the front lawn of [REDACTED] Teekay. He told us to "fuck off" also and was flipping off AIR1 as it flew overhead. I asked him his name and he told me he wasn't giving me anything. Ofc [REDACTED] conducted a records check and I was able to identify the MBA as [REDACTED] from his mugshot.

I then assisted Det Trimpey and other Officers with a [REDACTED] search at [REDACTED] Craig Ave. I then assisted on the outer perimeter of the scene.

On 7/7/12, approx. 2325 hrs, while at 5770 Freeport Blvd, Interview Room #6, I, Det. Bullard (#375) interviewed Ofc. Severi (#456). Prior to the interview, I informed Ofc. Severi that the interview would be video-recorded and pointed out the two camera locations in the room. Also prior to the interview, Sgt. McCloskey (#3055) conducted a round count w/Ofc. Severi on his firearm and magazines which Severi's legal representative Jeff Schaff and I were present for in the room. I provided two printouts of overhead map views of the area of Teekay Way / Dixie Lou St for reference. Ofc. Severi, Jeff Schaff, and I were present for the following interview. Ofc. Severi related the following to me in summary which was video-recorded:

I've been employed by the Sacramento Police Department since September 8th of 2005 I believe. I was a student trainee and then a Community Service Officer. I have been a sworn peace officer since January of 2009 with the Sacramento Police Department.

My current assignment is Team 23 on patrol in the South area in Sector four on swing shift which for me is 1530 to 0030. I have been on this team since January of 2012. I have been working a specialized detail for about the past month. Specifically for the past two weeks, we have been assigned as a TAC unit. In this capacity we were assigned to assist the GET team in order to try and reduce gang violence and getting guns from gang members and being proactive. Also in this capacity, we drive in fully marked police vehicles and in full uniform as I am dressed now. I was in full uniform when today's incident occurred as well as some sunglasses.

Today I was partnered with Ofc. Clinton Ryan Trefethen (#566) and we were logged on as TAC50. We were driving down Laramore Way northbound towards Teekay Way, I was driving and Ofc. Trefethen was seated in the front passenger seat. As we approached the intersection of Teekay, I began to turn right (northeast) and as I looked left (west) to make sure traffic was clear, I observed two subjects walking eastbound on Teekay Way along the south sidewalk and almost to the southwest corner of Teekay Way and Dixie Lou St (marked with an "x" on map). The two subjects grabbed my attention right away because one of the subjects had a lot of clothing on given the temperature outside and how hot it was. I was just talking like an hour before about how my phone had indicated it was 98-100 degrees outside. So I felt that was suspicious with all of the clothing one subject was wearing. He was wearing a jacket.

As I turned the corner to go westbound onto Teekay Way (towards Dixie Lou St), the two above subjects immediately turned right (southbound) on Dixie Lou, still on the sidewalk. It just looked to me like they turned real quick as though they initially were not going to go that way until they saw us. It appeared that right when I turned my head to look west and see them that they had already seen us and immediately turn south on Dixie Lou. It looked to me like they were looking at us and our patrol car obviously stands out. It seemed like when we made eye contact with them, the guy in the heavy clothing put his hand up on the back of the other subject (motioning with right hand). It was very quick the way the subject in heavy clothing did it. The subject in heavy clothing was standing to the left of the other subject so I believe it was his right hand on the back of the

other subject who claimed to be blind. I lost sight of them briefly when they turned south on Dixie Lou because of line of sight. It was maybe two seconds from when I lost sight of them to when I saw them again.

As we turn south onto Dixie Lou, the two above subjects are walking south along the west sidewalk and right around here near this fence (marked with "x 2" on west sidewalk of Dixie Lou St, south of Teekay Way). I don't remember if either subject was looking back at us when we turned south on Dixie Lou. I noticed the subject with all of the heavy clothing having his hand on the back of the other subject which was suspicious even more to me. We pulled up along next to the two subjects and I heard Ofc. Trefethen ask the subjects if they were okay through his opened window, we had come to a complete stop. I didn't really hear what they said but Ofc. Trefethen exited our patrol vehicle by opening his door and I heard them say something like, "Oh you're blind?". They were saying something but I couldn't hear what was being said. So I was thinking that was probably why the other guy in heavy clothing had his hand on the other guy's back. The guy that was blind had stopped when we contacted them but the other subject in heavy clothing stopped, turned toward us, and backed up a couple steps southbound as he was facing north. They were on the west sidewalk near the fence. When Ofc. Trefethen got out to contact them, he was kind of between the two of them.

I could see the subject who was wearing the heavy/warm clothing walk a little more southbound as Ofc. Trefethen was walking up to them. Ofc. Trefethen looked back at me by turned his head a little but he was still focused on the subjects and Trefethen said to me, "Mike, get out of the car" in a very strange voice that I don't normally hear from him. His car door was open I believe when he said that to me and he was on the outside of his door and walking in front of it so he said that kind of through the "v" of the door where it was opened. I'm not sure what Ofc. Trefethen saw at this point but I got out of the car on the driver's side and I walked around the back portion of our patrol vehicle.

The blind subject was cooperative, he was just standing there, he had normal clothing on, like a t-shirt. The other subject in the heavy clothing looked nervous, like he was backing up. The suspect was still on the west sidewalk and approx. 7-8 feet south of the front of our patrol car.

I looked at the street sign and I got on the radio and put out our subject stop at Teekay and Dixie Lou. As I had turned back around towards the patrol car after looking at the street sign, I could see the guy with the warm clothing with his left hand in his jacket (motioning with left hand in a downward cross-body position). He was looking at Ofc. Trefethen. To me at first it looked like it was in the pocket of his jacket and he was clinching his arm down (motioning with left arm in same cross-body position and tucking elbow against torso). As I approached along the passenger side of our car, I saw Ofc. Trefethen immediately rush the subject and grabbed the subject's arm. I couldn't see the subject as Ofc. Trefethen had his back to me and was between the suspect and I. It appeared that Ofc. Trefethen had grabbed the suspect's left arm and was trying to pull it out. Ofc. Trefethen and the suspect started tussling and went toward the wood fence along the west sidewalk. As they hit the fence, Ofc. Trefethen curved around to the left and I could see the suspect and I was terrified because I thought the suspect had a handgun in his hand just because of the way he had his hand (motioning with left hand in a cross-body position, pointing his left finger downward). I then saw a rifle under his jacket (indicating the upper torso area and as though pulling a shirt open and apart with both hands) and the jacket was kind of open. It looked like a rifle to me because it was brown and seeing a stock but I don't remember much more than that. It

looked to me like the suspect was holding the rifle with his hand (same cross-body left hand position) in a gun-holding rifle position ready to shoot. The whole time it appeared that the suspect was focused on Ofc. Trefethen.

This whole time, the blind guy is off to my right and he was like "What's going on? I can't see anything".

This whole time with the suspect's actions and his movements towards his pocket with his left hand, I thought he had a handgun because I've never seen anybody conceal an assault rifle under their jacket. I've heard about it but never really seen that. My thought was if this guy has a gun, which we've made several stops on subjects who had guns, they run or they try to ditch the gun or they comply and that just was not happening. The suspect's hand was deliberately moving towards it and he was very deliberate in the way he was doing it.

I was freaked out because Ofc. Trefethen was in between the suspect and at this point I pulled my gun. I thought the guy was going to pull the gun out close-quarters and shoot Ofc. Trefethen. It seemed like about a second that Ofc. Trefethen pushed the suspect into the fence and started retreating to the left toward the patrol car. At this point the suspect was facing me in kind of a northeast direction but still looking at Ofc. Trefethen and the suspect started pulling the gun (motioning with both hands pulling upwards along chest) like out and up. The rifle was not pointed at Ofc. Trefethen but because he was struggling with Ofc. Trefethen initially going towards him instead of trying to get away or drop the gun. When Ofc. Trefethen pushed the suspect away, the suspect kept trying to pull the rifle up and out and still had his eyes on Ofc. Trefethen. Ofc. Trefethen and the suspect struggled for maybe one to two seconds. In my mind, the suspect is not backing up, he's not turning, he was just pulling it up and I thought for sure that he was about to engage Ofc. Trefethen who was running back. I'm thinking this guy is pulling a gun out to shoot my partner and I'm not going to let that happen. So I immediately fired my gun at the suspect.

The suspect went down and I retreated and I gave the other guy orders where he complied in putting his hands up against the fence. I ran back around the patrol car and saw Ofc. Trefethen at the front, left fender behind the driver's side of the car and he had his gun pointed at the suspect who was down. I ran back and got right next to Ofc. Trefethen and kept the downed suspect at gunpoint until additional officers arrived.

**\*\*When asked if Severi felt that at one point the armed suspect was going to shoot his partner\*\***

Absolutely.

**\*\*When asked how many rounds Severi believed he fired at the suspect\*\***

Five.

**\*\*I asked if the suspect immediately went down\*\***

He kind of turned a little bit and then went down. He maybe moved a couple feet south and staggered and fell down with his arm still underneath him on the rifle. So we couldn't see his hands or see the rifle. That's when I retreated around the trunk of our vehicle to the driver's side where Ofc. Trefethen was.

I was still focused on the suspect but I was paying attention to the blind guy as well who was complying. I could still see some movement from the suspect who was down, he was convulsing and I could see blood coming into the gutter and under him so I knew he was injured but I didn't know to what extent. I didn't want to get ambushed approaching him so we just remained in our position until additional units arrived.

A minute had passed and I was no longer seeing the suspect convulse and Ofc. Trefethen told me to cover him as he went around to detain the blind subject in handcuffs in the back seat of our car. Once additional units arrived, a sergeant tapped me out and had me go sit in a car.

\*\*I asked if Severi had ever had contact with either of the subjects in the past\*\*

I don't believe so, I barely saw the suspect's face for a second.

\*\*I asked if Severi ever recalled bringing his gun back and upwards immediately following the shooting where he was behind cover on the driver's side\*\*

I don't think so. I don't think Ofc. Trefethen did either.

\*\*I asked how long Severi had worked in the south Sacramento area as a street level patrol officer\*\*

I worked there six months in 2011 and six months this year (2012), so about a year total.

\*\*When asked if the area of Meadowview which encompassed the area of Teekay Way and Dixie Lou was the primary area that Severi worked\*\*

My primary area is Sector four however being a TAC unit we have been assigned to "south" which is sector four and five. But we have been assigned to work south Sacramento in sector five because of all of the gang violence and we have been given maps of all of the shootings in sector five.

\*\*I asked Severi what his knowledge and experience was of the gang violence this general area (referring to map of Teekay/Dixie Lou)\*\*

It's been out of control lately, we had maps that showed 245 shootings up 400% from last year in Sector five. It seems like every single day of the week, there is a shooting there where someone actually got shot and most that you hear about are gang-related. Since the month of working the TAC unit, we have gotten close to ten guns off subjects. We've had multiple people this week with guns. On Sunday there was a foot pursuit where one of the subject's had a gun on them.

\*\*I asked Severi what his best estimate of his distance from the suspect was when he shot the suspect\*\*

Approximately ten feet.

\*\*I clarified with Severi when he first noticed the subjects take the first southbound right turn onto Dixie Lou from Teekay if it appeared very abrupt\*\*

Yeah, it did. Like it literally looked like he grabbed the guy and pulled him that direction. Like they turned quickly and then began to walk normally. It was very different and very suspicious as clearly we are in this area, he's pulling this guy and I don't know what's going on.

\*\*I asked what Severi's mindset was just prior to shooting when seeing the suspect's rifle, the suspect's movements towards his jacket, Ofc. Trefethen shoving the suspect away and why he shot the suspect\*\*

To make sure he didn't shoot Ryan (Trefethen). He (suspect) had every opportunity to comply. When Ryan grabbed his arm, he could have very easily allowed him to and not have fought him off. I've seen so many people run from us and just seeing the way the suspect acted leading up to it, when Ryan was tussling with him and pushed him away, and the eye contact that he had. We learn at the range that you look at what you're going to shoot and the suspect is not looking somewhere else to run, he's not looking where to dump the gun, he is looking at Ryan and it was absolutely terrifying.

\*\*I clarified that the way Severi was describing the suspect not fleeing, that it appeared he was going to engage Ofc. Trefethen\*\*

Absolutely. It was terrifying, I was so scared for Ryan, he's my best friend, we went to the academy together, we lived together. When Ryan ran back to the car, he doesn't do that, he's a fighter but when he knew he wasn't able to return fire and to get behind cover. It was my goal as his partner to protect him from getting shot and I thought that was exactly what this guy was going to do.

\*\*I clarified, "That he was going to shoot Officer Trefethen?"\*\*

Yes.

\*\*At approx. 0019 hrs, the interview concluded\*\*

Document: **02 WITNESS STATEMENT**

Author: **412 - HIGGINS, THOMAS 7616**

Subject: (WITNESS #14) [REDACTED]

Related date/time: **Jul-08-2012 (Sun.) 1148**

### STATEMENT OF [REDACTED]:

At approximately 1148 hours, 7/8/12, I (Detective Higgins) talked with [REDACTED] in front of his house. I attempted to digitally record the conversation. However, the digital recorder battery went out during the follow-up interview. [REDACTED] also talked with the video camera recording when I took video of where he said he was when the shooting occurred. Due to the battery going out and [REDACTED] statement during the video recording I subsequently recontacted [REDACTED] and reviewed his statement on a new recording. [REDACTED] was initially very uncooperative but became somewhat cooperative as the interviews progressed. [REDACTED] would not come to our office for an interview. The following is a summary of [REDACTED] statement. For exact details please listen to the recordings:

I don't want to be involved. I turned and walked away. I didn't see the shooting. It wasn't a fight. It wasn't that big of a struggle. The police tried to get him down and he wouldn't go down. So they shot him. I don't have anything else to say.

*After Detective Higgins talked with [REDACTED] girlfriend, [REDACTED], Detective Higgins recontacted [REDACTED] who was being very vocal in front of his house. [REDACTED] had said amongst other things, "The officers told him to get on the ground and he wouldn't." [REDACTED] then said the following in summary:*

I don't know what the officers said. I want to take back that I said the officers told him to get on the ground and he wouldn't. We couldn't see if he had his hand on the trigger. I didn't see the gun until they cut it off him. The passenger went up to the guy and the driver did the shooting. The officers acted like they were scared. They had to have been scared, like nervous. They are the police so they can't be scared. But they took cover. They backed up like he pulled a gun. I had a clear view. I had a lot to drink. I drink all day everyday. Actually, as a matter fact, I didn't drink yesterday at all, because we didn't have any beer.

If he had been reaching for a gun I would have shot. The guy should have got down and then he wouldn't have got killed. The officer got out and asked him a few questions. Then they had to put the guy up against the fence. If I was a cop I would think the guys were up to something. The guy had a jacket on, like he had a gun. To keep it 100 (percent) the police were acting appropriately. The cops weren't in the wrong. They did what any cop would've done. They didn't get out and fuck with him. They did what any cop would have done.

Statement of [REDACTED]:

At approximately 1154 hours, 7/8/12, I (Detective Higgins) talked with [REDACTED] in the living room of her house I attempted to digitally record the conversation. However, the digital recorder battery went out during the follow-up interview. [REDACTED] also talked with the video camera recording when I took video of where she said she was when the shooting occurred. Due to the battery going out and [REDACTED] statement during the video recording, I subsequently recontacted [REDACTED] and reviewed her statement with her on a new recording. [REDACTED] would not come to our office for an interview. The following is a summary of [REDACTED] statement. For exact details please listen to the recordings:

I don't want to be involved. You get harassed. I was coming back from the mailbox with [REDACTED]. The mailbox is down and across the street. (South of the house). I saw the police pull up in the middle of the street. The guys come from around the corner and are next to the fence. The guys are on the passenger door side of the police car, but on the sidewalk. The driver officer said something to them. The guys stopped and the driver walked over to the one guy. By now I'm at my sidewalk. The driver officer, I believe it was him, grabbed the guy and threw him against the fence. It seemed like the officer tried to swing him, but the guy didn't go down. Then the officer yelled gun and stepped back. Then I heard gunshots. I couldn't tell who shot.

When the officers swung him it was by the upper chest. I saw the guys shirt had something in it like a bullet proof vest. It was something square like he stole something. I saw the bulge when the officer grabbed him. It was square. I got in the house and looked out the window. The blind guy that was with the other guy was put in the police car. Later I saw the police cut the guy's shirt but I didn't see the gun. I heard he had a gun.

When the officer swung him, his hands were down by his side. Last night when the officers talked with me I told them I just heard firecrackers. The video in the officer's car should show us coming back from the mailbox. I've been in trouble and to prison I don't want to jeopardize that. I'm not embellishing. I just thought the officers were mad because they couldn't get him down. So they yelled, "Gun," and shot him. Even if he had a gun they shouldn't have shot him as he wasn't reaching for it. The officers just rushed up on the guy. I didn't hear what the officer said. If the guy went to the ground I don't think they would have shot him.

I wouldn't have been scared even if I knew the guy had a rifle because he wasn't pulling it out. If he was reaching for the gun I would be scared as shit and they (the officers) would have been justified. The officer's car was not blocking my view. The officer grabbed him and tried to throw him down before he yelled, "Gun." The blind guy hands were up after the shooting and the blind guy was saying, "I don't got nothing."

It bothers me that they handcuffed the guy after he was dead. I wasn't drinking or taking any meds.

### Narrative Text Report # 5

Document: **02 WITNESS STATEMENT**

Author: **130 - BURKE, DANIEL 0474** (██████████)

Subject: **(SUBJECT #3)** (██████████)

Related date/time: **Jul-08-2012 (Sun.) 2125**

On 7/7/12, approximately 2125 hrs, I spoke to ██████████ at the SPD Hall of Justice. The interview was recorded on DVD, and a copy is available. The following is a summary of ██████████ statement:

I got shot in the head when I was 11 years old, and I'm now blind. I had a complete loss of vision. It's the same whether my eyes are open or closed. It happened during a drive-by shooting over on Fruitridge.

I was bored at the house tonight doing nothing. "Chinito" came over to the house and asked what I was doing. I told him I wasn't doing anything. I told him I wanted to walk around.

I like to walk around. Being blind, it is good to get out and move. I have known "Chinito" for about 4-5 years since my family moved down to 24th St. My brothers met him playing basketball at the park. He lives on Craig, but I don't know the address or his first or last name.

My mom was asking me to go with her. I think she was going to visit my stepdad in Sacramento County Jail (██████████). I told her I would stay behind, because I wanted to go walking with "Chinito". My mom left, and "Chinito" took me out for a walk.

We went walking, and we ended up at "Chinito's" house. He said he was going to go inside and get some water. I stood outside. I have never been inside his house. He came outside, and I was like, "what are we doing here dude? I want to walk around." We were at his house for a couple minutes. He didn't say if anyone was home. I didn't talk to anyone when I was waiting outside, and I don't know if anyone was there. We started walking again. After about 10-13 minutes of walking, we got stopped by the police.

An officer stopped us and asked, "What are you doing?" I knew it was an officer, because I know the sound of a cop car. They didn't turn on the siren. The car just stopped, and they got out real quick. I stopped and said, "He's guiding me around, we're going out around the block". I told the officers I was blind. The officers were cool. They were respectful, and I liked that about them. I don't remember what else the officers said. The officer then started talking to "Chinito". He told the officer I'm blind.

The next thing was gunshots. I got freaked out. The officers didn't say anything. I didn't hear any struggle. I just heard the shots. I think I heard 3-4 gunshots.

I think they yelled something at "Chinito" after the shots were fired, but I don't remember. I think they said "down" or something.

The officer yelled at me to get on the ground, then to crawl to him. I dropped to the ground with my hands up. I had my back against a fence. I crawled toward the officer. The officer then grabbed my arm and dragged me. He put me in handcuffs and put me in the cop car.

I don't know if "Chinito" has any gang ties. He never told me about that. He told me he's 17 years old. I don't know when his birthday is. I don't kick it with him like that. He didn't use any slang terms that I ever heard to make me think he's involved with a gang. He's never told me about having any enemies. I don't know where he goes to school. I know that "Chinito" went to Juvenile Hall for about a month. That was some months ago. I don't know what he went there for.

I live at home with my mom, two younger sisters (12 and 6 years old), and four brothers (22 years old, 20 years old, 19 years old, and 15 years old). They are not involved in gangs.

The boys in my family are [REDACTED], [REDACTED], [REDACTED], [REDACTED], and [REDACTED]. I don't know if they know anything about "Chinito" that I don't know.

I don't know "Chinito" to have any guns. I swear to God, I didn't know he had a gun. He's never said anything in the past to me about having a gun. Never in front of me at least. He didn't say anything to me tonight about a gun. He just asked how far I wanted to walk.

"Chinito" didn't say anything like the cops were coming or anything, I swear to God. He was walking normal. I know how he walks, and tonight was no different.

(I took a break from the interview room, and I also escorted [REDACTED] to the restroom. After the break, I returned to the room and had more conversation with [REDACTED]. I spoke to him about gang ties of his brothers and any tattoos that [REDACTED] may have himself.)

I have no tattoos.

To be straight up, I know my brothers used to hang out with gang bangers. We live on the corner, so people will pass by, stare, and "mean-mug". A month and a half ago, me and my brother [REDACTED] were out front standing there. A car passed by and started "dumping", and that's when they got my brother in the leg (gunshot).

People would associate my family with Southerners. They probably have my brothers down as gang members, because they have a couple friends that are Southerners.

(At this point, I asked [REDACTED] if he would allow our CSI to take a photograph of him. Though reluctant, [REDACTED] agreed to having his photo taken. CSI Ofc Cruz #278 then took photographs of [REDACTED]. I later allowed him to use my phone to speak with his mother to find out where I could drop him off to her, which I did.)

Document: **02 WITNESS STATEMENT**

Author: **122 - BULLARD, RYAN 3135**

Subject: **(WITNESS #8)** [REDACTED]

Related date/time: **Jul-08-2012 (Sun.) 2203**

On 7/7/12, approx. 2203 hrs, I, Det. Bullard (#375) interviewed [REDACTED] at 5770 Freeport Blvd, Interview Room #2. I provided over-head map printouts of the area of Teekay/Dixie Lou for [REDACTED] to refer to during the interview. [REDACTED] related the following to me in summary which was video-recorded:

I live at [REDACTED] Teekay Way and I have lived there for 32 years. I was in my bathroom today and I started hearing gunshots from in front of my house and I ran out front immediately in a matter of seconds because my daughter, [REDACTED] who is five years old was at the house immediately to the east of my house playing. When I ran outside, I saw the police right here (indicating on the west side of Dixie Lou, just south of Teekay Way) and there is a fence right there. I saw the blind kid sitting down right here (indicating the west sidewalk area of Dixie Lou just south of Teekay Way). I know the blind kid, [REDACTED] I don't know who he was with. The blind kid is sitting saying, "I'm blind I'm blind". The police car is facing south on Dixie Lou and the door is open on the driver's side and the officer is standing like this (standing up, motioning with both hands in a horizontal gun-pointing motion) over the car in the "v" of the door with his handgun. The other officer is crouched down here (indicating to the left of the first officer and in the same gun-pointing motion) behind the hood of the car. I couldn't quite see the officer who was crouching down because he was behind the open door from where I could see. They were pointing their firearms in a western direction. When I came out of the house and saw the officer who was standing, I saw him go like this (motioning with her two hands pointing a gun and bringing the gun back vertical), so I don't know if it was recoil or if he was just putting the gun back. The guy was already on the ground. From what I heard in my head, that was the last shot. I heard like six shots.

\*\*I clarified with [REDACTED] that when she saw the officer bring his hands back up that she actually heard a gunshot at that point\*\*

That's the thing, I saw that motion so I don't know if he was shooting and it was recoil or if he was just bringin it back. I don't know for sure if I actually heard a shot then or not.

My bathroom that I was in when I heard the shots is right there (indicating the immediate northeast of the adjoining garage which faces south onto Teekay). I think I heard six shots. After I heard the shots, I was running out through the front door up to my front lawn when I saw the police ([REDACTED] marked an "x" at the upper portion of the front lawn to indicate where she was standing).

\*\*When asked how long after she came outside to when she noticed the officer bring their gun back/upwards in the motion she described\*\*

Oh right away. I have no idea what the person who was laying down (decedent/suspect) was doing at the time when I came out, he was already down which I could see. He had a black hoodie or something on and I can't remember how his hands were because the officers eventually came and handcuffed him behind the back

but he was face-down, he head was pointed south. The blind guy was sitting right there (marked with an "x" on the west side of Dixie Lou St just south of Teekay Wy) and facing east. The blind guy was just sitting saying, "I'm blind I'm blind. I didn't do anything" (motioning with her hands up). I didn't notice anything else being said by anybody. I didn't hear any talking or yelling outside prior to the shooting.

After that, the police officers tell the blind one to crawl to them and then they grabbed him up. A whole bunch of cops showed up and got their gear on with helmets and their shield thing and they approached the guy but he was dead. They took something off of his body, I don't know if it was his wallet or a gun, I don't know. I say that because the object was black and as soon as they retrieved it, they put it in the back of their car. It was about this big (motioning with her two hands approx. 8-10 inches apart from the webbing of her hands), like a wallet is this size (fingertips and thumbs touching each other, slightly smaller). By the time I saw this, I was in front of this house next door (one house west of [REDACTED] Teekay Wy). I don't know how long it was from when I first came out to see what was happening to when they approached the body and took the object off him, it seemed like it was too long, I mean, he was dead.

My daughter [REDACTED] (5 years old) was over here at the time (one house east of [REDACTED] Teekay Wy) saying that they were saying "hi" to the policeman because I always tell her that the police are our friends. She said the next thing you know, this happened. She didn't witness any of what happened though.

I know [REDACTED] and his family from the neighborhood because he mows people's lawns, he trimmed my tree. I don't hang out with his family or anything but I know his family has "sketchy" things going on. Their house at the corner of Teekay/24th has a lot of issues. [REDACTED] family is "shady" because they're gang-bangers.

\*\*On 7/12/12, approx. 1240 hrs, I spoke with (W) [REDACTED] via phone (audio-recorded) where I inquired about her changing her statement as to where she witnessed the above events from possibly inside her house\*\*

Well, yeah, like I said earlier I was in the bathroom in my main room. I was thinking to myself, "how in the hell would I have gotten out there with the shots altogether?". My son had told me that when I came running from my room saying "oh my god they shot him they shot him!", so I had already seen it before I had gone outside. So the last shot from my bedroom window which faces out onto Teekay, like the "last shot" meaning when I saw the officer raise his hand up like it might have been recoil. After that is when I came out on the front lawn area.

On 07/07/12 at approx.2150 hrs, I, Det. Heinlein #294 interviewed [REDACTED] at HOJ. During the interview, [REDACTED] mother ([REDACTED]) was present in the interview room. The interview was video recorded and a copy of the interview was booked into SPD property as evidence. The following is a summary of the interview:

I was at my friend [REDACTED] house tonight. My friend's house is on Teekay near Dixie Lou. **(At this point, I showed w-[REDACTED] an aerial view of the intersection of Dixie Lou St/Teekay Way. W-[REDACTED] pointed out on the map where he was standing at the time of the shooting and his friend's house where he was at. He also pointed out on the map the location of the police car and where the subjects were contacted.)**

My friend [REDACTED] and I were riding a bike when the police came by. We saw the police coming down Teekay (W/B) and then they turned down on Dixie Lou. (S/B) They were not driving fast, they were driving slow. When they turned onto Dixie Lou, the police car stopped. When they stopped their police car we stopped riding our bicycle at the fire hydrant near [REDACTED] house and watched them. I saw that there was a blind guy being lead by the guy that got shot. The blind guy had his right hand on the other guy's left shoulder and they were on the sidewalk. **(w-[REDACTED] and his mother demonstrated on camera how they were walking. The blind subject had his hand on the shoulder of the subject who had been shot.)** I know the blind guy from the neighborhood. I don't know his name but I see his friends walking around the neighborhood sometimes. I don't know who the other guy was, the guy who got shot. They were walking down (S/B) Dixie Lou on the right side (West side) of the street.

When the police car stopped I didn't hear them say anything to the guys. I didn't hear the other guys say anything to the officers either. I saw the passenger of the police car get out quickly and then he ran around the back of the patrol car to the driver's side. I heard the driver yell, "He has a rifle!" That's when the driver of the car leaned over the top of the car and started shooting. The driver had his gun pointed at the guy when the other officer ran around the back of the car. I heard three gunshots and the guy that was leading the blind guy fell to the ground. The blind guy went up to the wood fence, dropped to his knees with his back against the fence and yelled, "I can't see, I didn't do anything...." The guy that was on the ground was laying face down on his stomach. As he was laying on the ground, he was looking at the police. I saw him reach behind his back with his right hand as if he was reaching for his waistband and then the officer shot three more times. The driver was the officer that did all the shooting. The passenger did not shoot, he only pointed his gun at him.

I did not see if either the blind guy or the guy that got shot had any weapons. I did see that the guy that was leading the blind guy had a gray cell phone in his left hand when they were walking. He didn't do anything out of the ordinary with the phone. After the guy had been shot the blind guy was on his knees with his hands up. He said that he didn't have any weapons so the police had him crawl to him where they pulled him

behind the police car. The officers remained behind the police car for about five minutes, until their back-up arrived. The officers that were involved in the shooting were the one's that handcuffed him. The fire truck and the ambulance came shortly thereafter.

When the officers stopped these guys they didn't put their lights on or chirp their siren. The blind guy lives on Teekay on the corner and has friends on Dixie Lou. I never saw a rifle or any other weapons on the guy. I didn't see they guy act as if he had a weapon under his shirt or in his pants, he just turned towards the officers when they pulled up.

On 07/07/12 at approx. 2333 hrs, I, Det. Heinlein #294 interviewed Ofc. Trefethen at HOJ. Prior to the interview, Sgt. McCloskey conducted a round check of Ofc. Trefethen's firearm and extra magazines. (See Sgt. McCloskey's Observations for details) During the interview, SPOA Representative, Dustin Smith was present in the interview room. This interview was video recorded and a copy of the interview was booked into SPD property as evidence. The following is a summary of the interview:

I was hired with the City of Sacramento Police Department in January, 2009. I am currently assigned to swing shift, Team 23. It is the Sector 4, swing shift team out of the South Station. The swing shift time is 1430-0030 hrs. My days off are Monday, Tuesday, Wednesday. I do not carry any back up firearms, I only carry the department issued .40 caliber. I have only been assigned as a patrol officer with the department and have worked both the north and south areas of Sacramento.

My partner is Mike Severi, we usually ride together. For the past month we have been working as a "TAC" car for sector 4 and 5. As the "TAC" car we are assigned to a special detail to reduce gang violence. We make proactive attempts to fight crimes in progress, reduce gang violence and make arrests. We generally don't handle calls for service.

Today we were out on patrol and we were S/B on 24th St. We turned E/B onto Kim Ave to Laramore which pops onto Teekay. We got onto Teekay and were driving W/B on Teekay. As we approached Dixie Lou, I saw two male Hispanic subjects who appeared to be in their late teens to early 20's walking E/B on Teekay, on the south sidewalk. As we got closer, they continued around the bend and walked S/B on Dixie Lou on the west side of the street. They were walking along the fence line. When I first saw them, I saw that they were following each other and the subject that was second in-line was shuffling and seemed to be holding on to the first guy by the shoulder. He had his head down towards the sidewalk. I also noticed the first guy walking un-naturally, but not as much as the second guy. In my opinion, he had an un-natural gait, similar to a shuffle. I don't know if was because the other guy was holding onto him or what, but I thought it was odd. I thought that the second subject was possibly hurt. They turned S/B so we turned S/B along side of them and stopped the patrol car in the road. Ofc. Severi was driving the car and I was the front passenger.

We were in the area conducting a routine patrol. This is an area which we recently frequent. There have been shootings in the area, pursuits in the area and we have made arrests in the area. It is a high narcotic and gang area. When Ofc. Severi stopped the car, I got out of the vehicle and asked if they were okay. The second subject replied that he was blind. At this point, I was out of my patrol vehicle and I was trying to watch both of the subjects as I primarily talked to the blind subject. He told me he was blind and in the past he had been shot in the head. He bent forward and showed me that he had a scar on the top of his head. I started to pay more attention to the other subject who hadn't said anything. I noticed he was wearing a solid red shirt and over his shirt he was wearing a sweatshirt that wasn't all the way zipped up. As I continued to observe him, I could

see that the top portion of his red shirt was protruding outward from his chest. I could see what appeared to be the butt stock of a long-gun, such as a rifle or shotgun.

I don't think they saw us prior to turning onto Dixie Lou because they never looked back at us until we pulled up beside them. I don't know if they saw us on Teekay. When I believed that he had a long-gun down the front of his shirt, I looked more at his body language and could see that his right hand and arm were clutching his stomach/waistband area against his body. Prior to this, at the on-set of the contact, I told Ofc. Severi to get out of the car because I had a weird feeling about how both of them were walking. I just stepped out of the car for a couple of seconds, had assessed the two individuals and told Ofc. Severi to step out. I told him in a serious tone, like he needed to come around to me. I didn't look back at Ofc. Severi when I said this, but I could hear him coming around the back of the patrol vehicle and behind me. After I started to recognize that the subject had a long-gun down the front of his shirt, I was only about 5 feet from him because the other guy had shown me his scar where he had previously been shot in the head. I felt Ofc. Severi come up closer to me from the right and I remember thinking that the guy with the scar was possibly intoxicated, had a learning disability or just a little bit slow. He didn't seem to be as big of a threat to me as the other subject. I started making more observations of his body language and believed that he had a concealed firearm on him.

At the point, that Ofc. Severi came up and the subject was standing with his back towards that long fence-line. I stepped closer to him and he didn't move. I took the opportunity to reach out and grabbed onto the upper stock with one hand and the lower stock with my other hand which was near his abdomen. **(Ofc. Trefethen demonstrates how he grabs the firearm with both hands, using his right hand to grab the butt-stock of the firearm and how he uses his left hand to grab the receiver portion of the firearm near the subject's abdomen.)** When I grabbed it, I tried to lock it out and at this point he got real nervous. His eyes got real big and he didn't say anything. He didn't pull away like he was trying to bolt and run, he immediately tensed onto it **(Ofc. Trefethen demonstrates with both hands)** and I could feel his resistance as he was trying to pull the barrel end of the gun upwards into my leg and towards my body. He seemed to have more leverage and I wasn't able to keep it down so I turned him to the side and I tried to reach around the back of his neck to see if I could maybe throw him down to the ground. He was standing upright and I couldn't do it. I think I hit my elbow on the fence as I came around and I didn't have any leverage. This all happened very quickly and he continued to pull the gun up. I thought he was trying to get the gun out from under his shirt to access it better.

At this point, I made the decision that I wasn't able to control the firearm or his body so I disengaged from him by pushing off of him. My plan was to access my weapon and head for the front of my patrol vehicle to see if I could get around it for some cover. In my mind, in less than a second after disengaging from him and trying to retreat for cover, I heard several shots fired, approximately 4-6. By this point, I was rounding the front of the patrol vehicle and looking back when I saw the subject who I believed had the gun was in the process of falling face down with his arms and hands underneath him. I went around the front of the patrol vehicle, drew my weapon and put him at gun-point. For a few seconds he rustled on the ground, moving back and forth. He never tried to push himself up get up, he just moved around a little bit. I could see a couple streams of blood on the sidewalk and I could see Officer Severi round the back of the patrol car and come over to the driver's side.

I think we both gave the second subject commands not to move and I saw him sit down on the ground. He put his hands to the side and up against the fence. He was cooperative. Officer Severi eventually came over to the front of me. I knew that there were other units tied up on other calls so I knew there weren't other units in the immediate area. I made the decision for Ofc. Severi to maintain gun-point on the subject while I holstered my weapon. I went to the back of our car and I had the second subject crawl to me in a prone position. I made contact with him near the back quarter panel of our car, handcuffed him and patted him down for weapons. He had no weapons on him so I secured him the back of our patrol vehicle. I went back to the front and put the other subject at gun-point until other units got there.

When other officers got there, they replaced me. I was not part of the arrest/contact team. At the initial time of our contact with these individuals, we did not activate our overhead lights or chirp our siren. We had an in-car camera (ICC) in this vehicle and just prior to me getting out of the car, I reached up and hit the manual record button and stepped out. I didn't have the chance to ask who they were or have them verbally identify themselves. This all happened very quickly. I only had time to talk to the blind individual and then focus on the subject who I thought had a firearm down the front of him. During the course of the struggle with the subject with the gun, when I realized that I wasn't able to keep the front of the gun down and I had to disengage, my instinct was to get to some type of cover because I thought he was in the process of bringing the gun up. I thought that he was going to shoot me. The way that I tried to get to the side of him, he turned into the direction that Ofc. Severi would have been. I thought he might be turning into Ofc. Severi and possibly engaged him. I have never seen these guys before and I have never dealt with them before.

When I went to grab the long-gun and locked onto it, he didn't say anything, he had a very nervous look in his eyes. He became very resistive in his facial expressions and I told him to "Stop!" two times. It didn't seem to process, he didn't have any explanation. I think he grunted a few times as he was trying to force the gun up. I don't remember him saying anything.

I think he was about the same height, maybe a little taller than me but strong. I only weigh 150 lbs so I would say he weighs as much as I do or more. Based on the way that he had his hands on the gun and the leverage that he had, I was not able to over power him and keep the gun down. I grabbed the butt-stock of the gun with my right hand and my left hand went lower. I believe his left hand was free and his right hand was holding it from just sliding down the front of him. I don't believe he was up against the fence but he was inches from the fence. I didn't see what the blind individual did when I grabbed the gun, I think he had already let go of the subject with the gun. When I initially stepped out of the car I was dealing with two individuals.

I felt that initially when I was standing in front of the guy with a gun and he was beginning to leverage it up, he was going to bring it up the front of me and possibly slip his hand underneath and shoot me in the chest or legs. I tried to move around to the side of him. Initially, I tried to reach around the front of his neck to try and pull him down but he had equal resistance. I was thinking that he would be more able to finish bringing the gun up if I continued to do what I was doing, which wasn't working. So, I stopped with that and disengaged from him and ran around the front of the vehicle. I believe that after we put out the shots fired, a few second later I think that I requested Fire and asked them to stage because it was not safe for them to enter. I did not fire any rounds.

The shots that I heard were all in rapid sequence. **(At this point, I obtained an aerial photograph of the area of Teekay/Dixie Lou St and had Ofc. As I was talking to the subject that was saying that he was blind, I was trying to formulate a plan in my head without letting him know. I was unable to talk to Ofc. Severi because I didn't want the suspect to know what my intentions were. I didn't want him to be able to formulate a plan based on what he thought I knew. I tried to position myself to where I would wait for Ofc. Severi to come over.

Document: **02 WITNESS STATEMENT**

Author: **463 - JASPERSON, KYLE 0440** ( )

Subject: **INTERVIEW WITH** ( )

Related date/time: **Jul-09-2012 (Mon.)**

On 7-7-12 at approx 2131 hours, I contacted Witness ( ) in interview room #1 at SPD Headquarters. This interview room is recorded (audio & video).

( ) had initially been contacted at his house ( ) Dixie Lou St) by Ofc. Napper, and then transported to headquarters for an interview.

During my interview with ( ), he told me the following in summary:

I was at my baby's mom's house, ( ) Dixie Lou St. (Note: He told me that he lives at ( ), but it is believed that he actually does live at ( ) Dixie Lou St.) My baby's mom is ( ).

I was inside my house ( ) Dixie Lou St). My son was asleep on the couch. My son's name is ( ). He is two (years old). ( ) is my step-son.

My son was asleep on the couch, but he woke up and said he had to go potty. So I took him to the bathroom. When you walk to the bathroom, ( ) bedroom is right there to where you can look out and see (towards the street). I seen the police pull up. I thought it was just going to be a random stop or something like that so I wasn't trippin'.

When my son got done peeing, I walked back (by the window) and I kinda glanced out the window. The police was like "Get on the ground! Get on the ground!" I was just hearing that (and not seeing it) because my trees are right there (apparently in the front yard blocking his view).

I put my son back on the couch, and then I heard "boom boom boom boom boom" (gun shots). I was like, "Wow. What the fuck?"

[I asked ( ) who was in the house at the time.] It was just me and my 2-year old son (who were home at the time).

[I asked ( ) where the bedroom window was that he initially looked out and saw the officers. I provided him with a paper and pen and asked him to sketch the layout of the house and show where this bedroom was in relation to the street. He ultimately drew a sketch which made no sense. He referred to the street being on two different sides of the house, which it is not. I did not understand what he was trying to explain to me and/or draw for me. However, he did tell me that ( ) room, where he looked through the window, did face the street.]

[I asked him what was the first thing that caught his attention.] The officers yelling "Get on the ground! Get on the ground!" It was two Mexican dudes that they (the officers) were talking to. One dude got on that ground

like this (demonstrated holding his hands up in the air). The other guy was just standing up (not getting on the ground).

I thought it was just a routine stop. By the time I put my son on the couch and patted him on the back, I heard "boom boom boom boom boom" (gunshots). I heard like five shots. They were all one right after the other. It sounded like a firecracker.

When I heard the shots, I went like this (demonstrated ducking down). After that I went out the front door. The officers told me to "Get back in the house".

[I asked him if he saw anyone with a gun.] After he (the suspect) was on the ground, they (the officers) pulled the gun (from the suspect)...that's what I seen. Maybe that's the reason he (the suspect) couldn't kneel down (because he had a long gun on him)? It was a long brown gun with a clip on it. I used to live in Oregon and I've seen "thirty-aught-sixes" (.30-06) and "three-oh-twos" (.302) so that's what I thought it was. It looked like a hunting rifle.

[I asked him where he saw this gun at.] The officers pulled it off of the guy who got shot (the suspect).

[I asked him if he saw anyone else with a gun, besides the officers.] No. The other dude (who kneeled down) was just like "I don't have nothing. I don't have nothing."

[I asked him if he knew either one of these guys (who the officers stopped).] I couldn't really tell.

[I asked him more about specifically where the gun was when the officers took it off the suspect.] He (the suspect) was laying on his stomach and they (the officers) just pulled it out like this (demonstrating pulling the gun out as if it was under the suspect). They (the officers) showed it and it had a big clip on it. I was like "Wow".

[I asked him if he heard anyone yelling anything about a gun.] Yeah, one of them (officers) said "He has a gun!" and then the police officer took cover behind his car. I heard that when I was putting my son down (on the couch). I heard them (officers) say "He has a gun!", and then as soon as I put my son down I heard "bam bam bam bam bam" (gunshots).

I had already walked away from the window at that point and was in the living room.

[I then reviewed ██████ statement so far with him. While doing so, he added the following information regarding when it was that the officers removed the gun from the suspect:] They waited until he (the suspect) was dead - until backup came - and that's when they pulled the rifle off of him (suspect) and cuffed him up.

[I asked him if there was anything else that happened.] That's pretty much it.

[I asked him if he saw which officer shot.] No. There was just two officers there before the other (backup) officers came.

[I asked him if he knew where [REDACTED] was during this incident.] I think he was outside. I couldn't say where he was at.

[I asked him if his girlfriend ([REDACTED]) was at the house.] No. She was gone. She was out fishing.

\*NOTE: I then took a break and left the room. When I returned to the interview room, I brought an aerial photo depicting the area around [REDACTED] Dixie Lou St and the location where the shooting happened. I showed this photo to [REDACTED]. He identified the house he was at ([REDACTED] Dixie Lou St). I asked him to put an "X" where the bedroom was located where he looked out the window. He put an "X" over the S/W part of the house that faces Dixie Lou St.

I asked him to draw a box where the officers' car was parked. He drew an "X" in the roadway across from his house. I then asked him where the two subjects were that the officers contacted. He drew two "X's" on the west sidewalk across from his house and adjacent to where he said the police car was at. I asked him where he saw the officers, and he drew two small dots in the middle of the roadway next to where he said the police car was located. He said that he saw the officers in these spots behind the patrol car after the shots were fired.

I asked him how far out from his house did he come when he went outside. He drew an "X" in the middle of the front yard. He said this point is where he was standing when he saw the officers approach the suspect and pull the gun out from under him.

\*NOTE: After the interview, [REDACTED] was given a ride in a taxi cab to an area near his house per his request. I subsequently called Sgt. Martinson, who was supervising the processing of the scene, and asked him to have CSI take "perspective" photos from the locations where [REDACTED] indicated that he made his observations from (i.e. the front bedroom window and the middle of the front yard).

The DVD recording from [REDACTED] interview will be booked into evidence under PR #744685, along with the aerial photo shown to [REDACTED] and the sketch that he drew.

Document: **06 DETECTIVE SUPPLEMENT**

Author: **130 - BURKE, DANIEL 0474** (██████████)

Subject: **DET BURKE #474 - SUPPLEMENT**

Related date/time: **Jul-08-2012 (Sun.)**

I, Det Burke #474, am assigned to the Office of Investigations, Homicide Unit.

On 7/7/12, at approximately 1910 hrs, I received a phone call from SPD Communications requesting my assistance on a Homicide team call-out regarding an officer-involved shooting. I was asked to respond to the location of Teekay Wy and Laramore.

At approximately 2005 hrs, I arrived on scene. I approached from the west on Teekay Wy and checked in with the scene recorder, Ofc Mok #615. I noted that there was crime scene tape securing the scene from my approach. There were several bystanders outside, and I observed an inner and outer perimeter to keep both bystanders back and to protect the scene.

The following additional detectives responded to the call as part of the investigative team: Sgt McCloskey, Sgt Martinson, Det Heinlein, Det Bullard, Det Jasperson, Det Trimpey, and Det Higgins. At 2012 hrs, I attended a briefing of the investigative team that was done by Sgt Morris #3043. He relayed facts known to him at the time. Per the briefing, Ofcs Severi and Trefethen were on patrol when they observed two subjects (Decedent: Ascencion Herrera - who was currently unidentified, and ██████████, who was later determined to be blind) walking on Teekay Wy. One of the subjects was holding his crotch area, and the other subject had his hand on the first subject's shoulder. The officers contacted the subjects and saw the stock of a rifle sticking up out of the shirt of the first subject (Herrera). Ofc Trefethen attempted to grab the rifle, but Herrera began struggling with Ofc Trefethen. The subject was attempting to position the rifle and point it towards the officers. Ofc Severi fired his weapon and struck the subject, who went down. A contact team was set up, as the suspect had fallen with his hands under the front of his body. Officers approached and detained S-Herrera in handcuffs. The Sacramento Fire Department responded and pronounced S-Herrera dead. Officers had spoken with ██████████, but he was unable to give any information about Herrera.

I observed the scene on Dixie Lou south of Teekay Wy. I observed a subject face down on the west sidewalk who was handcuffed behind his back. I did not enter the scene. Sgt McCloskey assigned me to interview ██████████ (identified by last name: ██████████), and I responded to the SPD Hall of Justice.

At 2125 hrs, I conducted an interview of ██████████. At the conclusion of the interview, I transported ██████████ to his mother ██████████ at ██████████ 41st Street.

At 2330 hrs, Sgt McCloskey provided me with the service pistol, magazines, and ammunition of Ofc Severi #456. Det Jasperson took photos of the pistol, magazines, and ammunition. Ofc Severi's pistol had a tactical light on it. We removed this light and placed it on a temporary replacement pistol for Ofc Severi. I later booked the pistol, magazines, and ammunition into evidence.

Document: **06 DETECTIVE SUPPLEMENT**

Author: **412 - HIGGINS, THOMAS 7616**

Subject: **CRIME SCENE SUMMARY**

Related date/time: **Jul-08-2012 (Sun.)**

### **Notification:**

At approximately 1937 hours, 7/7/12, I (Detective Higgins) was advised by Sgt. McCloskey of an officer involved shooting call-out in the area of 24st and Teekay Way. I was asked to respond to assist in the investigation. I responded from home.

### **Arrival:**

I arrived at approximately 2006 hours and checked in with the crime scene recorder, Officer Mok. I observed the crime scene to be secured by yellow crime scene tape and uniformed police officers. Sergeant McCloskey, Sergeant Martinson, Detective Heinlein, Detective Bullard, Detective Jasperson, Detective Trimpey, and Detective Burke also responded to assist in the investigation.

### **Briefing:**

At approximately 2012 hours, Sergeant Morris gave a briefing of the facts as known to him at that time. He stated the following in summary:

At approximately 1835 hours, Officer Severi and Trefethen were on patrol when they observed two subjects (the decedent later identified as Ascencion Herrera) and [REDACTED], (who was later determined to be blind) walking on Teekay Wy. One of the subjects was holding his crotch area, and the other subject had his hand on the first subject's shoulder.

Officer Trefethen contacted the subjects and saw the stock of a rifle sticking up out of the shirt of the first subject (Herrera). Officer Trefethen attempted to grab the rifle and Herrera began struggling with Officer Trefethen.

Herrera made a sweeping motion with the rifle and attempted to point it towards the officers. Officer Trefethen then retreated and Officer Severi fired his weapon at the subject, who went down. Other officers responded and a contact team subsequently approached the suspect who had fallen with his hands under the front of his body. These officers detained Herrera in handcuffs and had to cut the gun out of his clothing. Sacramento Fire Department Engine #16 and Medic #7 responded and pronounced Herrera dead at 1856 hours.

Officers spoke with [REDACTED] but he did not provide any identifying information about Herrera.

At the intersection Teekay is curving from an east/west bound street to a north/south bound street. The shooting occurred on the sidewalk area on the west side of Dixie Lou south of Teekay. There is a wood fence for the residence at [REDACTED] Teekay that abuts the sidewalk. The fence extends from the east side of the house to the sidewalk. Numerous items of evidence were documented and collected from the crime scene. For exact locations and descriptions of all evidence please refer to the CSI reports and photographs.

The following evidence were collected and booked under Property Report #744528 by Officer Vu.

Item #:	Description / Location
#1	Winchester .40 cal S&W fired casing
#2	Winchester .40 cal S&W fired casing
#3	Winchester .40 cal S&W fired casing
#4	Winchester .40 cal S&W fired casing
#5	Winchester .40 cal S&W fired casing

Items #1-#5 were clustered on the sidewalk and dirt near the apex of the east and north sections of the rear fence for [REDACTED] Teekay Way.

#6                      Black 59fifty BB cap.

The hat was upside down against the same fence several feet north of the suspect's feet. (Note: there was black latex glove next to the hat that was not collected as it appeared to have been left by emergency/police personnel during the arrest/medical intervention.)

#7                      Black Metro PCS Kyocera cell phone.

The back and battery of the phone were separated from the phone. All three items were close together between the suspect's right ankle and lower leg and her fence.

#8 There was what appeared to be a fresh bullet hole to the west portion of the fence of [REDACTED] Teekay Way south of the suspect. The bullet was in the fence board approximately 10 inches from the ground. We took the fence apart in an effort to recover this bullet. This bullet appeared to have traveled south into the adjacent board and then into the top of the two by four bottom support for the fence. It traveled along this support for approximately a half foot before disappearing. Despite an extensive search we were unable to recover this bullet. However, we used a laser that showed this bullet hole had a trajectory that was consistent with Officer Severi's position.

This rifle had been moved into a patrol car prior to our arrival.

### **Investigative follow-up:**

At approximately 1937 hours, 7/7/12, I (Detective Higgins) was advised by Sgt. McCloskey of an officer involved shooting call-out in the area of 24th Street and Teekay Way. I was asked to respond to assist in the investigation. I responded from home. I arrived at approximately 2006 hours. I was assigned as the scene detective. For details regarding the crime scene please see the crime scene summary.

At approximately 1115 hours, 7/8/12, Sgt. Martinson and I responded back to the crime scene to check for any expended bullets or other evidence. We took apart the fence to try and locate the bullet that had been fired into the fence. We could not locate this bullet. Sgt. Martinson then replaced the damaged fence boards.

At approximately 1145 hours, I saw and heard two subjects (later identified as [REDACTED] and [REDACTED]) talking loudly in front of the residence as if they were trying to get the attention of media personnel who were present. They were talking about seeing the shooting and made references about it being unjustified. Media personnel went over and talked to them. I then, walked over and obtained statements from them

I also, took video of where they said they were when the shooting occurred. Both [REDACTED] and [REDACTED] indicated they were near or in the front yard of their residence, [REDACTED] Dixie Lou when the shooting occurred. [REDACTED] and [REDACTED] both indicated they were initially toward the west side of the street across from their house, [REDACTED] Dixie Lou, when the officers pulled up. They both stated they walked over to their front yard and that the officer's car did not interfere with their view. [REDACTED] said that she was near the sidewalk in front of her house when the shooting started and she was midway to the front door when it stopped. [REDACTED] indicated he was in the middle of the street when the shooting started. CSI took photo's of their vantage points.

I reviewed the ICC video which showed two subjects who appeared to be [REDACTED] and [REDACTED] walking east bound across the street south of the shooting. They both reach the sidewalk in front of [REDACTED] Dixie Lou. [REDACTED] then paused at the sidewalk while [REDACTED] continued walking up toward the residence and is about midway up when the shooting occurs. [REDACTED] clearly appears to be watching the officers while it can not be determined if [REDACTED] was looking at the officers.

Subject: **DET. JASPERSON'S OBS**

Related date/time: **Jul-09-2012 (Mon.)**

I, Det. Jasperson, am currently assigned to the Homicide Unit. On 7-7-12 at approx 1912 hours, I received a call at home from Dispatch requesting that I respond to the area of Teekay Wy/Laramore Wy for an officer-involved shooting. I responded to that area and arrived at approx 2005 hours.

At approx 2012 hours, I attended a field briefing conducted by the sector patrol sergeant (Sgt. Morris - 3SM4). Also present for this briefing, were the following investigators, supervisors, and management personnel: Det. Bullard, Det. Heinlein, Det. Burke, Det. Johnson, Det. Trimpey, Det. Higgins, Sgt. McCloskey, Sgt. Martinson, Sgt. Pettit, Sgt. Vasallo, Sgt. Chase, FI Boyd, CSI Cruz, Lt. Johnson, Lt. D. Risley, Lt. Davis, Lt. Faulkner, Lt. Eklund, Capt. Schneider, and Capt. Peletta. Additionally, Ofc. Smith (SPOA) and Francine Tournour (OPSA) were present.

During the field briefing, we were informed of the facts of the case as they were known at the time, including the following (in summary):

At approx 1835 hours, Ofcs. Trefethen and Severi (unit TAC50) were driving westbound on Teekay Wy when they saw two subjects walking on Dixie Lou St. One of these subjects had his hand on his crotch area, and the other subject was walking behind the first subject with his hand on the shoulder of the first subject. The officers made contact with these subjects and determined that one of them was reportedly blind (the one walking behind the first subject).

Additionally, Ofc. Trefethen saw that the first subject had a rifle under his shirt and that the stock of the rifle was protruding out of the top of his shirt. Ofc. Trefethen attempted to grab the rifle. However, the subject resisted and attempted to bring the rifle up (to where it could potentially be fired at the officers). Ofc. Trefethen then pushed the subject with the gun and broke contact with him and tried to retreat to a position of cover. Ofc. Severi then fired approx six shots at the armed subject. The armed subject subsequently dropped to the ground.

A "shots fired" call was broadcast by the officers at approx 1836 hours. Ofcs. Trefethen and Severi held the armed subject at gunpoint until backup officers arrived. During that time, there was no movement observed by the armed subject. Once backup officers arrived, along with the sector supervisor (Sgt. Morris), the officers formed a five officer "contact team" (consisting of Ofcs. Fox, Stambaugh, Peckinpugh, Trejo, and Hanson) who used a body bunker (shield) to approach and make contact with the armed subject. The subject was detained and found to have an unloaded Mini-14 assault rifle under his shirt. This rifle was removed from him and secured in the locked trunk of patrol vehicle #11533.

At approx 1856 hours, SFD Engine 16 and Medic 7 arrived on scene and pronounced the armed subject deceased. He was not transported from the scene.

We were told that the ICC was activated in the primary officers' vehicle (#11548).

The deceased subject's identity was not known at the time of the briefing (though he would later be identified as Ascencion Herrera, DOB: 12-28-94). The blind subject who was with him was identified as [REDACTED], DOB: [REDACTED]. (Note: [REDACTED] reportedly told patrol officers that he didn't know the real name of the suspect and that he only knew him by the nickname "Chonito".)

We were told that a neighborhood canvass had already been done (by patrol), and that there were three witnesses who either heard and/or saw some part of the incident. These witnesses were identified as: [REDACTED], [REDACTED], and [REDACTED]. (Note: We were told that [REDACTED] was initially uncooperative with officers and was currently waiting with Ofc. Napper.)

After the field briefing, at approx 2030 hours, I participated in a limited walk-through of the scene. (Note: I did not walk up to where the shooting actually occurred. I just stood at Dixie Lou St/Teekay Wy, where I was able to make my observations.) I observed the deceased suspect laying face down on the west sidewalk of Dixie Lou St, just south of Teekay Wy, and across from a house at [REDACTED] Dixie Lou St. He appeared to have his hands cuffed behind his back. I saw police patrol car #11548S parked facing south in the roadway of Dixie Lou St and adjacent to where the deceased suspect was lying.

I then went to SPD Headquarters to assist with interviewing witnesses. While at headquarters, I interviewed Witness [REDACTED]. (See his attached statement.) I also took (8) digital photos of Ofc. Severi's duty handgun/mags/ammo prior to Det. Burke booking these items. I copied these (8) photos to a CD and booked the CD into evidence (under PR #744524).

I am currently assigned to the SPD Homicide Unit where my primary responsibilities are to investigate homicides, officer-involved shootings and suspicious deaths. I responded to the area and arrived at approx 2009 hrs and checked in with the Crime Scene Recorder, Ofc. Mok #615. Upon my arrival, the following members of the investigative team were present: Captain Peletta, Capt. Schneider, Lt. Ekland, Lt. Johnson, Lt. D. Risley, Lt. Davis, Lt. Faulkner, Sgt. McCloskey, Sgt. ### BRIEFING:

At approx 2012 hrs, the investigative team attended a field briefing conducted by Sgt. Morris #3043. During the field briefing Sgt. Morris informed us of the facts of the case known to him at that time. The following is a brief summary of the briefing given by Sgt. Morris:

*At approx 1835 hours, Ofc. Trefethen and Ofc. Severi (unit TAC50) were driving westbound on Teekay Wy when they observed two subjects walking south on Dixie Lou St. One of these subjects had his hand on his crotch area and the other subject was walking behind the first subject with his hand on the shoulder of the first subject. The officers made contact with these subjects to see if they were okay and determined that one of them was reportedly blind (the one walking behind the first subject).*

*Within seconds of the initial contact, Ofc. Trefethen observed that the first subject had what appeared to be a rifle under his shirt and that the stock of the rifle was protruding out of the top of his shirt. Ofc. Trefethen attempted to grab the rifle. However, the subject resisted and attempted to bring the rifle up (to where it could potentially be fired at the officers). Ofc. Trefethen could not subdue the subject so he pushed the subject with the gun, broke contact with him and tried to retreat to a position of cover behind his patrol car. Ofc. Severi then fired approx six shots at the armed subject striking him. The armed subject dropped to the ground where officers held him at gun-point until additional units arrived.*

*A "shots fired" call was broadcast by the officers at approx 1836 hours. During that time, there was no movement observed by the armed subject. Once backup officers arrived, along with the sector supervisor (Sgt. Morris), the officers formed a five officer "contact team/arrest team" which consisted of Ofcs. The deceased subject was later identified as Ascencion Herrera, DOB 12-28-94). The blind subject who was with him was identified as [REDACTED], DOB: [REDACTED]. In an initial preliminary interview with (w) [REDACTED], he stated that he didn't know the real name of the suspect and that he only knew him by the nickname of "Chinito."*

Prior to the investigative teams arrival, we were told that a neighborhood canvass had already been completed by patrol officers and that there were three witnesses who either heard and/or saw some part of the incident. These witnesses were identified as: [REDACTED], [REDACTED], and [REDACTED]

### WALK-THROUGH:

After the field briefing was completed, I participated in a limited walk-through of the scene at approx 2030 hours. I did not actually enter the crime scene but viewed the scene from the exterior crime scene tape line at Dixie Lou St/Teekay Way. I observed the deceased suspect laying face down on the west sidewalk of Dixie Lou St, just south of Teekay Wy. He was on the sidewalk across the street from [REDACTED] Dixie Lou St. The subject was handcuffed with his hands behind his back. The subject was wearing blue jeans, a black sweatshirt and a red shirt under his sweatshirt. I observed a black baseball hat laying on the sidewalk next to the victim and a small amount of blood on the sidewalk next to the suspect. A marked, black and white patrol vehicle (#11548S) was parked in the roadway of Dixie Lou St, facing south. From my vantage point it appeared that that marked patrol vehicle was adjacent to where the suspect way laying.

### FOLLOW-UP:

I was assigned by Sgt. McCloskey to interview Officer Trefethen at HOJ. I transported Ofc. Trefethen to HOJ where he met with SPOA representative Dustin Smith. Once at HOJ, I interviewed (w) [REDACTED] [REDACTED] at 2150 hrs. Due to the nature of the incident and (w) [REDACTED] age, his mother, [REDACTED] was present during the interview. The interview was video recorded and a copy of the interview was booked into SPD property as evidence. (See statement for details.)

At approx. 2333 hrs, Sgt. McCloskey conducted a "round count" of Ofc. Trefethen's duty weapon in the interview room. Once the "round count" was completed, I interviewed Ofc. Trefethen. The interview was video recorded and a copy of the interveiw was booked into SPD property as evidence. (See statement for details.)

I, Det. Bullard (#375) am currently assigned to the Sacramento Police Department's Homicide Unit. On 7/7/12, approx. 1905 hrs, while off duty/on-call, I was notified via phone by SPD dispatch of an officer-involved shooting in the area of Teekay / Laramore.

At approx. 1945 hrs, I arrived on scene in the area of 25th Street and Teekay Way where crime scene tape had been put up, blocking off Teekay Way from public access. I drove my police vehicle into the taped-off scene and parked on the south side of Teekay Way, approx. a half a block west of Dixie Lou St. I checked in with crime scene recorder Ofc. Mok (#615).

At approx. 2012 hrs, patrol Sgt. Morris (#3043) conducted a crime scene briefing with investigators in the middle of the street of Teekay Way just west of Dixie Lou St (\*See Crime Scene supplement for briefing details\*). According to the briefing, Ofc. Severi (#456) and Ofc. Trefethen (#566) contacted two subjects at Teekay Way and Dixie Lou Street where one of the subjects was armed with a rifle and Ofc. Severi shot the armed subject (later identified by Coroner's Office as Ascencion Herrera/Xref: [REDACTED]). Sgt. McCloskey assigned me to interview Ofc. Severi. As Ofc. Severi was still on scene and sequestered in a patrol vehicle, I advised him and his legal representative Jeffrey Schaff that I would be interviewing Severi and that we would be conducting a crime scene walkthrough.

At approx. 2053 hrs, I conducted a crime scene walkthrough with Ofc. Severi, Jeffrey Schaff, Sgt. Martinson (#3022), CSI Boyd (#6378), Det. Higgins (#447), and Internal Affairs Sgt. Vassallo (#3047). Ofc. Severi stated he was standing near the passenger side door of his patrol vehicle (#11548/still on scene on Dixie Lou St, just south of Teekay Way and facing southbound), facing in a slightly southwest direction, and fired what he believed was five rounds at the suspect and that the suspect did not fire any rounds. I observed the body of a male subject laying face-down, head pointed in a south direction, with his hands cuffed behind him just south of the above patrol vehicle.

At approx. 2100 hrs, I cleared from the scene, en route to 5770 Freeport Blvd (HOJ) for interviews.

At approx. 2200 hrs, Forensic Investigator Ofc. Cruz (#278) took overall photos of Ofc. Trefethen and Ofc. Severi while at HOJ.

At approx. 2203 hrs, I interviewed (W) [REDACTED] at HOJ in Interview Room #2 (\*See [REDACTED] statement\*). At approx. 2245 hrs, I transported (W) [REDACTED] back to her residence ([REDACTED] Teekay Way/ within the taped off crime scene area) for perspective photos. Sgt. Martinson as well as one of the Forensic Investigator Ofc. Vu (#391) accompanied (W) [REDACTED] and I to the front yard of [REDACTED] Teekay Way where she stated she witnessed the events immediately following the shooting. (W) [REDACTED] remained at her residence at the conclusion of this.

Subject: **TRIMPEY: OBSERVATIONS**

### OBSERVATIONS

I have been employed by the Sacramento Police Department as a Police Officer since 2001. I am currently assigned to the Office of Investigations as a Detective with the Homicide Unit. My primary duties are to investigate crimes including but not limited to homicide, manslaughter, kidnapping, officer involved shootings and death in custody.

On 7/7/12, at approximately 1907 hours, I was notified via SPD communications center of a homicide team call out at the intersection of Teekay Way and Dixie Lou in south Sacramento. I was advised by communications the call out was related to an officer involved shooting at the above intersection. I arrived on scene at 2001 hours.

Upon arrival I observed the crime scene was cordoned off with crime scene tape totaling an area larger than three city blocks. I contacted the crime scene recorder, Ofc. Mok #0615 (1C62), and checked in with him prior to entering the crime scene.

I attended a homicide team briefing conducted by Sgt. Jeff Morris #3043 (3SM4) of which he briefed the homicide team of all facts known to him at the time of the shooting. Sgt. Morris described a subject stop of two males, one of which was armed with a "mini-14" rifle. A struggle between Ofc. Trefethen and the subject over the gun resulted in Ofc. Severi firing at the subject. The subject was later pronounced deceased by the Sacramento Fire Department. At the time of the briefing the identity of the deceased was not known.

After the briefing I was designated by Sgt. McCloskey to stay on scene and assist Det. Higgins with processing the crime scene.

At approximately 2050 hours, I was directed by Sgt. Martinson to contact potential associates of the deceased, who approached the crime scene, and attempt to determine the deceased identity. I contacted [REDACTED] ([REDACTED]) and [REDACTED] ([REDACTED]) /acted as Spanish interpreter for [REDACTED] ([REDACTED]) who stated she was the mother of [REDACTED]. [REDACTED] was with the deceased at the time of the shooting. [REDACTED] related the following in summary:

My son [REDACTED] was with Ascencion Herrera earlier today. Ascencion Herrera came by my house at approximately 2 PM today and asked to take my son for a walk. I said OK because my son is totally blind and unable to get out of the house without assistance. The last person I saw my son with was Ascencion Herrera. Ascencion Herrera is a male Hispanic, 17 years old and he lives in the area with his mother.

End of Summary.

After I obtained the above information from [REDACTED] I utilized the Sacramento County Known Persons Finder (WEB-KPF) and attempted to locate an Ascencion Herrera, 17. I located an Ascencion Herrera with a date of birth of 12/28/94. WEB-KPF described Herrera as a male Hispanic, 5'8, 160 with a last known address of [REDACTED]. [REDACTED] I viewed a Mugshot photograph of Herrera and believed the photograph to be similar to the deceased.

At approximately 2124 hours, I was notified by Sgt. Martinson that the mother of Ascencion Herrera arrived at the west end of the crime scene and Sgt. Martinson directed me to speak with her. Det. Higgins and I contacted [REDACTED] (interview was audio recorded and a copy was booked as evidence by Det. Higgins) who related the following in summary:

I am the mother of Ascencion Herrera and I was told that he was involved in the incident with the officers. My son is 17 years old and I last saw him wearing a dark sweater, red shirt and blue jeans. My son has a tattoo of "California" on his arm. I last saw my son at 6:30 tonight when he was in the front yard playing with his niece. My son left with [REDACTED] who is blind. My son did not have a gun on him when he left my house. My son is a good kid and I have never seen my son with a gun before.

End of Summary.

At approximately 2136 hours, Deputy Coroner Maria Vargas #44 arrived on scene to assist detectives in identifying the deceased. Deputy Coroner Vargas raised the sleeve of the black jacket worn by the deceased and I observed a tattoo that read "California" on his right arm. Based upon the statements taken above, the photo identification and the tattoo I concluded the deceased was Ascencion Herrera.

At approximately 2159 hours, Sgt. Morris, several patrol officers and I responded to [REDACTED] Craig Ave to conduct a [REDACTED] search of Ascencion Herrera. Upon arrival officers contacted family members who were standing in the driveway, including [REDACTED]. [REDACTED] advised that the room of Ascencion Herrera was located through a private entrance in the back of the house. [REDACTED] agreed to open the door to the living area of Ascencion Herrera. I observed the following in summary:

[REDACTED] Craig Ave is a two story residential dwelling [REDACTED]. The second story is separated from the main house on the first floor. The entrance to the second story is located by walking along the west fence line of the house into the backyard. Once in the backyard there is a stair case which leads to a patio and front door. Upon entering the second story dwelling there is a family room with a couch and TV, a kitchen and a dining room. A single bedroom is located on the east side of the structure.

Detectives and officers searched the living area of Ascencion Herrera. Officers located [REDACTED] paperwork in the name of Ascencion Herrera in the bedroom of this upstairs dwelling. Officers located no contraband, firearm evidence or gang evidence in this room.

Officers cleared the residence and I returned to the crime scene. No items were seized during the above search.

Once returning to the crime scene I assisted Det. Higgins who was attempting to locate a bullet which potentially struck the fence near where the shooting occurred. Detectives removed several fence boards but did not locate any projectiles. I assisted in replacing the removed fence boards.

I cleared the crime scene at approximately 0115 hours.

On 7-9-12, at approximately 1250 hours, Sgt. Martinson and I attended the autopsy of Ascencion Herrera. The autopsy was performed by Dr. Fiore at the Sacramento County Coroner's office. (For complete autopsy details see Dr. Fiore's autopsy report) I observed the following at the autopsy in summary:

Four bullets were recovered during the autopsy.

One bullet was located upon removing the clothing of Ascencion Herrera. When the red shirt was removed a bullet was observed falling on the coroners table from the left arm of Herrera. I observed (5) apparent bullet holes which started near Herrera's left elbow and ended at Herrera's left shoulder. It is likely this bullet caused those injuries.

One bullet was located below the skin of Herrera's right pectoral muscle. The bullet apparently entered under Herrera's left arm pit, traveled through both lungs and aorta and ended where it was found.

One bullet entered in the Herrera's left side/abdominal area and traveled straight lodging near his spine.

One bullet entered Herrera's left side, only inches above the above bullet, at an abnormal angle and lodged near Herrera's pelvis.

I cleared the autopsy at approximately 1615 hours.

### **SERGEANT SUMMARY REGARDING HOMICIDE TEAM CALL OUT: (SGT. BOB McCLOSKEY - IV19)**

#### NOTIFICATION:

On Saturday, 07-07-12, at 1856 hours, I was notified by SPD Communications of a homicide team call out regarding an officer-involved shooting at Dixie Lou St / Teekay Wy in South Sacramento. I was informed that patrol officers M.Severi #0456 and C.Trefethen #0566 (TAC50) performed a subject stop at the above location and contacted a subject with an assault rifle in his possession; and after a brief struggle with the suspect, Officer Severi shot and killed the suspect (later identified as Ascencion Herrera, MHJ, DOB 12/28/94, Xref# [REDACTED]). I was informed that Sacramento Fire Department Engine #16 and Medic #7 responded to the above location and pronounced suspect Herrera deceased at 1856 hrs.

Detective Sergeant P.Martinson #3022 (IV15), along with Detectives R.Bullard #0375 (IV72), D.Burke #0474 (IV146), B.Heinlein #0294 (IV156), P.Higgins #0447 (IV90), K.Jasperson #0440 (IV180), L.Trimpey #0806 (IV106) and I (IV19) were requested and responded to the scene to conduct a death investigation. Lt. Johnson (IV7) was notified of the homicide call out as well.

#### ARRIVAL AND SCENE:

At 1949 hours, I arrived on scene. The following personnel were on scene upon my arrival: Patrol Lieutenant Davis #4096 (LN10), Patrol Sergeant J.Morris #3043 (3SM4), as well as several patrol officers. CSI Officers E.Lockwood #3045 (CSI5), M.Cruz #0278 (CSI32), along with Forensic Investigator K.Boyd #6378 (FI39) responded to the scene for processing (see CSI call #12-185698). Once the homicide team was present, Sergeant Morris briefed us about the incident and the circumstances known to him at the time. The scene was secured with police barricade tape, and patrol officers had completed a neighborhood canvass. Evidence (decedent's body, assault weapon, bullet casings, etc.) was located on scene by patrol officers and pointed out to investigators. All evidence was left in place and the investigation was turned over to the homicide team at that time.

### INVOLVED WEAPONS:

Suspect Herrera was armed with a Mini 14 assault rifle, .223 caliber, Serial # [REDACTED]. The rifle was recovered at the shooting scene by patrol officers and later booked by CSI Officer Vu #0391. The rifle was taken off of suspect Herrera prior to my arrival.

Officer Severi was armed with a Department issued Sig Sauer .40 caliber, sixteen (16) shot, blue steel semi-automatic handgun, Serial # [REDACTED]. Per Officer Severi, the handgun was loaded with sixteen (16) rounds which included one round in the chamber and fifteen (15) in the attached extended magazine prior to the shooting. sidewalk just south of Teekay Way. The background was void of persons at the time of the shooting. Detective Burke later booked Officer Severi's weapon into the Evidence and Property Section as evidence (see PR# 744519-01).

#### **REPLACEMENT WEAPON ISSUED:**

Upon the conclusion of the interview with Detective Bullard, Officer Severi was issued the following replacement weapon: Sig Sauer .40 caliber, (13) shot, blue steel semi-automatic handgun, Serial # [REDACTED] I later emailed SPD Department Armor J.Primrose with the change in weapons for tracking purposes.

#### **WEAPON INSPECTIONS OF UNINVOLVED OFFICER:**

At 2335 hrs, I contacted Officer C.Trefethen #0566 inside HOJ Interview Room #3. I assigned Detective Heinlein to interview Officer Trefethen for his role and knowledge in the earlier officer-involved shooting at Dixie Lou St / Teekay Wy. Prior to the interview being conducted, I performed a weapons inspection of Officer Trefethen's duty weapon. I discovered that Officer Trefethen had a fully loaded weapon which consisted of the following: one (1) round in the chamber and twelve (12) rounds in the attached magazine. Officer Trefethen also had two (2) additional ammunition magazines loaded with twelve (12) rounds each inside his magazine pouch that was worn on his uniform Sam Brown belt. Based on the above information, I concluded that Officer Trefethen did not fire his weapon during the above incident.

#### **COMMUNICATIONS:**

On 07/08/12, at 0015 hrs, I submitted a Dispatch Activity Report request (SPD 878) to the Communications Center to obtain copies of Radio Call #12-185680, as well as a print out of the incident. These items were later booked as evidence (see Detective Higgin's supplement).

#### **DETECTIVE FOLLOW-UP:**

Detective Sergeant P.Martinson, along with Detectives Higgins and Trimpey, were charged with the scene investigation, while Detectives R.Bullard, D.Burke, B.Heinlein and K.Jasperson were responsible for the statements / interviews. PIO Sergeant A.Pettit #3069 created a Press Release that was disseminated to all department managers and the media.

At 2045 hrs, I removed the digital memory card from the In-Car Camera (ICC) system from Officer Severi and Trefethen's patrol car (SPD Car #11548S; CA Lic# 1380453). The corresponding ICC video from the memory card was later uploaded into the Department's In-Car Camera system for retrieval. I later downloaded a copy of the video which was booked as evidence on this case (see PR# 748498-01).

On 7-7-12 at approx. 1835 hrs Sgt Morris #3043 and I, Ofc Moore #506 (3SM4), were on scene at the termination point of a vehicle pursuit when I heard officers broadcast shots fired. They stated that the subject had an assault rifle and was down at Dixie Lou St and Teekay Way.

We responded code 3 and arrived on scene at Teekay Way/Dixie Lou St at approx. 1839 hrs. I observed several patrol cars stopped facing southbound on Dixie Lou St, just south of Teekay Way. There was a male subject laying face down on the west sidewalk of Dixie Lou St, south of Teekay Way, motionless. Officers were holding the subject at gun point. It did not appear that he was breathing.

I retrieved the ballistic shield from the trunk of my patrol car and gave it to Ofc Fox. I determined that the officers involved in the shooting were Ofc Trefethen and Ofc Severi and had other officers take their places covering the subject. I also removed the blind witness from their patrol car and seated him in another car out of the line of fire.

Sgt Morris created a plan to approach the subject and I established a 5 man contact team (see attached observations), placing officers Trejo and

Hanson as the arresting officers. Using the ballistic shield as cover, they made their approach and placed the subject in handcuffs. Ofc Hanson checked for a pulse but was unable to find one. The subjects skin had already lost its color, appearing grey, and a stream of blood was running down the west curb line of Dixie Lou St. SFD units were cleared to enter and pronounced the subject dead.

I continued to assist at the scene throughout the afternoon. Once the radio channel was dedicated for this incident Sgt. Morris maintained responsibility for the scene and I assumed responsibilities for supervising the rest of district 4 and district 5 officers not involved in the call.

Detectives obtained information that the subject resided at [REDACTED] Craig Ave [REDACTED]. I responded there with Sgt. Morris and several other officers to conduct a [REDACTED] search, with negative results.

On 07-07-12 at approx. 1835 hrs. I heard TAC50 put out a subject stop at Teekay Wy and Dixie Lou St. At approx. 1836 hrs. I heard TAC50 put out over the air that the subject had an assault rifle and shots fired. I responded code (3 lights and siren) from the HWY99 / HWY 50 split to the scene. I was driving and Ofc. Hanson #466 was riding passenger. Prior to arrival on scene 3SM4, Sgt. Morris, advised he wanted rifles deployed. Both Ofc. Hanson and I are rifle team members. TAC50 put out an update that the suspect was down but he was on top of the assault weapon.

Upon arrival on scene at approx. 1843 hrs. I deployed my rifle and responded to the rear of TAC50'S police car. I observed the suspect was laying face down on the West sidewalk of Dixie Lou St. I was designated as part of the arrest team. I was lethal cover with my rifle as the other members of the arrest team moved up and handcuffed the suspect. I never observed the suspect move.

After The suspect was placed in handcuffs, I returned to my police car and put my rifle away. I held a position on Teekay Wy. making sure no traffic went in or out of the parameter. I held this position until Ofc. Strike relieved me and I returned to duty.

On 7-7-12 at approx 1836 hrs Ofc Collier and I responded to the area of Teekay Way and Dixie Lou Street code 3 in response to a shoots fired call and officers requesting cover. We responded from 29th St and 69th Ave. We were the second unit on scene at approx 1838 hrs I observed the following in summary:

As I arrived on scene I placed our car on the west curb line facing south. Our car was off set to the right and behind of Ofc Severi and Trefethens patrol car (veh# 11548). I observed Ofc Napper standing with his gun drawn at the trunk of veh# 11548, Ofc Severi was standing in the open drivers door of the same vehicle while Ofc Trefethen was in a kneeling position taking cover behind the front drivers side wheel well.

On the side walk in front of my vehicle was a male subject face down on the sidewalk. He was facing in a southern direction. There appeared to be a red substance coming from under his body. I took a position of cover inside the door jam of my vehicle and deployed my shot gun. I maintained this position until I was moved to the front of veh# 11548 to replace Ofc Trefethen. I stayed here until the arrest team was formed.

The arrest team consisted of 5 officers. I took position with the ballistic shield, Ofc Peckinpaugh was on the left side of me with his rifle deployed, Ofc Stambaugh was on my right with a shotgun. Ofc Trejo and Hanson were the contact officers. Ofc Trejo pulled the subjects left arm from under him and Ofc Hanson pulled the right arm out. They handcuffed the subject. Based on the information there was believed to be some sort of rifle under the subject. Ofc Hanson and I rolled the subject onto his left side. There was what appeared to be the stock of a rifle around the subjects right shoulder. Ofc Hanson confirmed that there was indeed a barrel of a rifle sticking down the subjects pants.

Using my knife i cut the upper part of the subjects shirt open enabling me to pull the rifle from the subject. As I removed it I also ejected what appeared to be a 30 round magazine from the gun. I then removed the gun from his person, cleared the chamber and placed the gun in the trunk of my patrol car (veh#11533). Both the magazine and the chamber of the rifle were empty of any ammo when I removed the weapon. The weapon remained in my trunk until CSI took it for booking.

On 07/07/12, at approximately 1835 hours, I (Officer Trejo #217) responded Code 3 to the area of Teekay Way/Dixielou St on a Code 3 Cover call. Units on scene advised over the radio that shots were fired and that a subject with an assault rifle was down. I responded from Carlin Ave/Calvine Rd and arrived on scene at approximately 1841 hours.

Upon my arrival, I took a perimeter spot at the intersection of Laramore Way/Teekay Way.

At approximately 1845 hours, 3SM4 (Sgt. Morris) requested for additional units at Teekay Way/Dixielou St. At which point a Sacramento Sheriff's unit took my perimeter spot and I responded to Sgt Morris' location.

Once at Teekay Way/Dixielou St, I was assigned by Sgt. Morris to an arrest team, to attempt to take the subject with the assault rifle into custody. The subject was laying on the ground along the west sidewalk of Dixielou St, just south of Teekay Way. The subject was laying on his hands and stomach. The subject was not moving.

Officers and myself approached the subject and handcuffed him. At which

On 7-7-12 at approximately 1835 hours, I, Officer Fetch 273 was on patrol in full police uniform driving a marked police vehicle (11284). I was in the area of 24th St. and Fruitridge Rd. when I heard unit TAC50 (Officer Trefethen and Officer Severi) advise over the radio that they needed code 3 cover. They advised shots were fired. I responded code 3 to their location. I parked my patrol vehicle at Teekay Wy and Dixie Lou St. I observed several officers around police vehicle 11548. I saw Officer Trefethen and Officer Severi with their handguns drawn while taking cover on the driver side of police vehicle 11548. I saw a male subject in a black jacket lying face down on the west sidewalk of Dixie Lou St., just south of Teekay Wy. I walked up to Officer Severi and I asked him who shot. He advised that he did. I told him that I would relieve him. I took Officer Severi's position at the driver door of 11548.

I saw the suspect lying on the sidewalk was not moving. An arrest team approached the male and placed him into handcuffs. Officers removed a woodstock rifle with a wood grip from the males shirt. Fire units responded and approached the male.

I walked back to Teekay Wy. just west of Dixie Lou St. and met with Sgt.

Chase. She requested Officer Wagner and I attempt to identify a subject seated handcuffed in the back seat of patrol vehicle 10792. I was advised he was with the other subject lying on the sidewalk. I was also requested to try to get the subjects name who was lying on the sidewalk.

Officer Wagner and I walked over to 10792 and spoke with the male. He identified himself as [REDACTED]. He advised he lived at [REDACTED] with his mother [REDACTED]. Officer Wagner and I did not ask [REDACTED] about the incident. [REDACTED] advised us that he was blind and he did not see what happened. He told us he did not know the subjects name he was with. He advised he only knew him as "Chinito".

Per Sgt. Chase's request, Officer Wagner and I walked to [REDACTED] 24th St. to attempt to contact [REDACTED]' mother, [REDACTED], and try to identify the subject lying on the curb. There was no answer at the door. I looked through a front window and it did not appear that anyone was home.

Officer Wagner and I walked back to Teekay Wy. and Dixie Lou St. and awaited further orders.

At approximately 2145 hours, I responded to [REDACTED] Craig Av. with 3sm4 (Sgt. Morris and Moore), and multiple other officers to assist with a [REDACTED] search. I contacted [REDACTED] and [REDACTED] outside on the driveway. I advised them the reason for the contact. Officers went inside the residence to conduct a search. I stood outside as multiple family members arrived on scene. I made made sure nobody entered the residence while officers were conducting the search. When the search was complete, all officers cleared the area.

I was then released from the scene.

OBSERVATIONS:

On 07/07/12, I, Sgt. Chase #3025 (3SM3) was working as the Patrol Sergeant for Downtown Sacramento. At approx. 1835 Hrs, I was scanning the radio channels when I heard an Officer in South Sacramento advise that shots were fired. At the time I believed that it was an officer involved shooting, but I was not sure. I advised my radio channel to send Downtown Officers to assist the south area.

I responded to the area of Teekay Way / Dixie Lou St. When I was at Mack Rd / Tangerine Sgt. Morris advised that the subject was detained. I arrived onscene at Teekay / Dixie Lou at 1853 Hrs.

Upon my arrival the scene was secured by patrol vehicles, Officers, and crime scene tape. I contacted Sgt. Morris (3SM4) to assist. I coordinated with the patrol officers to handle the neighborhood canvass in an attempt to locate any witnesses. Officers Lee, Villareal, Hansen, Krintz, Mann,

On 7/7/12 at approx. 1900 hrs, I spoke to witness [REDACTED] at [REDACTED] Teekay Way. I obtained the following statement in summary:

I live at [REDACTED] Teekay Way. I was inside my house when I heard about 5-6 gunshots. I came running outside with my mom [REDACTED] (witness [REDACTED]) when I heard the gunshots.

I did not see the actual shooting. When I got out to my driveway I saw the guy laying face down on the ground over there (pointing to deceased suspect). He has not moved since I first saw him. I saw the 2 officers standing next to the patrol car that's in the middle of the street (pointing to TAC50's patrol vehicle). One officer was on the left side of the patrol car by the hood and the other one was on the right side with the front passenger door open. They both had their guns out.

I also saw this blind kid who lives in the neighborhood. I don't know his name but I recognized him. He was wearing a grey shirt tonight. He was sitting down along the fence about 10 feet away from the guy lying face down. He was being compliant with the officers and his hands were in the air. The officers were directing him to crawl to the patrol car, which he

I did not pay attention to what the first 2 officers looked like. After about 1-2 minutes there were several officers there with the first 2.

██████ Teekay Way: resident ██████████ (██████████, phone #██████████) was inside her home and ran outside when she heard gunshots. On 7/7/12 at approx. 1935 hours I spoke to W-**( )** in the front yard of **( )** Dixie Lou St. She told me the following, in summary:

I didn't see what happened but I think I heard the gunshots. I had just walked into my front door from the mailbox. My metal security gate was shut, but my front door was still open. I was only a few feet inside my home when I heard what I thought was fireworks.

I turned around and looked out through my security gate and saw that a boy had fallen down along the fence and the two Police Officer's had their guns drawn on him.

I stayed inside my house and didn't see anything after that. The only other person at my home when this happened was my son, **( )** (**( )**). He's fully disabled and can't speak. He won't be able to tell you anything. My boyfriend **( )** was home too, but I saw you already talked to him.

On 7/7/12 at approx. 1935 hours I spoke to W-[REDACTED] in the front yard of his neighbors residence at [REDACTED] Dixie Lou St. He lived one house to the South, but had joined his neighbors in the front yard. He told me the following, in summary:

I live at [REDACTED] Dixie Lou St and I'm on Parole. I had just walked into my house when I heard 5 gunshots. I didn't see anything that happened before that. I just heard the five gunshots and then after all the cops showed up I walked over here to my neighbors.

I don't understand why cops have to shoot these young kids. I know you guys are all trained sharpshooters and can probably just shoot the gun out of his hand, or maybe shoot him in the leg and disable him.

Don't you guys carry tasers? Why didn't one of the cops use a taser on the kid that had the rifle?

I guess that's the way it goes for these kids though, live by the gun, die by the gun. You cops don't want to get shot out here either.

On 7/7/12 at approx. 2000 hours I spoke to W-[REDACTED] in the front yard of his home at [REDACTED] Dixie Lou St. He told me the following, in summary:

I was home when this all went down. I was in my bathroom helping my two year old son ([REDACTED]) use the potty. I heard some yelling coming from outside but I couldn't clearly make out exactly what was being said, it just sounded like a commotion.

I peaked out my kids bedroom window (southwest bedroom) and saw the Police car and two cops talking to two dude's. One of the dude's was Mexican, and was standing against the fence, facing my house. That same dude is the guy who got shot.

There was another guy with him that looked like he was dropping down to his knees with his hands up. He seemed to be doing what the Officers were telling him to do. The guy on his knees said something like "I aint got nothing".

I just figured it was a normal arrest, you know what I mean. I thought they got him with a gun or something, and went back to tending to my son who was still on the potty.

I turned around to get my son out of the bathroom and that's when I heard the five shots. They were real quick, like bang-bang-bang-bang-bang. I grabbed my son and ducked down.

I waited a couple seconds, and then I set my son on the bed and peaked out the same window again. When I looked out the window I saw the Mexican dude laying down on the ground and the cops were yelling that he had a gun.

The cops backed away from the guy on the ground and got some cover behind their car. The other guy was still on his knees and I could see that the guy laying on the ground was still breathing. They were yelling at him to put his hands behind his back, but I don't think he could move.

They took the other guy who was on his knees and put him in the back of the patrol car as other Officer's started to pull up. They kept their guns pointed at the guy on the ground the whole time. I watched that guy die

right in front of me, he was definitely still breathing right after they shot him.

I'm not sure when I saw the gun but I know I did at some point. It looked liked a .30-06 with a wood stock and a long black clip.

I think that kid lives in the neighborhood, I'm pretty sure I've seen him around before, but I can't really tell without seeing his hat. I can tell who it is if I saw what kind of hat it is.

On 7/7/12 at approx. 1835 hours I responded to Teekay Way and Dixie Lou St regarding an Officer involved shooting involving a subject with a rifle. I responded code 3 from 29th St and 69th Ave and arrived on scene at approx. 1837 hours.

Upon arrival I placed my vehicle facing s/b Dixie Lou St at Teekay Way. As I exited my vehicle I observed Ofc. Trefethen taking a subject into custody and placing him in the backseat of his patrol vehicle.

I also observed another subject laying face down on the sidewalk along the west curblineline of Dixie Lou St. Ofc. Severi had taken a position of cover behind his patrol vehicle and had his firearm pointed at the subject laying on the sidewalk.

I drew my firearm and took a position of cover behind the rear of their patrol vehicle. From my position I could not see the subjects hands, nor did he respond to verbal commands. As I waited for sufficient Officers to arrive to form an arrest team, I observed several subjects coming out of their homes from the North, South and West of me.

I motioned for the subjects to the West of me to return to their homes, in an effort to remove them from the line of fire. I heard subjects to my North become verbally abusive when asked to return inside their homes.

As sufficient Officers arrived on scene, an Arrest team was formed and the subject was taken into custody. Medic units marked on scene and pronounced the subject deceased.

I then conducted a Neighborhood canvass and took several statements. I later transported a witness, [REDACTED], to HOJ for further questioning by Detectives.

Related date/time: **Jul-08-2012 (Sun.) 209**

On 07/07/12, Ofc. Peckinpaugh (#372) and I (RT35) were working directed patrol for the Sacramento Police Department, assigned to the Regional Transit Unit. We were in a fully marked Sacramento Regional Transit patrol car and full Sacramento Police Department uniform.

At approx. 1835 hrs., we heard Tac50 broadcast that shots were fired and a subject had an assault rifle. We responded to their location (Teekay Way/Dixie Lou St), arriving on scene at approx. 1843 hrs.

Upon arriving, Sgt. Morris (3SM4) directed me and Ofc. Peckinpaugh to join the arrest team. Ofc. Peckinpaugh was assigned rifle cover, Ofc. Fox (#845) was assigned the body bunker, Ofc. Stambaugh (#565) was assigned the shotgun, and Ofc. Trejo (#217) and I were the hands-on contact officers.

We approached a MHA subject that was laying on the west sidewalk of Dixie Lou St., just north of [REDACTED] Dixie Lou St. The subject was not moving as we approached. When we reached the subject, Ofc. Trejo took control of the subject's left arm while I took control of the subject's right arm. I felt no resistance at all from the subject. Ofc. Trejo and I handcuffed the subject.

After handcuffing the subject, I noticed a red fluid on the sidewalk near the subject's head. Based on my training and experience, the substance had a similar color and appearance as blood.

I also noticed a large protrusion at the top of the subject's shirt, on the right side. The protrusion looked like the butt of a rifle. I noticed that the protrusion continued down, all the way to the subject's pants. There was a small gap between where the bottom of the shirt stopped and where the top of the pants started. I could see a metal and wood combination. I immediately recognized it as the barrel of a rifle.

Ofc. Fox advised that he was going to remove the rifle and make it safe. I observed as Ofc. Fox cut a small hole in the top of the subject's shirt, so that he could safely remove the rifle. I observed as he pulled the rifle out from the top of the subject's shirt. I noticed that part of the barrel had been pushed down into the subject's jeans, in an apparent attempt to conceal it.

Ofc. Fox removed the rifle and secured it in the trunk of his patrol car.

Ofc. Moore (3SM4) requested that I attempt to locate a pulse. I checked the subject's Carotid artery, on the right side of his neck. I was unable to locate a pulse. Furthermore, the entire time I was in close proximity with the subject, I never saw him move, I never saw his chest expand or collapse, or heard him make any noise. I advised Ofc. Moore that I did not locate a pulse.

I cleared the area in order for the Sacramento Fire Department to contact the subject.

I performed a neighborhood canvass, covering the entire west side of Dixie Lou St., between Teekay Way and Laramore Way. These were the results of my canvass:
