Incident Summary

On 5-26-13 at approx. 1608 hrs Ofc Putman #870 (1C44) responded to a multiple vehicle collision in the area of 51st Ave / 23rd St (4B). At this time he was operating a marked patrol car and wearing full police uniform. Upon arriving on scene, a group of citizens advised that the driver (Suspec [REDACTED]) was walking away from the collision, and pointed him out walking southbound on 23rd St.

Ofc Putman called out to (S [REDACTED]), identifying himself as a police officer, and ordering (S [REDACTED]) to stop. When (S [REDACTED]) failed to comply, Ofc Putman walked up behind him and took hold of his left arm. (S [REDACTED]) responded by yelling "Get off me you punk mother fucker" and began to swing at Ofc Putman with his right hand. Ofc Putman used an arm bar takedown to maneuver (S [REDACTED]) to the ground. Once on the ground (S [REDACTED]) dug his hands under body, in the vicinity of his front waistband, causing Ofc Putman to believe that he may be reaching for a weapon. Ofc Putman then delivered one pugilistic hand strike (closed fist) to the left side of (S [REDACTED]) face, rendering him unconscious. He was then handcuffed before regaining consciousness.

SFD responded to render medical aid and found (S [REDACTED]) to have a dangerously low blood sugar reading of [REDACTED] indicating that he was experiencing a diabetic emergency. He was transported to Kaiser South Hospital for treatment. DUI and DRE evaluations were conducted and (S [REDACTED]) was found not to be under the influence of any substance. A records check showed that (S [REDACTED]) did not have any prior criminal history. Based upon the fact that all evidence indicated that (S [REDACTED]) was the victim of a medical emergency, and therefor unable to form the necessary intent to commit the applicable crimes, no enforcement action was taken. Vehicle collision reports were generated and submitted.

A neighborhood canvass was completed, but no surveillance video was located. Ofc Putman's ICC was not activated at the time of the incident. Witness statements confirm the account of the incident given by Ofc Putman.

This use of force was justified and within policy.

Use of force for Putman punching a guy. --Moore

Comments/Response from Police Lieutenant-Exempt Donald Rehm:

Approved: Approved

Reason:

Comments:

UOF was within policy based on the suspects combative behavior. Upon contact the suspect swung at the officer and the suspect was taken to the ground. He made furtive movements to the rear and front of his waistband and the officer felt he may have been reaching for a weapon under his shirt. He punched him one time in the head to gain control and the suspect complied and was cuffed.

Approved: Approved

Reason:

Comments:

I agree that the force used was reasonable and justified. Although hand strikes are generally discouraged, in this situation the officers actions are within policy.

1 **Facts:**

2 **Notification:** On 5/26/13, at approx. 1608hrs, I(P. Curtis 814) was dispatched to the area of [REDACTED]
3 51st Ave regarding a non-injury hit and run vehicle collision. I arrived on scene at approx.
4 1621hrs. All times, speeds and measurements in this investigation are approximate.
5 Measurements were taken by pacing except where otherwise noted.

6

7 **Scene:**

8 51st Ave is a two way E/B, W/B city street consisting of 2 lanes one in each direction. The
9 roadway is straight and level. The surface is composed primarily of asphalt.

10

11 **Parties:**

12 P-1 [REDACTED] was contacted by Ofc .Putman in the area of 51st Ave and 23rd St. P-1 was identified
13 by an expired [REDACTED] drivers license. P-1 was placed as a party by his own personal
14 statement.

15

16 V-1 (Ford) was located on it's wheels 207' West of the West C/L of Demaret Dr and 3' South of
17 the North C/L of 51st Ave. V-1 had major frontend damage.

18

19 Parked vehicle #1 (GMC) had been moved prior to my arrival. PV-1 had minor back end damage.

20

21 Parked vehicle #2 (Eagle) was located on it's wheels 201' West of the West C/L of Demaret Dr
22 and 10' North of the North of the C/L of 51st Ave. PV#2 had major frontend damage and minor
23 back end damage.

1 **Evidence:**

2 There was approx. 2' of excretion skid located at AOI #3. The skid appeared to be from P-1
3 attempting to back up after hitting PV#1 and the fence.

4

5 I located fluids, glass and plastic debris at AOI #'s 4 and 5.

6

7 **Other Facts:** Ofc. Conner contacted P-1 and conducted a DUI/DRE evaluation on him and
8 determined he was not driving under the influence of drugs or alcohol. Per Sacramento City Fire
9 P-1 was suffering from low blood sugar. See supplement.

10

11 **Statements:**

12 P-1 [REDACTED] was contacted by Ofc. Conner: See supplement

13

14 R/O of PV#1 [REDACTED] Was contacted on scene of this collision. My vehicle was parked in
15 front of my house [REDACTED] 51st Ave. The guy, P-1, hit my truck and my fence.

16

17 R/O of PV#2 [REDACTED] Was contacted on scene of this collision. My vehicle was parked in front of
18 [REDACTED] 51st Ave. I did not hear or see anything, I was sleeping. My neighbor was the one who told
19 me my car had been hit.

20

21 R/O of PV#3 [REDACTED] Was contacted on scene of this collision. My car was parked in my
22 driveway. I did not hear or see anything. I was inside my house. My neighbor was the one who
23 told me what happened.

24

25 **Opinions and Conclusions:**

26 **Summary:**

27 P-1 was travelling at a high rate of speed E/B on 51st Ave. PV#1 was legally parked in front of
28 [REDACTED] 51st Ave. Due to a medical condition, low blood sugar, P-1 lost control of his vehicle and hit

On 5-26-13 at approx 1608 hours I was dispatched to a 911 call related to a vehicle collision. As I was arriving on scene several updates were being broadcast via Police radio. The summary of the updates was that a red Ford Explorer had been in several collisions with parked cars along 51st Ave and it was unknown if the driver was still on scene or had fled the area.

As I arrived to the area of 51st Ave and 23rd St a group of people pointed at a MBA walking south bound on 23rd St and yelled "thats him".

I drove up to the MBA, later identified as [REDACTED], and observed him to have blood running down his head onto his shirt. [REDACTED] also had his hands behind his back at his rear waist-band area. [REDACTED] had a button up shirt on that was not tucked into his pants and thus it covered his hands. I observed [REDACTED] to be a male black adult standing approx 5ft 10 inches tall and weighing approx 220 pounds. [REDACTED] had slight gray in his hair but I was not able to see his face.

I ordered [REDACTED] "STOP POLICE....HAY STOP....POLICE STOP" but he did not follow any of my orders. I exited my car and walked up behind [REDACTED] and grabbed his left arm at the elbow and said "POLICE STOP". As I grabbed

██████ he said "get off of me you punk mother fucker" and began to swing at me with his right hand.

As ██████ swung at me and called me a "punk mother fucker" he also tensed up and pulled away from me. This was of great concern to me at the time for several reasons such as;

1) I have investigated a number of DUI/vehicle collisions where a DUI drivers actions are extremely unpredictable. At the time I believed ██████ may be a DUI driver and thus could become very violent.

2) I could not see ██████ waist-band (front or rear) and visually clear it for weapons. In the past I have arrested several subjects who have carried handguns in their waist-band.

3) I was alone, although other officers were responding to the area, and there was a large group of people around. Although some of them had pointed ██████ out to me there was still a possibility that some of the group was friends/family of ██████ and may come to his aid.

4) ██████ and I are basically of equal size. I did not feel that I could easily over power ██████ due to the fact that we appeared to be of equal size/strength.

Due to the above mentioned officer safety issues as well as the fact that ██████ was being lawfully detained during the investigation of a vehicle collision I conducted the following actions;

I stepped back to avoid the punch. I then stepped forward and used my hip along with ██████ own momentum to complete an arm bar take down as I was trained in the Police Academy. As ██████ landed on the ground he clinched his body and arms in the front of him. In this position he had access to his front waist-band. Then ██████ began to roll to his left once he was on the ground in an attempt to get to his back.

I had not been able to search ██████ prior to this struggle and because weapons are often carried in the front or rear waist-band I was in fear for my safety as well as for the safety of the subjects in the area. While ██████ was rolling onto his back and was still resisting arrest I struck him once in the left side of his face with a closed fist.

Once I struck ██████ in the face he became limp and his legs locked out in the straight position. At that point I pulled ██████ arms behind him without resistance and handcuffed him.

On 5/26/2013, about 1625 hrs, I contacted W/ [REDACTED] at the corner of 51st Ave/23rd St. She provided the following statement in summary:

I live at [REDACTED] 51st Ave. About 20 minutes ago, I was inside my house when I heard a car "flying by." A few seconds later, I heard a loud crash.

I went outside to see what was going on. I looked east, and I could see the car had crashed down there (pointing east). I saw a male black driver in the car. He was the only occupant.

The guy (driver) was getting out of the car, and another neighbor tried to help the guy. But the guy slammed the door on the neighbor's hand as he was trying to help.

I saw the driver get out of the vehicle. He was a male black wearing blue jeans and a light/"pinkish" colored top. The guy started "stumbling" west on 51st Ave from the crash sight, towards 23rd Street. He was on the south side of 51st Ave, and when he reached 23rd St, he began heading south.

Just as the guy started walking south on 23rd St, the Police arrived. I

called out to the Officer as he showed up "that's him! Stop him!" while I was pointing at the suspect.

The Officer got out of his car and started yelling at the guy "Stop! Stop!" The guy ignored the Officer's commands, and just kept walking south on 23rd St.

At that point, the Officer pushed the suspect to the ground. They were on the grass right there (pointing to the front lawn in front of [REDACTED] 23rd St). The Officer was on top of the guy, but it was evident to me that the guy was still struggling. To me, it looked like the guy had a hand in his pocket and was trying to remove his hand. I imaging the Officer was telling him not to move his hands, but that's just me guessing, as I couldn't hear what was being said.

As mentioned, the guy was still struggling, so I saw the Officer hit him one time in the back of the head. I don't know if the Officer punched the guy with a closed fist, or hit him with an open palm, but he definitely hit the guy one time in the head. At that point, the guy seemed to give up, and the Officer handcuffed him.

I saw the crash and I went over to see if the driver was OK. The driver had difficulty coming out of the car so I tried to help him. He hit me and took off walking on 51st Avenue. I saw the Officer pull up and contact the driver. The Officer was telling the guy to stop, I could see he wasn't going to stop. The Officer grabbed the guys arm and was telling him to stop. The guy was pulling away from the officer and trying to get away.

The Officer trip the guy to the ground and the Officer was struggling with the guy. I couldn't see exactly what was happening but after a few minutes the Officer was able to get the guy handcuffed.
