Incident Summary

Suspect was Elijah Rodgers, 01/15/1994, xref [REDACTED] validated gang member and homicide suspect in SPD 13-165182 from 06/23/13.

Detectives had done surveillance at [REDACTED] Somis Wy. where they believed Rodgers had recently been staying and were going to write a search warrant for the location. Rodgers and [REDACTED] xref [REDACTED] had left on foot, west on Elder Creek. [REDACTED] was pushing his 1-year-old son in a stroller and they jay-walked northwest across Elder Creek in high traffic.

Rodgers appeared to realize Sgt. Chan and Det. Higgins were following and began furtive movements at his waist and was looking around as if he was going to run. Sgt. Chan had driven past Rodgers and positively identified him as the suspect. Det. Higgins attempted to detain Rodgers and [REDACTED] based on Rodgers's probation status, the jay-walking and his suspicious actions. [REDACTED] complied to Det. Higgins' commands to stop; Rodgers did not. Sgt. Chan got out of his vehicle to cut off Rodgers' path of flight and Det. Jasperson arrived to assist.

All three detectives had weapons drawn and were ordering Rodgers to comply as they stood in the front yard of [REDACTED] Elder Creek Rd. Rodgers had his hands at his waist still and a handgun fell to the ground. Rodgers still would not comply and was now reaching at his right waist area. All three officers believed Rodgers had a second weapon in his waistband and the first had not been secured and was able to be retrieved by him. Sgt. Chan was west of Rodgers on the driveway, Det. Higgins was southeast of him on the lawn and Det. Jasperson was to his east on the lawn. Rodgers ran at Det. Jasperson, grasping the barrel of his service weapon. Det. Jasperson and Rodgers fell to the ground, Jasperson injured his thumb and elbow.

Det. Higgins believed Det. Jasperson had been shot and Det. Higgins fired one time at Rodgers and missed. Rodgers got up to run back west, toward Sgt. Chan and the gun on the driveway and Sgt. Chan fired once and struck Rodgers in his left side. Rodgers went down and was taken into custody, fire and ambulance responded.

Rodgers's gun was an unregistered, loaded, 9mm handgun (9mm was used in the associated homicide). He had on his person: 27.06 gm marijuana, 2.56 gm rock cocaine and a glass cocaine smoking pipe. He was charged with multiple gun charges, gang enhancements and sales and possession of rock cocaine and possession of illegal fireworks (sales based on evidence recovered at the original Somis location and fireworks based on search of Rodgers's vehicle impounded from Somis).

Homicide suspect denies involvement in Valley Hi shooting of four

The 19-year-old man accused of shooting four teens at a Valley Hi house party in June - killing one of them - said today that he had nothing to do with the shooting, and wondered aloud how Sacramento police settled on him as a suspect.

"Why would my name come up?" Elijah Rodgers asked during an interview with The Bee at the Sacramento County Main Jail.

Asked why he thought detectives might suspect him, he tugged at his shoulder-length dreadlocks and said: "I think it's my hair."

Police arrested Rodgers on Tuesday after he was released from a local hospital, where he had been treated since July 17 when homicide detectives shot him during a confrontation in which detectives say they saw Rodgers armed with a handgun.

Detectives had wanted to talk to Rodgers about his suspected involvement in the June 23 shooting on Sea Drift Way. Alvin Saivon Valentine, a 19-year-old Kennedy High School graduate who worked at a local nursing home, died in the melee. A 15-year-old girl, a 17-year-old boy and an 18-year-old man suffered gunshots but survived.

Police suspect the incident was gang-related, but said they do not believe Valentine was an intended target.

On Tuesday, police arrested Rodgers on suspicion of murder and shooting into an occupied dwelling in connection with the Sea Drift Way shooting. In a separate case related to the day he was shot, Rodgers also was arrested on suspicion of possession of a concealed firearm, possession of cocaine for sale and resisting arrest.

Rodgers is expected to appear in court Thursday for arraignment on all five felony charges.

Police also have arrested a 17-year-old teen they describe as being an "active participant in the shooting." The teen was booked into juvenile hall July 27 on suspicion of assault with a deadly weapon, shooting into an inhabited dwelling and negligent discharge of a firearm, according to police.

Regarding the day he was shot, Rodgers said he does not remember running from the police, as they have said happened. In fact, Rodgers said he doesn't remember much about his interaction with the detectives: He also admitted to being high on cocaine that day - cocaine that he had on his body for personal use and not for sale, id,

as police allege. Rodgers said he also was high on pot and possibly an Ecstasy pill, adding that he had a "lot of narcotics in my body."

"All I remember is walking to the store and waking up in the hospital bed," he said.

As for the gun that police said he had in his possession, Rodgers said he wasn't sure - but that it was possible. He said he sometimes carries a gun for protection in his rough neighborhood.

"Right there on Elder Creek (Road) is pretty dangerous," he said.

And as for the homicide, Rodgers claims he was never at the Sea Drift Way party and that he rarely ventures out of his Elder Creek Road neighborhood. Despite sometimes carrying a gun, Rodgers said he has never pointed one at anyone, let alone fired one.

"I'm not really into violence," he said. "I just try to protect my own self."

SUPPLEMENT:

I, Sgt. Chase #3025, am currently assigned to the Family Abuse Unit. On 07/17/13, at approx. 1027 Hrs, I was at my desk listening to the Police Radio when I heard Detective Higgins ask for cover. Soon after, I heard him broadcast that shots were fired. I pulled up the call he was on and saw that it was a probation search at [REDACTED] Somis Way in the Elder Creek area. I responded to the area to see if Investigations would need any assistance from our Detectives. I arrived at Elder Creek and Rancho Adobe Dr. I walked to the scene and at approx. 1110 Hrs, I checked in with Officer Frank who was the scene recorder.

I was present for the briefing that was given by Lt. Haynes #4071. The Homicide and Felony Assaults Unit had plenty of Detectives on scene and additional Detectives were not needed. Soon after the briefing I cleared the scene.

Wounded suspect in Alvin Valentine homicide denies killing him

kminugh@sacbee.com

Published Thursday, Aug. 08, 2013

From the medical floor of the Sacramento County Main Jail, the gunshot wound in his stomach still heavily bandaged, Elijah Rodgers wondered aloud how he ended up facing a murder charge.

He was never on Sea Drift Way where four teens were hit in a spray of gunfire outside a house party June 23, he claimed Wednesday. So he certainly doesn't know anything about the death of one of them, 19-year-old Alvin Saivon Valentine.

"Why would my name come up?" Rodgers, 19, asked during an interview with The Sacramento Bee about allegations by Sacramento police that he killed Valentine.

Asked why he thought detectives might suspect him, he tugged at his shoulder-length dreadlocks and said: "I think it's my hair."

Police arrested Rodgers on Tuesday after he was released from a local hospital. He had been a patient there since July 17, when homicide detectives shot him during a struggle in which detectives say they saw Rodgers armed with a handgun.

Court documents reviewed by The Bee offer a glimpse into that chaotic confrontation between Rodgers and three homicide detectives, who, according to their accounts, pleaded repeatedly with Rodgers to comply with their orders before two of them fired.

Detectives had wanted to talk to Rodgers about his suspected involvement in the June 23 shooting on Sea Drift Way. Valentine, a 19-year-old Kennedy High School graduate who worked at a local nursing home, died in the melee. A 15-year-old girl, a 17-year-old boy and an 18-year-old man suffered gunshots but survived.

Police suspect the incident was gang-related, but said they do not believe Valentine was an intended target.

On Tuesday, police arrested Rodgers on suspicion of murder and firing into an occupied dwelling in connection with the Sea Drift Way shooting. In a separate case related to the day he was shot, Rodgers also was arrested on suspicion of possession of a concealed firearm, possession of cocaine for sale and resisting arrest.

Rodgers is expected to appear in court today for arraignment on all five felony charges.

Police also have arrested a 17-year-old teen they describe as being an "active participant in the shooting." The teen, who has not been identified because he is a minor, was booked into juvenile hall July 27 on suspicion of assault with a deadly weapon, shooting into an inhabited dwelling and negligent discharge of a firearm, police said.

According to court documents, a witness who identified Rodgers as the shooter and surveillance video from near the Sea Drift Way homicide scene prompted detectives' interest in Rodgers, whom they described as a validated gang member.

Knowing him to be on probation, four homicide detectives and their sergeant went to Somis Way to look for Rodgers, according to one detective's request for an arrest warrant. Three of them saw Rodgers nearby and, exiting their unmarked police cars, tried to stop him as he and another man walked down Elder Creek Road.

Statements by the three detectives, contained in the warrant request, provide insight into the ensuing confusion. Detectives described Rodgers' behavior, and the situation they found themselves in, as "insane" and "crazy."

Detectives recalled giving Rodgers multiple commands to stop, show his hands and get on the ground – and even warnings that they would shoot, according to the warrant request. But Rodgers ran from them, overpowered one detective who tackled him and struggled with two more in bushes before he was shot.

At one point, a handgun fell from Rodgers' body, and detectives said in their statements that they feared he had a second handgun because he kept grabbing at his waistband.

"It's like 'Dude, please, I don't want to shoot you' – and nothing. He totally ignored me," Sgt. Rudy Chan said in his statement, included in the warrant request. "He is still going for his waistband. I'm thinking, 'This is insane and we are basically playing with our lives here.' "

According to the warrant request, Detective Pat Higgins fired the first shot at Rodgers after he saw the suspect overpower one detective and reach in his waistband as he ran.

"I felt Rodgers was a danger to the officers on scene and the people of the nearby residential neighborhood so I discharged one round at his person," Higgins said in his statement.

Chan fired the second shot, saying in his statement that he felt he had to stop a dangerous suspect: "I know he's desperate to get away because anybody – where there is a shot fired, I don't care if it's from him or from one of us – that doesn't stop at that point is insane. He's crazy."

It was a rare event. No officer-involved shooting in the Sacramento region in recent memory involved a homicide detective firing a service weapon during the course of an investigation.

As for Rodgers, he said in his jailhouse interview that he did not remember running from the police, or much at all about his interaction with the detectives that day: He admitted to being high on cocaine and marijuana and possibly an Ecstasy pill. He said he had "a lot of narcotics in my body."

"All I remember is walking to the store and waking up in the hospital bed," Rodgers said.

As for the gun that police said he had in his possession, Rodgers said he wasn't sure but that it was possible. He said he sometimes carries a gun for protection in his rough neighborhood.

"Right there on Elder Creek (Road) is pretty dangerous," he said.

And as for the homicide, Rodgers – who has "God's Child" tattooed across his hands – claims he was never at the Sea Drift Way party and that he rarely ventures out of his Glen Elder neighborhood. Despite sometimes carrying a gun, Rodgers said he has never pointed one at anyone, let alone fired one.

"I'm not really into violence," he said. "I just try to protect my own self."

Word of two arrests in the case was welcomed by Valentine's family and friends, who had eagerly been awaiting some measure of justice.

"I think we are content with the fact that the police have made an arrest because in the beginning ... so many people didn't want to talk," said Ahisha Lewis, a close family friend. "We were starting to feel hopeless (that) there wasn't going to be an arrest."

However, Lewis said, the "journey's just beginning," as the court system starts its painstakingly slow process.

Lewis also expressed sadness about the young age of the two suspects. She lamented that too many young people in Sacramento are being lost to drugs, early parenthood, jail or violence.

"They don't realize the decision they're making and how it really impacts (their) life," she said.

Narrative Text Report # 1

Document: **01 VICTIM STATEMENT**

Author: **122 - BULLARD, RYAN 3135**

Subject: **(VICTIM #3) JASPERSON, K 4**

Related date/time: **Jul-17-2013 (Wed.) 1340**

On 7/17/13, approx. 1340 hrs, while at 5770 Freeport Blvd, Interview Room #5, I, Det. Bullard (#375) interviewed Det. Kyle Jasperson as his legal representative SPOA President Dustin Smith was present for the interview. I advised Jasperson that this interview would be recorded and monitored. Jasperson related the following in summary which was video-recorded:

I've been a sworn police officer with the Sacramento Police Department for a little over thirteen years. I am currently assigned as a Homicide Detective and have officially been in the Homicide Unit for six years.

Detective Pat Higgins and I and several other detectives were involved in a homicide call-out a couple weeks ago in the area of Sea Drift. There were multiple shooters in that case but we identified the shooter who most likely caused the fatal injury as Elijah Rodgers. Rodgers had been identified in a six-pack photo line-up as the shooter who shot at the car that the victim ultimately died in. We were doing additional follow-up to strengthen the case because at the time we only had one person identifying Rodgers as the shooter. So we were operating off the standard that we probably could arrest him for the murder but we wanted to work off of the District Attorney's standard which is more than just probable cause. We wanted to get corroboration that Rodgers was either there or that he was the shooter.

Earlier this morning I know that Det. Higgins had utilized the assistance of patrol and verified that Rodgers' car as well as Rodgers himself were at a residence at [REDACTED] Somis in the Elder Creek area. So I was informed by Det. Higgins that Rodgers' vehicle was at this residence and that Rodgers had told Patrol Officer Laflamme that Rodgers in fact lived at this address that he had come out of prior to contacting Laflamme. Det. Higgins informed me that Rodgers was on probation and we had made the decision to go to [REDACTED] Somis and attempt to contact Rodgers with the purpose of interviewing him and potentially impounding his car to use in a re-enactment for the homicide scene where we had video surveillance footage which possibly captured Rodgers' vehicle on the night of the homicide. Doing this re-enactment would be considered beneficial to the case.

It was my understanding that Det. Higgins enlisted my assistance as well as Det. Brian Dedonder, Det. Tom Shrum, and our Sergeant Rudy Chan. Everyone was apprised of where we would be going and who we would be attempting to contact. Det. Higgins stated that he had asked Sgt. Chan to create a call for us to go out to [REDACTED] Somis and to be shown out there. I put our team on the board at the homicide office as being out at that address.

At approx. a quarter to ten this morning, I left from the Hall of Justice to go to the AMPM at Elder Creek/Power Inn Rd which was just east of the location in order to meet with the other detectives and the Sergeant who were planning to go out to this address to make contact with Rodgers.

As I was en route to this call, I had called our warrants unit, Control 9 via phone and confirmed with them of Rodgers' searchable probation status which they indicated it did not show on his county screen however per the Probation screen it did show him to be on [REDACTED] searchable probation. We had anticipated potentially doing a probation search at the residence on Somis. I had brought several documents with me to this call including an 8 ½ x 10 photo of Elijah Rodgers and his county printout from Web KPF.

We ultimately did meet at this AMPM and we all moved one parking lot west to an abandoned business center because the AMPM was busy. There I met with Det. Higgins, Det. Dedonder, Sgt. Chan. It was my understanding that Det. Shrum was there at the AMPM prior to go take point at the Somis address and watch to see if Rodgers left the residence prior to our arrival. As we were at the parking lot discussing on what we were going to do, Det. Dedonder suggested to Det. Higgins that we should ask for a patrol officer or two in order to have a uniform presence there just prior to making contact. Det. Higgins agreed and it's my understanding that Det. Higgins either got on the radio or phone to ask Ofc. Laflamme to come out and assist us and that Laflamme would bring an additional patrol officer if one was available. Again, this was just as a precaution to have a uniformed presence, we were not intending to arrest Rodgers but rather to bring him back to our office for an interview about his whereabouts and actions on the night of the homicide on Sea Drift as well as impound his vehicle. I was not involved in the coordination of the earlier contact between Ofc. Laflamme and Rodgers but it was approx. 0930 hrs when I was advised by Det. Higgins of that contact.

I'm not sure exactly of the time but as we were standing by in the parking lot awaiting on patrol officers for assistance, Det. Shrum who was on point at the location, informed us via radio of two male subjects had walked out of the residence and away from the residence while pushing a stroller. This information was available to everybody in the parking lot. At that point we decided to make contact with these two subjects and continue with our goal in interviewing Rodgers about the homicide case.

So as we left the parking lot in our vehicles, Det. Higgins drove westbound on Elder Creek from the parking lot as Det. Dedonder and I went eastbound to circle around the block. Both Det. Dedonder and I were in our separate unmarked police vehicles. My police vehicle that I was driving is a white Pontiac Grand Prix, equipped with a forward facing red light, blue light and wig-wag headlights and rear lights to identify it as a police vehicle. As Det. Dedonder and I drove around the block, we drove down Somis and I did not see Rodgers and the male subject on Somis. We were all on the Investigator 1 channel of our radios initially on this operation. I heard an update over my radio that Rodgers was walking westbound on the "major street" which would be Elder Creek. I did not hear any updates after that. Somis kind of comes around and makes a bend to where I took it out north to Elder Creek where I expected to see Rodgers and the second subject however they were nowhere in sight.

So I drove westbound on Elder Creek from Somis. As I'm driving west in the #1 lane, I don't see either individual described as leaving the house which was surprising to me because I expected them to be much closer to my location given the last broadcast about their location. As I'm approaching "Sunset Drive" (clarified by googlemaps.com printout as Sunrise Dr.) on the north side which is Cougar Dr on the south side, I was still scanning for the subjects and in the #2 lane (later clarified as #1 lane after referring to map and marked w/an "X" in the #1 lane of westbound Elder Creek approx. one house east of [REDACTED] Elder Creek Rd), west of me on Elder

Creek, I see Det. Higgins standing in the roadway in the middle of traffic which I thought was odd because I thought he would also be driving around looking for the subject as I was. I immediately speed westbound towards Det. Higgins' location and as I get closer I see now that he has his gun drawn and pointing in a northern direction towards a house on the north side of Elder Creek. So now I know that Det. Higgins has made contact with a subject and has at least enough cause to pull out his gun and aim it at somebody but I still don't know quite what is going on as I had not heard any additional updates over the radio. Its possible Det. Higgins switched over to the main radio channel but I was unaware.

I turn on my red and blue lights in my vehicle and as I speed up to this area where Det. Higgins is at, I pull my vehicle over to the right curb-line (marked w/a rectangle on map just east of the front driveway of █████ Elder Creek) which is the north side of Elder Creek which was approximately in front of █████ Elder Creek. At some point Det. Higgins ran from the street to the north towards the driveway of █████ Elder Creek. I immediately get out of my vehicle and see Det. Higgins and Sgt. Chan in the driveway of █████ Elder Creek where they both have their guns drawn and pointed towards the garage (to the north) which is where a male black subject is standing and whom I immediately recognize as Elijah Rodgers, the same subject we were attempting to contact regarding the homicide. I had the 8 ½ x 10 photo of him on my passenger seat. Rodgers was moderately running west across the driveway towards the roll-up garage door. As I'm approaching the detectives and Rodgers, I also draw my gun from my holster, not knowing quite yet exactly what is happening. As I'm approaching, one of the first things I can recall seeing is a large caliber either 9 millimeter or .40 caliber silver/black semi-automatic handgun on the ground of the driveway between where Rodgers is standing and where Det. Higgins and Sgt. Chan are standing (indicated as Sgt. Chan is to the west in the driveway and Det. Higgins is to the east in the driveway when referring to map). The gun on the ground was in the middle of the driveway approx. 10 feet south of Rodgers.

I hear Det. Higgins yelling for Rodgers to get on the ground and I also hear Det. Higgins yell repeatedly that, "He has a gun". Now I had seen the gun on the ground and as I'm hearing Det. Higgins yell this, I thought that maybe Rogers had a second gun which I had not seen yet. Rodgers had a t-shirt hanging over his waistband to where I could not see inside the waistband so I'm assuming that Rodgers is still armed. Plus it is not that unlikely that a suspect armed with a gun could be armed with an additional one. So my mindset was that based on the gun I had already seen on the ground and what Det. Higgins was saying about Rodgers having a gun, I believed Rodgers had a second gun on his person somewhere. Also I wasn't quite sure where this second subject was that Rodgers had previously been with as Det. Shrum advised earlier over the radio so for all I knew is that the gun on the ground could have been from the second individual.

As I had my gun drawn, I took a position in the driveway where myself, Det. Higgins, and Sgt. Chan had formed a semi-circle around Rodgers whose back was towards the garage door and slightly to the west of it and Rodgers was directly facing all three of us and furtively looking from side to side. Based on that behavior by Rodgers, I interpreted it as though he was looking for an escape route as I have had a number of subjects flee on foot from me before and that's what I believe he was about to do. I felt we had a decent perimeter around him as I was to the farthest east portion of the semi-circle with Det. Higgins to my left and Sgt. Chan to Det. Higgins' left. I heard either Det. Higgins or Sgt. Chan tell Rodgers to get on the ground and I personally told Rodgers no less

than three times to get on the ground. Whenever I yelled at Rodgers to get on the ground, he looked directly at me and at least once or twice I told him that I would shoot him if he attempted to run or fight.

Rodgers continued to refuse to cooperate and not get on the ground and he moved his hands from his waistband area to his mid-section as he had a t-shirt on but he never reached under his t-shirt. I never personally felt like Rodgers had access or that he could have access to a gun prior to me being able to shoot him if I needed to. I was intently watching Rodgers' hands and I did not see him go under his shirt at that time. I had told Rodgers numerous times to get on the ground, that it was not worth it, that he would be shot if he continued to resist. At one point I even lowered my voice from the yelling I was doing as he was looking at me. I was trying to make a connection with him in order to calm him down and I said, "Elijah it's not worth it, just get down on the ground". I used his name to make it known to him that we knew who he was. I thought maybe that if he knew that we knew who he was, that he wouldn't run and realize an arrest was probably imminent at some point anyway. I used Rodgers' name at least twice, imploring him to get down on the ground in a low, casual, almost conversational tone, thinking it might de-escalate things and change his mind from running which was what I believed he would do. Rodgers continues to look left (east) to right (west) and as he looked right, there was a wrought-iron fence there which I didn't think Rodgers would run that way because there would be nowhere to go. Rodgers immediately looked left quickly where I happened to be and after he looks to his left for about the third time, he starts to make his way eastbound through the driveway where I believe he is going to run towards me. I tell him, "Don't run, just get down on the ground". Rodgers almost immediately begins to take off running eastbound across the driveway and he reaches towards his waistband. In what was probably a tenth of a second from his original position which was approx. 4-5 feet away from me to the point where he is almost right on top of me and Rodgers had his hands up at this point which was right around here (indicating with a circle at the northeast portion of the driveway). I still had my gun out (motioning with right hand) but I brought it back (tucking right arm back while pointing gun forward) and canted my body to protect my weapon. I did not want to holster my gun because I didn't know as to whether or not Rodgers was armed. I outstretched my left hand towards Rodgers to stop him from running. I made contact with Rodgers' chest right shoulder area with my left hand. When I did that, Rodgers reached forward with his left hand and he attempted to grab my weapon. Rodgers actually made contact with my weapon with his left hand but I never felt like he had a firm grip on it or that there was any likelihood of him being able to take it away from me.

Then Rodgers took off in a full sprint eastbound towards the edge of the driveway to the walkway area which led to the front door of the residence there. Rodgers then stumbled and fell upper body first into some rose bushes. Rodgers didn't fall from me pushing him as I was trying to push him in the opposite direction prior to him falling but he seemed to fall because his top-half was going a little faster than his lower half. As I was the closest one to Rodgers and directly behind him when this happened, I had turned quickly just prior to him falling. I turned quickly to go after him, but because of my attire and my slippery dress shoes, I fell on the ground where there is a patch of grass and like a cobblestone/brick walkway (area just east of the eastern corner of the garage door). I fell to a hard surface and that's where I injured my right thumb here (jammed) and my right elbow where I sustained an approx. 1 inch abrasion to it which bled but the medics who responded put a band-aid on it.

Now as Rodgers is down in the rose bushes and I'm down on the ground behind him, Rodgers starts to get back up. I start to get back up because I think Rodgers is going to continue to keep running. As I start to

get back up, I hear a gunshot very close to me but I don't know who shot it or specifically where it came from but it sounded like it was less than two feet from me. I heard someone say that might have been Det. Higgins, though I'm unsure, asking me if I was alright and if I had been shot. I don't know if I answered to that or not. If I did answer I probably said, "I don't know" because I later said I didn't know as I had to check myself to be sure I wasn't shot. Since my adrenaline was going and it was so close, it was possible at the time that I could have been shot and didn't even know it. Rodgers gets back up and I get back up after there has already been one gunshot.

I asked if Rodgers had gone down to the ground from that first shot

No and I didn't even think that Rodgers had been shot because I didn't see any noticeable change in his behavior because he was still getting back up and attempting to flee. I couldn't say for sure if Rodgers had been hit at that point or not. I didn't know if Rodgers may have been the one that fired the shot. Both Rodgers and I get back up and Rodgers now looking towards the opposite side of the driveway which is to the west and starts to flee that way which is the direction that I believe Sgt. Chan was at which I believe was to my left. As Rodgers is fleeing westbound across the driveway, I hear a second gunshot which I think was Sgt. Chan firing his gun based on what direction the shot came from. Rodgers then makes it west approx. another ten feet and across the driveway to where he collapses (marked w/an "X" in the middle west portion of the driveway on map) to where I could see he was bleeding from his mid-section area. Rodgers had also said at some point that he had been shot.

Det. Higgins, Sgt. Chan, and I all still had our guns drawn to where we formed a circle around Rodgers and told him to lay flat but he wasn't doing this as he was laying over his hands and keeping his hands low.

Ultimately a patrol officer arrived on scene who I believe was the patrol officer who handcuffed Rodgers but I'm not sure about that. I know for a fact that Patrol Ofc. Mulligan responded to the scene and did search Rodgers for us as we advised Ofc. Mulligan that Rodgers had not yet been searched. Ofc. Mulligan did say that he didn't even realize shots had been fired. He just thought this was a cover call.

I wasn't involved in the handcuffing or searching Rodgers, at this time I was looking to the east where I noticed Det. Shrum contacting the second male with a stroller who was apparently Rodgers' friend approx. two houses east of our location on the north side. I advised Det. Shrum via radio that subject needed to be detained. I believe Det. Dedonder arrived on scene as well and assisted Det. Shrum. I couldn't identify that second subject. I didn't see if there was a child in the stroller with the subject, I just saw the stroller.

I had not heard anyone put out over the radio of what had happened, I didn't have my radio on me at that point, it was still in my vehicle. I asked Det. Higgins if he had broadcasted that shots had been fired to update dispatch with what happened. I heard Det. Higgins make that broadcast but I had not heard if anyone had made a request for medics. I noticed that Sgt. Chan had a paddle mike attached to his radio but it was dangling just above the ground. I took Sgt. Chan's radio and confirmed with dispatch that medics were en route for a subject who had been shot. Shortly after that numerous officers from SPD and SSD arrived on scene to stabilize the scene and set up a perimeter.

Additionally I presented a mugshot printout of Elijah Rodgers (Xref: [REDACTED] photo date: 5/22/12) whom Det. Sgt. Lockwood took overall photos of Det. Jasperson and his injuries outside of the interview room. As photos were being taken, I observed a small red/pink abrasion to Det. Jasperson's right elbow and left knee which he revealed after lifting his pant leg

I conducted a round count with Det. Jasperson in the interview room where he drew his firearm and ejected a fully loaded magazine with one round in the chamber of his .40 caliber P226 which totaled in 13 live .40 caliber rounds (maximum capacity)

Document: **01 VICTIM STATEMENT**
Author: **1010 - TRIMPEY, JR, LARRY 0806**
Subject: **T. HIGGINS STATEMENT**
Related date/time: **Jul-17-2013 (Wed.) 1340**

Victim Statement: T. Higgins

On 7-17-13, at approximately 1340 hours, I contacted Detective Thomas Pat Higgins #447 (IV90) in interview room #3 at 5770 Freeport Blvd (SPD Hall of Justice). As part of standard procedure Det. Higgins was represented by Judie Odbert, attorney at law. The interview was DVD/DVR recorded and a copy of the recording was later booked as evidence. I obtained a statement from Detective Higgins (see attached summary). For the exact content of the statement, please refer to the DVD that was booked as evidence.

The following summary is written in a question answer format. All questions and answers are written in summary unless quotation marks are present.

Det. Trimpey: How long have you been a police officer?

Det. Higgins: I have been a police officer for 28 or 29 years.

Det. Trimpey: Are you currently assigned to homicide and, if so, how long?

Det. Higgins: Yes, I have been a homicide detective since January of 2003

Det. Trimpey: Were you on duty and, if so, were you investigating any homicide in particular?

Det. Higgins: Yes.

Det. Trimpey: Will you please tell me about the homicide case you were investigating today?

Det. Higgins: The homicide occurred three weeks ago on Sea Drift Way in south Sacramento. The homicide was gang related and we have been doing a lot of follow up. The incident involved four people being shot and it appeared as though two separate sides were shooting at each other. Within a few days of the homicide the victim's family got a hold of me and told me that they were hearing a particular person committed the homicide. The victim's family told me Elijah Rodgers was the suspect in this homicide. The victim's family showed a photo from Facebook to a witness and they identified the person in the Facebook photo as the shooter. After receiving this information Brian DeDonder and I went out and contacted the [REDACTED] brothers. The [REDACTED] brothers were the persons telling the family Elijah Rodgers was the shooter. I interviewed [REDACTED] and he told me that he saw the shooter and identified him from a six-pack photo lineup as Elijah Rodgers.

During the investigation of the homicide we used surveillance video to conduct a reenactment of the homicide to determine who shot first. During this reenactment the person identified as Elijah Rodgers was the person who shot first. Also from this video, I noticed a distinctive vehicle in the video in which Elijah Rodgers arrived in and later left in. The vehicle driven by Elijah Rodgers was identified by Detective DeDonder as a Ford Tempo. I ran up Elijah Rodgers and found him to have a grey Ford Tempo registered to him. I found it strange that the driver opened the hood when he arrived and fiddled with something under the hood and at the time he was fleeing he opened the hood again and fiddled with something under the hood so that definitely drew our attention. I think the car fled blacked out or without lights.

We did a reenactment with the victim's car because once the victim's car drives past the surveillance video everybody starts running. We interviewed two sisters who described seeing a maroon vehicle, which they believed to be an Acura, turn down the street from Valley Hi. As the witnesses passed the scene where the shooting occurred they saw a guy wearing a hoody standing in a shooting stance (Higgins demonstrates a shooting stance with his two hands together on video) and as the witnesses pass the shooting begins. Based upon this reenactment we determined the person seen wearing the hoody was the murder suspect.

On the same night that I spoke with the witnesses I also contacted Officer Severi because in looking into records for this guy he had been stopped by Severi and Trefethen on like four occasions. I was concerned because Elijah Rodgers had a bunch of gang validations on file and he had been stopped on two occasions in cars where other people in the car possessed firearms. One of the people he was with was a parolee who has run from officers multiple times. I asked Severi if he checked under the hood and he said yes. I thought Rodgers was keeping a gun under the hood but Severi told me that when he stopped Rodgers, Rodgers asked him to open the hood to his car and turn the fan off so his car wouldn't over heat and then when Rodgers was released he went back and opened the hood and turned the fan back on before he drove away.

I put out an officer safety bulletin so people could be on the lookout for him and attempt to identify where he was living. Severi told me one house where the suspect had been staying off Valley Hi which belonged to his girlfriend and I drove by the house several times and never saw the car. During one of the times Severi and Trefethen stopped Rodgers I noticed they seized his cellular phone pursuant to his active probation status. I confirmed Rodgers was on searchable probation and gave Rodgers phone to the electronic crimes unit to download the contents but they could not bypass the lock. The electronic crimes unit was able to download the photos and videos from the SIM card. In reviewing one of the videos from Rodgers phone I observed pornographic material. I observed a male having sex with a female and I observed she had a pink naval ring which was distinct. I identified Rodgers girlfriend and observed Facebook photos in which the same pink naval ring was identified. I knew based on this information the female in the video was 17 and the video was a violation of child pornography.

On Thursday 7-11-13, Sgt. Murrietta called me at home and told me they had located Elijah Rodgers Ford Tempo at [REDACTED] Somis Way. Sgt. Murrietta's team sat on the house for awhile and there was no activity near the vehicle. Sgt. Murrietta's team conducted a probation search on the residence because they located persons on searchable probation who listed [REDACTED] Somis Way as their address of record. Sgt. Murrietta's team contacted [REDACTED] inside the residence but did not locate Elijah Rodgers. I noticed in police reports that [REDACTED]

█████ was contacted several times with Elijah Rodgers. I had a tracker installed on Elijah Rodgers vehicle and observed over the weekend the vehicle did not move. I drove by the house over the weekend while I was working on a different homicide and observed the Tempo had not moved. Det. DeDonder wanted to know if Rodgers car was missing a rim, because of something he had seen on the video, so I went out Monday morning and it appeared as though the car was missing its front passenger side rim. The fact the car was missing a rim was consistent with the video.

(Higgins refers to notes taken from his cellular phone written on a piece of paper for the following times)

Today, we decided to tow the suspect vehicle because it had been parked on the street for more than 72 hours. At 0829 hours, I got a hold of Ofc. LaFlamme and he said he would be back available in 20 minutes. At 0853 hours, Officer LaFlamme called me back but I missed the call. At 0859 hours, I called Officer LaFlamme back and told him that all we wanted him to do was go over and look at the car and I was going to try and call the RO and see if the car was in fact abandoned. I spoke with Tracy Youngstedt and asked her if we could tow the car for being on the street for more than 72 hours. The problem was if we towed the car I didn't want the suspect to know we were towing the car because of the homicide so that is why we were using the fact the car had been on the street for more than 72 hours. I called and requested a tow. From 0903 to 0910 hours I tried to call a couple of numbers for the registered owner and I didn't receive an answer. Finally I spoke with a female who said that I had the wrong number. At 0917 I spoke with Officer LaFlamme and he said nobody was around the car. Ofc. LaFlamme and I decided to impound the car. At 0932 hours, Ofc. LaFlamme called me back and told me the suspect, Elijah Rodgers, came out and was all upset about the car being towed. Ofc. LaFlamme told me Rodgers stated to him that he was living at █████ Somis Way. I told Ofc. LaFlamme to go ahead and clear without towing the car and I would be en route to conduct a probation search.

I told Det. DeDonder, Det. Shrum and Det. Jasperson that I needed assistance on a probation search. I got a hold of Sgt. Chan and asked him to do a game plan so patrol officers would know what we were doing. At approximately 0950 hours, I drove by the car and there was no activity. I requested Det. DeDonder, Det. Jasperson and Sgt. Chan to meet me at the old probation building near the house at the intersection of Elder Creek and Power Inn. I asked Det. Shrum to sit on Somis and watch the house so somebody didn't leave.

At approximately 1004 hours, I called Sgt. Murrietta to determine who else was on probation in the house. Sgt. Murrietta advised that the mom of █████, █████, was on searchable probation. At approximately 1007 hours, I wanted to request a patrol officer to come assist. At approximately 1009 hours, I called Detective Halstead who advised █████ and █████ were on searchable probation. Det. Jasperson, Det. DeDonder, Sgt. Chan and I were at the probation office trying to determine how we wanted to approach the house. Det. Shrum called me and told me that he had been trying to raise me on the radio but he couldn't. Det. Shrum advised that he saw two male blacks leave █████ Somis Way on foot and one was pushing a stroller. Det. Shrum said he wasn't sure if one of the subjects seen leaving the house was Elijah Rodgers or not. I told the officers at the meeting location this information about the two males seen leaving by Det. Shrum and Sgt. Chan said he would do a drive by of the subjects to determine if one of them was in fact Elijah Rodgers. I don't know what Det. Jasperson and Det. DeDonder did but I followed Sgt. Chan.

At approximately 1024 or 1025, I called Officer LaFlamme and attempted to get his ETA but he said he was en route on a different call so he was trying to get us another unit. I initially observed the two subjects described by Det. Shrum walking westbound on the south side of the street and they had made substantial distance from Somis Way. All of a sudden they walked diagonally across the street with this baby amidst a bunch of cars. Sgt. Chan is in front of me and he begins to pass the two guys so he is slowing down to get a better look. I immediately saw the two guys begin staring at Sgt. Chan and I observed the subjects knew Sgt. Chan was a cop. I advised over the radio for everyone to go to the main channel because I wanted to put the stop out so everyone would know what we were doing. I switched from Investigator 1 to channel 3 because I wasn't sure if channel 6 was operational yet. I knew channel 3 is always on.

I stopped my car to the east of the two subjects. I exited my vehicle on the driver's side and stepped away from the door so they could see my detective shield and stated, "Police stop." (Detective Higgins is standing demonstrating how he is exiting his vehicle) I was yelling police stop or something to that effect and the one guy stopped but the second guy just kept walking away and he was putting his hands in his waist band and I repeated to him to stop and I ordered him to show me his hands but he would not comply with any of my commands. The subject was continuously reaching in his waist band and at this time I was scared so I got on the radio and I put out "IV90, Code 3 Cover." I was scared because this guy was a murder suspect, around guns all the time and he was reaching in his waistband and not complying with any of my commands. I thought he was going to pull a gun and shoot us. I got away from the cover of my door because I wanted to make sure he knew I was a cop. I wanted to make sure he could see my badge. I didn't have time to put on any of my raid gear or bullet proof vest because the suspect kind of forced our hand by walking away from his house.

The suspect was halfway between where my van was parked and the driveway where the shooting occurred when I initially contacted him. I was 40-50 feet away from the suspect while I had him at gun point and I was giving him orders to stop. We started closing the distance and Rudy and I had him cornered in the driveway. I was thinking to myself that we were going to have to shoot this guy. The suspect was continuously reaching in his waistband and I was thinking to myself that this guy was a murder suspect and he was not going to go with us he was going to shoot it out.

At some point while we had the subject in the driveway and we were giving him commands while he was digging in his waistband a gun fell out of his pant leg. I don't know for sure where the gun came from but I thought to myself, "holy shit" he did have a gun. I remember Rudy saying something about a gun before the gun fell out. After the gun fell out the suspect was still reaching in his waist band like he had another gun. Rudy yelled out to me that the subject had another gun. I thought to myself, Oh my god this guy lost one gun and he is going for a second gun.

At this time, Kyle Jaspersen arrived and he was giving the guy commands to get down on the ground. The suspect would not comply with Kyle either. The suspect made a break towards Kyle and I saw him struggling with Kyle. I don't know exactly what happened but I saw Kyle and the suspect struggling. The suspect broke free and ran towards the rose bushes. Kyle was off to my left and the suspect is near the rose bushes. I thought he was going to go inside and kill somebody, hold somebody hostage or turn around and shoot

at us. I fired at the suspect. The suspect went down immediately in the direction of the rose bush. Kyle said something about shooting and it didn't make sense to me because Kyle was off to my left. I didn't know if the suspect had shot Kyle or what because he was off to my left and there was no way I could have shot him because I had a clear shot. I turned my attention to Kyle because I am thinking that he is shot. The suspect in the rose bushes was yelling and screaming that he had been shot. All of a sudden, I saw the suspect get up and begin running back towards the driveway and he is running back towards the gun. I begin to stand up and go back to the driveway after I checked out Kyle and realized he had not been shot and all I know is Rudy fired one shot. The suspect went down and stayed down again screaming that he had been shot.

I think the shooting happened at 1026 or so and it took me a minute or two to cuff him up and put out the exact address for Fire and Medics to come for treatment. Once additional officers arrived I told them to search the suspect because I realized we didn't completely search him when we handcuffed him.

(At this point in the interview I showed Det. Higgins three photos printed from Google Maps of [REDACTED] Elder Creek Rd. The maps included one view of the entire street, one view of [REDACTED] Elder Creek and the general area around that house and one view of the driveway of [REDACTED] Elder Creek. Det. Higgins used a pen and drew on the maps provided after acknowledging that he recognized the area. The maps were maintained by me and later booked as evidence)

Det. Trimpey: What type of vehicle were you driving?

Det. Higgins: An unmarked Chevy van.

Det. Trimpey: What type of vehicle was Rudy driving?

Det. Higgins: I don't know. It was an unmarked sedan.

Det. Trimpey: Do you remember where the subjects were when they crossed the street?

Det. Higgins: Yes. (Det. Higgins draws a line across the map indicating the general area and direction the subjects crossed the street.)

Det. Trimpey: Was it your attention to stop the subjects because they jaywalked?

Det. Higgins: That amongst other things. Initially it was our intention to wait for a patrol unit to arrive and conduct the vehicle stop but the suspect had made us as cops and I have seen that look before and the suspects were going to run.

Det. Trimpey: So you're telling me in your 28 years of police experience the actions by the suspect led you to believe they were going to flee on foot if you didn't stop them?

Det. Higgins: Yes.

Det. Trimpey: Did you activate your lights?

Det. Higgins: No, I didn't have time.

Det. Trimpey: When you stopped and exited the driver's door your first words were "Stop Police?"

Det. Higgins: Yes. The suspect's very first action was to reach for his waistband and continue walking away from me.

Det. Trimpey: Do you remember what the suspect was wearing?

Det. Higgins: No. I recognized the suspect when he turned around as Elijah Rodgers. Rudy had put out over the radio that he positively identified the subject as Elijah Rodgers our homicide suspect.

Det. Trimpey: Do you recognize this person? (Higgins viewing Mugshot photo of Elijah Rodgers)

Det. Higgins: Yes that looks like Elijah Rodgers. Rodgers has tattoos on his hands that are very distinctive and I saw those tattoos when I stopped him today.

Det. Trimpey: Do you remember what the second subject did when you ordered both subjects to stop?

Det. Higgins: The other subject stopped and put his hands up when I pulled out my gun.

Det. Trimpey: Did the suspect reach into his waistband with one hand or two?

Det. Higgins: I don't remember if it was one or two because he was walking away from me while I was giving him orders.

Det. Trimpey: In your training and experience do suspects keep weapons in their waistbands?

Det. Higgins: Yes.

Det. Trimpey: Did you order him to show you his hands?

Det. Higgins: Yes, dozens of times. My voice is horse from yelling at him so much to show me his hands and to stop.

Det. Trimpey: Did the suspect ever say anything to you like he doesn't have a gun or anything like that?

Det. Higgins: No, the suspect never said a word he just kept walking.

Det. Trimpey: Where is the suspect walking?

Det. Higgins: The suspect is walking on the sidewalk.

Det. Trimpey: At one point does he enter the front yard or driveway of [REDACTED] Elder Creek?

Det. Higgins: I believe right around the driveway.

Det. Trimpey: Does he walk up to the house like he is going to go inside?

Det. Higgins: No, he was trying to get away. The subject never started running he was walking the whole time. The subject was looking around like he was looking for somewhere to go but he was surrounded.

(At this point Det. Higgins uses a pen and draws on a map his position and the position of Det. Jasperson and Sgt. Chan) Det. Higgins relates the following while drawing on the map.

There is really nowhere for the suspect to go so he ends up bolting right at Kyle. I see some type of physical altercation but I don't see exactly what happens. I saw Kyle go down. I see the suspect break free and cross by me, Kyle is a few feet to my left, the suspect breaks free and he is going right to this house. The suspect is a huge danger to everyone because he is not complying so I fire and he goes down right by the rose bushes. I heard Kyle say something about being shot and the suspect is in the rose bush yelling that he was shot. The suspect got up and ran back towards the driveway while I was tending to Kyle. I heard one shot come from Rudy. I remember cuffing the suspect and then looking up and seeing the address and remembering that I needed to give fire the exact address.

Det. Trimpey: Did you put out shots fired?

Det. Higgins: Yes I put out shots fired and I said officers OK or something like that I think.

Det. Trimpey: Did the fire department arrive and treat him?

Det. Higgins: Yes.

Det. Trimpey: Did the fire department cut his clothes off?

Det. Higgins: Yes.

Det. Trimpey: Do you recognize this person? (Viewing photo of [REDACTED])

Det. Higgins: I think he is the second guy but I am not sure.

Det. Trimpey: Are you the lead detective on the Sea Drift homicide?

Det. Higgins: Yes.

Det. Trimpey: During your homicide investigation you spoke with witnesses who stated they were driving a vehicle in which someone was killed. Since this incident you've spoken with these witnesses and have they identified Elijah Rodgers as the person who shot and killed Alvin Valentine?

Det. Higgins: Yes.

Det. Trimpey: During your investigation have you spoken with officers about Elijah Rodgers?

Det. Higgins: Yes and I have read his reports.

Det. Trimpey: What reports are you referring to?

Det. Higgins: The cases in Versadex.

Det. Trimpey: In the reports you've read has Elijah Rodgers gang activity been noted?

Det. Higgins: Yes. I think there are two gang activity reports and two crime reports where someone else was carrying a gun.

Det. Trimpey: Do you remember which gang?

Det. Higgins: [REDACTED].

Det. Trimpey: Is that gang known to you?

Det. Higgins: Yes and there was something else that caused me to have heightened security. At the time I went through his phone I observed he was using [REDACTED] which I know to be the symbol for [REDACTED]. Members of Rodgers particular gang will do this in defamation of their rival gang, [REDACTED] and there was also a picture of a gun believed to be a 45.

Det. Trimpey: Do you know gang members to carry guns?

Det. Higgins: Yes. I also knew Rodgers to be associated with this parolee who had run from officers twice and was known to carry guns. I put out an officer safety bulletin for officers to be cautious if they were contacting Rodgers due to all these circumstances.

Det. Trimpey: Since you received this information regarding Rodgers involvement in your homicide case you have been attempting to locate a known address for him?

Det. Higgins: Yes.

Det. Trimpey: On Thursday, Sgt. Murrietta's team found Rodgers car parked in front of [REDACTED] Somis Way? How do you know this is Rodgers car?

Det. Higgins: Yes. The vehicle is registered to Rodgers. Rodgers has been stopped multiple times in this car and I think I have two red light photos of him driving this car.

Det. Trimpey: Based upon these factors and the fact you had information the car had not been moved in more than 72 hours you decided to have a patrol unit go to the house and tow the vehicle.

Det. Higgins: Yes. There were several reasons we could tow the car. Rodgers is on searchable probation and the relationship of this case to the homicide case. I wanted to use the 72 hour section as well so when he came to pick up the car the tow yard wouldn't tell him that the car was towed and stored because it was related to a homicide.

Det. Trimpey: When you called Officer LaFlamme were you using your cell phone or the radio?

Det. Higgins: Cell phone. I used my desk phone to call the registered owner and that is how I got the times. LaFlamme told me the guy was very argumentative and wanted to know LaFlamme's sergeant so he could make a complaint.

Det. Trimpey: Did Shrum call you and tell you Rodgers left the house with another male black while he was sitting point?

Det. Higgins: No, Shrum called to say that two male blacks with dreads left the house but he couldn't make a positive ID because he didn't have a picture.

Det. Trimpey: Did Sgt. Chan drive by the subjects and put out that he positively identified one of the subjects as Elijah Rodgers.

Det. Higgins: Yes I know he said positive identification and I believe he put out that the guy in the white is the suspect but I can't be totally sure on that part of it.

Det. Trimpey: As Sgt. Chan passes him you feel that he makes him as a police officer?

Det. Higgins: Yes because I could tell he was real nervous and his head started to turn back and forth looking around. One other thing I forgot was Det. Shrum put out that one of the guys came out of the house and got something out of the suspect vehicle from the passenger side before they went for a walk.

Det. Trimpey: In your experience you felt Rodgers was going to flee because he recognized Sgt. Chan as a police officer?

Det. Higgins: Yes.

Det. Trimpey: At the instant you stopped your car to make the enforcement stop, how far away from the subjects were you?

Det. Higgins: Approximately one house length. I wanted to give myself some distance because Rudy was slowing down.

Det. Trimpey: Once you exited your car and identified yourself as a police officer what did Rodgers do?

Det. Higgins: Rodgers immediately put his hands in his waist band.

Det. Trimpey: What did you do next?

Det. Higgins: I put him at gun point because I knew people carry guns in their waistband.

Det. Trimpey: The suspect continued to walk in a western direction towards Sgt. Chan?

Det. Higgins: Yes.

Det. Trimpey: Are you and Sgt. Chan both giving him orders to stop and show his hands?

Det. Higgins: Yes. In my career I have only had two other people who would not comply that much and made the situation that scary. It's the worst non-compliance I have seen.

Det. Trimpey: Sgt. Chan is standing to the suspects southwest, you are to the suspects southeast and Det. Jasperson is directly to your right or northeast?

Det. Higgins: Yes. Actually I don't remember where Kyle was when the gun fell out. I think it was only Rudy and I in the driveway when the gun fell out of his pants.

Det. Trimpey: Describe the gun dropping?

Det. Higgins: It wasn't like he was trying to discard the gun and throw it somewhere. It was more like a person who was trying to arm himself and the gun dropped from his pants towards the ground.

Det. Higgins: I just remember thinking that I don't want to have to shoot this guy; I don't want to have to shoot this guy. I just wanted him to comply and we were giving him every opportunity to comply. Det. Trimpey: So, when he is in the middle of the driveway, Kyle shows up to your north and east after the gun drops?

Det. Higgins: Yes.

Det. Trimpey: At this time Does Sgt. Chan says to you both that the suspect has a second gun?

Det. Higgins: Yes.

Det. Trimpey: How far away from the suspect do you think you were?

Det. Higgins: Ten to fifteen feet max and we were closing our distance on him.

Det. Trimpey: Is he walking through you guys or is he running through you guys.

Det. Higgins: He is just methodical. (Det. Higgins stands up and mimics the suspects actions with his own body language) The suspect is methodically looking around trying to decide if there is somewhere for him to run or if he needs to do something else. There was no fear in his eyes. The suspect was simply trying to figure out how he was going to get out of this situation without going to jail. The suspect was so calm and he has this look on his face like bring it on. Kyle is standing in the driveway near the bush and the guy makes a break towards him. I can't really see what is going on with Kyle but the guy breaks away from him. The guy is breaking away from Kyle and he is going towards this bush. The suspect is more towards the other side of the house then the front door. As the suspect was running he was reaching in his waistband (Det. Higgins stands up and demonstrates) and he is headed towards this house so I fired one shot in his direction. The guy went down in the rose bush and started yelling at me that I fucking shot him. I was thinking well we gave you every opportunity. I turned my attention to Kyle because I knew Kyle was not in my field of view when I fired my round. I had decided in the driveway that this was not a guy that I could let flee into the community because he is just too dangerous and he will kill someone else.

Det. Trimpey: After you discharge your firearm you see him fall into the rose bush?

Det. Higgins: Yes.

Det. Trimpey: The suspect tells you that he has been shot?

Det. Higgins: Yes. Kyle was also saying something about being shot so my attention was diverted to Kyle. All of a sudden the guy gets up like a zombie and takes off running back towards the driveway.

Det. Trimpey: The next thing that happened was you heard Sgt. Chan discharge his firearm?

Det. Higgins: Yeah I really don't remember a lot about that because I was coming up from behind and I heard the sound of one shot. I clearly heard Rudy give more commands and I was giving him commands then I heard the one shot.

(At this point in the interview Judie Odbert requested to ask Detective Higgins the following questions)

Judie Odbert: When suspect Rodgers was running towards the rose bush was he still reaching in his waist band and did you believe him to be armed or unarmed?

Det. Higgins: Yes he was reaching in his waistband and I had no doubt he was armed.

Judie Odbert: Did you only fear for the potential of the community or did you fear for the safety of other officers too?

Det. Higgins: Both. I thought he had already pushed down another officer and I knew this guy wasn't giving up.

Judie Odbert: You said you didn't know what this altercation was but did you believe that he had stabbed or severely injured Detective Jasperson?

Det. Higgins: I just saw some kind of struggle and I thought Kyle went down.

Judie Odbert: Training and experience. Is it normally an easy thing to take Detective Jasperson down?

Det. Higgins: No, of all the people I've worked with he is one of the people I would expect someone to get through.

Judie Odbert: So all of this is processing rapid fire through your brain?

Det. Higgins: Correct.

Judie Odbert: At the time you discharged. In your training are you aware of any studies of how quickly a person can draw from their waistband.

Det. Higgins: I know because I teach this. I know even with me having someone at gun point that the suspect will get off a round before I can fire due to reaction time. If I wait to see the gun then he will fire the round first.

Judie Odbert: So, that is knowledge that you have and is with you every day and you train other officers?

Det. Higgins: Yes.

Judie Odbert: You did not have your gear? Did you have a ballistic vest on?

Det. Higgins: No.

(At this point all parties took a break in the interview. Upon returning to the interview room I asked Det. Higgins the following questions.)

Det. Trimpey: You drive an unmarked police car?

Det. Higgins: Yes.

Det. Trimpey: That unmarked police car is equipped with lights and siren?

Det. Higgins: Yes.

Det. Trimpey: Did you activate your lights or siren?

Det. Higgins: No. It happened to quick I felt it was more necessary to announce myself.

Det. Trimpey: In your words I would like you to tell me or show me what you mean when you say he was digging in his waist band?

Det. Higgins: (Det. Higgins stands up and demonstrates).

Det. Trimpey: Do you think he was reaching with both hands or one hand?

Det. Higgins: I think he was pulling his shirt up with one hand and using the other hand to go to his waistband. At the time he was in his waistband when I fired he was bent over at an almost 45 degree angle and both hands were at his waistband. During the time he was digging in his waistband he was looking back at me and I didn't have any other choice but to shoot.

Det. Trimpey: In regards to the information bulletin you put out regarding Elijah Rodgers, do you remember if it said Elijah Rodgers could be arrested or not?

Det. Higgins: I believe it said to contact us before anyone arrested him. I believe there was probable cause to arrest him but the standard we like to go by is having a district attorney willing to file charges prior to arresting the person.

Det. Trimpey: Did the words "not arrestable" appear on the information bulletin?

Det. Higgins: On the first one I believe.

Det. Trimpey: If you contacted this guy today, at the end of the day was he going to jail?

Det. Higgins: At the very least I was going to arrest him for child pornography and I was going to try and talk with the district attorney about charging him with murder.

Det. Trimpey: During the contact do you remember the suspect saying anything?

Det. Higgins: Not that I remember. I don't remember him saying a single word.

Det. Trimpey: Did the second male black say anything?

Det. Higgins: He was too far away if he said anything I wouldn't have heard it.

Det. Trimpey: Did you notice any persons on the street watching this incident?

Det. Higgins: There were cars flying by but I didn't see anybody watching.

On 7/17/2013 I spoke to [REDACTED] at the scene of an officer involved shooting with suspect Elijah Rodgers. I had [REDACTED] have a seat in the back of Officer Redding and Officer Miller's patrol car (unit 11530). When [REDACTED] sat in the back of the patrol car, the in car camera system was activated. At approximately 1108 hours, I spoke to [REDACTED] and told him that when his friend ran, he got shot and we wanted him to come down and give a statement. I told him that he was not under arrest.

I returned to [REDACTED] at approximately 1206 hours I returned and spoke with [REDACTED] regarding his household. He stated the following in summary:

I live at [REDACTED] Somis with my mom [REDACTED]. My mom is [REDACTED] or [REDACTED]. I don't know where she is. She was supposed to be at work project if today is Wednesday. She should be at work project right now.

At my house there are 3 bedrooms. Elijah was just sleeping in any room. Sometimes he would sleep in my brothers room. Sometimes he was in the living room. I meant my 3 brothers but they're out of town.

They are [REDACTED], [REDACTED]. I'm not sure how old. I think he was born in 2000. Last is my sister [REDACTED]. Her birthday is [REDACTED]. I'm 10 years older than her. She's [REDACTED]

We have no home phone. My cell is [REDACTED].

I don't know what's going on.

I stay in the far back room. It's just me and my kids.

My brothers stay in the first room when you walk in on the right. My mom has the master room. She has no man.

There is nothing illegal in my room.

You all stopped us like me and him did something.

All his stuff is in his car. All his stuff is in his vehicle. He had his keys on him.

His car is in front of my home. It's a Tempo. I don't have a car.

I have by house key so you don't break down the door.

My brothers are not in California. They're in Oregon. They've been there since June. I have family up there. I don't know the number there. It's a [REDACTED] area code. I'd have to call my grandma.

I ask to look at [REDACTED] phone and he shakes his head no and says it's a violation of his privacy. I asked to look in his room and [REDACTED] responded that we were going to look in his room anyway and he would say no because it would invade his privacy but there was nothing in their. Subject: (WITNESS #1) [REDACTED]

Related date/time: **Jul-18-2013 (Thu.) 1031**

On 07/17/13 at approx. 1352 hrs, I, Det. Heinlein #294 interviewed (w) [REDACTED] at HOJ. The interview was video recorded and a copy of the interview was booked into SPD property as evidence. The following is a summary of the interview:

I was taking my son and my niece to Kids Camp which is at George Simms Community Center. I accidentally passed Logan so I made a u-turn. That's when I saw the two gentlemen. **(At this point, I took out an aerial map of the immediate area where the officer-involved shooting occurred.)** I was driving W/ B on Elder Creek and I passed Logan by accident. That's when I made the u-turn and saw the two gentlemen with the stroller. I went back to Logan and dropped the kids off and proceed to come back down Elder Creek. (W/B) I was in the left lane (identified as the #1 W/B lane) and that's when I saw two undercover officers with their weapons drawn. I was in the front and I was afraid to go across because one cop had his weapon drawn on the subject with the stroller and the other cop had his gun drawn on the other guy. I couldn't make out what the officer was saying but I am assuming that he was telling him not to resist. The guy continued to resist and the next thing I know I heard, "pop, pop, pop!" Maybe three times but I believe that I heard at least two shots.

When I made the u-turn to go back towards Logan, the guys pushing the baby carriage were on the south side of Elder Creek. I saw the two males with the baby stroller and I made my comment and kept on driving. When I dropped the kids off, I didn't get out of the car. I just pulled up in the parking lot and let them walk up to the door. When I came back to the same area, that's when I saw them on the opposite side of Elder Creek. (North side) I saw what I believe were undercover vehicles stopped. One of them was a beige compact car, similar to a Chevy Cavalier. I can't remember what the other vehicle looked like. I recognized the undercover officers by the way that they were dressed. They were in plain clothes like you but the fact that they had guns.....to me it just looked like they were officers. My brother-in-law works for the Sheriff's Department so they just looked like that. Also, the fact that they were trying to get these gentlemen to surrender. He kept on trying to get them to stop and were drawing their weapons on them.

I called my boyfriend in hysterics because I was scarred for the baby in the stroller. Once I saw a truck go by after the shooting I decided to go through. It seemed as if once the shooting occurred more undercover officers came. Then a few seconds later marked patrol cars started coming. Everything went so quick. To me, it looked like the gold colored car was partially blocking the sidewalk. Those vehicles were there before I got there on Elder Creek. When I saw them pointing their guns I stopped my car. I didn't want them to think that I was affiliated with them. I was nervous because they had their guns out and they were pointing them all over. I didn't want them to accidentally shoot so I stopped my car in the middle of the road. There were no cars in front of me. There was a pickup truck next me and he was the first vehicle to go across. That's when I felt that it was safe to start driving. I stopped my car about one house away from where they took him into custody.

The undercover officers looked like they had some sort of black vest on. At least I believe that the officer that did the shooting I thought had one on. I did not see a badge on the officer's belt because my attention was more drawn to their weapons. I could hear the officers saying things but I couldn't tell you exactly what they were saying. From their body language it appeared that they were trying to get the guy to surrender. The one with the baby was cooperative. I felt that they were justified in what they were doing, it looked like he was having trouble getting the guy that got shot to surrender. The guy that got shot was going back and forth on the driveway. The guy with the baby stroller was about a house away from where this was going on. **(At this point, w- [REDACTED] pointed out on the map where the subject with the baby stroller was and where the suspect that had been shot was, in relation to where she was stopped in her vehicle.)** It appeared that they two officers were mainly dealing with the uncooperative subject and after the shooting he was trying to help his other officer out who was dealing with the guy with the stroller. His gun was going back and forth. Something obstructed my view, so I really couldn't see what had happened.

The guy that they shot was being resistive. They were trying to apprehend him but they couldn't get close to him. The officer that shot was in the middle of the street. As time when on, he started closing in on him and he was still pointing his weapon at him. My windows were rolled up so I couldn't hear what the officer's were saying or what the guy was saying to them. I didn't want to be close because I'm African-American and they are African-American so I didn't want them to think that I was with them. My thing was that I was just going to stay still and hope that it goes peaceful and not the way that it did. During the incident, I was focused on both of them because they were close to each other. I was more focused on the officers because they had their weapons drawn and I didn't want anything weird to happen. I did not see the suspect have anything in his hand or try and retrieve anything from his pockets or waistband. It happened so fast. I could tell the officer's were yelling but I did hear, "Stop" and it was before the shots. The officers were trying to get the guy to surrender. I heard the gun-shots and there were more than one shot. I'm not sure if it was 2 or 3 shots. The officer in the roadway that shot was Caucasian. He had short hair and it looked like he had a short sleeve shirt. I think his clothing was beige, like he had khaki pants on. I don't remember the officers very well but I remember the African Americans had dreads and I remember the baby. I was hysterical because of the direction that the weapons were being discharged.

After the shots, I drove by and saw the African America had a white t-shirt and there was blood on his abdomen. It looked like he was already handcuffed when I drove by W/B on Elder Creek. From there, I drove to my boyfriend's print shop at 65th/Stockton because he couldn't understand me on the phone because I was hysterical. My boyfriend told me not to get involved in it so I went to the Dollar Tree. From my view it looked like the officers were doing what they were supposed to do. I don't know what happened leading up to it but it looked like they were just trying to apprehend the guy. It didn't look like anybody had stuck around so I had a change of heart and decided to go back. Those officers didn't just run up on somebody and start shooting, they were trying to apprehend that guy. It looked like they gave the guy an opportunity to give up. They weren't close up on him. The guy with the baby stroller didn't resist like the other guy.

From the time that I left the scene to the time that I came back was about a hour. I called my boyfriend when it happened and that was at 10:27 am. I just wanted people to know that from my perspective the officers where doing the right thing. I have never seen these other guys before.

On 07/17/13 at approx. 1302 hrs, I, Det. Heinlein #294 interviewed Det. Brian Dedonder at HOJ. The interview was video recorded and a copy of the interview was booked into SPD property as evidence. The following is a summary of the interview:

I am currently assigned to the Homicide with the Sacramento Police Department. I have been a police officer for approximately sixteen and a half years. I started out in patrol and worked there for about 5 years. I was then assigned to the P.O.P. Unit. I became a detective after that and have been here for the last 6-7 years. While in detectives I have been assigned to the Felony Assaults and Homicide Units. I have been assigned to the Homicide Unit since 2007. Today when this incident occurred I was wearing just what you see me in right now. The only difference is that I had my badge and my gun on.

This morning Detective Higgins came to me and asked me for some assistance to go with him to an address on Somis Way. I think it was [REDACTED] Somis Way. The purpose of going to that address was there was a vehicle parked in front of that house; it was just a gray Ford Tempo which we believed was involved in a Homicide which occurred on June 23rd over on Seadrift. It was a suspect's vehicle and CCAT had a tracker on the car, so we knew it was over there. From my understanding and from talking with Det. Higgins, that vehicle has been parked there for some time. We originally wanted to find out if that vehicle was moving or making any movements. We wanted to know if it was coming or going or where we could track that vehicle to because we knew that the vehicle was associated with the homicide suspect, Elijah Rogers. Apparently that vehicle had not been moving so the plan this morning was to have that vehicle towed. Earlier in the morning, Officer LaFlame went over there this morning to tow the vehicle. When he began to tow the vehicle, Elijah Rogers came out from the house directly behind the vehicle. The address that he came out of was [REDACTED] Somis Way. He came out of the address and confronted Ofc. Laflame as to why he was towing his vehicle. From my understanding, Ofc. LaFlame informed Elijah that the vehicle had been parked there for over 3 days and that was the reason he was towing it. Elijah stated that he wasn't aware of the law. In the end, Ofc. LaFlame did not tow the vehicle. He just warned him and told him that he couldn't park his car there.

I believe that Det. Higgins came and asked for my assistance at about 9:00 am. He asked for assistance from everyone on his team which consists of Det. Jasperson, Det. Shrum, Sgt. Chan and myself. About that time is when we decided to posse up and go out to deal with the car. The game plan was to more or less to make contact at the house and make contact with Elijah. Ofc. LaFlame stated that Elijah lived at this house and he was currently there. I don't know exactly what time Ofc. LaFlame when out to the house but that is information provided to me by Det. Higgins. So the plan was to tow the vehicle and make contact with the people who live at the residence, specifically Elijah Rogers. There was somebody at the house who was on probation; I think it was the mother of another subject who lived at the house. I don't recall her exact name but I think it was something "[REDACTED]" I think there was a [REDACTED] and another female but I don't remember her name. This is all information which Det. Higgins relayed to me while we were out waiting for the patrol officers

to come and assist us. After we left here, we drove to the AM/PM over on Elder Creek which was about a block away from the address on Somis. We met there to discuss what our plan was going to be. We were waiting for Ofc. LaFlame and another officer to come help us do this probation search. We wanted marked patrol units because we weren't vested up or marked. We figured it would be in our best advantage to have a marked unit there for safety issues. If they decided not to open the door we would try and make contingency plans to do some sort of surround and call-out. We definitely wanted marked units with us while we made contact at the house.

Det. Shrum did not attend the field briefing with us. He parked his car a little ways down from the target house so that he could keep his eye on the home; to make sure nobody came or left. While we were waiting for the patrol units, Det. Shrum mentioned on the radio that a M/B/A had come out of the house and had approached the car which was parked in front. He said that person went to the car and then went back to the house. A few minutes after that, I actually had my radio in my car but Det. Jasperson had his radio in his hand. Det. Shrum was apparently trying to get a hold of us on the radio. Either we were on a different channel or we didn't hear it, but apparently two people were leaving the house and they were pushing a baby stroller. I guess Det. Shrum made a phone call to Det. Higgins because none of us were answering him on the radio. I don't know how all that worked out, but we received information that Det. Shrum was following the subjects who were pushing the baby stroller that had left the residence. Det. Shrum believed that one of the subjects was Elijah.

At that point, we made the decision to try and find these people or lets make contact with them and talk to them. When we were leaving the parking lot of this business, which is next to the AM/PM, Det. Higgins took a left (W/B) out of that business. There was too much traffic for Det. Jasperson or me to make that turn so I followed Det. Jasperson east on Elder Creek and then an immediate S/B turn onto Power Inn. This is where I might need a map to show you exactly where I went. Det. Higgins was in his brown van by himself. I believe Sgt. Chan was behind all of us, I don't know which direction he went. Det. Jasperson was in his white Pontiac, I was in my silver Malibu and Sgt. Chan was in his silver Nissan Altima. **(At this point, I showed Det. Dedonder an overhead map of the area where the incident occurred. This map was attached to the report and the original was booked into SPD property as evidence. Det. Dedonder drew on the map the path in which he took from AM/PM.)** I followed Det. Jasperson E/B on Elder Creek and then S/B onto Power Inn. From there I turned W/B on 48th Ave and then I believe I went S/B on Sun River Drive. I'm not sure if Det. Jasperson went the same direction that I went or not. From Sun River I turned W/B on Somis Way. I recall being behind Det. Jasperson at one point on Elder Creek and he was asking where these guys were. I don't remember a response but I remember I couldn't see anybody on Elder Creek matching the description so I turned back into the neighborhood. Det. Jasperson continued down Elder Creek and I turned S/B onto 75th Street thinking that they turned back into the neighborhood.

Prior to looking for the subject, I had seen a photograph of the subject that we were looking for. I was not aware of what type/color clothing that these guys were wearing but I knew that they were M/B/A's pushing a baby stroller. I think when I went down 75th Street I made a u-turn at Vallecitos Way and went back to Elder Creek. When I got back to Elder Creek, I turned W/B and I saw a few vehicle backed up at Sunrise South Drive. At that point, I presumed that something was going on because there was a green light and nobody was moving. I remember seeing one of the detectives vehicles in the area which alerted me to go in that direction. That area was a couple houses east of Fall River Way. I passed all the vehicles in the roadway and

at that time, I saw Sgt. Chan, Det. Jasperson and Det. Higgins attempting to detain an individual that was on the ground in the driveway.

When I went to pass the cars that were stopped in the roadway I activated my lights but I didn't activate my siren. I had a green light and there were no cars coming towards me. **(At this point, I showed Det. Dedonder a closer aerial map of the area where the incident occurred. This map was attached to the report and the original was booked into SPD property as evidence. Det. Dedonder demonstrated on the map where the incident occurred.)** Once I got past the traffic, I could see Sgt. Chan's vehicle parked near where the incident was occurring so I pulled my vehicle as close as I could up the driveway. I think Det. Higgins vehicle was stopped in the roadway blocking traffic. When I got to the driveway, I got out of my car and saw the subject on his stomach with blood on his face and he was yelling. Det. Jasperson was off to the subjects left side, Sgt. Chan was on the subjects right side and Det. Higgins appeared to be putting the handcuffs on the subject. The subject wasn't fighting but he was being mouthy about them putting handcuffs on him. I asked them if they were "good" because I didn't know where the other guy was that this guy was with. I wasn't sure if the other guy took off and they had lost him. That's when Det. Jasperson said that Det. Shrum had the other guy. That's when I directed my attention to where Det. Higgins vehicle was. That's when I saw Det. Shrum contacting an individual who was standing next to a baby carriage. What it looked like to me was when I got there they were already detaining the individual. I didn't feel like there was an issue that I needed to stay there so I went down to where Det. Shrum was.

There were no citizens that tried to help us. By the time that I got to Det. Shrum, I was talking to the guy while Det. Shrum patted the guy down. At that time, some of the cars which were backed up had started to drive by. I don't know what they saw but there were no other people around which I saw. As I approached the other guy that Det. Shrum was detaining, I engaged him in conversation. I don't know exactly what I asked him but he asked me, "What did he have? What did he have?" I replied by saying, "I don't know, what did he have on him?" At this point, I didn't know he had anything on him. I didn't even know that anyone had fired any shots. I didn't hear anything and I didn't see anything. If there was something broad-casted on the radio, it wasn't on the channel that I was on. The guy that Det. Shrum had detained went by "[REDACTED]". When I walked up, Det. Shrum handed me a cell phone and an EBT card. The name on the EBT card was not his name but I think it was "[REDACTED]" or something like that. I think he said that it was his mom. The guy that was being detained by the other detectives was "Elijah Rogers". **(At this point, I showed two photographs which Det. Dedonder positively identified as "Elijah Rogers" and [REDACTED] ([REDACTED])).** These photos were attached to the report and the originals were booked into SPD property as evidence.) I had seen this photo of Elijah Rogers before as well as another one where he was captured in a red light camera.

Once everyone was detained, about 30 seconds to a minute later, I could see police and sheriff department cars coming down Elder Creek. They were rolling code 3 and they were coming in pretty hot. One of the deputies hopped out of his car and asked me if I wanted him to set up a perimeter. At that point, I didn't think anyone was outstanding so I told him we didn't need any assistance. At this point I still didn't know there had been a shooting. I was yelling at Det. Higgins to try and find out if there was anyone still outstanding. He didn't really answer me so I told them we didn't need them. The police cars kept on coming even after I told him we didn't need any help. I presumed before I got there that there was some sort of foot pursuit because the baby

stroller was a good 30 yards from where the guy was at on the driveway. I just presumed that when Det. Higgins tried to make contact that Elijah took off running in that direction. I figured that he put it out on the radio which prompted people to come code 3. I figured since they had caught him there was no real reason for anyone to come. Another 30 seconds to a minute later, I was trying to get Det. Higgins attention and he walked back to his car. Det. Higgins motioned for me to come over and he told me that they had just shot that guy. I didn't know that otherwise I wouldn't have told everyone to take off. Once a squad car showed up we put [REDACTED] and his little kid in the squad car. I don't recall who called for medical at that time because I had left my radio back in my car. I just presumed that someone had already called. Fire and medics showed up within 2-3 minutes.

I don't remember going back down to the scene where the shooting occurred until everyone was detained. When I first got out of my car I didn't see a gun but when I eventually walked back to my car I saw a gun laying on the driveway a few feet in front of my driveway. When I originally pulled up I did not see the gun. My focus was on what they were doing with Elijah and then it shifted to where Det. Shrum was. The gun that I saw was a silver colored semi-automatic. It was my understanding that Sgt.Chan and he had shot the subject. I really don't remember what the medics were doing when they got there.

We knew that Elijah was a potential suspect in the homicide and he could be possibly armed with a firearm because the firearm was never recovered in that case. We did believe that he was the suspect in the case even though we didn't have a warrant for his arrest. We were still trying to gather more information. Our goal was mainly to talk to him and get a statement from him. We knew he was on probation so we were hoping to search his room, search his phone to perhaps find a gun or something that would tie him to this murder. I have never had contact with either one of these individuals before and I am not aware if any of the other detectives have had contact with them. I was never approached by any witnesses who had told me that they saw what happened. At one point, we were alerted that someone in the house where the shooting occurred had looked out of the window. Det. Shrum and I made contact with the occupants of the home. We found out that they weren't home at the time of the incident and they had come in from the back access of the house. This is an elderly care home and they weren't associated with either of these guys.

Document: **03 SUSPECT STATEMENT**

Author: **122 - BULLARD, RYAN 3135**

Subject: **(ARREST/CITE #1) RODGERS, ELIJ**

Related date/time: **Jul-23-2013 (Tue.) 1150**

On 7/23/13, approx. 1150 hrs, while at Kaiser South Hospital, Room #412, I, Det. Bullard (#375) interviewed Elijah Rodgers who was hand-cuffed with one hand to his bed rail. Det. Jasperson (#440) was also present and initially made contact with Rodgers in clarifying if he would be willing to speak w/investigators in which he confirmed in nodding his head in the affirmative (yes). It was my understanding that Rodgers was hospitalized for single non-life threatening gunshot wound from this case. Det. Jasperson also initially asked Rodgers' nurse if we could speak with him. Det. Jasperson read Rodgers his Miranda rights verbatim per SPD 133 card in which he either nodded his head in the affirmative (yes) or verbally said, "Yeah" to understanding each of his rights. Det. Jasperson initially questioned Rodgers regarding SPD #13-165182 (*See report for interview regarding that case*). Rodgers appeared to me to be well aware of his surroundings and the questions asked of him during this interview. Patrol Officer Woolery (#810) who was assigned as prisoner-watch to Rodgers was also present for the interview. Rodgers additionally would occasionally ask investigators questions. At the conclusion of the interview I asked Rodgers to state his full name and date of birth which he did. Rodgers spoke very quietly during the interview and related the following in summary which was audio-recorded:

I don't remember how I got here, I just remember seeing a bunch of lights. I don't remember anything that happened from the day when I came here. I'm aware I was shot but I don't recall how it happened. I don't know who shot me.

Rodgers was advised he had been shot by police officers because he had a gun on him

I don't remember that.

I showed Rodgers a crime scene photo of the gun that he was carrying on the day of the shooting

I don't remember having this gun the day I was shot.

My phone number is [REDACTED], it's my girlfriend's number, [REDACTED]. I don't have a phone though. The phone that was in my pocket wasn't mine (Would not elaborate on whose it was).

Rodgers was asked if he recalled who he was with on the day he was shot

Where was I at?

Rodgers was advised he was in the area of Elder Creek

My best friend, [REDACTED]. If I'm not with my girl, I go to him. I hang out with him a lot. I remember being at his house.

I asked if Rodgers was staying at [REDACTED] house on Somis, spending the night there

I didn't move in. I'll stay and then I'll leave to my girl's house. Sometimes I'll stay in his [REDACTED] little brother's room or the front room like the living room. I sleep on the floor in front of the fan, sometimes I'll sleep on the couch there. If there's room to sleep on the couch then I will.

I showed Rodgers two photos of the individually packaged rock cocaine pieces located under the couch at Somis. I also explained that it was rock cocaine

I use cocaine. I'm not too sure but it could have been mine.

I advised Rodgers that rock cocaine was also found on his person

I do cocaine sir. It was not too long ago when I last used. I use it in multiple ways, sniff it, smoke it.

I showed Rodgers a photo of a magazine w/ammunition in it and a nylon gun holster that were located at Somis

I don't know about that. [REDACTED] step-father is a paroled felon, it could be his.

I showed Rodgers weighing scales found at Somis

I don't possess any scales. I don't sell cocaine, if people want to do it with me then we'll smoke it together.

Rodgers was asked where he got the gun as I referred to the initial photo shown to him

Probably from the neighborhood, probably from a "smoker". Probably smoked together and maybe exchanged the rock for the gun. I don't remember how long I had the gun for, most likely less than a month. I either found the gun in the neighborhood or got it from a "smoker", I just know nicknames.

I asked Rodgers about the illegal fireworks found in his car

They're illegal fireworks that I was holding for somebody. "They" were walking and I seen "them" carrying the box, I told "them" they could keep them in the car. I had seen "him" shooting them while riding on his bike. I grabbed them before anybody could get to them.

Rodgers asked why he was here and he was advised that he ran from officers and asked if he had a reason for running from the officers

On 7/17/13, at approximately 1224 hours, I met [REDACTED] in front of her house at [REDACTED] Somis Way. The yard was cordoned off with police tape. I spoke with her and recorded the conversation. [REDACTED] stated the following in summary:

I don't know anything. That's why I'm over here. I don't know nothing. All I know is that they told me my house had yellow tape around it.

Elijah's nothing to me. Elijah is just my son's friend. My oldest son. [REDACTED].

It's been off and on but as far as him coming and staying the nights, because his grandfather stays up the street so he goes there and back and forth and that's pretty much all I know.

I'm being honest. I don't have no reason to fib to you.

What happened?

I explained that Elijah got shot and she would need to go down and make a brief statement about when he showed up here, what she knew.

Like show up since when? Since he's been coming over here, like years?

No, I'm just saying, I don't have a problem with it. He comes over here and he stays over here at times, you know what I'm saying, back and forth between his grandfather's and here but other than that, I've been knowing Elijah since [REDACTED] and them was in elementary, middle school.

No there is nothing illegal in my room. I have no guns. No problem with searching my house.

They said you already went in there and searched.

Now what are you all going in there for?

I explained to search for evidence of why this shooting occurred.

I do work project.

End of interview. [REDACTED] is transported to headquarters.

On 7/17/2013, I, Det. T. Shrum #362 contacted [REDACTED] across the street from [REDACTED] Somis Way where investigators were preparing to search. I began audio recording and took [REDACTED]' statement. [REDACTED] identified himself and told me the following, in summary:

I have been arrested. Last time I got arrested was last October or August, one of them. I had a petty theft warrant and I had to go to jail for it. I got probation. I don't know if it's searchable- you can search me if you want. ***I searched [REDACTED].***

This is the way to my cousin's house. He stays over there on Bellini Way.

I explain that an officer saw [REDACTED] at a different house with one of the people from this house.

If you check the last name, you'll see that's my brother. One of the person's last name (Elijah Rodgers). Ya, same last name right.

He doesn't live with me. I don't know where he stays.

I do have a cell phone but it's weird. I've got a number for you though. It's [REDACTED].

I don't work.

Media begins to show up on Somis.

Why is all the caution tape up?

Shrum: Because that's our scene.

What happened?

I invite [REDACTED] to me car to talk as even more media begins to show up.

Last time I saw my brother was the other day. What's today's date? It wasn't yesterday, the day before yesterday. He was at AM/PM. I don't hang around him much. I just make sure he's all right, that's it.

He hasn't told me about any recent conflicts. He didn't tell me about anyone wanting to hurt him. I don't know of a good reason for him to have a gun.

I didn't know he had a gun.

I think the best person to talk to would be his mom, [REDACTED]. She's at work right now at Department of Motor Vehicles. It's 24th Street, the one by Seavey.

So what is all this about?

Shrum: You're gonna find out pretty quick anyway. Your brother's been shot.

What did he get shot for?

Shrum: I'm not sure. That's what I'm trying to figure out.

He got shot and then what?

Shrum: He got taken to the hospital. But he had a gun on him so we're trying to figure out who had a beef with him, why he would have a gun?

Oh, someone shot him outside?

Shrum: Ya, he got shot outside.

You all came, then why you all came there?

Shrum: Because he had a gun.

Okay, where's the other dude that was there?

Shrum: He's talking to detectives.

Oh, wow. So someone shot him. You all took him to the thing and he had a gun on him.

Shrum: So who had a beef with him?

I don't know. The reason I walked around here is because someone told me something happened. They didn't tell me what so I thought I'd walk to my cousin's house because he knows I guess hopefully he knows everything because I don't know. He ain't called me back.

Shrum: Who's your cousin?

I don't know his last name.

He's a young kid. His name's [REDACTED]. That's his real name, [REDACTED]. He's 16 or something. He hangs out with Elijah on and off I guess. But that's the whole thing about why I came. If I'm on probation I can't be around this right?

Shrum: You're fine.

I don't know if I'm liable to search or not but I know I'm on probation. Just check in the files.

We have the same mom. At [REDACTED]. I have a room there. My grandpa who owns the house stays there. He's [REDACTED]. He's gonna be 76. It's just us.

Someone just drove up and shot? Walked up? What?

Shrum: He got shot by a police officer.

Oh wow. I don't get it. What happened?

Shrum: I can't get into everything but he had a gun on him. That's why I asked you if he had a beef with anybody or any reason he'd carry a gun. What's going on?

I don't know where else he stays.

So he was out when he got shot.

I don't know if [REDACTED] is going to talk to you.

I'd rather walk back home.

Det. Alonzo joined us in the car and I have [REDACTED] direct us to [REDACTED] house that he points out at [REDACTED] Bellini Way. [REDACTED] gets out around the corner from the house.

Related date/time: **Jul-17-2013 (Wed.) 1259**

On 7/17/13, at 1259 hrs, I spoke to [REDACTED] at the SPD Hall of Justice. I explained to [REDACTED] that he was not under arrest and was free to leave. This interview was in regards to this Officer-Involved-Shooting as well as a homicide case (13-165182). The portion of the interview related to the homicide will be documented separately in the homicide report. It should be noted that the timestamp on the DVR system is approximately 16 ahead of SPD CAD time. I obtained the following statement from [REDACTED] in summary:

I don't have a job right now, because I'm dealing with CPS issues.

Today I was with Elijah, who I've known since middle school. Elijah doesn't have a residence. He said his baby's mom kicked him out, so he needed somewhere to stay. He's been at my home for about a week. He's stayed there on and off before then too.

(I asked for and received consent from [REDACTED] for other officers to search [REDACTED] bedroom at the residence on Somis Wy. I then asked how many cars are tied to his house).

Just one car. It's my mom's Mazda.

I kind of lost touch with Elijah after middle school, but we met up again a year and a half ago. We kick it during the day. We'll see each other every day of the week for a couple hours at least.

Last night, [REDACTED] spent the night at my house. I just got done feeding my son, so I asked him to go to the store with me to get some food and drink. We started walking. As we were walking, I see the blue car at Somis and Elder Creek (I was aware that Det Shrum was on surveillance in his blue car at the corner of Somis and Elder Creek). The guy was acting like he was writing in a notepad. Elijah was like, "That look like the police."

I was like, "I know, it look like the police."

We kind of brushed it off and kept walking. We turned left down Elder Creek. We walked on the same side of Elder Creek as my house (did not cross Elder Creek yet). We passed Cougar on Elder Creek. We walked across the street, and an officer pulled up in an unmarked car. It was a dark colored van, like beige but darker. He stopped just before getting up to us and jumped out. He (the officer) was struggling. I guess he was reaching for his gun as he was hopping out of the vehicle. He was like, "Police".

Elijah was like, "oh". I was like, "whoa". You know, why was an unmarked car jumping out on us? At first, I was thinking he bounced out on us because we jay-walked. When the policeman pulled out his gun and told us to stop, I stopped. I was pushing my son in a stroller. Elijah kept walking away.

The officer was pointing the gun at Elijah the whole time, for like 30 seconds. He was yelling, first he said "Police", then he was yelling, "Stop moving! Don't move! Don't move!" He was yelling to Elijah to stop moving, and was a little further from me to you (about 4-5 feet away). At first, Elijah was walking away. After the officer got closer, Elijah got into someone's yard, and was backing away [REDACTED] indicated with his hands in the air).

About three more unmarked cars pulled up. They all pulled out there guns on him (Elijah). I was maybe two or three vehicle-lengths away from Elijah at that point. The other officers were yelling "get down, stop, get down".

The officer that first stopped us said to the other officers, "He's got a gun". Elijah said, "I don't have a gun", and pulled up his shirt so you could see his waistband. When Elijah pulled up his shirt to show his waistband, I could see the front of his waistband area. I didn't see no gun. I just saw his blue gym shorts, which he was wearing underneath his pants. I really couldn't see, but I could see his waist.

One of the officers grabbed his wrist, and he "lightweight" tried to run in my direction. He didn't even take ten steps. That's when he slipped and fell and they shot him right then. The officers were up on him when he fell. I couldn't see, because the bushes were in between me and where he fell.

He got up instantly, then tried to run the other way - away from me, and he fell again. That's when they arrested him.

(I asked what Elijah had on him when they left the house.)

I'm not sure. I was shocked when they said he had a gun.

I don't know if Elijah's affiliated with a gang. I know he kicks back, smokes weed, and drinks. I don't know of him being wanted for anything right now. My car got towed on July 7. We got pulled over and they ran his name.

(I pulled out two satellite map printouts / and a Google street view photo of the scene. I had [REDACTED] indicate to me where things happened, and indicated those positions on the map.)

I heard just one gunshot today. I have no idea which officer shot. There was a group of them, so I don't know which one fired. They were surrounding him, so I didn't see who pulled the trigger.

If I did see Elijah with a gun, I would tell you. It's part of the law. If I knew he had a gun, he wouldn't be allowed in my home.

I didn't see anyone else outside who would have seen this. I wasn't looking around for people, but I didn't notice anyone.

(I asked [REDACTED] if we could search his phone. He said no, because he wasn't on probation or parole. I took a break from the interview room at 1400 hrs per the DVR timestamp.)

** 1412 hrs, per the DVR timestamp, I returned to the room. I asked who Elijah's friends were, etc, requesting the information in regards to the homicide case. **

(I advised [REDACTED] that there were drugs found in his house. He said that Elijah was sleeping on the couch, and asked what kind of drugs. I told him it was more than marijuana.)

He didn't have no gun when he came in my house. We went outside today when his car was getting towed.

Elijah went out to ask why he was towing the car. The officer called his sergeant and they put it down. He took his keys and went to his car to make sure nothing was gone. I wasn't paying attention if Elijah took anything out of the car. Elijah was outside longer than I was, since I was holding my son.

(1447 hrs per the timestamp, I left the interview room. At 1512 hrs per the timestamp, I returned to the interview room.)

** I asked who has a .40 caliber at his house. I advised [REDACTED] that a loaded .40 caliber clip was found. **

Probably step-dad. He doesn't live there, but he knows how to find his way in. He still has clothes in my mom's room.

** Approximately 0335 hrs on the DVR timestamp, [REDACTED] said that he hoped Elijah didn't do something stupid. I said that judging by his decision making today, it makes me wonder what else he would do. **

That was pretty dumb of him to keep walking. He didn't tell me nothing like he's got something on him.

Document: 07 SUBJECT STATEMENT

Author: 916 - SHRUM, THOMAS 0362

Subject: (SUBJECT #2) [REDACTED]

Related date/time: Jul-17-2013 (Wed.) 1550

On 7/17/13, at approximately 1550 hours, I, Det. Shrum #362 interviewed [REDACTED] in an interview room at police headquarters. The interview was recorded to DVD. I first asked [REDACTED] about knowledge of any shooting in June. [REDACTED] told me the following, in summary:

I haven't heard about a shooting period. I haven't watched any TV and the kids don't come in and talk about nothing as far as no guns.

[REDACTED] provided personal identifying information.

My younger kids stay there (Somis). It's just they're on vacation for the summer so they went up to go see my family. They went like June 20, I think before July 1st. I want to say June 29th. I know it was before July 4th. Oregon, that's where they're at.

I showed a photo of Elijah Rodgers (Xref [REDACTED] that she recognized.

He is a friend of my son's. He's Elijah Rodgers. I know his family like his sisters and them. His dad and his grandma stay around the corner. I've been knowing Elijah for a long time. Since his granddad and them live down there since I've moved down here it's been 10 years. I've been down here for 10 years. It's been about 10. It'll be 11 in 2014.

His grandpa lives up there on, what is that street? Ya, Rockcreek.

I showed a photo of [REDACTED] (Xref [REDACTED]) that [REDACTED] recognized.

That is [REDACTED]. He's nothing to us. That's my son's friend. They're nothing to me.

I don't know nothing as far as no shooting.

I was with a friend last night. A male friend and I didn't get up like I should and go (to work project) so.

I was at a motel this morning. That's what I was saying. I was with my friend this morning.

I was notified by my grandson's mother that came to get my grandson. Her name is [REDACTED]. This is my grandson's mother's mother. [REDACTED] is probably [REDACTED], somewhere like that. Her daughter has a kid with my son. Her daughter is [REDACTED]. The one that came and got the baby is the one that contacted me and let me know. My grandson's mother is the one that contacted me. All I know is they told me the police is at my house. There was 30 to 15 police at my house. They said something about a shooting at Elder Creek Market and that was it

and I said that I'm on my way. I didn't want to hear no more. I did hear that they had my son in the back seat. I'm like, why would my son be in the car as far as a shooting or anything when I know that my son, he's not like that. I don't know anything, you know what I'm saying?

I don't deal with guns. I don't know anything about guns. I don't deal with them. They're dangerous. I've done been shot twice. I don't deal with them as far as my babies and I don't like the gun activity, none of that around babies.

That's what I'm saying. I haven't seen my son with any guns. I don't play that. If I seen that, you're not allowed to have it in here. It's not coming over here period. I don't interact with nothing that he does outside of my home.

I tell [REDACTED] that her house is a mess.

Exactly. That's my whole point of what they told me is they were supposed to clean up yesterday. I know it's bad.

I stay there. I'm dealing with my landlord. That's why I'm trying to move out. My landlord is pretty much a slumlord. It's just, I'm looking for another spot right now. I'm in the process of doing that as far as the bugs and all that (unintelligible) that's just internal as far as the house.

I stay in the master bedroom.

The other room is my sons' the two youngest ones' room.

My girl stays in my room.

Elijah has been staying off and on for the last two months or so. He's been like back and forth like I said between his grandfather's and his sister's house. His sister is [REDACTED] I don't know her last name. I don't know how old she is. Probably like 20-ish, something like that. I don't know where she stays. I don't have a number for her.

There was only one gun there at my house. When the police took it I was over there but when they took the gun, a rifle, gangs or something they took, that was in the garage. That was just not too long ago when they had came in there. They came in there and did a parole search for my kids' dad. That's [REDACTED]. I don't know where he is now. I haven't spoken to him. His last name is [REDACTED]. He's not staying there now. He left some clothes and things and that's still there.

I explain that we found a gun magazine.

I don't know nothing about that at all. That's my daughter's closet right there. I don't know who'd put it there. Like I say, I go to school and I go to work project so when I'm gone it's just my son there and Elijah so I don't, as far as know them kind of things. I don't search around the house I don't pretty much inspect for guns and things

like that. I look for things that'll probably harm my kids or things that I need to know about. I know a gun will harm a kid very very well.

I explain that we found a holster in [REDACTED] room.

What is a holster? (Shrugs).

I use marijuana. I didn't have marijuana in the house. I don't sell. No one does. I smoke it. I don't sell it.

I tell [REDACTED] there's an indication that someone is selling out of the house and there are scales including right on her counter.

I haven't been home. I was home the day before yesterday. Yes that was Monday. I seen the scales. You said it was 5 or 6. I didn't know there were 5 or 6 scales.

I don't know what the scales were used for. You weigh your sack of weed on there.

I tell her the dealer does.

Not when you buy an eighth. I don't sell weed. I'm saying that when I go buy weed, when I buy an eighth, I weigh my eighth out because I need to know what I'm buying when I smoke it and make sure that it's all the way there.

Those scales are not mine.

I'm not aware of [REDACTED] or my son using medicinal marijuana or any other drugs.

I don't know that they use drugs. I know my son doesn't use drugs. I know for sure about him because my son tests. That's what I'm saying. This is my whole thing, what I don't understand where all this came from. He's on the right track. He's doing what he needs to do as far as the baby, things that he's dealing with CPS with as far as he ain't smoked in almost a year now. He don't take any drugs, none.

I've never used crack cocaine. Never, ever.

I inspect [REDACTED] fingertips for burns common to crack cocaine smokers and don't see burns. I explain that there was cocaine in the house.

That wasn't mine. That must have been theirs. I couldn't say whose. I haven't touched it. You're not going to catch my fingerprint on that.

I explained that there was a large sum of money in her room.

I have a stack of \$2100.

I explained that it was \$2400 (which in fact was \$2200), that we took because of possible drug sales.

That's money that I've been saving. I get money when I do hair. I save it. Money that I get. I get like \$20 or \$30. I get AFDC. I get housing.

I explained that in the room were cards that weren't in her name.

There were some cards that I had seen by the garbage can and I looked at them and realized that I was going to throw them away and didn't throw them away which I was supposed to throw them away because they weren't in my name. I had seen them on the side of my garbage can, by the tree and that's where I picked them up at. I don't know who put those there. Half the time I find a lot of stuff out there like boxes of different things sitting on the side of the trash can. All types of things. I'm saying that different little things like trash or papers. I believe it's a pre-paid card.

I explained that of more concern to me was a notepad that she had that matched other writings in the house where she wrote down names, social security numbers, etc...

No. I can't explain it. I know about it. It's a book that I had got from one of my friends. I just held onto it but didn't use the stuff in it. I don't know if it was used for fraudulent things. Her name was [REDACTED], [REDACTED]. I really don't know her.

I told [REDACTED] she better be a real person because if not I would be upset.

It's not a real person. I apologize. They haven't been used. I know it's a crime to have that. I don't know if it violates probation.

It's just been sitting there. I haven't used it for anything. It's just been sitting there.

There's nothing I've been told about no murder, no shooting, none of that. I promise you I haven't heard anything about no shooting, no murder, none of that. Not even in West Sac, Vacaville, none of that.

Yes, I've been home when Elijah was sleeping over. He slept on the couch. No one else has spent the night in the last week.

I have a green car. It's broke down. It don't work. It's around the corner at my mechanic's. It needs motor mounts and a transmission. I get rides.

My phone is here. It's T-Mobile. My phone number is [REDACTED]

There's nothing in my phone that would get me in trouble. You can look through it. I'm just ready to go.

Break in interview.

I returned to the interview room and [REDACTED] unlocked her cell phone for me.

I'm not worried about phone records.

My son looks for work during the day. I told him to sign up for school so that he can get his diploma but other than that, he goes to his classes that he does for CPS and watches his baby. The baby also goes around the corner with his mother. I don't know the address. It's on 48th. It's a house. That's [REDACTED]. She doesn't work that I know of. They're not together now. They've been apart about a year.

I explained to [REDACTED] that her household was out of her control and [REDACTED] needs to think about what he's doing.

I tell him that all of the time.

I'm fixing to go home and take care of the house.

You can just bring my phone out.

I don't deal with [REDACTED] grandpa.

[REDACTED] provided me with a message number. End of interview.

Document: **07 SUBJECT STATEMENT**

Author: **130 - BURKE, DANIEL 0474** [REDACTED]

Subject: **DET BURKE #474 - OBSERVATIONS**

Related date/time: **Jul-17-2013 (Wed.)**

I, Det Burke #474, am assigned to the Office of Investigations, Homicide Unit.

On 7/17/13, at 1040 hrs, Det Kirtlan called to advise me of an officer-involved shooting that just occurred. I was with Det Heinlein, and we began responding to the SPD Hall of Justice for further orders. At approximately 1052 hrs, Det Sgt McCloskey called Det Heinlein and requested that we respond to Kaiser Hospital (South Sac) to check on the status of the suspect who had sustained a gunshot injury.

At 1110 hrs, Det Heinlein and I arrived at Kaiser Hospital. We met with Officer Mulligan, who had ridden down to the hospital in the ambulance with the suspect. Officer Mulligan advised that the suspect had just been taken back to the operating room for surgery. He said that he observed one gunshot wound to the subject's stomach area in the side. Officer Mulligan said that he was the first patrol officer on scene, and he observed a pistol lying on the driveway near the suspect, who was handcuffed by Sgt Chan upon his arrival.

At 1127 hrs, we cleared Kaiser and responded to the scene (Elder Creek / Cougar). We arrived at approximately 1141 hrs to find that Elder Creek was blocked off with crime scene tape.

There was a detective briefing that was finishing up upon our arrival. Det Kirtlan informed Det Heinlein and I of some of the details of the circumstances he learned during the briefing. Sgt Stigerts requested that I interview [REDACTED] and [REDACTED].

I responded to the SPD Hall of Justice and began my interview of [REDACTED]. It was determined that I would interview him regarding the homicide case on Sea Drift (13-165182). I spoke with [REDACTED] about that homicide. Near the end of the interview, [REDACTED] consented to a search of his phone which was brought down to the station along with him. I took the phone to Det McDougle of the Electronic Crimes Unit, who conducted a forensic search of the phone. Det McDougle returned the phone to me, and I maintained it so that I could return it to [REDACTED]. I did not interview [REDACTED], as the interview with [REDACTED] was somewhat lengthy. As of 7/29/13, I had not heard from [REDACTED] about getting his phone back, so I placed it into an evidence locker so that it could be stored at SPD Property.

Subject: **SGT. MONK OBSERVATIONS**

Related date/time: **Jul-18-2013 (Thu.) 1120**

On 07-17-13, at approximately 1030 hours, I, Sgt. Monk #3033 was assigned to the Felony Assaults Unit. I was requested to respond to the area of [REDACTED] Somis Way regarding an officer involved shooting investigation.

I arrived in the area at approximately 1108 hours. I observed the area of Elder Creek Way, east of Rancho Adobe, was secured with crime scene tape and patrol officers. I checked in with the crime scene recorder (Officer Franks) and later learned that the shooting scene was on Elder Creek Way, and not Somis Way.

At approximately 1132 hours I attended a briefing in which Lt. Haynes #4071 briefed investigators of the facts known to her at the time. At the conclusion of the briefing, I was informed that I would be interviewing Sgt. Chan.

At approximately 1203 hours, I attended a walk through of the scene in which Sgt. Chan provided a public safety statement.

At approximately 1215 hours I cleared the scene and returned to the Hall of Justice.

At approximately 1351 hours I began interviewing Sgt. Chan in interview room #1. At the beginning of the interview, and on video, I requested that Sgt. Chan render his duty weapon safe, and performed a round count. I observed that Sgt. Chan had one live round in the chamber of his duty weapon, and had eleven live rounds in the magazine. Sgt. Chan also indicated that he had one extra magazine on his person. I performed a round count and observed twelve live rounds in his extra magazine. I collected his duty weapon, two magazines, live rounds, and placed them in evidence envelopes. I left the interview room and secured them. They were later turned over to Det. Trimpey. I provided Sgt. Chan with a replacement Sig Sauer, 40 caliber pistol with a serial number of # [REDACTED] as well as live ammunition for the weapon. Sgt. Chan later advised me that he always loads his magazines with twelve live rounds, plus one in the chamber on his duty weapon.

Sgt. Chans interview was recorded on video and later booked into evidence. During the interview, I provided Sgt. Chan with 5 google map photos of the area of the shooting, as well as the driveway where the shooting occurred. Additionally, I provided him with a booking photograph of Elijah Rodgers (Xref- [REDACTED] and he positively identified the subject in the photograph as the Elijah Rodgers that he was referring to in his interview. There were six photographs in total. They were later copied and scanned into the report, and the originals were booked into evidence.

Subject: **STIGERTS'S OBSERVATIONS**
Related date/time: **Jul-17-2013 (Wed.) 1027**

On 07/17/13, at approximately 1027 hours, I was working in my office, monitoring radio traffic when I heard detective units ask for cover, then IV90, whom I recognized as Det. Higgins, advised that there had been shots fired. A short time later, myself and Sgt. McCloskey were advised by Lt. Eklund that Det. Higgins and detective Sgt. Chan had been involved in a shooting on Elder Creek Rd. Sgt. McCloskey was tasked with responding to handle the crime scene processing and I was tasked with managing the interviews of witnesses and those involved with the case. I received a call from Comm. Center at 1038 hours, to respond for the officer involved shooting (OIS) investigation. I requested all available detectives respond to the scene to assist.

I arrived at approximately 1110 hours, and checked in with scene recorder Ofc. Frank.

At approximately 1132 hours, Lt. Haynes conducted the briefing; present were Sgts. Wayne, McCloskey, Chase and Monk; Lts. Eklund and Faulkner, Capts. Peletta, Bray and Gardner, DC Matthes, Dets. Ayers, Trimpey, Hunkapiller, Alonso, Bullard, Curtin, Bell, Merten, Kirtlan and Toel, Ofcs. Sood and J. Nichols, Francine Tournour (OPSA) and Ilee Muller (City Attorney's Offc.). Lt. Haynes and Sgt. Wayne gave a briefing of the circumstances as they were known at the time. Sgt. Chan, Dets. Higgins, Shrum, Jasperson and Dedonder had requested the assistance of marked patrol to determine if Elijah Rodgers was currently at [REDACTED] Somis Wy., where his vehicle was parked. They had created a Game Plan and had planned to conduct a search at the Somis address based on Rodgers's probation status. Rodgers was a known suspect in the homicide of Alvin Valentine on 06/23/13 in front of [REDACTED] Sea Drift Wy. (SPD 13-165182)

Dets. Merten, Kirtlan and Hunkapiller were tasked with processing OIS the scene. Dets. Burke and Heinlein had responded to Kaiser South to attempt to get a statement from suspect, Elijah Rodgers, and ascertain his medical status. Dets. Bullard and Trimpey were primary interviewers; Det. Sgt. Monk was to conduct the interview with Det. Sgt. Chan.

At approximately 1220 hours, I advised Ofcs. Redding and Miller to transport [REDACTED] to HOJ to be interviewed. [REDACTED] had been with Rodgers when detectives attempted to stop him, [REDACTED] had a small child with him at the time of the stop and turned his child over to a relative prior to being transported from the scene.

A witness, later identified as [REDACTED], had returned to the scene and advised an officer she had seen the confrontation prior to the shooting and she wanted to give a statement. I requested she be identified and transported to HOJ for that interview by Det. Heinlein. I cleared the scene shortly thereafter and monitored interviews conducted at HOJ.

Round counts were conducted on Det. Higgins and Sgt. Chan's ammunition; initially Higgins's was miscounted at 12 + 1, indicating he did not shoot a round. The rounds were re-counted by me and Det. Bullard in my office

and determined to actually be 11 + 1. Each officer fired one round and two expended casings were located at the scene by Sgt. McCloskey's team.

After the interviews were conducted with Sgt. Chan and Det. Higgins, they were issued loaner handguns and ammunition and their handguns and ammunition were later transported to the County Crime Lab and SPD Armorer for routine examination.

At approximately 2025 hours, I was notified by Det. Dedonder that during a search of the property removed from Rodgers's person yielded a bundle in the front right coin pocket of Rodgers's pants that contained 2.56gm rock cocaine. A search of the house on Somis, where the game plan originated, yielded a .40 caliber extended handgun magazine in the front closet and 20 small bindles of rock cocaine (4.14gm total weight) under the couch where Rodgers was said to sleep. I was also advised the gun dropped at the scene by Rodgers was a loaded Ruger 9mm with 12 live rounds (CBC +P, hollow point) in the magazine and none in the chamber. This handgun was also transported to the County Crime Lab to compare to casings recovered from the related homicide (13-165182).

On 07/23/13, at 0950 hours, Det. Jasperson advised that Rodgers was still being treated at the hospital, he could talk and was no longer intubated, but was not yet mobile.

Dets. Bullard and Trimpey presented this case to the DA and received a warrant for Rodgers for 69 and 25400(a) (2) PC and 11351.5 HS. Paperwork was completed to have Rodgers booked on the warrant when he was declared fit for incarceration by medical staff.

On 07/24/13, at approximately 1655 hours, I met with [REDACTED] in the atrium at HOJ. She stated she was Rodgers's mother and wanted to know his status and where he was. I informed her that he was in custody in relation to several charges from this incident on 07/17/13 when he was shot by police and would likely soon be facing charges related to the homicide case. I did not advise [REDACTED] where Rodgers was currently at (Kaiser South), but that he was receiving medical care until his release by the hospital, then he would be booked into County Jail and she could attempt to see him via normal channels when booked. [REDACTED] believed she had a right to see her son or be notified of his whereabouts within a 72-hours period, however, since he was an adult and in custody, there was no obligation to inform her of his whereabouts. I advised [REDACTED] if she had additional questions she was welcome to call me back at a later time.

On 07/25/13, I was advised by Ofc. T. Carson that Rodgers had undergone an additional surgery on 07/24/13 and that would likely delay his release by about a week.

On 08/02/13, at 1442 hours, Det. Jasperson advised me that a warrant for 187 and 246 PC was obtained for Rodgers in relation to the homicide case.

On 08/06/13, at 0930 hours, I was advised by Sgt. McKenna that Rodgers was being released within a few hours and I advised him to be sure the additional 187, 246 warrant information was added to the booking paperwork. Rodgers was later transported and booked to County Jail by patrol officers.

Author: **122 - BULLARD, RYAN 3135**

Subject: **DET. BULLARD SUPPLEMENT**

Related date/time: **Jul-18-2013 (Thu.) 1352**

NOTIFICATION:

I, Det. Bullard (#375) am currently assigned to the Sacramento Police Department's Homicide Unit.

On Wednesday, 7/17/13, approx. 1040 hrs, while at 5770 Freeport Blvd (HOJ) I was notified by Sgt. McCloskey (#3055) and Sgt. Stigerts (#3096) of an officer-involved shooting that occurred in the area of Elder Creek Rd/Sun River Dr.

At approx. 1105 hrs, I arrived on scene in the area of Elder Creek Rd/Rancho Adobe Dr where I observed multiple marked police units on Elder Creek Rd east of Rancho Adobe/Ring Dr and yellow crime scene tape had already been put up, blocking off all of Elder Creek Rd at Rancho Adobe Dr and appeared to be blocked off at Cougar/Sunrise Dr. I parked my unmarked police vehicle on the south side of Elder Creek Rd just east of the crime scene tape (within marked scene) at Rancho Adobe Dr.

I checked in with Crime Scene Recording Ofc. Frank (#256).

BRIEFING:

At approx. 1132 hrs, Patrol Lt. Haynes (#4071) conducted a crime scene briefing w/investigators in the front driveway of [REDACTED] Elder Creek Dr (apparently unoccupied). The following investigators from the Homicide/Felony Assaults Unit were present for the briefing: Sgt. McCloskey, Sgt. Stigerts, Sgt. Monk (#3033), Det. Trimpey (#806), Det. Kirtlan (#329), Det. Merten (#751), Det. Hunkapiller (#710), Det. Ayers (#763), Det. Alonso (#803), Det. Curtin (#543), Det. Bell (#822).

Per the briefing, the following occurred:

At approx. 0943 hrs today, a game-plan was entered by detectives in the area of [REDACTED] Somis Way where detectives were on point and attempting to locate a possible homicide shooting suspect, Elijah Rodgers. Detectives observed two males leave [REDACTED] Somis Way on foot w/a one year old child in a baby stroller. Det. Higgins (#447) observed the two subjects on foot on Elder Creek Rd near [REDACTED] Elder Creek Rd. Det. Higgins observed Rodgers as one of the subjects who then ran from Higgins as Higgins told Rodgers to "Stop". Sgt. Chan (#3040) stopped in the area to assist Det. Higgins where detectives observed Rodgers motioning towards his waistband. Det. Higgins told Rodgers "Drop the gun!" as they were now in front of [REDACTED] Elder Creek Rd. Both Det. Higgins and Sgt. Chan had their firearms drawn on Rodgers and indicated that Rodgers appeared to be "going for a gun". Sgt. Chan fired his weapon at Rodgers, striking him in the left, mid-section. A physical struggle of some kind occurred between Rodgers and detectives as they attempted to take him into custody as Rodgers was resisting on the ground. Det. Higgins indicated that he had fired 1-2 gunshots during the incident at

one point. Det. Jasperson (#440) was on scene at the time the gunshots were fired by Det. Higgins and Sgt. Chan. Patrol officers responded momentarily to the scene. Fire was requested for medical aid of Rodgers wherein Medic 53 and Engine 10 arrived on scene and subsequently transported Rodgers to Kaiser South for his wound as Patrol Officer Mulligan rode w/Rodgers to the hospital for monitoring. Rodgers' injury/wound was determined to be non-life threatening. A firearm apparently belonging to Rodgers was located in the driveway of ██████ Elder Creek and had not been disturbed. Additionally officers contacted/detained the second male who initially left ██████ Somis Way with Rodgers and identified the subject as ██████ and determined the one-year old child to be ██████ child.

Patrol officers and detectives from the Criminal Intelligence Unit arrived on scene to assist in a neighborhood canvass of the area.

WALK-THROUGH:

As Sgt. Stigerts assigned me to conduct an interview w/Det. Jasperson at 5770 Freeport Blvd, I first conducted a crime scene walk-through w/Det. Jasperson in the front driveway of ██████ Elder Creek Rd at approx. 1213 hrs where SPOA Rep. Dustin Smith was present for the walk-through along w/Sgt. McCloskey, Det. Kirtlan, Det. Hunkapiller, and Det. Merten. Det. Jasperson had indicated his positions when the first and second shot were fired (*See scene supplement/measurements for details*). Det. Jasperson made it clear however that he never fired his duty weapon during this incident.

FOLLOW-UP INVESTIGATION:

At approx. 1340 hrs, I conducted an interview w/Det. Jasperson at 5770 Freeport Blvd, Interview Room #5 (*See Det. Jasperson statement*) where SPOA Rep. Smith was present. At the conclusion of the interview, Sgt. Lockwood (#3045) took overall photos of Det. Jasperson and obtained DNA swab samples from Det. Jasperson's duty weapon which had been touched by (S) Rodgers according to Det. Jasperson's statement. During the photos of Det. Jasperson, I observed a small approx. 1 inch abrasion to his right elbow which he had applied a small bandage to, a small abrasion to his left knee, and complained of pain to his right thumb. I conducted a round-count w/Det. Jasperson and SPOA Rep. Smith where I counted 13 total rounds (max capacity) of .40 caliber ammunition from Det. Jasperson's issued Sig Sauer P226 handgun in Interview Room #5.

On 7/18/13, approx. 1010 hrs, I transported Det. Higgins' and Sgt. Chan's duty weapons (PR# 790258-002 & -001 respectively), ammunition, and magazines from this incident directly to the Sacramento County Crime Lab (4800 Broadway) evidence counter for test-firing purposes as per officer-involved shooting protocol. In addition to the above items, I also transported (S) Elijah Rodgers' 9 mm handgun (PR# 790246-001) and it's ammunition from this incident to the Sacramento County Crime Lab at the same time for test-firing purposes as well.

At approx. 1035 hrs, Det. Dedonder (#302) and I searched (S) Rodgers' Ford Tempo (█████ ██████) at Shanahan's Tow Evidence Impound as the vehicle had been impounded yesterday in relation to 13-165182 (*See supplement in this case for items located in vehicle*).

At approx. 1530 hrs, Det. Trimpey and I presented a warrant request to DDA Steve Grippi and DDA Andrew Solomon at the Sacramento County District Attorney's office in regards to (S) Elijah Rodgers and this case.

On 7/19/13, The Honorable Judge Steve White signed a felony warrant (SA# [REDACTED]) for (S) Rodgers in this case.

On 7/23/13, approx. 0950 hrs, Det. Trimpey and I collected Det. Higgins' and Sgt. Chan's firearms (ammunition/magazines) from the Sacramento County Crime Lab as they had been test fired. Det. Trimpey and I then transported the above items to the Sacramento Police Department's Armorer Unit (Burt).

At approx. 1150 hrs, I conducted an audio-recorded interview w/(S) Rodgers at Kaiser South, Room #412 (*See Elijah Rodgers' statement*). Rodgers denied recalling the incident in this case but admitted to having the firearm found at the scene (790246-001) for the past "month" after being shown a crime scene photo of it. Rodgers admitted to using rock cocaine after being shown photos of it which were found at [REDACTED] Somis Way but denied ever selling it. Rodgers was later booked for his warrant in this case (SA# [REDACTED]) upon being cleared medically.

7-18-13 @ 1035 hrs Det. Bullard and I responded to Shanahan's Towing, 6211 Power Inn Rd to search the vehicle that belongs to suspect Elijah Rodgers, [REDACTED], a grey colored Ford Tempo. This vehicle was believed to have been used by (S) Rodgers during a homicide that occurred on 6-23-13 (SPD 13-165182).

Several items of indicia were located in the vehicle belonging to Elijah Rodgers. (See Det Bullard's supp regarding the CSI processing of the vehicle and other items located inside the vehicle.)

Det. Bullard and I searched the trunk of the vehicle and I located 18 packages of Roman Candles (total of 72 individual Roman Candles). Also located in the trunk were 3 packages of "Artillery Shells". These fireworks are illegal and are not considered "Safe and Sane". These fireworks project flaming balls into the sky and are not only dangerous, but an extreme fire hazzard. Det. Bullard took several photos of these fireworks prior to removal from the trunk. I later booked these fireworks at HOJ.

On 07/17/13 at approx. 1040 hrs, I was notified by Det. Burke that he had received a phone call from Det. Kirtlan. Det. Kirtlan relayed the information that an officer-involved shooting just occurred and requested us to respond to HOJ. I am currently assigned to the SPD Homicide Unit where my primary responsibilities are to investigate homicides, officer-involved shootings, in-custody deaths and suspicious deaths.

Once we were notified of the call-out, Det. Burke and I began responding to the SPD Hall of Justice for further orders. At approximately 1052 hrs, Sgt McCloskey contacted me via telephone and requested that we respond to Kaiser Hospital (South Sac) to check on the status of the suspect who had sustained a gunshot injury. At approx. 1110 hrs, we arrived at Kaiser Hospital. We met with Officer Mulligan who had ridden down to the hospital in the ambulance with the suspect. Officer Mulligan us advised that the suspect had just been taken back to the operating room for surgery. Ofc. Mulligan said that he observed one gunshot wound to the subject's abdominal area. Officer Mulligan said that he was the first patrol officer on scene. Ofc. Mulligan stated that he helped search the subjects pockets once he was detained. Ofc. Mulligan stated that he observed a handgun lying on the driveway near where the suspect was handcuffed.

At 1127 hrs, Det. Burke and I left Kaiser South Hospital and responded to the scene (Elder Creek / Cougar). We arrived at approximately 1141 hrs to find that both W/B and E/B traffic on Elder Creek was blocked by yellow crime scene tape and marked police units. These precautions were taken to prevent any unauthorized access to the scene. Upon my arrival, I checked in with the crime scene recorder, Marcus Frank.

Upon our arrival, the detective field briefing was concluding. Det. Kirtlan gave Det. Burke and I a brief overview of the field briefing. Sgt. Stigerts requested that I transport Det. Dedonder to HOJ and interview him regarding the incident.

Det. Burke and I transported Det. Dedonder to HOJ. Upon arrival, I interviewed Det. Dedonder in an interview room. The interview was video recorded and a copy of the interview was booked into SPD property as evidence. (See statement for details.) Once the interview with Det. Dedonder concluded, I was advised of a potential witness of the shooting needed to be interviewed. At approx. 1342 hrs, I interviewed [REDACTED] at HOJ. The interview was video recorded and a copy of the interview was booked into SPD property as evidence. (See statement for details.).

Subject: **INVESTIGATIVE SUPPLEMENT**

INVESTIGATIVE SUPPLEMENT:

On Wednesday, 7-17-13, I, Detective B. Toel #276, (IV113) was directed to assist with this case, 13-189452. I have been employed by the Sacramento Police Department (SPD) as a Police Officer since March of 1997. I have been assigned to the Office of Investigations as a Detective since January of 2005. I have been assigned to the Major Crimes Division, Felony Assaults Unit since September of 2012. Currently my primary duties are to investigate Officer involved shootings, in-custody deaths and crimes, including but not limited to, financial crimes, burglaries, thefts, kidnappings, robberies, assaults and homicides.

NOTIFICATION & ARRIVAL:

At approximately 1105 hours, I was on-duty and returning to Sacramento from the city of Woodland, having completed testifying at the Yolo County Superior Court. I was advised by Detective Ayers #763 (IV140) of an officer-involved shooting that occurred in the area of Elder Creek Road and Sun River Drive in the east area of the city of Sacramento. I responded to the scene and arrived at approximately 1125 hours. I observed several marked and unmarked SPD Police vehicles along with several uniformed and plain clothed SPD Officers and Detectives. I observed the scene to be protected by yellow crime scene tape that formed an inner and an outer perimeter. The perimeter effectively shut down east and west bound traffic on Elder Creek Road between Rancho Adobe Drive on the west and Cougar Drive on the east. I parked my unmarked police vehicle on the north side of Elder Creek Road just west of the crime scene tape (outside of the marked scene) at Rancho Adobe Drive. I checked in with the Crime Scene Recorder, Officer Frank #256 (BV31).

BRIEFING:

At approximately 1132 hours, Patrol Lt. Haynes #4071 (LN5) conducted a crime scene briefing in the driveway of [REDACTED] Elder Creek Drive. Lieutenant Haynes disseminated information during the briefing regarding the circumstances of the incident based on the information she had at the time.

WALK-THROUGH:

Other Detectives, Officers, Management, Investigators, etc. took part in the Walk Through with each of the SPD Detectives involved.

FOLLOW-UP INVESTIGATION:

I was assigned to assist with a consent and probation search at [REDACTED] Somis Way. Once on-scene I took 201 photographs with a 35MM digital SLR camera. The photographs were taken before the search began, were taken of evidence items in place where they were found and were taken after the searching just prior to leaving the residence.

At approximately 1515 hours, I arrived at the HoJ and at approximately 1620 hours I assisted Detective B. Alonso #803 (IV54) with booking the evidence found at [REDACTED] Somis Way. I provided Detective Bullard with three DVD's,

Subject: **DET. T. SHRUM OBSERVATIONS**

Related date/time: **Jul-24-2013 (Wed.)**

On 7/17/13, at approximately 0950 hours, I, Det. Shrum #362 responded to the area of [REDACTED] Somis Way to assist with a possible probation search as part of follow up to a homicide investigation (13-165182). I arrived at the street and saw a vehicle that had been described as the suspect vehicle parked in front of [REDACTED] Somis Way. The vehicle was a gray Ford Tempo in poor condition with [REDACTED] license [REDACTED]. I took a surveillance position in my unmarked police car (blue Ford Taurus) where I could see the suspect vehicle and gave updates to other investigators on the investigative channel (inv1). I parked on the west side of Somis Way at the curb south of Elder Creek facing southbound. I was in plain clothes. There was a car parked on the street midway between myself and the suspect vehicle. I was about 3 houses north of the suspect vehicle.

At approximately 1010 hours, I saw a male black come from the area of the front yard of the house to the passenger side of the suspect vehicle. He was at the car for only a moment and then disappeared into the yard, out of my sight.

At approximately 1020 hours, I saw the same male black at the driver's door of the suspect vehicle and a second male black with a child jogging stroller on the passenger side of the car. The male on the driver's side jogged toward the yard out of my sight. The second male went into the road and then returned to the yard out of my sight. After a couple of minutes, both males reappeared from the area of the front yard and began walking northbound Somis toward me. I put my police radio down and had none of my police gear out so that they would not see that I was police. I had a notepad in my hand. The two males along with the stroller that was carrying a child walked past me on both sides of my car, looking at me as they walked and then they turned the corner and started walking westbound on the south sidewalk of Elder Creek. I broadcast the information on the investigative channel and did not know for sure that Elijah Rodgers was either of the two males. The other investigators made broadcasts over the radio regarding heading the direction of the subjects.

Det. Sgt. Chan advised over the radio that one of the subjects was Rodgers and he and Det. Higgins then radioed to switch to the main channel to contact the subjects who had jaywalked (I did not see the jaywalking but Higgins commented on it over the radio). I continued surveillance on the suspect vehicle and did not immediately respond. I left the surveillance and then switched to the main channel and additional units were called for an officer involved shooting. I did not myself hear the gunshots and did not see any of the initial contact with the subjects.

I responded making a u-turn to northbound Somis Way to westbound Elder Creek. Traffic had began to stack up behind Det. Higgins van that I recognized parked near the north curb of Elder Creek well west of Somis Way. His van was angled toward the sidewalk and partially blocking the #2 westbound lane of Elder Creek Road.

I saw witness [REDACTED], the male black I had seen leaving the front of the house with the child jogger/stroller standing on the north sidewalk with the stroller. Det. Higgins who was west of me pointed toward [REDACTED] and I contacted him. Det. DeDonder also approached [REDACTED] from the west.

I asked [REDACTED] if he had any weapons and he told me no. I asked if I could pat him down for weapons and he told me to go ahead. I patted [REDACTED] pants pockets and only felt a rectangular object in his right front pocket. I asked [REDACTED] if he had a phone and he told me that he did. I asked if I could take it out and he told me I could. When I took it out, I could feel an object similar to an I.D. in the coin pocket on the right side behind the phone and asked him to take it out.

Other units began responding to assist and Officer Redding and Officer Miller responded and I asked [REDACTED] to have a seat in the car (unit #11530 at 1035 hours). I explained that his friend had been shot and that detectives would need to speak with him. Officer Redding and Miller assisted with contacting [REDACTED] child's mother to come get the child. I left the phone and I.D. belonging to [REDACTED] with Officer Redding and Officer Miller as he took a seat in the back of their patrol car.

I contacted Fire and learned that Truck 10 and Medic 53 had responded.

At approximately 1106 hours, I contacted [REDACTED] to determine if Elijah Rodgers' probation status applied at Somis Way. He told me (in summary) that he had let Elijah stay at his house the last couple of days because Elijah's girlfriend had kicked Elijah out.

At approximately 1129 hours, after people were pointed out in the back yard of [REDACTED] Elder Creek (the address where Rodgers had been shot), I knocked on the door. I contacted the residents, [REDACTED] and [REDACTED]. [REDACTED] asked what was going on and explained that he and his wife had just returned home and had to come through the backyard to get into the house because of the police barricading the road. [REDACTED] told me that the home was a care home for adults but that the clients had left at 7 AM and would be returning around 2 PM. Per [REDACTED], nobody was home at the time of the shooting.

Det. Ellis responded to [REDACTED] Somis Way and I asked that entry be made but that no search was done. Per Det. Higgins, resident [REDACTED] is on searchable probation (verified in County until 1/22/2016).

At approximately 1202 hours, I again contacted [REDACTED]. I asked him about who was living at his house (to determine standing) and asked for consent to search. He did not unequivocally consent to search and instead told me (in summary) that we were going to search anyway, so go ahead but that he would say no because it violated his rights. I did not believe this to be voluntary consent to search. [REDACTED] did describe who lived inside the house.

Det. Alonso, Det. Toel, and I responded to [REDACTED] Somis Way in order to begin a search of the house. Det. Ellis was already at the house. Resident [REDACTED] who Det. Higgins had told me about was also at the house speaking with Det. Ellis. I spoke to [REDACTED] and recorded the conversation. I asked her consent to search the

house and she gave it. I asked her to speak with detectives and she was given a ride to headquarters by Officer Dahl.

At approximately 1244 hours, prior to beginning the search, I observed [REDACTED] walking by staring at us at [REDACTED] Somis Way. Det. Ellis advised that he had observed the same person at [REDACTED], the address of record for Elijah Rodgers on a prior day. I contacted [REDACTED] and began to ask him his connection to the house. I began an audio recorded interview and I invited him into my car to continue the conversation as media began to descend upon the neighborhood.

[REDACTED] provided little valuable information. He did point out his cousin [REDACTED] nearby house who he thought may know more about [REDACTED] brother Elijah. [REDACTED] pointed out [REDACTED]. [REDACTED] asked to be let out on Bellini Way.

Det. Alonso and I returned to [REDACTED] Somis Way and conducted a search along with Det. Ayers and Det. Ellis.

Det. Toel took photos. Det. Alonso was the designated "finder" or recorder for the search. I called into headquarters to request that the detective who interviews [REDACTED] clarify his consent to search his room. I instructed the other detectives not to search the room until consent was clarified or a search warrant was obtained.

I began and searched the backyard on the west side of the house and found nothing noteworthy.

I searched the kitchen area which was untidy. It is located on the northwest corner of the house. I located a black digital scale on the kitchen bar counter. I located another black digital scale on the kitchen table. These became noteworthy later in the search when suspected cocaine was found. In the kitchen, I found mail for [REDACTED] and for [REDACTED].

I searched the master bedroom along with Det. Ellis. The bedroom is through a hall and on the southeast corner of the house. This bedroom was also a mess with clothing and personal items strewn about. In the master bedroom there was a black laptop on top of the bed. The bed was a king size mattress on top of two side by side box springs that were setting on the floor. Det. Ellis located and pointed out a memory card on the bed.

I searched under the bed and located a notebook that I began looking through. The notebook was filled with handwritten personal information that included names, driver's license numbers, dates of birth, addresses, emails, passwords, and other identifying information for males and females. I located a stack of folded bills under the bed that I counted out with Det. Alonso. There were two folds with \$1000 and one fold with \$200 for a total of \$2200. In this room I located indicia including male and paperwork for [REDACTED].

I located a black T-Mobile cell phone on a small table in the northeast corner of the bedroom. There was also a Visa gift card type card with a name that was not [REDACTED].

I contacted Det. Heinlein and learned that [REDACTED] had given consent to search his room. I searched the room which is located at the southwest corner of the house. This room was tidier than the rest of the house and had a bed as well as a crib in the room.

I located a Metro PCS cell phone in the crib that was on the south side of the room. I located a black cloth (possibly neoprene material) handgun holster for a larger frame handgun in the southwest corner of the room. It was on top of a piece of small furniture and under an achievement certificate for [REDACTED].

Det. Ellis repaired damaged to the front door jamb and I locked the door and left the house secure.

I went to headquarters.

I asked Det. Heinlein to find if [REDACTED] was connected to the address [REDACTED]. He was able to find [REDACTED] in the County System and printed a booking photo for me.

I interviewed [REDACTED] in an interview room. The interview was recorded to DVD. I returned the house key obtained from [REDACTED] to his mom. During the interview, I showed [REDACTED] a photo of Elijah Rodgers that she identified as her son's friend Elijah. I showed a photo of [REDACTED] that [REDACTED] identified as her son's friend [REDACTED]. I obtained consent to search [REDACTED] phone and took it to Electronic Crimes for processing by Det. On 7/18/13, I booked the photos used in the interview of [REDACTED] under homicide case 13-165182.

On 7/19/13, I booked a DVD of [REDACTED] interview into evidence. I also booked a CD with the audio recordings of my initial contact with [REDACTED] when she gave consent to search and also the interview of [REDACTED].

On 7/23/13 I saved the in car camera recording with [REDACTED] to disk and booked it to evidence under the shooting case and the homicide.

SERGEANT SUMMARY REGARDING HOMICIDE TEAM CALL OUT (SGT. BOB McCLOSKEY - IV19)

NOTIFICATION:

On Wednesday, 07-17-13, at 1038 hours, I was notified by Lt Eklund of a homicide team call out to [REDACTED] Elder Creek Rd in East Sacramento regarding an SPD officer-involved shooting investigation. SPD Detectives responded to the above location regarding an unrelated homicide investigation and attempted to contact a subject, involved in that investigation, which resulted in an officer-involved shooting within the city's jurisdiction.

SPD Patrol Officers arrived on scene and were advised that a MB19 subject had suffered a gunshot wound to the left side torso area. I was informed that the subject (later identified as Elijah Rodgers, MBA, DOB 01/15/94, Xref# [REDACTED]) was transported to the Kaiser South Hospital where he was undergoing treatment for his injuries. Patrol officers secured the scene and an officer-involved shooting call-out was initiated. Detective Sergeants M.Stigerts #3096 (IV10), D.Monk #3033 (IV24), along with Detectives R.Bullard #0375 (IV72), D.Burke #0474 (IV146), B.Heinlein #0294 (IV156), J.Kirtlan #0329 (IV145), H.Merten #0751 (IV121), T.Shrum #0362 (IV160), L.Trimpey #0806 (IV106), B.Alonso #0803 (IV54), S.Ayers #0763 (IV140), B.Bell #0822 (IV74), T.Curtin #0543 (IV49), T.Hunkapiller #0710 (IV143), W.Toel #0276 (IV113) and I (IV19) were requested and responded to the scene to conduct an officer-involved shooting investigation. Sgt Stigerts was assigned as the Lead Homicide Sergeant and I was assigned to the scene investigation. Lt. Eklund (IV5) was notified of the Homicide Team call-out as well.

In accordance with Departmental agreement with the Sacramento County District Attorneys Office, District Attorney Investigator David Kidd (DA15) responded to the location of the shooting to conduct an independent investigation.

ARRIVAL AND BRIEFING:

At 1110 hours, I arrived on scene and checked in with the Crime Scene Recorder - Officer Frank #0256 (2B64). The following personnel directly involved in the supervision and/or coordination of the scene upon my arrival were: Patrol Lieutenant Haynes #4071 (LN5), Patrol Sergeant Wayne #3078 (2SM6), as well as several patrol officers. Crime Scene Investigators Lindner #0538 (CSI22), along with Forensic Investigators Schiele #6369 (FI20) and Noonan #6327 (FI27) responded to the scene for processing (see CSI call #13-189487).

Follow Up Report # SA 2

At 1132 hours, once the homicide team was present, Lt Haynes and Sgt Wayne briefed us about the incident and the circumstances known to them at the time. The scene was secured with police barricade tape, and patrol officers had completed a neighborhood canvass. Evidence (suspect's clothing, handgun, bullet casings, etc.) was located on scene by patrol officers and pointed out to investigators. All evidence was left in place and the investigation was turned over to the homicide team at that time.

SCENE DESCRIPTION:

The shooting incident occurred outside in the front yard and driveway of [REDACTED] Elder Creek Rd within the City and County of Sacramento. At this location, Elder Creek Rd is a two-lane, east/west City street that runs between Fall River Way on the west side of the scene, to Sunrise Dr on the east side of the scene. Elder Creek Rd has pedestrian sidewalks along the north and south curbs and the surrounding area is comprised mainly of single-storied residential structures.

WALK-THROUGH / LIGHTING:

Several members of the Homicide Team, along with Scene Detectives Kirtlan, Merten and Hunkapiller, Internal Affairs Sgt C.Husted #3068, Sacramento Police Officers Association Representatives D.Smith #0338 and S.Blackmon #0219, Department legal representatives Judy Odbert, Erin Dervin and Yuri Kvichko and I performed separate walk-throughs of the crime scene with the individual officers who discharged their weapons at the following times:

At 1158 hrs, SPD Detective T.Higgins #447 (IV90) performed a walk-through of the shooting scene. Per Detective Higgins, as he was standing near the front walk-way (closest to driveway) of [REDACTED] Elder Creek Rd, he fired his .40 caliber handgun in a north to northeast direction. Detective Higgins' approximate location at the time of the shooting (based on his recollection) was indicated with an orange marker labeled as Cone A.

At 1203 hrs, SPD Detective Sergeant R.Chan #3040 (IV30) performed a walk-through of the shooting scene. Per Sergeant Chan, as he was standing near the center of the driveway at [REDACTED] Elder Creek Rd, he fired his .40 caliber handgun in a northbound direction towards the overhead garage door. Sergeant Chan's approximate location at the time of the shooting (based on his recollection) was indicated with an orange marker labeled as Cone B.

At 1213 hrs, SPD Detective K.Jasperson #440 (IV180) performed a walk-through of the shooting scene. Per Detective Jasperson, he did not fire his weapon during the above incident. Detective Jasperson was carrying a .40 caliber handgun (please see additional officers supplements regarding Detective Jasperson's weapon inspection that was performed at the HOJ). Detective Jasperson advised that he was located near the area of the front walkway, east of the driveway at [REDACTED] Elder Creek Rd when shots were initially fired. Detective Jasperson's approximate location at the time of the shooting (based on his recollection) was indicated with an orange marker labeled as Cone C.

The lighting at the time of the walk-throughs was supplied by daylight conditions.

Upon checking the trajectory and/or direction of fire in which the SPD Detectives fired their weapons, Scene Detectives located a bullet strike to a rose bush and planter rock in the front yard of [REDACTED] Elder Creek Rd. Detectives checked the residence for additional bullet holes and/or strikes on the south facing side with no damage seen.

DEPARTURE:

At 1410 hrs, after viewing the crime scene and coordinating the evidence collection with Scene Detectives Kirtlan, Merten and Hunkapiller, I departed the scene.

Subject: **TRIMPEY: OBSERVATIONS**
Related date/time: **Aug-08-2013 (Thu.) 1442**

Observations: Det. Trimpey #0806 (IV106)

NOTIFICATION: On 7-17-13, at approximately 1045 hours, I was notified by Sgt. Stigerts of an officer involved shooting in front of [REDACTED] Elder Creek Rd. I responded to the scene from 5770 Freeport Blvd.

ARRIVAL: On 7-17-13, at approximately 1110 hours, I arrived on scene and observed Elder Creek Rd had been closed to thru traffic in both directions by yellow crime scene tape and uniformed police officers at both ends of the perimeter. I observed Elder Creek Rd to be taped off from Ring Dr to the west and Sunrise South Dr to the east. I checked in with the crime scene recorder, Officer M. Frank #256 (1B64), and proceeded to the briefing location.

BRIEFING: At approximately 1132 hours, I attended a briefing conducted by Lt. Haynes #4071 (LN5). The briefing consisted of all information known to Lt. Haynes at the time of the briefing. All details covered in the briefing by Lt. Haynes are documented in the supplement completed by Lead Detective R. Bullard, see supplement. At the conclusion of the briefing I was assigned to conduct a walk thru with Det. Higgins and subsequently interview him regarding the incident.

WALK-THRU: At approximately 1158 hours, Det. Higgins and I conducted his walk thru. Det. Higgins and I were accompanied by Judie Odbert (Higgins attorney), Det. Kirtlan, Sgt. Husted, Sgt. McCloskey, Det. Merten, Det. Hunkapiller, Dustin Smith, Sam Blackmon, and CSI R. Lindner during the walk thru. Det. Higgins identified the point he was standing at the time of the shooting, the direction in which he was firing and stated he believed he fired one shot in a northeast direction. CSI Lindner placed an orange cone at the point Det. Higgins stated he was standing was at the time of the shooting.

FOLLOW UP: At the conclusion of the walk thru I met with Det. Higgins who advised transportation had been arranged for him and he would meet me at SPD Hall of Justice (5770 Freeport Blvd). I cleared the scene at approximately 1214 hours and responded to SPD Hall of Justice.

At approximately 1340 hours, I contacted Det. T. Higgins in interview room #3 at SPD Hall of Justice. The interview was DVD/DVR recorded and a copy of the recording was later booked as evidence. The recording is available for transcription if necessary.

At the beginning of the interview I had Det. Higgins count his rounds to determine how many rounds he fired. Det. Higgins removed one round from the chamber and then counted to 12 when he removed the following 11 rounds from his one magazine. The count showed Det. Higgins fired one round based upon the fact the capacity of a SIG P226 .40 Caliber semi automatic pistol, as carried by Det. Higgins, is 13 rounds. At the

conclusion of the count Det. Higgins was issued a temporary replacement pistol as his firearm was collected as evidence.

At the conclusion of the round count I obtained a voluntary statement from Det. T. Higgins. During the interview Det. T. Higgins was represented by Judie Odbert, attorney at law. I later completed a summary of Det. Higgins statement and included the statement in the police report.

I later booked the recording of Det. Higgins interview and images shown to Det. Higgins during the interview into an evidence locker at 5770 Freeport Blvd (SPD Hall of Justice).

On 7-17-13 at approx. 1038 hours, I, Ofc. Miller and Ofc. Redding arrived on scene at Elder Creek Rd. just west of Cougar for a cover call with shots fired by a detective.

Upon our arrival we were asked to stop on the eastern interior perimeter where Detective Shrum placed a witness [REDACTED] and his son [REDACTED] in the backseat of our patrol vehicle.

With supervisor approval, I contacted the small child's grandmother [REDACTED] who responded and took the small child to her home. This was also per [REDACTED] request.

Detectives asked if we could transport two witness' to HOJ to be interviewed. Ofc. Redding transported [REDACTED] and I, utilizing another officer's vehicle, transported a female witness to HOJ.

After taking the female to detectives at HOJ, I took Ofc. Mulligan's vehicle back to him at Kaiser South. He had rode in the ambulance with the suspect to the hospital from the scene.

On 07/17/2013, at approx. 1145 Hrs, I (Ofc. Cuevas #318) was conducting traffic control at Rancho Adobe Dr / Elder Creek Rd when I was hailed by the witness [REDACTED]. I received [REDACTED] preliminary statement in the field. [REDACTED] stated the following in summary:

I had just dropped my children off at school. I was traveling westbound on Elder Creek Rd in the #1 lane. While traveling westbound in the #1 lane I observed two Officers with their guns out. I can't remember exactly which house they were in front of. The Officers had their guns out and pointed at two male Black adults. One of the male Black adults was pushing a stroller that contained a small child.

It appeared that the Officers were trying to detain the suspect (Rodgers, Elijah) but he was not complying. I did not see S-Rodgers with a gun/firearm or any type of weapon. I then saw the Officers shoot S-Rodgers.

I believe the Officers were justified in shooting S-Rodgers. It was not like the Officers just started shooting S-Rodgers, the Officer were attempting to have S-Rodgers surrender but he was not complying.

On 07/17/2013, at approx. 1027 Hrs, I (Ofc. Cuevas #318) was on routine patrol in the area of 29th St / Florin Rd. I was in full SPD uniform and driving a marked SPD vehicle. While working routine patrol I heard over my patrol radio that IV90 (Higgins, Thomas) was requesting Code 3 Cover at [REDACTED] Elder Creek Rd regarding an Officer involved shooting. I responded Code 3 to the area and observed the following in summary:

I had reduced my Code 3 response prior to marking on scene. I reduced at Power Inn Rd / Florin Rd. I was advised by Sgt Gomez (2SM4) to conduct traffic control at the intersection of Rancho Adobe Dr / Elder Creek Rd.

While conducting traffic control at the intersection I was hailed by the witness [REDACTED] and received a brief statement. In W-[REDACTED] statement she advised she had witnessed the incident and had returned to the scene to advise Officers about what she had seen. W-[REDACTED] stated, she had dropped her children off at school and observed the Officers with their guns out attempting to detain the suspect (Rodgers, Elijah). W-[REDACTED] stated, S-Rodgers appeared non-compliant with the Officers. W-[REDACTED] stated the Officers then shot S-Rodgers. W-[REDACTED] stated, she did not observe any gun/firearm on the suspect. W-[REDACTED] advised me repeatedly that the Officers were justified in shooting S-Rodgers.

I provided custody of W-[REDACTED] to Sgt. Wayne in order for her to speak with Detectives.

On July 18, 2013, at about 1130 hours, I returned to the shooting scene at [REDACTED] Elder Creek Rd. in an attempt to locate a glass narcotics smoking pipe that I had removed from the L/F pants pocket of Elijah RODGERS. I had learned the pipe was missing from the group of evidence collected at the scene. That pipe was cylindrical in shape, about four inches long by about a half inch in diameter. The pipe appeared to have a white coating throughout its interior and was slightly jagged at one end. Based on training and experience I believed that pipe to be that type of pipe used to smoke narcotics namely cocaine and/or methamphetamine.

I was unable to locate the narcotics pipe where I had originally set it down after removing it from RODGERS pocket. However, the fact that RODGERS was in possession of that narcotics pipe was consistent with what I overheard as RODGERS was being treated at Kaiser South. Medical staff were concerned about the amount of morphine RODGERS was being given for pain. His blood work apparently showed that he had cocaine in his system and RODGERS had supposedly admitted his cocaine use to staff as well.

On July 17, 2013, at about 1028 hours, I was in the area of Berry Ave./Power Inn Rd. when I heard a broadcast for investigators requesting Code 3 Cover in the area of [REDACTED] Elder Creek Rd. I responded Code 3 with my digital ICC in Vehicle #11002C activated and recording. I arrived at the area of the cover request about 1 minute later.

Upon arrival I was directed by Detective DEDONDER to Sgt. CHAN. Sgt. CHAN was just to the west of Detective DEDONDER. He was standing over a handcuffed MBA later identified as Elijah RODGERS. Suspect RODGERS was lying on the ground and appeared to have suffered an injury to his lower left abdomen. I later learned he had been shot.

At the request of Sgt. CHAN I physically searched Suspect RODGERS. I removed the contents of his pockets and placed them on the ground next to him. The only contraband I identified at the time was a glass pipe which I knew based on experience and training to be narcotics paraphernalia.

Medical aid was requested for Suspect RODGERS. SFD Medic 53 responded and later transported RODGERS to Kaiser South. I rode along with RODGERS on the way to the hospital. RODGERS was conscious but refused to identify

Once at the hospital, RODGERS was immediately prepared and transferred for surgery. This included cutting off his underwear and shorts which were placed in a paper bag provided by ER staff. RODGERS would enter Operating Room #1 at Kaiser South at about 1110 hours. At about 1222 hours, operating staff exited Room #1 and handed me a sealed plastic bag labeled "bullet". RODGERS remaining clothing/possessions and the bag labeled "bullet" were later turned over to Officer AVE-LALLEMANT of the CSI Unit for booking.

I remained with Suspect RODGERS from the time we left the shooting scene via SFD Medic 53, through surgery and recovery, until I was relieved EOW by Officer FONG at about 1600 hours.

On 07-17-13 at approx. 1036 Hrs. I, Ofc. Lindner #0538 (CSI22), arrived at █████ Elder Creek Rd. regarding a cover call. I responded Code Three, red lights and siren. This was an OIS (officer involved shooting) and a reduced code was put out over the radio, just prior to me arriving on scene. Sgt. McCloskey asked me to take photos of the three detectives involved: Det. Higgins, Det. Jasperson, and Sgt. Chan. Det. Shrum asked that I take photographs of a jogging stroller next to Det. Higgins vehicle.

I attended a scene briefing by Lt. Haynes.

I then attended a walk-through for each of the three detectives involved: Det. Higgins, Sgt. Chan, and Det. Jasperson.

Det. Kirtlan, Det. Merten, and Det. Hunkapiller were the three detectives assigned to the scene, whose direction I worked under.

I took measurements at the scene of items of evidence using a Total Station, which is an electronic device which measures angles and distances.

(See attached diagrams of the scene.)
