Incident Summary

On Friday 8/2/13, at approximately 2310 hours, Sgt. Lange and Ofc. Ethan Hanson were working a two officer Gang Enforcement Car (GNG70). Assisting them were Ofc. Ray Villegas and Ofc. Josh Kirtlan who were working special overtime assisting the gang unit with gang suppression. The two cars (both Crown Victorias, one unmarked, and one black and white) rolled up to █ Arcade which is a known █ (██████████) hang out. As they pulled up, a group of 20 subjects were out front. When they saw the police, 4-5 subjects fled on foot. Ofc. Hanson and Kirtlan went one way and Lange and Villegas another way. Ofc. Kirtlan saw a Male Asian (17) carrying a short sawed off shotgun running away behind the buildings. Kirtlan ordered the suspect (Alex Phonhlamoungdy) to stop. The suspect continued running up to a six foot chain link fence. He then tossed the shotgun over the fence and then jumped over it also. The suspect knelt down on the other side of the fence to grab the shotgun and Kirtlan opened fire on him 7 times. Kirtlan hit the suspect once in the lower left leg. The suspect was then arrested. Another suspect was also arrested for running, but did not have a gun. A total of five other guns were found in the alley behind the buildings. The suspect spent two days in the hospital. He has been booked on multiple felony weapons charges and resisting arrest. The other suspect who was not hit was arrested for resisting arrest only. The suspect is a █ gangmember. One of Kirtlan's bullets apparently hit a parked car. The RO of the vehicle was Mr. █ The resident was mailed a claim form.

CASE SUMMARY: (Briefly establish the factual basis of the offense and defendant's guilt, including dates, times and identify of principal witnesses).

The following is a summary of the case as compiled in official police reports, from my personal conversations with other law enforcement officers and from my personal observations.

On 8/2/2013, at approximately 2310 hours, Sgt. Lange, Officer Hanson, Officer Kirtlan, and Det. Villegas were conducting targeted enforcement in the area of [REDACTED] Arcade Blvd after recent shootings in north Sacramento involving Asian street gangs. [REDACTED] gang members were documented in the shootings.

The Officers pulled up to [REDACTED] Arcade Blvd., a known [REDACTED] hangout. Upon arrival, several subjects ran and Officers began to give chase. Officer Kirtlan chased after two male Asians (suspect Phonhluongdy and suspect Vecina). Suspect Phonhluongdy began to climb a chain link fence and Phonhluongdy threw a short barreled shotgun over the fence to the ground just on the other side of the fence. Officer Kirtlan saw and recognized that it was a shotgun. Suspect Phonhluongdy went over the fence and landed next to the shotgun. He turned and grabbed the shotgun. Officer Kirtlan, fearing that suspect Phonhluongdy was going to arm himself and shoot at Kirtlan or other officers fired several rounds at Phonhluongdy. Phonhluongdy abandoned the shotgun and fled northbound away from Officer Kirtlan. Phonhluongdy had been shot in the leg.

Officer Kirtlan located and arrested suspect Vecina who had been running from Kirtlan.

Officers located suspect Phonhluongdy in a nearby yard. The shotgun that Phonhluongdy possessed was reported as stolen by Solano County Sheriffs in 2011. The shotgun was sawed off and was short barreled (measured to approximately 14 inch barrel), capable of being concealed.

[REDACTED]
[REDACTED]
There were several validated gang members [REDACTED] that were contacted among the group that was in front of [REDACTED] Arcade Blvd.

Suspect Phonhluongdy gave a statement indicating he had the shotgun and ran from police. He denied gang membership.

Suspect Vecina denied knowing that he was running from Police. Vecina stated he ran because someone told him to run. Vecina was arrested for 148(a)(1) PC, booked into jail, and released with a citation. His next court appearance is scheduled for 8/20/13. Suspect Vecina stated he was with his girlfriend [REDACTED] and they were visiting with [REDACTED].

A crowd in front of [REDACTED] Arcade was detained shortly after the shooting. The only [REDACTED] in the group was [REDACTED]. [REDACTED] is a documented [REDACTED] gang affiliate. His statement was obtained and [REDACTED] knew that the police had pulled up.

Five additional handguns were discarded behind the apartments.

() Check here if further investigation is pending and describe briefly.

CSI REPORT

On 08-03-2013, at approx. 0657hrs, I (Ofc. Peirsol #431 CSI21) arrived in the area of Arcade Blvd & Colfax St to assist in processing an officer involved shooting.

Photographs

I took twenty-eight (28) photographs of the following:

- Overall appearance of the exterior of a Green 1992 Honda Accord, CA plate [REDACTED]
- Overall appearance of the front, driver's side tire
- Spent bullet located there

Evidence Search

I used a metal detector to search the rear yard area of [REDACTED] and [REDACTED] Arcade Blvd for spent bullets. It met with negative results.

I returned to the CSI office at approx. 0949hrs.

At approx. 1051hrs, I returned to [REDACTED] Arcade Blvd. A subject [REDACTED] had called into Dispatch to advise that a possible bullet was lodged in a tire on his vehicle (a Green 1992 Honda Accord, CA plate [REDACTED]). I looked at the tire (front, driver's side) and saw where a bullet had possibly struck there. [REDACTED] removed the tire and I examined it. I located a spent bullet lodged in the tread of the tire. I removed the bullet. I then packaged, transported and booked it as evidence into the Evidence and Property Section of the Sacramento Police Department.

I cleared the call at approx. 1241hrs.

Author: **3170 - ENGLEFIELD, ASHLEY 0563** [REDACTED]

Subject: **(ARREST/CITE #1) PHONHLAMOUNGD**

Related date/time: **Aug-09-2013 (Fri.) 1615**

At approx. 0330 hours myself and Det.Vang went to the UCD Med center to attempt to interview the suspect. I read Phonhlamoungdy his rights under Miranda. To each question Phonhlamoungdy stated that he understood his rights. Initially Phonhlamoungdy told me that he did not want to talk to me. This portion of the interview was recorded (audio only). As we were leaving the room he then stated that he wanted to ask me question. I asked him if he wanted to talk with me. Phonhlamoungdy began talking to me and asking me questions. I obtained a statement from Phonhlamoungdy at that time. I recorded the interview (audio and video) and later booked it as evidence at HOJ. I obtained the following statement in summary:

I know I got shot, but he shot me from the back when I was running. I know my rights. I know my rights. I'm not supposed to be shot when I am running. I didn't point no guns or nothing. I was just running. I know my rights, I aint supposed to get shot. He could taser me or something, but shooting me. I just want you to answer that question.

I was way far gone and he shot at me. I did not have the shotgun in my hand. I threw it over the fence. I threw it over allready. I did not have it in my hand. I was running with it. I was way far gone. I threw it over the fence. Right when I hopped over the fence I did not touch it, I did not touch any gun, no nothing. I got shot. I did not realize it until I got to the other fence. I felt weak. I was crawling because I heard the police going around the block.

(I asked Phonhlamoungdy if someone had handed him the gun as the police had arrived. He shook his head left to right to indicate 'no'.)

That was my gun. There is no reason why I had it. It was mine, thats it. I threw it over a fence before they shot me. Right when I got over I was running and then I heard boom boom boom. I got over another fence and that is when I felt that I got shot. I crawled towards the police to let them know that I got hurt. I know my rights I'm not supposed to get shot.

I ran because I was scared of police. I had a gun on me. Thats it. I was holding it in my pants. I just had it. It was mine. It was a clear fence. I threw it far away from me. I straight ran. I ran towards the other fence. Thats when I felt the pain. I just dropped. Why did they shoot me. I was way far gone. I know my rights and I was like really.....

I didn't pick it back up or nothing. I just threw it. That's why I feel like they are wrong. I heard the cops yelling but they were not close to me because I was gone. They saw me from a distance and thats when they shot me. I was like damn, I'm really shot. He got aim! I know my rights. I was not supposed to get shot. I was not threatening nobody.

If I knew that he was going to shoot me I would have threw the gun and dropped on the ground. If I knew that someone was going to shoot me like that I would have just layed on the ground. I know my rights. The police where the first ones to fire. I threw away the gun and I ran. Shots fired. I thought that you cant shoot unless your suspect had let a shot fired. I did not let shots fired. I know my rights. The gun was not in my hands and they shot me. I got shot as I was jumping over the fence.

I had the gun because I had it. I bought the gun, but you don't need to know about it. You answered my question. Am I right? I was not supposed to get shot though. There was no shot fired. I know that I didn't threaten nobody. I threw the gun way far away.

Author: [REDACTED]

Subject: (ARREST/CITE #2) VECINA, JAYRO

Related date/time: **Aug-13-2013 (Tue.) 1323**

On 08-03-13 I spoke to Jayrold Vecina at HOJ. The contact was captured on video/ audio recording. For full details see recording. He stated the following in summary.

I just went to use the bathroom, somebody said run and I ran. That's how I ended up here. My birthday is 6-2-92. My address is [REDACTED]. My phone number is [REDACTED]. I have never been arrested before.

****I then read Jayrold his Miranda rights verbatim from my SPD 133 issued card. He stated "yes" that he understood these rights then provided the following statement in summary.

I live with my mom and dad. I am Filipino. My tattoos are of the Phillipine Islands and I have writing in Filipino that says family.

That is the first time I have ever been on Arcade Blvd. I am not from Sacramento and don't know the streets of Sacramento. I go to Sacramento once in a blue moon. I came over to visit a family friend. I drove my car a 1997 gold Honda Accord that was parked out on the street near [REDACTED] Arcade Blvd.

I arrived in Sacramento today about 2 PM and the friend I was visiting was [REDACTED]. [REDACTED] is 19 years old and I met him on Arcade.

I got over to Arcade at about 9 PM. I drank about 2 beers and the next thing I know somebody said run so I ran.

I was drinking Mickies and I had 2-3 of them.

[REDACTED] told me to meet him there and he got there around 9:30. I waited at the park nearby and went to the party when he arrived. I was there with my girlfriend [REDACTED] who is from Auburn. I went to Auburn to pick [REDACTED] up and went to have dinner until we met [REDACTED]. I only went over to Arcade to drink and hangout with [REDACTED].

My girlfriends phone number is [REDACTED].

All I know is I was having a few beers someone told me to run and I ran. [REDACTED] told me to come over to Arcade to drink a few beers before I went back to the Bay Area. [REDACTED] lives in South Sacramento at a house. I don't know the address.

I was drinking right in front of the apartments at [REDACTED] Arcade Blvd. We were just in front near the stairs. I introduced myself to people at the party as Jay, but I did not know anybody there other than [REDACTED] and my girlfriend. There was only beer that I saw at the barbeque. I would say there were about 10 people out there. The people out there were all Asian. There were more guys than girls. There were about 8 guys and 2 girls. The people that were at the party were between 16-21 years old.

[REDACTED] is Laos. [REDACTED] is mixed white/ Mexican. I have been dating [REDACTED] for a couple of months but known her for several years. I have known [REDACTED] for several years.

There was rap hip hop music coming from someones cell phone. We were getting ready to go home when someone said run so I ran. I am not from this area. I was drinking and I was not sure you could do that so I just ran like an idiot which I should have never did. If I did not run I would not be in the predicament.

I saw one other person running in front of me and that is when I saw officers shooting at him. The rest of the time I was just in the back of the police car in handcuffs.

[REDACTED] and [REDACTED] were not running with me. I believe they were in front. I went over to the side of the building and was going to go to the bathroom. When I was over there someone on the right side of me said run and so I ran. I initially ran to the west and then to the north. I only saw one other person running with me. The reason I only saw one other person was because as I was running I turned around and then officers started shooting. The next thing I know I seen on the floor was a gun.

I was behind [REDACTED] Arcade. I looked to my left and saw an officer draw his firearm and just started shooting. I looked back and I heard 4 shots. I looked and I saw a gun on the floor. I said what the hell I shouldn't even be here. The gun was a couple of feet long. It was on the ground between [REDACTED] and [REDACTED] Arcade. There is a fence between the addresses and it was on the [REDACTED] Arcade. I could see the gun through the metal cyclone fence. The gun was brown or black in color.

I only saw one other person running with me. He was shorter than me about 5 ft tall. He had layers of clothes on.

****Looking at photo of Alex Phonhluangdy.

I have never seen him before. I saw him from the back. He had on a black hoody and black pants.

There are some fences in the back yard but I never hopped over any fences. While I was running I thought why was I running. So that is why I just stopped. There was only one person running I believe he was behind me.

***Jayrold viewed an overhead photograph of the area from Google and pointed out where he ran. He directed me on the map and marked where he started on the south side of [REDACTED] Arcade, then ran west and north towards the back of [REDACTED] Arcade until he stopped running in between [REDACTED] and [REDACTED] Arcade.

By time I saw the other person running he was already over the fence. I never saw him while I was running. I heard officers shoot about 4 shots then I did a quick glance at the gun. I was on the north side of [REDACTED] Arcade and the officer was on the west side of [REDACTED] Arcade when he fired through the fence. The officer was firing in a north direction through the fence and I saw the gun on the ground on the other side([REDACTED] Arcade) of the fence.

Four shots were fired and then I looked and saw the gun on the floor and I did not see anybody there.

***I placed a square around the gun and circle around Jayrold and a triangle around the officers location according to Jayrold.

Then after that I was in handcuffs in the back of a police car. The officer told me to freeze because I was in the wrong because I ran. The officer who shot the gun put me in handcuffs. Another officer from the East side of [REDACTED] Arcade is the one who told me to freeze. My hands were up in the air when he told me to freeze.

My gold Honda accord was parked near [REDACTED] Arcade. I believe that [REDACTED] has my keys.

I never saw the police. Someone just said run and the next thing you know I saw cops shoot to my left and a cop in front of me that is all I really saw.

I don't smoke or do drugs. I was just drinking alcohol.

****I asked Jayrold if he knew anything about gangs.

From where I am at in Marin county there are no Asian gangs. There are only Mexican gangs nortenos and surenos that is it.

I have never been in handcuffs before. I have shot guns before at a shooting range. I rented out a Glock 18 I believe it was a 9MM. I just went to the shooting range once and it was in SanRafael. I have held guns before but I don't like to. I don't like to play with guns.

****I asked Jayrold if he had held a gun within the last 24 hours.***

No.

****I asked Jayrold if he had seen a gun in the last 24 hours(other than the weapon held by Alex Phonhlamuongdy).***

No.

****I asked Jayrold if he fingerprints were going to be found on any of the guns located by officers that night.***

Related date/time: **Aug-03-2013 (Sat.) 711**

NOTIFICATION:

On Friday, 8-2-13, at approximately 1157 hours, while on-call as the Homicide Team supervisor, I (Sgt. R. Chan #3040, unit #IVY 30) was notified by SPD Dispatch via telephone of an Officer Involved Shooting near the intersection of Arcade Boulevard and Colfax Streets. I was informed that the Street Gang Enforcement Team was involved in a non fatal shooting of a suspect, and that the suspect had been injured and had been transported to the UC Davis Medical Center for treatment. I advised the Communications Center to contact Det. Mark Johnson who would make the rest of the Homicide Team notifications. I also contacted Major Crimes Investigations Lieutenant J. Eklund and requested additional personnel to assist with the OIS investigation. I, along with Homicide Sergeant Stigerts, Detectives Johnson (IVY173), Trimpey (IV106), Shrum (IVY160), Jasperson (IVY180), Toel (IVY113), Saario (GNG17), [REDACTED] Englefield (GNG24) and Vang (GNG18) responded to the scene as part of the OIS investigations team.

ARRIVAL AND SCENE:

At approximately 0100 hours, I arrived on scene and checked in with the scene recorder, Patrol Officer M. Fetch #0273. The following patrol personnel were on scene upon my arrival: Watch Commander, Lt. Wendy Brown and North Gang Enforcement Sergeant M. Lange #3067, as well as numerous other patrol personnel. The crime scene was secured by patrol personnel with police barricade tape. When the investigative team, SPOA representatives and attorneys, OPSA, as well as management staff and CSI staff were assembled, an incident briefing was conducted by Sergeant Lange at 0125 hours regarding the circumstances of the OIS known to him at that time. Sergeant Lange informed us that there was no vehicle ICC for the incident. Sergeant Lange also advised that patrol officers had conducted a neighborhood canvass of the area for witnesses and for possible video. Per Lange, the residences canvassed included units [REDACTED], and [REDACTED] of Arcade Boulevard. He stated that no video surveillance was located and the canvass for witnesses from adjoining residences was negative.

During the scene briefing, Sgt. Lange advised that at approximately 2310 hours, he was working street gang suppression in a unmarked Crown Victoria police car as Unit GNG70 along with Ofc. Ethan Hanson #0466. Also with him were Officers Josh Kirtlan #0645 and Ray Villegas #0618 in another slick top black and white police car. Sgt. Lange stated that the four officers rolled up in front of [REDACTED] Arcade in the North Sacramento area which had been the location of several recent gang related incidents and was a known hangout for the [REDACTED] street gang. When the two police cars rolled up, there was a large group of individuals in front of the building. As the officers arrived, four to five subjects fled on foot in a westerly direction behind buildings. Sgt. Lange relayed that he and Hanson ran south around the building while Officers Kirtlan and Villegas ran north. At some point, Ofc. Hanson began chasing two subjects and was joined by Ofc. Kirtlan. Ofc. Kirtlan

observed a Male Asian subject (identified as Alex Phonhlamoungdy 4/4/96) toss a pistol grip shotgun over a chain link fence to the north. The subject then jumped over the fence and attempted to retrieve the shotgun. Fearing for his safety, Officer Kirtlan discharged his weapon multiple times and struck the subject in the leg. Sgt. Lange stated that Ofc. Kirtlan fired in a northward direction from the area behind [REDACTED] Arcade to the area behind [REDACTED] Arcade. The subject who was shot continued to flee north until Ofc. Hanson apprehended him without further incident at the rear of [REDACTED] Arcade. Ofc. Kirtlan also apprehended an additional subject who had been running (identified as Jayrod Vecina 6/2/92). Sgt. Lange advised that there were five male adult witnesses who had been barbecuing in the rear alley when the shooting occurred. These witnesses were standing by at the scene for interviews with detectives. Sgt. Lange also advised that he and Ofc. Villegas did not witness the officer involved shooting, but that Ofc. Hanson was a percipient witness. Lange stated that a search of the rear alley area also discovered five additional firearms that had been either hidden or dumped by unknown persons. Evidence such as shell casings and weapons located were left at the scene and the investigation was turned over to the detective team.

After the scene briefing, I requested that Sgt. Stigerts, Detectives Johnson and Trimpey handle the scene processing with CSI. I assigned Det. Shrum as the case/lead detective and assigned Det. Jasperson to assist him. I also directed Detectives Vang and Englefield to conduct a re-canvass of the area for video and witnesses. Detective Vang and Englefield were to respond to the hospital for follow up with the injured suspect after the canvass. (See Det. Englefield and Vang supplements for specific details.) Detectives Toel, [REDACTED] and Saario were assigned to respond to HOJ to coordinate civilian witness interviews. (See respective detective supplements for details.)

At 0140 hours, Detective Bailey, who was working a uniformed assignment, handed me a SPD video tape made of the uncooperative crowd which had gathered after the OIS. I secured the tape and later turned it over to Detective Shrum at HOJ for processing/booking as evidence.

DEPARTURE:

At 0150 hours, after coordinating assignments and assigning detectives, I handed the scene over to Sgt. Stigerts for the walk through and evidence processing and I responded to HOJ to monitor interviews.

- * Officer's Name: Joshua Kirtlan
- * Badge Number: 0654
- * Hired Date: 2/16/1998
- * Height: 6'2
- * Weight: 225 lbs.
- * Injuries: None noted: CSI obtained photographs of the involved officer and his clothing/gear/attire after the shooting.

- * Name: Alex Phonhlamoungdy
- * Sex: Male
- * Ethnicity: Asian
- * DOB: 4/4/1996
- * Height: 5'4
- * Weight: 124 lbs.
- * Numbers: [REDACTED]

* [REDACTED]
* [REDACTED]
* [REDACTED]

- * Injuries: Suspect sustained one single gun shot wound to the lower left leg.

WEAPONS INVOLVED:

Suspect Phonhlamoungdy was armed with a Remington Wingmaster .20 gauge, pump action pistol grip sawed off shotgun loaded with four live .20 ga. rounds. The shotgun was initially recovered at the scene by Sgt. Lange after the OIS and secured in the trunk of his police vehicle. It was obtained from Sgt. Lange at the scene and booked by CSI (see PR #792052-32).

Officer Kirtlan was armed with a Department Issued Sig Sauer P226 .40 caliber, blued steel, semi-automatic 12+1 shot pistol with serial number # [REDACTED]. The pistol had an attached tactical weapon light. It was fully loaded just prior to the shooting with one round in the chamber and another twelve rounds in an attached magazine. The rounds consisted of .40 caliber Winchester Ranger brand semi-jacketed hollow point ammunition.

In addition to the ammunition in the pistol that Officer Kirtlan was armed with, he had two more fully loaded 12 round magazines secured in a double ammo pouch attached to his Sam Browne duty belt at the time of the shooting. Neither of these additional magazines were accessed by Ofc. Kirtlan. Officer Kirtlan's weapon was carried in a duty holster affixed to the left side of his duty belt. Officer Kirtlan stated that he was not carrying a backup weapon on his person at the time of the shooting.

Through the course of the investigation, it was determined that Officer Kirtlan fired seven (7) rounds at the suspect in a northerly direction from a distance of approximately 9-13 feet (distance based on measurements and Officer Kirtlan's estimate). The shooting background consisted of an open driveway/parking area with parked vehicles. The background was void of other persons at the time of the shooting. I secured Officer Kirtlan's duty weapon from him at 0345 hours after I conducted a weapons inspection prior to his interview at SPD Hall of Justice (HOJ) and directed Det. Shrum to book the weapon and attached magazine/rounds as evidence. (See PR#792237 items 1-3). I also directed CSI to take overall photos of Officer Kirtlan and his attire prior to his interview.

As a replacement for his booked duty weapon, I issued Officer Kirtlan the following pistol: Sig Sauer, .40 caliber (12+1) shot, blued steel semi automatic handgun, with TAC-light, serial number # [REDACTED]. I emailed Department Armorer Jim Primrose with the change in weapon for Ofc. Kirtlan for tracking purposes.

WEAPONS INSPECTION OF UNINVOLVED OFFICERS:

At approximately 0320 hours, I contacted Sergeant M. Lange and Officer R. Villegas at the weapons cleaning area of HOJ. I then conducted a weapons inspection of both of their weapons. Both Sergeant Lange and Officer Villegas were at the scene of the OIS at the time of the shooting, however, neither officer witnessed the incident and both officers stated that they did not discharge their weapons. An inspection of their weapons revealed that both Lang and Villegas' duty weapons were fully loaded and their additional magazines were fully loaded as well, showing no evidence that either weapon had been recently fired.

At approximately 0345 hours, I directed Det. Jasperson to conduct a weapons inspection of witness Officer Ethan Hanson prior to his interview. Det. Jasperson's inspection revealed that Officer Hanson did not recently discharge his weapon. CSI was directed to take overall photos of Officer Hanson and his attire prior to the interview by Det. Jasperson (See Det. Jasperson's supplement for specific details). Officer Hanson did not incur any injuries during the OIS incident.

DETECTIVE FOLLOW-UP:

At 0410 hours, I directed Detective Englefield and Detective Vang to respond out to Suspect Alex Phonhlamoungdy's address of record for a follow up [REDACTED] search. They responded along with patrol units to [REDACTED] in the county of Sacramento and contacted Suspect Phonhlamoungdy's mother. A [REDACTED] search was conducted with negative results. (See Det. Englefield's supplement for details.)

At 0730, I notified the Sacramento County District Attorney's Office-Special Investigations Unit Supervisor Michael Blazina via telephone and left him a message notifying him of this Officer Involved Shooting (OIS). I later spoke with Mr. Blazina via telephone and advised him of the circumstances regarding the shooting known to me at this time.

COMMUNICATIONS:

On Wednesday, 8/7/13, at 1034 hours, I sent a Dispatch Activity Request (DAR)-SPD form 878 to the Communications Center, requesting copies/audio of radio call #13-206821 and any associated or related connect-up calls to the incident. These items were later delivered to Det. Shrum and booked by him as evidence. (See Det. Shrum supplement for details).

At approx. 0330 hours myself and Det.Vang went to the UCD Med center to attempt to interview the suspect. I read Phonhlamoungdy his rights under Miranda. To each question Phonhlamoungdy stated that he understood his rights. Initially Phonhlamoungdy told me that he did not want to talk to me. As we were leaving the room he then stated that he wanted to ask me question. I asked him if he wanted to talk with me. Phonhlamoungdy began talking to me and asking me questions. I obtained a statement from Phonhlamoungdy at that time.

At approx. 0430, myself and Det. Vang, along with officers Masee and Stewart conducted a [REDACTED] search at [REDACTED]. This location is the home of record for Phonhlamoungdy, as noted on his Sacramento County KPF. Det. Vang spoke with the Phonhlamoungdy's mother, and her boyfriend. I was advised that Phonhlamoungdy did not live in the residence any longer, and had been living with his father in an unknown location in the north area. All that was left of Phonhlamoungdy's property was located in the closet adjacent to the front door. I searched this closet for evidence of a firearm and gang indicia. None was located. Masse and Stewart conducted a search in the common areas of the residence with negative results. We left the location at approx. 0500 hours.

On 8/2/2013 at 2310 hrs, Ofc Kirtlan #645 and I were assisting (Gang70) Sgt Lange #3067 and Ofc Hanson #466 in checking the area of ■ Arcade Bl for Asian gang activity. We were dressed in clearly marked Police vests and driving a marked Police vehicle.

Our vehicle was positioned behind (Gang70) as we approached the area. As we pulled into the area, we noticed several people sitting and standing in front of ■ Arcade Bl. Once we neared the address, several of the subjects started running south and west of the building. Ofc Kirtlan was positioned in the front passenger seat on our approach and exited as we came to a stop. Kirtlan started running towards ■ Arcade, a south west direction. Our vehicle came to a stop near the front of ■ Arcade. I got out, locked the doors, and started towards the area that my partner, Ofc Kirtlan was running to.

As I rounded the back of my vehicle and started towards Ofc Kirtlan, I heard someone advise by either the Police radio, or voice, that the subjects were running north. I also heard metal hitting the ground and observed someone going over the fence between ■ Arcade Bl and ■ Arcade Bl. The metal hitting the ground made me think that it was some sort of shotgun by the way it clanked against the ground. I couldn't tell who was going over the fence, but believed that it was one of the subjects we were chasing. Initially, I set up to intercept the subject jumping the fence from running east from the south side of ■ Arcade Bl. I diverted my focus north thinking he was going to keep running north along the west side of ■ Arcade Bl.

As I started to turn and run to the north side of ■ Arcade to intercept the subject, I heard about 5-6 shots fired. At this point I wasn't sure who fired the rounds and continued running towards the north west corner of ■ Arcade Bl. I advised dispatch that there were shots fired at our location. Ofc Hansen arrived to the area between ■ Arcade and ■ Arcade. This is the area that I believed the subject was hiding. We heard Ofc Kirtlan advise over the radio that he fired shots at a subject that was attempting to pick up a shotgun from the ground. As we were searching the area near the north east corner of ■ Arcade Bl, I observed a male Asian subject walking north along the west side of ■ Arcade Bl. I advised him to put his hands up loudly. Ofc Hanson could hear me yelling at the subject and came to assist. I advised the subject to prone himself on the ground between the building and a parked vehicle. As we approached, I advised Ofc Hanson to stay on lethal cover. I holstered my gun to administer handcuffs. I placed him in handcuffs while he was in the prone position. I observed blood on the subjects left pant leg. He made a spontaneous statement of, "You guys shot me in the leg".

After he was handcuffed, I advised Ofc Hanson that we needed maintain cover in the immediate area because of other possible armed subjects. I advised via radio that we had a subject in custody and that he has a gun shot wound to his leg. Once an additional officer arrived to assist, Ofc Hanson and I cleared the remainder of the area of where we took the subject into custody.

Observations: Sgt Lange #3067

On 8-2-13, I was on duty and assigned as the supervisor the gang enforcement team. The mission of this team is to target gang members in an effort to reduce gun and gang violence in the City of Sacramento. I was working with Officer Ethan Hanson # 0466 and we were driving an unmarked dark blue Ford Crown Victoria that is equipped with a red lights, a siren and spot lights. We were wearing fully marked police tactical vests with the words "POLICE" clearly written on the front and back.

Over the past week, there have been at least (3) separate shootings involving [REDACTED] gang members in the North Area of the City of Sacramento. I am familiar with this gang set and know many of the members and their typical hangouts. I specifically know that the area near Eleanor/Arcade is a location where [REDACTED] gang members often gather.

At appx 2310 hrs, Ofc Hanson, Ofc Villegas # 0618 and Ofc Kirtlan #618 responded to the area. Ofc Villegas and Ofc Kirtlan were driving a marked SPD patrol vehicle and also wearing police tactical vests. We both approached the area from north on Arcade Blvd. Ofc Hanson and I were in the lead car with Ofc Villegas and Ofc Kirtlan following in their vehicle.

Follow Up Report # SA 2

As we approached the area, I observed a large group of approx. 30 subjects in front of the apartment building at █ Arcade Blvd. These subjects were both male and female and mainly of Asian decent. Some of the subjects were in the front yards, while other were on the sidewalk and in the street in front of the location.

As we got within appx 50-75 feet of the location, we could immediately hear people from the group yelling "Cops, Cops Cops." Immediately we observed 4-5 subjects start to flee the location. I observed (2) subjects run around the south side █ Arcade Blvd and begin heading westbound (W/B) towards the rear of the building and rear parking lot. Ofc Hanson and I began chasing both these subjects. I was unable to obtain a good description of them, other than they were male Asian's, late teens to early 20's and wearing dark clothing.

At the same time 2-3 other subjects fled northbound (N/B) from █ Arcade Blvd. Ofc Kirtlan and Ofc Villegas began chasing these subjects. I did not see where they went after they ran N/B. I was actively watching and chasing the (2) subjects that ran behind █ Arcade.

Officer Hanson was appx 20 yards in front of me. As the (2) we were chasing reached the rear parking lot, they split up. One of them turned N/B and ran through the rear parking lot. The other subject turned S/B and climbed the rear wooden fence that led to an open field. The rear parking lot was fairly dark and did not allow for good visibility. As the subjects were running, I heard sounds of heavy items being tossed and impacting the ground or other objects. Due to the darkness, I did not see any of the subjects with weapons, but based on my training and experience I suspected they were possibly discarding firearms or other weapons. Neither of these subjects were located or identified.

Just as Ofc Hanson turned N/B out of my sight and the subject that I was chasing climbed over the fence, I heard 4-6 shots. I could tell the shots were coming from the north in the direction that Ofc Kirtlan and Ofc Villegas were at.

I immediately discontinued my pursuit of the subject that fled over the fence and went to the area of the shots to check on the other Officers. I heard Ofc Kirtlan advise that he had fired shots and the suspect was continuing to flee N/B. I then observed and heard Ofc Villegas and Ofc Hanson attempting to locate the subject.

I located Ofc Kirtlan to the rear █ Arcade Blvd. He advised me that the suspect (later id'd as Alex Phonhlamoungdy) had tossed a shotgun in the side yard of █ Arcade Blvd. I observed a pistol gripped shotgun lying in the rear driveway of the location. Ofc Kirtlan also had a subject detained in handcuffs (later id'd as Jayrod Vecina) that was with S- Phonhlamoungdy. After determining that Ofc Kirtlan was not injured and was stable, I retrieved the shotgun from the driveway at █ Arcade Blvd. I returned to our patrol vehicles and secured the shotgun in the trunk of the marked patrol vehicle. The shotgun was later determined to be loaded with (4) live rounds and to be listed as a stolen firearm.

At this point Ofc Villegas and Ofc Hanson were still actively chasing and searching from S-Phonhlamoungdy who (despite being shot in the calf) was still fleeing N/B.

Follow Up Report # SA 2

While at the patrol vehicles, the crowd that was in front of [REDACTED] Arcade Blvd became hostile towards our presence. Numerous subjects approached our vehicles and began advancing on me. At gun point, I began giving verbal orders for the subjects to stay back. Using my vehicle as a barrier, I kept ordering the subjects to stay back. At least 2-3 subjects began pounding on the hood and roof area of the vehicle, wanting to know why we had shot someone. Specifically, one subject wearing a yellow T-Shirt (later id'd as [REDACTED]) was the most hostile. At one point he attempted to climb over the trunk of the vehicle to get me. A subject from the crowd grabbed him and had to restrain him from charging me. I requested emergency back-up (Code 3 Cover) and additional units began arriving in the area.

While additional Officers were arriving, Ofc Hanson and Ofc Villegas advised they had located and detained S-Phonhlamoungdy in the rear of [REDACTED] Arcade. They determined that he had sustained a gunshot wound to the calf. Fire was requested to respond. Medic 20 transported him to UCD Med Center.

A records check of S-[REDACTED] showed him to be a validated [REDACTED] gang member with prior arrests for felony assault and gang related offenses. He was also found to have a felony no bail warrant.

As Officers arrived on scene, I directed them to assist in dealing with the large hostile crowd and to establish a crime scene. Officers were able to detain the group in front of [REDACTED] Arcade by forming a semi skirmish line.

At the scene where the shooting occurred and were Ofc Kirtlan had S-Vecina detained, there were (5) subjects who were sitting in lawn chairs. They appeared to be having a BBQ and drinking alcohol. These subjects were cooperative and contacted by Officers who had arrived to assist.

I then directed Officers to begin re-tracing the path of the subjects that ran in an attempt to locate the items that I heard being discarded. In total, Officers located (5) additional firearms in the yards of [REDACTED] Arcade and [REDACTED] Arcade. Officers also located a hat and a holster in the bushes to the rear of [REDACTED] Arcade. This was the exact location where the subject that I was initially chasing had fled over the fence at.

After a period of time, the hostile crowd in front of [REDACTED] Arcade began to calm down. Officers were then able to identify them, obtain their statements and escort them from the area.

Lt Brown arrived and I briefed her on the circumstances of the call. I ensured a crime scene had been established that covered the shooting scene, the location where the suspect was apprehended and the locations where the firearms had been discovered. With the assistance of other Sergeants, we ensured a neighborhood canvass was conducted for additional witness and possible video surveillance.

Homicide Investigators responded to handle the investigation. At appx 0125 hrs, I briefed the investigative team of the circumstances known to me at the time. At appx 0146 hrs, I conducted a walk-through with the investigative team to show them where the scene and evidence was located.

After conferring with homicide Sergeant Stigerts, we issued S-[REDACTED] and 849b form and released him. He was the subject that was hostile and had to be restrained by the crowd. He was initially intoxicated, but had become more sober and cooperative while detained. He was released at appx 0234 hrs.

INVESTIGATIVE SUPPLEMENT WITNESS INTERVIEW

On 8-3-13, I, Detective Bill Toel #276, (IV113) was one of several Sacramento Police Department Detectives assigned this case, 13-206821. I have been employed by the Sacramento Police Department (SPD) as a Police Officer since March of 1997. I have been assigned to the Office of Investigations as a Detective since January of 2005. I have been assigned to the Major Crimes Division, Felony Assaults Unit since September of 2012. Currently my primary duties are to investigate Officer involved shootings, in-custody deaths and crimes, including but not limited to, financial crimes, burglaries, thefts, robberies, kidnappings, assaults and homicides.

At approximately 0137 hours, I contacted (W) [REDACTED], in SPD Interview Room #1 located at the SPD Hall of Justice (HoJ) on Freeport Boulevard. (W) [REDACTED] had been identified to me as a person who had witnessed the Officer Involved Shooting, currently being documented. At the direction of SPD Homicide Sergeant Rudy Chan #3040, IV130, I transported (W) [REDACTED] and an additional witness, (W) [REDACTED], from the scene in North Sacramento to the SPD HoJ in my City of Sacramento issued unmarked Police car. Both witnesses had voluntarily been transported to the Freeport facility. It should be noted that both (W) [REDACTED] and (W) [REDACTED] stated they were intoxicated and appeared to me to be intoxicated.

(W) [REDACTED] stated the following in summary. Both the audio and video of the interview were digitally recorded:

"Here's what happened. We're drinking beers, alright? Um, I went to the bathroom. It's upstairs. [REDACTED] lives upstairs in the first apartment. I come back down. I grabbed a beer, went and sat back down. We're all bullshitting and the music is playing loud. And then all of a sudden, I head pop, pop, pop! I mean there's like fuckin' ten guys sittin' over here. And then the next thing, all of a sudden is pop, pop, pop. All I seen was fire. That's it! And then all of a sudden all of the Cops come. That's all I seen! I mean, I never seen nothin' else. If I did, I would fuckin' tell you. I mean that fuckin' neighborhood is off the hook."

"All I seen was that fucking Cop, pop, pop, pop! Whatever he was drawing down on, I don't know. I couldn't see. All I see was flashes, lights. Pop, pop, pop. That's it."

"After the Cop fired his gun he yelled, "Get down!" at us. I was in a chair. I couldn't get down and I'm not diving down. Not for anybody. Fuck it! Shoot me! I'm not diving down, getting my white shirt fuckin' dirty. All of a sudden, there was 30 Cops?.40 Cops. Then we got rushed off. I know my rights."

I put a notebook on the table between (W) [REDACTED] and me and asked questions about what physical objects like fences were where and where he was, etc. Please see copy of note attached to this report and booked as evidence.

Please keep in mind due to the level of (W) [REDACTED] intoxication it proved problematic asking (W) [REDACTED] questions and expecting clear answers. It was difficult keeping him focused.

"I did not hear the Cop say anything. I heard nothing. I did not see anyone. Nobody jumped the fence. All I seen was?Pop, pop, pop, pop. He was in a uniform. He was a uniformed Cop. That's really all I seen. I want to say he shot 5 times. I'm talking pop, pop, pop, pop ((W) [REDACTED] indicated a rapid firing motion with his hands.) He was unloading, trying to get him. Whatever he was trying to get. I'm no Rat, man. I'm no Rat and I don't give a fuck about the guy he was after."

At approximately 0153 hours, I concluded the interview.

(W) [REDACTED] was provided with a fast-food dinner on the way to the Hoj before the interview and transportation back to Arcade Boulevard via cab after the interview.

I asked (W) [REDACTED] if he saw the Officer shoot. He stated,

"No, I just heard him. I just heard the gunshots, boom, boom, boom, boom. Oh, shit. I froze up, dropped the beer and everything. I was going to pick it up but I was afraid to. I was thinking I just want my beer. Four or five shots, something like that. I didn't hear the Officer say anything. Like, it happened heck-a-fast. I seen like, the flashlights, and hear like the footsteps. We were in the back and there's no light back there. We tried to have a little light. But not so much. I don't know who, I mean, or what color, whoever jumped the fence but probably Asian because a lot of Asian people there. Somebody jumped the fence, I remember that. And after they jumped the fence, I don't know, they had something? And then boom, boom, boom, boom. That scared the shit out of me."

The statement was audio/video recorded and later booked into evidence at SPD Headquarters. For complete transcripts refer to booked CD. I obtained the following statement in summary:

I just moved into [REDACTED] Arcade Blvd # [REDACTED] day before yesterday. I moved in with a roommate, [REDACTED] [REDACTED]). [REDACTED] is the maintenance worker for the apartments. I decided to have a bar-be-cue to celebrate my new place. It was me, [REDACTED], [REDACTED], [REDACTED]'s uncle, and one of [REDACTED]'s friends.

We were bar-be-cueing in the back yard of my apartment ([REDACTED] Arcade Blvd.). I do not know exactly what time we started bar-be-cueing but I know it was dark. I have had three beers when this happened. When the shooting happened I felt a little drunk but right now I feel fine.

When this happened I did not know any of the people in the front of the building. They were all younger than I am. When we were in the back yard I saw the guy running. I looked at him and saw him throw something over the fence. Then I saw him jump over the fence. Then I saw somebody really fast. I did not know who it was. I then heard the sound of the gun. As soon as I heard the shot I got on the ground as fast as I could. I did not want to look at that point. Someone was shining their flashlight on me and telling us to stay. I put my hands in the air and that was it.

I did not get a good look at the person who ran in the back and threw something over the fence. When he threw the thing over it sounded like it was metal. I saw the motion of him throwing something and heard something metal hit the ground. I did not actually see what it was that he threw. As soon as he threw the thing over the fence, he jumped the fence.

The guy who threw the item over the fence and jump over was a male. He looked Asian. I do not know how old he was. He was maybe 21-25 years old. He was a little taller than me (5'3") and had more meat than me but not heavy. I do not remember what he was wearing. It was dark colored.

*** I had [REDACTED] review an aerial photograph of [REDACTED] Arcade Bl. and the surrounding neighborhood. ***

We were sitting right here (marked with multiple dots along the west fence line of the back yard). The guy that ran and threw the item ran this way (marked with an arrow just east of where [REDACTED] marked they were sitting). The shots happened right in front of us. I do not think it was an officer shoot. I do not remember hearing or seeing an officer. I did not see any shots being fired. It just happened too fast. I could not identify anyone if I saw them again.

Document: **02 WITNESS STATEMENT**

Author: **916 - SHRUM, THOMAS 0362**

Subject: **(WITNESS #25) KIRTLAN, JOSH 0**

Related date/time: **Aug-03-2013 (Sat.) 353**

On 8/3/2013, at approximately 0353 hours, I, Det. T. Shrum #362 interviewed Officer Josh Kirtlan in interview room 3 at police headquarters. He was accompanied by attorney Chris Miller and attorney Ace Tate. I explained that I would be low key and he would just tell his story. I asked him to start with a history of himself and how he ended up where he was at tonight. Kirtlan stated the following in summary:

I've been on since February of 1998 so 15 years. 15 and one half years with academy time at Sac PD. I'm currently assigned to the SWAT team. I wasn't working as a SWAT officer. I was working as a TAC car, gang suppression due to recent shootings up north. We weren't really working specific information up until this point. Sgt. Lange and his partner Ethan Hanson sent us a message on the computer saying, hey, let's roll into this area and see if we come across any [REDACTED] which I have learned means [REDACTED]. [REDACTED], that's what it is.

I was in Sac PD tactical gear. It's easily identifiable as a police officer. Police is written on the front in bright yellow lettering and written on the back the same. It's even bigger across the back. I've worn this type of uniform for about the last 10 years. There's never been a problem with anyone recognizing me as a police officer.

We rolled down Arcade. I'm the passenger in our car. Detective Villegas is driving. We're behind Sgt. Lange and Ethan Hanson. Ethan Hanson is the passenger in their vehicle. They're ahead of us. They pull up to this complex where there are multiple people out front. We pull up. I see Ethan get out of his car quickly, open up the passenger side door, and take off running. I look over and I see a bunch of people dispersing. Once I see Ethan running, we stop. I get out. I take off running to protect or provide backup for him, officer safety.

He goes around the side of a building. I cut through two buildings and when I get to the back of a building, the buildings that I'm running through, I see two Asians running to my right westbound, northwest. So I see them running. I go through a little garden. I jump over a fence. I give chase after them. I see one of the guys go up and over a fence and I hear something loud hit the ground on the other side of the fence. It draws my attention. I see a shotgun. I instantly recognize it's a shotgun. It's pretty well lit. The guy then jumps over the fence, lands, reaches over, grabs the shotgun. I pull out (drawing motion) and start shooting at him. He takes off running.

The second guy that was with him stopped. He didn't get over the fence. I grab onto him, shove him into the fence. I made sure he doesn't have any weapons on him and cuffed him up.

I see other people to my left sitting along the fence. I yell at them to get their hands up. I don't know if they're involved or not. I put it out on the radio, shots fired, and then I'm stuck there. I don't go over the fence. I'm stuck there with him and then that's it.

I ask for clarification on the arrival and whether there was anything that made him think these guys were [REDACTED].

I had no idea. When Ethan is running after them I don't know what crime has already occurred.

Break in interview.

I asked Kirtlan for clarification on the number of rounds that he carried in his handgun and magazine.
The magazine was full. To my best knowledge I always carry a fully loaded gun with the magazine loaded to capacity.

I asked Kirtlan for clarification on the information that he was working with and he clarified that it was another officer's information they were working off of. I asked how that type of information came into play.

Based on my training and experience that's a very high crime area. I see people dispersing. I see Ethan running. I'm thinking he's chasing somebody. We have flight in a high crime area. He's running. I better start running to protect and backup, or to give him backup, give him officer assistance and see what's going on at that point.

I don't recall hearing him saying anything.

I went a different way purposely. To cut off the suspects if that's what [Hanson] was indeed doing. I was so far behind him that it really would have served no purpose in trying to, cut them off at the pass.

I provide a map of the area pointing out [REDACTED] Arcade where the group was known to have been contacted.

Our car was somewhere in this area (northern car drawn). Lange's is somewhere in that area (southern car drawn). I exit the passenger side here (northern car) run through here (yard between [REDACTED] and [REDACTED] Arcade) to the best I can tell based upon this. Ethan ran here (southern car through [REDACTED] Arcade along the south property line. I get here (rear yard of [REDACTED] Arcade on the south side) and there's 2 guys running here (rear alley/parking area going from the rear of [REDACTED] Arcade past the rear of [REDACTED] Arcade.)

I enter a little garden (rear yard of [REDACTED] Arcade prior to the alley/parking area). I jump over the fence. By the time they had gotten over the fence, they were quite a ways ahead of me.

The guy went over the fence right in this area (indicated by a circle at the clear portion of the fence).

I hear it [shotgun] first. I'm focused on him. I hear a clank hit the ground. That draws my attention there. A shotgun, a sawed-off shotgun and shortly thereafter he jumps off the fence, lands on his feet, but crouched down. He lunges over (**makes a movement rotating his upper body to the left) puts both hands on the shotgun. The shotgun was 4 or 5 feet from the fence.

At that point I'm thinking he's grabbing it to shoot me or shoot one of my partners. I'm thinking if I don't shoot him, he's gonna shoot me. I draw my weapon and fire on him.

It had no effect. He took off running. Once he boogied through here (north into the rear of [REDACTED] Arcade) there's an opening in here and I lost sight of him. The other guy that was running with him had stopped to my right. I don't know if the gunshots startled him or what but he stopped. He didn't continue running so I was able to grab onto him and detain him while other guys went around looking for this guy (**indicating the subject who fled north**).

I was stuck. There was some guys sitting back here (indicated to the rear of [REDACTED] Arcade with 3 X marks) along this fence. I grabbed this guy, shoved him into the fence, and patted him down real quick. I told these guys (indicated guys at the rear fence) get your hands up. They were like, we're not involved. I'm like, okay keep your hands up. I don't know what's going on with those guys. I detain him (indicates second subject that ran), cuff him, put some stuff out on the radio and then, I never jumped the fence. I stayed put. A bunch of people that heard the gunshots started coming down that alleyway and I started yelling at them, get back, get back.

Eventually some patrol officers come down. I tell them, hold onto these guys (indicated witnesses at the back fence). They are witnesses and I need a cage car for this guy (indicated second subject who ran). Me and another guy, I don't know which patrolman, walk him (indicated second guy) back to our car. We put him in the passenger seat and at that point I didn't do anything. I was directed to do nothing else.

I have no idea where Det. Villegas or Sgt. Lange were when I shot.

Break in interview

I asked to go to the beginning and asked if Kirtlan had done this type of targeted enforcement with Sgt. Lange and his team before.

We've assisted them in the past. Not in this capacity, tonight. I did do, Detective Villegas and I worked this same kind of a car 3 or 4 weeks ago, same areas and whatnot. Sgt. Lange wasn't working that night but in my SWAT capacity during the day, he might call and say can you help us with this or that but as far as being out late at night with him, no.

I made a reference to the MDC message regarding [REDACTED].

Did I also mention that he then called me on the phone? And said, hey, let's go in this area, and asked us to go in one way. He was going to come in another way. I misunderstood his directions and we ended up going in the same way. He was waiting around the corner.

You have eyeballs coming in from different directions. We ended up being behind them so we didn't have the view that they had but if we had come straight down, I think it's Eleanor, we would have had a better view directly at that apartment. We'd be trying to see any kind of criminal activity. If they were involved in criminal

activity I'd expect to see a multitude of things. It could be running, fleeing into apartments. It could be anything.

Initially I could just see a large group of people and a lot of people scurrying, moving from where they were so initially I could not see him chasing people on that side of the building.

Typically if somebody takes off running, they're chasing people. I wouldn't pull up to a circumstance like this tonight and get out of the car and start running for no reason. I'm going to get out. If people run then I'm going to run after them.

Ethan just took off running. I hadn't worked around Ethan at all, if ever. I've talked to him briefly here and there so I don't know him. He got out and he took off running. Other than that, I don't know what kind of an athlete he is or how fast or slow he is. In my eyes, he was booking after somebody and that's how I felt.

There's no crime that I know of other than him chasing somebody. I don't know what he saw. I couldn't tell you but I'm not going to leave him hanging. If he is in fact chasing somebody, I'm going to do my best to either offer him the best assistance I can. In this instance I made a bee-line through the building in order to possibly head off somebody that he was chasing.

That [jumping the garden fence] was the first time I saw them. I wasn't quite to the fence yet. I was getting through this little garden that was there and I didn't measure how deep. From the fence that I jumped over here, which wasn't a very big fence and to the fence that was to the back of that property, I would say they were maybe half-way between the fence I jumped and the fence that they were, the back fence of that property.

I'm running this way (motions straight), they're running this way (motions perpendicular) as I'm getting through that garden. So I see them going this way. I turn the best I can, jump that fence, and now they're past me and now I change direction to my right and run directly after them.

Once I saw them, what I recall is I said, "I'm gonna get you", and that's all I recall saying and I don't know if those were the exact words. That's just what I recall from memory. I said, "I'm gonna get you." And that was it. I don't recall hearing Ethan saying anything.

I asked how far away Kirtlan was from the guy who went over the fence at the time he went over the fence.

I didn't pace it. I didn't do any of that. I'm 15 feet from him, maybe more. It's hard for me to say.

I see him up on the fence and then (knocks the table in a falling motion) and then I heard the loud noise on the ground which was a shotgun hitting the ground on the other side. I was continuing toward him.

The other guy is to his right. The one guy hit the fence. The other guy took off to the right, around the corner of the building towards the front.

The gun is a few feet beyond the fence. It didn't just drop straight down. It was out a ways, 4 or 5 feet I want to say. It was a distance, a little bit of a distance from the fence. I can't describe how he got over the fence. I can describe how he landed. As I recall he landed on his feet but down. He didn't land just standing up. He landed like he was in a squat position. He's close. He lands in a squat. He's able just to reach over (Kirtlan rotates his upper body to his left), put both hands on the shotgun.

I had Officer Kirtlan demonstrate his jump using the side east wall as the fence and a pen as the shotgun and have him demonstrate the suspect's actions. Kirtlan places the pen approximately 4' from the wall and moves it to his left.

So he up, over the fence. That's the last time I see him. I'm focusing down here (pointing at pen). He comes down. He goes down, lands like this (squatting) so again, when I first saw him, he was down like this (squat with shoulders forward over the toes, head up, and hands dangling near the ground) so I don't know if he, I recall my, I'm trained on that weapon, on that gun. I see him crouched down like this. He reaches over (rotates upper body left), both hands on the gun. Both hands were on it for sure but I don't remember if he grabbed the butt end of it. Both hands on it and that's when I started shooting.

I asked Kirtlan what he was thinking at the exact time the person's hands were on the gun.

Eminent death. Based on my training and experience, you can grab a gun and turn on somebody in a split second and shoot. I'm thinking, this guy's got a gun and is going to shoot me. He's already running and in my mind, he knows he's running from the police and he goes, grabs the gun. I'm thinking he gonna take that out on me, and or somebody else that's giving chase. I knew Ethan was around. I knew Lange and Villegas weren't going to be sitting in the car. They're going to be out and about too so I'm thinking he's going to shoot me or shoot someone else.

I asked about any indication that he was giving up.

Absolutely not. No. He was not giving up.

As I continue to fire what's going through my head is protect my safety. It did not have the effect I thought because he got up and scampered off. I saw him, where the gun was was pretty well lit. Where he ran off to got increasingly darker pretty quick to the backside of that building. Darker, darker, I lost sight of him. Instantly I'm looking around to see what's going on. At that point my momentum is stopped for me to get over that fence. It's gonna take some time. I'm looking around here and he's [second suspect] is to my right.

As I'm firing, I recall being on the move the entire time. I was advancing the whole time.

After shooting, I wasn't able to say anything to him. I don't recall the radio. I know shots fired got put out. I recall me saying it but I'm not sure. That's my recollection of it. I know I heard it on the radio at one point. I wouldn't say it was fuzzy. Obviously it was hectic. Shots were fired. He's continuing to run. Dispatch wants to

know if I'm hurt, if somebody else is shot. I'm fine. We don't know if he's hit. Sgt. Lange was asking for code 3 cover. It was very hectic at that point.

I asked Kirtlan the direction of the suspect when Kirtlan fired and he demonstrated.

So the gun's there (standing pointing left). He lands like this (half crouch) and like this (reaching hands down toward the gun), I would be to his backside like this (upper body rotated exposing the left side). He's more or less like this (crouching lower to the gun).

In my mind he easily could have accessed that and shot me.

Chris Miller asked Officer Kirtlan to summarize his training with respect to firearms.

Obviously I went to the basic academy, training in pistol and shotgun. I was given an M-16 rifle and went to range master school. I have been a range master for 11, 12 years now. As far as shotguns go specifically I am a shotgun breacher on our team so I carry a sawed off shotgun in my take home vehicle. I also carry a standard Remington shotgun in my trunk so I carry two shotguns in my trunk. I'm very familiar with those. I've been to countless hours of training on shooting, mostly in-house. I have been to some other CST officer safety courses.

I'm one of the 5 snipers on the SWAT team so I'm very versed in long range rifles as well as the M-4 now. I have the M-4 carbine.

I've participated in shoot, no shoot scenarios. All kinds of them in the shoot house with frangible ammunition, with simunitions with the paint pellets. I've been through all kinds of training with that. Through Urban Shields where it's exclusively, well they do use some of those little white ball things, but simunitions there. A lot of shoot, no shoot scenarios there.

Chris Miller asked if all that contributed to Kirtlan's decision to shoot tonight.

Absolutely.

As I recall I qualified with my pistol 4 to 6 weeks ago. My pistol functioned properly tonight.

Break in interview

I asked about arrival and the crowd's reaction that would indicate they recognized it was police.

Just the sheer amount of movement from all the people from where they were just dispersing outward. That's the only thing. I don't know. I can't say obviously what they were thinking in their mind but in my mind, I thought they knew we were police. You saw the cars. Their car is unmarked. Our car was fully marked but a slick top.

They acted how I would expect them to act if they were up to no good and they saw the police coming. I wouldn't think they would do what they did [for two other random cars].

I asked Kirtlan about calling out to the suspects.

"I'm gonna get you", I think is what I said. I can't say they saw me. I would think they definitely heard me. I was in straight eye-shot of them. There were no buildings or anything between us so I would think that they definitely heard me. I don't know if they saw me. It was loud.

I do lose sight of the guy who turned right at the building.

I did not make eye contact with the guy on the fence before he goes over. He was facing away from me the whole time. I don't recall saying anything to him. I don't recall saying anything to him at the time he turned to the gun. As I recall I was so focused on that darn gun. I don't recall saying anything. I'm just, oh geez, gun. And when he landed and quickly made a move for that gun, put his hands on that gun, all I was thinking of is I'm in danger here. It's a high crime area. It's a guy fleeing from the cops. I think he knows he's fleeing from the cops. He jumps the fence. He goes down to grab that weapon. He could have just kept running and left it behind. He didn't do that. He landed, made that movement (Kirtlan rotates his upper body left and puts his hands downward), grabbed that weapon and I'm thinking he's going to turn and shoot me. That was absolutely a distinct move toward the gun and he could have landed and kept on going. He had to turn to the side a little bit. He landed here, made the movement. It was direct movement towards that gun with both hands.

There was no cover anywhere for me to go to. It was a straight shot to that fence. It was a clear view through that cyclone fence. In my mind, there's nothing else for me to do at that point other than to protect myself.

In my opinion I could not make it anywhere safe before he could have shot me. Shotguns are very powerful at close distances and I would have been well within the distance of that shotgun if I had gone right, if I'd gone to my left. I don't recall any close points of cover for me.

After I fired, he ran. He took off running. He left the gun. He just kept running the same direction. I don't recall him looking back. He kept on running. I don't recall saying anything to him. I don't recall if I did. It happened that fast.

***Chris Miller asked if the suspect that Kirtlan apprehended say anything that lead Kirtlan to believe that he knew they were being chased by police. ***

He did. I grabbed him, shoved him into the fence, and said, "Who is your partner running?" He says, "I don't know him." Then I basically said, "Why are you running?" He said, "I'm running from the police", straight out said, "I'm running from the police," and would give me no information on the guy that hopped the fence that I shot at but he did in fact tell me that yes, he was running from the police.

When we pulled up, no one announced our presence there that I heard.

On 8-3-13, at approximately 0247 hours, I, Det. J. Saario, contacted [REDACTED] at the Sacramento Police Department Headquarters. The statement was audio/video recorded and later booked into evidence at SPD Headquarters. For complete transcripts refer to booked CD. I obtained the following statement in summary:

I go by [REDACTED]. I just moved into [REDACTED] Arcade Bl. # [REDACTED] today. I am roommates with [REDACTED]). Tonight I was bar-be-cueing with [REDACTED], his uncle [REDACTED], [REDACTED], and [REDACTED]. There were five of us. It was almost dark when we started the bar-be-cue. I had either four or five beers tonight. When this happened I felt pretty drunk.

*** I had [REDACTED] review an aerial photograph of [REDACTED] Arcade Bl. and the surrounding neighborhood. ***

We were sitting right here (making a circle along the west fence line of [REDACTED] Arcade Bl.) facing the apartment. I did not know anyone that was out in front of the apartment.

We were having the bar-be-cue because it was our first night at the apartment. We were having duck heads and ribs. We were starting the fire and drinking when the shooting happened. I was taking care of the grill when the kid ran by. The kids are always running around like that so I did not pay much attention. Sometimes the kids chase each other so I kept checking the grill. The next thing I know is that I heard the boom boom boom from the gun. It scared me and then someone was yelling "go down, go down, go down" as they were shining their flashlight on us. Four or five people came up and started talking to us.

I do not know how many people ran by us. The one that I did see running was not too tall. I did not see the person's face because it was dark and it happened too fast. I was not paying any attention to what was going on.

I could not tell if the boom boom boom were shots or if they were from the music. We had the music up loud. I do not remember how many shots I heard. There were several shots. I do not remember anyone saying "Police". I do not remember anyone saying anything. It was dark and loud.

I remember the flashlights coming from the area of the street. They were saying "stay down, don't move". We put our hands up and got on the ground. That is all I remember. It was 30 seconds to a minute after I heard the shots.

I do not remember what color clothing anyone was wearing. I was concentrating on the grill.

Author: **463 - JASPERSON, KYLE 0440** [REDACTED]

Subject: **(WITNESS #24) HANSON, E 0**

Related date/time: **Aug-05-2013 (Mon.)**

On 8-3-13 at approx 0353 hours, I interviewed Ofc. E. Hanson in recorded interview room #2 at SPD Headquarters. His SPOA representative (Dustin Smith) was also present in the room. The following is a summary of the interview:

I am currently assigned to the North Gang Enforcement Team. I have been assigned to this team since the beginning of October 2012. I have been a police officer since August 2007.

My unit identifier tonight was Gang 70 (GNG70). I was teamed up with Sgt. Lange.

Today I was working an overtime shift from 8pm to 1am. The reason for this overtime shift was because of the increase in violent crime in the Sector 2 area. We were specifically trying to deal with the shootings that have been going back and forth between Elm Street and the Tongan community, as well as some Laotian-involved shootings that started last Saturday. There have been three shootings since that time. We were trying to curtail some of this gang activity in this area.

At the most recent shooting at [REDACTED] Clay St (#13-203827), I had received information that two of the possible shooters were hanging out in the area where Arcade Blvd and Eleanor Ave meet - so the [REDACTED] Arcade Blvd area. That is the area we were going to tonight.

Sgt. Lange was driving our car, and Ofcs. Villegas and Kirtlan were following us (in a separate car). Sgt. Lange and I were in an unmarked blue Crown Victoria equipped with red and blue lights. Ofcs. Villegas and Kirtlan were in a fully marked black and white slick-top patrol car. I was dressed then as I am now (i.e. full police duty belt with police badge affixed, black raid vest with "POLICE" written in large yellow letters on the front and back, etc).

We (he and Sgt. Lange) waited for them (Ofcs. Villegas and Kirtlan), and then we all went in caravan-style (together). As we were approaching [REDACTED] Arcade Blvd, I saw a guy by the stairs - I guess on the south side of [REDACTED] Arcade Blvd. Upon seeing our car, he left the stairs and took off running around the building ([REDACTED] Arcade Blvd) and then westbound towards the levee. He was holding his waistband while he was running.

I got out of my car and started to chase after him, and as soon as I got out of the car - pretty much just two steps out of the car - at least three other guys (from [REDACTED] Arcade Blvd) took off running as well and went the same route (as the first guy who took off running).

(Note: I showed Ofc. Hanson an aerial satellite image of [REDACTED] Arcade Blvd and the surrounding area to use for illustrative purposes.)

Our car was probably about right here when Sgt. Lange finally stopped. (Note: Ofc. Hanson pointed out an area on the aerial photo in the street approx in front of ■ Arcade Blvd, which was the same general area that I had observed their blue Crown Victoria parked at the scene.)

They (the group of subjects) were hanging out right here by the staircase (indicating the front staircase area of ■ Arcade Blvd on the aerial photo). And when they (the subjects who ran) took off, they went here (indicating southbound between ■ Arcade Blvd and the adjacent building at ■ Arcade Blvd on the aerial photo). Then they disappeared down here (indicating westbound behind ■ Arcade Blvd on the aerial photo). I couldn't see them anymore after that from where I was.

There was still a large group of people in front of ■ Arcade Blvd.

I started chasing the subjects that ran, and as I got around the corner (indicating towards the rear of ■ Arcade Blvd) it was pretty dark and I couldn't see where any of them (who ran) had went. I had previously seen at least four subjects run back here (behind ■ Arcade Blvd).

I was running full speed until I got to the corner (indicating the southeast corner of the building at ■ Arcade Blvd), but as soon as I got to the corner it just didn't feel right. I honestly thought I was about to get shot, so I slowed down.

I then saw one of the guys (who ran) go over this fence (indicating the small fence that runs north-south behind ■ Arcade Blvd) and into this yard right here (indicating the yard directly behind ■ Arcade Blvd). So I started to run that way. At about that time, I saw Ofc. Kirtlan come out right about here (indicating on the south side of the fenceline that runs between ■ Arcade Blvd and ■ Arcade Blvd), kind of where the breezeway (between these two buildings) would be.

When I saw him (Ofc. Kirtlan) come out (indicating westbound between the two aforementioned buildings), a subject was still kind of behind him (indicating the subject was generally behind Ofc. Kirtlan). I think I put out over the radio that there was a chance this subject was going to double-back and come out to Sgt. Lange. I assumed Sgt. Lange was out here (indicating towards the front of ■ Arcade Blvd), but I don't know for sure.

I couldn't tell if the subject was actually going to double-back (towards the front of ■ Arcade Blvd) or if he was going to follow Ofc. Kirtlan at that point. So my attention was on him (the subject who was generally behind Ofc. Kirtlan), and he started cutting through the yard (behind ■ Arcade Blvd) now.

That's when I heard the gunshots over here (indicating the area where Ofc. Kirtlan was positioned). I was over here (indicating the southern part of the pavement area behind ■ Arcade Blvd) when I heard the gunshots which were coming from north of my location. At first I couldn't tell who the gunshots were coming from. I just heard the noise (of the gunshots).

I saw Ofc. Kirtlan here (indicating south of the fenceline that runs between ■ Arcade Blvd and ■ Arcade Blvd) where there's no slats in the chainlink fence. He (Ofc. Kirtlan) was fairly close to the fence and facing northbound. I could see a guy on the other side (north side) of the fence, as well as a guy next to Ofc. Kirtlan.

Even from my position I could see through the chainlink fence to the other side (since there were no slats in the portion of fence he was referring to). However, I could not tell what the guy on the other side of the fence was doing due to the lighting. I could just see that he was there, but I couldn't see clearly what he was doing.

The lighting where I was at when I first came around the corner (indicating when he first rounded the southeast corner of ■ Arcade Blvd) was pitch black. So if there was lighting back there, it was ineffective. During the time we were out there (after the shooting), the light on this building (indicating ■ Arcade Blvd) started working better. But it was pitch black when I first came around the corner (southeast corner of ■ Arcade Blvd) because I couldn't see anything.

[I asked Ofc. Hanson if he could tell whether or not the two subjects he saw near Ofc. Kirtlan were part of the same group that he originally saw in front of the building.] I couldn't tell if they were part of that same group because, like I said, when they (the subjects who ran from in front of the building) got to here (indicating the southeast corner of ■ Arcade Blvd) I couldn't see where they ran at that point.

After I heard the shots, I ran towards Ofc. Kirtlan. As I was getting up to him, I noticed a shotgun on the other side of the fence (indicating the north side). I don't recall exactly what Ofc. Kirtlan was doing when I first ran over towards him, but I did see him grab the subject next to him in a (standing) modified (control hold) and he was detaining him. (Note: This would be in reference to Suspect Jayrold Vecina who was detained by Ofc. Kirtlan.)

Once Ofc. Kirtlan told me that he (Kirtlan) was okay, I ran back out to the street in order to parallel the subject (on the north side of the fence) who continued running after the shots ceased because I saw at least one gun here (indicating the north side of the fence where he saw the subject running from). I couldn't tell how far north he (the subject running) went, so I came out to the street to parallel him.

The shotgun I saw on the ground was pretty much right on the other side of the fence (indicating just north of the fenceline from where Ofc. Kirtlan had been standing). It was within a couple feet of the fence. The subject who was running northbound was running from the area where I saw that gun.

When I ran out to the street (Arcade Blvd), I saw Ofc. Villegas up here by ■ Arcade Blvd (three buildings north of ■ Arcade Blvd). I yelled to him that the subject was running north. Ofc. Villegas and I then went back here (indicating behind ■ Arcade Blvd). When we got back there, I was clearing the area when I heard Ofc. Villegas announcing "Get your hands up! Get your hands up!" I could then see a guy walking out at that point. By the time I saw him, I didn't know where he had come from, but he was pretty much right behind ■ Arcade Blvd. Ofc. Villegas was directing him to come out from wherever he had been hiding and to get his hands up. When this subject got on the ground, I saw blood on the bottom of his shorts. (Note: This would be in reference to Suspect Alex Phonhluongdy who had been shot by Ofc. Kirtlan.)

Ofc. Kirtlan told us that he (the suspect) had been wearing a black shirt, but at this point (when the suspect was detained by Ofc. Villegas), he (the suspect) was wearing a white shirt. However, about five feet behind him there was a black shirt that appeared to have blood on it.

Ofc. Villegas handcuffed him (Suspect Alex Phonhlamuongdy) and then patrol came and took care of him for us. I ended up searching him and obtaining his name and birthday prior to fire arriving. He gave me the first name of "Alex", and I can't pronounce his last name.

[I asked Ofc. Hanson if he could tell whether or not this subject they detained was the same subject he previously saw running from the direction of Ofc. Kirtlan.] He had similar physical characteristics, but I wouldn't have been able to ID him. But he (the subject they detained) said he had been shot in the leg (by Ofc. Kirtlan). I assume that's where the blood came from that I saw on him.

[I asked Ofc. Hanson if he could tell whether or not this subject they detained was one of the same individuals who ran from them initially.] No, I wasn't able to tell that.

[I asked Ofc. Hanson if, when they first started chasing after the subjects who ran, anyone yelled "Police" or yelled anything at them as they were running.] I did not. I can't answer for the other officers. Because of the noise and the way we were positioned I wouldn't have been able to tell for a fact (if anyone else yelled anything).

[I asked Ofc. Hanson if he ever did any searching, or located any evidence, along the pathway of the foot pursuit.] Yes. After the scene was stabilized, I took officers with me back along the route we ran. Officers located two firearms underneath a pallet over here (indicating an area approx between █ Arcade Blvd and █ Arcade Blvd). I also located two handguns along this fenceline right here (indicating the small fence that runs north-south behind █ Arcade Blvd).

[I asked Ofc. Hanson if he had been to this general area before and/or if he was familiar with it.] Yes.

[I asked Ofc. Hanson what type of area this was.] It's primarily an Asian community, specifically there are a lot of Laotian individuals who live there. I've also talked to Ofc. Starr (former SPD Asian gang detective) about this area. It's a known █ gang hangout, and it's the area where a witness advised the possible shooters from the recent shootings would be at.

[I asked Ofc. Hanson to elaborate on why he thought he was going to be shot when he first rounded the corner towards the back of the apartment complex as he pursued the subjects who had fled in that direction.] We were there looking for shooters - individuals who were armed and who had already committed one, if not more, (recent) shootings. Additionally, the first guy I saw running was holding his waistband, which I've had experience with - as recently as earlier tonight - a guy holding his waistband was found to have a firearm in his waistband. (Note: Just prior to this incident, Ofc. Hanson and Sgt. Lange observed/contacted a subject on a different call who was also found to be armed with a firearm after he was observed reaching in his waistband and fleeing from the officers. See SPD report #13-206693.) So I believed this subject (running from him on this incident) was armed.

Also, just the urgency with which the subjects ran, it didn't seem like they were just running for dope (possession). Something just didn't feel right. That's why after I rounded the corner (the southeast corner leading to the rear of the complex) I slowed down dramatically and I pulled my firearm out at that point.

When I was initially running (after exiting the vehicle), I didn't have my firearm drawn. It wasn't until I reached the corner (southeast corner of the complex) that I drew my firearm.

[I asked Ofc. Hanson if there was anything else that he noticed that may have indicated the subject(s) he was pursuing were armed.] I did hear what sounded like metal hitting something hard, and I thought it (the sound) was a gun being dropped or thrown. That just made me a little (more) worried because the sound came from the direction the subjects had just ran, and I thought it was the sound of a gun hitting the ground.

[I asked Ofc. Hanson if he made any observations when the subjects first ran that indicated to him that the subjects may have known they (the approaching officers) were the police.] I never heard them (the group) say anything, but the first guy that took off running was watching our cars and as we got closer I saw him start to get up. I even made a comment to Sgt. Lange while we were in the car that "we got a runner". Then when I got out (of the car), you could clearly see that I was a cop at that point (referring to his clearly visible POLICE raid vest that he was wearing), and the other three (subjects who fled) didn't start running until after I exited the car (and made himself visible as a police officer). I think they likely knew that I was the police at that point.

Conclusion of interview.

Narrative Text Report # 7

Document: **03 SUSPECT STATEMENT**

Author: **916 - SHRUM, THOMAS 0362**

Subject: **(ARREST/CITE #1) PHONHLAMOUNGD**

Related date/time: **Aug-05-2013 (Mon.) 1658**

On 8/5/2013, at approximately 1658 hours, I, Det. Shrum #362 interviewed Alex Phonhlamuongdy at police headquarters. The interview was recorded to DVD. Phonhlamuongdy told me that he was tired and provided his name and address information. I asked him about the living arrangements at his house.

I asked Phonhlamuongdy if he knew why he was down here. I was preparing to explain his charges and reminded him that someone came and talked to him at the hospital. He told me that he was getting locked up and I responded that it was kind of a given. I explained that we wanted to make sure that everything is fair and we had the right information from him. I was intending to advise him of the Miranda warning and Phonhlamuongdy began talking and stated the following, in summary:

The only thing that trips me out is that the officer who shot me and I know my rights and I had nothing nothing in my hand. Except I heard the description and the officer said I was trying to pick up the gun and I wasn't picking up the gun. I was way gone and had hopped over a fence and that's when the gun shot went off. I jumped up and over the fence and that's when my leg was still hanging down probably and right when I hopped over, threw my body over, I was trying to stand up. My leg felt numb and hurt. I dropped back down. I looked at my leg. I felt it bleeding, saw it bleeding. I took off my shirt and tied it. I crawled out to the police and told them, I'm shot and they got me.

I explained that I wanted to clarify a couple of things regarding that because, it was what I had heard that he said, and that he was willing to talk to me obviously because he was telling me what happened that night like it was pretty clear in his mind. (Phonhlamuongdy again interrupted as I prepared to read him Miranda which was out on a card with me).

I understand if I was towards a police officer to shoot me.

I explained that before we got into all that, because he would have questions for me but I would have questions for him so in order to ask him questions I had to read him his rights. Phonhlamuondy again interrupted.

It's not a question. I just know my rights sir. It just, for example if I own a house and there was a robber and the robber runs out, I can't shoot him from the back. If he's not on my property, I can't shoot him from behind. I'm just going to have to let him go.

Shrum: You're saying that you know your rights. Do you know that you have the right to remain silent?

Phonhlamuongdy: Ya.

Shrum: Do you know that anything you say may be used against you in court?

Phonhlamuongdy: Uh-huh.

Shrum: Do you know that you have the right to the presence of an attorney before or during any questioning?

Phonhlamuongdy: Mmm.

Shrum: And do you know that if you can't afford one, one will be appointed for you free of charge before any questioning, if you want:

Phonhlamuongdy: Um-huh.

Shrum: Okay. It seems like you're well versed on your rights and what you can do in your house as well as far defending yourself or when somebody should be allowed to shoot.

Phonhlamuongdy: Not just me. I know everything about officers. What they can and cannot do.

Shrum: Okay, and by talking to me, you're, I'm taking it that you're okay talking to me, expressing yourself about this?

Phonhlamuongdy: I'm talking, I didn't express and talk about it. He literally shot me with no rights. He had no rights to shoot me. That's all I can say. He had no rights. Not one bit. I was far gone. I had no weapon in my hand sir. I was stupid. I admit yes, I did have a weapon but I threw it away, far away from me. I hopped the fence that they say I threw it over and I hopped another. When I hopped that fence is when the gunfire went off. 3 or 4 shots I heard and I hopped over and.

I brought out a map to help with the explanation and stated that if he was willing to talk to me I would show it to him. I showed Phonhlamuongdy a map and pointed out █ Arcade Blvd and explained that I was told a group was out in front on Friday night and Phonhlamuongdy was saying that he was there.

Shrum: Is that correct? Is that the right building?

Phonhlamuongdy: It's over there. It's something like that.

Shrum: Do you know people that live over here?

Phonhlamuongdy: Ya.

Shrum: So you're just hanging out with some people that you know. Do you recall any of their names?

Phonhlamuongdy: No.

Phonhlamuongdy: You could call it acquaintances.

Shrum: Can you tell me how you got over to this area?

Phonhlamuongdy: I've been staying with my girlfriend (unintelligible) or something.

Shrum: So you're kind of over in that area anyway?

Phonhlamuongdy: Um-huh.

Shrum: What's your girlfriend's name?

Phonhlamuongdy: That's for me to know.

Shrum: Was she there? I mean we'd like to talk to her if she saw this?

Phonhlamuongdy: No.

Shrum: So she's not there?

Phonhlamuongdy: Unintelligible.

Shrum: So if she's not there it's probably not as important who she was.

Phonhlamuongdy: Uh-uh.

Shrum: Does she live right in here? (Indicating the area of the shooting on the map.)

Phonhlamuongdy: That's for me to know.

Shrum: So you described, well I know you told another detective, but you had a shotgun with you? (nods affirmative) And you admit to that part and you had it while you were out in front. Is that true?

Phonhlamuongdy: Uh-uh.

Shrum: You didn't? Did you pick it up as you ran or where did it come from?

Phonhlamuongdy: It was already in my hand.

Shrum: It was in your hand.

Phonhlamuongdy: I'll point it out to you (obtains my pen). This is the whole story. (Unintelligible). Police officer pulled up. I saw him so I ran with the shotgun in my hand.

Shrum: Can you just draw where you ran? Just about?

Phonhlamuongdy: To the back to the brick wall I ran. Ya (drew a line from the south of █ Arcade going westbound and turning north along the alley/parking area). I threw the shotgun way over here (pointed in the area of the west rear yard of █ Arcade approximately in the area that a red vehicle is located on the map). I thought it was as far as I can. As far as I can I threw the shotgun and then right about right here I hopped over (indicated a fence along the north side of █ Arcade) and then I jumped through the fence. That's when I hear the gunshot. Right when I got to the back over here (indicated the north fence of █ Arcade Blvd.) and it fired off.

Shrum: There's a fence here (north of █ Arcade)? What kind of fence is that one.

Phonhlamuongdy: Same fence.

Shrum: So another chain link fence.

Phonhlamuongdy: And then gunfire went off. I tossed my body over there and found out I was shot and I crawled out. Police was right here. I crawled out to them and that's when they took me to the ambulance. Like I said sir, I didn't have nothing in my hand. I don't know why the officer shoot me.

Shrum: Well, I mean obviously he has a different version of what happened.

Phonhlamuongdy: That's the only thing that I heard. I heard the version what he thinks, what he said, and of course nobody will believe my story. Of course you guys won't believe my story.

Shrum: Would you be willing to take a lie detector about it?

Phonhlamuongdy: Yes, I will. I just, I don't know why the police shot sir. I still can't.

Shrum: One thing, in order to take a lie detector, it's going to measure your truthfulness.

Phonhlamuongdy: (Unintelligible). It don't really matter anyhow. It doesn't solve anything. It's just whatever. My part is just to let you guys know.

Phonhlamuongdy: That I knew I was gonna, I had to get away. I just, I don't know. I just didn't want to get locked up for a gun sir. Especially if it's stolen. That's something that I didn't do.

Shrum: Okay, the stolen part.

Phonhlamuongdy: And are you gonna write it exactly like that?

Shrum: Yes sir. I'm not gonna make anything up or anything like that. I don't want to twist your words or make you. You get to say your part.

Phonhlamuongdy: (Unintelligible) that people do. The first time I was locked up, my words was twisted.

Shrum: Okay. And that does happen on occasion and I'll admit that to you. And you weren't the only person that ran, correct?

Phonhlamuongdy: Correct.

Shrum: Do you recall how many people ran with you?

Phonhlamuongdy: No sir.

Shrum: And you ran this way because you didn't want to be in trouble for this gun and especially, you didn't know it was stolen but you wouldn't want to be in trouble for a gun that you didn't steal you said. And that's why you ran?

Phonhlamuongdy: Ya-no, and now that I know that it's like, I just prefer that.

Shrum: Well, that's a charge but that's why, I take your side of it and we try to figure it out. That's why I asked you who gave it to you, because if I can find out the person, that part can be proven as true. You understand though?

Phonhlamuongdy: I understand that sir.

Shrum: There's not a lot you're giving me to prove that. Do you understand that?

Phonhlamuongdy: Like I said, I don't know that dude. That dude don't know me.

Shrum: What's your cell number?

Phonhlamuongdy: I don't have no cell.

Shrum: So when you've got to use a phone, where do you go?

Phonhlamuongdy: I didn't use no phone.

Shrum: So, and you're running here (back of █ Arcade). You said you threw the gun as far as you could. Did you see where it landed in this yard?

Phonhlamuongdy: I don't know. I'm just gonna, I didn't look where I threw it. I just threw it as far as I can. I'm just trying to toss it (makes tossing left motion). Then I just ran straight sir, ran straight after that. That's when I hop over, the gunshots fired.

Shrum: So you're not sure where the actual gun landed? (Shakes head no). You're just trying to get it away from you?

Phonhlamuongdy: Ya.

Shrum: ...and then continue to run. Did you ever, after you threw the gun, did you think to just stop right then before the shots?

Phonhlamuongdy: I just.

Shrum: You got rid of the gun and you're still running. Did think at that point, I should just give up?

Phonhlamuongdy: I was just worried. I was scared.

Shrum: So it was only after you got, you realized you got shot, were you able to run anymore?

Phonhlamuongdy: Why do you just put scared? (Phonhlamuongdy was looking at my notepad).

Shrum: Why? I'm just taking notes but you know that our interviews are recorded?

Phonhlamuongdy: You're gonna flip up words.

Shrum: No, you know our interviews are recorded right?

Phonhlamuongdy: So they're recording right now?

Shrum: Ya. That's why I can't twist your words. I'm just taking little notes so I can remember things I need to ask you.

Phonhlamuongdy: Where are they recorded? I don't see no camera.

Shrum: That's just how we do it because I don't want to twist your words. I don't want to say things that aren't true.

Phonhlamuongdy: The last person that said that when I got locked up said that.

Shrum: They did it anyway?

Phonhlamuongdy: It doesn't really matter what people tell you guys because you know you guys don't believe the story. You guys just believe what you guys hear from the officers.

Shrum: Well I take what he says.

Phonhlamuongdy: You guys ain't gonna believe the suspect anything unless there's a video camera attached to our head and we can show you guys.

Shrum: Right, that's probably what you think but if there's evidence that shows what you're saying, then we look into that. We don't just look the other way. There's officers that get in trouble.

Phonhlamuongdy: I've seen a lot of things. The officers get away with anything. You can't fight against the law and the system. The law will go with the law. They will just pretend(unintelligible).

Shrum: When you first got on gang file.

Phonhlamuongdy: I was never from a gang. The only reason I put that [REDACTED] on my back is not because of the gang. It's where I was born and raised. The police think it is but I said no. When I get these two (forearms) they think are gang tattoos but I said no, it's not.

Shrum: Let me ask you this. Did you know [REDACTED] (I mispronounced [REDACTED] a known gang member in a prior report [REDACTED] who had been killed). He's a guy. He got killed on Del Paso Blvd at Sunland Liquor. [REDACTED].

Phonhlamuongdy: [REDACTED]? I don't know no [REDACTED] so how can you say shit like that?

Shrum: Well, let me show you a picture of him. Maybe you don't know him by his real name. Do you know people don't always give their real name?

Shrum: Okay, if you know everybody, who did you know that was out there in front of the house?

Phonhlamuongdy: I don't know.

Shrum: You don't know or you don't want to tell me?

Phonhlamuongdy: Because I was intoxicated.

Shrum: Well, it doesn't seem like you were that intoxicated because you were able to run pretty well. In fact, you were able to sprint and you were able to recognize the police.

Phonhlamuongdy: Once I got shot I lost memory a little bit.

Shrum: You lost memories? What memories do you think you lost?

Phonhlamuongdy: About whatever happened right there. The only thing I could really picture from that day was just hearing gunshots in my head.

Shrum: Alex, you just remembered and told me the whole story of how you were standing in front with the shotgun in your hand. You ran to the back to the alley. You threw the gun as far as you could.

Phonhlamuongdy: That's just what I remember. Not what I really remember just a little bit (unintelligible). We'll see what happens in court.

Shrum: I'm not sure what's gonna happen in court. I'm not responsible for that part.

Phonhlamuongdy: (Unintelligible). I'm supposed to go to the hall after this. After this am I going to the hall?

Shrum: Yes.

Phonhlamuongdy: Can we just go?

Shrum: We can. Let me show you a picture and then we'll get out of here. I'll be right back.

Break in interview.

Shrum: I said forget it to the picture because you were saying that you don't know [REDACTED] So let me just summarize what I got from you so that I don't have it incorrect. So that I don't mix your words. You were out there in front of this address which is [REDACTED] Arcade. You had the shotgun in your hands but you were just looking at it. The police pulled up. You didn't want to go back to juvenile hall for having this gun and you ran this way through here. You don't remember who was out there because you were really intoxicated. Phonhlamuongdy: Beer and hard liquor. A little bit of marijuana.

Shrum: Sometimes marijuana too?

Phonhlamuongdy: I was high too.

Shrum: And so you're saying that might have affected some of your memory. Do you remember running back there behind the apartments? (Head shake yes). Do you remember throwing the gun? (Head shake yes). And you don't remember or don't know exactly where it landed. You were just trying to get it as far away from you as you could.

Phonhlamuongdy: I was just trying to get away from it. I wasn't trying to get shot. And then I still turned out getting shot.

Shrum: And then you jumped over the fence and then you continued running and heard shots and went over the fence.

Phonhlamuongdy: I went over the fence and I crawled out to the police.

Shrum: Which parts of this are fuzzy to you because of the alcohol or?

Phonhlamuongdy: I remember (unintelligible) parts around (unintelligible) drunk or not. I'm kind of tired.

Shrum: Does that pretty much summarize what you remember from that night? (Nods yes). And you don't think it matters to tell me who you got the shotgun from because you don't really know him?

Phonhlamuongdy: I don't know him.

Shrum: And you're saying that you didn't know the gun was stolen but you did buy it for cheap (nods yes). The gun the way it was, you didn't do anything to it? You weren't the person that loaded it?

Phonhlamuongdy: The person that I bought it from loaded it.

Shrum: Did you, one of the things we do is we check for prints and DNA and stuff like that and obviously from your statement, yours will be on the gun which isn't an issue because you're telling me that that's true. Would it be on the shells? Had you ever taken them out and put them back in (shook head no). And when you carried the gun around, I don't know if that's all the time because you had it in your hands but at times you keep it in a backpack. Is that correct? (Nodded yes). Do you have a car that's out here anywhere?

Shrum: So people that didn't know you at all felt totally comfortable with you bringing a sawed-off shotgun and standing around?

Phonhlamuongdy: They didn't know.

Phonhlamuongdy: I'm supposed to tell people, put a show on? I wasn't putting a show on.

Shrum: So now it's not messed up?

Phonhlamuongdy: It's messed up. I think I'm traumatized from getting shot and it's hard to think but that's all. It's just, I'm tired.

Shrum: What do you think should happen to you? What should your punishment be?

Phonhlamuongdy: I just know that I'm not gonna be out on the streets again after cops shooting me with no reason or firearm in my hand. I'd understand if I did have it but I didn't have it in my hand for him to shoot me. I didn't turn around and try to shoot. I didn't think anything like that. I just wanted to get away from it so they won't need to shoot me but they did shoot me still. That traumatized me really. I got shot.

Shrum: Do you understand that a cop doesn't have to wait for you to turn around for him to get shot in order to shoot you?

Phonhlamuongdy: I know what police officers supposed to do or not. There ain't no firearm in my hand like I said and he waited until I drop over the fence and want to shoot me and I had nothing in my hand, nothing near me sir. He still shot me. They got movies. I've seen movies of an officer chasing after a guy with a firearm in his hand but they don't shoot him. They still try to run after him. I don't see them shooting him. The only way they shoot like in movies is if the suspect shoots first. That's when I've seen officers shoot because that's when they got their rights because they're fired on first or not even just firing off or pointing at them whatsoever.

Shrum: Do you know how long it would take for you to turn around with a shotgun and fire?

Phonhlamuongdy: Not from me sir. I couldn't do it. I'm not that guy.

Document: **06 DETECTIVE SUPPLEMENT**

Author: **285 - STIGERTS, MARNIE J 4110**

Subject: **STIGERTS'S OBSERVATIONS**

Related date/time: **Aug-03-2013 (Sat.) 2**

On 08/02/13, at approximately 1202 hours, I received a call from Sgt. Chan on my cell phone. I knew that he had been on call and I had seen the news advising there was an officer-involved shooting and had sent him a message earlier advising that I was available if needed. Sgt. Chan requested I respond and assist with the investigation at Arcade and Colfax and I arrived at approximately 0100 hours.

At approximately 0125 hours, Sgt. Lange conducted the briefing. He had been part of the initial response to a gathering in front of [REDACTED] Arcade and was there due to recent Asian-gang violence in the area. Sgt. Lange gave a briefing of the circumstances as were known to him to that point. Ofc. Josh Kirtlan was working as a TAC unit with Ofc. Ray Villegas in an overtime capacity to address the gang issue and responded to the location with Sgt. Lange and Ofc. Hanson. Twenty to 30 subjects were in front of [REDACTED] Arcade when they stopped in front and 4-5 immediately ran.

All four officers gave chase, Hanson and Lange heading south, Villegas and Kirtlan heading northwest. Ofc. Kirtlan followed one suspect who threw a pistol-grip shotgun over a fence that divided [REDACTED] and [REDACTED] Arcade, then jump the fence and bend to pick up the gun. Ofc. Kirtlan fired several times, struck the suspect one time in the leg and he was taken into custody by Ofc. Villegas a short time later.

In the path of flight by the other suspects, officers located 5 additional firearms that were left in place. The shotgun had been rendered safe and secured in the back of Sgt. Lange's vehicle immediately after the shooting.

At 0146 hours, detectives conducted a walk-through of the scene with Ofc. Kirtlan.

I was tasked with supervising and coordinating the processing of the scene. Dets. Johnson and Trimpey as well as CSI collected all evidence and documented and diagrammed the majority of the exterior scene. I contacted Trevor Wilson of the County Crime Lab at 0204 hours by phone. I requested Wilson respond with their True View equipment to process the scene where the actual shooting occurred between [REDACTED] and [REDACTED] Arcade.

At 0324 hours, Wilson and two other technicians arrived from County Crime Lab. They were briefed by me on the circumstances and what was requested of them. Dets. Trimpey and Johnson conducted a walk-through with them of the portion of the scene they would be processing.

The pistol-grip shotgun was found to be loaded and stolen in an out-of-county burglary. Two semi-automatic handguns, two revolvers and one Mac11 were also found to be loaded. The Mac11 and one semi-automatic had the serial numbers obliterated. The serial number was not visible on one of the revolvers as it was likely under the handgrip. It was requested CSI process all guns for latents and DNA prior to manipulating any of the weapons.

On 08-03-2013, at approximately 0450 hours, Officers Stewart #0752 and Massee #0548 along with Det. Englefield #0563 and I, Det. Vang #0599, made contact at [REDACTED], in the County of Sacramento. [REDACTED] is the address of record for Alex PHONHLAMUONGDY, [REDACTED].

We were met at the door by [REDACTED], PHONHLAMUONGDY's mother's boyfriend, who allowed us entry into the residence. PHONHLAMUONGDY's mother ([REDACTED]) came out to greet us from a back bedroom. [REDACTED] stated he had no involvement with Alex and did not have anything to say about him.

[REDACTED] stated Alex was her oldest child. The last time that she saw him was about a month ago at this residence. She last spoke to Alex via telephone about a week ago; she was informed of his shooting and attempted to see him at the UCD Medical Center, but she was turned away so she came back home. Alex stays with her off and on and he has no room at this residence. [REDACTED] stated Alex was staying up in north Sacramento either with his father, [REDACTED] or his girlfriend, [REDACTED]: [REDACTED]). [REDACTED] pointed to a closet by the front door and stated Alex's personal effects were kept in that closet.

I, Det. Jasperson, am assigned to the Homicide Unit. On 8-3-13 at approx 0006 hours, I received a call from Det. Johnson who notified me of a callout for an officer-involved shooting (OIS) in the area of Arcade Blvd / Colfax St. I responded and arrived at approx 0100 hours.

At approx 0125 hours, a field briefing was conducted on scene by Sgt. Lange. Also present for this briefing were the following detectives: Sgt. Chan, Sgt. Stigerts, Det. Shrum, Det. Trimpey, Det. Toel, Det. Englefield, Det. Saario, Det. [REDACTED] and Det. Vang. During this briefing, we were informed of the facts of the case as they were known at the time, including the following in summary:

At approx 2310 hours, Sgt. Lange and Ofc. Hanson (teamed up as unit GNG70), along with Ofc. Kirtlan and Ofc. Villegas (teamed up as unit TAC22), stopped in front of a small apartment complex located at [REDACTED] Arcade Blvd to contact a large group of approx 30 subjects hanging out front. This location was reportedly a known [REDACTED] gang (i.e. [REDACTED]) hangout.

As the officers pulled up in front of this complex, 4-5 of the subjects from the large group took off running and went behind the complex. All four officers subsequently pursued them on foot in different directions. Ofc. Kirtlan pursued two of the subjects as they ran behind [REDACTED] Arcade Blvd, and while he was chasing them he noticed that one of the subjects was armed with a pistol-grip shotgun. This subject ultimately tossed his shotgun over a fence, and then attempted to climb over the fence and retrieve the weapon. However, Ofc. Kirtlan fired his duty weapon at this subject. The subject then continued to flee northbound, leaving the shotgun behind on the ground, and was taken into custody by other officers behind [REDACTED] Arcade Blvd.

Ofc. Kirtlan was able to detain the second subject who he had been chasing, and this subject was later identified as Jayrold Vecina [REDACTED]

The subject who had been armed with the shotgun, and who was taken into custody behind [REDACTED] Arcade Blvd, was identified as Alex Phonhlamuongdy [REDACTED]. He was found to have a GSW to his calf area. He was also found to be [REDACTED] and to be a validated [REDACTED] gang member. His shotgun was recovered/secured by Sgt. Lange. It was found to be a sawed-off shotgun (14" barrel) and loaded with four rounds. It was also reported stolen.

After the shooting, the officers on scene had to request code-3 cover for the crowd on scene which had grown hostile. Numerous other officers responded to this emergency call for assistance, and ultimately were able to control the crowd. Officers identified the subjects on scene and obtained their statements. None reported actually witnessing the shooting. However, additional subjects (who were reportedly having a BBQ behind [REDACTED] Arcade Blvd at the time of the shooting) were contacted and determined to be witnesses. (They were later transported to SPD Headquarters for interviews.)

Officers on scene retraced the path of the subjects who initially fled from the officers, and in doing so they located multiple additional discarded/hidden firearms.

We were told that a canvass had already been done by patrol. No surveillance video was located in the vicinity.

At approx 0148 hours, I participated in a walk-through of the scene led by Sgt. Lange. During this walk-through, Sgt. Lange pointed out the general path the subjects had fled, and multiple guns that had been located along this path.

I then responded to SPD Headquarters to assist with interviews. I was assigned to interview Ofc. Hanson. Prior to interviewing him, I conducted a visual inspection of his duty weapon and extra magazines. His duty weapon and both of his extra magazines were found to be fully loaded with no rounds missing, which would be consistent with the preliminary information received regarding him being a non-shooter. I ultimately interviewed Ofc. Hanson in recorded interview room #2 and obtained his statement. (Refer to his attached statement for details.)

INVESTIGATIVE SUPPLEMENT:

On 8-3-13, at approximately 0015 hours, I, Detective Bill Toel #276, (IV113) was one of several Sacramento Police Department Detectives assigned this case, 13-206821, an Officer Involved Shooting (OIS). I have been employed by the Sacramento Police Department (SPD) as a Police Officer since March of 1997. I have been assigned to the Office of Investigations as a Detective since January of 2005. I have been assigned to the Major Crimes Division, Felony Assaults Unit since September of 2012. Currently my primary duties are to investigate Officer involved shootings, in-custody deaths and crimes, including but not limited to, financial crimes, burglaries, thefts, robberies, kidnappings, assaults and homicides. I was at my residence when I was notified of the event by a phone call and text from SPD Homicide Detective Mark Johnson #706, IV173. I responded from my residence and arrived on scene on Arcade Boulevard at approximately 0115 hours. At approximately 0125 hours, I attended a briefing regarding the OIS given by SPD Sergeant Mike Lange #3067, GNG70.

At the conclusion of the briefing and at the direction of SPD Homicide Sergeant Rudy Chan #3040, IV130, I transported (W) [REDACTED] and an additional witness, (W) [REDACTED], from the scene in North Sacramento to the SPD Hall of Justice on Freeport Boulevard in my City of Sacramento issued unmarked Police car. Both (W) [REDACTED] and (W) [REDACTED] had been identified to me as persons who had witnessed the Officer Involved Shooting, currently being documented. At approximately 0137 hours, I contacted (W) [REDACTED] in SPD Interview Room #1 located at the SPD's HoJ and took his statement and at approximately 0155 hours, I also contacted (W) [REDACTED] in SPD Interview Room #1 located at the SPD's HoJ and took his statement.

I provided both (W) [REDACTED] and (W) [REDACTED] with a fast-food dinner on the way to the Hall of Justice before the interview and I provided both witnesses transportation back to Arcade Boulevard via cab after the interview.

It should be noted both witnesses told me, and behaved as if, they were heavily intoxicated, having consumed bottles and cans of beer for several hours just prior to the OIS. I provided the meals as an attempt to sober the witnesses.

Over the following week I provided the lead investigator Homicide Detective Tom Shrum #362, IV160, with multiple copies of the recorded interviews on DVD. I added the witness' statements to this report. I booked sketches drawn by the witnesses during their interviews into evidence and attached copies to this report.

I returned to my normal duties.

I, Detective T. Shrum #362 am currently assigned as an investigator in the Homicide Unit of the Sacramento Police Department. I have been assigned to homicide for the past 2 years.

On 8/3/2013 at approximately 0007 hours, I was called at home to respond to an officer involved shooting at Arcade Blvd near Colfax Street. I was advised that there had been a crowd present that was upset.

I responded and arrived at the scene at approximately 0045 hours. The scene was in and around █ Arcade Blvd. When I arrived, access to the scene was restricted by police officers and the scene was cordoned off with police crime scene tape. There were multiple people outside of nearby apartments. I checked in with the scene recorder, Officer M. Fetch.

At approximately 0125 hours, I attended a briefing along with other investigators that was given by Sgt. Lange #3067 who is the sergeant for the north area Gang Enforcement Team (GET). He provided information known at that time:

The police call was 13-206821 and it began at approximately 2310 hours. Sgt. Lange along with Officer Hanson #466 (unit GNG70) had been riding in a Sacramento Police unmarked slick topped police car followed by Officer Kirtlan and Detective Villegas who were riding in another marked Sacramento Police slick topped police car.

They were in the Arcade area conducting directed enforcement regarding █ members as there had been 3 █ related shootings in the north Sacramento area in recent weeks. █ Arcade Blvd. was a known █ hangout.

Sgt. Lange and Officer Hanson pulled up driving southbound Arcade toward the front of █ Arcade Blvd with Officer Kirtlan and Detective Villegas following in their car. There was a group of approximately 30 people in front of █ Arcade and 4 to 5 subjects began running westbound as the officers announced that they were police. Sgt. Lange and Officer Hanson ran through the alley to the south of █ Arcade. Officer Kirtlan and Detective Villegas ran to the north. Officer Kirtlan followed after two subjects who ran on the north side of █ Arcade Blvd. One of the subjects was running with a pistol grip shotgun. The subject tossed the shotgun north over the fence separating █ and █ Arcade and then climbed the fence after the shotgun. Officer Kirtlan fired 5 to 6 shots at the subject and the subject left the shotgun on the ground and fled running northbound toward █ Arcade where he was captured by Detective Villegas and Officer Hanson. The subject was identified as Alex Phonhluongdy 4/4/1996 with XREF █ Phonhluongdy had a gunshot wound to the calf.

Officer Kirtlan captured the second subject who had run from him. He was identified as Jayrold Vecina 6/2/1992. Vecina was not seen with a gun but had resisted/delayed in violation of 148(a) PC.

Sgt. Lange had secured the shotgun from Phonhlamuongdy that was in the side yard of [REDACTED] Arcade Bl.

There were five witnesses that were in the backyard of [REDACTED] Arcade Blvd. at the time of the shooting.

The crowd became hostile toward the officers after the shooting and a request was made for code 3 cover.

The area was searched afterward and 5 additional firearms were found discarded.

A canvass had been done of the area.

The suspect had made a spontaneous statement at the hospital regarding having a gun.

End of summary

At approximately 0210 hours I accompanied Officer Kirtlan with his attorney on a walk-through of the scene for public safety. Officer Kirtlan indicated that he was approximately 4' to 8' south of the chain link fence separating [REDACTED] Arcade Blvd. from [REDACTED] Arcade Blvd. The fence runs east to west from the street to the far end of both properties. The fence has reddish colored privacy lattice woven into much of the length. At the point where Officer Kirtlan indicated he fired, there is no privacy lattice for a large segment of the fence. Officer Kirtlan pointed indicating that he had fired north through the fence and he stated that he fired 5 or 6 shots.

I returned to headquarters (HOJ).

At approximately 0345 hours, CSI Officer Dierdorff took photos of Officer Kirtlan prior to him removing any gear that he was wearing at the time of the shooting.

At approximately 0349 hours, Det. Sgt. Chan conducted an examination of Officer Kirtlan's firearm with serial number [REDACTED]. The handgun is a P226 model .40 caliber handgun. Det. Sgt. Chan inspected the magazine and it contained 5 live rounds. There was a live round in the chamber of the handgun as well. The magazine capacity was 12 rounds. Officer Kirtlan carried 2 additional magazines on the front of his duty belt with 12 live rounds of ammunition in each magazine.

At approximately 0353 hours, I interviewed Officer Kirtlan regarding the incident. He was accompanied by attorney Chris Miller and attorney Ace Tate. The interview was recorded and took place in interview room 3.

Det. Sgt. Chan gave me Officer Kirtlan's handgun, magazine, and live rounds that had been in the handgun and magazine. Det. Sgt. Chan also gave me a digital video cassette (tape) from Officer Bailey.

On 8/5/13, at approximately 0753 hours, I checked the status of suspect Phonhlamuongdy. He was still in the hospital under the watch of Officer Burger.

At approximately 1010 hours, I took the handgun, magazine, and live ammunition used by Officer Kirtlan to the Sacramento County Crime lab to be tested.

[REDACTED]

I booked the aerial printout used in the interview with Officer Kirtlan into evidence.

[REDACTED]

At 1508 hours, I obtained the handgun, magazine, and 3 rounds of ammunition (3 used in testing) from the County Crime Lab. Per Hess, the firearm functioned correctly. Hess provided a DNA global swab from the handgun to be retained (per Hess this swab could be tested if the suspect had grabbed or attempted to grab the officer's handgun). Hess showed me a small defect in the hammer of the pistol above the point that it strikes the firing pin. There was a divot at the point that the slide impacts the hammer.

I was notified that suspect Phonhlamuongdy was to be released from the hospital. I requested that he be transported to headquarters for an interview after speaking with Det. Englefield about his prior interview. Officer M. Garcia transported Phonhlamuongdy to headquarters. Phonhlamuongdy came in hospital attire with his left lower leg wrapped. He was using crutches.

At approximately 1658 hours, I interviewed Phonhlamuongdy in an interview room. The interview was recorded to disc. He began discussing the shooting saying that he knew his rights. I read him the Miranda warning and he continued. I took his statement.

Officer Phillips and Officer Conner transported Phonhlamuongdy to juvenile hall.

On 8/6/13, at approximately 1245 hours, I took the handgun, magazine, and 3 remaining live rounds belonging to Officer Kirtlan and delivered them to armorer A. Burt.

At approximately 1313 hours, I took the mini DV tape given to me from Sgt. Chan to D. Skinner in media services to be converted to DVD for ease of playback.

I booked the aerial photo printout used in the interview with Phonhlamuongdy into evidence.

D. Skinner returned the JVC mini DV tape and had made a DVD disc from the tape video. I booked the tape and DVD into evidence. I was able to play the DVD using VLC.

[REDACTED]

On 8/7/13 I booked discs (2) of the recorded interview of Officer Kirtlan into evidence.

On 8/8/13, I was emailed .WAV files of related radio calls (Dispatch Activity Report or DAR) from the Communication Center supervisors. I saved them to disc and booked it into evidence. The email indicated that there were additional radio calls recorded to cassette that would be delivered. I saved the emailed files to disc.

I booked discs (2) of the recorded interview with suspect Alex Phonhlamuongdy into evidence. I booked the DAR recording disc into evidence.

I reviewed the video that Det. Bailey had taken at the scene post shooting. Subjects in the video appeared to be taking photo or videos on their cell phones. The video is directed mainly to the front yard of [REDACTED] Arcade Blvd, a 4 unit apartment building. There were several remarks regarding Trayvon Martin. One subject on a chair near the stairs was on the phone discussing, "he ran and got shot". The video was 17 minutes, 2 seconds.

Det. Higgins and I went to [REDACTED] and contacted suspect Phonhlamuongdy's mother, [REDACTED]. Det. Higgins asked for her consent to obtain her son's blood sample and handed her the paperwork authorizing the hospital to release it to review. She signed for her consent.

I asked [REDACTED] who her son's girlfriend was and she told me [REDACTED]. She did not know [REDACTED]'s address, last name, or phone number.

On 8/13/2013, I reviewed the Dispatch Activity recordings which included calls to 911.

On 8/15/2013, Officer E. Hanson advised that during a gang sweep, he had obtained a cell phone from [REDACTED] who is on searchable probation. The phone contained photographs from the night of the shooting that included many of the individuals that were on scene. There was a photo in the Downloaded photo section of images depicting Alex Phonhlamuongdy throwing up gang signs. The photo was 3 of 58. The phone was booked into evidence under case 13-217942.

On 8/16/2013, I sent a request to the Electronic Crimes Unit to obtain the content from the phone. I requested the stolen shotgun report from the Solano County Sheriff's Office.

On 8/23/2013, I contacted Officer Kirtlan and he clarified that he did not activate his gun's tactical flashlight prior or during the shooting.

I received a FAX of Solano County Sheriff's report 11-5265. The reporting victim thought that the gun had been taken by movers associated with the company Starving Students and an employee who the investigation listed as [REDACTED] at [REDACTED]. There was no observed tie to Alex Phonhlamuongdy.

On 8/27/2013, I reviewed data from the phone of [REDACTED]. The data had been recovered from his phone and the content was stored on disc and booked into evidence by Det. McDougale. I viewed a photo with the file name 1375510469006 with Alex Phonhlamuongdy holding up gang signs in front of the apartments on Arcade with other male Asians and a female Asian. Phonhlamuongdy was wearing a gray ballcap and a black jacket with a black undershirt. The males including Vecina were posing their hands in gang related poses including one subject posed as if holding 2 guns.

On 10/17/2013, I contacted DDA Luna for an update. Phonhlamuongdy had agreed to a plea bargain admitting to committing the offense as an adult (707 WI), possession of the sawed-off shotgun, commission of a gang crime, and resisting arrest with an agreement to do one year in the County Jail.

I am a detective assigned to the Homicide Unit with the primary responsibility of investigating homicides, suspicious deaths, in-custody deaths, and officer-involved incidents.

On 8-3-13 at 0000 hours, I was notified by the SPD communications center to respond to an officer-involved shooting incident at █ Arcade Boulevard. I notified the rest of the on-call homicide detectives by telephone, and then responded to the scene. I arrived at approximately 0100 hours.

Once the investigation team was present, I attended a briefing at 0125 hours in which Sgt. M. Lange #3067 related the facts known to that point. After the briefing, I attended a scene-walk through to familiarize the team of the scene layout and positions of evidence located by patrol officers (see Det. Shrum's supplement for details.)

Homicide Sgt. M. Stigerts assigned me to assist Det. L. Trimpey, who was designated as the scene detective. I then assisted Det. Trimpey with noting the items of evidence for CSI to photograph, diagram, and collect. Due to the extensive size of the outdoor scene, Sgt. Stigerts requested Sacramento County Crime Lab personnel to assist with scene documentation.

During the briefing, I learned that a firearm carried by a suspect was collected prior to the arrival of CSI. Sgt. Lange pointed out to me a position in a driveway where the firearm was collected. I informed CSI and Crime Lab personnel that I marked the position with an equipment bag as a reference so that the position could be referenced in the crime scene diagrams.

During the time CSI and Crime Lab personnel were processing the scene, I conducted extensive secondary searches of the yards and parking lots within the crime scene for evidence. I conducted an additional search after sunrise to ensure nothing was missed. At the conclusion of these searches, no additional evidence was located.

After CSI and the County Crime Lab documented, photographed and collected all the items of evidence, I cleared the scene at 1000 hours.

The officer involved shooting occurred outside on a public sidewalk closest to █ Arcade Blvd which is in the City and County of Sacramento. █ Arcade Blvd is a four-plex apartment building on the west side of Arcade Blvd. The apartment building is two stories with two apartments upstairs and two apartments downstairs. The four front doors face north towards █ Arcade Blvd. There is a chain link fence separating a concrete pathway between █ Arcade and █ Arcade. The chain link fences have portions of diagonal paneling covering the fence in areas but other areas are missing or in disrepair. The portion of the fence where the shooting was identified to me to have occurred, the chain link fence is missing most if not all of the paneling. The shooting incident occurred closest to the front door of Unit █ on the first floor at the northwest corner of the apartment building. The area around the front door of Unit █ is cluttered with a white freezer, shelving and other miscellaneous property. Unit █ has a porch light which was on at the time I was on scene which illuminated the front door step area and portions of the sidewalk.

█ Arcade is one apartment building surrounded by similar four-plex apartment buildings of the same description. The incident began in front of █ Arcade which is directly to the south of █ Arcade. █ Arcade is directly to the south of █ Arcade and there is a driveway which runs between █ Arcade and █ Arcade. The driveway provides access to the parking area to the west of █ Arcade and █ Arcade (multiple vehicles were observed parked here, see below). The driveway is fenced off on both sides and the backyard of █ Arcade is also fenced off with a 8 foot wooden fence. The area behind █ Arcade and █ Arcade which is accessed by the above described driveway is where additional weapons were discovered. █ Arcade is a four-plex in the same description as █ and █ Arcade. An additional firearm was located closest to the front door of Unit █ which is on the first floor of █ Arcade in the southeast corner of the building.

█ Arcade is to the north of █ and █ Arcade. █ Arcade is a four-plex in the same description as all other buildings described above. The backyard is accessed through an open driveway which is shared by █ Arcade and █ Arcade. The backyard between █ Arcade and █ Arcade is fenced by chain link. The chain link is reinforced with the same paneling as seen on other fences in this area. The paneling appeared to be mostly intact. The area behind █ Arcade was cluttered with shopping carts, spare tires, a bar-b-que and other miscellaneous property surrounding a tree.

In summary, this portion of Arcade Blvd consists of residential housing. The residential housing consists of four-plex apartment buildings on both sides of the street. The east side of the street is where the incident occurred.

RE: Officer-Involved Shooting, Case No. SPD 13-206821
Shooting Officer: SPD Officer Joshua Kirtlan #645
Person Shot: Alex Phonhlamuongdy
(DOB 4-4-1996; [REDACTED])

Dear Chief Somers:

The District Attorney's Office, as an independent agency, has completed its investigation and review of the above-referenced officer involved shooting. Issues of civil liability, tactics and departmental policies and procedures were not considered. We only address whether there is sufficient evidence to support the filing of a criminal action in connection with the shooting of Alex Phonhlamuongdy. For the reasons set forth below, we conclude that the shooting was lawful.

Written reports and other documentary items were received and reviewed. These included the following: Sacramento Police Department (SPD) report 2013-206821; video and audio recordings; dispatch calls; witness interviews; photographs; diagrams; Sacramento County District Attorney Laboratory of Forensic Services reports 13-006645-1 through 5; and evidence logs.

FACTUAL SUMMARY:

On August 2, 2013, just before midnight, members of the Sacramento Police Department were conducting a directed enforcement action in an effort to reduce gang violence. This action was in response to three separate gang-related shootings, involving members of the [REDACTED] criminal street gang, in the north area of the City of Sacramento. Prior to launching the action, officers had developed a lead on the shootings and believed that two of the possible shooters would be present in the area of Eleanor Avenue/Arcade Boulevard. This area was known to be a

meeting place for members of the [REDACTED] gang members. As the officers approached this location, they observed a group of about thirty people in front of the residence located at [REDACTED] Arcade Boulevard. The officers were in two police cars, one marked and one unmarked. As the officers arrived, they observed persons in the crowd turn and look at them. Several subjects in the crowd then ran from the scene with officers giving chase on foot. Officer Kirtlan chased one individual (later identified as Alex Phonhlamuongdy) to a chain-link fence. Porch lights provided some lighting in the area of the chase. Officers also had handheld flashlights.

Per Officer Kirtlan's observation, the following occurred:

- Phonhlamuongdy threw an object over the fence.
- Officer Kirtlan heard a metal object land on the ground, on the other side of the chain-linked fence.
- Officer Kirtlan recognized that the object was a shotgun.
- Phonhlamuongdy climbed over the fence.
- When Phonhlamuongdy landed on the other side of the fence, Officer Kirtlan saw Phonhlamuongdy crouch and place his hands on the shotgun.

Officer Hanson also heard the sound of a metal object banging on the ground; he believed it sounded like a gun being dropped on the ground. A civilian witness in a nearby apartment reported seeing someone throw an object over the fence; this civilian witness then heard a heavy metal-type object land on the ground. The witness also saw the person who threw the object follow it by climbing over the same fence.

Officer Kirtlan, upon seeing Phonhlamuongdy place his hands on the shotgun as described above, and believing his life and the lives of other officers were in danger, opened fire. Officer Kirtlan fired seven shots from his .40 caliber handgun, striking Phonhlamuongdy once in the lower leg. One civilian witness saw people run from the police and observed one officer open fire; however, the witness could not see where the officer was shooting. Officer Hanson and several other civilian witnesses also heard the gunfire. After the shots were fired, Phonhlamuongdy left the gun but continued to run until he was apprehended by Detective Villegas and Officer Hanson. Phonhlamuongdy sustained a gunshot wound to the leg and was transported to the hospital with non-life threatening injuries.

During the ensuing investigation, officers discovered five additional firearms hidden in the area where the subjects were observed running. The firearms were all loaded and included: two revolvers, two semi-automatic pistols and a MAC-11(Uzi type weapon). The shotgun possessed by Phonhlamuongdy was recovered and it was also found to be stolen, loaded and had a sawed-off barrel making it an illegal firearm.

[REDACTED] Upon his arrest he was found to have "LGC" tattooed on his back, further indicating his membership in the criminal street gang. Several other people, who were at the scene of the shooting, were identified as validated members of the [REDACTED] or the [REDACTED] criminal street gang.

On October 7, 2013, Phonhlamuongdy entered guilty pleas to violations of: Penal Code section 25850(c)(3) (carrying a loaded firearm in public while engaged in active participation of a criminal street

gang) as a felony; Penal Code section 148(a)(1) (resisting or delaying a peace officer in the performance of their duty) and Penal Code section 186.22(a) (being an active participant in a criminal street gang, with knowledge that the gang members are engaged in a pattern of criminal activity) as misdemeanors. Phonhlamuongdy was sentenced to one-year in the county jail. A blood sample taken from Phonhlamuongdy confirmed the presence of alcohol and marijuana in his system at the time of the shooting.

LEGAL ANALYSIS:

A peace officer may use deadly force under circumstances where it is reasonably necessary for self-defense or defense of another. California Penal Code sections 196 and 197 specifically provide that in a situation where it is reasonably necessary for an officer to defend himself or another person against death or serious bodily injury, the use of deadly force is legally justified. (See CALCRIM 505.) Additionally, an officer who has reasonable cause to believe a person has committed a public offense or is a danger to themselves or others may use reasonable force to affect arrest or detention, to prevent escape or to overcome resistance. (*Tennessee v. Gardner* (1985) 471 U.S. 1; *Graham v. Connor* (1989) 490 U.S. 386; *Kortum v. Alkrie* (1977) 69 C.A. 3d 325; CALCRIM 2670.)

The officers arrived at the scene to find multiple people running from them. As Officer Kirtlan chased after the suspects, he observed Phonhlamuongdy throw a shotgun over the fence and put his hands on the weapon. Officer Kirtlan, believing his life and the lives of his fellow officers were in danger, opened fire in attempt to neutralize the threat.

CONCLUSION

Applying the controlling legal standards with the factual record, we conclude that Officer Kirtlan was justified in using deadly force in this situation. The objective evidence supports a finding that the officer's conduct was reasonable given the circumstances he encountered.

Very truly yours,

On 8/3/2013 at 2340 Hours, I (Officer Cabrera #723) spoke to Witness (ID as [REDACTED]) at Arcade Blvd and Eleanor Ave and obtained a statement in summary. W [REDACTED] stated the following:

I was posted up on a chair smoking a cigarette in the front [REDACTED] Arcade Blvd). I was out there for like thirty minutes. Some boys came through like a "mother-fucker". "Nigga" got out and shot. My family lives here. I grew up here. I birth myself here. I will die on this dirt.

"Nigga" is the police. They ran, drew their gun and said, "I am going shot." I heard like seven rounds. Someone ran from the crowd. A male ran from the crowd. There were a couple of people out here. I didn't see the shooting but I heard it. I don't know who ran. I don't know what they were wearing. I heard a couple of shots. The guy might have been on probation and that's why he ran.

On 8/2/13 at approximately 2310 hours, Officer Cox and I, Officer Schiele (2A25), were dispatched to ■ Arcade Blvd to assist officers who were in foot pursuit. While en route to the call the officer advised they had a hostile crowd and needed units code three. Also, officers on scene advised there was shots fired. We responded code three and arrived on scene at approximately 2311 hours, and made the following observations in summary:

Sgt. Lange was standing at his unmarked patrol vehicle, which was parked in the middle of the street near ■ Arcade Blvd. There were multiple subjects standing around him, yelling at him. Upon Officer Cox and I reaching Sgt. Lange's location, the subjects began to walk backwards towards the front yard of ■ Arcade Blvd, still yelling at us.

No less than eight subjects ran up to Officer Cox and I, and started to yell at us. Due to the close proximity of the subjects, I expanded my baton in case I needed to defend myself. Once the baton was expanded the subjects backed a few feet away from us, giving us space. We advised them to get back and to go back to their house. The subjects were still verbally non-compliant, but we were able to get them congregated in the front yard of ■ Arcade Blvd.

I am not sure if they were running after someone or what. I didn't see. I just heard someone shoot. There were 10 cops here when the shooting happened. People in uniform.

I was drinking. I had 3-4 shots of Hennessy. I didn't have any beer. I didn't smoke any marijuana and didn't do any drugs.

On 08/02/13 at approx. 2312 hrs, I, Officer S. Cunningham #789 (1C62), was dispatched and en route to Arcade Blvd / Eleanor Ave regarding a call for cover and an officer involved shooting. I responded Code 3 (overhead lights and sirens) from the Kinney Police Facility to Colfax St / Arcade Blvd without incident. I arrived on scene at approx. 23 17 hrs.

Upon arrival I responded to the location of [REDACTED] Arcade Blvd to assist Officers with a large crowd/witnesses.

Officers were directed to take statements from individuals of that crowd. I contacted [REDACTED] (verbal I.D.) and walked her away from the crowd and took her statement. (see supplement).

I then was advised that a separate group of witnesses were detained near the apartments near [REDACTED] Eleanor Ave. I contacted [REDACTED] and took his statement away from the group he was detained with.

While on scene witnesses detained were allowed to leave and go home.

I returned to my vehicle and I ran a records check of [REDACTED]. On scene he told me he had never had an I.D. card or drivers license. A further check of his name and date of birth showed an incident report with the name [REDACTED] from 2010. I looked further and found a [REDACTED]. I saw it was the same date of birth and had the same listed address that [REDACTED] gave me. I found a mugshot in our RMS system and it appeared to match for the [REDACTED]. Per an alias check on the county records check he uses the name of [REDACTED].

I stood by for scene management until I was advised I was no longer needed.

On 8/3/13 at approximately 0115 hours I, Officer Gresham #509, contacted W-[REDACTED]. W-[REDACTED] was very upset and verbally hostile towards Officers. W-[REDACTED] stated the following in summary.

I did not hear or see anything. Someone detained me without cause and violated my rights. I know the law and you broke it. You should be asking all the cops here. They all know what happened. I know one of the cops shot someone. Cops shoot whoever they want for whatever reason they want.

(I then asked [REDACTED] how does he know someone got shot. I asked did he a shooting or hear where gunshots.)

I heard gunshots and that's it.

(I then told [REDACTED] that he originally told me did not hear or see anything).

I did see the cops chasing someone west of us and then heard gunshots. I was in a car so I could not see where it all happened at. I know nothing else. I just want to go. I am so mad that I am detained.

On 8/2/13 at approx. 2345 hours I, Officer Napper, spoke to W-[REDACTED]
[REDACTED] in front of [REDACTED] Arcade Blvd. He told me the following, in
summary:

I live down the street and came over here to my friends house because they were having a bbq. There was probably about 20 or so people here.

I was sitting near the table between the two buildings ([REDACTED] and [REDACTED]) when I heard a car pull up really quick. I saw the spotlights so I knew it was a cop car, but it wasn't a regular black and white patrol car.

The officers got out and one of them ran right by me. He wasn't wearing a regular uniform but he had the words "POLICE" written on his vest. I heard him yell "STOP" or something like that, but I didn't see if he was chasing anyone. I wanted to figure out what was happening so I walked out from between the buildings onto the grassy area.

Thats when I saw another Police Officer near the fence on the side of my building ([REDACTED]). I saw him with his gun out and he fired like 4-5 shots. I didn't see what or who he was shooting at.

A few seconds after that the other police cars started to show up and I just stayed out front.

On 8-2-13 at approx 2310 hours I, Ofc Hitchcock #480 (1A28), responded to Arcade Blvd / Colfax St for units requesting additional units. After the initial request, the units on scene then put out there were shots fired and requested code 3 cover. I responded code 3 to the scene. I arrived on scene at approx 2315 hours.

Ofc Hanson stated that he was north of the initial scene with a subject who had been shot. I responded to that location and located the units behind [REDACTED] Arcade Blvd. There was a subject on the ground in handcuffs and he appeared to have a gunshot wound to his right lower leg.

I stayed with the subject, Alex Phonhlamoungdy, until the Sacramento Fire Department arrived. Engine 20 and Medic 20 arrived on scene. It was determined that Phonhlamoungdy was a suspect. I rode in the ambulance with the medics to UC Davis Hospital. Ofc Kiser responded to the hospital as well. Ofc Kiser and myself remained at the hospital on prisoner watch until we were relieved by dayshift.

On 8/2/13 at approx. 2322 hours, I(Kiser) was dispatched to the area of Colfax St/Arcade Blvd-to assist numerous Officers who were on scene of an Officer Involved shooting. I arrived on scene at 2329 hours and I observed the following in summary:

When I arrived on scene, I was assigned by Sgt. Ellis to assist in creating a smaller interior crime scene. I placed crime scene tape around the area.

I assisted in scene security until A/Sgt. Davis advised me to respond to UCDMC to assist Ofc. Hitchcock with prisoner watch.

I responded to UCDMC. I assisted CSI Ofc. Strauss with photographing the injury to Alex Phonhlamoungdy's lower left leg.

I did not obtained a statement from Phonhlamoungdy. I advised him that an Investigator would be responding to take his statement.

While Ofc. Strauss was administering the gun shot residue test, she explained that the test was used to determine if the subject had recently fired a gun. He spontaneously stated the following: "Yeah, I did have a gun on me but I did not fire one."

Dr. [REDACTED] came in to examine his injury to determine if he would need surgery. While the examination was in progress, Phonhlamoungdy stated "if I knew I was gonna get shot, I wouldn't have run."

I remained on scene at the hospital until cleared by dayshift.
