### Incident Summary

The following account describes a use of force, police K9-deployment. Information for this summary was generated from prepared police reports, statements from officers on scene, witness statements, neighborhood canvas and review of all available ICC footage/audio. All officers were wearing full police uniforms and riding in fully marked patrol vehicles equipped with functioning in-car-camera (ICC) systems. I (Sergeant Justin Brown #3129) was working as the District 6 patrol supervisor (1SM6).

On 5/1/16 (Sunday) at approximately 0022 hours, K9 Officer Dustin Henderson #0343 (K94) along with Officers Alexander Wagstaff #0922 (1A67), Christopher Swift #0668 (1A87), and Bradley Nelson #0378 (1A36) responded to 1031 30th Street (Chevron Gas Station) regarding a report of a felony assault in progress. The caller [REDACTED] - Employee) indicated that a group of 5 to 6 subjects were in a physical fight in front of the location and one of the subjects was armed with a handgun. The armed subject was described as a male black adult, approximately 25 to 26 years old, medium build, and wearing a red sweatshirt. The armed suspect was later identified as Jeremy Johnson (2/2/89 XREF: [REDACTED] - Validated [REDACTED] gang member).

Officers Swift and Nelson were the first to arrive on scene, followed by Officers Wagstaff and Henderson. Upon arrival, the officers made contact with the group of subjects, including suspect Johnson who was in the area, just north of the gas station. Suspect Johnson matched the description of the armed subject described above and was given verbal commands to "stop and show his hands" as he began to flee from officers. Johnson sprinted westbound across 30th Street away from officers despite several verbal commands not to run given by K9 Officer Henderson (briefly recorded by Henderson's ICC MIC at the start of the foot pursuit - 072521.av). At the moment, Officer Henderson summoned his police service canine (Ike).

As Johnson fled on foot through a parking structure toward J Street, Officer Henderson clearly observed the suspect remove a large black firearm magazine from his waistband and instructed K9 Ike to apprehend suspect Johnson based on the following:

- 1) Suspect Johnson's physical and clothing description was a complete match to the armed suspect description given to dispatch during the time of the call.
- 2) Suspect Johnson immediately fled holding his waistband when officers attempted to contact him. Officer Henderson feared at the time that he was armed with a handgun.
- 3) Suspect Johnson had not been patted down or searched for any weapons.
- 4) Suspect Johnson was fleeing into a downtown parking structure during early morning hours, posing a threat to the safety of the public if he was not immediately captured.
- 5) The suspect had reportedly brandished a firearm during a physical altercation.
- 6) Officer Henderson was in fear for his safety, the safety of cover officers, and the public if the suspect was not immediately captured. Due to the suspect possibly being armed with a gun and the rapidly evolving situation, additional K9 warnings were not warranted. Supervisor approval was not obtained and guidelines for deployment were met.

Officer Henderson and K9 Ike followed suspect Johnson to the southeast corner of 29th Street/J Street where

Henderson attempted to physically grab the suspect just after he threw the firearm magazine in the area and fell to the ground (lost his footing). The suspect physically resisted arrest by rolling on his stomach and flexing his upper body/arms, preventing Officer Henderson from controlling his arms/hands (officer could not see his hands). K9 Ike bit suspect Johnson's right arm as he continued to physically resist arrest. Officer Wagstaff arrived at the location, and assisted Officer Henderson with taking the suspect into custody. K9 Ike was called off just prior to Officer Wagstaff's assistance. As a result of the struggle Officer Henderson sustained a minor abrasion to his right hand.

Additional officers arrived at 29th Street/J Street for assistance and located a loaded 9mm handgun (Glock 26) and a high capacity magazine in close proximity to the custody location.

Sacramento Fire/Medical personnel (Medic 19/Engine 4) arrived at the scene and provided medical care for suspect Johnson (sustained puncture/avulsion wounds to his right upper and lower arm). Prior to being booked into jail (25850 PC/25400(a) PC/148(a) PC), Johnson received further medical care at Sutter General Hospital until he was fit for incarceration. CSI (Lustig #6373) responded to photograph Johnson's injuries as well as Officer Henderson's injuries. A canvas was completed for witness statements and possible video surveillance of the incident. I responded and took control of the scene.

Upon review of this incident, it is my belief that the use of force (canine deployment) was within the Sacramento Police Department's policy. I viewed all available ICC footage of involved officers with negative results.

Subject: **WAGSTAFF #922**

Related date/time: **May-01-2016 (Sun.) 502**

On 05/01/16 at approximately 0022 hours, I, Ofc Wagstaff #922 responded to 1031 30th St regarding 5-6 subjects in a physical fight. I was in a marked Sacramento Police car in full Sacramento Police uniform. Per the text of the call the complainant stated that one of the subjects in the fight was armed with a gun. I arrived on scene at approximately 0025 hours. I observed the following in summary:

Over the radio, dispatch broadcasted that the subject that was armed with the gun was a male black adult 25-26 5'5 medium build with a red sweat shirt on (later identified as Jeremy JOHNSON). Upon arrival I observed JOHNSON wearing a red sweat shirt that matched the description that was broadcasted. JOHNSON was walking north along the west side of [REDACTED] 30th St. I then lost sight of JOHNSON for a few seconds as he walked east into Jazz Aly. JOHNSON then reappeared and started to walk west on Jazz Aly towards 30th St.

I ordered JOHNSON to come here and he responded that he would but kept walking away from me. I was walking towards JOHNSON and then he fled on foot west towards 30th St. I ordered JOHNSON to stop running but he continued to flee on foot. (See K-9 Officer HENDERSON's supplement for further detail)

I assisted Officer HENDERSON in taking JOHNSON into custody.

Multiple Officers responded to the scene and assisted with the canvass and taking statements from witness's in the area. (See other Officer Supplements)

I conducted a canvass with the following result:

At 2828 J St (AMPM) I, contacted [REDACTED] who stated that they do have surveillance cameras on the outside of the business. [REDACTED] stated that he does not know how to work them and his manager (manager [REDACTED]) wont be in till Monday.

On the outside AMPM, I, observed two surveillance cameras that are on the east side of the business that may have captured Officers taking JOHNSON into custody.

I did not observe any surveillance cameras on the perimeter of [REDACTED] J St.

I notified dispatch to have dayshift units respond to 2828 J St and 1031 30th St to try and view the surveillance cameras.

END canvass

CSI responded to the scene and took photo graphs.

Officers Hann #682 and GOOGIN #758 photographed and booked the firearm, projectiles and a magazine that was located at the scene of the arrest. (See Officer Hann's and Officer GOOGIN's supplements for further detail).

Fire was requested to respond to the scene. JOHNSON was transported to Sutter Hospital where he was medically cleared for incarceration. Officer Ouilhon rode in the ambulance with JOHNSON. (See Officer Ouilhon Supplement)

Officer Ouilhon later transported JOHNSON to SCMJ and booked him for 148(a) PC, 25850(c)(3)PC, and 25400(a)(6) PC.

I conducted a records check and found that JOHNSON is a validated [REDACTED]  
[REDACTED]. (SPD RPT #16-59492)

lsm6 (Sgt Brown) responded to the scene and was advised.

On 5-1-16 at approximately 0040 hours, I (Officer Swift #668) spoke with W-[REDACTED] at 1031 30th St. He told me the following in summary.

I work here with my family. This is a family run gas station. Every night these guys are out here causing problems for us. Tonight, there were two groups of MBAs standing here yelling gang names at each other. The guy in the red sweat shirt pulled up his shirt and showed a black handgun in his waist band. It looked like a Glock.

(I read W-[REDACTED] the field show up admonishment from my issued SPD605 card. I transported W-[REDACTED] to 29th St and J St where he viewed S-Johnson laying on the gurney getting loaded into the Medic. I asked W-[REDACTED] if he recognized S-Johnson).

The guy getting loaded into the ambulance? Yeah, thats the guy with the red hoodie. Is that a hoodie? He is the one who brandished the handgun in his waist band.

On 5-1-2016 at approximately 0022 hours, I (Officer Swift #668) was dispatched to 1031 30th St (Chevron) regarding a call of 5-6 subjects in a physical altercation. The comp additionally stated one of the subjects was armed with a gun. He was described as an MBA 25-26yo, 5'5" and wearing a red sweat shirt. I arrived on scene at approximately 0024 hours. Officer Nelson arrived on scene with me.

Upon arrival, I observed a group of 4-5 MBAs loitering just north of the gas pumps at the Chevron. As we walked toward them, the group walked north to the Mel's Diner parking lot. As they were getting to the parking lot, K94 (Officer Henderson) arrived on scene and contacted the subjects in the parking lot of Mel's.

I turned and observed an MBA in a red hooded sweat shirt with the hood up over his head walking w/b from the alley toward 30th St. He appeared to be talking on his phone and holding his other hand near his waist band. Officer Wagstaff had arrived on scene at the south end of the Chevron and was approaching on foot.

I alerted Officer Henderson to the suspect and walked toward him. The suspect (later identified as S-Johnson) walked back e/b into the alley. I moved to intercept and he changed direction again back heading towards 30th St.

I heard Officer Wagstaff giving S-Johnson commands to come talk to him. S-Johnson quickened his step while continuing to act like he was on the phone.

Due to S-Johnson having been reported to be armed, I drew my sidearm and gave him commands to stop and show his hands. S-Johnson ran W/B across 30th St toward the parking garage as Officer Henderson backed his vehicle and sent his partner after S-Johnson. S-Johnson ran w/b through the parking garage then S/B to the K St exit. I stopped and went northbound to J St as other officers continued in foot pursuit of S-Johnson. I exited the parking garage onto J St and went W/B to 29th St where I located S-Johnson being taken into custody by Officer Wagstaff and Officer Henderson. S-Johnson was continuing to resist and was not showing his other hand as Officer Henderson had one of his hands while S-Johnson was on the ground. As he continued to resist, the K9 engaged on S-Johnson's arm. Officers Wagstaff

was then able to place S-Johnson into handcuffs.

I returned to 1031 30th St and contacted W- [REDACTED] and obtained his statement. On Sunday 05-01-2016, at approximately 0022 hours, I was working full uniformed patrol in a marked Sacramento Police Department K9 patrol vehicle. I was dispatched to 1031 30th St regarding a felony assault in progress. Per the caller, a group of 5-6 subjects were in a physical fight in front of the location (Chevron) and that one of the subjects was armed with a gun. The caller described the subject with the gun as a male black adult, approximately 25-26 years old, medium build, wearing a red sweatshirt. Along with other units, I arrived on scene at approximately 0024 hours. I observed the following in summary:

I pulled my patrol vehicle into the parking lot just north of Chevron (Mel's Diner). I observed multiple male black adult subjects walking away from Chevron northbound through the parking lot. I briefly contacted a small group of subjects, none who matched the description of the armed suspect. At this time, Officer Swift advised me of a suspect who fully matched the armed suspect description who was standing at the northwest corner of the Chevron building. I observed a male black adult, medium build, wearing a red sweatshirt looking around in a nervous fashion approximately 40 feet away to my south. Officer Swift attempt to verbally contact the suspect who immediately started sprinting away from him. I reversed my patrol vehicle and observed the suspect run around my clearly

marked K9 patrol car as I was pulling out onto 30th St. I could clearly see that the suspect, later identified as (S) Jeremy Johnson, was running holding onto the front waistband/pocket area of his pants. (S) Johnson fled westbound across 30th St and into a parking structure (2901 K St).

I got out of my K9 patrol vehicle and yelled "Don't run! Don't run!" I then called my police service canine, "Ike" to a heel as I ran across 30th St. When (S) Johnson got into the parking structure I could see him remove what appeared to be a black colored large firearm magazine from where he was holding onto his waistband/pocket area. I instructed K9 Ike to apprehend the suspect based on the following:

- 1) Suspect Johnson's physical and clothing description was a complete match to the armed suspect description given to dispatch during the time of the call.
- 2) Suspect Johnson immediately fled holding his waistband when officers attempted to contact him. I feared at that time that he was armed with a firearm.
- 3) Suspect Johnson had not been pat-down or searched for any weapons at this point.
- 4) Suspect Johnson was fleeing into a downtown parking structure during early morning hours posing a threat to the safety of the public if he was not immediately captured.
- 5) The suspect had already brandished the firearm during a physical altercation.
- 6) I was in fear for my safety, the safety of my cover officers, and the public if the suspect was not immediately captured. Due to the suspect possibly being armed with a gun additional K9 warnings were not warranted.

(S) Johnson continued running west and then south through the parking structure as K9 Ike and I gave chase on foot. The suspect attempted to actively evade my K9 partner by constantly changing directions and running around cement pillars in the structure. He exited onto K St and then made a northbound turn on 29th St with K9 Ike in pursuit.

I observed (S) Johnson lose his footing and start to fall to the ground on the southeast corner of 29th St and J St. I observed him throw the large firearm magazine in a northeast direction approximately 5-10 feet away from him. Due to the suspects abrupt stop I quickly overtook his position. As I

approached him I could not clearly see his hands. I grabbed ahold of (S) Johnson who then attempted to roll onto his stomach in some shrubs on the corner. I still could not see his hands from under him. (S) Johnson was flexing his upper body and arms to prevent me from pulling them away from his body. I could not tell if he was attempting to retrieve a firearm so I attempted to control his arms to keep them away from his body while he continued to struggle and fight. K9 Ike made contact with (S) Johnson's right arm during the struggle as I continued to wrestle both of the suspect's arms away from his body. At this time, Officer Wagstaff arrived to assist. I yelled to Officer Wagstaff that I could not see the suspect's hands. At no time did (S) Johnson release tension in his arms or stop resisting our attempts at handcuffing. Officer Wagstaff began to assist in the struggle of (S) Johnson. Due to Officer Wagstaff's close proximity K9 Ike released his hold of (S) Johnson and I placed him in a down/stay near us. Officer Wagstaff and I physically pulled his arms out from under him and so he could be handcuffed.

I immediately requested Sacramento Fire/Medical units to check (S) Johnson. I later observed puncture and avulsion wounds to his right lower and upper arm. Fire responded and transported (S) Johnson to Sutter General Hospital.

Other officers arrived on scene to assist. Officers located a Glock 26 (9MM) handgun approximately three feet south of where we took (S) Johnson into custody. Per officers who secured the handgun it was loaded with one in the chamber. 23 live bullets were found in the magazine, and three on the ground where the magazine was thrown. (Carrying loaded firearm in public - 25850 PC / Carrying concealed firearm - 25400(a) PC) Officers Hann and Goggin took custody of the handgun to be booked into evidence.

A records check showed (S) Johnson was a validated [REDACTED].

CSI responded to the scene and took photographs. CSI also responded to Sutter General and obtained photographs of the suspect. Officer Quilhon responded to the hospital. Officer Quilhon attempted to gain a statement under Miranda from (S) Johnson. (See supplement)

Multiple patrol officers were tasked with conducting a neighborhood canvass for witnesses to the incident.

I sustained an approximate 1/2 inch x 1/2 inch abrasion to my right hand as a result of the struggle to take (S) Johnson into custody.

On Sunday, 5/1/16 at approx. 0030 hrs, Ofc. Goggin #758 and I, Ofc. Hann #682 (TAC31) arrived at 2901 K St to assist Ofc. Henderson #343 (K94) who had been chasing an individual (Jeremy JOHNSON) on foot. Ofc. Henderson had advised over the radio that JOHNSON was armed with a handgun and had discarded the handgun at the end of the foot chase. We arrived on scene and observed the following in summary:

I located a 31 round magazine for a glock handgun and 3 live rounds in the entrance way of 2901 K St. The magazine had a total of 23 lived rounds of ammunition loaded in the magazine. There was a total of 5 Hornady rounds and 23 Winchester Western rounds. These items were photographed in place and then collected by Ofc. Goggin. Ofc. Goggin put on rubber gloves prior to handling the items.

I located a Glock 26 9mm handgun S/N: [REDACTED] laying in the planter bed approx. 12 feet from the entrance of 2901 K St. The handgun could have easily been thrown to its resting spot from the front of 2901 K St. The handgun was photographed prior to Ofc. well because it had be ejected at the entrance to 2901 K St. Ofc. Goggin had on rubber gloves when he collected the firearm.

A records check of the handgun did not reveal that it was registered to JOHNSON. In fact at the time of the records check the handgun was not registered to anyone nor did it have a Dealer Record of Sale (DROS) in the automated firearms system.

I also located a white HTC cellular telephone that was in the planter bed near the handgun. The cellular telephone was also photographed in place and collected.

The above items as well as the photographs were booked into the property division as evidence.

I.B.I.S. Casing Entry  
Crime Class: 25850 PC  
Report Number: 16-123613

On 10/12/16, at approximately 1025 hours, I reviewed the following in the IBIS Computer Lab: expended cartridge casings booked under Property Record Number 929736-1.

Of the two (2) booked TEST FIRE casings, I entered the following cartridge casing into the Integrated Ballistics Identification System (IBIS):

929736-1-1, one (1) 9mm Luger, WIN, Glock, expended cartridge casing.

On 10/12/16 at approximately 1200 hours I returned the above items to the Property Section via the Property Dropbox.

All unidentified expended cartridge casings are registered in the unsolved casing database of the Integrated Ballistics Identification System (IBIS).
