### Incident Summary

On Sunday, November 6, 2016 at 1:37 a.m., an officer from the Sacramento Police Department was providing supplemental security in a business near the 400 block of North 16th Street. The officer's attention was drawn towards two groups of subjects in the parking lot. The two groups of adult men appeared to be engaged in a physical altercation. The officer, along with two private security officers, exited the business to intervene and break up the fight. The two groups separated and dispersed in two different directions.

As the groups were leaving the area, a subject produced a firearm and began shooting. The involved officer was in the parking lot as this shooting unfolded. The two private security officers and several other people were also in the parking lot in the immediate area of where the shooting occurred. The officer immediately drew his firearm and fired multiple rounds at the armed gunman. He drew the attention of the suspect who then began to shoot at the officer. The officer sought protection from the gunfire behind a nearby vehicle. The suspect fired several rounds from his weapon before fleeing the scene.
