Incident Summary

On 9/19/17, at approximately 1457hrs., Ofc. Bohrer(1B67), Ofc. Jensen and Ofc. Jennings(2B32) were dispatched to [REDACTED] Crete Av regarding a 242P (misdemeanor assault in progress). At approximately 1502hrs., Ofc. Bohrer arrived onscene contacting victim [REDACTED]. Per Ofc. Bohrer, victim [REDACTED] had significant swelling to her eye and a laceration under the eye that would require stitches. SFD was requested for victim [REDACTED]'s injuries. Victim [REDACTED] advised that her son, Hector Gomez, had punched her in the face when he was told he was no longer welcome at her home.

Ofc. Trejo (1C68) and Ofc. Donnell/Ofc. Paiz (2B64) replaced out of District officers Jensen and Jennings. Ofc. Donnell and Ofc. Paiz arrived on scene at approximately 1511hrs., assisting Ofc. Bohrer who is waiting at the front door of the residence [REDACTED] Crete Av). Ofc. Bohrer had heard noises from inside the residence advising that the suspect may have fled out the backdoor. Ofc. Paiz walked around to the back of the residence while Ofc. Bohrer and Ofc. Donnell maintained visual on the front door.

As Ofc. Paiz walked around the south side of the residence he observed suspect Hector Gomez standing just inside the backdoor with his back turned to Ofc. Paiz. Ofc. Paiz drew his firearm ordering suspect Gomez to show his hands. Suspect Gomez turned around and walked out of the residence sitting down on the rear steps. Ofc. Paiz advised Ofc. Donnell and Ofc. Bohrer to come around to the back of the residence as he was talking to the suspect. Ofc. Paiz took control of suspect Gomez's left wrist, ordering Gomez to put his right hand behind his back. Suspect Gomez complied at first but stopped, tensing both of his arms and balling his fists. Ofc. Paiz told suspect Gomez to relax and not resist but Gomez did not comply. As Ofc. Bohrer and Ofc. Donnell rounded the corner of the residence, suspect Gomez stood trying to spin towards Ofc. Paiz positioning himself into a fighting stance.

Ofc. Paiz knew that suspect Gomez was wanted for 243d PC(felony) after punching his own mother in the face and believed that suspect Gomez was now going to assault Ofc. Paiz or the other officers on scene. Ofc. Paiz was unable maintain a grip on suspect Gomez, noting Gomez's strength and behavior was like that of a person under the influence of narcotics.

Ofc. Paiz decided to place suspect Gomez in a carotic control hold in an attempt to quickly and safely render the violent suspect unconscious. Ofc. Paiz applied the carotic control hold once he was in the proper position. The application of the hold lasted approximately 10-15 seconds as Ofc. Donnell and Ofc. Bohrer were struggling to handcuff the resisting Gomez. Ofc. Paiz advised that he could hear suspect Gomez snoring at which time he released the carotid control hold.

As suspect Gomez woke, he continued to resist and fight. Ofc. Bohrer immediately requested SFD for suspect Gomez due to the application of the use of force. Ofc. Paiz placed suspect Gomez into a position of recovery monitoring his breathing and overall medical condition. Suspect Gomez was transported to UCDMC for medical clearance.

Ofc. Paiz sustained minor bruising to his right forearm and complaint of pain to his lower back. Ofc. Donnell had a minor scratch to his left hand.

The incident was captured on BWCs worn by Ofc. Donnell, Ofc. Bohrer and Ofc. Paiz. **It should be noted that during the struggle with suspect Gomez, Ofc. Paiz's camera was knocked loose from his person falling onto the ground.

A neighborhood canvass was conducted by responding officers. I photographed victim [REDACTED]'s injuries, Ofc. Donnell and Ofc. Paiz's injuries and the scene. CSI was requested for photographs of suspect Gomez's injuries(abrasion/contusion to his forehead).

After reviewing all BWC footage, the submitted reports, injuries sustained by the victim and dispatch audio files, I believe that the force used by Ofc. Paiz was within the Use of Force Policy of the Sacramento Police Department.

On 9-19-17 at appx. 1505 hrs., I, Ofc. Bohrer contacted V-[REDACTED] at [REDACTED] Crete Ave. V-[REDACTED] stated the following in summary:

I had my son (S-Hector Gomez) come over to help me out with some stuff around the house. He had been at my house for a couple of days to week. Today my landlord ([REDACTED]) called me while I was at work at told me that Hector was acting weird. I came back to my house from work, and told Hector that he needed to leave. Hector then grabbed my car keys and tried to leave in my car. I told Hector to give me my keys back and he could not take my car. [REDACTED] was outside, and he helped me get my car keys back from Hector. Hector then went back inside the house. He entered the house through the door by the laundry room (on the SE sided of the house). I followed him in the house, and was standing in the laundry room leading into the kitchen and told Hector again that he needed to leave. That is when Hector turned around and punched me once with a closed fist in the left side of my face. I grabbed onto the wall to stop myself from falling down. The blood on the wall is from me. I did not fall down or lose consciousness. I turned around immediately and went outside of the house and told [REDACTED] to call 9-1-1.

The blood on the ground is also from me.

The injuries to my face were caused by Hector punching me. My nose and eye hurt, and I think my nose may be broken.

I can't believe my son did this to me. I want to press charges against him.

I believe he is using methamphetamine.

Please do not try to contact himself by yourself. He is a big guy, and he may hurt you.

On 9-19-17 at appx. 1457 hrs., I, Ofc. Bohrer was dispatched to [REDACTED] Crete Ave. regarding an assault in progress, and that medical aid was needed. Per the complainant (W-[REDACTED]), his tenant (referring to V-[REDACTED]) was just assaulted by her son Hector (referring to S-Gomez) and she needs an ambulance. [REDACTED] advised dispatch that S-Gomez is still inside the residence, and that V-[REDACTED] is bleeding profusely and has facial injuries.

I had dispatch request for [REDACTED] and V-[REDACTED] to come out to meet me at Belleview Ave. and Crete Ave. as my cover units were coming from a distance. [REDACTED] advised that V-[REDACTED] is dizzy and unable to walk out to the street.

I arrived on scene at appx. 1502 hrs.

I contacted [REDACTED] and V-[REDACTED] outside of the residence to the west of [REDACTED] Crete Ave. I observed blood all over the front of V-[REDACTED] shirt, blood on her face, and a large swollen contusion to her left eye. There was a laceration (appx. 3/4 in. long) on top of the contusion, and it was still bleeding. V-[REDACTED] was also bleeding from her nose, and she complained of pain to her nose. The contusion was purplish in color, and her eye was beginning to swell shut (see photos taken by Sgt. Thompson, 3SM6 for further details). It appeared that V-[REDACTED] nose may be broken.

I advised dispatch that Fire could respond to Belleview Ave. and Crete Ave. to render aid to V-[REDACTED]

V-[REDACTED] and [REDACTED] advised me that S-Gomez was still inside of [REDACTED] Crete Ave. I observed that the door on the SE side of the residence was open. There were two large pools of blood directly outside of this door, and blood spatter in the doorway (see photos for further details). The door on the west side of the residence was shut.

I waited for additional units to attempt to make contact with S-Gomez.

I took V-[REDACTED] statement.

I walked V-[REDACTED] out to the street to wait for fire.

I returned to [REDACTED] Crete Ave., and now observed that the door on the west side of the residence was open. I did not see S-Gomez.

Ofc. Paiz and Ofc. Donnell (2B64) arrived on scene at appx. 1510 hrs.

R/O's could still hear movement inside of the residence. Ofc. Donnell and

I were at the SE door, and Ofc. Paiz was covering the west door. Ofc. Donnell made announcements for S-Gomez to come out. A few seconds later, Ofc. Paiz advised us to come around to his side. As Ofc. Donnell and I came around to the west side of the residence, I observed Ofc. Paiz actively struggling with S-Gomez attempting to detain him. S-Gomez attempted to stand up (ignoring Ofc. Paiz' commands) and get away from him. As Ofc. Paiz grabbed S-Gomez, and S-Gomez began to flail his arms and swinging as if he was trying to hit Ofc. Paiz or Ofc. Donnell. Ofc. Paiz and Ofc. Donnell were able to get S-Gomez onto the ground and he continued to flail and pull away from R/O's. R/O's continued to tell S-Gomez to stop resisting. I applied one handcuff to his right wrist. Ofc. Paiz advised that S-Gomez was unconscious (as a result of the Carotid), and we were able to get his left wrist handcuffed as well. When S-Gomez became alert again, he immediately started to roll around and resist officers. R/O's had to hold him down.

I observed that Ofc. Paiz' body worn camera was lying on the ground appx. 3 ft. away from where we detained S-Gomez.

I immediately requested SFD to check out S-Gomez.

I was not injured as a result of the struggle (see Ofc. Paiz/Ofc. Donnell's obs for further).

SFD responded to the scene. V- [REDACTED] declined to be transported by the ambulance. The landlord ([REDACTED]) advised she would take V- [REDACTED] to the hospital.

Sgt. Thompson responded to the scene. Sgt. Thompson took photos of the scene and the V- [REDACTED] injuries.

CSI was requested to respond to UCDMC for photos of S-Gomez injuries (small laceration above his left eye).

SFD transported S-Gomez to UCDMC. Ofc. Thomas and Ofc Costan (2C61) went with S-Gomez to the hospital.

A records check shows S-Gomez on [REDACTED] for [REDACTED] through 6-22-21.

On Tuesday, September 19, 2017 at approximately 1508 hours Ofc Paiz and I, Ofc Donnell (2B64) responded to [REDACTED] Crete Ave to assist Ofc Bohrer (1B67) who was on scene of an assault with injuries where a mother was just assaulted by her son who was identified as Hector Gomez. Additional on the call stated that the mother was bleeding profusely from the face and the son was still inside the residence. Ofc Bohrer broadcasted that the suspect may have fled out the back of the house (Please see Ofc Bohrer's report for full detail). While en route I conducted a records check of Hector Gomez (3-10-83, xref-[REDACTED]) which revealed he was on F/S probation until 6-22-2021 and we looked at his mug shot photo. Ofc Paiz was driving our marked black and white patrol vehicle and I was the passenger. We were both wearing a police uniform and body worn camera's that were activated along with our in car camera. We arrived on scene at approximately 1511 hours. The following are my observations in summary:

Upon arrival we walked up to [REDACTED] Crete Ave where Ofc Bohrer was. Once at the east side of the house I saw a large amount of blood on the ground outside of an open door. Ofc Paiz made his way around to the west side of the house. While outside of the door on the east side of the house I heard noises inside of the house. I called out to Hector, stating that it was the police and to come outside with his hands up. Shortly there after Ofc Paiz broadcasted for assistance on the other side of the house.

Ofc Bohrer and I ran around to the west side of the house where Ofc Paiz was. Once there I saw Hector Gomez sitting on the steps just outside the west door of the house. Ofc Paiz went to detain Hector Gomez in handcuffs and he immediately started resisting Ofc Paiz. Hector Gomez stood up and swung his body around as I was running up to him and Ofc Paiz. Once Hector Gomez stood up Ofc Paiz was attempting to control him from behind. At about that time I was in front of Hector Gomez and I saw his right hand cocked back and in a fist. I went to grab ahold of Hector Gomez's right arm / fist. (NOTE: I later reviewed by body camera footage of the incident. Begining at approximately 02:43 into the video you can clearly see Hector Gomez's right arm cocked back with a closed fist come towards me.) I was not struck by the fist. It was at about that point that Hector Gomez, Ofc Paiz and I went to the ground where Hector continued to actively resist our efforts to detain him in handcuffs. During this time I was continually telling Hector Gomez to stop. After a few moments of trying to get detain Hector Gomez I heard a noise as though he was snoring and I realized that a carotid control hold had been placed on Hector Gomez by Ofc Paiz. I quickly grabbed ahold of Hector Gomez's right hand and pulled it behind his back. Ofc Bohrer was able to handcuff Hector Gomez's right hand and then we began to quickly work on getting his left hand behind his back and handcuffed. Moments after being

handcuffed Hector Gomez came back to and immediately went back to resisting Ofc Paiz, Ofc Bohrer and myself and was thrashing his legs around. It was at about this point after being told to relax Hector Gomez stated, "I fucking love you guys." We turned Hector Gomez onto his side to a recovery position but we still kept control of Hector Gomez. We requested the fire department to respond for Hector

Gomez. It was at about that point that I noticed that Hector Gomez appeared to be bleeding from his mouth and he said he was [REDACTED].

Ofc Paiz and I kept control of Hector Gomez on the ground until the fire department responded as he would go from being compliant to resisting. At one point while Hector Gomez was resisting I had to use my knees and body weight on his legs in an attempt to control him. Due to Hector Gomez continued resistance after being handcuffed Ofc Bohrer placed a hobble on his legs.

The fire department responded and ultimately transported Hector Gomez to UC Davis Medical Center.

While all this happened an individual was standing by and watching us who was later ID'd as [REDACTED]. I asked [REDACTED] if he saw what happened and he stated he did. I asked [REDACTED] to stick around so another officer could get his statement.

Due to Hector Gomez resisting our efforts to detain him I got a small cut, approximately 1/2" in length, on the outside of my left hand that broke the skin and was bleeding. I saw that Ofc Paiz had discoloration to his right forearm and a complaint of pain to his back due to Hector Gomez resisting.

Sgt Thompson (3SM6) responded to the scene and was advised of the circumstances. He took photographs of the scene and Ofc Paiz and my injuries.

I later booked the memory card containing the photographs at 300 Richards.

On 9-19-17 at approximately 1508 hours, Ofc Donnell #407 and I (Ofc Paiz #270, 2B64) were dispatched to [REDACTED] Crete Ave to assist a solo officer on scene of an individual who battered his mother and she was in need of an ambulance. Further information revealed the suspects mother (V-[REDACTED]) was bleeding profusely from the face and was unable to walk to the solo officer on scene due to being dizzy. This appeared to be a serious injury and a violent felony. While enroute to the call, Ofc Donnell conducted a records check of the suspect (Gomez, Hector) and discovered he was on F/S probation until 6/22/2021 in Sacramento County and we were able to see a mugshot of him. We arrived on scene at approximately 1511 hours.

Upon arrival, Ofc Donnell and I contacted the officer on scene (Ofc Bohrer #250) who advised the back door was open and the subject may have fled out of the back. I could see two large pools of blood at the front door steps where it appeared V-[REDACTED] had bled from her injuries. Ofc Donnell and Ofc Bohrer stayed at the front door while I began to walk around to the west side where the door was open. Officers could hear movement inside the residence and Ofc Donnell began giving voice commands to the S-Gomez to come outside with his hands up and he responded audibly but I don't recall the response. I could hear him as I walked around to the west side of the residence where an open door was.

Upon approaching the open door, I could see a subject with him back to me. I drew my firearm and gave verbal commands to S-Gomez to let me see his hands and turn around as he walked towards me and out from the residence. He immediately sat down facing me. I advised over the radio for both officers to come around to my location. I stepped up to the concrete where S-Gomez was sitting and grabbed his left wrist while instructing him to place his hands behind his back. He initially complied and as I began to gain a better hold of his wrist to apply a rear wrist lock to handcuff him he tensed both of his arms and balled both of his fists. I told him to relax and not to resist but he still maintained a tense fist on both his his fists. As Ofc Donnell and Ofc Bohrer rounded the corner to assist me, S-Gomez stood up and tried to spin towards me in a fighting stance.

NOTE: At this time, I knew the subject was wanted on fresh felony charges for assault to his mother and was now attempting to assault me. As I grabbed S-Gomez, I was unable to maintain my grip and was only able to keep him from turning into me due to how strong he was and/or being under the influence of narcotics. He was not searched at this time and it was unknown if he had any weapons on his person that could be used on officers. Due to these facts and circumstances listed above, I decided to to place S-Gomez

in a Carotid Control Hold in attempt to quickly render the violent subject unconscious and lower the need to escalate the level or force up to including deadly force. This also gives officers on scene the opportunity to use lesser means to control and subdue the violent individual.

I spun with him and cross-faced (stiff arm across and in front of the shoulder and face) him with my right forearm to prevent him from turning into me to fight/strike me with his fists or flee. As I pulled S-Gomez back, I continued to spin taking him to the ground and got my right arm into position for a Carotid Control Hold. While on the ground I applied the hold while Ofc Donnell and Ofc Bohrer began to assist. I maintained the hold for approximately 10-15 seconds while Ofc Donnell and Ofc Bohrer were struggling to gain control of his hands. While they were attempting to gain control, I could feel someone tugging on my belt where one of S-Gomez's hands were. I could hear S-Gomez snoring and released the Carotid Control Hold and saw he was asleep. I sat up and advised both Ofc Donnell and Ofc Bohrer he was asleep and we were able to handcuff him as he was coming to.

As he woke up, he continued to resist and fight while we attempted to maintain control of him and keep him on the ground and handcuffed. He continually tried pulling away and thrashing his legs. Officers continued giving him commands to stop resisting, relax, and to stop moving.

Ofc Bohrer requested medical for S-Gomez due to the use of force and we placed S-Gomez on his side in the recovery position. While in the recovery position, no pressure was on his chest to assist with his breathing and I maintained pressure on his arms and shoulder when he would resist and thrash around until fire arrived and he was cooperative enough to be treated. I could see blood inside of his mouth and he advised he was [REDACTED].

While he was on the ground and resisting, officers continued to plea with him to stop resisting and relax to help calm him down. He eventually calmed down and became compliant. Medical transported him to UC Davis Medical Facility along with swing shift officers.

NOTE: While I cross-faced S-Gomez, I later discovered teeth marks on my right forearm and my right forearm was in pain. I assume this occurred while I cross-faced S-Gomez prior to being brought to the ground. I do not believe he actively tried to bite me. I also could feel pain in my lower back from struggling with S-Gomez.

3SM6 (Sgt Thompson #3140) arrived on scene and was advised of the incident. He took photographs of my right forearm and Ofc Donnell's hand that sustained minor scratches.

ON 9-19-2017 at approximately 1535 hours, I, Officer Costan #1019, contacted Witness-[REDACTED] who stated the following in summary:

I am the property owner. I live on the property as well.

Today, I noticed one of the trees on my property had a damaged limb in front of [REDACTED] Crete Ave. When I went to check out the tree, I noticed that [REDACTED] Crete Ave was playing very loud music, which is very out of character. [REDACTED] lives there alone, but her son, Hector, is sometimes there.

I knocked on the door and asked Hector to turn the music down and also asked him about the tree limb. Hector came out and started acting belligerent and didn't make a lot of sense. He ran back inside of the house. I called his mom and asked her to come home because I thought Hector was one drugs or something. [REDACTED] said she would be home soon.

[REDACTED] came home and went inside to talk to Hector. After a few minutes, Hector came out with the keys to [REDACTED] car in his hand and he got into the driver seat. There was a struggle over the car keys between [REDACTED] and Hector and the keys ended up on the ground. I grabbed the keys to keep them away from Hector. Hector and [REDACTED] went back into [REDACTED] Crete Ave.

After a few more minutes, [REDACTED] came out with her face all bloody. Hector was still in the house. I called the police.

A female officer (pointing out Officer Bohrer #250) showed up first and called for back up. We waited outside and Hector didn't come out.

Two male officers (pointing to Officer Paiz #270 and Officer Donnell#407) came and assisted the female officer. They had Hector exit the house.

Hector came out and started wrestling with officers when they tried to put him in handcuffs. I didn't see much when they all started wrestling with him.

The officer did not do anything excessive.

I observed that her left eye was almost completely swollen shut, and there was a golf ball size contusion on her left eye. The contusion was purplish in color. I observed that her right eye also had purplish coloring around her top eyelid (see CSI photos for further details).

I requested CSI to respond for photos of V-[REDACTED] injuries.
