Incident Summary

SUMMARY:

Ofc. Eckert (1A64) was enroute to jail with a suspect from a previous call when he was hailed at 3rd and J regarding an assault. Ofc. Eckert stopped and spoke with a few FBA's who had just left the Pier Lounge and found out that one of the girls in their group had been pistol whipped by a MBA who was with two other men. Ofc. Eckert began broadcasting suspect information and their direction of travel. Sgt. Magee responded to assist Ofc. Eckert. Officer Truesdale responded to the scene. While trying to get the details of the incident, a loud disturbance was heard coming from the bottom floor of the Old Sacramento Parking Garage. Ofc. Eckert and Ofc. Truesdale responded to investigate, while Sgt. Magee stayed with Ofc. Eckert's prisoner who was secured in the back of his patrol vehicle. Officers found that the disturbance in the parking garage was related to the incident that Ofc. Eckert was hailed on.

In the subsequent investigation, officers found out that a group of FBA's and one MBA, up from Fresno, were enjoying an evening at the Pier Lounge. They left the Pier and walked over to the SE corner of the Old Sacramento City Parking Garage, on the bottom floor, where their car was parked and could not find the car key. While looking for the key, 3 MBA's went down into the parking garage and began cat calling the females. The male that was with the females told the 3 MBA's to back off but instead they commenced to beating down the guy. One of the females in the group, [REDACTED], removed her high heel shoe and struck one of the MBA who were attacking her BF in the ear. The three assailants then went up stairs in the parking garage. [REDACTED] stated that she saw one of them go to his car, get a gun out, and rack it. The three assailants, who were then joined by a MHA, later identified as Michael Mankin 12-21-86, went back after the group of girls and the BF. After a short run through the parking garage, the group stopped and tried to talk the guy with the gun down. The MBA with the gun then pistol whipped [REDACTED] for ripping his ear open with her shoe. The three MBA suspects then fled, apparently in a white Mercedes (unknown plate). [REDACTED], who joined them half way through, remained on scene.

Additional units were requested as Ofc. Eckert and Ofc. Truesdale were dealing with a large crowd in the parking garage. Units responded Code 3 to the location. Mankin, who was the main aggressor, was pruned out and detained in handcuffs. While Ofc. Eckert was dealing with Mankin, a FHA, later identified as Mankin's girlfriend [REDACTED], walked up to officers as they were detaining Mankin and was yelling. Ofc. Truesdale made sure the Ofc. Eckert was in control of Mankin and then turned her attention toward [REDACTED] to deal with her and keep her back. Ofc. Eckert then assisted Mankin to a seated position where he seemed to be compliant. Ofc. Eckert engaged Mankin in dialogue and he was calm and cooperative. Ofc. Eckert assisted Mankin to his feet, and began walking him out of the parking garage to detain him in a patrol car. While being walked out, Mankin attempted to break free from Eckert and attack the females. Ofc. Eckert took Mankin to the ground and Mankin hit his face on the ground causing an injury requiring medical treatment. Mankin was ultimately transported to Sutter General Hospital where he was eventually cleared for incarceration, diagnosed with a jaw contusion and subtle fracture to his left cheek area. Mankin was booked for 148(a)(1) PC, 647(f) PC and 415(1) PC.

OPINIONS:

I viewed Ofc. Eckert's BWC footage and it clearly shows Ofc. Eckert walking Mankin out of the parking garage when Mankin suddenly lunges forward, out of the control of Ofc. Eckert, toward [REDACTED] in an effort to attack her. Ofc. Eckert then took Mankin to the ground to gain control of him and prevent him from assaulting [REDACTED]. Upon noticing the injury to [REDACTED], Ofc. Eckert immediately placed Manning in a position of recovery and requested medical aide. After reviewing the Body Camera Footage, the report (including witness statements), and speaking with the involved officers on scene, it is my opinion, given the circumstances of

the call, the events that preceded Ofc. Eckert's actions, as well as the degree of active resistance and aggression displayed by Mankin, that the use of force was justified and within the policy of the Sacramento Police Department. (There was no available ICC footage due to all of the patrol cars being parked at the intersection of 3rd and J St during the UOF).

CONCERNS AND CORRECTIVE ACTION

I spoke with Ofc. Eckert on scene regarding this incident. I advised Ofc. Eckert that when dealing with a previously combative individual, who is prone to and handcuffed, to think about keeping him on the ground and waiting for additional units to assist him prior to moving the suspect. Additional units were already requested and responding at the time Ofc. Eckert had the suspect detained on the ground. I told Ofc. Eckert that waiting for another unit to assist him in walking the suspect to the patrol car would help in controlling him. Ofc. Eckert understood and was receptive. No further actions recommended.

On Sunday November 26th 2017 at approximately 0210 hours I (Officer Jarrell #569) made contact with [REDACTED]. While speaking with her, she was very hesitant in providing me with any information and the details of the incident were vague. My body-worn camera was not activated as it was malfunctioning. [REDACTED] stated the following in summary:

We were all here in the bottom floor of the parking garage near our cars. We heard some males and females yelling and looked around. We saw three males yelling at a female on the northeast corner of J Street and 3rd Street. The three males then came to the parking garage and came down the stairs right here (northwest corner of 3rd St / J St).

They then started hollering at my cousin ([REDACTED]). They were hitting on her right in front of us. Her boyfriend started yelling at them telling them to leave her alone and that he is her boyfriend. I don't know his name. He is from Fresno. All three guys then jumped him. He fell to the ground and they all hit and kicked him. I don't know how many times. They were doing it for about 5 minutes. We all were pulling them off of him. They ran up the stairs.

About 10 minutes later they came back down the stairs and were armed with guns. Two of the three were. Suspect #1 had a black pistol with an extended magazine. Suspect #2 had a black pistol. Suspect #3 did not have a gun. They were pointing the guns at us charging at us and yelling that they were going to shoot us. I don't remember how close they got. Suspect #1 then pistol whipped my sister. I didn't see hardly any of it. They then ran back upstairs. About 5 minutes later we saw them in their car. They were on 3rd Street at the light for J Street. I ran up the stairs and was on the sidewalk when they turned left.

The vehicle was a newer white Mercedes-Benz 4-door sedan. It had stock wheels and it did not have a kit or tinted windows on it.

Suspect #1 was a male black or mixed race. He was light complected, L20s-M30s, about 5'9" with an average build. He had a black fade hair style but was wearing a hat. I do not remember the color of his hat. He had a long sleeve red and green plaid flannel and blue jeans. He was armed with the black pistol with the extended magazine.

Suspect #2 was a male black adult with a dark complexion. He was in his L20s-M30s, about 5'9" with an average build. He had a black fade hair style. I do not remember what he was wearing; maybe blue jeans. He had a black pistol.

Suspect #3 was a male Asian adult. He was in his L20s-M30s, about 5'9" with an average build. He also had a black fade hair style. I do not remember what he was wearing either but maybe blue jeans.

If I were to see them again I would be able to identify them. I will not do a field show-up. I do not have time, I have to go take care of my babies.

ON 11/26/2017, at approximately 0220 hours, I (Officer Truesdale) contacted [REDACTED] on scene and obtained his statement. He stated the following in summary:

We all came from The Pier. We were trying to go home. We got back to the car and found that we lost the key somewhere. We started looking for it when the three men jumped down into the garage from the sidewalk. Immediately they got in my face saying "hey little mama" and other things. My boyfriend told them to "back up" and they started hitting and kicking my boyfriend. We were all yelling stop and when I tried to pull them off, I got elbowed in the face and they said "move nigga". My boyfriend was in the fetal position on the ground while they hit and kicked him.

They finally got off of him and they go up the stairs. They come back down the stairs and this time one of them has a black gun and starts running at us with it. We all scared and started running away down the parking structure. We stop and go back to where the man with the gun was and now the Hispanic guy was there too.

The guy still had the gun in his hand and we were trying to calm him down. He then pistol whipped my cousin in the head three times and she fell to the ground. The man with the gun ran off.

The Hispanic guy was still there and trying to fight saying " I'm gonna knock you bitches out".

The cops showed up and I think the guy got tazed or something because I saw him on the ground and they put handcuffs on him. The cops were walking him back and I saw him on the ground with blood on his face. I don't know how he got the blood on his face. I didn't see what happened. I think the Hispanic guy was with the people with the gun because he was saying "I don't know what happened but ya'll tryna run up on my niggas" while he was sitting there.

The three guys with the gun were all male black. There were two darker skinned guys and one lighter skinned guys. One of the darker skinned guys had dreads and a hoodie and he was the one with a gun.

I could identify them if I saw them again.

ON 11/26/2017, at approximately 0159 hours, I (Officer Truesdale) was dispatched to 3rd and J St regarding a possible assault with a firearm. I arrived on scene at approximately 0203 hours. I observed the following in summary:

Upon arrival, Officer Eckert was on scene and standing on the sidewalk near the parking garage at 3rd St and J St. I heard a loud argument coming from the parking garage and sounded like several people were involved. I observed Officer Eckert drop down into the parking garage. I dropped into the parking garage from the sidewalk and when I stood up I observed Officer Eckert was farther down the parking garage and had a MHA proned out on the ground at tazer point. Several individual were yelling "that's him. that's him". I ran over to Officer Eckert and drew my firearm and held the MHA at gun point while Officer Eckert detained the him in handcuffs.

While Officer Eckert was placing the MHA in handcuffs, a female ran up to us and started yelling. I observed Officer Eckert had the suspect in handcuffs and asked if he was ok to watch the suspect while I contact the woman yelling at us to determine her involvement.

I contacted the woman and she stated that she was the girlfriend of the man we just detained. After a minute of talking to her she yells that he boyfriend was slammed to the ground. I turn around and observed Officer Eckert farther down the parking structure, towards where we entered, and he had the subject on the ground with his right side holding him down. Officer Eckert broadcasted on the radio he was fighting with the subject.

I ran to Officer Eckert and placed the subject in a arm control hold. We sat the subject up and saw that he was now bleeding from the face.

Fire was requested for his injuries.

I contacted victim [REDACTED] and witness [REDACTED] and obtained their statements (see statements).

I updated Sgt Magee.

I provided [REDACTED] with a report number and information card.

On 11-26-17 at approx. 0158 hours, I, Ofc. Eckert (#1001) was transporting a prisoner to Sacramento County Main Jail. I took the J St. exit from the I-5 North. At the first intersection (J St. and 3rd St.) I was stopped at a red light. I heard loud yelling and looked left towards the noise. I was being frantically waived down by a group of male and female African Americans.

I rolled down my window to find out what was going on. Three females came to my patrol vehicle's window and yelled at me that their friend had just been pistol whipped. I then saw a female walking towards me with blood on her face from what appeared to be a gash on her head. I immediately broadcasted my location and requested medical aid.

I asked for a description and direction of travel of the suspect(s). Again multiple girls yelled at me, I gathered that two suspects had left in a white Mercedes traveling east on J St. The females told me it was two males, one was a middle aged Asian with braids and the other was wearing a shirt with a "lumber jack logo" and had a pistol. I put out the description to the best of my ability.

I then learned there was a second victim with minor injuries. One of the females pointed out her boyfriend who was "jumped" by the same subjects. I started medical aid for him as well. I could see minor abrasions on his face.

As this was all unraveling very quickly I heard sounds of an escalating argument coming from a nearby parking garage. Then one of the females told me that there were subjects that witnessed the event and refused to give information on the subjects. The argument was escalating between the girl victim's boyfriend and another male subject, because the victim's boyfriend wanted to know who had injured his girlfriend.

I advised Sgt. MaGee (#3133) who was now on scene of what was occurring and that I needed him to watch my prisoner, so that I could control the situation.

I quickly grabbed Ofc. Truesdale's (#909) attention and headed toward the sound of the heated argument. When I could see what was occurring, it appeared that a fight was breaking out between approx. 10 people.

My attention was quickly drawn to one adult male in the center of the confrontation. He appeared large and well built (6'2"ish and muscular). He was wearing a white tank-top and his arms were covered in tattoos. It appeared that he was very angry and attempting to hit and grab multiple females near him. He looked irrational and out of control. He was later identified as Michael Mankin.

I put my red tazer light on the Mankin and gained his compliance. Ofc. Truesdale held Mankin at gun point while I detained him in hand cuffs. Mankin informed me he was ex-military. When he said this to me, I knew he was intoxicated by his slurred speech and moderate odor of alcohol.

I told others near by to "get back!" I helped Mankin to his feet and began to walk him to my patrol vehicle (unsteady gait). During the walk he suddenly tore away from my grasp (strong two handed rear wrist lock) and lunged himself back towards the group of African American females. They were only standing approx. two feet away, as they were confined by a cement wall. The girls were attempting to create space as I had asked when this occurred.

I was forced to gain control of Mankin and overcome his continued resistance even though he was already in handcuffs. I feared for the females safety as he was very strong and military trained. I did not know if he was going to kick, bite, or head but the females. I was forced to

take Mankin to the ground to over come his resistance and prevent escape or injury to the females.

As a result of myself and Mankin going to the ground I obtained a small cut on my right hand at the base of my small finger. Mankin obtained a cut on his face that smeared blood across the lower half of his face. It appeared to be coming from his mouth. I immediately called for more medical aid and advised of his injuries. I sat Mankin up in the recovery position and made sure he was alert and breathing.

The fire department and other Officers quickly arrived and control the scene. Statements where taken supporting the fact that Mankin continued to resist me even once placed in cuffs and still posed a threat to others.

I advised Sgt. MaGee what had occurred.

I left the scene and took my prisoner to jail as instructed.

My prisoner and Mankin both happened to get rejected from jail for medical purposes and we all arrived at Sutter Medical Center (L/29th St.) At the hospital Mankin made threats to harm myself and kill my family. He told me to get a lawyer and that I was going to lose my job. He caused a scene at the hospital and was told by several officers and hospital staff that his belligerent attitude was not needed.

At the time of the incident, I acted based off of the knowledge know to me in what I believed to be the lowest use of force option reasonable to control Mankin and protect the saftey of other around.

My body warn camera was activated during the incident.

Me and my dude, (suspect Mankin) were walking back to our car from where we were drinking in old town. We were walking from the parking lot south of J St to the parking lot north of J St when we saw a large group of people arguing. We were trying to figure get our car but we had to walk past them.

As we walked past them we asked if everything was ok. They got real mad and started yelling at my dude. There were a lot of people and they started surrounding us and yelling at us saying we were, "one of them". We didn't know what they were talking about. We started walking away but they followed us and kept yelling.

My dude has been in the army the last 7 years and has PTSD and all that Army shit. We have been hanging out for about 3 months.

We got to a point in the garage that the people kept following us that my dude told me to just go to the car. He stopped and turned towards the

On 11/26/2017 at approx 0207 hours, I (Ofc McDermid #939) contacted Victim () at the scene and obtained her statement. She stated the following in summary:

These three black dudes jumped my cousin ()'s boyfriend, (). They where beating the shit out of him so I hit one of them in the ear with the heal of my shoe. I think it ripped part of his ear. He went up to the next level and got a gun out of his Mercedes. He racked the slide and I saw a round come out of it. He came down and started pointing the gun at all of us, then he started hitting me on the head with it. He must have hit me 3 or 4 times. I covered my head with my arms. I didn't black out.

Yes, I could identify all three of them again if I saw them.

On 11/26/2017 at approx 0201 hours I, (Ofc McDermid #939) was dispatched to 3rd St/ J St (Parking Garage) regarding an assault with a pistol. I arrived on scene at approx 0207 hours, activated my body camera and observed the following in summary:

On the lower level, South East corner, of the parking garage Officers on scene had detained a Male Black Adult. Approx 7 other individuals were on scene with the officers. I contacted a Female Black Adult seated in the rear seat of a Mazda who was identified as a victim that had been struck with a pistol. She identified herself with a California ID card as ██████████. ██████████ had an approx 1/4 inch laceration above her left eye that had been bleeding. She also had a swollen 'knot' on the top of her head that was raised approx 1/4 inch and 1 inch in diameter.

██████████ was very agitated and spoke very rapidly. I attempted to calm her down in order to get a statement but she had a difficult time calming down. I obtained her statement (see statement).

Fire arrived and evaluated ██████████. She denied transportation to the hospital for stitches.

██████████ stated that she watched her assailant get the pistol out of a white Mercedes on the 2nd level of the garage directly above the scene. She observed him rack the slide and saw a round eject. I went to the second level and found a 9mm live round where ██████████ described.

CSI on scene photographed the round and collected it. I later booked it as evidence.

On 11-26-17, at approximately 0230 hours, I (Officer J. Hasegawa #0271) contacted [REDACTED] in the area of 3rd Street and J Street and obtained a statement. [REDACTED] stated the following, in summary:

I saw that Asian guy (Michael Mankin) chasing some girls and my sister in the parking garage. I was on the corner of J Street and 3rd Street, when I saw the officer (Eckert) grab that guy. That guy was tussling with the officer. I was standing about thirty feet away.

That guy slipped away from the officer really fast. I saw the officer tackle that guy. I heard a bunch of yelling. The girls, the officer, and the guy were yelling at the same time, so I couldn't make out what was being said. I would describe that guy's actions with the officer as "resisting".

I don't know what else to tell you. That's all I know. That's all I have to say.

NOTE: The above statement was recorded on my body worn camera.

On 11-26-17, I (Officer J. Hasegawa #0271) worked a supplemental employment assignment for the downtown parking facilities. I was in a marked patrol vehicle and in full police uniform.

At approximately 0200 hours, I responded to the "Old Sacramento Garage", located at 200 I Street (northwest corner of J Street and 3rd Street), to assist Officer S. Eckert #1001 with an assault investigation.

I arrived on scene at approximately 0205 hours and located several police officers (consisting of the Sacramento Police Department and California Highway Patrol) dealing with an upset group of people, who were yelling profanities and challenging each other to fight.

I also saw a handcuffed Asian male sitting on the ground, who was later identified as Michael Mankin (DOB 12-21-86). Michael was bleeding from his nose and appeared heavily intoxicated (based on demeanor, speech, etc.). He was also yelling profanities at people.

Investigating officers informed me that Michael was being hostile towards a group of females and was detained by Officer Eckert for his behavior/actions. Michael attempted to attack the females while he was handcuffed; at which point, Officer Eckert placed him on the ground, resulting in the above-mentioned facial injury(ies). See attached report(s) for further details.

The Sacramento Fire Department arrived on scene to provide immediate medical treatment to Michael. Michael was seated in the backseat of my patrol vehicle after being seen by the medics.

Shortly after, I contacted the following subjects, who were together and identified as follows:

I obtained a statement from [REDACTED], who informed me that he witnessed Michael's hostility towards the above-mentioned group of females and the subsequent contact by Officer Eckert (see attached).

At approximately 0310 hours, I transported Michael to the Sacramento County Main Jail, located at 651 I Street, to book him for the following penal code sections: 148(a)(1)(Resisting, Obstructing, Delaying and Officer), 415(1)(Challenging a Person to a Fight) and 647(f)(Drunk and Disorderly in Public).

A jail nurse evaluated Michael's facial injuries and determined he needed to be taken to a hospital for medical treatment. I transported Michael to Sutter Medical Center's emergency department to get him treated.

NOTE: Michael continued to be hostile and argumentative with officers while at jail and at the hospital.

Michael received a CT/CAT scan at the hospital. After doing so, hospital staff determined that Michael had a jaw contusion and a subtle fracture to his left cheek area. Medical staff provided Michael treatment and deemed him fit for incarceration at approximately 0615 hours.

I then transported Michael back to the main jail, where he was booked for the above-mentioned charges.

NOTE: My body worn camera was used during this call.

Narrative Text Report # 1

Document: **06 DETECTIVE SUPPLEMENT**

Author: **3794 - FOX, NICHOLAS 3007**

Subject: **DET FOX #845**

Related date/time: **Nov-28-2017 (Tue.)**

On 11/28/17 I was assigned follow-up related to the 245 PC that had occurred on 11/26/17 on the parking garage at 3rd and I st. I observed the following during my investigation:

Based on statements given in the initial report it appeared the suspect vehicle left traveling SB on 3rd street from I and then traveled east on J street. Based on the CAD call time of the initial wave down (approx 0158 hrs) I began to review video footage of cameras in the area. I reviewed footage from the Department of Transportation (DOT) and observed a vehicle matching the suspect description (white Mercedes Benz) traveling east on J st from 3rd St at approx 0157 hrs. That vehicle then turned north on 5th Street. It traveled to 5th St and can be seen by the 5th and I camera traveling west on I st to Northbound I-5.

Per Detective Collier #288 who reviewed the CCTV footage from the Old Sacramento area there was no video of the incident or the suspects.

An LPR search of the for Mercedes-Benz in the downtown area from 11/25/17 at 2200 hrs to 11/26/17 at 0300 hrs showed 85 vehicles were scanned. Of those 85 only 9 were white four door vehicles that could match the description of the vehicle. The LEARN report was attached.

I attempted to retrieve the LPR scans from the parking garages. Due to the lapse in time and maintenance being conducted on their system the scans from that night were no longer available.

The CCTV footage reviewed was booked into property as evidence for further follow up.
